1. State of Florida Law: This contract is executed and entered into in the state of Florida, and will be construed, performed, and enforced in all respects in accordance with the laws, rules, and regulations of the state of Florida. Each party will perform its obligations herein in accordance with the terms and conditions of the contract.

The act prohibits providers from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he/she is otherwise entitled. All suspected violations must be reported to the Department.
  - c. If this contract includes federal funds that will be used for the performance of experimental, developmental, or research work, Provider must comply with 37 C.F.R., part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms under Governmental Grants, Contracts and Cooperative Agreements."

If a Disclosure of Lobbying Activities form, Standard Form LLL, is required, it may be obtained from the Contract Manager. All disclosure forms as required by the Certification Regarding Lobbying form must be completed and returned to the Contract Manager.
  - f. The Department will consider employment of unauthorized aliens a violation of the Immigration and Naturalization Act, 8 U.S.C. section 1324a. Such violation will be cause for unilateral cancellation of this contract by the Department. Provider must utilize the U.S. Department of Homeland Security's E-Verify system, <https://e-verify.uscis.gov/emp>, to verify the employment eligibility of all new employees hired during the contract term by Provider. Provider must also include a requirement in subcontracts that the subcontractor must utilize the E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the contract term. Providers meeting the terms and conditions of the E-Verify System are deemed to be in compliance with this provision.
  - g. Provider must comply with President's Executive Order 11246, Equal Employment Opportunity (30 Fed. Reg. 12319 and 12935), as amended by President's Executive Order 11375, (32 Fed. Reg. 14303), and as supplemented by regulations at 41 C.F.R., chapter 60.

Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 for each violation and/or the imposition of an administrative compliance order on the responsible entity.
  - i. HIPAA: Where applicable, Provider will comply with Federal Privacy and Security Regulations developed by the U.S. Department of Health and Human Services at 45 C.F.R. parts 160 and 164 promulgated pursuant to the Health Insurance Portability and Accountability Act of 1996, Pub. L. No. 104-191, and the Health Information Technology for Economic and Clinical Health Act (HITECH), Title XIII of Division A, Title IV of Division B, Pub. L. No 111-5, collectively "HIPAA."
  - j. Provider is required to submit a W-9 to the Department of Financial Services (DFS) electronically prior to doing business with the State of Florida via the Vendor Website at <https://flvendor.myfloridacfo.com>. Any subsequent changes must be performed through this website; however, if Provider needs to change its FEID, it must contact the DFS Vendor

- D. Monitoring by the Department:** To permit persons duly authorized by the Department to inspect any records, papers, documents, facilities, goods, and services of Provider, which are relevant to this contract, and interview any clients and employees of Provider to assure the Department of satisfactory performance of the terms and conditions of this contract. Following the Department's monitoring it, at its sole and exclusive direction, may provide Provider with a written report, require corrective action or take other actions including the withholding of payments, and termination of this contract for cause.
- E. Indemnification**
1. Provider is liable for and will indemnify, defend, and hold harmless the Department and all of its officers, agents, and employees from all claims, suits, judgments, or damages, consequential or otherwise and including attorneys' fees and costs, arising out of any act, actions, neglect, or omissions by Provider, its agents, or employees during the performance or operation of this contract or any subsequent modifications thereof, whether direct or indirect, and whether to any person or tangible or intangible property.
  2. Provider's inability to evaluate liability or its evaluation of liability will not excuse Provider's duty to defend and indemnify within seven days after certified mail or courier delivery notice from the Department. Only adjudication or judgment after highest appeal is exhausted specifically finding Provider not liable will excuse performance of this provision. Provider will pay all costs and fees related to this obligation and its enforcement by the Department. The Department's failure to notify Provider of a claim will not release Provider of the above duty to defend. **NOTE: This section, I.E, Indemnification, is not applicable to contracts executed between state agencies or subdivisions, as defined in section 768.28, Florida Statutes.**
- F. Insurance:** To provide adequate liability insurance coverage on a comprehensive basis and to hold such liability insurance at all times during the existence of this contract and any renewal(s) and extension(s) of it. Upon execution of this contract, unless it is a state agency or subdivision as defined in section 768.28, Florida Statutes, Provider accepts full responsibility for identifying and determining the type(s) and extent of liability insurance necessary to provide reasonable financial protections for Provider and the clients to be served under this contract. The limits of coverage under each policy maintained by Provider do not limit Provider's liability and obligations under this contract. Upon the execution of this contract, Provider must furnish the Department written verification supporting both the determination and existence of such insurance coverage. Such coverage may be provided by a self-insurance program established and operating under the laws of the state of Florida. The Department reserves the right to require additional insurance as specified in Attachment I.
- G. Safeguarding Information:** Not to use or disclose any information concerning a recipient of services under this contract for any purpose not in conformity with state and federal law except upon written consent of the recipient, or the responsible parent or guardian when authorized by law.
- H. Assignments and Subcontracts**
1. To neither assign the responsibility of this contract to another party nor subcontract for any of the work contemplated under this contract without prior written approval of the Department, which will not be unreasonably withheld. Any sub-license, assignment, or transfer otherwise occurring will be null and void. In the event the use of subcontracts is allowed, Provider will remain responsible for all work performed and all expenses incurred in connection with the contract. In addition, this contract will bind the successors, assigns, and legal representatives of Provider and of any legal entity that succeeds to the obligations of the Department.
  2. Provider will be responsible for all work performed and all expenses incurred with the project. If the Department permits Provider to subcontract all or part of the work contemplated under this contract, including entering into subcontracts with vendors for services and commodities, the Department will not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and Provider will be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract. Provider, at its expense, will defend the Department against such claims.
  3. The Department will at all times be entitled to assign or transfer, in whole or part, its rights, duties, or obligations under this contract to another governmental agency in the State of Florida, upon prior written notice to Provider.
  4. Unless otherwise stated in the contract between Provider and subcontractor, payments made by Provider to the subcontractor must be within seven working days after receipt of full or partial payments from the Department in accordance with section 287.0585, Florida Statutes. Failure to pay within seven working days will result in a penalty charged against Provider to be paid by Provider to the subcontractor in the amount of one-half of one percent of the amount due per day from the expiration of the period allowed herein for payment. The penalty will be in addition to actual payments owed and will not exceed 15 percent of the outstanding balance due.
- I. Return of Funds:** Return to the Department any overpayments due to unearned funds or funds disallowed and any interest attributable to such funds pursuant to the terms of this contract that were disbursed to Provider by the Department. In the event that Provider or its independent auditor discovers that overpayment has been made, Provider will repay the overpayment within 40 calendar days without prior notification from the Department. In the event that the Department first discovers an overpayment has been made, the Department will notify Provider in writing of such a finding. Should repayment not be made in the time specified by the Department, Provider will pay interest of one percent per month compounded on the outstanding balance after 40 calendar days after the date of notification or discovery.
- J. Transportation Disadvantaged**
- If clients are to be transported under this contract, Provider will comply with the provisions of Chapter 427, Florida Statutes, and Florida Administrative Code Chapter 41-2. Provider must submit the reports required pursuant to the Department's Internal Operating Procedure (IOP) 56-58-15, Transportation Disadvantaged Procedure.

**K. Purchasing**

1. Prison Rehabilitative Industries and Diversified Enterprises, Inc.: Any articles which are the subject of, or are required to carry out this contract will be purchased from Prison Rehabilitative Industries and Diversified Enterprises, Inc. (PRIDE) identified under Chapter 946, Florida Statutes, in the same manner and under the procedures set forth in section 946.515(2) and section (4), Florida Statutes. For purposes of this contract, Provider will be deemed to be substituted for the Department insofar as dealings with PRIDE. This clause is not applicable to subcontractors unless otherwise required by law. An abbreviated list of products/services available from PRIDE may be obtained by contacting PRIDE, 1-800-643-8459.
2. Procurement of Materials with Recycled Content: It is expressly understood and agreed that any products or materials which are the subject of, or are required to carry out this contract will be procured in accordance with the provisions of sections 403.7065 and 287.045, Florida Statutes.
3. MyFloridaMarketPlace Vendor Registration: Each vendor doing business with the state of Florida for the sale of commodities or contractual services as defined in section 287.012, Florida Statutes, must register in the MyFloridaMarketPlace system, unless exempted under Florida Administrative Code Rule 60A-1.030(3).
4. MyFloridaMarketPlace Transaction Fee:
  - a. The state of Florida, through the Department of Management Services, has instituted MyFloridaMarketPlace, a statewide procurement system. Pursuant to section 287.057(22), Florida Statutes, all payments will be assessed a Transaction Fee of one percent, which Provider will pay to the State.
  - b. For payments within the State accounting system (FLAIR or its successor), the Transaction Fee will, when possible, be automatically deducted from payments to the vendor. If automatic deduction is not possible, the vendor will pay the Transaction Fee pursuant to Florida Administrative Code Rule 60A-1.031(2). By submission of these reports and corresponding payments, vendor certifies their correctness. All such reports and payments will be subject to audit by the State or its designee.
  - c. Provider will receive a credit for any Transaction Fee paid by Provider for the purchase of any item, if such item is returned to Provider through no fault, act, or omission of Provider. Notwithstanding the foregoing, a Transaction Fee is non-refundable when an item is rejected or returned, or declined, due to the vendor's failure to perform or comply with specifications or requirements of the agreement. Failure to comply with these requirements will constitute grounds for declaring the vendor in default and recovering procurement costs from the vendor in addition to all outstanding fees. Providers delinquent in paying transaction fees may be excluded from conducting future business with the State.

5. Unless justified by Provider and agreed to by the Department in Attachment I, the Department will not furnish services of support (e.g., office space, office supplies, telephone service, secretarial, or clerical support) to Provider, or its subcontractor or assignee.
6. All deductions for social security, withholding taxes, income taxes, contributions to unemployment compensation funds, and all necessary insurance for Provider, Provider's officers, employees, agents, subcontractors, or assignees will be the responsibility of Provider.

**O. Final Invoice:** To submit the final invoice for payment to the Department no more than 15 days after the contract ends or is terminated. If Provider fails to do so, all right to payment is forfeited and the Department will not honor any requests submitted after the aforesaid time period. Provider must inform the Department of any inventions or discoveries developed in connection with this contract, and will be referred to the Department of State for a determination on whether patent protection will be sought for the invention or discovery. The state of Florida will be the sole owner of all patents resulting from any invention or discovery made in connection with this contract.

  3. Provider, without exception, will indemnify and save harmless the state of Florida and its employees from liability of any nature or kind, including cost and expenses for or on account of any copyrighted, patented, or unpatented invention, process, or article manufactured by Provider. Provider has no liability when such claim is solely and exclusively due to the Department of State's alteration of the article. The state of Florida will provide prompt written notification of claim of copyright or patent infringement. Further, if such claim is made or is pending, Provider may, at its option and expense, procure for the Department of State, the right to continue use of, replace, or modify the article to render it non-infringing.
