RESOLUTION NO. _____

RESOLUTION URGING CONGRESS TO ENACT THE
AIRPORT SECURITY ENHANCEMENT AND OVERSIGHT
ACT, S. 2361, OR SIMILAR LEGISLATION THAT WOULD
PROVIDE ENHANCED SECURITY AT U.S. AIRPORTS

WHEREAS, the Airport Security Enhancement and Oversight Act was introduced to the U.S. Senate on December 7, 2015 by U.S. Senators Bill Nelson (D-Florida) and John Thune (R-South Dakota); and

WHEREAS, the proposed bill would tighten internal security at airports across the country by enhancing background checks and requiring the Transportation and Security Administration (“TSA”) to increase employment screening of aviation workers at over 450 U.S. airports; and

WHEREAS, the proposed bill would also allow TSA to access additional terrorism-related databases maintained by the federal government, increase the use of undercover “red teams” to test the security of secured areas at airports, and conduct a review of the insider threat posed by airport employees; and

WHEREAS, the TSA does not currently have real-time access to the Terrorist Identities Datamart Environment, a database maintained by American central intelligence offices; and

WHEREAS, the Federal Bureau of Investigation and the TSA uncovered a gun smuggling ring run by airport employees at Hartsfield-Jackson Atlanta International Airport whereby guns and ammunition were smuggled on at least 20 flights from Atlanta to New York from May to December 2014; and

WHEREAS, Miami International Airport and Orlando International Airport are the only two major airports that currently conduct thorough daily employee security screenings; and

WHEREAS, there is currently no federal requirement that airport employees at U.S. airports be screened when reporting to work; and

WHEREAS, this Board is supportive of regulatory security measures designed to protect the livelihood of passengers traveling at airports all across the country,
