and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Agenda Item No. 8(F)(7)

Subject: Recommendation for Approval to Award: Polygraph Examination Services

Recommendation

It is recommended that the Board of County Commissioners (Board) approve competitive contract awards, *Contract No. RFP-00572A and Contract No. RFP-00572B, Polygraph Examination Services*, for multiple County Departments. These contracts provide County departments with polygraph examination services, including technical assistance, expert testimony, and other related services. Polygraph examinations are an integral component of the background and investigative procedure of the pre-employment selection process and are administered to applicants for County positions that hold positions of trust in the law enforcement community or that have access to sensitive and protected information.

Scope

The scope of this item is countywide in nature.

Fiscal Impact/Funding Source

The fiscal impact for the five-year term is \$1,242,000. The current contract, *RFP831*, is valued at \$1,437,000 for a five-year and three-month term and expires on March 31, 2018. The allocation under the replacement contract is lower than the previous contract due to lower projected needs for these services.

Department	Allocation	Funding Source	Contract Manager
Corrections and Rehabilitation	\$535,000	General Fund	John C. Prats
Police	\$695,000	General Fund	Laura K. Romano
Transportation and Public Works	\$12,000	DTPW Operating	Marion L. Pratt
Total:	\$1,242,000		

Track Record/Monitor

Rita Silva of the Internal Services Department is the Interim Procurement Management Division Director.

Delegated Authority

If this item is approved, the County Mayor or County Mayor's designee will have the authority to exercise all provisions of the contract, including any cancellation, renewal and extension provisions, pursuant to Section 2-8.1 of the County Code and Implementing Order 3-38.

Vendors Recommended for Award

A Request for Proposals was issued under full and open competition. Three proposals were received in response to the solicitation and the two highest-ranked, responsible and responsive proposers are being recommended for award. The required services will be available from two vendors, under separate contracts, to ensure the availability of services at times of high demand.

Due Diligence

Pursuant to Resolution No. R-187-12, due diligence was conducted in accordance with the Internal Services Department's Procurement Guidelines to determine vendor responsibility, including verifying corporate status and that there are no performance and compliance issues through various vendor responsibility lists. The lists that were referenced included convicted vendors, debarred vendors, delinquent contractors, suspended vendors, and federal excluded parties. There were no adverse findings relating to vendor responsibility.

Pursuant to Resolution No. R-140-15, prior to re-procurement, a full review of the scope of services was conducted to ensure the replacement contract reflects the County's current needs. The review included conducting market research, posting a draft solicitation for industry comment, and holding meetings and drafting sessions with the user department. The review resulted in the scope of services remaining the same.

Applicable Ordinances and Contract Measures

- The two percent User Access Program provision applies where permitted by the funding source.
- The Small Business Enterprise Selection Factor and Local Preference were applied.
- The Living Wage does not apply.

In the event that the Contractor and the Project Manager are unable to resolve their difference, the Contractor may initiate a dispute in accordance with the procedures set forth in this Article. Exhaustion of these procedures shall be a condition precedent to any lawsuit permitted hereunder.
- d) In the event of such dispute, the parties to this Agreement authorize the County Mayor or designee, who may not be the Project Manager or anyone associated with this Project, acting personally, to decide all questions arising out of, under, or in connection with, or in any way related to or on account of the Agreement (including but not limited to claims in the nature of breach of contract, fraud or misrepresentation arising either before or subsequent to execution hereof) and the decision of each with respect to matters within the County Mayor's purview as set forth above shall be conclusive, final and binding on parties. Any such dispute shall be brought, if at all, before the County Mayor within 10 days of the occurrence, event or act out of which the dispute arises.
- e) The County Mayor may base this decision on such assistance as may be desirable, including advice of experts, but in any event shall base the decision on an independent and objective determination of whether Contractor's performance or any Deliverable meets the requirements of this Agreement and any specifications with respect thereto set forth herein. The effect of any decision shall not be impaired or waived by any negotiations or settlements or offers made in connection with the dispute, whether or not the County Mayor participated therein, or by any prior decision of others, which prior decision shall be deemed subject to review, or by any termination or cancellation of the Agreement. All such disputes shall be submitted in writing by the Contractor to the County Mayor for a decision, together with all evidence and other pertinent information in regard to such questions, in order that a fair and impartial decision may be made. Whenever the County Mayor is entitled to exercise discretion or judgement or to make a determination or form an opinion pursuant to the provisions of this Article, such action shall be fair and impartial when exercised or taken. The County Mayor, as appropriate, shall render a decision in writing and deliver a copy of the same to the Contractor. Except as such remedies may be limited or waived elsewhere in the Agreement, Contractor reserves the right to pursue

any remedies available under law after exhausting the provisions of this Article.

- b) Nothing in this Agreement shall be construed for the benefit, intended or otherwise, of any third party that is not a parent or subsidiary of a party or otherwise related (by virtue of ownership control or statutory control) to a party.
- c) In those situations where this Agreement imposes an indemnity obligation on the Contractor, the County may, at its expense, elect to participate in the defense if the County should so choose. Furthermore, the County may at its own expense defend or settle any such claims if the Contractor fails to diligently defend such claims, and thereafter seek indemnity for costs from the Contractor.
