Dear Sir or Madam:

The Department has received your application submitted under Chapter 496, Florida Statutes, the Solicitation of Contributions Act. Effective July 1, 2013, qualified charitable organizations are exempt from the fee based registration if they meet the following criteria, but are still required to register annually using form FDACS-10110 which will be mailed to you approximately 35 days before the registration expiration date:

- * The charitable organization or sponsor has less than \$25,000 in total revenue during the preceding fiscal year.
- * The fundraising activities of the charitable organization or sponsor are carried on by volunteers, members, or officers who are not compensated and no part of the assets or income of the organization or sponsor inures to the benefit of or is paid to any officer or member of the above named charitable organization or sponsor.
- * The charitable organization or sponsor does not utilize a professional fundraising consultant, professional solicitor, or commercial co-venturer.

Based on the information provided, it appears your organization is not subject to the fee based registration and has complied with the filing requirements of s. 496.406. An annual registration is still required pursuant to s. 496.406(1)(d), Florida Statutes.

PLEASE NOTE: If circumstances change, and you no longer meet one or more of the above listed qualifiers during this exemption period, you must submit a registration application using form FDACS-10100 with all required attachments and fees within 30 days of the qualifying change.

Every charitable organization or sponsor which is required to file under s. 496.406 must conspicuously display the registration number issued by the Department and in capital letters the following statement on every printed solicitation, written confirmation, receipt, or reminder of a contribution:

"A COPY OF THE OFFICIAL REGISTRATION AND FINANCIAL INFORMATION MAY BE OBTAINED FROM THE DIVISION OF CONSUMER SERVICES BY CALLING TOLL-FREE (800-435-7352) WITHIN THE STATE. REGISTRATION DOES NOT IMPLY ENDORSEMENT, APPROVAL, OR RECOMMENDATION BY THE STATE."

The Solicitation of Contributions Act requires an annual renewal to be filed on or before the date of expiration of the previous exemption. The Department will send a renewal package approximately 35 days prior to the date of expiration shown above. A COPY OF THIS LETTER SHOULD BE RETAINED FOR YOUR RECORDS. If we may be of further assistance, please contact the Solicitation of Contributions Section.

Sincerely,

Dear Applicant,

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC Section listed at the top of this letter.

If we indicated at the top of this letter that you're required to file Form 990/990-EZ/990-N, our records show you're required to file an annual information return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N the e-Postcard). If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

Kelley Blue Book pricing is based on actual transactions and adjusted regularly as market conditions change.

Suggested Retail Price - Suggested Retail Price is representative of dealers' asking prices. It assumes that the vehicle has been fully reconditioned and takes into account the dealers' profit and costs for advertising. The final sale price will likely be less, depending on the car's actual condition, popularity, warranty and local market factors.

Kelley Blue Book® Fair Purchase Price (Used Car) - This is the price people are typically paying a dealer for a used car with typical mileage in good condition or better. This price is based on actual used-car transactions and adjusted regularly as market conditions change.

Fair Market Range (Used Car) - The Fair Market Range is Kelley Blue Book's estimate of what you can reasonably expect to pay this week for a vehicle with typical mileage and configured with your selected options, excluding taxes, title and fees when purchasing from a dealer. Each dealer sets and controls its own pricing.

Kelley Blue Book® Certified Pre-Owned (CPO) Price - This is the dealers' asking price of a car that meets the manufacturers' CPO program, which includes an additional warranty beyond the original factory warranty. It includes certification program costs, dealer profits and retail costs. The final price depends on the car's actual condition, popularity, warranty and local market factors.

Fair Market Range (CPO) - The Fair Market Range is Kelley Blue Book's estimate of what you can reasonably expect to pay this week for this year, make and model Certified Pre-Owned vehicle with typical mileage configured with your selected options, excluding taxes, title and fees. Each dealer sets and controls its own pricing.

Kelley Blue Book® Private Party Price - This is the starting point for negotiation of a used-car sale between a private buyer and seller. This is an 'as is' value that does not include any warranties. The final price depends on the car's actual condition and local market factors.

Private Party Range - The Private Party Range is Kelley Blue Book's estimate of what you can reasonably expect to pay this week for a vehicle with typical mileage in the selected condition and configured with your selected options, excluding taxes, title and fees when purchasing from a private party.
