Subject: Recommendation to Ratify Emergency Award: Command Vehicle Refresh and Upgrade

Recommendation

It is recommended that the Board of County Commissioners (Board) approve this request for a designated purchase pursuant to Section 2-8.1(b)(3) of the County Code by a two-thirds vote of the Board members present and ratify an emergency contract award, *Contract No. E10044-PD, Command Vehicle Refresh and Upgrade* to Oshkosh Corporation dba Frontline Communications (Frontline) in the amount of \$602,722 for the Miami-Dade Police Department (MDPD).

An emergency was declared by the Director of the Police Department on September 23, 2019 to purchase upgrade services for the Unified Command Center (UCC) trailer. Miami-Dade County has been selected to host Super Bowl LIV, and the MDPD has been tasked with managing and overseeing the security operations involving this massive sporting event on February 2, 2020. The UCC will serve as a Police Command Post for the MDPD to execute law enforcement activities for events taking place in various venues around the County. The UCC trailer must meet MDPD's operational and technology needs to allow for real-time information related to criminal activity and unforeseen incidents to ensure the most effective and efficient response.

The UCC was originally designed and manufactured by Frontline Communications in 2005. Frontline Communications engineers and support staff have the knowledge to ensure the complex equipment and systems within the UCC are not compromised or damaged. This vendor possesses the capabilities to make the necessary upgrades needed within the limited time frame to ensure the UCC is ready for Super Bowl LIV.
