Scope

The Project is located in Commission District 3 at 2926 NW 18th Avenue, in Miami, Miami-Dade County, Florida (the "County").

Funding Impact/Funding Source

The principal and interest on the Bonds shall not constitute a debt, liability or a general obligation of the HFA, County, the State of Florida or any political subdivision of each, but shall be the responsibility of the owner of the Project.

WHEREAS, the Housing Finance Authority of Miami-Dade County (Florida) (the "Authority") has determined that there exists a shortage of safe and sanitary housing for persons and families of low, moderate and middle income, within Miami-Dade County, State of Florida; and

WHEREAS, such housing shortage will be partially alleviated by the acquisition and construction by a private owner of a multifamily rental housing project, to be occupied by persons or families of low, moderate and middle income, to consist of approximately 120 units, located on an approximately 0.95 acre site located at NW 18th Avenue at the intersection of NW 29th Street and NW 18th Avenue, Miami, Miami-Dade County, Florida, known as Brisas del Este Phase Two (the "Project"); to be owned by Brisas del Este Phase Two, LLC, a Florida limited liability company (the "Owner"); and

WHEREAS, in order to provide for a portion of the financing for the acquisition and construction of the Project, the Authority intends to issue its tax-exempt multifamily housing revenue debt obligations for the benefit of the Owner, in one or more series or issues, at the same time or at different times in a total aggregate principal amount currently estimated not to exceed \$15,000,000 (herein the "Debt Obligations"), and to enter into a Borrower Loan or Financing

The Owner has represented to the Authority that all of the expenditures initially to be made with the Advanced Funds and then to be reimbursed by the Owner from proceeds of the Debt Obligations will be for costs of a type properly chargeable to the capital account of the Project under general income tax principles, non-recurring working capital expenditures (of a type not customarily payable from current revenues), or costs of issuing the Debt Obligations. Other than any preliminary expenditures for architectural, engineering, surveying, soil testing, costs of issuing the Debt Obligations or similar purposes that may have been paid more than sixty days prior to the date of this Resolution, no expenditures to be reimbursed have been paid more than sixty days earlier than the date of this Resolution.

SECTION 5. It is expressly stated and agreed that the adoption of this Resolution is not a guaranty, express or implied, that the Authority shall approve the closing and issue its Debt Obligations for the Project. This Resolution is qualified in its entirety by the provisions of Chapter 159, Part VI, Florida Statutes, or any subsequently enacted or effective Executive Order or legislation concerning a State volume ceiling on multifamily housing bonds. In regard to the State volume ceiling for multifamily housing bonds, the Authority can make no guarantees as to the method by which funds will be allocated to any particular project, including the Project, and to which projects, including the Project, funds will be allocated. The Owner shall hold the Authority and its past, present and future members, officers, staff, attorneys, financial advisors, and employees harmless from any liability or claim based upon the failure of the Authority to close the transaction and issue the Debt Obligations or any other cause of action arising from the adoption of this Resolution, the processing of the financing for the Project, the issuance of the
