RESOLUTION NO. _____

RESOLUTION URGING THE FLORIDA POWER & LIGHT COMPANY (“FPL”) TO SUSPEND ANY DISCONNECTION OF POWER AND LIGHT SERVICES FOR NONPAYMENT UNTIL 60 DAYS AFTER THE TERMINATION OF THE STATE OF LOCAL EMERGENCY ISSUED AS A RESULT OF CORONAVIRUS DISEASE 2019 (COVID-19) AND TO CONSIDER CERTAIN OTHER ACTIONS TO HELP PROTECT THE PUBLIC’S HEALTH, SAFETY, AND WELFARE DURING THE EMERGENCY

WHEREAS, Florida Power & Light Company (“FPL”) is the largest energy company in the United States as measured by retail electricity produced and sold; and

WHEREAS, FPL serves more than 5 million customer accounts and 10 million people across the State of Florida; and

WHEREAS, in early 2020, the United States, including the State of Florida and Miami-Dade County, began experiencing an outbreak of the infectious disease named coronavirus disease 2019 (COVID-19); and

WHEREAS, COVID-19 is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

WHEREAS, on March 9, 2020, the Governor of Florida declared a State of Emergency for the entire State of Florida as a result of COVID-19; and

WHEREAS, on March 12, 2020, the County Mayor declared a State of Local Emergency for all of Miami-Dade County in order to protect the public’s health, safety, and welfare; and

WHEREAS, in response to COVID-19, public health officials and the United States Centers for Disease Control and Prevention (CDC) encouraged “social distancing” to reduce the spread of the virus; and

WHEREAS, to enforce social distancing, the County Mayor issued emergency orders imposing mandatory closures of non-essential businesses in Miami-Dade County; and

WHEREAS, while these precautions were established to keep people safe, thousands of workers in Miami-Dade County and throughout the state have been laid off, furloughed, or left with severely reduced work hours; and

WHEREAS, more than 30 million Americans applied for unemployment benefits from mid-March through April 30, 2020; and

WHEREAS, recent data from the United States Bureau of Labor Statistics reveals that several cities in Florida, including the Cities of Hialeah and Miami, are among those in the United States that have seen the biggest spikes in unemployment due to COVID-19; and

WHEREAS, many of the County’s residents and families are struggling to make ends meet, and are unable to pay for basic necessities such as utilities, rent, and food; and

WHEREAS, on May 8, 2020, the Governor issued Executive Order 20-114, extending the state of emergency to contain the spread of COVID-19; and

WHEREAS, as a result of COVID-19, many residents have lost their income due to layoffs or furloughs and face the possibility that their inability to timely pay their utility bills and any associated late fees could result in disconnection of their FPL services; and

WHEREAS, access to electricity is imperative while staying at home and many of the County’s residents and families are being required to stay at home to minimize the chances of either being exposed to or spreading COVID-19; and

WHEREAS, the impacts of this outbreak will be felt for months beyond the declared State of Emergency and residents may still be waiting for economic assistance during that time; and

WHEREAS, this Board finds that access to power and light during this health threat is critical and requests a stay in place for 60 days after the Local State of Emergency has terminated to further protect the public's health, safety, and welfare; and

WHEREAS, the Board also would like to urge FPL to consider:

(1) Forgiving bills for impacted and vulnerable residents seeking assistance from FPL within Miami-Dade County, which are residents experiencing unemployment as a result of COVID-19, Asset Limited Income Constrained but Employed (ALICE) residents, and energy burdened residents;

(2) Renegotiating or setting up reasonable payment plans for residents seeking assistance from FPL; and

(3) Eliminating late fees and back charges to residents who would have been disconnected for accrued usage once the suspension period ends,
