Subject: North Miami Beach Community Redevelopment Agency FY 2019-20 and FY 2020-21
Budgets

Recommendation

It is recommended that the Board of County Commissioners (Board) consider the attached resolution approving the North Miami Beach Community Redevelopment Agency’s (Agency) FY 2019-20 and FY 2020-21 budgets for the North Miami Beach Community Redevelopment Area (Area) in the amount of \$4,549,661 and \$5,978,605 respectively.

The Interlocal Cooperation Agreement (Interlocal) between the County, the City of North Miami Beach (City), and the Agency requires the Agency to submit an annual budget for County approval, prior to the Agency expending any funding in the Trust Fund.

Scope of Agenda Item

The Area lies within Commission Districts 2 and 4, represented by Commissioner Jean Monestime and Commissioner Sally A. Heyman, respectively.

Delegation of Authority

This item does not delegate any authority to the Mayor.

Fiscal Impact / Funding Source

The Agency’s revenue source is tax increment financing (TIF), which is generated through the incremental growth of ad valorem revenues beyond an established base year, as defined in Section 163.387, Florida Statutes. The countywide TIF payment into the Agency’s Trust Fund for FY 2019-20 is \$1,090,388 and the City’s TIF payment into the Trust Fund is \$1,394,273. For FY 2020-21 the countywide TIF payment into the Agency’s Trust Fund is \$1,211,375 and the City’s TIF payment into the Trust Fund is \$1,590,346.

The County and the City will continue to make annual payments to the Agency through 2028, which is when the Agency and the Area will sunset.

Track Record / Monitor

This item does not provide for contracting with any specific entity, it only approves the Agency’s FY 2019-20 Budget of \$4,549,661 and FY 2020-21 Budget of \$5,978,605 as detailed in Exhibit 1 and 2 to the Resolution.

Background

On November 30, 2004 the Board approved Resolution No. R-1345-04, which established the boundaries of the Area and declared the Area to be slum and blight. On June 7, 2005, the Board approved the establishment of the Agency when it adopted the Agency’s Community Redevelopment Plan (Plan) pursuant to Resolution No. R-611-05 and funded the Plan when it enacted Ordinance No. 05-110 (Trust Fund). An Interlocal Agreement between Miami-Dade County and the agency was also approved by the Board on June 7, 2005. On December 19, 2006, the Board adopted Resolution No. R-1427-06, allowing the Agency to enter into a loan for infrastructure improvements and property purchase not to exceed \$8 million, and to extend the life of the Agency and the Area from 2015 to 2028. On May 15, 2012, the Board adopted Resolution No. R-429-12, approving the Amended North Miami Beach Redevelopment Plan. Fiscal Year 2020 Budget

For the Fiscal Year Starting on October 1st, 2019 and ending on September 30th, 2020

Overview

The North Miami Beach Community Redevelopment Agency (“CRA”) was authorized in 2005 by the Miami-Dade County Board of County Commissioners (“BCC”), and is a successful partnership between the City of North Miami Beach (“City”) and the BCC.

The BCC delegated many of the CRA powers to the City, which then created the CRA. The BCC retained other CRA powers such as approval of the annual budget, amending the Redevelopment Plan, approval of long-term debt such as loans and bonds, and other powers, which was described in the 2005 Interlocal Agreement between the BCC, City, and CRA.

The CRA’s goals are:

- 1) Eliminate and prevent blight,
- 2) Improve the public infrastructure, and
- 3) Prevent and reduce incidents of crime.

The CRA is a dependent special district that may only take on projects and programs that were approved in the Redevelopment Plan.

The latest Redevelopment Plan amendment was adopted by the BCC on March 7th, 2017 through Resolution R-239-17. The CRA will sunset on October 11th, 2028.

Fiscal Year 2020-2021 Budget

For the Fiscal Year Starting on October 1st, 2020 and ending on September 30th, 2021

Overview

The North Miami Beach Community Redevelopment Agency (“CRA”) was authorized in 2005 by the Miami-Dade County Board of County Commissioners (“BCC”) and is a successful partnership between the City of North Miami Beach (“City”) and the BCC. The Redevelopment Area consists of approximately 468 acres and contains commercial, institutional, recreational, mixed-use, and multi-family residential uses.

The BCC delegated many of the CRA powers to the City, which then created the CRA. The BCC retained other CRA powers such as approval of the annual budget, amending the Redevelopment Plan, approval of long-term debt such as loans and bonds, and other powers, which was described in the 2005 Interlocal Agreement between the BCC, City, and CRA.

The CRA’s goals are:

- Eliminate and prevent blight,
- Improve the public infrastructure, and
- Prevent and reduce incidents of crime.

The CRA is a dependent special district that may only take on projects and programs that were approved in the Redevelopment Plan.

The latest Redevelopment Plan amendment was adopted by the BCC on March 7th, 2017 through Resolution R-239-17. The CRA will sunset on October 11th, 2028.

- Targeted Industry Incentive Program (\$500,000) - This grant package will create new employment opportunities through the attraction of targeted industries to the CRA
- Tax Increment Financial (TIF) Incentives (\$300,000) – As development projects are proposed, this allows for TIF based incentives to be offered to incentivize projects. The CRA had a TIF based incentive for the Lazul redevelopment project that was completed, the conditions were met and approximately \$434,000 in incentives was paid out in FY 2020.
- Parking - The CRA participated in a parking study to: (1) determine the availability of parking; and (2) identify parking demand. Staff will be developing recommendations to address the CRA's current and future parking needs.
