Memorandum

Date: October 5, 2021

To: Honorable Chairman Jose “Pepe” Diaz
and Members, Board of County Commissioners

From: Daniella Levine Cava
Mayor *Daniella Levine Cava*

Subject: Settlement Agreement between Miami-Dade County, Magnolia North 2145 Apartments, LLC, and Opa-Locka Community Development Corporation, Inc., Acceptance of Deed, Allocation of Documentary Stamp Surtax (Surtax) Funds, and Related Matters

The substitute differs from the original item by authorizing the County Mayor or County Mayor's designee to effectuate and enforce the terms, including the reverter, of the County Deed recorded in the public record of Miami-Dade County at Book 21103, page 4499 (the “County Deed”) as to all three parcels described in that deed, rather than only as to two of the three parcels.

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board):

- 1) Authorize the County Mayor or County Mayor’s designee to execute the settlement agreement (settlement agreement) between the Miami-Dade County (County), Magnolia North 2145 Apartments, LLC (owner), and Opa-Locka Community Development Corporation, Inc. (subordinate lender) resolving a dispute between the parties regarding the development of Magnolia North 2145 Apartments affordable housing project (project);
- 2) Authorize the County Mayor or County Mayor’s designee to accept and record a special warranty deed from the owner conveying to the County real property located at 2145 and 2171 Lincoln Avenue, Opa-Locka, Florida 33054 (property);
- 3) Authorize the County Mayor or County’s Mayor’s designee to pay off subordinate debt of the owner to the Federal Home Loan Bank of Atlanta Affordable Housing Program through its member Branch Banking and Trust Company (BB&T) in the amount of approximately \$124,688.00 (second mortgage) with unrestricted funds realized from Public Housing and Community Development Department’s (PHCD) operation of County-owned affordable housing developments;
- 4) Authorize the County Mayor or County Mayor’s designee to execute and record a restrictive covenant for the benefit of Neighborhood Housing Services of South Florida, Inc. (NHSSF) which such covenant includes affordability restrictions and repayment provisions up to the amount of \$1,332,043.04 if the affordable housing is not completed and operational within five years from the date of conveyance of the property to the County;
- 5) Authorize the County Mayor or County Mayor’s designee to effectuate and enforce the terms of the County Deed recorded in the public record of Miami-Dade County at Book 21103, page 4499 (the “County Deed”) and to exercise all rights set forth in the County Deed, including, but not limited to, exercising the County’s option to enforce its reversionary interest after conducting all due diligence;

- 7) Authorize the County Mayor or County Mayor's designee to complete construction or procure a developer to complete the project subject to the Board's approval; and
- 8) Authorize the County Mayor or County Mayor's designee, upon a determination that such actions are in the best interest of the County, to execute, amend and/or modify contracts and other documents as necessary to accomplish the purposes of this resolution and to fulfill the terms of the settlement agreement, restrictive covenant, and warranty deed, subject to approval by the County Attorney's Office as to form and legal sufficiency, and to administer and enforce said agreements, including but not limited to termination and acceleration provisions.

SCOPE

The original project included the acquisition and demolition of an existing building and new construction of 12 units of affordable housing and 8,863 square feet of commercial space at the property located at 2145 and 2171 Lincoln Avenue, Opa-Locka, Florida 33054. The project is located in Commission District 1 represented by Vice Chairman Oliver Gilbert III.

DELEGATION OF AUTHORITY

This item requests a delegation of authority to allow the County Mayor or the County Mayor's designee to:

- 1) execute the settlement agreement between the County, owner, and subordinate lender;
- 2) accept and record a special warranty deed from the owner conveying the property to the County;
- 3) pay off subordinate debt of the owner to the Federal Home Loan Bank of Atlanta Affordable Housing Program through its member BB&T in the amount of approximately \$124,688.00 with unrestricted funds realized from PHCD's operation of County-owned affordable housing developments;
- 4) execute and record a restrictive covenant for the benefit of NHSSF which such covenant includes affordability restrictions for 40 years and repayment provisions up to the amount of \$1,332,043.04 if the affordable housing is not completed and operational within five years from the date the covenant is recorded;
- 5) effectuate and enforce the terms of the County Deed, including, but not limited to, exercising the County's option to enforce its reversionary interest after conducting all due diligence;
- 6) authorize the County Mayor or County Mayor's designee to allocate \$1,000,000.00 of repaid Surtax loan funds and an additional \$4,000,000.00 of Surtax funds to the project; and
- 7) authorize the County Mayor or the County Mayor's designee to complete construction or procure a developer to complete the project subject to the Board's approval; and
- 8) execute, amend and/or modify contracts and other documents as necessary to accomplish the purposes of this resolution and to fulfill the terms of the settlement agreement, restrictive covenant, and warranty deed, subject to approval by the County Attorney's Office as to form and legal sufficiency, and to administer and enforce said agreements, including but not limited to termination and acceleration provisions.

FISCAL IMPACT/FUNDING SOURCE

This item will not have a current negative fiscal impact on the County's general fund. However, the general fund could be implicated in the amount of \$1,332,043.04 if the County fails to complete the project and operate it as affordable housing within five years from the date the covenant is recorded. This item

also allocates \$1,000,000.00 of repaid Surtax loan funds and an additional \$4,000,000.00 of Surtax funds to PHCD for the development, construction and operation of the project.

TRACK RECORD/MONITORING

The project will be monitored by Michael Liu, Director of PHCD.

BACKGROUND

This agenda item authorizes the County Mayor or County Mayor's designee to perform numerous actions in order to settle a dispute between Owner and the County and, as part of that settlement, take ownership of real property located at 2145 and 2171 Lincoln Avenue in the City of Opa-Locka and to develop the project.

The settlement agreement provides that the County will accept a deed conveying the property with the unfinished project to the County, subject to two subordinate mortgage liens. The settlement agreement and deed reserve the County's rights to foreclose on the subordinate mortgage liens in order to clear them from the title. However, the administration recommends the subordinate mortgages be satisfied as follows. The County will pay off the second mortgage in the amount of approximately \$124,688.00, held by Federal Home Loan Bank of Atlanta, while the third mortgage lien in the amount of \$180,000.00 will be satisfied by the subordinate lender.

NSP2 Funds

On December 21, 2010, the subordinate lender executed a grant agreement for \$1,330,000.00 of Neighborhood Stabilization Program 2 (NSP2) funds with NHSSF for the acquisition and rehabilitation of the Magnolia North housing development. The subordinate lender, in conjunction with the Miami-Dade NSP2 Consortium, applied for and was awarded NSP2 funds from HUD. These funds were not secured by a mortgage, but the owner executed and recorded a restrictive covenant for the benefit of NHSSF, the consortium lead member.

The restrictive covenant executed by the owner committed to operate the property as affordable housing for a period of 40 years. The failure to do so would result in a lien being placed on the property for the full amount of the NSP2 funds disbursed, including all program income (as defined in 24 CFR Part 92) derived from or in connection with the property and/or the grant, and all unpaid fees, charges and other obligations of the owner due under any of the grant documents. As part of this settlement agreement, this covenant will be cancelled by NHSSF and a new covenant will be executed by Miami-Dade County and recorded for the benefit of NHSSF in substantially the form attached as Exhibit B to the resolution, which covenant includes affordability restrictions for 40 years and repayment provisions up to the amount of \$1,332,043.04 if the affordable housing is not completed and operational within five years from the date the covenant is recorded.

The new covenant will encumber only part of the Magnolia property, i.e., only parcel 1. The administration recommends assuming the risk of repaying the \$1,332,043.04 and executing such a restrictive covenant because the risk of repayment for not producing and maintaining the affordable housing is low with the County taking over the construction and operation of the project. NHSSF has executed the agreement attached as Exhibit B to the resolution.

In 2010 and 2015, NSP2 funds in the combined amount of \$180,000.00 were disbursed and secured by a third mortgage as amended by that certain Amended and Restated Mortgage and Security Agreement (together the junior mortgage). The junior mortgage encumbers parcel 1. The loan documents, including the junior mortgage, were assigned to subordinate lender in 2017 pursuant to an assignment agreement. The County is not repaying this loan. The settlement agreement provides that the subordinate lender will execute and record a satisfaction of the third mortgage at or prior to closing.

AHP Funds

On July 31, 2013, the Federal Home Loan Bank of Atlanta, through BB&T, loaned owner \$350,000.00 in Affordable Housing Program funds for the development of the Magnolia North project. The loan was secured by a mortgage. This loan has a remaining balance of approximately \$124,688.00, which the County will repay as part of this transaction. Upon that repayment, the loan documents will be canceled or satisfied and all affordability requirements terminated.

County HOME Funds

From 2011 through 2015, the Board approved the allocation of federal Home Investment Partnerships (HOME) 2011-2013 and HOME 2015 funds in the total amount of \$1,729,519.00 to the owner. The resolutions are described more fully in Attachment 1. On April 14, 2015, the owner closed on the County HOME loan in the amount of \$1,265,519.00. The HOME loan is secured by a mortgage with affordability restrictions imposed by the loan documents, including a rental regulatory agreement. Overall, the County invested property, and disbursed \$998,079.52 of the total HOME loan funds towards the development of the project.

On October 11, 2016, PHCD notified the owner in writing of its failure to complete construction of the project. At that time, PHCD noted that the construction was only 25 percent complete. In an effort to negotiate with the owner and avoid declaring the owner in default, PHCD offered to allow the owner to submit to PHCD proof of additional financing commitments which would show that the owner had the financial ability to complete construction.

On October 24, 2016, the owner responded in written correspondence that it had secured sufficient financing to complete construction of the project. Subsequently, the owner applied for additional funding during the County's FY 2016 Documentary Surtax/SHIP Request for Applications process and was recommended for funding. The owner failed to submit the required documents to the credit underwriter for the completion of the credit underwriting report, therefore, the underwriter could not provide a determination to PHCD that the project was financially feasible. By September 15, 2017, the owner had entered into a repayment agreement with BB&T due to its failure as project sponsor to ensure project completion by the deadline.

The owner, who is the borrower of the HOME funds, is also a related company of the subordinate lender.

On September 5, 2018, the County sent a Notice of Default, attached hereto as Attachment 2, for failure to comply with the County's loan documents, most notably for failing to complete construction of the project and make 12 affordable housing units available for low- to moderate-income residents.

The County's mortgage lien is in first position. Therefore, the County has the right to foreclose upon the mortgage, receive the proceeds of the foreclosure sale of the property, and seek a deficiency judgment against the owner in the event that the sale proceeds did not make the County whole. The administration

is recommending not to proceed with a foreclosure because (1) according to the property appraiser, the combined value of the property is quite low at \$138,284.00, and a foreclosure sale will not result in proceeds sufficient to make the County whole; (2) the administration wants to preserve the property as affordable housing, and this cannot be assured if the property is sold in a foreclosure sale; (3) the foreclosure process takes time, and the County needs to either recover the HOME funds invested in the project or show that housing has been completed and is benefiting residents in accordance with U.S. Department of Housing and Urban Development’s (HUD) federal completion deadline; and (4) in addition, the property is located in the County’s largest participating municipality and in one of the targeted urban areas having a high priority need for affordable housing.

The owner’s failure to timely complete the project places the County’s HOME funds at risk because the County could be required to repay HUD the amount of HOME funds invested in this project.

Of the \$1,729,519.00 of HOME funds allocated, only \$998,079.52 were disbursed, leaving an undisbursed balance of \$731,439.48. The settlement agreement provides that the County will cancel and satisfy the HOME loan, the HOME funding agreements, and all the County loan documents associated with the loan, including the mortgage.

The undisbursed balance of \$731,439.48 of HOME funds will be recaptured in subsequent legislation to be brought before the Board. Due to the investment of HOME funds in the project, PHCD will maintain restrictive covenants on the property to ensure compliance with HOME and County requirements.

Surtax Funds

In addition, the administration recommends the allocation of \$1,000,000.00 of repaid Surtax loan funds and \$4,000,000.00 of Surtax funds in order for PHCD to take the project in-house, go through permitting, and construct and complete the project. The administration recommends developing the property as mixed use commercial and affordable residential housing, which was the original goal.

PHCD will redeploy \$1,000,000.00 of pre-paid Surtax loan funds from Villas Del Lago, Ltd., an entity of OLCDC, to PHCD for the project. Villas Del Lago is an existing 288-unit affordable rental housing development located at 21100 NW 14th Pl, Miami, Florida 33169, which was initially financed with Low Income Housing Tax Credits issued by Florida Housing Finance Corporation in 2003. The County was the holder of a junior Surtax mortgage encumbering the property.

Villas Del Lago, Ltd. - Villas Del Lago Loan Pay-Off						
Loan #	Project Name	Funding Source	Loan Amount	Maturity Date	Pay-Off Amount	Pay-Off Date
36042	Villas Del Lago	Surtax	\$1,000,000.00	9/30/2033	\$1,000,000.00	11/27/2019

The maturity date of the loan was September 30, 2033, however, the owner paid off the loan in full on November 27, 2019. On October 25, 2019, PHCD received a request from the OLCDC, to redeploy \$1,000,000.00 of Surtax funds that were prepaid from Villas Del Lago Apartments to the project. This item recommends that the Board approve an allocation to PHCD of \$1,000,000.00 in Surtax funds to support the development of the project. After Board approval, PHCD will seek to complete the project in-

house or through the procurement of a general contractor to complete the affordable housing for needy families.

Project loans and liens consist of:

1st Mortgage	\$500,000 of HOME 2011 and \$50,000 of HOME CHDO 2011 (R-446-11) - On June 7, 2011
	\$240,519 of HOME 2012 (R-361-12) - May 1, 2012
	\$475,000 of HOME 2013 (R-356-13) - May 7, 2013
	\$464,000 of HOME 2015 (R-490-15) - June 2, 2015
2nd Mortgage	\$350,000 of FHLBA and BB&T AHP
3rd Mortgage	\$180,000 of Community Fund of North Miami-Dade HUD NSP2

County Reversionary Interests

This legislation authorizes the County Mayor or County Mayor’s designee to effectuate and enforce the terms of the County Deed and to exercise all rights set forth in the County Deed, including, but not limited to, exercising the County’s option to enforce its reversionary interest after conducting all due diligence, including title searches and environmental reviews. The County Deed conveyed to the City of Opa-Locka three parcels, only one of which is part of the project. As to the three parcels conveyed, the County Deed required the city to build one or two single family homes no later than October 1, 2003, and permitted one of the lots to be used as an open space. To date, the parcel which is part of the project (Folio No. 08-2122-003-0170), has unfinished improvements while the other two parcels which are not part of the Magnolia project (Folio Nos. 08-2122-003-1100 and 08-2122-003-1110) remain vacant. The reverter may be satisfied or enforced as to the parcel which is part of the project, described in Exhibit A to the settlement agreement as parcel 2, or may be enforced, at the discretion of the County Mayor or County Mayor's designee in order to clear title to the Magnolia property. In addition, the County Mayor or County Mayor's designee will enforce the reverter and take back the remaining parcels of property which are not part of the Magnolia project but remain undeveloped in violation of the deed restrictions.

**RE: Magnolia North 2145 Apartments LLC - Magnolia North Apartments
HOME Investment Partnership (HOME) loan in the amount of \$1,729,519
Total Units: 12; Total HOME assisted units: 12**

Dear Mr. Logan:

This letter serves as Notice of Default by Miami-Dade County (the "County") to Magnolia North 2145 Apartments, LLC (the "Borrower") of the Loan Agreement dated April 14, 2015, between Borrower and Miami-Dade County (the "Loan Agreement"); the Promissory Note dated April 14, 2015, given by Borrower to the County (the "Note"); the Mortgage and Security Agreement and Assignment of Leases, Rents and Profits given by Borrower to the County on April 14, 2015, (the "Mortgage"); the FY 2011 Home Investment Partnerships Program (HOME) Contract Between Miami-Dade County and Opa-Locka Community Development Corporation and its Affiliate Magnolia North 2145 Apartments, LLC, dated April 18, 2012, in the amount of up to \$50,000 (the "HOME CHDO Contract"); the FY 2011 Home Investment Partnerships Program (HOME) Contract Between Miami-Dade County and Opa-Locka Community Development Corporation and its Affiliate Magnolia North 2145 Apartments, LLC dated April 18, 2012, in the amount of up to \$500,000 (the "FY 2011 HOME Contract"); and the FY 2014 Home Investment Partnerships Program (HOME) Contract Between Miami-Dade County and Magnolia North 2145 Apartments, LLC, dated September 19, 2014, as amended by that certain Amendment One to the FY 2014 Home Investment Partnerships Program (HOME) Contract Between Miami-Dade County and Magnolia North 2145 Apartments, LLC executed March 9, 2016, in the amount of up to \$1,179,519 (the "FY 2014 HOME Contract").

Borrower is in default of the Loan Agreement, specifically section 2(h) for failure to complete construction of the Complex, as defined in the Loan Agreement, by December 31, 2015; section 3 for failure to use the proceeds of the \$1,265,519 loan of federal Home Investment Partnerships Program ("HOME") funds for construction of the Complex, as defined in the Loan Agreement; section 7(a) which requires that Borrower set aside 20% of the units in the Complex for households at or below 50% of area median income and the remaining 80% of the units in the Complex for households at or below 65% of area median income; section 9(a) for failure to satisfy the conditions of the Loan; section 9(g) for failure to complete construction by December 31, 2015; section 9(i) for events of default under other loan documents, including the Note, Home Contract, and Mortgage. Pursuant to the Loan Agreement, the County hereby offers Borrower an opportunity to cure these defaults within thirty (30) days. Failure to cure these events of default shall result in the County exercising any and all rights afforded under the Loan Agreement as well as any and all remedies available to the County at law and/or equity.

Borrower is in default of the Mortgage, specifically sections 2.01(b) for failure to keep or perform the terms, conditions and covenants of the Mortgage; section 2.01(g) for failure to comply with the requirements of the HOME Contract; and section 2.01(h) for failure to comply with the terms of the Loan Agreement, Note and other Loan Documents, as defined in the Mortgage. Failure to cure these events of default shall result in the County exercising any and all rights afforded under the Mortgage as well as any and all remedies available to the County at law and/or equity, including but not limited to accelerating the loan evidenced by the Note and foreclosing upon the mortgage.

Borrower is in default of the Note for failure to make annual payments of \$10,124 beginning on October 20, 2017. Further, Borrower is in default of the Loan Agreement, Mortgage, and HOME Contract, which all constitute defaults of the Note. Failure to cure these defaults within thirty (30) days shall result in the County exercising any and all rights afforded under the Note as well as any and all remedies available to the County at law and/or equity, including but not limited to accelerating the Note and foreclosing upon the mortgage.

Borrower is in default of the FY 2011 HOME Contract, HOME CHDO Contract and FY 2014 HOME Contract. Specifically, Borrower is in default for failure to carry out the Activities described in Attachment A, Scope of Services of each contract, including but not limited to failure to complete Rental Rehabilitation of the multi-unit complex and failure to construct 12 new units of affordable housing, as required in section II(A) of each contract; failure to comply with the requirements set forth in Attachment A-1 of each contract; failure to comply with the requirements of the HOME Program, as set forth in 24 C.F.R. Part 92, by not completing construction of the Complex in order to benefit low- to moderate-income people as required by section II(F) of each contract.

On October 11, 2016, PHCD notified Borrower in writing of its failure to complete construction of the Complex. At that time, PHCD noted that construction was only 25 percent complete on the Complex. In an effort to negotiate with Borrower and avoid declaring Borrower in default, PHCD offered to allow Borrower to submit to PHCD proof of additional financing commitment which would show that Borrower had the financial ability to complete construction.

Page 3,
Opa-Locka Community Development
Corporation, Inc.

As of today, Borrower has not delivered the required new construction of affordable housing within the required time frame, as set forth in the agreements described above. Borrower's failure to timely complete the Complex places the County at risk of failing to meet its expenditure deadline for the HOME program.

The County gave Borrower additional time and tried to negotiate with Borrower in order to facilitate Borrower completing the project. In correspondence from the Borrower to PHCD dated October 24, 2016, Borrower indicated that it had secured sufficient financing to complete construction of the project. Subsequently, Borrower applied for additional funding during Public Housing and Community Development's FY 2017 Request for Applications (RFA) process and was recommended for additional funds, subject to a favorable underwriting recommendation. However, Borrower failed to submit the required documents to the underwriter in order for them to complete the report. As such, there was no favorable underwriting recommendation and, therefore, the funding recommended could not be awarded.

At this point, it is apparent not only that construction of the Complex has not been completed timely, but that Borrower is unable to complete the project.

Borrower has drawn down \$998,079.52 of the Loan described in the Note. If Borrower is unable to cure the defaults set forth herein within 30 days, the Loan shall be accelerated and shall be immediately due and payable in full. In addition, \$731,439.48 of funds not yet drawn down will be recaptured. The County reserves all rights to enforce the Note, Loan Agreement, Mortgage, HOME CHDO Contract, FY 2011 HOME Contract, FY 2014 HOME Contract, and to exercise all remedies available to the County at law and equity.

On March 29, 2018, when you were updating Deputy Mayor Maurice L. Kemp, it was suggested that you would submit a Deed -in- Lieu of foreclosure. The County would be willing to accept such a document and has prepared such for your review and execution.

We are providing the Deed -in- Lieu of foreclosure under a separate letter and would expect that you will complete same as soon as possible. The agreement must go to the Board of County Commissioners (Board) for approval.

Should you have any questions, please contact, Clarence Brown, Division Director, at (786) 469-2258.

Sincerely,

Michael Liu

NOW, THEREFORE, without conceding any default, liability, or wrongdoing, in consideration of the mutual covenants and agreements hereinafter set forth and for other good and valuable consideration, the receipt and sufficiency of which are hereby mutually acknowledged, the parties hereto hereby agree as follows:

1. The above Recitals are true and correct and are incorporated by reference herein.
2. The parties agree to coordinate and cooperate with the title company selected by Senior Lender ("Title Agent") to close this transaction. The parties agree that the closing date ("Closing Date") shall be within 90 days of the Effective Date, unless additional time is needed, in which case the parties may agree in writing to extend the Closing Date. On the Closing Date, in the event that title issues remain unresolved, the County may in its sole and absolute discretion choose to extend the Closing Date or terminate this Agreement.
3. On or before the Closing Date, Borrower hereby stipulates and agrees to execute and deliver to Senior Lender a deed for the Real Property in the form of Exhibit "B" attached hereto ("Deed"), which shall be recorded.
4. On or before the Closing Date, Senior Lender agrees to release Borrower from the Indebtedness and all liability pertaining to the Loan Documents, except that Borrower's liability pursuant to the Environmental Indemnification and Senior Lender's rights to foreclose upon the Mortgage in order to extinguish liens and encumbrances on the Real Property shall survive and continue. Senior Lender retains all rights to foreclose in order to extinguish liens and encumbrances on the Real Property, including but not limited to those encumbrances belonging to Junior Lender; however, Senior Lender agrees to forbear from exercising Senior Lender's right to a deficiency judgment on the sum of all principal, interest and other amounts due under or secured by the Loan Documents against Borrower and members of Borrower, and their respective officers, directors, partners, agents, employees, attorneys and representatives, as well as the respective heirs, personal representatives, successors and assigns of any and all of them. 5. Junior Lender agrees to remove and/or satisfy on or before the Closing Date all encumbrances on the Real Property relating to the Junior Loan and hereby waives all rights to any remedy against Borrower that would affect the Real Property. Such agreement by Junior Lender includes, but is not limited to, the agreement to execute and record a satisfaction and release of the Junior Mortgage as well as a satisfaction and release of any and all other liens or encumbrances which Junior Lender has on the Real Property on or before the Closing Date. Junior Lender does not waive Junior Lender's rights to seek a deficiency judgment on the

sum of all principal, interest and other amounts due under or secured by the Junior Loan Documents against Borrower and members of Borrower, and their respective officers, directors, partners, agents, employees, attorneys and representatives, as well as the respective heirs, personal representatives, successors and assigns of any and all of them. Junior Lender agrees to execute and record any agreement, waiver, or notice sought by Senior Lender in order to effectuate the purposes of this Agreement.

6. On or before the Closing Date, Senior Lender shall effectuate the payoff of the AHP Loan and immediately record said satisfaction.
7. Lender agrees to negotiate, execute and record a restrictive covenant for the benefit of NHSSF to the satisfaction of both NHSSF and Senior Lender ("New Restrictive Covenant"). Because Senior Lender is executing the New Restrictive Covenant, Senior Lender expressly does not assume and shall have no obligation to abide by the Old NHSSF Covenant. On or before the Closing Date, Borrower shall arrange to have the Old NHSSF Covenant satisfied and shall immediately record or permit the Title Agent to record said satisfaction in the Official Records of the public record of Miami-Dade County and deliver to Senior Lender or Title Agent a copy of the recorded satisfaction.
8. Acknowledgments and Agreements by Borrower. Borrower hereby acknowledges and agrees to the following:

DECLARATION OF RESTRICTIVE COVENANTS

THIS DECLARATION OF RESTRICTIVE COVENANTS (the "Covenant") dated this _____, 2021, is given to Neighborhood Housing Services of South Florida, Inc., a Florida non-profit corporation ("Lead Member"), by Miami-Dade County, a political subdivision of the state of Florida ("Owner"), its successors and assigns.

RECITALS

- A. Magnolia North 2145 Apartments, LLC was the original owner ("Magnolia North") of a project located at 2145 Lincoln Avenue in the City of Opa-locka, Florida (the "Property") that is intended to increase the supply of affordable rental housing units; and
- B. Lead Member is the lead member of the Miami-Dade County NSP Consortium ("Consortium") for federal Neighborhood Stabilization Program 2 ("NSP2") funds administered by the United States Department of Housing and Urban Development ("HUD") and approved an allocation of NSP2 funds in the amount of One Million Three Hundred Thirty-Two Thousand Forty-Three and 04/100 Dollars (\$1,332,043.04) (the "Grant") to the Project; and
- C. To secure the Grant, Magnolia North and affiliated entities executed various recorded and unrecorded documents (collectively, the "Grant Documents"), including a Restrictive Covenant recorded August 3, 2011, in Official Records Book 27778 at Page 3803 in the Official Records of Miami-Dade County, Florida (the "Old NHSSF Covenant"), which require Lead Member's consent to

any conveyance of the Project; and

- D. Magnolia North conveyed to Owner the Property via Special Warranty Deed executed on _____ and recorded in the Official Records of the public record of Miami-Dade County at Book _____ at Page _____ on _____; and
- E. As an inducement for Magnolia North conveying the Property to Owner and obtaining Lead Member's consent to the conveyance, Owner covenants to construct and operate affordable housing in accordance with the restrictions contained herein and in accordance with applicable NSP2 regulations; and

In consideration of the premises and other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Owner agrees and declares as follows:

AGREEMENT

1. The recitals set forth above are true and correct and are incorporated into this Covenant.
2. Owner shall construct on the Property a project of Owner's design which may be mixed-use commercial and residential or entirely residential (the "Project"). The residential units constructed on the Property shall constitute the "Assisted Units" and shall be governed by the affordability restrictions of this Covenant.
3. Owner shall have five years from the date this Covenant is recorded to complete construction of the Project. However, in the event that an extension of time may be required to complete construction, said extension may be granted by NHSSF in its discretion in writing. For the purposes of this Covenant, the Project shall be considered completed upon the issuance of a certificate of occupancy ("Project Completion").
4. 40% of the Assisted Units shall remain affordable to those persons with incomes at or below 50% of Area Median Income and the remaining 60% of Assisted Units shall be affordable to those persons with incomes at or below 120% of Area Median Income, as determined by HUD, with adjustments and certain exceptions as provided in 24 CFR Part 92, until the date which is forty (40) years after Project Completion (the "Affordability Period"), in accordance with the NSP2 regulations, HUD regulations, and applicable federal, state, and local laws.
5. This Covenant shall be a covenant running with the Property for the Affordability Period, shall be binding upon all subsequent owners of the Property for such

term, and is not merely a personal covenant of the Owner. This Covenant shall remain in full force and effect and shall be binding upon the Owner, its successors and assigns from the date hereof until the expiration of the Affordability Period.

6. The Old NHSSF Covenant has been cancelled and/or satisfied, and Owner is not responsible for compliance with the Old NHSSF Covenant.

7. This Covenant is a covenant running with the land. This Covenant shall be recorded in the Public Records of Miami-Dade County, Florida, at the sole cost and expense of Owner, and shall become effective upon recordation.

8. Lead Member, its successors and assigns, is the beneficiary of this Covenant and as such, Lead Member may enforce this Covenant by action at law or in equity against any person or persons, entity or entities, violating or attempting to violate the terms of this Covenant.

9. The parties agree that in the event of failure of any of the Assisted Units to remain Affordable during the Affordability Period, Lead Member shall provide written notice to Owner and allow Owner 60 days to cure such violation. If Owner fails to cure the violation, and if HUD demands that Lead Member repay the Grant, then Owner shall make payment to the Lead Member in the amount equal to the amount of repayment demanded by HUD, however Owner's liability for such repayment shall be limited and in no event shall exceed \$1,332,043.04. Any failure of Lead Member to enforce this Covenant or any part hereof shall not be deemed a waiver of the right to do so thereafter.

10. It is understood and agreed that the Lead Member shall have the right any time during normal working hours to enter and investigate the use of the Project to determine whether the conditions of this Covenant are being complied with.

11. This Covenant may be modified, amended, or released as to any portion of the Project only by a written instrument executed on behalf of the Lead Member and by the then owner of the fee simple title to the land to be affected by such modification, amendment or release. Should this instrument be modified, amended or released, the Lead Member and Owner shall execute a written instrument in recordable form to be recorded in the Public Records of Miami-Dade County, Florida, effectuating and acknowledging such modification, amendment, or release.

12. The invalidity of any clause, part or provision of this Covenant shall not affect the validity of the remaining portions hereof.

13. Upon expiration of the Affordability Period, this Covenant shall terminate and shall no longer be effective.

14. Any and all requirements of the laws of the State of Florida that must be satisfied in order for the provisions of this Covenant to constitute a covenant running with the land shall be satisfied in full, and any requirements or privileges of estate are intended to be satisfied, or in the alternate, an equitable servitude has been created to ensure that these restrictions run with the land. For the term of this Covenant, each and every contract, deed, or other instrument hereafter executed conveying the Property or portion thereof shall expressly provide that such conveyance is subject to this Covenant, provided, however, that the covenants contained herein shall survive and be effective regardless of whether such contract, deed, or other instrument hereafter executed conveying the Property or portion thereof provides that such conveyance is subject to this Covenant.
