**SUBJECT: Resolution Naming the Synthetic Playing Field at Gwen Cherry Park as
“Coach Corey Smith Memorial Football Field”**

Ordinance No. 13-29, adopted on April 2, 2013, requires the Office of the Commission Auditor (OCA) to conduct background research on any person, organization, place or thing that is the subject of a naming, renaming or codesignation item or an item approving the codesignation of state or municipal roads and prepare a report detailing the findings of said research prior to the Commission meeting during which the item is scheduled to be considered.

Ordinance No. 18-79, adopted on July 24, 2018, relates to any item codesignating any Miami-Dade County road, facility, or property, or approving any state or municipal road codesignation, and requires that OCA prepare a report detailing: (1) whether the subject road, facility, or property has been the subject of any prior codesignation and, if so, the location or the end points of each; and (2) whether there are any other roads, facilities, or properties located in Miami-Dade County that already bear the same name as the proposed new codesignation and, if so, the location or end points of each. Moreover, pursuant to Ordinance No. 19-11, adopted on February 5, 2019, the report is also required to indicate whether the person to be honored is living or deceased.

Informational Findings: OCA completed the required background research on “Corey Smith” and noted no adverse findings. OCA also determined that there is no prior Board of County Commissioners (BCC) naming for “Corey Smith.” Lastly, OCA verified that “Corey Smith” is deceased. In accordance with the cited ordinances, OCA is providing this report as a Supplement to BCC Agenda File Item No. 212317.
