Subject: Re-appointment to the Environmental Quality Control Board by the Board of
County Commissioners

Please find attached the resume of Claire M. Bradshaw-Sidran, Ph.D. for conderation by the Board of County Commissioners (Board) for reappointment to the Environmental Quality Control Board (the "EQCB"). Dr. Bradshaw-Sidran has requested to be reappointed to the EQCB by the Board. The Board must grant approval of her reappointment for each successive three year term. The EQCB is a quasi-judicial board that rules on variance requests for highly scientific and technical matters under the Environmental Protection Ordinance, Chapter 24 of the Code of Miami-Dade County. The composition and membership of the EQCB requires advanced degrees and qualifications unique to environmental disciplines.

Based upon the above, please schedule this re-appointment before the Board as soon as possible.
