FISCAL IMPACT/FUNDING SOURCE

This grant is anticipated to provide funding in the approximate amount of \$70,103.00 from the Florida Department of Health during its FY 2021-2022. Miami-Dade Fire Rescue Department (MDFR) is expected to receive a revenue allocation of \$41,071.00. The County Mayor or County Mayor’s designee is authorized to apply for, receive, and expend grant funds from the Florida Department of Health during FY 2021-22, and execute the Letter of Agreement and other documents, which may be required by grant guidelines or to further the purpose described in the funding request. The County Mayor or County Mayor’s designee is also authorized to execute any necessary amendments to the grant application.

TRACK RECORD/MONITOR

The grant award will be monitored by Katrina Hollis-Baker, Acting Grants Manager for MDFR.

BACKGROUND

Each year the Florida Department of Health’s Office of Emergency Medical Services distributes grant funds as authorized by chapter 401, Florida Statutes. These funds are made available to eligible county governments to improve and expand their pre-hospital emergency medical services as it relates to advanced and basic life support services. The State distributes the money based on surcharges collected on a variety of traffic infractions within each County.

Honorable Chairman Jose "Pepe" Diaz
and Members, Board of County Commissioners
Page No. 2

Since 1987, MDR has been responsible for the application and distribution process of the State Emergency Medical Services County Grant. The grant stipulates that municipalities are to apply for and receive funds through their respective county government or county fire department. Members of the five municipal fire rescue departments, as well as MDR, conduct an annual needs assessment to formulate the Miami-Dade County application. The director of each respective fire rescue department reviews and approves the grant work and expenditure plans included in the final grant application package.

To receive their allocation from new grant revenues received from the State of Florida, each of the five municipal fire rescue departments submits an approved agreement to MDR. The distribution of grant funds to each participating fire rescue department is based on the percentage of combined total emergency medical services incidents the respective department responded to during calendar year 2020.

The grant application's deadline is December 17, 2021. The new funds will be distributed to the following municipal fire departments for emergency medical services incidents that these agencies responded to in calendar year 2020, rounded to the nearest dollar, as follows:

Miami-Dade County Fire Rescue Department.....	\$ 41,071.00
City of Miami Fire Rescue Department.....	\$ 19,933.00
City of Miami Beach Fire Rescue Department.....	\$ 2,026.00
City of Hialeah Fire Rescue Department.....	\$ 5,748.00
City of Coral Gables Fire Rescue Department.....	\$ 1,112.00

Instructions: County Government Application Form 2021-2022

The first application page has five numbered items.

Please note that Item 2 on the first application page is where the county's authorized person must provide his/her signature and date.

Item 4 describes the content of the current "resolution" that is required. However, if a previous resolution has continuing authority, include a signed message stating such and provide a copy of the previous resolution.

Item 5 of the first page of the application form asks for the name of the organization(s) to which you decide to allocate funds from your new county grant. The second page of the application form is the budget page. One of these budget pages is needed for each organization listed in item 5.

The county alone has the authority to use all of the grant funds itself or to provide some of the funds to other organizations within the county. However, the county remains responsible to the state for all funds.

The budget costs must total the exact amount of new funds for your grant. You can request budget changes and add to the new grant budget unexpended funds from the prior grant after the new grant begins.

The Request for Grant Fund Distribution Form is the last page herein and you must complete only the top part of the form. State EMS will complete the bottom part, as stated on the form.

You should copy all forms on your computer to use them. If you place them in restricted editing mode, you can use your keyboard Tab key to go from field to field.
