Subject: Fiscal Impact Statement for Ordinance Relating to Changing Boundaries of the City of Miami Gardens

The approval of this ordinance will have a positive impact on the County. The 2019 Preliminary Roll taxable value for the annexation area is \$112,624,827. It is estimated the area generates an estimated \$277,172 in revenue, and the County spends an estimated \$361,208 per year providing services to the area. Therefore, the net revenue gain to the UMSA budget is an estimated \$84,036 if the area were to be annexed.

If the annexation is approved pursuant to Section 20-8.2 of the Code, the County shall retain all of the area's utility tax revenues upon annexation. For the proposed annexation area, estimated utility taxes of \$66,628 will be retained by the County.

Subject: Social Equity Statement for Ordinance Relating to Changing Boundaries of the City of Miami Gardens

The proposed ordinance amends the municipal boundaries of the City of Miami Gardens (City). If implemented, the annexation area will become part of the City's boundaries without an election as the area has under 250 resident electors and is less than 50 percent developed residentially; this area has no resident electors. The businesses in the Ives Estates area will be governed by the City and will receive municipal-type services (police, public works, zoning, planning, permitting, etc.) from the City. The social benefit provided by this ordinance is that business owners will have easier access to governmental services.

WHEREAS, section 6.04(B) of the Miami-Dade County Home Rule Charter and chapter 20 of the Code of Miami-Dade County ("Code") authorize the Board of County Commissioners ("Board") to approve changes to municipal boundaries; and

WHEREAS, on June 19, 2019, the City of Miami Gardens ("City") submitted an application for the annexation of the unincorporated area referred to in the City's application as Ives Estate, adjacent to the City; and

WHEREAS, on November 19, 2020, the Board adopted Resolution No. R-1209-20 directing the County Attorney to prepare the appropriate ordinance and interlocal agreement to effectuate the annexation request; and

WHEREAS, this Board finds that the requirements relating to municipal boundary changes set forth in chapter 20 of the Code, and particularly those contained in section 20-3 related to the initiation of a boundary change request by a municipality, have been fully complied with and satisfied; and

WHEREAS, however, it has been alleged in ongoing litigation that certain things were missing from the City's boundary change request, such as three certified copies of the City's resolution and a discussion in "narrative form" of the tax load on the annexation area, and it has also been alleged that it was insufficient for the City to hold its public hearing with mailed notice after the City initially submitted its boundary change request to the County; and

WHEREAS, this Board is satisfied with the information and process provided and finds that such allegations, even if true, are inconsequential, but in an abundance of caution, this Board wishes to waive the requirements of section 20-3; and

WHEREAS, this Board wishes to change the boundaries of the City in accordance with its annexation request, which provides for the reservation to the County of certain revenues, rights, and responsibilities, as set forth herein,

In the event of any inconsistency between the boundaries of the annexation area as described by the legal description and the map identified as Exhibit B, the boundaries of the annexation area as described by the legal description shall prevail.

Section 2. Pursuant to section 20-8.2 of the Code, this ordinance shall be effective only upon the condition and with the reservation that the County shall forever continue to collect and receive all utility tax revenues accruing within the annexation area in the same manner as though the annexation area remained a part of the unincorporated area of the County.

Section 3. Pursuant to section 20-8.4 of the Code, this ordinance shall be effective only upon the condition and with the reservation that the County shall either forever continue to collect and dispose of all residential waste within the annexation area in the same manner as though such annexation area remained part of the unincorporated area of the County, unless the authority to

collect such waste is delegated by the County to the governing body of the municipality throughout a 20 year interlocal agreement which provides for collection services, and a 20 year interlocal agreement which provides for disposal services in substantially the form approved by the County's Resolution No. R-1198-95. Section 4. Pursuant to section 20-8.8 of the Code, as a condition of the annexation, the Board shall retain jurisdiction over the modification or deletion of declarations of restrictive covenants accepted by either the Board or a Community Zoning Appeals Board in connection with a Comprehensive Development Master Plan application or zoning application, regardless of whether such declaration provides for the modification or deletion by a successor governmental body.

Section 5. The City shall execute a duly authorized interlocal agreement acceptable to the County wherein it agrees, among other things, to the above-mentioned requirements referenced in sections 2, 3, and 4 above, and to pay to the County the annexation area's prorated share of the Stormwater Utility Revenue Bonds debt service estimated at \$30,550.00 per year for approximately 19 years until fiscal year 2028-2029 or as provided in the interlocal agreement. The City has represented that it will enter into said interlocal agreement with the County, substantially in the form included in Resolution No. R-_____, (hereinafter, the "Interlocal Agreement"). In exercising the County's discretion to approve this annexation, the County has relied upon all of the representations in the Interlocal Agreement, including, but not limited to, those representations related to the above-mentioned requirements.

Section 6. It is the intention of the Board, and it is hereby ordained that the provisions of this ordinance, including any sunset provision, shall become and be made a part of the Code in Appendix B – Ordinances Changing Municipal Boundaries. The sections of this ordinance may be renumbered or relettered to accomplish such intention, and the word "ordinance" may be changed to "section," "article," or other appropriate word.

Section 7. The provisions of this ordinance are interdependent upon one another, and the entire ordinance shall be deemed invalid if any of its provisions are declared invalid or unconstitutional. If any of the sections of this ordinance are found or adjudged to be illegal, void or of no effect, the entire ordinance shall be null and void and of no force or effect.

Section 8. This ordinance shall be effective only upon the condition and with the reservation that the City and the County execute the Interlocal Agreement, substantially in the form included in Resolution No. R-_____, and that such Interlocal Agreement remain in effect.

Section 9. This Board finds that the requirements relating to municipal boundary changes set forth in chapter 20 of the Code, and particularly those contained in section 20-3, have been fully complied with and satisfied for this municipal boundary change. Notwithstanding the foregoing, due to allegations made in ongoing litigation, in an abundance of caution, this Board hereby waives the provisions of section 20-3 of the Code for this municipal boundary change, including, but not limited to, the following: that a municipality file with the Clerk of the Board three duly certified copies of the municipal resolution, that the municipality's report discuss the tax load "in narrative form," and that the municipality initiates a request after public hearing.

Section 10. This ordinance shall become effective >>ninety (90)<<¹ [~~ten (10)~~] days after the date of enactment unless vetoed by the Mayor, and if vetoed, shall become effective only upon an override by this Board.
