To: Honorable Chairman Jose “Pepe” Diaz
Members, Board of County Commissioners

From: Daniella Levine Cava *Daniella Levine Cava*
Mayor

Subject: Resolution Authorizing Execution of an Affiliation Agreement for Educational Services for School Years 2022/23, and 2023/24 with the Miami-Dade County Public Schools’ Lindsey Hopkins Technical College for the Provision of Academic Education and Career/Technical Education for Inmates in the Miami-Dade Corrections and Rehabilitation Department

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached resolution authorizing the County Mayor or County Mayor’s designee to execute the attached Affiliation Agreement for Educational Services (Agreement) with the Miami-Dade County Public Schools’ (MDCPS) Lindsey Hopkins Technical College and Miami-Dade County. The Agreement includes provisions for career-technical and academic education for inmates incarcerated in the detention facilities operated by the Miami-Dade Corrections and Rehabilitation Department (MDCR) at a cost no greater than \$400,000.00 per school year. The term of the Agreement shall be for a two-year term, from July 1, 2022, to June 30, 2024. Finally, it is recommended that the Board authorize the County Mayor or the County Mayor’s designee to execute any necessary amendments, and to exercise the extension, indemnification and termination provisions contained in the Agreement.

Scope

The impact of this item is countywide.

Fiscal Impact/Funding Source

MDCPS’ Lindsey Hopkins Technical College offers comprehensive academic and vocational services at a competitive rate. Effective since July 1, 2011, at the rate prescribed by section 1009.22, Florida Statutes, the academic education courses are provided at \$30.00 per student, per trimester, for Florida residents, and \$120.00 for non-Florida residents. The costs associated with the career-technical courses will provide for up to 405 contact hours per course.

The amount of tuition payment, based on the MDCPS’ rate, will not exceed \$400,000.00 per school year and will be funded through the Inmate Welfare Fund, which receives revenues from the Inmate Commissary Program. Funding in the amount of \$400,000.00 will be set aside for each school year in the Inmate Welfare Fund budget for this purpose.

The cost for the vocational courses is competitively at a lower rate than the private sector. Having MDCPS’ Lindsey Hopkins Technical Educational Center provide both the career/technical and academic education offers the benefit of service continuity and alleviates the need to negotiate the terms and conditions of service delivery by multiple vendors.

Delegation of Authority

Upon approval by the Board, the County Mayor or the County Mayor's designee will have the authority to execute the Agreement, for and on behalf of the County, to execute any necessary amendments, and to exercise the extension, indemnification and termination provisions contained in the Agreement.

Track Record/Monitor

The Agreement will be monitored by Joel Botner, Commander of the Reentry and Program Services Bureau in MDCR.

Background

MDCR and MDCPS' Lindsey Hopkins Technical College are committed to providing career-technical and academic education coursework to rehabilitate adult inmates, giving them the necessary skills to provide a smooth transition into society and consequently reduce recidivism. Educational services for juvenile inmates in grades 6 through 12, under the age of 18, and special education to students between the ages of 18-22 are provided by MDCPS through an Affiliating Agreement which was authorized by R-723-19 and is reimbursed by the State of Florida.

Since 1987, MDCR has benefited from a longstanding, cooperative relationship with MDCPS for programs in the area of industrial education. Through these programs, inmates throughout MDCR facilities receive specific training in career-technical education courses, adult basic education, or general educational development, in accordance with the criteria set by the State of Florida and provided by the MDCPS.

The Agreement has been renewed annually since the 1987-1988 school year. The Agreement includes substantially the same provisions as the previous agreement covering the 2020/21 and 2021/22 school years, which was authorized by R-625-20.

In order to comply with COVID-19 guidelines the enrollment of students will be limited. Students will be spaced 6 feet apart, the students and teachers will be required to wear mask and undergo temperature screening.
