Memorandum

Date: May 3, 2022

To: Honorable Chairman José “Pepe” Díaz
and Members, Board of County Commissioners

From: Daniella Levine Cava *Daniella Levine Cava*
Mayor

Subject: Vacation of Right-of-Way Petition P-985
Section: 30-52-41
Southerly Portion of NW 135 Street from NW 47 Avenue West to the Gratigny
Parkway
Commission District: 13

Executive Summary

The purpose of the item is to gain Board approval for granting a petition filed on behalf of AA Acquisitions, LLC to vacate portions of County right-of-way located in District 13. The fee for this Vacation of Right-of-Way petition is \$1,960.

Recommendation

It is recommended that the Board of County Commissioners (Board) grant Vacation of Right-of-Way Petition P-985, attached to this Memorandum as Exhibit 2, following a public hearing. The Miami-Dade County Departments of Regulatory and Economic Resources, Transportation and Public Works (DTPW), Water and Sewer, and Fire Rescue have no objection to this right-of-way being closed. A location map is attached as Exhibit 1. The subject portion of right-of-way is undeveloped raw land covered with trees and brush. This request conforms with County regulations governing the closing of roads as set forth in Resolution No. R-7606.

Scope

This Vacation of Right-of-Way is located within District 13, which is represented by Commissioner Rene Garcia.

Fiscal Impact/Funding Source

The properties abutting the subject portion of right-of-way are tax-exempt. Therefore, the granting of this petition will not result in an increase in revenue from property taxes. The fee for this Vacation of Right-of-Way Petition is \$1,960.

Track Record/Monitor

DTPW is the entity overseeing this project, and the person responsible for monitoring it is Maria D. Molina, P.E., Chief, DTPW Right-of-Way Division.

Delegated Authority

There is no delegation of authority associated with this item.

Background

In conjunction with the Miami-Dade Aviation Department, AA Acquisitions, LLC, and Bridge Point Gratigny, LLC, wish to close a southerly portion of NW 135 Street, from NW 47 Avenue west to the Gratigny Parkway, in order to incorporate the land into the proposed plat of “MIAMI OPA-LOCKA EXECUTIVE AIRPORT,” Tentative Plat T-24184. AA Acquisitions LLC holds a

long-term lease of certain property at Miami Opa-Locka Executive Airport pursuant to Resolution No. 310-07. Pursuant to the lease agreement and Resolution No. R-536-21, the Board delegated authority to the County Mayor to consent to an assignment of the parcels encompassing the T-24184 Tentative Plat to Bridge Point Gratigny, LLC and to support the petition for vacation of right-of-way. The original plat created two lots fronting on the subject right-of-way. Portions of these two lots will become unified into one tract together with portions of two other adjacent lots, the subject right-of-way, and the adjacent right-of-way for NW 49 Avenue which is being closed by a separate petition, once the proposed plat is approved. The subject right-of-way has never been improved nor maintained by Miami-Dade County. While road closings that are filed in conjunction with plats are normally contingent on the recording of the plat, the Applicants have requested that this Vacation of Right-of-Way Petition be independent of the aforementioned proposed plat.

The subject right-of-way was dedicated to the County in 1925 by the plat of “SUBDIVISION OF NE 1/4 OF SEC. 30 TWP. 52S RGE. 41E,” recorded in Plat Book 18, Page 14, of the Public Records of Miami-Dade County, Florida. The parcels abutting the subject right-of-way are zoned GP (Government Property) and consist of raw, undeveloped land covered with trees and brush. The portion of NW 49 Avenue that abuts the subject right-of-way on the south is the subject of Vacation of Right-of-Way Petition P-973.

PETITION TO CLOSE ROAD

TO: Board of County Commissioners
Miami-Dade County, Florida

The undersigned, pursuant to Sections 336.09 – 336.12 Florida Statutes, hereby petitions the Board of County Commissioners to vacate, abandon, discontinue and close an existing public street, alleyway, road, highway, or other place used for travel, or a portion thereof, and to renounce and disclaim any right of the County and the public in and to any land in connection therewith; or to renounce and disclaim any right of County and the public in and to certain land, or interest therein, acquired by purchase, gift, devise, dedication or prescription for street, alleyway, road or highway purposes; or to renounce and disclaim any right of the County and the public in and to certain land delineated on recorded map or plat as a street, alleyway, road or highway.

The undersigned hereby certify:

1. LEGAL DESCRIPTION: The complete and accurate legal description of the road, right-of-way sought to be closed is as follows:

See Exhibit A

2. PUBLIC INTEREST IN ROAD: The title or interest of the county and the Public in and to the above described road, right-of-way was acquired and is evidenced in the following manner (state whether public interest was acquired by deed, dedication or prescription and set forth where deed or plat is recorded in public records):

The interest was acquired from the Florida Ranch and Dairy Corp. by way of a plat entitled – “Subdivision of NE ¼ Sec. 30 Twp. 52S Rge. 41E” as recorded in PB 18, Page 14 of the Public Records of Miami-Dade County, Florida.

3. ATTACH SURVEY SKETCH: Attached hereto is a survey accurately showing and describing the above described right-of-way and its location and relation to surrounding property, and showing all encroachments and utility easements.

See Exhibit A.

4. ABUTTING PROPERTY OWNERS: the following constitutes a complete and accurate schedule of all owners of property abutting upon the above described right-of-way.

5. ACCESS TO OTHER PROPERTY: The undersigned certify that in the event this petition is granted no other property owners will be prevented from access to and from their property and no other property owners in the vicinity will be adversely affected.

6. **GROUNDS FOR REQUESTING PETITION AND PROPOSED USE FOR THE LAND BY THIS REQUEST:** The undersigned submits as a grounds and reasons in support of this petition the following (state in detail, why petition should be granted):

This roadway dedication is obsolete. It was originally created by way of a plat recorded in 1925. Since then, the road and surrounding areas have been incorporated in Opa-Locka Airport without any reference to this older plat. Currently, this land is subject to a long-term development lease between the sole property owner, Miami Dade County Aviation Department and a third party private developer, Adler Acquisitions, LLC.

Indeed, the roadway and surrounding property are subject of a pending Plat application and that process indicated this Petition is required.

Finally, the Florida Department of Transportation has confirmed that this small portion of the dedication is not a part of their State Road 916. See Exhibit B.

7. Signatures of all abutting property owners: Respectfully submitted,

Hi Victor.

I received a request from the City of Opa-Locka to have the Department vacate or release the south 30' shown below and as dedicated by the attached plat.

My question is: are these 30' part of FDOT's right of way? It appears as an alley in the R/W maps and the adjacent owner is Miami-Dade County.

Please, can you confirm? Thank you, Victor.
