

# Memorandum

**Date:** (Public Hearing: 7-7-22)  
May 3, 2022

**To:** Honorable Chairman, Jose "Pepe" Diaz  
and Members, Board of County Commissioners

**From:** Daniella Levine Cava   
Mayor

**Subject:** FY 2021-22 Mid-Year Budget Supplement and Amendment

Agenda Item No. 5(I)

## **Recommendation**

It is recommended that the Board of County Commissioners (Board) approve the attached budget supplements and amendments in accordance with the Home Rule Charter and section 129.06 of the Florida Statutes. These amendments will primarily align the County's FY 2021-22 Adopted Budget with receipt of additional or reduced revenues with corresponding adjustments to appropriations and reallocate reserves in the General Fund to the Independent Civilian Panel.

## **Scope**

The impact of this item is countywide.

## **Fiscal Impact/Funding Source**

Detailed below.

## **Background**

A budget supplement is required by the Miami-Dade County Charter and State law when expenditures exceed budgeted appropriations. Additionally, as required by Ordinance No. 21-61, the Mayor or Mayor's designee shall prepare and present to the County Commission a mid-year budget amendment setting forth any necessary revisions to the then-current fiscal year's budget not earlier than April 1 of every year and not later than May 31 of every year. This supplement has been prepared to comply with these requirements.

The total value of all operating adjustments detailed below is \$335.964 million. At this time, no adjustments are required as a result of projected expenditures exceeding adopted expenditure authority.

## **Carryover Adjustments**

For various departmental operating funds (detailed in the ordinance schedule), a supplement totaling \$335.964 million is required to reflect the actual carryover from the prior year end. For those funds whose actual carryover was higher than budgeted, reserves will be increased or established. For those funds whose actual carryover was lower than budgeted, reserves or operating expenditures will be decreased. Included within this supplement, as required by Section 2-1799(e) of the County Code, a budget supplement for the Board, General Fund G3027 to General Fund G3044, General Fund G3075 to General Fund G3077 and General Fund G3090 to G3091 of \$1.548 million funded from prior year carryover revenues within each respective BCC reserve fund, consistent with the FY 2020-21 end-of-year budget supplement and amendment.

***General Fund Amendment***

The General Fund (G1001) requires a budget amendment (reallocation of funds) for General Fund supported activities described below.

***Board of County Commissioners***

The Board requires a budget amendment of \$958,000 in General Fund G1001 related to the implementation of the three percent cost of living adjustment and two percent bonus for all the divisions of the Board. This amendment is funded from General Fund G1001 Non-Departmental Wage, Separation and Energy Reserve, as adopted by the Board.

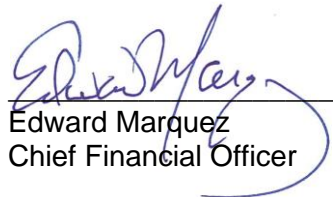

***Independent Civilian Panel***

The FY 2021-22 Adopted Budget included a reserve of \$750,000 for a Civilian Investigative Panel. It is recommended that this reserve be transferred to fund the Independent Civilian Panel that was created to be an impartial review panel that would conduct independent investigations and reviews and hold public hearings concerning complaints or grievances made against sworn officers of the Miami-Dade Police Department or any successor agency, or any other law enforcement agency established by the Board.
