Date: June 1, 2022

To: Honorable Chairman Jose “Pepe” Diaz
and Members, Board of County Commissioners

From: Daniella Levine Cava *Daniella Levine Cava*

Subject: Vacation of Right-of-Way Petition P-982
Section: 11-57-38
Southerly Portion of SW 302 Street from SW 194 Avenue West for Approximately 633 Feet
Commission District: 8

Executive Summary

The purpose of this item is for the Board of County Commissioners (Board) to grant a petition filed by Green Leaf Nursery, Inc. to vacate the subject portion of right-of-way. The fee for this Vacation of Right-of-Way Petition is \$3,160.

Recommendation

It is recommended that the Board grant Vacation of Right-of-Way Petition P-982, attached to this Memorandum as Exhibit 2, following a public hearing. The Miami-Dade County Departments of Regulatory and Economic Resources, Transportation and Public Works (DTPW), Water and Sewer, and Fire Rescue have no objection to this portion of right-of-way being closed. The subject lands consist of areas of farm fields, grass, and nursery plants. Location maps are attached as Exhibit 1. This request conforms with County regulations governing the closing of roads as set forth in Resolution No. R-7606.

Scope

The subject Vacation of Right-of-Way Petition is located within District 8, which is represented by Commissioner Danielle Cohen Higgins.

Fiscal Impact/Funding Source

The Property Appraiser’s Office has assessed the properties adjacent to the subject portion of right-of-way at an average rate of \$1.49 per square foot. Therefore, the estimated value of the subject lands would be \$9,353. If the subject portion of right-of-way is closed and vacated, the lands will be placed on the tax roll, generating an estimated \$165 per year in additional property taxes. The fee for this Vacation of Right-of-Way Petition is \$3,160.

Track Record/Monitor

DTPW is the entity overseeing this project, and the person responsible for monitoring it is Maria D. Molina, P.E., DTPW Chief, Right-of-Way Division.

Delegated Authority

There is no delegation of authority associated with this item.

Background

The owners of all the abutting properties wish to close a 10-foot-wide strip of right-of-way along the south side SW 302 Street, from SW 194 Avenue west for 633 feet, to incorporate the land into the abutting property to the south (Folio No. 30-7811-000-0110) for future development. If the subject Vacation of Right-of-Way Petition is granted, the required 25 feet of right-of-way width, as measured from the centerline of the street,

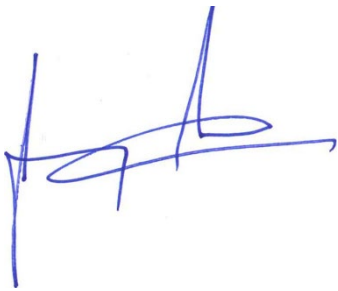

Honorable Chairman Jose “Pepe” Diaz
and Members, Board of County Commissioners

Page 2

will remain along the south side of SW 302 Street at this location. The subject lands are currently used for agricultural purposes and are covered with areas of farm fields, grass, and nursery plants. The survey included within the attached Exhibit 2 shows a segment of wire fence and a small utility shed (with a note that states “to be demolished”) lying within the subject area.

The portion of right-of-way sought to be closed has neither been improved nor maintained by Miami-Dade County. It is part of the 35-foot-wide strip of land lying on the south side of the centerline of SW 302 Street that was dedicated to Miami-Dade County in 1957 by the “Right-of-Way Deed to Dade County” recorded in Official Records Book 249, at Page 476, of the public records of Miami-Dade County, Florida.

The property abutting the west end of the subject right-of-way is zoned AU (Agricultural/Residential 5 Acres Gross). The property abutting the south side of the subject land is zoned EU-M (Estates Modified, Single-Family, Minimum Lot Area 15,000 Square Feet Net).

PETITION TO CLOSE ROAD

**TO: Board of County Commissioners
Miami-Dade County, Florida**

The undersigned, pursuant to Sections 336.09 – 336.12 Florida Statutes, hereby petitions the Board of County Commissioners to vacate, abandon, discontinue and close an existing public street, alleyway, road, highway, or other place used for travel, or a portion thereof, and to renounce and disclaim any right of the County and the public in and to any land in connection therewith; or to renounce and disclaim any right of County and the public in and to certain land, or interest therein, acquired by purchase, gift, devise, dedication or prescription for street, alleyway, road or highway purposes; or to renounce and disclaim any right of the County and the public in and to certain land delineated on recorded map or plat as a street, alleyway, road or highway.

The undersigned hereby certify:

1. **LEGAL DESCRIPTION:** The complete and accurate legal description of the road, right-of-way sought to be closed is as follows:

See Exhibit "A".

2. **PUBLIC INTEREST IN ROAD:** The title or interest of the county and the Public in and to the above described road, right-of-way was acquired and is evidenced in the following manner (state whether public interest was acquired by deed, dedication or prescription and set forth where deed or plat is recorded in public records):

- Public interest was acquired by Right-of-Way Deed to Dade County, which was recorded in Official Record Book 249, Page 476 in the Official Records of Miami-Dade County, Florida.

3. **ATTACH SURVEY SKETCH:** Attached hereto is a survey accurately showing and describing the above described right-of-way and its location and relation to surrounding property, and showing all encroachments and utility easements.

See Exhibit "B".

4. ABUTTING PROPERTY OWNERS: The following constitutes a complete and accurate schedule of all owners of property abutting upon the above described right-of-way.

<u>NAME</u>	<u>FOLIO NO.</u>	<u>ADDRESS</u>
Green Leaf Nursery, Inc.	30-7811-000-0110	19475 SW 304 Street

George A. Pena Jr. LE, REM April M. Pena, Thomas W. Pena TRS, Thomas W Pena Rev Living Trust	10-7811-000-0070	19355 SW 304 Street

5. ACCESS TO OTHER PROPERTY: The undersigned certify that in the event this petition is granted no other property owners will be prevented from access to and from their property and no other property owners in the vicinity will be adversely affected.

6. GROUNDS FOR REQUESTING PETITION AND PROPOSED USE FOR THE LAND BY THIS REQUEST: The undersigned submits as grounds and reasons in support of this petition the following (state in detail, why petition should be granted):

The petitioner respectfully requests the vacation of the following portion of S.W. 302 Street as depicted in the aerial below highlighted in green (the "Petition"). Please see the enclosed legal and sketch identified as **Exhibit "B"**.

This petition seeks to *vacate the southern 10 feet* of the 35 foot right-of-way along S.W. 302nd Street thereby reducing this right-of-way to 25 feet (the “302nd Street right-of-way”). This right-of-way is currently unimproved and is not used by the public for access. The entirety of the right-of-way to be vacated abuts unimproved land, but leads to private property. Elimination of the right-of-way will help to prevent potential conflict between the traveling public and the private property owners.

The property abutting the 302nd Street right-of-way to the south will be developed into a single residential development that will provide its own privatized traffic connectivity network. In fact, approval of this Petition would allow for a proposed residential development to be developed with a far superior traffic connectivity design. As shown on the Preliminary Site Plan below, the proposed roads will be open to the public and will have several ingress and egress points. Furthermore, should the Petition be approved, the developer would be required to receive the necessary approvals for the proposed traffic connectivity network design from all applicable reviewing departments and agencies prior to development. Such reviewing departments and agencies will include the Miami-Dade County Traffic Engineering Division and the Miami-Dade County Traffic and Platting Section. In turn, and as a result of the approval of the Petition, the private property land valuation assessments will yield an increase in contributions to the tax base.
