Recommendation

It is recommended that the Board of County Commissioners (Board) authorize the acceptance of a deed for canal-right-of-way and a disclaimer for the release of a portion of canal reservation located along NW 170 Street and NW 97 Avenue in the City of Hialeah, Miami-Dade County. The deed and disclaimer are attached to the resolution as Attachment A and Attachment B.

Scope

The site is located south of and along NW 170 Street at NW 97 Avenue in Miami-Dade County, in Commission District 12, which is represented by Chairman Jose “Pepe” Diaz.

Delegation of Authority

The attached resolution authorizes the Chairperson or Vice Chairperson of the Board of County Commissioners to execute the right-of-way deed and the County Mayor or the County Mayor’s designee to execute the disclaimer.

Fiscal Impact/Funding Source

This item does not require the expenditure of any Miami-Dade County funds.

Track Record/Monitor

The Water Control Section Manager within the Department of Regulatory and Economic Resources, Division of Environmental Resources Management will be responsible for tasks related to this transaction.

Background

In 1959 the Central and Southern Florida Flood Control District, now known as the South Florida Water Management District, gave to the County a canal reservation, Flood Control District Deed No. 21, for canal and water management purposes in connection with the Miami-Dade County Water Control Master Plan in Section 17, Township 52 South, Range 40 East, in the vicinity of NW 170 Street and NW 97 Avenue in Miami-Dade County.

FDG Countyline, LLC is the owner of the property encumbered by the above-stated canal reservation. FDG Countyline, LLC has offered to dedicate a 20-foot wide canal right-of-way with an area of 0.15 acres along NW 97 Avenue in exchange for the release of the remaining canal reservation with an area of 2.43 acres within the property along NW 170 Street and NW 97 Avenue. The canal right-of-way will

Honorable Chairman Jose “Pepe” Diaz
and Members, Board of County Commissioners
Page 2

provide an area for a future culvert connection to the Golden Glades Canal. No future expansion of the existing canal is proposed within the remaining portion of canal reservation. It is therefore recommended that the Board authorize the execution of the subject Miami-Dade County disclaimer for the release of remaining portion of canal reservation. A general site sketch is attached as Exhibit 1 to this memorandum.
