Delegation of Authority

No additional authority is being requested within the body of this contract.

Background

This contract provides DTPW a means of quickly responding to critical construction and repair needs via a competitively bid contract. Within the contract, an estimated quantity is provided for bidding purposes as plan details are not available at the time of the bid. Sites may be added or deleted as the need arises.

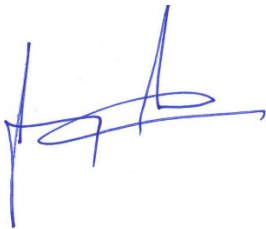

DTPW forwarded a Request for Price Quotation, by way of e-mail transmission to a pool of firms that had registered with ISD for each respective trade. Additionally, DTPW advertised the project in the Daily Business Review and all solicitations were available online through the County portal under the “Procurement Solicitations” link. The advertisement was effective on September 30, 2021, when DTPW forwarded an RPQ for Pavement Markings Installation, utilizing the MCC 7040 Plan – CICC 7040-0/07 Contract, to a list of 63 pre-qualified firms.

On November 3, 2021, three firms submitted bids. P & J Striping, Inc. proffered the lowest responsive and responsible base bid of \$338,310.00 which was 14.5 percent above the County's cost estimate.

The second lowest bidder, Highway Striping, Inc. proffered a base bid of \$473,730.00 which was 60.3 percent above the County’s cost estimate. The third lowest bidder, the Stout Group, LLC, proffered a base bid of \$675,105.00 which was 128.5 percent above the County’s cost estimate. Based on the results of the solicitation, DTPW prepared this recommendation for award for RPQ No. 20210196 to P & J Striping, Inc.

The project’s award evaluation was based upon the bid submitted by the lowest responsive and responsible bidder. Due diligence was conducted in accordance with ISD’s Procurement Guidelines to determine contractor responsibility, including verifying corporate status with the Florida Department of State’s Division of Corporations and reviewing performance and compliance issues. A copy of all bids and the bid tabulation for the project is available by contacting the Chief of the Capital Improvements Division of DTPW.

This item seeks authority to utilize Charter County Surtax Funds to fund projects utilizing this contract. Consistent with Florida Statutes Section 212.055, and Sections 29-124 and 2-1421 of the County Code, surtax funds will be used for projects included in the Five-Year PTP Implementation Plan.
