Date: September 1, 2022

To: Honorable Chairman Jose “Pepe” Diaz
and Members, Board of County Commissioners

Agenda Item No. 8(A)(1)

From: Daniella Levine Cava
Mayor *Daniella Levine Cava*

Subject: Ratification of Amendment No. 1 for Aviation Planning and Master Planning
Consultant Services; Miami-Dade Aviation Department Project No. E16-MDAD-04

EXECUTIVE SUMMARY

This agenda item seeks Board approval to ratify the execution of Amendment No. 1, which amends a Professional Services Agreement (PSA) between Miami-Dade County and Ricondo & Associates, Inc. (Ricondo) for Aviation Planning and Master Planning Consultant Services, increasing the agreement amount by \$500,000 for Miami-Dade Aviation Department (MDAD) Project No. E16-MDAD-04.

The PSA for Project No. E16-MDAD-04 was originally awarded by the Board of County Commissioners (Board) to Ricondo on April 4, 2017 via Resolution No. R-339-17 with a term of five years and a total compensation amount of \$5,513,750. Because contract funds were running low and the contract term was due to expire in April 2022, Amendment No. 1 to Contract No. E16-MDAD-04 was entered into in March 2022 through the County Mayor’s delegated authority and is now on the Board’s ratification agenda for approval. Amendment No. 1 provides for the continuity of aviation planning services until a replacement contract is awarded by the Board. A Request to Advertise was filed with Clerk of the Board on January 7, 2022 for two firms to provide the same professional planning services Ricondo has been providing through Project No. E16-MDAD-04. As a result of the competitive solicitation, two contract award recommendations will be placed on a Board committee agenda in a short time, which upon full Board approval will serve to replace the PSA for MDAD Project No. E16-MDAD-04.

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) ratify the actions of the County Mayor or County Mayor’s designee, pursuant to Ordinance No. 95-64, codified as Section 2-285(3) of the Code of Miami-Dade County in executing Amendment No. 1 to MDAD Project No. E16-MDAD-04, as identified herein and in Exhibit A, as attached.

AMENDMENT NO. 1

Amendment No. 1 amends the PSA with Ricondo for Aviation Planning and Master Planning Consultant Services, increasing the agreement amount by \$500,000 for MDAD Project No. E16-MDAD-04. This PSA was awarded by the Board on April 4, 2017 via Resolution No. R-339-17 to Ricondo with a term of five years and a total compensation amount of \$5,513,750.

On March 29, 2022, Amendment No.1 was executed and filed with the Clerk of the Board, it provides an additional \$500,000, increasing the total authorized contract amount to \$6,013,750. The scope of work in Amendment No. 1, like the original contract, provides for a wide variety of airport and aviation master professional planning services to ensure that Miami International Airport (MIA) and the County’s General Aviation Airports (GAA), which includes Miami-Opa Locka Executive Airport (OPF), Miami Executive Airport (TMB), Miami Homestead General Aviation Airport (X51), and Dade-Collier Training

and Transition Airport (TNT) comply with all federal, state, and local regulatory requirements. Additionally, the planning services provide for input to the “Strategic Airport Master Plan Study” for MIA and the GAA.

DELEGATION OF AUTHORITY

Pursuant to the provisions of Section 2-285 of the Miami-Dade County Code, the County Mayor or County Mayor’s designee has the authority to execute and terminate the PSA and to resolve disputes. Moreover, pursuant to the provisions of Section 2-285(3) and subject to ratification by the Board, the County Mayor or County Mayor’s designee has the authority to issue amendments for PSA’s that do not exceed \$500,000 in the cumulative dollar amount nor exceed 15 percent of the contract price.

SCOPE

The impact of Amendment No. 1 is countywide as it involves the County’s airport system, which includes MIA, OPF, TMB, X51, and TNT as shown in Exhibit A as attached.
