Subject: Alley Closing Petition P-989
Section: 4-52-42
Alley Located Between NE 192 Street and NE 193 Street, from NE 25 Avenue East for
Approximately 387 Feet
Commission District: 4

Executive Summary

The purpose of this item is for the Board of County Commissioners (Board) to grant a petition filed by OJUS ASSEMBLAGE PO LLC to close the subject alley, which is overgrown with grass and trees, for possible future development. If this petition is granted, the underlying lands will become incorporated into the abutting properties. The \$11,248.00 fee for this Alley Closing petition has been paid.

Recommendation

It is recommended that the Board grant Alley Closing Petition P-989, attached to this Memorandum as Exhibit 2, following a public hearing. The Miami-Dade County Departments of Regulatory and Economic Resources, Transportation and Public Works (DTPW), Water and Sewer, and Fire Rescue have no objection to this alley being closed. This request conforms with County regulations governing the procedures for the closing of County roads as set forth in Resolution No. 7606. Since utility poles with overhead wires are located within this alley, the subject lands will be reserved as a utility easement (see attached Exhibit 3) if this petition is granted. Location maps are attached as Exhibit 1.

Scope

The subject Alley Closing petition is located within District 4, which is represented by Commissioner Sally A. Heyman.

Fiscal Impact/Funding Source

The Property Appraiser’s Office has assessed the properties adjacent to the subject alley at an average rate of \$24.00 per square foot. Therefore, the estimated value of the subject land is approximately \$92,880. If the subject alley is closed and vacated, the land will be placed on the tax roll, generating an estimated \$1,635 per year in additional property taxes. The fee for this Alley Closing petition is \$11,248.00.

Track Record/Monitor

DTPW is the entity overseeing this project and the person responsible for monitoring it is Maria D. Molina, P.E., Chief, Right-of-Way Division.

Delegated Authority

There is no delegation of authority associated with this item.

Background

The owners of 10 of the 11 abutting properties have signed a petition to close the 10-foot-wide alley located between NE 192 Street and NE 193 Street, from NE 25 Avenue east for approximately 387 feet, to incorporate the land into their properties for possible future development.

The subject alley has never been improved nor maintained by Miami-Dade County. It is covered with grass, trees, and other plants. Various chain-link and wooden fences encroach upon it. This portion of right-of-way was dedicated to Miami-Dade County in 1925 by the plat of HARRIETTE PARK, recorded in Plat Book 17, at Page 64, of the Public Records of Miami-Dade County, Florida. The abutting properties are zoned OUAD (Ojus Urban Center).

5. ACCESS TO OTHER PROPERTY: The undersigned certify that in the event this petition is granted no other property owners will be prevented from access to and from their property and no other property owners in the vicinity will be adversely affected.

6. GROUNDS FOR REQUESTING PETITION AND PROPOSED USE FOR THE LAND BY THIS REQUEST: The undersigned submits as a grounds and reasons in support of this petition the following (state in detail, why petition should be granted):

The applicant respectfully requests that this road closing petition be granted for the following reasons: The requested alley right-of-way that is proposed to be closed has never been used for any right-of-way purpose nor has it ever been improved for public access. The vacation of the alley right-of-way would help provide for several alternative site plan designs that focus on enhancing the use of the property. The east side of the alley currently dead ends due to a re-platted multifamily development that exists blocking it from going any further east. To the west, the alley leads to NE 25th Avenue and there is no roadway that continues west of NE 25th Avenue. Currently, the alley consists of vegetation with above ground power lines. The Petitioner will relocate the power lines as part of the approval of the Petition. Additionally, there is no reason or necessity, now or in the future, that would give rise to any kind of support for requiring the alley right-of-way proposed to be closed to provide access to any of the adjacent properties as each of the adjacent properties already have sufficient access to a variety of roadways including NE 25th Avenue, NE 193rd Street and NE 192nd Street.

Re: Courtesy Notice of Road Closure Petition / Vacation of Alley East of NE 25th Avenue Between NE 193 Street and NE 192 Street

Dear Mr. Padron,

This law firm represents 193 Street, LLC, (the "Petitioner"), the owner of those certain parcels of land located at 2532 NE 193 Street/2524 NE 193 Street, 2550 NE 193 Street, and 2560 NE 193 Street, which are further identified at Miami-Dade County Folio Nos. 30-2204-006-0090, 30-2204-006-0080, and 30-2204-006-0070. The purpose of this letter is to provide you with a courtesy notice that the Petitioner intends to submit the enclosed road closing petition to vacate the alley east of NE 25 Avenue between NE 193 Street and NE 192 Street (the "Petition"). The area to be vacated is highlighted on the enclosed survey included with this letter, and depicted by the area marked in green on the aerial provided below:

MDC021

The requested alley right-of-way that is proposed to be vacated has never been used for any right-of-way purpose nor has it ever been improved for public access. The vacation of the alley right-of-way will help provide for several alternative site plan designs that focus on enhancing the use of those parcels of land identified above, as well as several others currently being purchased, that abut the alley to be vacated. The east side of the alley currently dead ends at the rear of your property blocking it from going any further east. To the west, the alley leads to NE 25th Avenue and there is no roadway that continues west of NE 25th Avenue. Currently, the alley consists of vegetation with above ground power lines. The Petitioner will relocate the power lines as part of the approval of the Petition. Primary access to your property will not be affected in any way. The Petition will be reviewed by several Miami-Dade County departments, including the Miami-Dade County Fire Rescue Department, the Miami-Dade County Department of Transportation and Public Works, the Division of Environmental Resources Management (DERM), and several others to ensure the proposal meets all applicable requirements.

We welcome the opportunity to discuss the Petition with you, and to address any questions you may have at your convenience. I can be reached at (305) 789-7413 or by email at james.williams@hklaw.com. We look forward to hearing from you.

Sincerely,

James R. Williams Jr., Esq.
