# Memorandum

**Date:** July 18, 2023

**To:** Honorable Chairman Oliver G. Gilbert, III  
and Members, Board of County Commissioners

**From:** Daniella Levine Cava   
Mayor

**Subject:** Approval of Public Housing and Community Development Department's Public Housing Agency Plan for Fiscal Year 2023-2024

---

## **Executive Summary**

Section 511 of the Quality Housing and Work Responsibility Act (QHWRA) of 1998 established the requirement that each public housing agency must have a five-year and annual plan. These plans are a comprehensive guide to the policies, programs, operations, and strategies for meeting local housing needs and goals. The County's proposed Public Housing Agency Plan for Fiscal Year 2023-2024 (plan) covers the following federal programs: Public Housing, Section 8 Housing Choice Voucher, Section 8 Moderate Rehabilitation programs, and other Special Vouchers administered by the County by its Public Housing and Community Development Department (Department).

The plan includes a revision to the demolition and disposition usage and on developments which may be converted from public housing assistance to Project-Based Voucher (PBV) under the Rental Assistance Demonstration (RAD) program and the addition of admission preferences offered by the particular project for elderly households 62 years old and older, vulnerable populations, special needs households, and public housing residents affected by redevelopment and/or any government action.

## **Recommendation**

It is recommended that the Board of County Commissioners (Board):

1. Approve, after a public hearing, the plan;
2. Authorize the County Mayor or County Mayor's designee to submit the plan to the United States Department of Housing and Urban Development (HUD) for final approval no later than July 31, 2023; and
3. Authorize the County Mayor or County Mayor's designee to make any necessary revisions to the plan subject to the limitations of the plan's "Significant Amendment and Substantial Deviation" definition, or as may be required by regulatory, statutory, court order or safety and security issues without further approval of the Board.

## **Scope**

The plan applies only to the Public Housing and Section 8 programs administered by the Department and does not cover programs administered by other housing authorities in the County such as those in cities of Hialeah, Miami Beach, and Homestead. However, the impact of the plan is countywide.

**Delegation of Authority**

Upon approval of the resolution the County Mayor or County Mayor’s designee will be authorized to: (1) submit the plan to HUD for final approval upon approval by the Board; and (2) make any necessary revisions to the plan subject to the limitations of the plan’s “Significant Amendment and Substantial Deviation” definition, or as may be required by regulatory, statutory, court order or safety and security issues without further approval of the Board.

**Fiscal Impact/Funding Source**

The plan includes a listing of the Department’s financial resources and planned uses for the support of federal Public Housing and Section 8 programs for Fiscal Year 2023-2024. However, the approval of this item will not result in a fiscal impact to the County.

**Track Record/Monitor**

Alex R. Ballina, Department Director, is responsible for administering the federally subsidized housing programs: Public Housing Program and the Section 8 Programs.

**Background**

On July 7, 2022, the Board adopted Resolution No. R-629-22, which approved the plan for Fiscal Year 2022-2023. On April 4, 2023, the Board also adopted R-262-23, which approved the amended Annual Plan of the Department for same fiscal year.

**I. Department’s Plan**

The plan includes the Department’s mission and goals over the next five-year period, objectives for the upcoming fiscal year regarding operations, programs and capital spending, and strategies for meeting the needs of the local community. The plan presented for the Board’s consideration includes all provisions related to the RAD program and the following proposed revisions:

A. Substantial Modifications in the annual plan:

<b>Description</b>	<b>Applicable Program</b>
<p><u>Sections B.1.B(III)(A)(1) and (VI)(J)(1)</u> — The plan is amended as it relates to the planned developments scheduled for (i) demolition and disposition activities, and (ii) RAD conversions including projects proposed to combine disposition activities under section 18 of the U.S. Housing Act of 1937, with the RAD program pursuant to PIH Notices 2018-04 and 2019-23, RAD Final Implementation, REV-4.</p> <p>The amendments will allow, as an option, the inclusion of homeownership units in the planned redevelopment of multiple public housing sites, including but not limited to Modello II, Liberty Square, Lincoln Gardens, Annie Coleman 14. In addition, the plans for demolition and disposition activities in the Rental Assistance Demonstration (RAD) tables were revised to reflect new timelines for the Work Order Proposal Plan.</p>	<p>Public Housing Program</p>

Description	Applicable Program
<p><u>Section B.2.A(II)(B)(2)(d)(5)</u> – The plan also amends the selection and admission criteria for the project-based voucher program to add admission preferences offered by the particular project for elderly households 62 years old and older, vulnerable populations, special needs households (Section 67-48.002(108) F.A.C.), and public housing residents affected by redevelopment and/or any government action.</p> <p>The amendment allows for housing admission preferences, such as at the Village at Casa Familia development, which support persons with intellectual or developmental disabilities, elderly (62 and older), homeless, those at-risk of being homeless, youth aging out of foster care, and other special needs households being placed on waiting lists ahead of general population applicants. This also meets compliance requirements for all Florida Housing Finance Corporation competitively funded developments which includes projects such as, Brisas del Rio, Brisas del Este, and Paseo Del Rio</p>	<p>Section 8            Project-Based            Voucher</p>

The plan was made available for public review and comments during a 45-day comment period from May 22, 2023, through July 5, 2023, (attached to the resolution as Exhibit 1). These documents were distributed to and posted at the Department’s administrative offices, site offices, and to members of the Department’s resident advisory board. Additionally, as part of the update and vetting process of these documents, the Department held a meeting with the resident advisory board on June 15, 2023. The Department may revise the plan to incorporate public such comments and present revisions to the Board prior to approval.

B. Strategy for Addressing Housing Needs

1. Need: Shortage of affordable housing for all eligible populations

a) Strategy 1. Maximize the number of affordable units available to Miami-Dade County by and through its housing department Public Housing and Community Development Department (PHCD) within its current resources by:

- (1) Reducing turnover time for vacated public housing units through implementation of a vacancy reduction initiative to achieve an overall occupancy rate of 94 percent.
- (2) Seeking replacement of public housing units lost to the inventory through mixed finance development, RAD and other financing or funding strategies including reclaiming units available under the Faircloth cap.
- (3) Undertaking measures to ensure access to affordable housing among assisted families, regardless of unit size required.
- (4) Participating in a Homeless Pilot Program in an effort to address homelessness by collaborating with the Homeless Trust for referrals of homeless persons transitioning out of a shelter, transitional housing program, rapid re-housing program, or permanent supportive housing.
- (5) Participating in the Consolidated Plan development process to ensure coordination with broader community strategies.
- (6) Participating in Miami-Dade County's General Obligation Bond (GOB) program to expand the amount of public housing available in Miami-Dade County.
- (7) County-owned Public Housing land may be used to develop affordable workforce housing for low-income families and homeownership opportunities.

b) Strategy 2: Increase the number of affordable housing units that reflect HUD and local requirements by:

- (1) Leveraging private or other public funds or generate revenue to create affordable housing resources opportunities such as the utilization of the RAD program including Section 18/RAD blending option, Section 18 direct replacement with Tenant Protection Vouchers, and Low-Income Housing Tax Credits (LIHTC) and any other available funding sources in the community through the creation of mixed-finance housing.
- (2) Pursuing housing resources other than public housing assistance.
- (3) Continue to apply for funding or grant opportunities that may become available to create additional housing opportunities.

2. Need: Specific Family Types: Families at or below extremely low income (ELI) or very low income.  
Strategy: Target available assistance to ELI families.

3. Need: Specific Family Types: Families with Disabilities  
Strategy: Target available assistance to applicants and residents with disabilities.

4. Need: Specific Family Types: Races or ethnicities with housing needs  
Strategy: Increase awareness by complying with all HUD fair housing requirements.

5. Need: Reduce impediment to Fair Housing choice through education efforts  
Strategy: Continue providing fair housing training to employees. Training is provided to staff on equal opportunities to applicants and participants regardless of their status as a victim of domestic violence, dating violence or stalking, actual or perceived sexual orientation, gender identity, gender expression, race, national origin, ethnic origin, color sex, religion, age, disability, familial status, marital status, ancestry, pregnancy or source of income.

II. Deconcentration and Other Policies that Govern Eligibility, Selection, and Admissions.

A. Deconcentration may include, but is not limited to the following:

1. Targeting modernization and capital improvements to developments with an average income below the Established Income Range (EIR), to encourage applicant families whose income is above the EIR to accept units in those developments.

2. Providing incentives which encourage families with incomes below the EIR to accept units in developments with incomes above the EIR, or vice versa. Such incentives may include affirmative marketing plans or added amenities.

- Some of the demolition actions indicated above may be further evaluated to determine if a demolition or rehabilitation would be more advantageous.

**V. Conversion of Public Housing to Tenant-Based Assistance.**

A. Voluntary Conversion Initial Assessments

1. The Required Initial Assessment indicated that the Voluntary Conversion of public housing to tenant-based assistance is inappropriate for the following reasons:
  - a) Conversion would be more expensive than continuing to operate the developments as public housing;
  - b) Removal of developments would not principally benefit the residents of the public housing developments included; and
  - c) It would adversely affect the availability of affordable housing in the community.

**VI. Conversion of Public Housing to Project-Based Assistance under RAD.**

- A. Using the RAD program, mixed finance options, and Capital funds, among others, PHCD will embark on the conversion of public housing developments to Site Based Vouchers (PBV) or Project-Based Rental Assistance (PBRA) under RAD, to upgrade its existing developments, many of which are at or near the end of their life cycle, and other important upgrades inherently required with an aging housing stock. The RAD program offers an opportunity to PHCD to transition from its current public housing funding platform to a more stable funding source, the PBV under the guidelines of PIH Notice 2019-23, RAD Final Implementation, REV-4, and any successor Notices.
- B. Upon conversion to PBV under RAD, PHCD will adopt the resident rights, participation, waiting list and grievance procedures in accordance with Section 1.6 of PIH Notice 2019-23, RAD Final Implementation, REV-4, and any successor Notices.
- C. PHCD will use all existing and new RAD opportunities available to the HUD RAD program for rehabilitation and development including the supplementing of RAD units with Section 18 TPVs based on the level of Housing Construction Costs (HCCs) proposed for rehabilitation and new construction.
- D. PHCD reserves the right to review on an on-going basis its planned RAD portfolio and make changes as it may determine to be beneficial due to changes in RAD and HUD Regulations, financial and operational considerations, facility conditions and life/safety concerns, municipal and neighborhood considerations, funding availability, zoning and building code requirements, etc. Changes may also be made if transfer of assistance is an option.
- E. Pursuant to PIH Notice 2019-23, RAD Final Implementation, REV 4, HUD requires that all the tenant protections provided to RAD PBV units will also be provided to non-RAD PBV units in a RAD converted development to facilitate the uniform treatment of residents. The required tenant protections are described in Paragraph F and G of this section, see below.
  1. PHCD may reprioritize public housing developments proposed for RAD conversions for the following reasons:
    - a) Building is identified with defects or conditions that are hazardous to the life, health, and safety of the resident.
    - b) Heavy gun violence or criminal activity that poses a substantial threat to the life, health, and safety of the resident.

**F. RAD PBV Resident Rights and Participation.**

Note that all the resident rights and participation (tenant protections) provided to RAD PBV units will also be provided to non-RAD PBV units in a RAD converted development to facilitate the uniform treatment of residents.

1. **No Rescreening of Tenants upon Conversion.** Pursuant to the Consolidated and Further Continuing Appropriations Act of 2012 (Pub. L. No. 112-55, approved November 18, 2011), as amended by the Consolidated Appropriations Act, 2014 (Pub. L. No. 113-76, approved January 17, 2014), the Consolidated and Further Continuing Appropriations Act, 2015 (Pub. L. No. 113-235, approved December 6, 2014), and Division L, Title II, Section 237 of the Consolidated Appropriations Act (Pub. L. No. 114-113, enacted December 18, 2015) (collectively, the “RAD Statute.”), pursuant to the conversion, current households cannot be excluded from occupancy at

the Covered Project<sup>1</sup> based on any rescreening, income eligibility, or income targeting. With respect to occupancy in the Covered Project, current households in the Converting Project<sup>2</sup> will be grandfathered for application of any eligibility criteria to conditions that occurred prior to conversion but will be subject to any ongoing eligibility requirements for actions that occur after conversion.<sup>3</sup> Post-conversion, the tenure of all residents of the Covered Project is protected pursuant to RAD PBV requirements regarding continued occupancy unless explicitly modified in this Notice (e.g., rent phase-in provisions). For example, a unit with a household that was over-income at time of conversion would continue to be treated as an assisted unit. Thus, 24 CFR § 982.201, concerning eligibility and targeting of tenants for initial occupancy, will not apply for current households. Once the grandfathered household moves out, the unit must be leased to an eligible family. Moving to Work (MTW) agencies may not alter this requirement. Further, so as to facilitate the right to return to the assisted property, HUD waives Section 8(o)(4) and 24 CFR § 982.201 to the extent necessary for this provision to apply to current public housing residents of the Converting Project that will reside in non-RAD PBV units or non-RAD PBRA units placed in a project that contain RAD PBV units or RAD PBRA units. Such families and such contract units will otherwise be subject to all requirements of the applicable program, specifically 24 CFR § 983 for non-RAD PBV units and the PBRA requirements governing the applicable contract for non-RAD PBRA units.

2. **Right to Return.** See section 1.4.A.5 (ii) and the RAD Fair Housing, Civil Rights, and Relocation Notice regarding a resident's right to return. To facilitate the uniform treatment of residents and units at a Covered Project, any non-RAD PBV units located in the same Covered Project shall be subject to the terms of this provision.
3. **PHCD Policy on Tenant Rent Increases.** PHCD will not increase the tenant monthly rents as a result of conversion to PBV under RAD. Likewise, the flat rent payment will not change as a result of conversion to PBV under RAD. Tenants will not see an increase on their monthly rent payment unless their income changes.

The Public Housing and RAD PBV Programs apply the same regulations for inclusion, exclusion (24 CFR, §5.609), and mandatory deductions (24 CFR, §5.611) in calculating the household's adjusted income. Tenants generally pay 30 percent of the household's monthly income as their monthly rent, or a flat rent based on the rent charged for similar units.

4. **Family Self Sufficiency (FSS) and Residents Opportunities and Self Sufficiency Coordinator (ROSS-SC) programs.** Not applicable.
5. **Resident Participation and Funding.** Residents of Covered Projects, any non-RAD PBV units located in the same Covered Projects will have the right to establish and operate a resident organization for the purpose of addressing issues related to their living environment and be eligible for resident participation funding.
6. **Resident Procedural Rights.** The following items must be incorporated into both the Section 8 Administrative Plan and the Project Owner's lease, which includes the required tenancy addendum (HUD Form 52530-c), as appropriate. Evidence of such incorporation may be requested by HUD for purposes of monitoring the program.
  - a) **Termination Notification.** HUD is incorporating additional termination notification requirements to comply with section 6 of the Act for public housing projects that convert assistance under RAD and to non-RAD PBV units located at the Covered Project. In addition to the regulations at 24 CFR § 983.257 related to Project Owner termination of tenancy and

---

<sup>1</sup> For purposes of this Appendix A, the term "Covered Project" shall mean the post-conversion property with assistance converted from one form of rental assistance to another under the RAD program.

<sup>2</sup> For purposes of this Appendix A, the term "Converting Project" shall mean the pre-conversion property whose assistance is converting from one form of rental assistance to another under the Demonstration.

<sup>3</sup> These protections (as well as all protections in this Notice for current households) also apply when a household is relocated to facilitate new construction or repairs following conversion and subsequently returns to the Covered Project.

eviction (which MTW agencies may not alter) the termination procedure for RAD conversions to PBV will require that PHAs provide adequate written notice of termination of the lease which shall be:

- i. A reasonable period of time, but not to exceed 30 days:
  1. If the health or safety of other tenants, Project Owner employees, or persons residing in the immediate vicinity of the premises is threatened; or
  2. In the event of any drug-related or violent criminal activity or any felony conviction;
- ii. Not less than 14 days in the case of nonpayment of rent; and
- iii. Not less than 30 days in any other case, except that if a State or local law provides for a shorter period of time, such shorter period shall apply.

- b) **Grievance Process.** Pursuant to requirements in the RAD Statute, HUD is establishing additional resident procedural rights to comply with section 6 of the Act.

For the termination of assistance and several other PHA determinations, PBV program rules require the PHA to provide an opportunity for an informal hearing, as outlined in 24 CFR § 982.555. RAD will specify alternative requirements for 24 CFR § 982.555(b) in part, which outlines when informal hearings are not required, to require that:

- i. In addition to reasons that require an opportunity for an informal hearing given in 24 CFR § 982.555(a)(1)(i)-(vi),<sup>4</sup> an opportunity for an informal hearing must be given to residents for any dispute that a resident may have with respect to a Project Owner action in accordance with the individual's lease or the contract administrator in accordance with RAD PBV requirements that adversely affect the resident's rights, obligations, welfare, or status.
  1. For any hearing required under 24 CFR § 982.555(a)(1)(i)-(vi), the contract administrator will perform the hearing, as is the current standard in the program. The hearing officer must be selected in accordance with 24 CFR § 982.555(e)(4)(i).
  2. For any additional hearings required under RAD, the Project Owner will perform the hearing.
- ii. There is no right to an informal hearing for class grievances or to disputes between residents not involving the Project Owner or contract administrator.
- iii. The Project Owner gives residents notice of their ability to request an informal hearing as outlined in 24 CFR § 982.555(c)(1) for informal hearings that will address circumstances that fall outside of the scope of 24 CFR § 982.555(a)(1)(i)-(vi).
- iv. The Project Owner provides opportunity for an informal hearing before an eviction.

Current PBV program rules require that hearing procedures must be outlined in the PHA's Section 8 Administrative Plan.

To facilitate the uniform treatment of residents and units at a Covered Project, any non-RAD PBV units located in the same Covered Project shall be subject to the terms of this provision.

7. **Earned Income Disregard (EID).** Tenants who are employed and are currently receiving the EID exclusion at the time of conversion will continue to receive the EID after conversion, in accordance with regulations at 24 CFR § 5.617. Upon the expiration of the EID for such families, the rent adjustment shall not be subject to rent phase-in, as described in Section 1.6.C.4; instead, the rent will automatically rise to the appropriate rent level based upon tenant income at that time.

Under the Housing Choice Voucher program, the EID exclusion is limited only to persons with disabilities (24 CFR § 5.617(b)). In order to allow all tenants (including non-disabled persons) who are employed and currently receiving the EID at the time of conversion to continue to benefit from this exclusion in the RAD PBV project, the provision in 24 CFR § 5.617(b) limiting EID to disabled persons is waived. The waiver, and resulting alternative requirement, apply only to tenants receiving the EID at the time of conversion. No other tenant (e.g., tenants that move into the

---

<sup>4</sup> § 982.555(a)(1)(iv) is not relevant to RAD as the tenant-based certificate program has been repealed.

property following conversion or tenants who at one time received the EID but are not receiving the EID exclusion at the time of conversion due to loss of employment) is covered by this waiver. To facilitate the uniform treatment of residents and units at a Covered Project, any non-RAD PBV units located in the same Covered Project shall be subject to the terms of this provision.

8. **Job Plus.** Not applicable.
9. **When Total Tenant Payment (TTP) Exceeds Gross Rent.** Under normal PBV rules, the PHA may select an occupied unit to be included under the PBV HAP Contract only if the unit's occupants are eligible for housing assistance payments (24 CFR § 983.53(c)). Also, a PHA must remove a unit from the contract when no assistance has been paid for 180 days because the family's TTP has risen to a level that is equal to or greater than the contract rent, plus any utility allowance, for the unit (i.e., the Gross Rent) (24 CFR § 983.258). Since the rent limitation under this Section of the Notice may result in a family's TTP equaling or exceeding the gross rent for the unit, for residents living in the Converting Project prior to conversion and who will return to the Covered Project after conversion, HUD is waiving both of these provisions and requiring that the unit for such families be placed on and/or remain under the HAP Contract when TTP equals or exceeds the Gross Rent. Further, HUD is establishing the alternative requirement that until such time that the family's TTP falls below the gross rent, the rent to the owner for the unit will equal to the lesser of (a) the family's TTP, less the Utility Allowance, or (b) any applicable maximum rent under LIHTC regulations. During any period when TTP falls below the gross rent, normal PBV rules shall apply. As necessary to implement this alternative provision, HUD is waiving the provisions of Section 8(o)(13)(H) of the Act and the implementing regulations at 24 CFR § 983.301 as modified by Section 1.6.B.5 of this Notice. In such cases, the resident is considered a participant under the program and all of the family obligations and protections under RAD and PBV apply to the resident. Likewise, all requirements with respect to the unit, such as compliance with the HQS requirements, apply as long as the unit is under HAP Contract. The PHA is required to process these individuals through the Form 50058 submodule in PIH Information Center (PIC).

Following conversion, 24 CFR § 983.53(d) applies, and any new families referred to the RAD PBV project must be initially eligible for a HAP payment at admission to the program, which means their TTP may not exceed the gross rent for the unit at that time. Further, a PHA must remove a unit from the contract when no assistance has been paid for 180 days. If units are removed from the HAP contract because a new admission's TTP comes to equal or exceed the gross rent for the unit and if the project is fully assisted, HUD is imposing an alternative requirement that the PHA must reinstate the unit after the family has vacated the property. If the project is partially assisted, the PHA may substitute a different unit for the unit on the HAP contract in accordance with 24 CFR § 983.207 or, where "floating" units have been permitted, Section 1.6.B.10 of this Notice.

10. **Under-Occupied Unit.** If a family is in an under-occupied unit under 24 CFR § 983.260 at the time of conversion, the family may remain in this unit until an appropriate-sized unit becomes available in the Covered Project. When an appropriate sized unit becomes available in the Covered Project, the family living in the under-occupied unit must move to the appropriate-sized unit within a reasonable period of time, as determined by the administering Voucher Agency. In order to allow the family to remain in the under-occupied unit until an appropriate-sized unit becomes available in the Covered Project, 24 CFR § 983.260 is waived. MTW agencies may not modify this requirement.

#### G. **RAD PBV: Other Miscellaneous Provisions**

Note that all the resident rights and participation (tenant protections) provided to RAD PBV units will also be provided to non-RAD PBV units in a RAD converted development to facilitate the uniform treatment of residents.

1. **Access to Records, Including Requests for Information Related to Evaluation of Demonstration.** PHAs and the Project Owner must cooperate with any reasonable HUD request for data to support program evaluation, including but not limited to project financial statements,

operating data, Choice-Mobility utilization, and rehabilitation work. Please see Appendix IV for reporting units in Form HUD-50058.

2. **Ongoing PHA Board Review of Operating Budget.** The Owner must submit to the administering PHA's Board the operating budget for the Covered Project annually. The PHA's Board must confirm that the Project Owner is making deposits into the Reserve for Replacement account in accordance with the RCC as well as assess the financial health of the Covered Project.<sup>5</sup>
3. **Davis-Bacon Act and Section 3 of the Housing and Urban Development Act of 1968 (Section 3).** This section has been moved to 1.4.A.13 and 1.4.A.14.
4. **Establishment of Waiting List.** 24 CFR § 983.251 sets out PBV program requirements related to establishing and maintaining a waiting list from which residents for the Covered Project will be admitted.<sup>6</sup>
5. **Mandatory Insurance Coverage.** The Covered Project shall maintain at all times commercially available property and liability insurance to protect the project from financial loss and, to the extent insurance proceeds permit, promptly restore, reconstruct, and/or repair any damaged or destroyed project property.
6. **Future Refinancing.** Project Owners must receive HUD approval for any refinancing or restructuring of secured debt during the HAP Contract term to ensure the financing is consistent with long-term preservation of the Covered Project. With respect to any financing contemplated at the time of conversion (including any permanent financing which is a conversion or take-out of construction financing), such consent may be evidenced through the RAD Conversion Commitment (RCC)<sup>7</sup> but HUD review of liens must be performed prior to execution.
7. **Administrative Fees for Public Housing Conversions During the Year of Conversion.** For the remainder of the Calendar Year in which the HAP Contract becomes effective (i.e., the "year of conversion"), RAD PBV projects will be funded with public housing funds. For example, if the project's assistance converts effective July 1, 2015, the public housing ACC between the PHA and HUD will be amended to reflect the number of units under HAP Contract, but will be for zero dollars, and the RAD PBV HAP Contract will be funded with public housing money for July through December 2015. Since TBRA is not the source of funds, PHAs should not report leasing and expenses into VMS during this period, and PHAs will not receive section 8 administrative fee funding for converted units during this time.

PHAs operating HCV program typically receive administrative fees for units under a HAP Contract, consistent with recent appropriation act references to "section 8(q) of the [United States Housing Act of 1937] and related appropriations act provisions in effect immediately before the Quality Housing and Work Responsibility Act of 1998" and 24 CFR § 982.152(b). During the year of conversion mentioned in the preceding paragraph, these provisions are waived. PHAs will not receive Section 8 administrative fees for PBV RAD units during the year of conversion.

After the year of conversion, the Section 8 ACC will be amended to include Section 8 funding that corresponds to the units covered by the Section 8 ACC. At that time, the regular Section 8 administrative fee funding provisions will apply.

---

<sup>5</sup> For RAD PBV conversions that are not FHA-insured, a future HUD notice will describe project financial data that may be required to be submitted by a RAD PBV owner for purposes of monitoring and evaluation, given that PBV projects do not submit annual financial statements to HUD/REAC.

<sup>6</sup> The remainder of this subsection has been omitted since it is not applicable.

<sup>7</sup> For purposes of this Appendix A the term "RAD Conversion Component" or "RCC" shall mean the contract executed by HUD, the PHA and, as applicable, the post-conversion Project Owner. The RCC follows HUD approval of the Financing Plan and describes the terms and conditions of the conversion.

8. **Choice-Mobility.** One of the key features of the PBV program is the mobility component, which provides that if the family has elected to terminate the assisted lease at any time after the first year of occupancy in accordance with program requirements, the PHA must offer the family the opportunity for continued tenant-based rental assistance, in the form of either assistance under the voucher program or other comparable tenant-based rental assistance.

If as a result of participation in RAD a significant percentage of the PHA's HCV program becomes PBV assistance, it is possible for most or all of a PHA's turnover vouchers to be used to assist those RAD PBV families who wish to exercise mobility. While HUD is committed to ensuring mobility remains a cornerstone of RAD policy, HUD recognizes that it remains important for the PHA to still be able to use tenant-based vouchers to address the specific housing needs and priorities of the community. Therefore, HUD is establishing an alternative requirement for PHAs where, as a result of RAD, the total number of PBV units (including RAD PBV units) under HAP Contract administered by the PHA exceeds 20 percent of the PHA's authorized units under its HCV ACC with HUD.

The alternative mobility policy provides that an eligible voucher agency would not be required to provide more than three-quarters of its turnover vouchers in any single year to the residents of Covered Projects. While a voucher agency is not required to establish a voucher inventory turnover cap, if such a cap is implemented, the voucher agency must create and maintain a waiting list in the order in which the requests from eligible households were received. In order to adopt this provision, this alternative mobility policy must be included in an eligible PHA's administrative plan.

To effectuate this provision, HUD is providing an alternative requirement to Section 8(o)(13)(E) of the Act and 24 CFR § 983.261(c). Please note that this alternative requirement does not apply to PBVs entered into outside of the context of RAD. MTW agencies may not alter this requirement.

9. **Reserve for Replacement.** The Project Owner shall establish and maintain a replacement reserve in an interest-bearing account to aid in funding extraordinary maintenance and repair and replacement of capital items in accordance with applicable regulations. The reserve must be built up to and maintained at a level determined by HUD to be sufficient to meet projected requirements. For Federal Housing Administration (FHA) transactions, Replacement Reserves shall be maintained in accordance with the FHA Regulatory Agreement. For all other transactions, Replacement Reserves shall be maintained in a bank account or similar instrument, as approved by HUD, where funds will be held by the Project Owner or mortgagee and may be drawn from the reserve account and used subject to HUD guidelines.
  10. **Initial Certifications and Tenant Rent Calculations.** The Contract Administrator uses the family's public housing tenant rent (reflected on line 10f of the family's most recent HUD Form 50058) at the date of the conversion to calculate the PBV HAP and tenant rent until the effective date of the earlier of the family's first regular or interim recertification following the date of conversion. At the earlier of the family's first regular or interim recertification, the Contract Administrator will use the family's TTP based on the recertification and the HCV utility allowance (or the PBV site- specific utility allowance, if applicable) to determine the PBV HAP and tenant rent. This means that the family pays the same tenant rent as the family was paying under the public housing program until the earlier of first regular or interim reexamination following conversion, at which point the normally applicable PBV calculation for the tenant rent becomes effective. (Under the PBV program, the monthly HAP is the rent to owner minus the tenant rent, and the tenant rent is the family TTP minus the utility allowance.) To facilitate the uniform treatment of residents and units at a Covered Project, any non-RAD PBV units located in the same property as the Covered Project shall be subject to the terms of this provision. To effectuate this provision, HUD is waiving 24 CFR 5.601 and 983.3(c)(6)(iii).
- H. PHCD complies with and will continue to comply with the RAD Fair Housing, Civil Rights, and Relocation Notice (Joint Housing/PIH Notice H-2016-17/PIH-2016-17). Additionally, PHCD will comply with all requirements set forth in Miami-Dade Board of County Commissioners' Resolution Nos. R-1329-19 and R-1181-19, which require (i) that prior to the closure of a public housing site due to health and safety reasons, the RAD Program or for any other reason, the Board of County Commissioners

must approve such closure, and (ii) the County to execute Tenant Relocation Agreements with each of the tenants impacted by the closure of a public housing site or relocated because of the RAD Program, respectively.

Note that the Joint Housing/PIH Notice was issued on November 10, 2016 and includes requirements on Affirmatively Furthering Fair Housing (AFFH). However, this notice has been amended through the Notice titled AFFH: Responsibility to Conduct Analysis of Impediments published on May 23, 2018, in the Federal Register.

I. PHCD certifies that the RAD conversions will comply with all applicable site selection and neighborhood reviews and follow all appropriate procedures as required in the RAD Fair Housing, Civil Rights, and Relocation Notice (Notice H 2016-17/PIH 2016-17 (HA)).

**VII. Occupancy by Over-Income Families.**

A. PHCD has adopted a policy to limit public housing assistance for over-income families based on the Housing Opportunity through Modernization Act (HOTMA) of 2016. 1. In the regulations, over-income families are determined by multiplying the applicable income limit for a very low-income (VLI) family, as defined in 24 CFR 5.603(b), by a factor of 2.4 (i.e., 120 percent of the AMI).

**VIII. Occupancy by Police Officers.**

PHCD may request HUD’s approval for units to be occupied by police officers to increase security for public housing residents.

**IX. Non-Smoking Policies.**

- B. PHCD may request approval for additional units to be placed under modernization.

d) Smathers Plaza – Phases 1 and 2

e) Martin Fine Villas

f) Modello Homes

3. It is anticipated that future development opportunities will be offered to develop existing public housing sites and/or vacant land sites through competitive solicitations.

**II. Improve community quality of life and economic vitality**

A. On May 5, 2023, PHCD requested that HUD approve a two-year extension for Public Housing's Designated Housing Plan, designating units for occupancy by elderly families only.

B. PHCD will continue developing partnerships with Resident Councils and other community partners.

C. PHCD will continue providing Section 3 business applications on-line, promoting Section 3 training, employment and contracting opportunities and increasing the number of Section 3 employed persons, in accordance with 24 CFR, Part 75.

**III. Ensure equal opportunity in housing for all Americans.**

A. The Voluntary Compliance Agreement (VCA) expired in January of 2019 and official notification from HUD of compliance is pending. B. Strategy for Addressing Housing Needs

1. Need: Shortage of affordable housing for all eligible populations

a) Strategy 1. Maximize the number of affordable units available to Miami-Dade County by and through its housing department Public Housing and Community Development Department (PHCD) within its current resources by:

- (1) Applying for additional vouchers if made available by HUD.
- (2) Seeking replacement of moderate rehabilitation units lost to the inventory through Section 8 Tenant Protection Vouchers.
- (3) Undertaking measures to ensure access to affordable housing among assisted families, regardless of unit size required.
- (4) Housing homeless persons through the Project-Based Voucher program, per PIH Notice 2013-15, subject to need and funding availability.
- (5) Participating in the Consolidated Plan development process to ensure coordination with broader community strategies.

b) Strategy 2: Increase the number of affordable housing units that reflect HUD and local requirements by:

- (1) Pursuing housing resources other than Section 8 tenant-based assistance.
- (2) Continuing the implementation of the Section 8 Homeownership and Project-based Voucher Programs, contingent on the availability of vouchers.

2. Need: Specific Family Types: Families at or below extremely low income (ELI) or very low income.  
Strategy: Target available assistance to ELI families.

3. Need: Specific Family Types: Families with Disabilities

Strategy: Target available assistance to applicants and residents with disabilities.

4. Need: Specific Family Types: Races or ethnicities with housing needs

Strategy: Increase awareness by complying with all HUD fair housing requirements.

5. Need: Reduce impediment to Fair Housing choice through education efforts

Strategy: Continue providing Fair Housing training to employees. Training is provided to staff on equal opportunities to applicants and participants regardless of their status as a victim of domestic violence, dating violence or stalking, actual or perceived sexual orientation, gender identity, gender expression, race, national origin, ethnic origin, color sex, religion, age, disability, familial status, marital status, ancestry, pregnancy or source of income.

**II. Deconcentration and Other Policies that Govern Eligibility, Selection, and Admissions.**

A. Deconcentration may include, but is not limited to, the following:

Not Applicable to HCV

B. Other Policies that Govern Eligibility, Selection, and Admissions

1. Eligibility

a) Eligibility is established as delineated in the Section 8 Administrative Plan.

2. Selection and Admission

a) Waiting List Organization

(1) PHCD selects applicants for the Housing Choice Voucher and Moderate Rehabilitation Programs from separate waiting lists.

(2) PHCD, subject to the Board of County Commissioners' approval, may elect to dissolve the waiting list as needed. Once the waiting list is dissolved, applicants who are on the waiting list at the time the waiting list dissolved shall keep their ranking and shall not be required to submit new applications during the open registration period. Notwithstanding the dissolution of the waiting list, applicants who are being processed prior to dissolution of the waiting list will continue to be processed by PHCD.

(3) PHCD, subject to the Board of County Commissioners' approval, may elect to open the waiting list if there are insufficient applicants for a particular bedroom size, type (e.g., general

occupancy, elderly designated buildings, accessible or non-accessible, or for one or more of the local preferences.

- (4) The opening and closing of registration periods will be advertised on social media platforms, newspaper publications and the radio for the purpose of reaching all segments of the community and providing advanced notice.
- (5) PHCD may choose from various options regarding when and how to open, administer, and populate the waiting, subject to approval by the Board.
- (6) Some of these options may include an exclusive electronic open waiting list, where ranking is based on the date and time of application or any applicable factors that the agency may adopt, subject to approval by the Board.
- (7) Placement on the Waiting List  
PHCD will determine the number of applications to be selected for placement on the waiting list based on historical and empirical data. The waiting list number represents the number of applications that need to be reviewed in order to result in the issuing of enough vouchers to absorb all underlying funding within a 12 to 18-month period. After that, subject to the Board of County Commissioners' approval, the list will be reopened.

PHCD will select applicants to be placed on the waiting list via an electronic drawing and random selection process. The applicants will be placed on the waiting list in order of the assigned numbers and according to PHCD admission preference(s) described in this chapter.

Those families not selected from the pool for placement on the waiting list will be sent a notice that they were not selected, informing that they may apply the next time PHCD's waiting list is open.

- (8) Subject to approval by the Board, PHCD proposes to establish site-based waiting lists for its Section 8 Project-Based Voucher Program and pursuant to the following policies:
  - Interested families will apply with PHCD.
  - Adopted admission preferences will be available for applicants to request during open registration.

Note that under the site-based waiting list approach, families apply for the properties that best meets their needs, such as access to employment, family support, school, public transportation, hospital, medical facility, etc. Implementing a site-based waiting list will expedite leasing process as families are only referred to properties, they expressed interest in residing.

- b) Initial Process
  - Subject to approval by the Board, existing applicant families on the community-wide 2021 tenant-based waiting list will be provided an opportunity to select and apply for the properties that best meets their needs prior to opening the waiting list to the general public.
- c) Search Time
  - The initial term of the Section 8 voucher continues to be 60 days from the date of voucher issuance. PHCD may extend the initial term for 60 additional days not to exceed an overall total of 120 days in accordance with the Section 8 Administrative Plan.
  - The voucher term may be extended beyond 120-day as a reasonable accommodation.

d) Admission Preference

(1) Admission preferences include:

PHCD may admit a family that is not on the waiting list or without considering the family's waiting list position if HUD awards targeted assistance for:

### RAD/Section 18 Blend Option and Site Configuration

#### I. RAD/Section 18 Blend Option

On January 19, 2021, HUD issued Notice PIH-2021-07, RAD Final Implementation, Revision 4. The notice discusses the tool available to the PHA for combining Section 18 of the Housing Act of 1937 and RAD in order to perform comprehensive rehabilitation or new construction of its housing. The notice states the following:

***“e. Blending Section 18 Disposition Approvals with Rental Assistance Demonstration (RAD) Conversion.*** *The PHA is converting a portion of the public housing units within a Converting Project and is replacing the units proposed for disposition with project-based Section 8 assistance within the Covered Project, as the terms “Converting Project” and “Covered Project” are defined in the RAD Final Implementation Notice Revision 4 (H-2019-09 PIH-2019-23 (HA)), as amended from time to time (the “RAD Notice”). The aggregate number of replacement units (RAD and project-based Section 8) must meet the RAD “substantial conversion of assistance” requirements.*

***(1) RAD/Section 18 Construction Blend.*** *The percentage of units eligible for disposition within the Converting Project is based on the hard construction costs, including general requirements, overhead and profit, and payment and performance bonds, proposed for the new construction or rehabilitation of the Covered Project. To be eligible, the proposed transaction may not use 9% Low Income Housing Tax Credits. The following sets forth the percentage of units eligible for disposition within the Converting Project based on the level of construction activity:*

*(a) If the hard construction costs are equal to or exceed ninety percent (90%) of the Housing Construction Costs as published by HUD for the given market area, at the PHA’s discretion up to sixty percent (60%) of the units in the Converting Project may be disposed of under Section 18. For high-cost areas, defined as those where HCC exceeds 120% of the national average,<sup>5</sup> at the PHA’s discretion up to eighty percent (80%) of the units in the Converting Project may be disposed of under Section 18.*

*(b) If the hard construction costs are equal to or exceed sixty percent (60%) but are less than ninety percent (90%) of the Housing Construction Costs as published by HUD for the given market area, at the PHA’s discretion up to forty percent (40%) of the units in the Converting Project may be disposed of under Section 18.*

*(c) If the hard construction costs are equal to or exceed thirty percent (30%) but are less than sixty percent (60%) of the Housing Construction Costs as published by HUD for the given market area, at the PHA’s discretion up to twenty percent (20%) of the units in the Converting Project may be disposed of Section 18.”*
