Subject: Office Lease Agreement between Miami-Dade County and Corporate Park of Miami, LLC, for Property located at 7785 NW 48 Street, Building H, 3rd Floor, Doral, Florida and an Assignment and Assumption of Lease Agreement to the State of Florida, Department of Health
Lease No.: 35-3022-008-0010-L02

Executive Summary

This item is for the approval of a Lease Agreement (“Lease”) between Corporate Park of Miami, LLC (“Landlord”), a Florida limited liability company, and Miami-Dade County (“County”), as tenant, for the property located at 7785 NW 48 Street, Building H, 3rd Floor, Doral, Florida (“Premises”). The Premises consists of approximately 5,513 square feet of air-conditioned office space and includes the right to use up to 28 unreserved parking spaces, along with the non-exclusive right to use the common areas of the property with other tenants. The proposed Lease is being entered into on behalf of the State of Florida Department of Health (“DOH”), which has been operating on the Premises since October 2012 at a rental rate of \$25.60 per square foot and has been in holdover status since October 1, 2022. The DOH utilizes the Premises to operate its Women, Infants, and Children’s (“WIC”) program and administrative offices. Upon Lease execution, the County will enter into an Assignment and Assumption of Lease with DOH. This Lease is not anticipated to have any negative fiscal impact to the County, as all expenses will be assumed by the DOH. Moreover, the DOH will pay 5 percent of rent (\$41,708.70) to the County for administration of the Lease. The County will have the right to terminate the Lease, without cause, by providing 120 days’ notice.

Recommendation

It is recommended that the Board of County Commissioners (“Board”) approve the Lease between the County and Corporate Park of Miami, LLC, a Florida limited liability company, for the use of the Premises to be utilized as general office space by the DOH, and an Assignment and Assumption of Lease Agreement between the County and the DOH because the DOH has been operating its WIC program in this location since 2012. Continuing to operate in this location serves an important public need by promoting community welfare without disruption of service. More specifically, the resolution does the following:

- Approves the Lease of approximately 5,513 square feet of office space, to include parking in common with other tenants for a term of 5 years (Attachment 1 to the Resolution); and
- Authorizes an Assignment and Assumption of Lease Agreement with the DOH (Exhibit E as part of Attachment 1 to the Resolution).

The Lease provides for a retroactive term commencing on the first day of May 2023. This is to cover the period between Landlord execution and approval by the Board.

Scope

The Premises is located in Commission District 12, which is represented by Commissioner Juan Carlos Bermudez. Written notice of the Lease was provided to the District Commissioner.

Fiscal Impact/Funding Source

This is a revenue generating Lease for the County.

The Internal Services Department (“ISD”) provides and receives compensation for lease management services in accordance with Resolution No. R-62-23. The total amount payable to the County for lease management fees for the five-year term is \$41,708.70. The lease management fee is equal to five percent of the base rent and is for the administration of the Lease.

The DOH will pay a total of \$834,174.07 (\$28.50 per square foot) in base rent to the Landlord for the five-year lease term. This is a full-service Lease. The annual base rent increases by three percent after the initial year. The DOH shall also pay a prorated share of the building’s operating expenses.

The total fiscal impact for rent and lease management fees from the DOH, for the five-year term, is estimated to be \$875,882.78. The performance of the DOH, including its obligation to pay under the Lease, is contingent upon an annual appropriation by the State of Florida legislature.

ISD has conducted an in-house survey of the comparable rental values in the area of the property to determine the subject property’s market rental value. The findings are provided below.

9850 NW 41 Street, Doral, Florida - \$25 per square foot on an annual basis. The tenant is responsible for all operating costs and expenses.

8750 NW 36 Street, Doral, Florida - \$24.50 per square foot on an annual basis. The tenant is responsible for all operating costs and expenses.

8400 NW 33 Street, Doral, Florida - \$31 per square foot on an annual basis. The tenant is responsible for all operating costs and expenses.

Track Record/County Monitor

The County has no record of negative performance issues with the Landlord. The Lease and the Assignment and Assumption of Lease Agreement were prepared by the Real Estate Development Division of the Internal Services Department. Cindy Ramos-Leal is the Lease Monitor.

The Landlord’s corporate representative is Warren Zinn, Manager.

Delegated Authority

This item authorizes the County Mayor or the County Mayor’s designee to execute the Lease and the Assignment and Assumption of Lease Agreement, and to exercise all other rights conferred therein.

Background

Resolution No. R-676-12, approved by the Board on September 4, 2012, authorized the previous lease agreement with the County, including the assignment of that lease agreement to the DOH for an initial term of five years, with one, five-year renewal option. The previous lease agreement expired on September 30, 2022. Since its expiration, the DOH has remained on the Premises on a month-to-month basis under the holdover provision with the Landlord’s permission, while the DOH sought approval to enter into a new lease. The County shall have the right to terminate the Lease early by providing the Landlord written notice of at least 120 days in advance of the termination date.
