Subject: Approval of Public Housing and Community Development Department's Public Housing Agency Capital Fund Program Plan for Fiscal Year 2023-2024

Executive Summary

The County through Public Housing and Community Development Department (PHCD) must develop a Capital Fund Program Plan (Plan) allocating capital funds provided by United States Department of Housing and Urban Development (HUD) for modernization and for management improvements of public housing developments. This item approves the Plan and authorizes the County Mayor or County Mayor's designee to submit the Plan to HUD on behalf of the County and make any revisions to the Plan subject to the limitations of the "Significant Amendment and Substantial Deviation" definition as defined in the Public Housing Agency (PHA) Plan for Fiscal Year 2023-2024 adopted on July 18, 2023 by the Board through Resolution No. R-695-23, or as may be required by regulation, statute, court order, or safety and security issues, without further approval of the Board

Recommendation

It is recommended that the Board of County Commissioners (Board):

1. Approve, after a public hearing, the Plan;
2. Authorize the County Mayor or County Mayor's designee to submit the Plan to HUD for final approval upon approval by the Board; and
3. Authorize the County Mayor or the County Mayor's designee to make any necessary revisions to the Plan subject to the limitations of the "Significant Amendment and Substantial Deviation" definition as defined in the Public Housing Agency (PHA) Plan for Fiscal Year 2023-2024 adopted on July 18, 2023 by the Board through Resolution No. R-695-23, or as may be required by regulation, statute, court order, or safety and security issues, without further approval of the Board.

Scope

The Plan includes the strategies for managing and making capital improvements to the federally subsidized public housing for the County's area of jurisdiction. The County's plan has a countywide impact.

Delegation of Authority

Upon approval of the resolution the County Mayor or County Mayor's designee will be authorized to: (1) submit the Plan to HUD for final approval; and (2) make any necessary

revisions to the Plan subject to the limitations of the “Significant Amendment and Substantial Deviation” definition, or as may be required by regulatory, statutory, court order or safety and security issues without further approval of the Board.

Fiscal Impact/Funding Source

Although the Plan includes a listing of the PHCD’s Capital Fund Program planned uses for the support of federal public housing, the approval of this item will not result in a fiscal impact to the County.

Track Record/Monitor

Alex R. Ballina, Director, PHCD, is responsible for administering the federally subsidized housing programs.

Background

HUD’s Public Housing CFP provides financial assistance to public housing agencies, such as the County, to fund eligible activities such as the development, financing, and modernization of public housing projects, including the redesign, reconstruction, and reconfiguration of public housing sites and buildings including compliance with the accessible design and construction requirements physical improvements to the public housing stock and developing public housing units to be added to the existing inventory. This financial assistance will help ensure the County’s public housing developments are safe, accessible and resilient to climate shocks and stresses.

With HUD approval, the County may also leverage its public housing inventory by borrowing additional capital on the private market and pledging a portion of its annual Capital Funds for debt service. The CFP also provides financial assistance to develop public housing, including mixed-finance developments that contain public housing units.

As required by the federal regulations governing the CFP, the County must submit a Board-approved CFP 5-Year Action Plan at least once every 5 years. However, the County may choose to submit a CFP Rolling 5-Year Action Plan every year. On February 7, 2023, the Board adopted Resolution No. R-66-23, which approved the County’s CFP Rolling 5-Year Action Plan for Fiscal Years 2023-2027. The purpose of the current plan is to create a new Rolling 5-Year Action Plan covering 2023-2028 as required (Attachment 1).

The Plan was made available for public review and comments during a 45-day comment period from September 7, 2023, through October 21, 2023, (attached to the resolution as Exhibit 1). These documents were distributed to and posted at the PHCD’s administrative offices, site offices, and to members of the PHCD’s resident advisory board. Additionally, as part of the update and vetting process of these documents, the Department held a meeting with the resident advisory board on September 25, 2023. The PHCD may also revise the Plan to incorporate public such comments and present revisions to the Board prior to approval.
