Subject: Recommendations for Contract Awards Under Fiscal Year 2023 Ending the HIV Epidemic: A Plan for America—Ryan White HIV/AIDS Program Parts A and B Cooperative Agreement Request for Proposals (RFP) No. EHE-2223, “Ending the HIV Epidemic (EHE) HealthTec, Quick Connect, Housing Stability, and Mobile GO Teams Services”

Executive Summary

This item approves the County Mayor’s recommendations awarding three-month prorated contracts to subrecipients identified in Exhibit A attached to the resolution in the combined total annualized amount of \$4,487,068.00 for “Ending the HIV Epidemic (EHE) HealthTec, Quick Connect, Housing Stability, and Mobile GO Teams Services” under Fiscal Year 2023 Ending the HIV Epidemic: A Plan for America—Ryan White HIV/AIDS Program Parts A and B Cooperative Agreement. This item further authorizes the County Mayor or County Mayor’s designee to negotiate and execute initial contracts for approximately three months with the subrecipients, and in the amounts set forth therein, with an effective date of December 1, 2023 through February 29, 2024, to coincide with the annual federal grant budget period, in accordance with RFP No. EHE-2223 “Ending the HIV Epidemic (EHE) HealthTec, Quick Connect, Housing Stability, and Mobile GO Teams Services.”

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached resolution, which does the following:

- (1) Approves prorated contract award recommendations for a three-month period totaling an annualized amount of approximately \$4,487,068.00 in funding, which was received in March 2023 by Miami-Dade County (County) from the U.S. Department of Health and Human Services, Health Resources and Services Administration (HHS) for EHE HealthTec, Quick Connect, Housing Stability, and Mobile GO Teams Services;
- (2) Authorizes the County Mayor or County Mayor’s designee, on behalf of Miami-Dade County, to negotiate and execute initial contracts for approximately three months with the subrecipients identified in Exhibit A attached to the resolution at prorated amounts (i.e., issue contract awards for 1/12th of the amounts identified in Exhibit A each month for three months) with an effective date of December 1, 2023 through February 29, 2024 in accordance with RFP No. EHE-2223, “Ending the HIV Epidemic (EHE) HealthTec, Quick Connect, Housing Stability, and Mobile GO Teams Services”;
- (3) Authorizes the County Mayor or County Mayor’s designee to exercise amendment, provisions, including, but not limited to, to increasing or decreasing the award as allowable through the Ryan White Program’s reallocation/sweeps process described below to maximize grant fund expenditures, making changes to such contracts to comply with applicable laws, regulations and directives from HHS, and make such other amendments that are consistent with the Board’s resolution, and exercise termination provisions and all other rights contained in said contracts after approval by the County Attorney’s Office;

- (4) Authorizes the County Mayor or County Mayor's designee to annualize the initial three-month contract award amounts (i.e., adjust the awarded amounts from an approximately 3-month budget period to a 12-month budget period in the annualized amounts identified in Exhibit A attached to the resolution) in the remaining year(s) of the options to renew; and
- (5) Waives the requirements of Resolution No. R-130-06, which requires contracts to be signed by non-County parties and attached to the agenda item before placement on the Board's agenda, because the County Mayor or the County Mayor's designee, upon approval of this item and award of grant funding by HHS, will need time to negotiate and execute contracts with each of the subrecipients.

Scope

The impact of this resolution is countywide as the HIV/AIDS-related interventions and services will be provided to people with HIV residing throughout Miami-Dade County.

Through funding provided by HHS, the selected subrecipients will provide HealthTec, Housing Stability, and Mobile GO Teams Services to program-eligible people with HIV. HealthTec services relate to telehealth services. Telehealth technology facilitates access to medical care, medical case management, mental health counseling, substance use disorder services, prescription drugs, and other services as appropriate; simplifies follow-up care; and helps remove barriers to treatment adherence. Housing Stability Services will utilize a "housing is healthcare" and housing-first approach for people with HIV to provide rental and utility subsidies, moving incidentals, linkage to additional services, vocational and life skills support, and case management to develop and implement a plan to ensure ongoing housing stability. Mobile GO Teams services will support the activities of the Florida Department of Health in Miami-Dade County's (FDOH-MDC) Disease Intervention Specialists, through mobile response units, by 1) increasing the Recipient's ability to rapidly respond to HIV transmission clusters in the community using the local Test and Treat / Rapid Access (TTRA) model, and 2) providing rapid access to care and treatment to identified clients not in care.

Delegation of Authority

Upon adoption of the resolution, the County Mayor or County Mayor's designee will be authorized to negotiate and execute the contracts with the subrecipients, amend such contracts to increase or decrease the award as allowable through the Ryan White Program's reallocation/sweeps process described below to maximize grant fund expenditures, make changes to such contracts to comply with applicable laws, regulations and directives from HHS, make such other amendments that are consistent with the Board's resolution, and exercise termination provisions and all other rights contained in said contracts after approval by the County Attorney's Office. Although each of the contracts for HealthTec and Housing Stability Services includes up to one, one-year option to renew, and up to six one-year options to renew for Mobile GO Teams, the exercise of this renewal option is subject to annual award of grant funds from HHS to the County and approval from the Board to enter into renewal contracts with each of the subrecipients.

Fiscal Impact

This item does not have a fiscal impact on the County as it allocates \$4,487,068.00 of federal grant funding and no County funds are required as a match for this grant.

Track Record/Monitoring

The Office of Management and Budget (OMB) – Grants Coordination Division has been designated as the County department responsible for entering into contracts with nonprofit community-based organizations that will provide the above-mentioned services to people with HIV in Miami-Dade County. Daniel T. Wall, Assistant Director of OMB, is the Program Director for this project and will be responsible for monitoring these contracts for compliance with all programmatic, fiscal and administrative requirements.

Background

In August 2019, the County was notified that HHS was accepting applications for a cooperative agreement covering Fiscal Years 2020-2025 under the Ending the HIV Epidemic: A Plan for America — Ryan White HIV/AIDS Program Parts A and B initiative. The purpose of this program initiative is to focus resources in 48 counties, Washington, D.C., San Juan, Puerto Rico, and seven states with substantial HIV burden (hereafter referred to as “jurisdictions”) to implement strategies, interventions, approaches and core medical and support services to reduce new HIV infections in the United States. The overarching goal for this initiative is to reduce new HIV infections in the United States to less than 3,000 cases per year by 2030. These efforts will be achieved in conjunction with the existing Ryan White HIV/AIDS Program Part A funding, which the County has been a recipient of for the past 30 years.

The County continues to have the highest rate of new HIV infections in the nation. As such, the County qualified as one of 48 counties nationwide and one of only 12 jurisdictions that were eligible for Tier 1 funding, the highest level available, under the EHE initiative.

As authorized by Resolution No. R-245-20, the County applied for funding to address the following two pillars, or key strategies, of this initiative:

- Pillar Two: Treat people with HIV rapidly and effectively to reach sustained viral suppression; and
- Pillar Four: Respond quickly to potential HIV outbreaks to get needed prevention and treatment services to people who need them.

The County was not eligible to apply for funds under the remaining two pillars (Pillar One: Diagnose and Pillar Three: Prevent). FDOH applied for Centers for Disease Control and Prevention funds under separate processes for Pillars One and Three.

Building on the successes of the County’s Ryan White Part A Program and the FDOH’s collaborative HIV linkage and treatment project, known as the TTRA model, funding the proposed EHE projects will allow the County to improve the local HIV Care Continuum for all people with HIV who reside in the County, not only those served in the Part A Program. Funding will help the community by: (1) informing the HIV community of available resources and removing barriers to care; (2) increasing organizational capacity of Part A and non-Part A service providers; (3) disseminating information that promotes the benefits of HIV treatment; and (4) improving data infrastructure, sharing and system linkages to avoid duplication of efforts across funding sources, drive interventions and measure project successes.

As a result of the solicitation, EHE subrecipients will utilize existing evidence-based or evidence-informed interventions, as well as local innovative strategies, to address the EHE Pillar Two (Treat), as follows: (1) telehealth access to core medical services for those who experience treatment adherence difficulties (transportation, stigma, etc.) and (2) transitional, short-term, or emergency housing assistance to enable people with HIV to gain or maintain critical outpatient / ambulatory health services and treatment, including temporary assistance necessary to prevent homelessness and to gain or maintain access to medical care. EHE subrecipients will address Pillar Four (Respond) by deploying mobile response teams to conduct outreach in high HIV incidence zip codes (also known as “hotspots”) and hardest to reach client populations (e.g., people who are experiencing homelessness or unstably housed) to provide onsite medical assessments to identify people with HIV who are not in care and link them to care and treatment; and administer the new injectable ART treatment regimens using the TTRA model.

The RFP had one Evaluation/Selection Committee of five voting members that met on July 24, 2023, to review proposals received from seven provider organizations for three service categories. The amount available for direct client services solicited in the RFP was approximately \$8 million. The allocations presented in Exhibit A total \$4,487,068.00 and reflect the recommendations of the Evaluation/Selection Committee. Attachments A.1 through A.4 detail the organizations that applied for funding through the RFP, along with the proposal rankings and average scores by service category. If approved by the Board, each organization will be awarded 1/12th of the amounts shown on Attachments A.2 through A.4 each month for three months. None of the organizations have appealed the recommendation of the County Mayor. Upon approval of this resolution, the County Mayor or County Mayor’s designee will negotiate the contracts with each of the organizations. A sample of the contract to be negotiated with each subrecipient is attached to the resolution as Exhibit B.

Reallocation/Sweeps Process

Due to federal requirements, all grant funds must be spent prior to the end of each grant period. In order to ensure that all funds are expended in accordance with this requirement, the attached resolution authorizes the County Mayor or County Mayor’s designee to amend the contracts with the subrecipients to increase or reduce the amounts of their contracts through a reallocation/sweeps process. This process will be used by the County to move unspent funds from one service category to another to address unmet needs and maximize expenditures. Award of additional funds is subject to availability, is not guaranteed, and may not carry over into the following grant fiscal year. During this process, the OMB Ryan White Program Office will monitor the grant’s unobligated or unexpended balance regularly by reviewing monthly reimbursement requests from all subrecipients contracted under the RFP to assure timely expenditure of contracted funds. At least once per grant fiscal year, a reallocation/sweeps process may be conducted which may result in the review of each funded service provider’s expenditure history and the projection of each service provider’s ability to spend down grant dollars within the remainder of the grant budget period. As a result of this review, if the Ryan White Program Office believes that a service provider will not be able to spend down their award within the grant budget period, the service provider will be notified that their funding level for the year is at risk of being reduced and monies may be “swept” and re-allocated to other service categories of other EHE-funded subrecipients that have concurrently provided the Ryan White Program Office with justifications of unmet need and request for additional funding.

Subrecipients facing a proposed reduction are given the opportunity to address the proposed reduction prior to final action by the County. Once the total amount of funds to be reduced is calculated, as well as the amount of funds requested to address unmet needs, these calculations by service category will be reviewed by OMB to fulfill their responsibility to re-allocate funds to service categories and geographic areas that are experiencing unmet needs, as well as to address an increase in clients and/or service utilization. By using the results of the reallocations/sweeps process, the County assures that grant funds follow the clients and the program services they use.

The County Mayor or County Mayor's designee's authority to reallocate or reduce funding through the process described above without further approval of the Board is appropriate and necessary for two reasons. First, the County must facilitate the reprioritization of EHE funds that are projected to be unexpended and, second, HHS conditions receipt of additional funds contingent upon the rapid reprioritization and reallocation of these dollars to subrecipients that are able to spend additional monies prior to the end of the grant period by providing additional services to program clients.

Due Diligence Review

In accordance with Resolution No. R-187-12, a due diligence review was conducted of all proposers who responded to the RFP. The seven proposing organizations had no adverse findings.

quality of care and client health outcomes, and for establishing methods of maintaining and improving quality in service delivery. Through its own internal performance improvement and quality management activities, the SUBRECIPIENT shall be expected to identify problems in service delivery and business operations that may impact the health status of program-eligible people with HIV served under this Agreement.

Written notification must include the nature of the changes, actions taken by the SUBRECIPIENT toward implementation of the change(s), and the effective date. This provision includes, but is not limited to, change in service schedule, service location(s), or any other change to service operations that may have an impact on service delivery or client access to services funded under this Agreement.

- FF. To ensure that the SUBRECIPIENT's Board of Directors or Trustees are apprised of the programmatic, fiscal, and administrative obligations of the EHE cooperative agreement, the Board of Directors or Trustees must pass a formal resolution authorizing execution of this Professional Services Agreement with the COUNTY for EHE-funded services. - JJ. Disaster Plan/Continuity of Operations Plan (COOP). The SUBRECIPIENT shall develop and maintain a Disaster Plan/COOP. At a minimum, the Plan will describe how the SUBRECIPIENT establishes and maintains an effective response to emergencies and disasters, and must comply with any Emergency Management related Florida Statutes or COUNTY requirements applicable to the SUBRECIPIENT. Any revisions or updates to the previously submitted Disaster Plan/COOP must be submitted to the COUNTY within sixty (60) calendar days of contract execution and is also subject to review and approval of the COUNTY in its sole discretion. The SUBRECIPIENT will review the Plan annually, revise it as needed, submit revised copies to the COUNTY, and maintain a written copy on file at the SUBRECIPIENT's site. The Disaster Plan/COOP and its updates are also subject to review by the COUNTY during monitoring site visits. If there are no changes to the Disaster Plan/COOP after the annual review, SUBRECIPIENT will notify the COUNTY of such in writing.
- KK. The SUBRECIPIENT agrees to abide by Chapter 11A of the Code of Miami-Dade County ("County Code"), as amended, which prohibits discrimination in employment, housing and public accommodations on the basis of race, color, religion, ancestry, national origin, sex, pregnancy, age, disability, marital status, familial status, gender identity or gender expression, sexual orientation status as a victim of domestic violence, dating violence or stalking, or source of income (housing only); Title VII of the Civil Rights Act of 1968, as amended, which prohibits discrimination in employment and public accommodation; the Age Discrimination Act of 1975, 42 USC § 6101 et seq., as amended, which prohibits discrimination in employment because of age; the Rehabilitation Act of 1973, 29 USC § 794, as amended, which prohibits discrimination on the basis of disability; the Americans with Disabilities Act, 42 USC § 12101 et seq., as amended, which prohibits discrimination in employment and public accommodations because of disability; the Federal Transit Act, 49 USC § 5301, et. seq., as amended; and the Fair Housing Act, 42 USC § 3601 et seq. It is expressly understood that the SUBRECIPIENT must submit an affidavit (see Exhibit C, Attachment A, page 2, of this Agreement) attesting that to the best of the SUBRECIPIENT's knowledge it is not in violation of the Acts. If the SUBRECIPIENT or any owner, subsidiary, or other firm affiliated with or related to the SUBRECIPIENT is found by the responsible enforcement agency, the Courts or the COUNTY to be in violation of these acts, the COUNTY will conduct no further business with the SUBRECIPIENT.

Any contract entered into based upon a false affidavit shall be voidable by the COUNTY. If the SUBRECIPIENT violates any of the Acts during the term of any contract the SUBRECIPIENT has with the COUNTY, such contract shall be

voidable by the COUNTY, even if the SUBRECIPIENT was not in violation at the time it submitted its affidavit.

Failure to comply with this local law may be grounds for voiding or terminating this Agreement or for commencement of debarment proceedings against the SUBRECIPIENT.

- LL. Background Screening. As a requirement of this Agreement, even if such screening is not otherwise required by applicable law, the SUBRECIPIENT agrees to ensure that employees, subcontractors, volunteers, and independent contractors that work directly with, or who may come into direct contact with, youths under 18 years of age, persons ages 65 years old and older, persons of any age that have disabilities, victims of domestic violence, and/or any vulnerable persons, as defined by section 435.02, Florida Statutes, satisfactorily complete and pass Level 2 background screening before working or volunteering with such persons.

Upon request or during a monitoring site visit, SUBRECIPIENT shall furnish the COUNTY with proof that such employees, subcontractors, volunteers, and independent contractors satisfactorily passed Level 2 background screening, pursuant to chapter 435, Florida Statutes, as may be amended from time to time. If the SUBRECIPIENT fails to furnish to the COUNTY proof that an employee, subcontractor, volunteer, or independent contractor's Level 2 or other required background screening was satisfactorily passed and completed prior to that employee, subcontractor, volunteer, or independent contractor working or volunteering with or in the vicinity of youths under 18 years of age, persons ages 65 years old and older, persons of any age that have disabilities, victims of domestic violence, and/or any vulnerable persons, the COUNTY shall not disburse any further grant funds and this Agreement may be subject to termination at the sole discretion of the COUNTY.

As a requirement of this Agreement, even if such screening is not otherwise required by applicable law, the SUBRECIPIENT agrees to conduct pre-employment criminal background screenings of all its employees, subcontractors, volunteers, and independent contractors who are providing services in accordance with this Agreement; to update those background checks at least once every five (5) years; and to maintain documentation of the criminal background screening on file.

Where applicable, SUBRECIPIENT will permit only employees, subcontractors, volunteers, and independent contractors with a satisfactory national criminal background check conducted through an appropriate screening agency (i.e., the Florida Department of Juvenile Justice, Florida Department of Law Enforcement or Federal Bureau of Investigation), to work or volunteer in direct contact with or in the vicinity of youths under 18 years of age, persons ages 65 years old and older, persons of any age that have disabilities, victims of domestic violence, and/or any vulnerable persons. The SUBRECIPIENT shall also comply with Section 943.059, Florida Statutes, regarding court-ordered sealing of criminal history records, and

Section 943.0585, Florida Statutes, regarding court-ordered expunction of criminal history records, as may be applicable.

Where applicable, the SUBRECIPIENT agrees to comply with all federal, state, and local laws, regulations, ordinances, and resolutions regarding any and all background screenings of its employees, volunteers, subcontractors, and independent contractors, including, but not limited to: chapters 39, 393, 394, 397, 402, 408, 409, 435, 984, 985, 1012, Florida Statutes, as may be amended from time to time.

Upon request, primarily during monitoring site visits or at any time determined by the COUNTY, the SUBRECIPIENT shall furnish the COUNTY with proof that employees and subcontracted personnel who work with vulnerable persons, satisfactorily passed Level 2 background screening, pursuant to chapter 435, Florida Statutes, as may be amended from time to time.

SUBRECIPIENT's failure to comply with any applicable laws, regulations, ordinances and resolutions regarding background screening of employees, volunteers, subcontractors, and independent contractors is grounds for a material breach and termination of this contract at the sole discretion of the COUNTY.

For purposes of this subsection LL, the following terms shall mean:

- (1) "Vulnerable person" means a minor as defined in section 1.01, Florida Statutes, or a vulnerable adult as defined in section 415.102(28), Florida Statutes.
- (2) "Minor" includes any person who has not attained the age of 18 years.
- (3) "Vulnerable adult" means a person 18 years of age or older whose ability to perform the normal activities of daily living or to provide for his or her own care or protection is impaired due to a mental, emotional, sensory, long-term physical, or developmental disability or dysfunction, or brain damage, or the infirmities of aging.

Additionally, and if applicable, SUBRECIPIENT shall comply with the Level 2 screening requirements set forth in section 413.208, Florida Statutes.

In the event criminal background screenings are required by law, the State of Florida and/or the COUNTY, the SUBRECIPIENT will permit only employees and subcontractors with a satisfactory national criminal background check through an appropriate screening agency (i.e., the Florida Department of Juvenile Justice, Florida Department of Law Enforcement, or Federal Bureau of Investigation) to work in direct contact with vulnerable persons.

SUBRECIPIENT must maintain policy and procedures related to Level 2 Background Screening to include the requirements stated in this subsection (LL). To prove SUBRECIPIENT conducted its due diligence if a person whose background screening revealed concerns and was subsequently hired,

SUBRECIPIENT must document in the affected personnel record the steps taken to address those concerns and provide an exemption, in accordance with Florida Statutes and the SUBRECIPIENT's policy and procedures.

- MM. To adhere to the Consolidated Appropriations Act, 2022, § 202, (Public Law 117-103), enacted March 15, 2022, subject to annual changes, which limits the salary amount that may be awarded and charged to HRSA grants and cooperative agreements. None of the grant funds available herein shall be used to pay the salary of an individual, through a grant or other extramural mechanism, at a rate in excess of Executive Level II. Accordingly, as of the date of this Agreement, HRSA grant funds may not be used to pay the salary of an individual at a rate in excess of \$203,700.00 (the Executive Level II salary of the Federal Executive Pay scale effective January 1, 2022). This amount reflects an individual's base salary exclusive of fringe benefits and any income that an individual may be permitted to earn outside of the duties to the applicant organization. This salary limitation also applies to subawards/ subcontracts under a U.S. Department of Health Resources and Services Administration (HRSA) grant or cooperative agreement.

The salary limitation does not apply to payments made to consultants under this award although, as with all costs, those payments must meet the test of reasonableness and be consistent with institutional policy.

The SUBRECIPIENT's award amount will not necessarily be recalculated to adjust for necessary reductions in salaries included in the proposal or continuation contract line item budget. It is important to note that an individual's base salary, per se, is NOT constrained by the legislative provision for a limitation of salary. The rate limitation simply limits the amount that may be awarded and charged to HRSA grants and cooperative agreements.

- NN. CareerSource South Florida. Where applicable, pursuant to section 2-2113 of the Code of Miami-Dade County and Miami-Dade County Implementing Order No. 3-58, for all contracts for goods and services, the SUBRECIPIENT, prior to hiring to fill each vacancy arising under a COUNTY contract shall (1) first notify the South Florida Workforce Investment Board ("SFWIB"), the designated Referral Agency, of the vacancy and list the vacancy with SFWIB according to the Code, and (2) make good faith efforts as determined by the COUNTY to fill a minimum of fifty percent (50%) of its employment needs under the COUNTY contract through the SFWIB. If no suitable candidates can be employed after the Referral Period of three (3) to five (5) business days, the successful Bidder is free to fill its vacancies from other sources. Successful Bidders will be required to provide quarterly reports to the SFWIB indicating the name and number of employees hired in the previous quarter, or why referred candidates were rejected. Sanctions for non-compliance shall include, but not be limited to: (i) suspension of contract until Contractor performs obligations, if appropriate; (ii) default and/or termination; and (iii) payment of \$1,500.00/employee, or the value of the wages that would have been earned given the non-compliance, whichever is less. Registration procedures and additional information regarding the FSHRP are available at www.careersourcesfl.com or by contacting the SFWIB (i.e., CareerSource South Florida) at (305) 594-7615.

OO. Where applicable, pursuant to Miami-Dade County Resolution No. R-478-12, Miami-Dade County is prohibited from contracting with any food program that uses meat products that contain “pink slime” – low-grade beef trimmings commonly added to ground beef. The COUNTY took such action in response to customer concerns regarding possible health risks by urging its food distribution providers and meal providers, including those who are Ryan White Program-funded, to immediately discontinue using meat products that contain those low grade beef trimmings. As a result, where applicable (i.e., food bank and residential substance abuse subrecipients), SUBRECIPIENT must confirm that they are not using “pink slime” in the food or meals that they distribute prior to contract execution. An electronic copy of Resolution No. R-478-12 may be obtained at the following website:

<http://www.miamidade.gov/govaction/matter.asp?matter=120798&file=true&yearFolder=Y2012>.

PP. If applicable, the use of grant funds for incentives in the form of gift cards to participants (planning council or committee members, existing program clients, or potential clients) must be submitted as a Prior Approval request to the COUNTY. The COUNTY will subsequently be required to submit a Prior Approval request to HRSA through the Electronic Handbook. Gift cards may not be in the form of a pre-paid credit card. See Article VI, Section 6.12 of this Agreement for additional information on unallowable use of general-use prepaid cards.

The following restriction applies: Recipients of gift card incentives must sign a statement acknowledging and agreeing to the purpose(s) of and restrictions on the incentive. Unallowable uses include, but are not limited to, the purchase of alcohol, tobacco, illegal drugs, or firearms. Gift cards may not be redeemed for cash.

QQ. Pursuant to section 119.0701, Florida Statutes, the SUBRECIPIENT shall:

- (2) Upon request from the COUNTY’S custodian of public records identified herein, provide the COUNTY with a copy of the requested records or allow the public with access to the public records on the same terms and conditions that the COUNTY would provide the records and at a cost that does not exceed the cost provided in the Florida Public Records Act, Miami-Dade County Administrative Order No. 4-48, or as otherwise provided by law;
- (3) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of this Agreement’s term and following completion of the services under this Agreement if the SUBRECIPIENT does not transfer the records to the COUNTY; and

- (4) Meet all requirements for retaining public records and transfer to the COUNTY, at no COUNTY cost, all public records created, received, maintained and/or directly related to the performance of this Agreement that are in possession of the SUBRECIPIENT upon termination of this Agreement. If SUBRECIPIENT transfers all public records to the COUNTY upon completion of this Agreement, the SUBRECIPIENT shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the SUBRECIPIENT keeps and maintains public records upon completion of this Agreement, the SUBRECIPIENT shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the COUNTY, upon request from the COUNTY's custodian of public records, in a format that is compatible with the information technology systems of the COUNTY.

For purposes of this Article, the term "public records" shall mean all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received pursuant to law or ordinance or in connection with the transaction of official business of the COUNTY.

In addition to penalties set forth in Section 119.10, Florida Statutes, for the failure of the SUBRECIPIENT to comply with Section 119.0701, Florida Statutes, and this Article II, Section 2.1 (QQ) of this Agreement, the COUNTY shall avail itself of the remedies set forth in Article XV and Article XVII of this Agreement.

IF THE SUBRECIPIENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE SUBRECIPIENT'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE COUNTY'S CUSTODIAN OF PUBLIC RECORDS AT:

- RR. To adhere to 41 USC § 4712, "Enhancement of Contractor Protection From Reprisal For Disclosure Of Certain Information" (i.e., Whistleblower Protection), which applies to all employees working for contractors, grantees (recipients), subcontractors, and subgrantees (subrecipients) on federal grants and contracts. This program requires all grantees, their subgrantees, and subcontractors to:

- (1) Inform their employees working on any federal award [that] they are subject to the whistleblower rights and remedies of the pilot program;
- (2) Inform their employees in writing of employee whistleblower protections under 41 USC § 4712 in the predominant native language of the workforce; and,
- (3) Contractors and grantees will include such requirements in any agreement made with a subcontractor or subgrantee.

This statute (41 USC § 4712) states that an “employee of a contractor, subcontractor, grantee, or subgrantee or personal services contractor may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing to a person or body described in paragraph (2) [of this code] information that the employee reasonably believes is evidence of gross mismanagement of a Federal contract or grant, a gross waste of Federal funds, an abuse of authority relating to a Federal contract or grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a Federal contract (including the competition for or negotiation of a contract) or grant.” In addition, whistleblower protections cannot be waived by any agreement, policy, form, or condition of employment.

Furthermore, awards issued under HRSA Funding Opportunity Announcements are subject to the requirements of 48 CFR § 3.908 et seq. A standard term and condition of award requires that grantees inform their employees in writing of employee whistleblower rights and protections under 41 USC § 4712 in the predominant native language of the workforce. (Regarding 48 CFR § 3.908 et seq., note that use of the term “contract,” “contractor,” “subcontract,” or “subcontractor” for the purpose of this term and condition, should read as “grant,” “grantee,” “subgrant,” or “subgrantee.”). The details of 41 USC § 4712 can be found at the following website:

[https://uscode.house.gov/view.xhtml?req=\(title:41%20section:4712%20edition:pr elim\)](https://uscode.house.gov/view.xhtml?req=(title:41%20section:4712%20edition:pr elim)).

These guidelines apply to the SUBRECIPIENT and to all its procurement actions involving covered items under the regulations, where the SUBRECIPIENT purchases \$10,000.00 or more worth of one of the covered items during the course of a fiscal year, or where the cost of such items or of functionally equivalent items purchased during the preceding fiscal year was \$10,000.00 or more.

This guideline applies to Federal, State, and local agencies using appropriated Federal funds to procure designated items, and to persons contracting with any such agencies with respect to work performed under such contracts.

- UU. The SUBRECIPIENT must maintain “active” supplier (vendor) status with Miami-Dade County’s Internal Services Department, Procurement Management Division, as evidenced by the SUBRECIPIENT’s submission of a vendor application package, to be updated as needed. Prior to contract and amendment execution, OMB staff will obtain a screen print of the SUBRECIPIENT’s “active” vendor status from the COUNTY’s INtegrated Financial Resources Management System (INFORMS) for monitoring purchases of services and payment processing to vendors, or any subsequent accounting system the COUNTY may use. Through the official minutes of its appropriate committee meetings or through an official certification from the Board Secretary or Secretary of the Trustees, the SUBRECIPIENT must maintain documentation and provide the COUNTY with proof that it has been sharing the results of all COUNTY monitoring reports with the Board members. Meeting minutes must include the date on which the committee met, a copy of the corresponding meeting agenda, and an attestation that quorum was achieved at the committee meeting. Such meeting minutes may be redacted to show only those portions or actions relating to this Agreement and COUNTY monitoring reports.
- WW. More detail regarding this requirement can be found at: www.miamidade.gov/aopdfdoc/aopdf/pdf/AO3-15.pdf.
- XX. To comply with the requirements of 45 CFR § 75.213, as may be amended, which includes regulations that restrict awards, subawards and contracts with certain parties that are debarred, suspended or otherwise excluded from or ineligible for participation in Federal assistance programs or activities. Compliance includes that lower-tier participants (i.e., subcontractors) of covered transactions are not debarred, suspended or otherwise excluded from or ineligible for participations in

Federal assistance programs or activities. In order to identify if a person is excluded under these regulations, SUBRECIPIENT must check the U.S. Government's System for Award Management Exclusions (SAM Exclusions) at <https://www.sam.gov> (under Entity Information, Advanced Search).

- YY. To make all files, including captioning, audio descriptions, videos, tables, graphics/pictures, registration forms, presentations (both audio and video) or other types of proprietary format files – e.g., Adobe Portable Document Format (.pdf), Microsoft Office PowerPoint (.ppt), and Microsoft Excel (.xls), fully accessible to members of the public with disabilities. In accordance with 45 CFR § 75.322(b), HRSA/HAB reserves a royalty free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the developed work, item, document, etc. for Federal purposes, and to authorize others to do so.

Article III
Authority of the County's Program Director

- 3.1 The SUBRECIPIENT hereby acknowledges that the COUNTY's Program Director will determine in the first instance all questions of any nature whatsoever arising out of, under, or in connection with, or in any way related to or on account of, this Agreement including without limitations: questions as to the value, acceptability and fitness of the Services; questions as to either party's fulfillment of its obligations under the Agreement; negligence, fraud or misrepresentation before or subsequent to acceptance of the Proposal or Agreement; questions as to the interpretation of the Scope of Service(s); and claims for damages, compensation and losses.
- 3.2 The SUBRECIPIENT shall be bound by all determinations or orders made by the Program Director or designated representative, and shall promptly comply with such determinations or orders, including the withdrawal or modification of any previous order and regardless of whether the SUBRECIPIENT agrees with the Program Director's determination or order.

Where orders are given orally, they will be issued in writing by the Program Director, or designated representative, as soon thereafter as is practicable.

- 3.3 The SUBRECIPIENT must, in the final instance, seek to resolve every difference concerning the Agreement with the Program Director. In the event that the SUBRECIPIENT and the Program Director are unable to resolve their difference, the SUBRECIPIENT may initiate a dispute in accordance with the procedures set forth in this Article. Exhaustion of these procedures shall be a condition precedent to any lawsuit permitted hereunder.
- 3.4 In the event of such dispute, the parties to this Agreement authorize the County Mayor or the County Mayor's designee, who may not be the Program Director or anyone associated with this Program, acting personally, to decide all questions arising out of, under, or in connection with, or in any way related to or on account of the Agreement (including but not limited to claims in the nature of breach of contract, fraud or misrepresentation arising either before or subsequent to execution hereof) and the decision of each with respect to matters within the County Mayor or the County Mayor's designee's purview as set forth above shall be conclusive, final and binding on parties. Any such dispute shall be brought, if at all, before the County Mayor or the County Mayor's designee within ten (10) business days of the occurrence, event or act out of which the dispute arises.
- 3.5 The County Mayor or the County Mayor's designee may base this decision on such assistance as may be desirable, including advice of experts, but in any event shall base the decision on an independent and objective determination of whether SUBRECIPIENT's performance or any deliverable meets the requirements of this Agreement and any specifications with respect thereto set forth herein. The effect of any decision shall not be impaired or waived by any negotiations or settlements or offers made in connection with the dispute, whether or not the County Mayor or the County Mayor's designee participated therein, or by any prior decision of others, which prior decision shall be deemed subject to review, or by any termination or cancellation of the Agreement. All such disputes shall be submitted in writing by the SUBRECIPIENT to the County Mayor or the County Mayor's designee for a decision, together with all evidence and other pertinent information in regard to such questions, in order that a fair and impartial decision may be made. Whenever the County Mayor or the County Mayor's designee is entitled to exercise discretion or judgment or to make a determination or form an opinion pursuant to the provisions of this Article, such action shall be fair and impartial when exercised or taken. The County Mayor or the County Mayor's designee, as appropriate, shall render a decision in writing and deliver a copy of the same to the SUBRECIPIENT. Except as such remedies may be limited or waived elsewhere in the Agreement, SUBRECIPIENT reserves the right to pursue any remedies available under law after exhausting the provisions of this Article.

Article IV **Responsibilities of the County**

The COUNTY agrees:

- 4.1 To monitor the operations of the SUBRECIPIENT, according to Federal and local guidelines and requirements, including, but not limited to, 45 CFR § 75.351 – 353, in order

- to determine compliance with the terms and conditions of this Agreement, that the award is used for authorized purposes, that subrecipient expenditures adhere to legislative mandates regarding the distribution of funds, and to report the findings to the SUBRECIPIENT and, if appropriate, to the Miami-Dade County Board of County Commissioners or Commission Auditor.
- 4.2 To establish a quality management program to assess the extent to which HIV healthcare services provided to clients under this Agreement are consistent with the most recent Public Health Service (PHS) guidelines and the measures in the Health Resources and Services Administration's "HIV/AIDS Bureau's (HAB) Revised Performance Measure Portfolio", as may be amended. This portfolio includes the following measures, where applicable and where adopted by the Miami-Dade HIV/AIDS Partnership, as well as any subsequent performance measures disseminated by HAB during this contract period: Core, All Ages, Adolescent/Adult, HIV-Infected Children, HIV-Exposed Children, Medical Case Management (MCM), Oral Health, AIDS Drug Assistance Program (ADAP), and Systems-Level. The COUNTY will also develop strategies for ensuring that the provision of Ryan White Program services is consistent with the PHS guidelines for improving access to and quality of health services.
- 4.3 To adhere to the legislative requirement to establish a clinical quality management program as outlined in HRSA Policy Clarification Notice No. 15-02 and Integrated Plan program letter (updated June 30, 2021) (<https://ryanwhite.hrsa.gov/grants/policy-notice> and <https://ryanwhite.hrsa.gov/grants/program-letters>). To participate in the development and implementation of the Ryan White Program Performance Improvement Plan (PIP), the Clinical Quality Management Program, the Miami-Dade County Integrated HIV/AIDS Prevention and Care Plan (Integrated Plan), and the Ending the HIV Epidemic initiative, to ensure that program-eligible clients have equitable access to high quality care, to improve client health outcomes, to maximize collaboration of stakeholders (Miami-Dade County Office of Management and Budget-Grants Coordination, the Miami-Dade HIV/AIDS Partnership, subrecipients, the County's contract data management system provider, the Clinical Quality Management Committee, and the Florida Department of Health in Miami-Dade County) to maximize coordination of services, to ensure high quality customer service, and to ensure compliance with local, State, and Federal mandates.
- 4.4 To ensure that demographic, clinical, and primary medical care service utilization information and data reported by the SUBRECIPIENT is used to monitor HIV-related illnesses and trends in the local epidemic.
- 4.5 To ensure the SUBRECIPIENT follows federally approved medical practice guidelines for the treatment of HIV/AIDS as found at the following weblink, <https://clinicalinfo.hiv.gov/en/guidelines>; as well as HRSA/HAB Performance Measures for Core, All Ages, Adolescent and Adult, HIV Infected Children, HIV Exposed Children, Medical Case Management (MCM), Oral Health, AIDS Drug Assistance Program (ADAP), and Systems-level (<https://ryanwhite.hrsa.gov/grants/performance-measure-portfolio>), as may be amended, where applicable to EHE-funded services provided under this Agreement.
- 4.6 To exchange SUBRECIPIENT contract information, service utilization data, reimbursement information, and performance reports with other funding sources that the

- SUBRECIPIENT is contractually engaged with, in order to eliminate unnecessary duplication of services and billing.
- 4.7 To maintain client confidentiality in accordance with applicable State and Federal laws, including but not limited to the protection of said client confidentiality, IIHI, or PHI as required by HIPAA.
 - 4.8 To ensure that every subaward is clearly identified to the subrecipient (i.e., SUBRECIPIENT) as a subaward and includes relevant information at the time of the subaward, as may be amended, pursuant to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards (Uniform Guidance), 45 CFR § 75.352, as may be amended. Accordingly, the subaward related to this Agreement is further identified in Exhibit C, Attachment G, Federal Subaward Notification, of this Agreement, as may be amended.
 - 4.9 To evaluate the SUBRECIPIENT's risk of noncompliance with Federal statutes, regulations, and the terms and conditions of the subaward for purposes of determining the appropriate subrecipient monitoring described in paragraph (e) of 45 CFR § 75.352 of the Uniform Guidance, as may be amended.
 - 4.10 To conduct due diligence reviews of all staff on SUBRECIPIENT's budget, in compliance with the requirements of 45 CFR § 75.213, as may be amended. Such review will enforce related regulations that restrict awards, subawards and contracts with certain parties that are debarred, suspended or otherwise excluded from or ineligible for participation in Federal assistance programs or activities. The COUNTY will verify that each key staff member listed on the SUBRECIPIENT's budget under this Agreement are not found on the U.S. Government's System for Award Management Exclusions (SAM Exclusions) list at <https://www.sam.gov>.
 - 4.11 To make all files under this Agreement, including captioning, audio descriptions, videos, tables, graphics/pictures, registration forms, presentations (both audio and video) or other types of proprietary format files – e.g., Adobe Portable Document Format (.pdf), Microsoft Office PowerPoint (.ppt), and Microsoft Excel (.xls), fully accessible to members of the public with disabilities. Technical and functional standards for accessibility are codified at 36 CFR Part 1194 and may be accessed through the Access Board's Web site at <http://www.access-board.gov>.
 - 4.12 To follow the guidance set forth in all applicable HIV/AIDS Bureau Policy Notices (also known as Policy Clarification Notices) and Program Letters to ensure compliance with programmatic requirements. Policy Notices and Program Letters can be found at the following Web page:
<https://ryanwhite.hrsa.gov/grants/policy-notices>
 - 4.13 Since the total Federal share of the COUNTY's Federal award is more than \$10,000,000.00 over the period of performance, then Appendix XII, Award Term and Condition for Recipient Integrity and Performance Matters, to 2 CFR 200 is applicable to this award. Additional information for "Reporting of Matters Related to Recipient Integrity and Performance, and Proceeding" About Which the COUNTY Must Report, can be found at the following Web link:

4.14 In collaboration with HRSA under the EHE cooperative agreement, the COUNTY will:

- Complete the proposed initiative work plan activities, as may be amended, within the five-year project period;
- Collaborate with HRSA on review of activities, procedures, and budget items, including timely communication with project officer;
- Develop and implement a methodology, including proposed metrics, to measure the impact of proposed activities, as well as reporting on outcomes;
- Ensure proposed activities are based on documented need, targeted for maximum impact on HIV care continuum outcomes, and designed to reach the identified target population(s);
- Coordinate the initiative activities with the COUNTY's existing Ryan White Part A and MAI programs;
- Collaborate with Centers for Disease Control and Prevention (CDC)-funded organizations, health centers, and other local and state government agencies on implementing initiative activities;
- Collaborate with the EHE Technical Assistance Provider (TAP) and the Systems Coordination Provider (SCP) on the development, implementation, coordination, and integration of initiative activities;
- Develop a sustainability plan to support successful activities following conclusion of the cooperative agreement;
- Modify activities as necessary to ensure relevant outcomes for the project; and
- Participate in the dissemination of project findings, best practices, and lessons learned, including adherence to HRSA guidelines pertaining to acknowledgment and disclaimer on all products produced by HRSA award funds.

4.15 To comply with Federal Funding Accountability and Transparency Act of 2006 (Public Law 109-282), as amended by section 6202 of Public Law 110-252 (FFATA), in the COUNTY's reporting of each subaward of \$30,000 or more in Federal funds and executive total compensation, as outlined in Appendix A to 2 CFR Part 170 (<http://www.hrsa.gov/grants/ffata.html>). Information reported by the SUBRECIPIENT will in turn be reported by the COUNTY to the FFATA Subaward Reporting System (FSRS) at <https://www.fsrs.gov/> by the end of the month following the month in which the subaward was made. The FFATA reporting requirements apply for the duration of the period of performance and so include all subsequent award actions to aforementioned HRSA grants and cooperative agreement awards (e.g., Type 2 (competing continuation), Type 5 (non-competing continuation), etc.). Subawards to individuals are exempt from these requirements. For more information, visit: <https://www.hrsa.gov/grants/ffata.html>.

4.16 If the COUNTY expends any of the EHE Initiative cooperative agreement award on the AIDS Drug Assistance Program (ADAP), it will comply with data reporting requirements of

the ADAP Data Report (ADR) for those funds. Furthermore, the COUNTY will mandate compliance by the SUBRECIPIENT and its subcontractors.

Article V **Joint Responsibilities**

- 5.1 Both Parties agree that the confidentiality of the clients served by the SUBRECIPIENT under this Agreement shall be strictly observed, as required by State and Federal laws, including but not limited to HIPAA, in any reporting, auditing, invoicing, program monitoring, evaluation, or communication provided; however, that this provision shall be construed as a standard of conduct and not as a limitation upon the right to conduct the foregoing activities.
- 5.2 Given the increase in the collection and use of client level data, and risks to data security and personally identifiable information, the COUNTY and the SUBRECIPIENT have a joint responsibility to fully comply with the “Standards for Privacy of Individually Identifiable Health Information” (“Privacy Rule”) set forth in 45 CFR part 160 and subparts A and E of 45 CFR part 164 and with the Health Insurance Portability and Accountability Act (HIPAA) of 1996, 42 USC § 1320d *et seq.*, including the requirement to report data breaches to the Office for Civil Rights (OCR).

The Privacy Rule which implemented the HIPAA, requires that certain health care providers maintain patient confidentiality and other patient rights. The Privacy Rule is administered and enforced by the Department of Health and Human Services’ (HHS) OCR and is codified at 45 CFR parts 160 and 164. The Privacy Rule applies to “covered entities,” as defined by the rule, which include health plans and most health care providers, including most recipients of Ryan White HIV/AIDS Program funding. (See <https://targethiv.org/library/protecting-health-information-privacy-and-complying-federal-regulations>.)

The OCR web site (<https://www.hhs.gov/hipaa/index.html>) provides information on the Privacy Rule, including the complete text of the regulation and a set of decision tools for determining whether a particular entity is subject to the rule. More resources about health information privacy related to public health and the disclosure of protected health information is available at:

- 5.3 In accordance with 45 CFR § 75.351, *et seq.*, the COUNTY must monitor the activities of the SUBRECIPIENT as necessary to ensure that the subaward is used for authorized purposes and in compliance with applicable laws, Ryan White Program legislative requirements, regulations, and the terms and conditions of the subaward; and that subaward performance goals are achieved. The COUNTY must also ensure that the

SUBRECIPIENT tracks, appropriately uses, and reports program income generated by the subaward. See HRSA Policy Clarification Notice #15-03 available online at https://hab.hrsa.gov/sites/default/files/hab/Global/pcn_15-03_program_income.pdf.

Where applicable, both Parties agree that each will adhere to the HRSA/HAB Division of Service Systems National Monitoring Standards for Ryan White Part A Grantees; including all applicable Programmatic, Fiscal, and Universal Monitoring Standards, as may be amended. Documentation to support services provided, allowable costs, and program expenditures will be maintained by the respective Parties. The COUNTY will conduct annual site visits of the SUBRECIPIENT to monitor adherence to the scope of services as defined in Exhibit A of this Agreement; at a date and time to be determined by the COUNTY's Office of Management and Budget-Grants Coordination. Notwithstanding the foregoing, the COUNTY may make unannounced, on-site visits during normal working hours to the SUBRECIPIENT's headquarters and/or any location or site where the services contracted for are performed. SUBRECIPIENT will also keep its Board of Directors or Board of Trustees apprised of monitoring visit reports as detailed in Article II, Section 2.1 (V V), of this Agreement.

- 5.4 In accordance with 45 CFR § 75.113, the SUBRECIPIENT must disclose, in a timely manner, in writing to the COUNTY and to the U.S. Department of Health and Human Services Office of Inspector General (DHHS/OIG), all information related to violations of federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the federal award. The COUNTY must also disclose same to the DHHS/OIG. Failure to make required disclosures can result in any of the remedies for noncompliance described in 45 CFR § 75.371, including suspension or debarment. (See also 2 CFR parts 180 and 376, and 31 U.S.C. 3321).

Disclosures must be sent in writing to:

- 5.5 In accordance with Public Law -117-103, Division E. Title VII, Confidentiality Agreements

(Section 742), the following applies:

- A. None of the grant funds made available herein may be available for a contract, grant, or cooperative agreement with an entity that requires employees or contractors of such entity seeking to report fraud, waste, or abuse to sign internal confidentiality agreements or statements prohibiting or otherwise restricting such employees or contractors from lawfully reporting such waste, fraud, or abuse to a designated investigative or law enforcement representative of a Federal department or agency authorized to receive such information.
- B. The limitation in subsection (A) above shall not contravene requirements applicable to Standard Form 312, Form 4414, or any other form issued by a Federal department or agency governing the nondisclosure of classified information.

5.6 **Aspirational Policy Regarding Diversity**

Pursuant to Resolution No. R-1106-15, SUBRECIPIENT is encouraged to utilize a diverse workforce that is reflective of the racial, gender and ethnic diversity of Miami-Dade County and employ locally-based small firms and employees from the communities where work is being performed in their performance of work for the County. This policy shall not be a condition of contracting with the County, nor will it be a factor in the evaluation of solicitations unless permitted by law.

In addition and in accordance with 45 CFR 75.330 of the Uniform Guidance, the COUNTY must take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible. Affirmative steps must include: (1) placing qualified small and minority businesses and women's business enterprises on solicitation lists; (2) assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources; (3) dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises; (4) establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; (5) using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and (6) requiring the selected staff support, if subcontracts are to be let, to take the affirmative steps listed herein.

- 5.7 Both parties agree to collaborate to ensure the COUNTY is able to meet its obligations under this cooperative agreement as stated herein in Article IV, Section 4.14 above.
- 5.8 SUBRECIPIENT and the COUNTY shall work together to ensure services are supportive of the needs of lesbian, gay, bisexual, transgender, queer, intersex (LGBTQI) clients and will support gender affirming care, where appropriate and as allowable by HRSA (see Program Letter, Gender-Affirming Care at <https://ryanwhite.hrsa.gov/sites/default/files/ryanwhite/hiv-care/gender-affirming-care-rwhap.pdf>).

Article VI
Requirements Related to Use of
EHE Cooperative Agreement Funds

- 6.1 The SUBRECIPIENT agrees to comply with applicable provisions of Federal, State and COUNTY laws, regulations and rules. The SUBRECIPIENT agrees to follow Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards (45 CFR part 75, also known as, the Uniform Guidance), as may be amended, which can be found electronically on the U.S. Government Publishing Office (GPO) website (<https://www.ecfr.gov/current/title-45/subtitle-A/subchapter-A/part-75>).

The referenced Uniform Guidance provides a streamlined government-wide framework for grants administration and management of HHS awards. Non-federal entities must use the Uniform Guidance Cost principles, 45 CFR part 75, Subpart E – Cost Principles, as may be amended, in order to determine the allowable costs of work performed under Federal awards.

If there is no adequate documentation of particular costs, such as vouchers, invoices, timekeeping records, etc. with enough detail to determine if the cost is allowable, then the SUBRECIPIENT's annual audit might reflect that the costs cannot be charged to this Agreement and a refund to the COUNTY will be necessary if the costs remain undocumented or unsupported. If the SUBRECIPIENT is a commercial organization, it must continue to use the regulations found in 48 CFR subpart 31.2 – Contracts with Commercial Organizations to determine the allowability of costs charged to a federally-funded contract, as may be amended.

Standards for Financial Management

The SUBRECIPIENT is also required to meet the standards and requirements for financial management systems set forth in 45 CFR part 75, as may be amended. The financial systems must enable the recipient (and SUBRECIPIENT) to maintain records that adequately identify the sources of grant funds for federally assisted activities and the purposes for which the award was used, including authorizations, obligations, unobligated balances, assets, liabilities, outlays or expenditures, and any program income. The system must also enable the recipient (and SUBRECIPIENT) to compare actual expenditures or outlays with the approved budget for the award.

Internal controls must be in place to ensure that costs charged to HRSA grants or cooperative agreements are allowable, allocable to the HRSA grant or cooperative agreement, reasonable, necessary, and documented. For example, controls must be in place to ensure that only actual time worked on HRSA projects are charged to HRSA grants or cooperative agreements, and that the time worked has management approval from the HRSA grant recipient. There also must be internal controls in place to ensure that costs charged to HRSA grants or cooperative agreements through sub-awards are monitored and evaluated by the HRSA grant recipient and that only allowable, allocable, reasonable, necessary, and documented costs are charged to HRSA grants or cooperative agreements.

HRSA grant funds must retain their award-specific identity—they **may not** be commingled with State funds or other Federal funds. (“Commingling funds” typically means depositing or recording funds in a general account without the ability to identify each specific source of funds for any expenditure.)

Reporting and Use of Program Income

The COUNTY and the SUBRECIPIENT are required to track and report all sources of service reimbursement as program income. All program income generated as a result of EHE-awarded funds must be used for approved project-related activities. For additional information, see Uniform Guidance 45 CFR § 75.307 and HRSA Policy Notice No. 15-03 available online at: <https://ryanwhite.hrsa.gov/grants/policy-notice>.

- 6.2 Uniform Guidance 45 CFR part 75 Subpart F – Audit Requirements regulations apply to the SUBRECIPIENT’s Fiscal Year End audits, as required under this Agreement. The audit requirements in 45 CFR § 75.501, as may be amended, stipulate that if the SUBRECIPIENT [a non-Federal entity] expends \$750,000.00 or more in Federal awards (combined) during the SUBRECIPIENT’s fiscal year then the SUBRECIPIENT must have a Single Audit or program-specific audit conducted for that year in accordance with the provisions in this part and in Subpart F.

Pursuant to 45 CFR § 75.503 (e), as may be amended, a Federal agency or a pass-through entity (such as the COUNTY) may request for a program to be audited as a major program; however, such requests must be made at least 180 calendar days prior to the end of the fiscal year to be audited. If the Federal awarding agency or a pass-through entity (such as the COUNTY) agrees to pay the full incremental cost, if any, associated with the program audited as a major program, then the auditee must have the program audited as a major program pursuant to this section.

A SUBRECIPIENT (non-profit or for profit/commercial organization) that expends less than \$750,000.00 in Federal awards (combined) during the SUBRECIPIENT’s fiscal year is exempt from this Single Audit or program-specific audit requirement, except as noted in 45 CFR § 75.503, as may be amended. However, records must be available for review. If the SUBRECIPIENT that expends less than \$750,000.00 in Federal awards (combined) during its fiscal year has an audit completed for another funding source or for another purpose, a copy of that audit must be submitted to the COUNTY. Should the COUNTY require independent review from a SUBRECIPIENT that expends less than \$750,000.00 in Federal awards, a limited scope agreed-upon-procedure engagement will be paid for and arranged by the COUNTY, in accordance with 45 CFR § 75.425 of the cost principles applicable to non-federal entities.

Pursuant to section 2-481 of the Miami-Dade County Code, the SUBRECIPIENT (non-profit or for profit/commercial organization) will grant read-only access to the Commission Auditor to any and all financial and performance related records, property, and equipment purchased in whole or in part with government funds. The SUBRECIPIENT agrees to maintain an accounting system that provides accounting records that are supported with adequate documentation, and adequate procedures for determining the allowability and allocability of costs.

- When applicable, the Fiscal Year End audit must be submitted to the Federal Audit Clearinghouse (FAC), electronically at <https://facides.census.gov/>. Assistance can be requested by contacting the FAC via email (note link on website under “Ask a Question”) or by telephone at (866) 306-8779. When applicable, required audit reports must be submitted to the FAC and written notice to the COUNTY of said submission (see Article VII, Section 7.5 (C), of this Agreement) within the earlier of thirty (30) calendar days after receipt of the SUBRECIPIENT auditor’s report or nine (9) months after the end of the SUBRECIPIENT’s Fiscal Year End date. Notwithstanding the foregoing, in accordance with Subpart F of 2 CFR § 200.512 – Audit Requirements and the United States Office of Management and Budget’s memorandum M-21-20 (Appendix 3, item IX) to the heads of executive departments and agencies, dated March 19, 2021, regarding disaster relief flexibilities and administrative relief for recipients and subrecipients directly impacted by COVID-19 due to loss of operations, the COUNTY hereby agrees to extend the period for completion and submission of the SUBRECIPIENT’s audit(s) during this grant budget period. Accordingly, SUBRECIPIENT’s audits with fiscal year ends from January 31, 2020 through June 30, 2021, have an automatic extension for up to six (6) months beyond the normal due date to complete and submit the Single Audit reporting package to the FAC and notify the COUNTY of such action.

However, Uniform Guidance 45 CFR § 75.501 regulations apply to SUBRECIPIENT that is a commercial organization. The audit requirements in 45 CFR §§ 75.501(i) and 75.501(j) stipulate that:

- (i) “Recipients and subrecipients that are commercial organizations (including for-profit hospitals) have two options regarding audits:
 - (1) A financial related audit (as defined in the Government Auditing Standards, GPO Stock #020-000-00-265-4) of a particular award in accordance with Government Auditing Standards, in those cases where the recipient receives awards under only one HHS program; or, if awards are received under multiple HHS programs, a financial related audit of all HHS awards in accordance with Government Auditing Standards; or
 - (2) An audit that meets the requirements contained in this subpart.
- (j) Commercial organizations that receive annual HHS awards totaling less than \$750,000 are exempt from requirements for a non-Federal audit for that year, but records must be available for review by appropriate officials of Federal agencies.”

In accordance with 48 CFR subpart 31.2, contracts with Commercial Organizations, the cost of said audit referenced above is an allowable cost that may be charged to the grant or cooperative agreement if the cost complies with all of the following requirements:

- (1) Reasonableness.
- (2) Allocability.

- (3) Standards promulgated by the Cost Accounting Standards (CAS) Board, if applicable, otherwise, generally accepted accounting principles and practices appropriate to the circumstances.
 - (4) Terms of the contract.
 - (5) Any limitations set forth in this subpart.
- 6.3 The SUBRECIPIENT agrees to abide by all of the requirements of the Ending the HIV Epidemic: A Plan for America initiative, where applicable, as may be amended. A summary of the initiative can be found at the following web page: <https://www.hiv.gov/federal-response/ending-the-hiv-epidemic/overview>
- 6.4 Where applicable, the SUBRECIPIENT agrees to comply with cost-effectiveness and reasonableness in prescription drug acquisition practices according to 42 CFR part 50, subpart E, and 45 CFR part 75, subpart E, as may be amended, regarding cost principles. If the SUBRECIPIENT is eligible to be a covered entity under section 340B of the Public Health Service Act, and the assessment shows that participating in the 340B Drug Pricing Program and its Prime Vendor Program is the most economical and reasonable manner of purchasing or reimbursing for covered outpatient prescription drugs (as defined in that section), failure to participate may result in a negative audit finding, cost disallowance, or grant funding offset. Consistent with DHHS guidance, HRSA recipients that purchase, are reimbursed, or provide reimbursement to other entities for prescription drugs are expected to secure the best prices available for such products and to maximize results for the grantee organization and its patients. Eligible health care organizations/covered entities that enroll in the 340B Program must comply with all 340B Program requirements and will be subject to audit regarding 340B Program compliance. Requirements of the 340B program, including eligibility, can be found at www.hrsa.gov/opa.
- 6.5 SUBRECIPIENT agrees to provide the COUNTY with the SUBRECIPIENT's Unique Entity Identifier (UEI) number prior to contract execution. A UEI was generated automatically for all entities that had an existing DUNS number (<https://sam.gov/content/duns-uei>). As such, SUBRECIPIENT may retrieve its UEI by accessing the System for Award Management (SAM) website (<https://www.SAM.gov>).
- The SUBRECIPIENT must be registered in the System for Award Management (SAM) (<https://www.sam.gov>). SUBRECIPIENT should update its information in the SAM at least every 12 months, or more often if needed. Information regarding updating an existing entity registration can be found at: https://www.fsd.gov/qsafsd_sp?id=kb_article_view&sysparm_article=KB0016307&sys_k_b_id=308b082b1b5201d0937fa64ce54bcb14&spa=1.
- 6.6 The SUBRECIPIENT agrees that grant funds received under this Agreement shall be utilized to supplement, not supplant, State and local HIV-related funding or in-kind resources made available in the grant period for which this Agreement is awarded to provide HIV-related services to program-eligible people with HIV.
- 6.7 If SUBRECIPIENT provides a service that is available through the State Medicaid Plan [including, but not limited to, the Managed Medical Assistance (MMA) and Long-term Care (LTC) plans], the SUBRECIPIENT must have entered into a participation agreement under

the State plan and be qualified to receive payments under such plan, or receive a waiver from this requirement. If SUBRECIPIENT received a waiver from this requirement, a copy of the approved waiver must be submitted to the COUNTY.

6.8 Where applicable, recipients and sub-recipients of Federal funds are subject to the strictures of the Medicare and Medicaid anti-kickback statute 42 USC § 1320a-7b(b) and should be cognizant of the risk of criminal and administrative liability under this statute, specifically under 42 USC § 1320 7b(b) Illegal remunerations, which states, in part, that whoever knowingly and willfully solicits or receives (or offers or pays) any remuneration (including any kickback, bribe, or rebate) directly or indirectly, overtly or covertly, in cash or in kind:

A. In return for referring (or to induce such person to refer) an individual to a person for the furnishing or arranging for the furnishing of any item or service for which payment may be made in whole or in part under a Federal health care program,

OR

B. In return for purchasing, leasing, ordering, or arranging for or recommending purchasing, leasing, or ordering any good, facility, service, or item for which payment may be made in whole or in part under a Federal health care program, shall be guilty of a felony and upon conviction thereof, shall be fined not more than \$25,000.00 or imprisoned for not more than five (5) years, or both.

6.9 Funds shall **not** be used to cover any of the following **unallowable costs**:

A. Make payments for any item or service to the extent that payment has been made or can reasonably be expected to be made by a third-party payer, for the item or service:

(1) Under any State compensation program, insurance policy, or any Federal or State health benefits program; or

(2) By an entity that provides health services on a prepaid basis (except for a program administered by or providing the services of the Indian Health Services).

B. Purchase vehicles without written prior approval from HRSA's Division of Grants Management Operations (DGMO).

C. Conduct non-targeted marketing promotions or advertising about HIV services that target the general public (e.g., poster campaigns for display on public transit, TV or radio public service announcements, etc.).

D. Conduct broad scope awareness activities about HIV services that target the general public, or conduct outreach activities that have HIV prevention education as their exclusive purpose, pursuant to HRSA Division of Service System's Program Policy Notices Nos. 12-01 and 16-02; with additional information available at <https://ryanwhite.hrsa.gov/grants/policy-notice>

- E. Influence or attempt to influence members of Congress and other Federal personnel. Further, no member of or delegate to the Congress of the United States of America or Resident Commissioner shall be admitted to any share or part of this contract or to any benefit to arise there from, but this provision shall not be construed to extend to this contract if made with a corporation for its general benefit.
- F. Influence or attempt to influence members of the County Board of County Commissioners, the County Mayor, or any employee or personnel of Miami-Dade County.
- G. File any claims, suits, or actions, or seek damages and costs (including attorney's fees and court costs) against the COUNTY.
- H. Provide alcoholic beverages, especially, but not limited to, its use as an entertainment expense.
- I. Cover entertainment costs such as the cost of amusements, social activities, and related incidental costs; except as allowable per 45 CFR §.75.438.
- J. Provide stipends or honoraria when the primary intent is to confer distinction on, or to symbolize respect, esteem, or admiration for, the recipient of the stipend or honorarium. However, a payment for services rendered, such as a speaker's fee under a conference grant, is allowable.
- K. Recipients and subrecipients of federal funds are not allowed to use federal funding to lobby federal, state, or local officials or their staff to receive additional funding or influence legislation.
- L. Meal costs are generally unallowable except for the following:
 - (1) Subjects and patients under study.
 - (2) Where specifically approved as part of the project or program activity (e.g., in programs providing residential substance abuse treatment services; in programs providing children's services).
 - (3) When an organization customarily provides meals to employees working beyond the normal workday, as a part of a formal compensation arrangement. However, this would not be a direct service cost.
 - (4) As part of a per diem or subsistence allowance provided in conjunction with allowable travel.
 - (5) Under a conference grant, when meals are a necessary and integral part of a conference, provided that meal costs are not duplicated in participants' per diem or subsistence allowances.
 - (6) Guest meals are not allowable.
- M. Bad debts.
- N. Fundraising.

- O. Invention, patent or licensing costs unless specifically authorized in the Notice of Award.
- P. Advertising and public relations costs are conditionally allowable in accordance with 45 CFR § 75.421. Promotional items and memorabilia (e.g., pencils, cups, t-shirts, cookbooks, bags), gifts, and souvenirs designed to promote the recipient's (subrecipient's) organization are unallowable as advertising/public relations costs.
- Q. As stated in the COUNTY's Ending the HIV Epidemic Notice of Award, dated January 19, 2022, as may be amended, EHE cooperative agreement funds may not be used for the following purposes:
- (1) Cash payment to intended recipients of services.

Notes:

This prohibition includes cash incentives and cash intended as payment for EHE services. Where direct provision of the service is not possible or effective, store gift cards, vouchers, coupons, or tickets that can be exchanged for a specific service or commodity (e.g., food or transportation) must be used. Store gift cards that can be redeemed at one merchant or an affiliated group of merchants for specific goods or services that further the goals and objectives of the EHE are also allowable as incentives for eligible program participants. Voucher and store gift card programs must be administered in a manner which assures that they cannot be exchanged for cash or used for anything other than the allowable goods or services and that systems are in place to account for disbursed vouchers and store gift cards.

General-use prepaid cards are considered "cash equivalent" and are therefore unallowable. Such cards generally bear the logo of a payment network, such as Visa, MasterCard, or American Express, and are accepted by any merchant that accepts those credit or debit cards as payment. Gift cards that are co-branded with the logo of a payment network and the logo of a merchant or affiliate group of merchants are general-use prepaid cards, not store gift cards, and therefore are also unallowable.

- (2) Clinical research.
- (3) International travel.
- (4) Construction (minor alterations and renovations to an existing facility to make it more suitable for the purposes of the award program are allowable with prior HRSA approval).
- (5) Syringe Services Programs (SSPs). Some aspects of SSPs are allowable with HRSA's prior approval and in compliance with HHS and HRSA policy.

- (6) Pre Exposure Prophylaxis (PrEP) medications and related medical services or Post-Exposure Prophylaxis (PEP), as the person using PrEP or PEP does not have HIV and therefore is not eligible for HRSA HAB initiative funded medication.
- R. Where applicable, funds awarded for pharmaceuticals must only be spent to assist clients who have been determined not eligible for other pharmaceutical programs, especially the AIDS Drug Assistance Program and/or for drugs that are not on the State ADAP or Medicaid formularies.
- S. Direct maintenance expenses (tires, repairs, etc.) of a privately-owned vehicle; and any other costs associated with a privately-owned vehicle such as lease, loan payments, insurance, license, or registration fees.
- T. Furthermore, funding under this Agreement is subject to the General Provisions of Public Law -117-103, as referenced in the HRSA SF-424 Application Guide dated 3/15/2021, 2/4/2022 and 5/5/2022, as follows:
- (1) Restrictions on Abortions (Section 506):
- (a) None of the funds made available herein, and none of the funds in any trust fund to which funds are appropriated in this Act, shall be expended for any abortion.
- (b) None of the funds appropriated in this Act, and none of the funds in any trust fund to which funds are appropriated in this Act, shall be expended for health benefits coverage that includes coverage of abortion.
- (c) The term “health benefits coverage” means the package of services covered by a managed care provider or organization pursuant to a contract or other arrangement.
- (2) Exceptions to Restriction on Abortions (Section 507):
- (a) The limitations established in the preceding section shall not apply to an abortion – (1) if the pregnancy is the result of an act of rape or incest; or (2) in the case where a woman suffers from a physical disorder, physical injury, or physical illness, including a life-endangering physical condition caused by the pregnancy itself, that would, as certified by a physician, place the woman in danger of death unless an abortion is performed.
- (b) Nothing in the preceding section shall be construed as prohibiting the expenditure by a State, locality, entity, or private person of State, local, or private funds (other than a State’s or locality’s contribution of Medicaid matching funds).

- (c) Nothing in the preceding section shall be construed as restricting the ability of any managed care provider from offering abortion coverage or the ability of a State or locality to contract separately with such a provider for such coverage with State funds (other than a State's or locality's contribution of Medicaid matching funds).
 - (d) None of the grant funds made available herein may be made available to a Federal agency or program, or to a State or local government, if such agency, program, or government subjects any institutional or individual health care entity to discrimination on the basis that the health care entity does not provide, pay for, provide coverage of, or refer for abortions. The term "health care entity" includes an individual physician or other health care professional, a hospital, a provider-organization, a health maintenance organization, a health insurance plan, or any other kind of health care facility, organization, or plan.
- (3) Ban on Funding of Human Embryo Research (Section 508):
- (a) None of the grant funds made available herein may be used for: 1) the creation of a human embryo or embryos for research purposes; or 2) research in which a human embryo or embryos are destroyed, discarded, or knowingly subjected to risk of injury or death greater than that allowed for research on fetuses in utero under 45 CFR 46.204(b) and section 498(b) of the Public Health Service Act (42 U.S.C. 289g(b)). The term "human embryo or embryos" includes any organism, not protected as a human subject under 45 CFR 46 as of the date of the enactment of this Act, that is derived by fertilization, parthenogenesis, cloning, or any other means from one or more human gametes or human diploid cells.
- (4) Limitation on Use of Funds for Promotion of Legalization of Controlled Substances (Section 509):
- (a) None of the grant funds made available herein may be used for any activity that promotes the legalization of any drug or other substance included in schedule I of the schedules of controlled substances established under section 202 of the Controlled Substances Act except for normal and recognized executive-congressional communications.
 - (b) The limitation in subsection (a) above shall not apply when there is significant medical evidence of a therapeutic advantage to the use of such drug or other substance or that federally sponsored clinical trials are being conducted to determine therapeutic advantage.
- (5) Restriction on Distribution of Sterile Needles (Section 527):

- (a) Notwithstanding any other provision herein, none of the grant funds made available herein shall be used to purchase sterile needles or syringes for the hypodermic injection of any illegal drug: Provided, that such limitation does not apply to the use of grant funds for elements of a program other than making such purchases if the relevant State or local health department, in consultation with the Centers for Disease Control and Prevention, determines that the State or local jurisdiction, as applicable, is experiencing, or is at risk for, a significant increase in hepatitis infections or an HIV outbreak due to injection drug use, and such program is operating in accordance with State and local law.

However, some aspects of Syringe Services Programs are allowable with HRSA's prior approval and in compliance with HHS and HRSA policy. See <https://www.hiv.gov/federal-response/policies-issues/syringe-services-programs>. Any request for related prior approvals under EHE Program funding must first be addressed to the COUNTY.

- (6) Restriction of Pornography on Computer Networks (Section 520):
- (a) None of the grant funds made available herein may be used to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography.
- (b) Nothing in subsection (a) above shall limit the use of grant funds necessary for any Federal, State, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, or adjudication activities.
- (7) Restrictions on Funding ACORN (Section 521):
- (a) None of the grant funds made available herein may be provided to the Association of Community Organizations for Reform Now (ACORN), or any of its affiliates, subsidiaries, allied organizations, or successors.”
- (8) Gun Control (Section 210):
- (a) None of the grant funds made available herein may be used, in whole or in part, to advocate or promote gun control.
- (9) Anti-lobbying (Section 503):
- (a) No part of any appropriation contained in this Act or transferred pursuant to section 4002 of Public Law 111–148 shall be used, other than for normal and recognized executive legislative relationships, for publicity or propaganda purposes, for the preparation, distribution, or use of any kit, pamphlet, booklet,

publication, electronic communication, radio, television, or video presentation designed to support or defeat the enactment of legislation before the Congress or any State or local legislature or legislative body, except in presentation to the Congress or any State or local legislature itself, or designed to support or defeat any proposed or pending regulation, administrative action, or order issued by the executive branch of any State or local government, except in presentation to the executive branch of any State or local government itself.

- (b) No part of any appropriation contained in this Act or transferred pursuant to section 4002 of Public Law 111–148 shall be used to pay the salary or expenses of any grant or contract recipient, or agent acting for such recipient, related to any activity designed to influence the enactment of legislation, appropriations, regulation, administrative action, or Executive order proposed or pending before the Congress or any State government, State legislature or local legislature or legislative body, other than for normal and recognized executive-legislative relationships or participation by an agency or officer of a State, local or tribal government in policymaking and administrative processes within the executive branch of that government.
- (c) The prohibitions in subsections (a) and (b) shall include any activity to advocate or promote any proposed, pending or future Federal, State or local tax increase, or any proposed, pending, or future requirement or restriction on any legal consumer product, including its sale or marketing, including but not limited to the advocacy or promotion of gun control.

U. Funds may not be used to procure or obtain certain telecommunications and video surveillance services or equipment, in accordance with the applicable Uniform Guidance and 2 CFR § 200.216, as applicable and as may be amended.

6.10 The SUBRECIPIENT shall:

- A. Participate in clinical quality improvement projects as well as related quality management trainings, workshops, targeted record reviews, technical assistance meetings, and any other related activities as required by the COUNTY or the Miami-Dade HIV/AIDS Partnership;
- B. Participate in activities related to the development of a community-based continuum of care (i.e., HIV Care Continuum) encompassing the comprehensive range of services required by program-eligible people with HIV, or their families, where applicable, in order to meet the health care and social service needs of people with HIV throughout the course of their illness;

- (1) The HIV Care Continuum measures client health outcomes from HIV diagnosis, linkage to care, receipt of care, retention in care, to achieving viral suppression.
- C. Where applicable to the EHE services provided as detailed in Exhibit A, scope of services, of this Agreement, commit to support a coordinated Ryan White Program medical case management system that promotes staff training and the development of service standards, and service linkages and referral mechanisms among participating care providers, and to provide the necessary services to coordinate medical case management efforts among EHE and Ryan White Program-funded subrecipients;
- D. Establish internal grievance procedures and cooperate with the COUNTY in addressing all complaints or problems identified by clients, staff, or other care providers. The SUBRECIPIENT's internal grievance procedures must afford their clients or other care providers with immediate access to these procedures. These procedures shall be made available to clients or other care providers prior to accessing the COUNTY or the Miami-Dade HIV/AIDS Partnership's formal grievance procedures. The SUBRECIPIENT's internal grievance procedures must include, at a minimum, the following: a description of the types of grievances and individuals covered; a non-binding procedure for resolving conflicts; a written response by the SUBRECIPIENT to the client or care provider; a meeting between the grievant and the Executive Director, a member of the Board of Directors, or a designee of the SUBRECIPIENT; and a reasonable timeline for addressing grievances. Grievance procedures must be conspicuously posted at the SUBRECIPIENT site. Documentation of informal complaints and formal grievances from clients, program staff, or other care providers must be tracked and reported to the COUNTY reported to the COUNTY in the Tri-Annual Progress Reports, referenced in Article VII, Section 7.1 (C) of this Agreement;
- 6.11 If the SUBRECIPIENT is a commercial organization, it is hereby advised that it has been classified as a subrecipient of a federal subaward under this Agreement. Therefore, with regards to property and procurement, due to the nature of the services provided under this Agreement, the SUBRECIPIENT will adhere to the guidelines set forth in 45 CFR part 75, as may be amended, as applicable to subrecipients who are non-federal entities. For the purchase of equipment under this Agreement, the guidelines under Property Standards and Procurement Standards in 45 CFR § 75.316 and 45 CFR § 75.335 of the OMB Uniform Guidance, respectively, will apply to the SUBRECIPIENT. For disposition of equipment, the SUBRECIPIENT will follow the guidelines set forth in 45 CFR § 75.320, titled "Equipment". Supporting documentation must be retained to demonstrate that the equipment's fair market value is less than \$5,000 at the time of disposition. To meet this requirement, the COUNTY will accept market research of no less than three (3) different vendors indicating the current fair market value of the same brand and model (or similar equipment). This documentation must be available for review during a monitoring site visit.
- 6.12 SUBRECIPIENT shall not make direct cash payments to intended recipients (clients) of core medical or support services. This prohibition includes cash incentives and cash intended as payment for Ryan White Program services. Where direct provision of the

service is not possible or effective, store gift cards, vouchers, coupons, or tickets that can be exchanged for a specific service or commodity must be used. As applicable to services funded under this Agreement, store gift cards that can be redeemed at one merchant or an affiliated group of merchants for specific goods or services that further the goals and objectives of the Ryan White Program are also allowable as incentives for eligible program participants. Where applicable, SUBRECIPIENT will administer voucher and store gift card programs in a manner which assures that vouchers or gift cards cannot be exchanged for cash or used for anything other than allowable goods or services, and that systems are in place to account for disbursed vouchers and store gift cards. Note: General-use prepaid cards are considered "cash equivalent" and are therefore unallowable. Such cards generally bear the logo of a payment network, such as Visa, MasterCard or American Express, and are accepted by any merchant that accepts those credit or debit cards as payment. Gift cards that are cobranded with the logo of a payment network and the logo of a merchant or affiliated group of merchants are general-use prepaid cards, not store gift cards, and therefore are also unallowable. See Article II, Section 2.1 (PP) and Article VI, Section 6.9 P (1) of this Agreement for related information.

- 6.13 The SUBRECIPIENT agrees to provide services under this Agreement without regard to:
- A. The ability of the individual to pay for such services;
 - B. The current or past health conditions of the individuals to be served;
 - C. The receipt of additional services from other health or social service facilities funded under the EHE initiative or the Ryan White HIV/AIDS Treatment Extension Act of 2009, as may be amended, except for services requiring a medical case management referral [Ryan White Program In Network Referral or Out of Network (OON) Referral]; or
 - D. The client's utilization of other services offered by the SUBRECIPIENT, except for certain medical specialty care services which may require a second medical opinion from a physician affiliated with the SUBRECIPIENT, subject to the availability of grant funds and budgetary limitations.
- 6.14 Service provision shall be based on the following:
- A. The SUBRECIPIENT agrees that client eligibility for services under this Agreement shall be determined on the basis of the confirmatory medical status of the person with HIV, as documented by records referenced in Article VII, Section 7.1, of this Agreement.
- 6.15 The SUBRECIPIENT shall:
- A. Assume the financial risk for providing services to individuals who do not have documentation of a confirmatory HIV positive test result;
 - B. Assume the financial risk for providing services to individuals for whose services other local, State, or Federal sources of funding could have reasonably been anticipated, determined, or utilized;

- C. Provide services in a setting that is accessible to EHE program-eligible people with HIV;
- D. Assume the financial risk for providing services to individuals who the SUBRECIPIENT has not properly documented as eligible for EHE-funded services;
- E. Conduct general outreach (recruitment) to locate EHE program-eligible people with HIV who are not receiving outpatient medical care or treatment in order to inform such individuals of available services at the SUBRECIPIENT's location and in the community; such general outreach or recruitment is not related to targeted Part A or MAI-funded Outreach Services;
- F. Demonstrate and document compliance, to the extent possible and as applicable to the EHE scope of services as detailed in Exhibit A of this Agreement, with the measures in the Health Resources and Services Administration's "HIV/AIDS Bureau's (HAB) Revised Performance Measure Portfolio", as may be amended. These HAB measures, where applicable, include: Core, All Ages, Adolescent/Adult, Children, HIV-Exposed Children, Medical Case Management (MCM), Oral Health, AIDS Drug Assistance Program (ADAP), and Systems-Level. The SUBRECIPIENT shall also provide services in compliance with the National Culturally and Linguistically Appropriate Standards (CLAS Standards); and, if applicable, with the local Ryan White Program Medical Case Management Standards of Service, Public Health Service Guidelines, Ryan White Program Oral Health Care Standards, and the Ryan White Program Minimum Primary Medical Care Standards; as well as any related Clinical Performance Measures that may be disseminated during the contract year;
- G. Coordinate EHE service delivery efforts with other Ryan White Program (EHE, Part A and MAI) and non-Ryan White Program subrecipients or service providers;
- H. Establish internal quality management and continuous quality improvement procedures, including periodic client record reviews and staff training; and
- I. Maintain sufficient and legible documentation in the client charts or service logs to support the procedures or services rendered under this Agreement. This documentation will include, at a minimum, the date of service or activity, type of service or activity, service or activity code (if applicable), the number of service or activity units provided, the time spent providing the service or activity (if applicable), and any other special documentation required under an individual service category, as defined in the corresponding RFP, as may be amended. Where appropriate, SUBRECIPIENT's staff shall also include details of the visit in a progress note which must also be maintained in the client chart or electronic medical/health record as a complete record. Upon request, a written acknowledgment of the services rendered shall be provided to the client, including the cost of such services to the program if requested by the client. Verification of services provided is subject to review and audit by the Miami-Dade County Office of Management and Budget-Grants Coordination/Ryan White Program. Failure to

maintain sufficient and legible supporting documentation may result in payments being denied, disallowed, or fiscal repayment to the EHE Program.

- 6.16 If the SUBRECIPIENT does not impose charges on program clients or accept payment for services from any third-party payer, including any insurance policy or any Federal or State health benefits program, then Section 6.9 (A) above and Section 6.17 immediately below do not apply.
- 6.17 If the SUBRECIPIENT charges for services and provides services that are reimbursable through Medicaid and/or other insurance, then the SUBRECIPIENT **must use** a sliding fee scale for clients receiving these services through EHE cooperative agreement funds. The scale is based on the most current HHS Federal Poverty Guidelines (also known as the Federal Poverty Level or FPL), which is updated annually. Clients with a gross household income less than or equal to 100% of the FPL guidelines in use for the corresponding grant fiscal year will not pay a fee for the provision of services. Clients with a gross household income greater than 100% of the corresponding FPL guidelines may pay a fee for the provision of services (even if the fee is only \$1.00) and, if so, will be charged according to a sliding fee scale. The SUBRECIPIENT will post the sliding fee scale so that it is visible to clients and the general public.

A. Annual aggregate charges to clients receiving EHE-funded services shall conform to the following limitations:

(1) Sliding fee schedule:

<u>Individual/Family Annual Gross Income</u>	<u>Total Allowable Annual Charges</u>
Less than or equal to 100% of the Federal Poverty Level guidelines	No charges permitted
101% to 200% of the Federal Poverty Level guidelines	5% or less of annual gross household income
201% to 300% of the Federal Poverty Level guidelines	7% or less of annual gross household income
301% to 400% of the Federal Poverty Level guidelines	10% or less of annual gross household income

(2) The term "aggregate charges" applies to the annual charges imposed for all such services without regard to whether they are characterized as enrollment fees, premiums, deductibles, cost sharing, co-payments, co-insurance, or other charges for services.

Article VII
Reporting, Record-keeping, and Evaluation Studies

- 7.1 The SUBRECIPIENT shall keep adequate, legible records of services provided under this Agreement as required by the COUNTY and by the U.S. Department of Health and Human Services. Furthermore, the SUBRECIPIENT shall maintain, and shall require that its subcontractors maintain, complete and accurate records to substantiate compliance with the requirements set forth herewith in the Scope of Services (Exhibit A). The SUBRECIPIENT and its subcontractors shall retain such records, and all other documents relevant to the services furnished under this Agreement for a period of five (5) years from the expiration date of this Agreement and any extension thereof, unless State of Florida laws or the COUNTY's record retention schedule require a lengthier retention period.
- A. At a minimum, the following records shall be kept, and uploaded in the Provide® Enterprise Miami data management system under the appropriate placeholder under the View\Scanned Documents link:
- (1) Documentation of the program-eligible client having HIV or AIDS. Said documentation shall include a copy of at least one (1) of the following: lab test results (e.g., 4th Generation HIV test, Multispot® HIV-1/HIV-2 Rapid Test, HIV Western Blot, ELISA with Western Blot, detectable viral load or culture result; a positive HIV viral culture or test result, as may be amended); or a Ryan White Program In Network Referral (through the Provide® Enterprise Miami data management system). The Project AIDS Care (PAC) Waiver Notification of Level of Care (Form 603) is no longer accepted as proof of a client's HIV+ status. For clients who have a Medicaid HIV Specialty Plan only, a copy of the client's current and valid Clear Health Alliance (CHA) Medicaid card was an acceptable form of documentation to support the client's HIV+ status through September 30, 2021. Thereafter, the CHA card is no longer accepted as proof of HIV. Very limited EHE services within thirty (30) calendar days may be provided to newly diagnosed clients [i.e., Newly Identified Client (NIC) or a Test and Treat / Rapid Access (TTRA) client] with a preliminary HIV+ test result for the purpose of timely engagement in care. **However, aside from this limited exception, on-going EHE or Ryan White Program-funded services MAY NOT be provided to clients without documented proof of a confirmatory test result for HIV. Client records that only reflect a preliminary positive test result scanned in the Provide® Enterprise Miami data management system after thirty (30) calendar days will be inactivated and services disallowed.** See Exhibit A, Section 1, of this Agreement, for more details, as incorporated herein by reference.
- (2) Client records (electronic or hard copy) shall include:
- Client-level (intake) information that is entered in the Provide® Enterprise Miami (PE Miami) data management system, as required and as applicable, in order to receive reimbursement for services rendered that includes unique client identifier number(s), intake date, date of birth, confirmatory proof of HIV status, gender at birth, current gender, race, race sub-groups, ethnicity, ethnicity sub-groups, country of origin, primary language at home, assessment of disabilities from a functional perspective,

risk-related behaviors, level of HIV infection, referral source, ZIP code, TB status, year of diagnosis, location of diagnosis, insurance status, identification as a new or established client, specific service(s) provided, number of service units provided, unit cost, multiplier rate if applicable, dispensing cost if applicable, and total monthly cost per service category.

Subrecipients funded for EHE-funded Medical Case Management services must also utilize PE Miami to enter service utilization data or progress notes in a timely manner. Payment for EHE services where service utilization data or progress notes are entered more than five (5) days, excluding holidays and weekends, after the actual date of service may be denied, at the discretion of the COUNTY.

Handwritten notes in the client chart must be legible in order to be considered sufficient documentation to support client eligibility, service utilization, and billing.

- (3) **Involuntary Disenrollment of Clients.** SUBRECIPIENT must establish and follow internal policies and procedures that specifically address when termination or dismissal of a client from the agency itself, the EHE cooperative agreement services or Ryan White Program is warranted under local, State, and Federal laws. In support of the SUBRECIPIENT's internal policies and procedures related to client rights and responsibilities, this Agreement allows for a client to be involuntarily disenrolled (dismissed) from the local EHE cooperative agreement services or Ryan White Program, or from a specific subrecipient agency, for the following reasons:

- (a) Fraudulent use of program assistance;
- (b) Falsification of documents or purposeful omissions of information required to confirm program eligibility for services;
- (c) Persistent noncompliance with the client's plan of care; or
- (d) Disruptive, unruly, abusive, or uncooperative behavior to the extent that continued enrollment seriously impairs the SUBRECIPIENT's ability to furnish services to either the client or other clients. Such behavior includes, but is not limited to, threats or acts of violence, verbal abuse and harassment, criminal activity, and destruction or theft of property.

This disenrollment provision **does not apply** to clients with medical or mental health diagnoses if the client's behavior is attributable to such diagnoses.

An involuntary disenrollment **must be documented** in the client record/chart. This documentation must clearly indicate: 1) that the client received at least one (1) verbal **and** one (1) written warning of the full implications of their actions; 2) that SUBRECIPIENT's staff attempted to educate the client regarding their rights and responsibilities; 3) that SUBRECIPIENT's staff offered assistance that would enable the client to comply with the organization's rules of conduct; and 4) that appropriate

staff determined the client's behavior is not attributable to the client's medical or mental health condition.

If involuntary disenrollment is warranted and appropriate after completing the four (4) aforementioned steps, SUBRECIPIENT's staff must attempt to connect the client to another service provider agency to ensure continuity of care. Depending on the circumstances, the SUBRECIPIENT is expected to make every effort to connect the client to another agency to ensure continued access to HIV medical care.

In all cases of involuntary disenrollment/dismissal of a program client, the County's EHE Coordinator or Ryan White Program Administrator must be notified of such via a telephone call to 305-375-4742; then the COUNTY will provide further instructions.

The COUNTY will work with the SUBRECIPIENT to determine if the circumstances are a result of the client's disability, and if so, will ensure that any resolution to the case does not violate the Americans with Disabilities Act's (ADA) reasonable accommodations requirement. In such cases, the SUBRECIPIENT will be required to demonstrate its attempts to provide the client with reasonable accommodations.

- (8) In accordance with HRSA Policy Notice No. 16-01 (<https://ryanwhite.hrsa.gov/grants/policy-notice>), Ryan White HIV/AIDS Program recipients and subrecipients may not deny services, including prescription drugs, to a veteran who is eligible to receive Ryan White HIV/AIDS Program services. Ryan White HIV/AIDS Program recipients and subrecipients may not cite "payer of last resort" language to compel HIV-infected veterans to obtain services from the Veterans Administration health care system or refuse to provide services. Ryan White HIV/AIDS Program recipients and subrecipients may refer eligible veterans to the Veterans Administration for services, when appropriate and available. However, Ryan White HIV/AIDS recipients and subrecipients may not require eligible veterans to access medical or supportive services in the Veterans Administration health care system nor deny them access to health care and support services funded by the Ryan White HIV/AIDS Program. In addition, this payer of last resort requirement does not apply to clients who are eligible for services covered by Indian Health Services; such clients may choose to access the Ryan White Program first.

- B. The SUBRECIPIENT shall submit reimbursement requests to the COUNTY monthly, on or by the twentieth (20th) day of the month following the month in which services were provided. If the 20th day of the month falls on a weekend or COUNTY-observed holiday, the reimbursement requests shall be submitted by close of business on the next business day. Reimbursement requests will be submitted in a format determined by the COUNTY, regarding the provision and utilization of EHE-funded services, where applicable, in accordance with the provisions of corresponding Federal OMB Uniform Guidance requirements, the EHE cooperative agreement scope of services detailed in Exhibit A of this

Agreement, and the Ryan White HIV/AIDS Treatment Extension Act of 2009, where applicable, as may be amended. These monthly reports shall include:

- (1) Computer Identification System (CIS) number (unique client identification number),
- (2) date of service,
- (3) user identification code for provider of service,
- (4) type of service (billing code),
- (5) units of service, and
- (6) total amount charged for the service.

However, if SUBRECIPIENT requested and was approved to receive “pay in advance”, SUBRECIPIENT will follow contractual requirements for “pay in advance.”

- C. Based on client-level and service utilization data entered in the Provide® Enterprise Miami data management system, the SUBRECIPIENT shall submit Bi-annual Progress Reports, a qualitative report based on billing and service provision data, to the COUNTY on a form to be provided by the COUNTY, at dates to be determined by the COUNTY. Unless otherwise reduced by the COUNTY in writing, this reporting requirement will include a narrative of accomplishments, challenges, and technical assistance needs encountered during the fiscal year; as well as a reporting of progress made in relation to the National CLAS Standards. A reporting of informal complaints and/or formal grievances received and responded to by the SUBRECIPIENT may also be included as part of the Bi-annual Progress Reports. As a component of this report, if the data are not readily available in the Provide® Enterprise data management system, the SUBRECIPIENT may also be required to collect and report to the COUNTY, in a format to be provided by the COUNTY, information on specific client-level outcome measures as established by the COUNTY, and included herewith in Exhibit A as part of the Scope of Service(s).

The SUBRECIPIENT will also submit annually a signed assurance to accompany the second and final of the Bi-annual Progress Reports, in a format provided by the COUNTY for this reporting requirement. This assurance form shall be initialed and appropriately signed by the SUBRECIPIENT’s Board President and its Chief Executive Officer, and properly notarized or stamped with a corporate seal. This assurance will indicate that EHE cooperative agreement funds were used in accordance with Uniform Guidance, HRSA policies, and Exhibit A, scope of services, of this Agreement, and do not include unallowable costs as detailed in Article VI, Section 6.9, of this Agreement.

- D. The SUBRECIPIENT, on an annual basis, shall submit to the COUNTY a Ryan White HIV/AIDS Program Services Report (RSR), a quantitative annual report based on calendar year client-level service utilization data. The FLIER(s) must also reflect all changes made to the SUBRECIPIENT's EHE award amounts (including any and all increases or decreases and budget revisions) approved by the COUNTY during the corresponding cooperative agreement fiscal year. If the actual expenditure differs from the projected budget amount by greater or less than 25% or \$50,000.00, whichever is lower, the SUBRECIPIENT must include a brief explanation of the reason(s) for the difference on the FLIER. Overpayments to the SUBRECIPIENT that are identified as a result of the SUBRECIPIENT's reconciliation of budgeted costs versus actual expenditures in the FLIER, in relation to the amount reimbursed by the COUNTY by service category may require repayment to the COUNTY. Any required repayments must be made by check payable to "Miami-Dade County", and must be included with the FLIER submission and submitted to the COUNTY by the reporting deadline. The FLIER for each funded service category must be submitted no later than sixty (60) calendar days following the end of the grant budget period unless the COUNTY provides written notification of an alternate deadline date. - E. Maintain a cost allocation plan, agency-wide budget, and reports of budgeted versus actual costs, along with supporting documentation for any shared costs included in the SUBRECIPIENT's approved contract budget(s) for the provision of HIV-related services under the EHE initiative, where applicable.

Article VIII
Amount Payable

8.1 Both parties agree that should funding to the COUNTY for health and support services for program-eligible people with HIV be reduced or should the SUBRECIPIENT fail to maintain a documented expenditure pattern consistent with the attached Scope of Service (Exhibit A) and Service Budget documents [line item budget(s), and narrative budget justification(s) (Exhibit B) based on actual reimbursements, the amounts payable under this Agreement may be proportionately reduced or eliminated at the sole discretion and option of the COUNTY, as detailed in Section 8.3 below. All services undertaken by the SUBRECIPIENT before the COUNTY’s execution of this Agreement shall be at the SUBRECIPIENT’s risk and expense. In any event, the maximum amount payable under this Agreement shall not exceed the following award amounts, unless a formal amendment is executed by the COUNTY:

<u>Service Category</u>	<u>Amount</u>
For «Service_Category» services:	«Award_Amount»

8.2 It is clearly understood that all services requested are on an "as needed basis" for program-eligible clients and program-allowable services, and that the service estimate or maximum amount payable referred to in this Agreement in no way constitutes a guarantee of the level of effort that may be requested from the SUBRECIPIENT or a guarantee of a specific amount payable by the COUNTY.

8.3 The SUBRECIPIENT’s budget(s) will be reduced accordingly, if the Office of Management and Budget-Grants Coordination as designated by the County Mayor or the County Mayor’s designee to administer the cooperative agreement grant finds that:

- A. The SUBRECIPIENT fails to maintain a documented expenditure pattern of average monthly reimbursement requests; or
- B. There were any significant deviations from the approved corresponding Scope of Services (Exhibit A) indicating that the SUBRECIPIENT is not spending at a rate that would absorb its full allocation, per category of service, within the contract period.

8.4 In the event the COUNTY determines that a reduction in the SUBRECIPIENT’s budget(s) is necessary, the COUNTY shall notify the SUBRECIPIENT in writing within thirty (30) calendar days of said reduction decision.

Article IX
Project Budget and Method of Payment

- 9.1 The SUBRECIPIENT agrees to invoice the COUNTY, separately, on a monthly basis, for each service identified in the attached Scope of Service(s), Exhibit A. The non-Federal entity may elect “pay in advance” in accordance with 45 CFR § 75.305 of the Uniform Guidance if it has submitted documentation to support its ability to comply with the Federal requirements for advance payment and is subsequently approved by the COUNTY. The SUBRECIPIENT is required to use the County-approved “Payment Request” form provided by the COUNTY and to submit such form to the County during the term of this Agreement.

Failure to submit monthly reimbursement request(s) and the summary of monthly activities performed in a manner satisfactory to the COUNTY by the twentieth (20th) day of each month following the month in which services were delivered, shall render the SUBRECIPIENT in non-compliance with this Article, unless the COUNTY has granted the SUBRECIPIENT an extension in writing. Or in the case of “pay in advance”, monthly requests must be received by the 20th on the month preceding the month of service along with the prior month’s actual expenditure amount. Notwithstanding the foregoing, if the 20th day of the month falls on a weekend or County-observed holiday, the reimbursement requests shall be submitted by close of business on the next business day. The COUNTY may require the SUBRECIPIENT to forfeit its claim to any payments for that specific month's reimbursement request or the COUNTY may invoke the termination provision for a specific service in this Agreement or for the entire Agreement by giving seven (7) calendar days written notice of such action to be taken. Failure to comply with these documentation and reimbursement requirements may result in rejection of invoices and non-payment of the amount(s) claimed.

- A. The COUNTY may suspend payment in whole or in part under this Agreement pending the receipt and approval by the COUNTY of all reports and documents due from the SUBRECIPIENT as part of this Agreement and any modifications thereto. If payments are suspended, the COUNTY shall specify the actions that must be taken by the SUBRECIPIENT as condition precedent to resumption of payments and shall specify a reasonable date for compliance.
- B. For non-governmental subrecipients, no payments will be made without original and non-expired certificates of appropriate insurance required by this Agreement. Such original certificates must be on file with the COUNTY's Internal Services Department, Risk Management Division, as specified under Article XI, Section 11.2 of this Agreement.
- C. The contract close-out invoice along with any outstanding reports shall be submitted no later than thirty (30) calendar days (i.e., Thursday, March 30, 2023) following the end of this Agreement’s contract period. If the SUBRECIPIENT fails to comply, all rights to related payment will be forfeited. **No extensions will be granted. No exceptions.**
- D. Close-out reports, such as the Final Line Item Expenditures Report (FLIER) and Annual Progress Report, are due sixty (60) calendar days after the end of the grant

budget period unless the COUNTY provides written notification of an alternate deadline date.

- E. Under Quick Connect Services, Payment Requests (invoices) submitted (via mail, email or the Provide® Enterprise Miami data management system) without any recorded services will not be processed for payment without the County's prior approval. In months where this occurs, the County will automatically apply a 1/12th penalty for the month without services and will not take into consideration this month for purposes of the quarterly performance review. See the 1/12th payment penalty detail included in the Scope of Services (Exhibit A, Section 4) of this Agreement.

9.2 At the option of the COUNTY, reimbursement shall be consistent with the SUBRECIPIENT's approved Service Budget documents [line item budget(s) and narrative budget justification(s)], (shown as Exhibit B attached herewith), and on the basis of one (1) or more of the following items:

- A. Staff Time: to be invoiced by (for outreach services) or supported by (for all other services) a copy of the SUBRECIPIENT's time sheets and payroll records;

In accordance with the applicable Uniform Guidance and 48 CFR § 31.2, as applicable and as may be amended, documentation of Support or Apportioning of Salaries and Wages (i.e., time and effort reports) must be maintained for any staff allocated in whole or in part to this Agreement, and is subject to audit by the COUNTY and to fiscal repayment to the COUNTY if the SUBRECIPIENT is determined to be out of compliance with this requirement. Documentation that reconciliation of such time and effort reports is conducted on a regular basis by the SUBRECIPIENT is also required.

- B. Service Units: to be billed at the unit cost, multiplier rate, or dispensing charge contained in the approved Service Budget(s) and Budget Narrative Justification(s) (see Exhibit B of this Agreement), and invoiced with supporting documentation showing units of services delivered (i.e., actual services provided or rendered) to program-eligible clients, as specified under Article VII, Section 7.1 of this Agreement;
- C. Receipts or invoices: (original) for purchase of supplies, approved equipment, etc.; or
- D. Overhead rate (administrative charge): as shown in the approved Service Budget section, Exhibit B, of this Agreement.

9.3 Notwithstanding any provision set forth herein, the COUNTY retains the right to withhold, seek reimbursement of, or recapture any cooperative agreement funds disbursed to the SUBRECIPIENT to which the SUBRECIPIENT was not entitled, or for which SUBRECIPIENT's supporting documentation could not be found or was found to be incomplete or illegible. Upon written notice to the SUBRECIPIENT, the COUNTY shall have the right to withhold any payments under this Agreement or seek reimbursement directly from the SUBRECIPIENT. Upon withholding or seeking reimbursement from the

SUBRECIPIENT, the COUNTY has the right to retain said grant funds. Notice shall be provided by the COUNTY to the SUBRECIPIENT in a timely manner, not to exceed thirty (30) calendar days from the date the COUNTY is informed by the SUBRECIPIENT or other source, or the COUNTY discovers through its independent inspection, review, or audit pursuant to Article II, Sections 2.1 (I) and (J) of this Agreement that the SUBRECIPIENT was not entitled to any or all grant funds claimed under this or any current or prior Agreement between the SUBRECIPIENT and the COUNTY. Notwithstanding the COUNTY's rights as described herein, the COUNTY shall communicate and work with the SUBRECIPIENT to ensure compliance with this Agreement and to further ensure that the issuance of the notice described in this Section 9.3 is warranted.

- 9.4 The SUBRECIPIENT's actual expenditures may not deviate more than 25% per line item on the most current approved Service Budget(s), attached herein as Exhibit B, without written approval from the COUNTY. Line items may not be added to the budget or Final Line Item Expenditure Report (FLIER) without written approval from the COUNTY. The COUNTY shall not be liable for any such expenses that have not been approved in writing by the COUNTY.
- 9.5 Budget revision requests must be submitted to the Office of Management and Budget-Grants Coordination (OMB-GC)/Ryan White Program no later than thirty (30) calendar days prior to the end of the term identified in Article XIII, Section 13.1 of this Agreement. Budget revision requests will be effective upon the date of written approval by the administrative office of the COUNTY assigned to manage this Agreement, or at an effective date agreed upon by the COUNTY and the SUBRECIPIENT.
- 9.6 The SUBRECIPIENT agrees to send all contract documents, budget packets, invoices, reports, and budget revision requests to the following address, unless otherwise directed by the COUNTY in writing:

- 9.8 The COUNTY agrees to review invoices and to inform the SUBRECIPIENT of any questions, problems, concerns, or need for additional information/verification. Payments in accordance with the COUNTY's Ryan White Program reimbursement policies shall be mailed to the SUBRECIPIENT, or if approved, via Automated Clearing House (ACH) Direct Deposit (electronic transfer) by the COUNTY's Finance Department.

- 9.9 The SUBRECIPIENT agrees to comply with any changes to the reimbursement procedures specified by the COUNTY, including changes to required information and format of monthly reimbursement reports.
- 9.10 Upon receipt and review of a proper invoice submitted by SUBRECIPIENT, the COUNTY shall reimburse SUBRECIPIENT in a timely manner as prescribed herein. In accordance with sections 218.73, 218.74, and 218.76, Florida Statutes, upon receipt of a proper invoice, the COUNTY shall reimburse SUBRECIPIENT within forty-five (45) calendar days. In accordance with section 2-8.1.4 of the Code of Miami-Dade County, known as the Sherman S. Winn Prompt Payment Ordinance, and Miami-Dade County Administrative Order 3-19, Prompt Payment, upon receipt of a proper invoice, the COUNTY shall reimburse SUBRECIPIENT within forty-five (45) calendar days; or within thirty (30) calendar days if SUBRECIPIENT is a small business, a minority-owned business, or a women-owned business enterprise. Failure of the COUNTY to adhere to the Prompt Payment requirements described herein shall render the COUNTY subject to paying interest on the amount due to the SUBRECIPIENT. SUBRECIPIENT shall also pay its subcontractor(s) as authorized under this agreement in a timely manner as indicated in the corresponding subcontract. In addition to the County's Sherman Winn Prompt Payment Ordinance and Administrative Order 3-19, the COUNTY will also adhere to 45 CFR § 75.305(b)(3), where applicable, for purposes of reimbursement. Accordingly, subject to the requirements of 45 CFR § 75.305(b)(3), the COUNTY will make payments to the SUBRECIPIENT within thirty (30) calendar days after receipt of the billing, unless the COUNTY reasonably believes the request to be improper.
- 9.11 The SUBRECIPIENT may submit a request for COUNTY approval of or decline an advance payment in accordance with the Uniform Guidance, 45 CFR § 75.305 and COUNTY requirements.

Thereafter, the COUNTY may, at its sole discretion, seek appropriate remedies including, but not limited to, repayment to the COUNTY or termination of this Agreement.

Article XII **Conflict of Interest**

- 12.1 No person under the employ of the COUNTY, who exercises any function or responsibilities in connection with this Agreement, has at the time this Agreement is entered into, or shall have during the term of this Agreement, any personal financial interest, direct or indirect, in this Agreement. Further, no officer, director, employee, agent, or other consultant of the COUNTY or a member of the immediate family or household of the aforesaid has directly or indirectly received or been promised any form of benefit, payment or compensation, whether tangible or intangible, in connection with the award of this Agreement.
- 12.2 **Nepotism.** Notwithstanding the aforementioned provision, no relative of any officer, board of director, manager, or supervisor employed by SUBRECIPIENT shall be employed by the SUBRECIPIENT unless the employment preceded the execution of this Agreement by one (1) year. No family member of any employee may be employed by the SUBRECIPIENT if the family member is to be employed in a direct supervisory or administrative relationship either supervisory or subordinate to the employee. The assignment of family members in the same organizational unit shall be discouraged. A conflict of interest in employment arises whenever an individual would otherwise have the responsibility to make, or participate actively in making decisions or recommendations relating to the employment status of another individual if the two individuals (herein sometimes called "related individuals") have one of the following relationships:
- A. By blood or adoption: Parent, child, sibling, first cousin, uncle, aunt, nephew, or niece;

- B. By marriage: Current or former spouse, brother- or sister-in-law, father- or mother-in-law, son- or daughter-in-law, step-parent, or step-child; or
- C. Other relationship: A current or former relationship, occurring outside the work setting that would make it difficult for the individual with the responsibility to make a decision or recommendation to be objective, or that would create the appearance that such individual could not be objective. Examples include, but are not limited to, personal relationships and significant business relationships.
- D. The provisions of this Article are supplemental to, not in lieu of, all applicable laws with respect to conflict of interest. In the event there is a difference between the standards applicable under this Agreement and those provided by statute, the stricter standard shall apply.
- E. In the event SUBRECIPIENT has no prior knowledge of a conflict of interest as set forth above and acquires information which may indicate that there may be an actual or apparent violation of any of the above, SUBRECIPIENT shall promptly bring such information to the attention of the COUNTY's Program Director. SUBRECIPIENT shall thereafter cooperate with the COUNTY's review and investigation of such information, and comply with the instructions SUBRECIPIENT receives from the COUNTY's Program Director in regard to remedying the situation.

For purposes of this section, decisions or recommendations related to employment status include decisions related to hiring, salary, working conditions, working responsibilities, evaluation, promotion, and termination.

An individual, however, is not deemed to make or actively participate in making decisions or recommendations if that individual's participation is limited to routine approvals and the individual plays no role involving the exercise of any discretion in the decision-making processes. If any question arises whether an individual's participation is greater than is permitted by this paragraph, the matter shall be immediately referred to the Miami-Dade County Commission on Ethics and Public Trust.

This section applies to both full-time and part-time employees and voting members of the SUBRECIPIENT's Board of Directors or Trustees.

- 12.3 No person, including, but not limited to, any officer, board of directors, manager, or supervisor employed by the SUBRECIPIENT, who is in the position of authority, and who exercises any function or responsibilities in connection with this Agreement, has at the time this Agreement is entered into, or shall have during the term of this Agreement, received any of the services, or direct or instruct any employee under their supervision to provide such services as described in the Agreement. Notwithstanding the before mentioned provision, any officer, board of directors, manager or supervisor employed by the SUBRECIPIENT, who is eligible to receive any of the services described herein may utilize such services if he or she can demonstrate that he or she does not have direct supervisory responsibility over the SUBRECIPIENT's employee(s) or service program.

- 12.4 SUBRECIPIENT and COUNTY staff will also adhere to Miami-Dade County Administrative Order 1-3, Gifts to the County, and section 2-11.1 of the Code of Miami-Dade County Code, the Conflict of Interest and Code of Ethics Ordinance, in order to avoid a conflict of interest or the slightest perception of a conflict, and to demonstrate a commitment to fairness, integrity, and impartiality. For purposes of this policy, gifts shall mean any item of value, financial or otherwise, including food, beverage, vendor sponsored meals, money, service, loan, travel, entertainment, hospitality, tickets for events, or promise of future employment or benefits.
- 12.5 SUBRECIPIENT and COUNTY staff will also adhere to the Federal Conflict of Interest Policy as defined in 45 CFR § 75.112, whereby potential conflicts related to a significant financial interest that could directly compromise or bias professional judgment and objectivity related to the management of federal financial assistance must be disclosed to the COUNTY and HRSA in writing.

Article XIII **Term of Agreement**

- 13.1 **Effective Term.** The SUBRECIPIENT's award is part of a multi-year cooperative agreement between the COUNTY and DHHS with a period of performance ending February 28, 2025. Notwithstanding this allowable period of performance, the initial effective term of this Agreement shall commence on August 2, 2021 and terminate at the close of business on February 28, 2022.

This initial 7-month period includes up to three, one-year options to renew through the end of the period of performance on February 28, 2025, at the County's sole discretion, based on contract performance, continued appropriations by Congress, and availability of adequate funds. The options to renew would be for 12-month budget periods beginning in March and ending in February of each subsequent cooperative agreement grant fiscal year of the options to renew. Additionally, the SUBRECIPIENT shall submit a revised Scope of Services (Exhibit A) and Budget (Exhibit B) to the COUNTY for each subsequent year upon notification by the COUNTY of the decision to exercise its option to renew this Agreement for an additional one-year term.

Although the renewal is at the COUNTY's option, the refusal of the SUBRECIPIENT to agree to said renewal of this Agreement, does not constitute a breach of this Agreement. However, if the SUBRECIPIENT does not agree to renew this Agreement, the SUBRECIPIENT shall provide written notification to the COUNTY within thirty (30) calendar days from receipt of the COUNTY's renewal notification. The SUBRECIPIENT shall submit to the COUNTY a transition plan for the SUBRECIPIENT's clients for all services included in this Agreement at a mutually agreed upon date. Said transition plan shall include appropriate arrangements (i.e., referrals to other SUBRECIPIENTs or funding streams) which are made to ensure minimal interruption of treatment provided to service recipients (program clients) enrolled in the program(s) funded herein. The SUBRECIPIENT will be responsible for ensuring that special needs and rights of service recipients (program clients) are taken into account, to all extent possible, when referrals are made.

Article XIV
Suspension, Debarment and Termination

14.1 **Suspension.**

The COUNTY may, for reasonable cause, temporarily suspend the SUBRECIPIENT's operations and authority to obligate grant funds under this Agreement or withhold payments to the SUBRECIPIENT pending necessary corrective action by the SUBRECIPIENT or both.

Reasonable cause shall be determined by the COUNTY, in its sole and absolute discretion, and may include:

- A. Ineffective or improper use of any grant funds provided hereunder by the SUBRECIPIENT;
- B. Failure by the SUBRECIPIENT to materially comply with any terms, conditions, insurance requirements, representations, or warranties contained herein;
- C. Failure by the SUBRECIPIENT to submit any documents required under this Agreement;
- D. The SUBRECIPIENT's submittal of incorrect, incomplete, or illegible documents; or
- E. Non-compliance with advance payment requirements in accordance with the Uniform Guidance, 45 CFR § 75.305. Such non-compliance may result in payment suspension and/or suspension of advance payments to SUBRECIPIENT; at which time, payments will default to reimbursements.

14.2 **Debarment.**

- A. Pursuant to Executive Orders 12549 (3 CFR § 1986 Comp., p. 189) and 12689 (3 CFR § 1989 Comp., p. 235), "Debarment and Suspension," a contract award shall not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM). SAM exclusions contain the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. The SUBRECIPIENT, with an award in excess of \$100,000.00, shall provide certification regarding their exclusion status and that of their principals prior to receipt of the award under this Agreement. The SUBRECIPIENT shall have a continuing obligation to notify the COUNTY in writing within ten (10) calendar days of any changes in their exclusion status throughout the term of this Agreement. The failure of the SUBRECIPIENT to notify the COUNTY of any changes in their exclusion status shall constitute a breach of this Agreement.

- B. Any individual or entity who attempts to meet its contractual obligations with the COUNTY through fraud, misrepresentation or material misstatement may be disbarred from COUNTY contracting for up to five (5) years.

14.3 **Termination.**

- A. **Termination at Will** – Pursuant to the Uniform Guidance, 2 CFR § 200.430 and 45 CFR § 75.372, the following will result in termination of the Agreement, with no less than thirty (30) calendar days' written notice to the SUBRECIPIENT: 1) termination unilaterally (voluntary) by the non-Federal entity (COUNTY); 2) termination by the COUNTY to the greatest extent authorized by law, if an award no longer effectuates the COUNTY's program goals or agency priorities; and 3) termination by HRSA or the COUNTY pursuant to termination provisions included in the Federal award. Additionally, this Agreement, in whole or in part, may be terminated by written notice from the COUNTY when the COUNTY determines that it would be in the best interest of the COUNTY or the SUBRECIPIENT materially fails to comply with the terms and conditions of an award. Said notice shall be delivered by certified mail, return receipt requested, or in person with proof of delivery. The SUBRECIPIENT will have five (5) business days from the day the notice is delivered to state why it is not in the best interest of the COUNTY to terminate the Agreement. However, it is up to the discretion of the COUNTY to make the final determination as to what is in its best interest.
- B. **Termination for Convenience** - Pursuant to the Uniform Guidance, 2 CFR § 200.430 and 45 CFR § 75.372, the following will result in termination of the Agreement, with no less than thirty (30) calendar days' written notice to the SUBRECIPIENT: 1) termination by mutual consent. Additionally, the COUNTY may terminate this Agreement by written notice in whole or part when both parties agree that the continuation of the activities would not produce beneficial results commensurate with the further expenditure of grant funds. Both parties shall agree upon the termination conditions, including the effective date and in the case of partial termination, the portion to be terminated. However, if the COUNTY determines in the case of partial termination that the reduced or modified portion of the contract award will not accomplish the purposes for which the grant was made, it may terminate the Agreement in its entirety. The COUNTY will consider the SUBRECIPIENT's request for termination for convenience on a case-by-case basis, and shall not unreasonably deny said request as long as the SUBRECIPIENT has satisfactorily demonstrated to the COUNTY that such termination for convenience would not impair or hinder service delivery to the SUBRECIPIENT's clients.

If the SUBRECIPIENT decides or agrees to terminate this Agreement, appropriate arrangements (i.e., referrals to other SUBRECIPIENTS or funding streams) must be made to ensure minimal interruption of treatment provided to service recipients (i.e., clients) enrolled in the program(s) funded herein. The SUBRECIPIENT will be responsible for ensuring that special needs and rights of service recipients are taken into account, to all extent possible, when referrals are made.

- C. **Termination Because of Lack of Funds** - In the event cooperative agreement funds to finance this Agreement become unavailable, the COUNTY may terminate this Agreement upon no less than thirty (30) calendar days' notice in writing to the SUBRECIPIENT. Said notice shall be sent either by electronic mail, facsimile, certified mail with return receipt, or in person with proof of delivery. The COUNTY shall be the final authority to determine whether or not grant funds are available.
- D. **Termination for Breach** - The COUNTY may terminate this Agreement, in whole, or in part, when the COUNTY determines in its sole and absolute discretion that the SUBRECIPIENT is not making sufficient progress in its performance of this Agreement outlined in Exhibit A, Scope of Services, or is not materially complying with any term or provision provided herein, including the following:
- (1) The SUBRECIPIENT ineffectively or improperly uses the grant funds allocated under this Agreement;
 - (2) The SUBRECIPIENT does not furnish the Certificates of Insurance required by Article XI, Section 11.3, of this Agreement, if applicable, or the insurance expires or is canceled, or as otherwise determined by the COUNTY's Internal Services Department, Risk Management Division;

 - (4) The SUBRECIPIENT refuses to allow the COUNTY, the United States Department of Health and Human Services, the United States Comptroller General, the United States Office of the Inspector General, or their authorized representatives access to records or refuses to allow the COUNTY to monitor, evaluate, and review the SUBRECIPIENT's programs funded under this Agreement;
 - (5) The SUBRECIPIENT discriminates under any of the laws outlined in this Agreement;

 - (9) The SUBRECIPIENT fails to correct deficiencies found during a monitoring visit, evaluation, desk audit, or record review within the specified time;

- (10) The SUBRECIPIENT fails to meet the material terms and conditions of any obligation under any contract or any repayment schedule to the COUNTY or any of its agencies or instrumentalities;
- (11) The SUBRECIPIENT fails to comply with the terms and conditions of this Agreement pursuant to the Uniform Guidance, 2 CFR § 200.430 and 45 CFR § 75.372;
- (12) The SUBRECIPIENT fails to meet any of the terms and conditions of the Miami-Dade County Vendor Affidavits (Exhibit C, Attachment A, of this Agreement), the State Public Entities Crime Affidavit (Exhibit C, Attachment B, of this Agreement), the Subcontractor/Supplier Listing and Subcontractor Payment Report forms , if applicable (Exhibit C, Attachments C.1 and C.2, of this Agreement), the Collusion Affidavit (Exhibit C, Attachment D, of this Agreement), the Due Diligence Affidavit (Exhibit C, Attachment E, of this Agreement), and the Federal Subaward Notification (Exhibit C, Attachment G, of this Agreement);

- (14) The SUBRECIPIENT fails to adhere to the tracking and reporting requirements for advance payments, if applicable, in accordance with the Uniform Guidance, 45 CFR § 75.305.

The SUBRECIPIENT shall be given written notice of the claimed breach and ten (10) business days to cure same. Unless the SUBRECIPIENT's breach is waived by the COUNTY in writing, or unless the SUBRECIPIENT fails, after receiving written notice of the claimed breach by the COUNTY to take steps to cure the breach within ten (10) business days after receipt of notice of the breach, the COUNTY may, by written notice to the SUBRECIPIENT, terminate this Agreement upon no less than thirty (30) calendar days. Said notice shall be sent by certified mail with return receipt requested, or in person with proof of delivery. Waiver of breach of any provision of this Agreement shall not be construed to be a modification of the terms of this Agreement.

Notwithstanding the COUNTY's right to terminate this Agreement pursuant to this Article, the SUBRECIPIENT shall be liable to the COUNTY, subject to the provisions and the limitations of section 768.28, Florida Statutes, as it may be amended, if applicable, for damages sustained by the COUNTY by virtue of any breach of this Agreement or any other agreement by the SUBRECIPIENT, and the COUNTY may withhold any payments due to the SUBRECIPIENT until such time as the exact amount of damages due to the COUNTY from the SUBRECIPIENT is determined and properly settled. Additionally, the COUNTY retains the right to withhold, seek reimbursement of, or recapture any grant funds disbursed to the SUBRECIPIENT to which the SUBRECIPIENT was not entitled. The SUBRECIPIENT shall be responsible, subject to the provisions and the limitations of section 768.28, Florida Statutes, as it may be amended, if applicable, for all

direct and indirect costs associated with such termination or cancellation, including attorney's fees.

In the event this Agreement is terminated, the SUBRECIPIENT shall provide the COUNTY with a Transitional Plan no later than thirty (30) calendar days after receipt of any notice of termination or Notice of Event of Default from the SUBRECIPIENT or the COUNTY. This Transitional Plan shall include, but is not limited to, steps the SUBRECIPIENT shall take to ensure that their clients are notified in a timely manner of the cessation of services under this Agreement and a plan for referral to an alternate COUNTY-approved subrecipient organization. Additional requirements for the Transitional Plan may be included at the COUNTY's sole discretion. Approval of the Transitional Plan is in the COUNTY's sole discretion.

If an organization or individual is delinquent on federal debt, they should submit an explanation to the COUNTY that includes proof that satisfactory arrangements have been made with the Agency to which the debt is owed.
- 15.2 When, in the sole opinion of the COUNTY, reasonable grounds for uncertainty exist with respect to the SUBRECIPIENT's ability to perform the Services or any portion thereof, the COUNTY may request that the SUBRECIPIENT, within the time frame set forth in the COUNTY's request, provide adequate assurances to the COUNTY, in writing, of the SUBRECIPIENT's ability to perform in accordance with terms of this Agreement. Patent and Copyright Indemnification

- 21.1 The SUBRECIPIENT warrants that all Services or Deliverables furnished hereunder, including but not limited to, equipment, programs, documentation, software, analyses, applications, methods, ways, processes, and the like, do not infringe upon or violate any patent, copyrights, service marks, trade secret, or any other third-party proprietary rights.

However, as stated in Article II, Section 2.1 (ZZ) of this Agreement, the SUBRECIPIENT must assure that any developed work, item, document, etc. under this cooperative agreement can be used by HRSA/HAB in accordance with 45 CFR § 75.322(b). The COUNTY and SUBRECIPIENT may copyright any work that is subject to copyright and was developed, or for which ownership was purchased, under [this] EHE award. In accordance with 45 CFR § 75.322(b), HRSA/HAB reserves a royalty free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the developed work, item, document, etc. for Federal purposes, and to authorize others to do so.

- 21.2 The SUBRECIPIENT shall be liable and responsible for any and all claims made against the COUNTY for infringement of patents, copyrights, service marks, trade secrets, other intellectual property rights, or any other third-party proprietary rights, by the use or supplying of any programs, documentation, software, analyses, applications, methods, ways, processes, and the like, in the course of performance or completion of, or in any way connected with, the Work, or the COUNTY's continued use of the Services or Deliverables furnished hereunder. Accordingly, the SUBRECIPIENT at its own expense, including the payment of attorney's fees, shall indemnify, and hold harmless the COUNTY, subject to the provisions and the limitations of Section 768.28, Florida Statutes, as may be amended, if applicable, and defend any action brought against the COUNTY with respect to any claim, demand, cause of action, debt, or liability.
- 21.3 In the event any Service or Deliverable or anything provided to the COUNTY hereunder, or portion thereof is held to constitute an infringement and its use is or may be enjoined, the SUBRECIPIENT shall have the obligation to, at the COUNTY's option to (1) modify, or require that the applicable subcontractor or supplier modify, the alleged infringing item(s) at its own expense, without impairing in any respect the functionality or performance of the item(s), or (2) procure for the COUNTY, at the SUBRECIPIENT's expense, the rights provided under this Agreement to use the item(s).
- 21.4 The SUBRECIPIENT shall be solely responsible for determining and informing the COUNTY whether a prospective supplier or subcontractor is a party to any litigation involving patent or copyright infringement, service mark, trademark, violation, or proprietary rights claims or is subject to any injunction which may prohibit it from providing any Service or Deliverable hereunder. The SUBRECIPIENT shall enter into agreements with all suppliers and subcontractors at the SUBRECIPIENT's own risk. The COUNTY may reject any Service or Deliverable that it believes to be the subject of any such litigation or injunction, or if, in the COUNTY's judgment, use thereof would delay the Work or be unlawful.
- 21.5 SUBRECIPIENT acknowledges that the Agreement and any other documents submitted to the COUNTY or obtained by the COUNTY pursuant to this Agreement will be a public document, and may be available for inspection and copying by the public pursuant to the Florida Public Records Act notwithstanding any statements of confidentiality, proprietary information, copyright information, or similar notation. Failure to adhere to this provision will result in a negative audit finding, cost disallowance, or grant funding offset. Notwithstanding the foregoing, should information be deemed confidential and/or statutorily exempted from disclosure pursuant to the provisions and the limitations of

Section 395.3035, Florida Statute, as it may be amended, or otherwise, the parties agree that such information shall be afforded the appropriate statutory protections.

Article XXVI

Nature of the Agreement

- 26.1 This Agreement incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained in this Agreement. The parties agree that there are no commitments, agreements, or understandings concerning the subject matter of this Agreement that are not contained in this Agreement, and that this Agreement contains the entire agreement between the parties as to all matters contained herein. Mutual Obligations

- 27.1 This Agreement, including all exhibits, attachments, and appendices to the Agreement, shall constitute the entire Agreement between the parties with respect hereto and supersedes all previous communications and representations or agreements, whether written or oral, with respect to the subject matter hereto unless acknowledged in writing by the duly authorized representatives of both parties.
- 27.2 Except as provided herein, all conditions of this Agreement hereunder are imposed solely and exclusively for the benefit of the COUNTY, the SUBRECIPIENT and HRSA, and their successors and assigns. No other person shall have standing to require satisfaction of such conditions, and no other person shall under any circumstances, be deemed to be a beneficiary of this Agreement. Further, the COUNTY makes no representations and assumes no duties or obligations as to third parties concerning the quality of the Services provided by the SUBRECIPIENT. The SUBRECIPIENT further agrees to include this disclaimer in each of its future agreements or contracts with any partner, participating party, or any other party involving the use of the EHE cooperative agreement funds where applicable.
- 27.4 The Parties acknowledge that nothing contained in the COUNTY's Notice of Award with HRSA, or in any agreement between the parties shall be deemed or construed to create any relationship of third-party beneficiary, principal and agent, limited or general partnership, joint venture, or any association or relationship involving HRSA, except between HRSA and the COUNTY as provided under the terms of the COUNTY's Notice of Award.
