Recommendations

It is recommended that the Board:

1. Retroactively approve the County Mayor or the County Mayor's designee's actions in completing the standard forms and required materials to receive Fiscal Year 2023 Economic Development Initiative/Community Project Funding program grant funding in an amount not to exceed \$4,000,000.00 ("grant funds") from the United States Department of Housing and Urban Development (HUD), for the Sweetwater Affordable Housing project, as provided for in the May 8, 2023 award letter provided by HUD to the County, a copy of which is attached the resolution as Exhibit A; and
2. Retroactively approve the County Mayor or County Mayor's designee's execution of the grant agreement between the County and HUD ("grant agreement"), in substantially the form attached to the resolution as Exhibit B and incorporated therein by reference, subject to the approval of the County Attorney's Office for form and legal sufficiency; authorize the County Mayor or County Mayor's designee to exercise the provisions contained in such grant agreement, including termination and amendment provisions, so long as such amendments are consistent with the purpose of this resolution; and further authorize the County Mayor or

County Mayor's designee to execute other necessary documents as may be required by HUD for the grant project; and

Scope

The proposed project is in the City of Sweetwater within County Commission District 12, represented by Juan Carlos Bermudez, but will have countywide impact because of the proposed number of affordable housing units.

Delegation of Authority

This item requests a delegation of authority to authorize the County Mayor or the County Mayor's designee to complete standard forms and required materials to receive grant funds, execute the grant agreement with HUD, receive and expend grant funds, execute an agreement with the developer, CREI Holdings, LLC, and execute all necessary agreements for the receipt and expenditure of such funds, and exercise all provisions contained therein, subject to the County Attorney's Office's approval for form and legal sufficiency.

Fiscal Impact/Funding Source

This grant project provides for a positive fiscal impact to the County in the amount of \$4,000,000.00, with no matching funds required.

Track Record/Monitor

Alex R. Ballina, Director, Public Housing and Community Development Department (PHCD), will oversee the Economic Development Initiative/Community Project Funding project and grant funds. PHCD will monitor all projects to ensure compliance with Federal, State and County guidelines and policies.

Background

On January 24, 2023, PHCD received an award notification from the U.S. Department of Housing and Urban Development (HUD) for the FY 2023 Economic Development Initiative/Community Project Funding (CPF) grant program for the Sweetwater Affordable Housing project. The notification was accompanied by a joint explanatory statement (JES). According to the JES, the

CPF grant was requested by U.S. Congressman Mario Diaz-Balart. PHCD did not apply for or request the awarded funding.

In the Consolidated Appropriations Act, 2023 (Public Law 117-328), Congress made \$2,982,285,641 in funding available for grants for the CPF program. CPF grants are selected through a congressionally-directed application process, providing investments in a wide variety of projects such as housing, homelessness prevention, workforce training, public facilities, parks, resilience planning, and other critical infrastructure and services. HUD is responsible for administering the funds but does not facilitate the grant application process.

On May 8, 2023, PHCD received the Grant Award Letter (GAL), a copy of which is attached the resolution as Exhibit A. The GAL outlines initial grant award requirements and information needed to prepare and execute the grant agreement. Among the requirements are HUD standard forms, which includes Standard Form-424 Application for Federal Assistance.

The Sweetwater Affordable Housing project is Li'l Abner III (the "Project"), a 328-unit, senior, affordable mixed-income multi-family housing development to be located on a 4-acre± site in the City of Sweetwater (the "City"). The Project is being developed by CREI Holdings, LLC ("CREI"). CREI is the subrecipient of the grant funds. CREI is the Project developer. CREI has been and continues to be wholly responsible for developing and causing to be approved the building plans, constructing the Project, managing the leasing, and maintenance of the Project.

The project site is generally located on NW 4th Terrace, between NW 112th and 114th Avenues, straddling two folioed parcels (25-4006-087-0010 and 25-4006-001-2431) (the "Project Site"). The Project Site is vacant, occupying land that previously constituted part of the common areas of the surrounding Li'l Abner Mobile Home Park. The Project Site is wholly owned by CREI and is the third in a series of senior housing projects in and abutting the Project Site, also developed by CREI. Li'l Abner 1, located to the west of the Project Site, is an 87-unit multi-family rental community, and Li'l Abner 2, located to the east of the Project Site, is a 244-unit multi-family rental community; both are also senior, affordable mixed income projects.

The Project will contain 328 1- and 2-bedroom units distributed in one eight-story building. The Project will have one hundred eighty-four (184) 1-bedroom units, one hundred twenty-eight (128) 2-bedroom units, and sixteen (16) 3-bedroom. Each unit is well apportioned with ample living spaces and walk-in closets and features central cooling and heating and in-unit washers and dryers. The Project will also contain communal amenities, including fitness center, residents' lounge, green spaces, and storage. The Project is an affordable housing community, though it will have a mix of incomes within the appropriate affordability range. The target populations for the project are as follows:

- Forty percent of the units, or 131 units, at eighty percent of area median income (AMI);
- Sixty percent of the units, or 197 units, at one-hundred twenty percent AMI.

Additionally, approximately forty percent (40%) of the Project will be restricted to individuals 55 years of age and older, qualifying the Project as Senior Housing.

Honorable Chairman Oliver G. Gilbert, III
and Members, Board of County Commissioners

As the grantee, Miami-Dade County will have sole access to the grant funds. Miami-Dade County will ensure the proper use of the grant funds and will be responsible for disbursing the funds to the subrecipient for eligible costs, as approved by HUD, during the grant term, which ends on August 31, 2031.

PHCD requests that the Board adopt a resolution authorizing the recommendations described above.

Overview of the FY2023 Act

CPF grants are subject to several Federal requirements. HUD will provide additional information and further clarification regarding applicable requirements and the grant award process in upcoming webinars and additional technical assistance. The most essential requirements include:

- **Administrative Requirements:** CPF grants are subject to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR Part 200.
- **Environmental Review Requirements:** CPF grants, like all projects funded by HUD, are subject to requirements under the National Environmental Policy Act (NEPA), HUD’s NEPA-implementing regulations at 24 CFR Part 50 or 24 CFR Part 58, and all appropriate federal environmental and historic preservation laws, regulations, and Executive Orders.
 - In keeping with the National Environmental Policy Act (NEPA) and HUD’s NEPA-implementing regulations at 24 CFR Part 50 or 24 CFR Part 58, **environmental reviews must be completed, and a Request for Release of Funds and Certification must be approved by HUD, as applicable, for all projects prior to taking any ‘choice limiting actions.’¹**
 - Environmental reviews must be completed before a grantee can undertake actions that prevent the grantee from taking an alternative action to minimize or avoid environmental harm, or that would have an adverse environmental impact (“choice limiting actions”). This step is required to avoid violations under 24 CFR 58.22 which provides limitations on activities pending clearance, and Section 110(k) of the National Historic Preservation Act which prohibits anticipatory demolition or significant harm of cultural and/or historic resources prior to completion of the historic preservation review process known as Section 106 review.
 - HUD defines the “Federal Nexus” for a program or project as the event that triggers the requirements for federal environmental review under a host of laws, regulations, and Executive Orders, including the prohibition on choice limiting actions.
- To be eligible, expenses must comply with applicable Federal requirements. This includes administrative requirements under 2 CFR Part 200, environmental laws, statutes and Executive Orders, and other “cross-cutting” federal requirements adhered to by HUD. In addition, environmental reviews are required for all HUD funded programs and project activities. This includes soft costs as well as hard costs.
- For FY2023 grants, the date of the FY 2023 Act’s enactment (December 29, 2022) is the date of eligibility for reimbursement for hard and soft costs and the date of the federal nexus

¹ Choice limiting actions constitute work, such as entering construction contract agreements/commitments and earth-moving activities/clearing/grubbing as well as building renovation/upgrades, that can have an adverse impact on cultural and / or historical resources or the environment, or prevent the avoidance, minimization, or mitigation of those impacts. Examples of ‘choice limiting actions’ include, but are not limited to, purchasing land, entering into contracts for property acquisition or construction, or physical work on the project.

for compliance with all environmental laws. Therefore, reimbursable/eligible hard costs can be incurred after enactment once a full environmental review is completed.

- HUD conducted a nationwide environmental review to clear activities such as administrative, planning, and operations and maintenance costs (including costs to prepare an environmental review).
 - After execution of the FY2023 CPF Grant Agreement, these soft costs may be reimbursed if incurred after December 29, 2022, and the costs would otherwise meet the allowability criteria in 2 CFR 200.403.
 - Hard costs can be reimbursed if incurred after a full environmental review is completed and the costs would otherwise meet the allowability criteria in 2 CFR 200.403.

Further explanation and guidance on choice limiting actions and the environmental review process, including historic preservation review, is included within the FY2023 CPF Grant Guide and on the program's webpage.

The Grantee's indirect cost rate information is as provided in Appendix 3 to this Grant Agreement. Unless the Grantee is an Institution of Higher Education, the Grantee must immediately notify HUD upon any change in the Grantee's indirect cost rate during the Period of Performance, so that HUD can amend the Grant Agreement to reflect the change if necessary. Consistent with 2 CFR Part 200, Appendix III (C.7), if the Grantee is an Institution of Higher Education and has a negotiated rate in effect on the date this Grant Agreement is signed by HUD, the Grantee may use only that rate for its indirect costs during the Period of Performance.

G. The Grantee must comply with any specific award conditions that HUD may attach to this Grant Agreement as provided by 2 CFR 200.208. If applicable, these conditions will be listed or added as Appendix 5 to this Grant Agreement.

H. The Grantee is responsible for managing the Project and ensuring the proper use of the Grant Funds. The Grantee is also responsible for ensuring the completion of the Project, the grant closeout, and compliance with all applicable federal requirements. The Grantee may subaward all or a portion of its funds to one or more subrecipients, as identified in the Project Narrative (Appendix 1) or as may be approved by HUD in accordance with 2 CFR 200.308. All subawards made with funding under this Grant Agreement are subject to the subaward requirements under 2 CFR Part 200, including 2 CFR 200.332, and other requirements provided by this Grant Agreement. The Grantee is responsible for ensuring each subrecipient complies with all requirements under this Grant Agreement, including the general federal requirements in Article IV. A subaward may be made to a for-profit entity only if HUD expressly approves that subaward and the for-profit entity is made subject to the same Federal requirements that apply to all other subrecipients, including the requirements 2 CFR part 200 provides for a "non-Federal entity" that receives a subaward.

ARTICLE IV. General Federal Requirements

A. If the Grantee is a unit of general local government, a State, an Indian Tribe, or an Alaskan Native Village, the Grantee is the Responsible Entity (as defined in 24 CFR part 58) and agrees to assume all of the responsibilities for environmental review and decision-making and action, as specified and required in regulations issued by the Secretary pursuant to section 305(c) of the Multifamily Housing Property Disposition Reform Act of 1994 and published in 24 CFR Part 58.

B. If the Grantee is a housing authority, redevelopment agency, academic institution, hospital or other non-profit organization, the Grantee shall request the unit of general local government, Indian Tribe or Alaskan Native Village, within which the Project is located and which exercises land use responsibility, to act as Responsible Entity and assume all of the responsibilities for environmental review and decision-making and action as specified in paragraph A above, and the Grantee shall carry out all of the responsibilities of a grantee under 24 CFR Part 58.

C. After December 29, 2022, neither the Grantee nor any of its contractors, subrecipients and other funding and development partners may undertake, or commit or expend Grant Funds or local funds for, project activities (other than for planning, management, development and administration activities), unless a contract requiring those activities was already executed on or before December 29, 2022, until one of the following occurs: (i) the Responsible Entity has completed the environmental review procedures required by 24 CFR part 58, and HUD has approved the environmental certification and given a release of funds; (ii) the Responsible Entity has determined and documented in its environmental review record that the activities are exempt under 24 CFR 58.34 or are categorically excluded and not subject to compliance with environmental laws under 24 CFR 58.35(b); or (iii) HUD has performed an environmental review under 24 CFR part 50 and has notified Grantee in writing of environmental approval of the activities.

D. Following completion of the environmental review process, the Grantee (recipient) shall exercise oversight, monitoring, and enforcement as necessary to assure that decisions and mitigation measures adopted through the environmental review process are carried out during project development and implementation.

E. The Grantee must comply with the generally applicable HUD and CPD requirements in 24 CFR Part 5, subpart A, including all applicable fair housing, and civil rights requirements. If the Grantee is a Tribe or a Tribally Designated Housing Entity (TDHE) as established under 24 CFR 1000.206, the Grantee must comply with the nondiscrimination requirements in 24 CFR 1000.12 in lieu of the nondiscrimination requirements in 24 CFR 5.105(a). The Grantee must report data on the race, color, religion, sex, national origin, age, disability, and family characteristics of persons and households who are applicants for, participants in, or beneficiaries or potential beneficiaries of the Grantee's Project, consistent with the instructions and forms provided by HUD in order to carry out its responsibilities under the Fair Housing Act, Executive Order 11063, Title VI of the Civil Rights Act of 1964, and Section 562 of the Housing and Community Development Act of 1987 (e.g. HUD-27061).

F. The Grantee must comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 CFR part 200, as may be amended from time to time. If 2 CFR part 200 is amended to replace or renumber sections of part 200 that are cited specifically in this Grant Agreement, the part 200 requirements as renumbered or replaced by the amendments will govern the obligations of HUD and the Grantee after those amendments become effective.

G. The Grantee must comply with the Award Term in Appendix A to 2 CFR Part 25 ("System for Award Management and Universal Identifier Requirements") and the Award Term in Appendix A to 2 CFR Part 170 ("Reporting Subawards and Executive Compensation"), which are hereby incorporated into and made part of this Grant Agreement.

H. If the Total Grant Amount, as provided in Article II of this Grant Agreement, is greater than \$500,000, the Grantee must comply with the Award Term and Condition for Grantee Integrity and Performance Matters in Appendix 4 to this Grant Agreement.

I. Unless the Grantee is exempt from the Byrd Amendment as explained below, the Grantee must comply with the provisions of Section 319 of Public Law 101-121, 31 U.S.C. 1352, (the Byrd Amendment) and 24 CFR Part 87, which prohibit recipients of Federal contracts, grants, or loans from using appropriated funds for lobbying the executive or legislative branches of the Federal Government in connection with a specific contract, grant, loan, or cooperative agreement. The Grantee must include in its award documents for all sub-awards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements), the requirements for the certification required by Appendix A to 24 CFR Part 87 and for disclosure using Standard Form- LLL (SF-LLL), "Disclosure of Lobbying Activities." In addition, the Grantee must obtain the executed certification required by Appendix A and an SF-LLL from all covered persons. "Person" is as defined by 24 CFR Part 87. Federally recognized Indian tribes and TDHEs established by Federally recognized Indian tribes as a result of the exercise of the tribe's sovereign power are excluded from coverage of the Byrd Amendment. State-recognized Indian tribes and TDHEs established only under state law must comply with this requirement.

J. The Grantee must comply with drug-free workplace requirements in Subpart B of 2 CFR Part 2429, which adopts the governmentwide implementation (2 CFR Part 182) of sections 5152-5158 of the Drug-Free Workplace Act of 1988, Pub. L. 100-690, Title V, Subtitle D (41 U.S.C. 701-707).

K. The Grantee must comply with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) as implemented by regulations at 49 CFR Part 24. The URA applies to acquisitions of real property and relocation occurring as a direct result of the acquisition, rehabilitation, or demolition of real property for Federal or Federally funded programs or projects. Real property acquisition that receives Federal financial assistance for a program or project, as defined in 49 CFR 24.2, must comply with the acquisition requirements contained in 49 CFR part 24, subpart B. Unless otherwise specified in law, the relocation requirements of the URA and its implementing regulations at 49 CFR part 24, cover any displaced person who moves from real property or moves personal property from real property as a direct result of acquisition, rehabilitation, or demolition for a program or project receiving HUD financial assistance

L. If Grant Funds are used for purchase, lease, support services, operation, or work that may disturb painted surfaces, of pre-1978 housing, you must comply with the lead-based paint evaluation and hazard reduction requirements of HUD's lead-based paint rules (Lead Disclosure; and Lead Safe Housing (24 CFR part 35)), and EPA's lead-based paint rules (e.g., Repair, Renovation and Painting; Pre-Renovation Education; and Lead Training and Certification (40 CFR part 745)).

M. The Grantee must comply with Section 3 of the Housing and Urban Development Act of 1968 (Section 3), 12 U.S.C. 1701u, and HUD's regulations at 24 CFR part 75, as applicable, including the reporting requirements in 24 CFR 75.25. Grants made to Tribes and TDHEs are subject to Indian Preference requirements in Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 5307(b)). As stated in 24 CFR 75.3(c), grants to Tribes and TDHEs are subject to Indian Preference requirements in lieu of Section 3. Grantees that are not exempt from Section 3 must submit annual reports of Section 3

accomplishment Performance Measures in DRGR in January of the calendar year. This report reflects Section 3 accomplishments for the previous calendar year.

N. The Grantee must not use any Grant Funds to support any Federal, state, or local project that seeks to use the power of eminent domain, unless eminent domain is employed only for a public use. Public use includes use of funds for mass transit, railroad, airport, seaport, or highway projects, and utility projects which benefit or serve the general public (including energy-related, communication-related, water-related, and waste water-related infrastructure), other structures designated for use by the general public or with other common-carrier or public-utility functions that serve the general public and are subject to regulation and oversight by the government, and projects for the removal of an immediate threat to public health and safety or brownfields, as defined in the Small Business Liability Relief and Brownfields Revitalization Act (Pub. L. 107-118). Public use does not include economic development that primarily benefits private entities.

O. The Grantee must not use any Grant Funds to maintain or establish a computer network that does not block the viewing, downloading, and exchanging of pornography. This requirement does not limit the use of funds necessary for any Federal, State, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, or adjudication activities.

P. The Grantee must administer its Grant Funds in accordance with the Conflict of Interest requirements set forth in Appendix 6 of this Grant Agreement.

Q. The Grantee must comply with the governmentwide debarment and suspension requirements in 2 CFR part 180 as incorporated and supplemented by HUD's regulations at 2 CFR part 2424.

R. The Grantee must comply with the award term and condition regarding trafficking in persons in Appendix 7 of this Grant Agreement.

S. The assurances and certifications the Grantee has made and submitted to HUD are incorporated by this reference and made part of this Grant Agreement.

ARTICLE V. Drawdown Requirements

A. The Grantee may not draw down Grant Funds until HUD has received and approved any certifications and disclosures required by 24 CFR 87.100 concerning lobbying, if applicable.

B. The Grantee must use HUD's Disaster Recovery Grant Reporting (DRGR) system to draw down Grant Funds and report to HUD on activities.

C. The Grantee must enter activity and budget information in DRGR that is consistent with the Grantee's Project and Approved Budget as described in Article III, sections A and B of this Grant Agreement and complies with HUD's instructions for entering information in DRGR found in the document titled "Grant Award Instructions" that accompanies the Grant Agreement.

D. The Grantee must only enter activities in DRGR that are described in the Approved Budget.

E. The Grantee must expend all Grant Funds in accordance with the activity and budget information in DRGR.

F. Each drawdown of Grant Funds constitutes a representation by the Grantee that the funds will be used in accordance with this Grant Agreement.

G. The Grantee must use DRGR to track the use of program income and must report the receipt and use of program income in the reports the Grantee submits to HUD under Article VI of this Grant Agreement. The Grantee must expend program income before drawing down Grant Funds through DRGR.

H. Notwithstanding any other provision of this grant agreement, HUD will not be responsible for payment of any Grant Funds after the date Treasury closes the account in accordance with 31 U.S.C. § 1552. Because Treasury may close the account up to one week before the September 30 date specified by 31 U.S.C. § 1552, the Grantee is advised to make its final request for payment under the grant no later than September 15, 2031.

ARTICLE VI. Program-Specific Reporting Requirements

In addition to the general reporting requirements that apply under other provisions of this Agreement, the following program-specific reporting requirements apply to the Grantee:

A. The Grantee must submit a performance report in DRGR on a semi-annual basis and must include a completed Federal financial report as an attachment to each performance report in DRGR. Performance reports shall consist of a narrative of work accomplished during the reporting period. During the Period of Performance, the Grantee must submit these reports in DRGR no later than 30 calendar days after the end of the 6-month reporting period. The first of these reporting periods begins on the first of January or June (whichever occurs first) after the date this Grant Agreement is signed by HUD.

B. The performance report must contain the information required for reporting program performance under 2 CFR 200.329(c)(2) and (d), including a comparison of actual accomplishments to the objectives of the Project as described in Article III, section A of this Grant Agreement, the reasons why established goals were not met, if appropriate, and additional pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

C. Financial reports must be submitted using DRGR or such future collections HUD may require and as approved by OMB and listed on the Grants.gov website (<https://www.grants.gov/web/grants/forms/post-award-reporting-forms.html>).

D. The performance and financial reports will undergo review and approval by HUD. If a report submission is insufficient, HUD will reject the report in DRGR and identify the corrections the Grantee must make.

E. No drawdown of funds will be allowed through DRGR while the Grantee has an overdue performance or financial report.

F. The Grantee must report and account for all property acquired or improved with Grant Funds as provided by 2 CFR part 200 using the applicable common forms approved by OMB and provided on the Grants.gov website (<https://www.grants.gov/web/grants/forms/post-award-reporting-forms.html>). This reporting obligation includes submitting status reports on real property at least annually as provided by 2 CFR 200.330, accounting for real and personal property acquired or improved with Grant Funds as part of Project Closeout, and promptly submitting requests for disposition instructions as provided by 2 CFR 200.311(c), 200.313(e), and 200.314(a).

ARTICLE VII. Project Closeout

A. The grant will be closed out in accordance with 2 CFR part 200, as may be amended from time to time, except as otherwise specified in this Grant Agreement.

B. The Grantee must submit to HUD a written request to closeout the grant no later than 30 calendar days after the Grantee has drawn down all Grant Funds and completed the Project as described in Article III, section A of this Grant Agreement. HUD will then send the Closeout Agreement and Closeout Certification to the Grantee.

C. At HUD's option, the Grantee may delay initiation of project closeout until the resolution of any findings as a result of the review of semi-annual activity reports in DRGR. If HUD exercises this option, the Grantee must promptly resolve the findings.

D. The Grantee recognizes that the closeout process may entail a review by HUD to determine compliance with the Grant Agreement by the Grantee and all participating parties. The Grantee agrees to cooperate with any HUD review, including reasonable requests for on-site inspection of property acquired or improved with Grant Funds.

E. No later than 120 calendar days after the Period of Performance, Grantees shall provide to HUD the following documentation:

1. A Certification of Project Completion.
2. A Grant Closeout Agreement.
3. A final financial report giving the amount and types of project costs charged to the grant (that meet the allowability and allocability

requirements of 2 CFR part 200, subpart E); a certification of the costs; and the amounts and sources of other project funds.

4. A final performance report providing a comparison of actual accomplishments with the objectives of the Project, the reasons for slippage if established objectives were not met and additional pertinent information including explanation of significant cost overruns.
5. A final property report, if specifically requested by HUD at the time of closeout.

ARTICLE VIII. Default

A default under this Grant Agreement shall consist of any use of Grant Funds for a purpose other than as authorized by this Grant Agreement, any noncompliance with statutory, regulatory, or other requirements applicable to the Grant Funds, any other material breach of this Grant Agreement, or any material misrepresentation in the Grantee's submissions to HUD in anticipation of this award. If the Grantee fails to comply with the terms and conditions of the Grant Agreement, HUD may adjust specific conditions of this Grant Agreement as described in 2 CFR part 200, as may be amended from time to time. If HUD determines that noncompliance cannot be remedied by imposing additional conditions, HUD may take one or more of the remedies for noncompliance described in 2 CFR part 200, as may be amended from time to time. HUD may also terminate all or a part of this award as provided by 2 CFR 200.340 and other applicable provisions of 2 CFR part 200, as may be amended from time to time. Nothing in this Grant Agreement shall be construed as creating or justifying any claim against the Federal government or the Grantee by any third party.

ARTICLE IX. HUD Contact Information

Except where this Grant Agreement specifically states otherwise, all requests, submissions, and reports the Grantee is required to make to HUD under this Grant Agreement must be made in writing via email to CPFGGrants@hud.gov.

APPENDIX 3 – Grantee’s Indirect Cost Rate Information

Subject to the applicable requirements in 2 CFR part 200 (including its appendices), the Grantee will use an indirect cost rate as represented by the Grantee below:

- The Grantee will not use an indirect cost rate to charge its indirect costs to the grant.
- The Grantee will use the indirect cost rate(s) identified in the table below to charge its indirect costs to the grant.

Agency/Dept./Major Function	Indirect cost rate	Direct Cost Base
_____	_____ %	_____
_____	_____ %	_____

[PLEASE NOTE: The grantee must check one of the two boxes above. If the second box is checked, the corresponding table must be filled out as described below.

The table must include each indirect cost rate that will be used to calculate the Grantee’s indirect costs under the grant. The table must also specify the type of direct cost base to which each included rate applies (for example, Modified Total Direct Costs (MTDC)). Do not include indirect cost rate information for subrecipients.

For government entities, enter each agency or department that will carry out activities under the grant, the indirect cost rate applicable to each department/agency (including if the de minimis rate is used per 2 CFR 200.414), and the type of direct cost base to which the rate will be applied.

For nonprofit organizations that use the Simplified Allocation Method for indirect costs or elects to use the de minimis rate of 10% of Modified Total Direct Costs in accordance with 2 CFR 200.414, enter the applicable indirect cost rate and type of direct cost base in the first row of the table.

For nonprofit organizations that use the Multiple Allocation Base Method, enter each major function of the organization for which a rate was developed and will be used under the grant, the indirect cost rate applicable to that major function, and the type of direct cost base to which the rate will be applied.]

**APPENDIX 4 –
Award Term and Condition for Grantee Integrity and Performance Matters**

Reporting of Matters Related to Grantee Integrity and Performance

1. General Reporting Requirement

If the total value of the Grantee's currently active grants, cooperative agreements, and procurement contracts from all Federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of this Federal award, then during that period of time the Grantee must maintain the currency of information reported to the System for Award Management (SAM) that is made available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIIS)) about civil, criminal, or administrative proceedings described in paragraph 2 of this award term and condition. This is a statutory requirement under section 872 of Public Law 110-417, as amended (41 U.S.C. 2313). As required by section 3010 of Public Law 111-212, all information posted in the designated integrity and performance system on or after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.

2. Proceedings About Which Grantee Must Report

During any period of time when the Grantee is subject to the requirement in paragraph 1 of this award term and condition, the Grantee must submit the information required about each proceeding that:

- a. Is in connection with the award or performance of a grant, cooperative agreement, or procurement contract from the Federal Government;
- b. Reached its final disposition during the most recent five-year period; and
- c. Is one of the following:
 - (1) A criminal proceeding that resulted in a conviction, as defined in paragraph 5 of this award term and condition;
 - (2) A civil proceeding that resulted in a finding of fault and liability and payment of a monetary fine, penalty, reimbursement, restitution, or damages of \$5,000 or more;
 - (3) An administrative proceeding, as defined in paragraph 5. of this award term and condition, that resulted in a finding of fault and liability and the Grantee's payment of either a monetary fine or penalty of \$5,000 or more or reimbursement, restitution, or damages in excess of \$100,000; or
 - (4) Any other criminal, civil, or administrative proceeding if:
 - (i) It could have led to an outcome described in paragraph 2.c.(1), (2), or (3) of this award term and condition;

(ii) It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on the Grantee's part; and

(iii) The requirement in this award term and condition to disclose information about the proceeding does not conflict with applicable laws and regulations.

3. Reporting Procedures

During any period of time when the Grantee is subject to the requirement in paragraph 1 of this award term and condition, the Grantee must enter in the SAM Entity Management area the information that SAM requires about each proceeding described in paragraph 2 of this award term and condition. The Grantee does not need to submit the information a second time under assistance awards that the Grantee received if the Grantee already provided the information through SAM because the Grantee was required to do so under Federal procurement contracts that the Grantee was awarded.

4. Reporting Frequency

During any period of time when the Grantee is subject to the requirement in paragraph 1 of this award term and condition, the Grantee must report proceedings information through SAM for the most recent five-year period, either to report new information about any proceeding(s) that the Grantee has not reported previously or affirm that there is no new information to report. If the Grantee has Federal contract, grant, and cooperative agreement awards with a cumulative total value greater than \$10,000,000, the Grantee must disclose semiannually any information about the criminal, civil, and administrative proceedings.

5. Definitions

For purposes of this award term and condition:

a. Administrative proceeding means a non-judicial process that is adjudicatory in nature in order to make a determination of fault or liability (e.g., Securities and Exchange Commission Administrative proceedings, Civilian Board of Contract Appeals proceedings, and Armed Services Board of Contract Appeals proceedings). This includes proceedings at the Federal and State level but only in connection with performance of a Federal contract or grant. It does not include audits, site visits, corrective plans, or inspection of deliverables.

b. Conviction, for purposes of this award term and condition, means a judgment or conviction of a criminal offense by any court of competent jurisdiction, whether entered upon a verdict or a plea, and includes a conviction entered upon a plea of nolo contendere.

c. Total value of currently active grants, cooperative agreements, and procurement contracts includes—

(1) Only the Federal share of the funding under any Federal award with a cost share or match requirement; and

(2) The value of all expected funding increments under a Federal award and options, even if not yet exercised.

APPENDIX 5 – Specific Award Conditions
NONE.

APPENDIX 6 – Conflict of Interest Requirements

1. *Conflicts Subject to Procurement Regulations.* When procuring property or services, the grantee and its subrecipients shall comply with the applicable conflict-of-interest rules in 2 CFR 200.317 and 2 CFR 200.318(c). In all cases not governed by 2 CFR 200.317 and 2 CFR 200.318(c), the Grantee and its subrecipients must follow the requirements contained in paragraphs 2-5 below.

2. *General prohibition.* No person who is an employee, agent, consultant, officer, or elected or appointed official of the Grantee or subrecipient and who exercises or has exercised any functions or responsibilities with respect to assisted activities, or who is in a position to participate in a decision making process or gain inside information with regard to such activities, may obtain a financial interest or benefit from the activity, or have a financial interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder, either for himself or herself or for those with whom he or she has immediate family or business ties, during his or her tenure or for one year thereafter. Immediate family ties include (whether by blood, marriage or adoption) the spouse, parent (including a stepparent), child (including a stepchild), sibling (including a stepsibling), grandparent, grandchild, and in-laws of a covered person.

3. *Exceptions.* HUD may grant an exception to the general prohibition in paragraph (ii) upon the Grantee's written request and satisfaction of the threshold requirements in paragraph (iv), if HUD determines the exception will further the Federal purpose of the award and the effective and efficient administration of the Grantee's Project, taking into account the cumulative effects of the factors in paragraph (v).

4. *Threshold requirements for exceptions.* HUD will consider an exception only after the Grantee has provided the following documentation:

- a. A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how that disclosure was made; and
- b. An opinion of the Grantee's attorney that the interest for which the exception is sought would not violate state or local law.

5. *Factors to be considered for exceptions.* In determining whether to grant a requested exception after the Grantee has satisfactorily met the threshold requirements in paragraph (iii), HUD will consider the cumulative effect of the following factors, where applicable:

- a. Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project that would otherwise not be available;
- b. Whether an opportunity was provided for open competitive bidding or negotiation;
- c. Whether the person affected is a member of a group or class of low- or moderate-income persons intended to be the beneficiaries of the assisted activity, and the exception

will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;

d. Whether the affected person has withdrawn from his or her functions or responsibilities, or the decision-making process regarding the assisted activity in question;

e. Whether the interest or benefit was present before the affected person was in a position as described in paragraph (ii);

f. Whether undue hardship will result either to the Grantee or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and

g. Any other relevant considerations.

6. *Disclosure of potential conflicts of interest.* The Grantee must disclose in writing to HUD any potential conflict of interest.
