**To:** Honorable Chairman Oliver G. Gilbert, III  
and Members, Board of County Commissioners

Agenda Item No. 5(C)

**From:** Daniella Levine Cava  
Mayor

**Subject:** Ordinance Creating the Parker Pointe Subdivision Multipurpose Maintenance Special  
Taxing District

### **Executive Summary**

The purpose of this item is to gain authorization from the Board of County Commissioners (Board) to: 1) create a special taxing district in the City of Homestead (City), in Miami-Dade County (County), Florida, for the maintenance of landscaping in the public Rights-of-Way; and 2) transfer the new district to the City of Homestead via separate resolution.

### **Recommendation**

It is recommended that the Board approve a petition submitted in accordance with Article 1, Chapter 18, of the Code of Miami-Dade County (Code) for the creation and transfer of the Parker Pointe Subdivision Multipurpose Maintenance Special Taxing District (Special Taxing District). The multipurpose maintenance program will remain dormant until such time as any association or community development district (CDD) fails to provide the required maintenance services.

### **Scope**

This proposed Special Taxing District lies within Commission District 8, which is represented by County Commissioner Danielle Cohen Higgins, and will provide multipurpose maintenance services, if and when necessary.

### **Fiscal Impact/Funding Source**

Creation of this Special Taxing District will result in no economic impact to the County budget.

### **Social Equity Statement**

The proposed Ordinance creates and transfers the Special Taxing District, pursuant to Article I, section 1.01(A)(11) of the Miami-Dade County Home Rule Charter and Chapter 18 of the Code.

### **Track Record/Monitor**

The creation and transfer of the new special taxing district will be managed by the County's Parks, Recreation and Open Spaces Department (PROS) and overseen by the Chief of the Special Assessment Districts Division (Division), Liset Romero-Lopez.

### **Delegation of Authority**

The companion resolution transferring the new special taxing district to the City authorizes the County Mayor or Mayor's designee to execute interlocal agreement with the City for the transfer, in substantially the form attached hereto.

**Background**

In accordance with the provisions of Chapter 18 of the Code, a petition to create and transfer the Special Taxing District, duly signed by 100% of the owners of property within the proposed Special Taxing District, was filed with the Clerk of the Board. A copy of the petition was sent to the County Mayor and the County Attorney to examine and to file a written report with the Clerk certifying that such petition was sufficient in form and substance and signed and properly presented in accordance with the requirements of Chapter 18 of the Code. PROS compiled and filed with the Clerk a memorandum, and accompanying written report and recommendations (Report), a copy of which is attached to this memorandum. The Report sets forth the boundaries of the Special Taxing District, an estimate of the cost of the improvements and/or services to be provided, the need for and desirability of the Special Taxing District, the ability of the affected properties to bear the special assessments, certifies that the improvements and/or services to be provided conform to the master plan of Miami-Dade County, and recommends that the Special Taxing District be created to provide a special benefit to all property within the proposed Special Taxing District.

Contingent upon Board approval of the creation and transfer of this Special Taxing District, and in the event any association or CDD fails to provide maintenance services, the City will provide the Special Taxing District's required maintenance services and cause implementation of special assessments for the costs of such services against the benefited properties, as well as contract monitoring, compliance and enforcements, if and when necessary.

<b>Boundaries:</b>	On the North, Canal C-103 Right-of-Way; On the East, SW 162 Avenue (NE 18 Avenue); On the South, SW 320 Street (East Mowry Drive); On the West, Canal C-103 Right-of-Way. (Homestead Street Numbering in Parathesis)
<b>Number of Parcels:</b>	4 (Tentative plat proposes single-family lots and townhome units).
<b>Number of Owners:</b>	1
<b>Number of Owners with Homestead Exemption Signing Petition:</b>	None – SK Parker Pointe, LLC., the sole property owner and developer.
<b>Preliminary Public Meeting:</b>	None necessary.
<b>Public Hearing Notification:</b>	The Clerk will certify the place, date, and hour for a public hearing on the petition and the Report at which all interested persons will be afforded the opportunity to present for this Board's consideration their objections, if any, to the creation and transfer of the Special Taxing District. As pursuant to section 18-3(d) of the Code, a public notice will be duly

published in a newspaper of general circulation published in Miami-Dade County, Florida, and copies thereof will be mailed to all owners of taxable real property within the boundaries of the proposed Special Taxing District as their names and addresses appear on the latest Miami-Dade County Real Property Tax Roll.

**Required Referendum:**

The creation and transfer of the Special Taxing District will be subject only to Board approval; no election will be necessary as 100% of the property owners signed the petition.

**Multipurpose Maintenance Services:**

The creation of this Special Taxing District is requested to maintain landscaped swales, medians, common areas, any entrance features, wetlands, lakes, and the exterior of any fencing or walls within the Special Taxing District's boundaries abutting public rights-of-way, including maintenance of turf, trees, shrubs, irrigation, and utility payments, should any association or CDD fail to provide these services. The Special Taxing District will also maintain the private road area if there is a failure to provide maintenance within the private road area as defined in a non-exclusive easement granted to the City and recorded in the Public Records. Services will commence following failure of any association or CDD to provide these services.

**Estimated Total District Costs:**

<u>First Year</u>	<u>Second Year</u>

**Method of Apportionment:**

**Estimated Annual District Assessments:**

	<u>First Year</u>	<u>Second Year</u>
Per Assessable Square Foot:	\$0.0599	TBD
For a Typical Single-Family Lot:	\$299.50	TBD
For a Typical Townhouse Unit:	\$131.78	TBD

The above annual costs and assessment information for multipurpose maintenance services are for informational purposes only and were calculated based on current costs assuming that maintenance services were to commence this year, and are subject to change in the event that the Special Taxing District's services are adjusted.

State or Federal grants are not applicable to this Special Taxing District.

Each special taxing district is unique due to its geographical boundaries, affected property owners, and level of services to be provided. Creation of a new special taxing district to provide these services is the best and most cost-effective method to achieve this benefit.

In compliance with the provisions of section 18-3(c) of the Code, I have reviewed the facts submitted by PROS in its Report and Recommendations, a copy of which is attached and incorporated herein. I concur with their recommendation that this Special Taxing District be created and transferred pursuant to section 18-22.1 of the Code.

**REPORT AND RECOMMENDATIONS ON THE  
CREATION AND TRANSFER OF PARKER POINTE SUBDIVISION  
MULTIPURPOSE MAINTENANCE SPECIAL TAXING DISTRICT  
MIAMI-DADE COUNTY, FLORIDA**

Pursuant to Chapter 18 of the Code of Miami-Dade County (Code), and as a result of a detailed investigation of a duly petitioned for special taxing district, the following facts are submitted by the Miami-Dade County Parks, Recreation and Open Spaces Department (PROS) Director concerning the creation and transfer of Parker Pointe Subdivision Multipurpose Maintenance Special Taxing District (Special Taxing District).

**1. BOUNDARIES OF THIS DISTRICT**

The proposed Special Taxing District is located entirely within the municipal limits of the City of Homestead, Florida. Pursuant to Chapter 18 of the Code, Miami-Dade County has received approval from the City of Homestead to create and transfer this Special Taxing District per Resolution No. R2022-10-112, a copy of which is attached, and the boundaries, as set forth in the petition, are as follows:

Parcel of land lying in Section 17, Township 57 South, Range 39 East, Miami-Dade County, Florida; being more particularly described as follows:

Tracts 18 through 26, inclusive, Block 2 in said Section 17 of “Miami Land and Development Company Subdivision”, according to the Plat thereof, as recorded in Plat Book 5, Page 10, of the Public Records of Miami-Dade County, Florida, less Canal C-103 Right-of-Way and less Parker Pointe Drive (S.W. 320<sup>th</sup> Street) and Farm Life School Road (S.W. 162<sup>nd</sup> Avenue) Rights-of-Way (a.k.a. Parker Pointe Subdivision, Tentative Plat #T-24766).

The Special Taxing District’s boundaries and geographical location are shown on the attached map or sketch entitled Parker Pointe Subdivision Multipurpose Maintenance Special Taxing District and hereinafter referred to as “Exhibit A”.

**2. LOCATION AND DESCRIPTION OF DISTRICT**

Maintenance of landscaped swales, medians, common areas, entrance features, wetlands, lakes, and the exterior of any fencing or walls within the Special Taxing District’s boundaries abutting public rights-of-way, including maintenance of turf, trees, shrubs, irrigation, and utility payments, should any association or community development district (CDD) fail to provide these services. The Special Taxing District will also maintain the private road area if there is a failure to provide maintenance within the private road area as defined in a non-exclusive easement granted to the County and recorded in the Public Records. Services will commence following failure of any association or CDD to provide these services, and upon adoption of the Special Taxing District’s multipurpose maintenance preliminary assessment roll. Other maintenance services may be provided in the future as specified in the Special Taxing District’s ordinance and amendments thereto.

**3. ESTIMATED COSTS AND ANNUAL EXPENSE FOR MAINTENANCE, REPAIR AND OPERATION OF THIS DISTRICT**

The proposed Special Taxing District is to be created to provide maintenance only in the event that any association or CDD fails to provide the services as described in Item 2 above and will be dormant until such time as stated above.

This initial cost estimate has been developed by PROS based on previous estimates for similar maintenance special taxing districts as if services were to commence in 2023. The combined annual costs of the Special Taxing District’s multipurpose maintenance services for the initial maintenance program are

estimated for report purposes to be \$70,062.58 for the first year. The expense of the multipurpose maintenance program will be continuous and service costs following the Special Taxing District's implementation are to be apportioned to individual properties within the Special Taxing District on the basis of lot or parcel square footage. The costs of the multipurpose maintenance program and administrative expenses as shown below are to be paid for by special assessments levied against all benefited properties. Actual multipurpose maintenance costs will be determined by the City of Homestead and presented to the City Council at the time of the multipurpose maintenance assessment roll public hearing and will then be adjusted annually thereafter based on actual expenses.

<u>Estimated Annual District Costs</u>	<u>First Year</u>	<u>Second Year</u>
Initial Annual Maintenance	\$44,187.90	TBD
Engineering and Administrative Costs	\$12,837.58	TBD
Billing, Collecting and Processing Costs	\$1,360.00	TBD
Contingencies	\$11,677.10	TBD
Total Annual Maintenance Services Costs	\$70,062.58	TBD
<u>Estimated Annual District Assessments</u>	<u>First Year</u>	<u>Second Year</u>
Per Assessable Square Foot:	\$0.0599	TBD
For a Typical Single-Family Lot:	\$299.50	TBD
For a Typical Townhouse Unit:	\$131.78	TBD

**4. CONFORMITY TO THE MASTER PLAN OF MIAMI-DADE COUNTY**

The proposed Special Taxing District conforms to and in no way conflicts with the master plan of development for the County (see attached memorandum from the Department of Regulatory and Economic Resources (RER)).

**5. RECOMMENDATION CONCERNING THE DESIRABILITY OF THIS DISTRICT**

The need for multipurpose maintenance programs is apparent. Residents and property owners of the County continue to demonstrate their desire for the services which will be provided by this Special Taxing District through petitions and personal requests. The ability of the affected properties to pay special assessments is evident since the costs of this Special Taxing District's services, including any bonds then outstanding, do not exceed 25% of the assessed valuation of all properties within the Special Taxing District's boundaries (including homesteads) as shown by the last preceding assessment roll of the City. In my opinion, the proposed multipurpose maintenance program will provide special benefits to properties within the Special Taxing District exceeding the amount of special assessments to be levied.

**6. PROCEDURE**

Upon approval of the petitioner's plat by the Board, and at the time-of-service provision, the multipurpose maintenance lot or parcel square footage first year annual rate of the assessment shall be determined and will require the adoption of a multipurpose maintenance assessment roll by the City of Homestead and is predicated upon failure of the developer/owner, association or CDD to provide required maintenance services. The multipurpose maintenance square footage rate of the assessment for the second year and each year thereafter will then be adjusted annually based on actual expenses. The above annual

costs and assessment information for multipurpose maintenance services are for report purposes only and were calculated based on current costs assuming that maintenance services were to commence this year.

However, because costs and/or maintenance service levels may increase, the estimated annual expense, as indicated herein, can only be based on the initial maintenance program. After the first year, the costs of the multipurpose maintenance program will therefore require adjustment annually through the budget process performed by the City of Homestead as administrator of the Special Taxing District.

**7. RECOMMENDATION**

I recommend that Parker Pointe Subdivision Multipurpose Maintenance Special Taxing District be created and transferred pursuant to section 18-22.1 of the Code. The creation of this Special Taxing District will be subject to Board approval only; no election will be necessary as 100% of the property owners signed the petition. I also recommend that the County Attorney cause to be prepared an ordinance authorizing the creation of the Parker Pointe Subdivision Multipurpose Maintenance Special Taxing District. Pursuant to Chapter 18 of the Code, the Board shall receive and hear, at a public hearing, remarks by interested persons on this Special Taxing District, and thereafter may adopt such ordinance. The ordinance creating and transferring the Special Taxing District shall take effect ten days after the date of its adoption unless vetoed by the Mayor, and if vetoed, it shall become effective only upon an override by the Board. My office will also be available to answer any questions from the public or your office in regard to the financial and/or engineering facts of this Special Taxing District. We further recommend that the County Mayor or County Mayor's designee forward the attached report to the Board after review and concurrence with our findings.

THIS AGREEMENT FOR TRANSFER OF THE PARKER POINTE MULTIPURPOSE SPECIAL TAXING DISTRICT TO BE CREATED BY MIAMI-DADE COUNTY (AGREEMENT), made and entered into this \_\_\_\_ day of \_\_\_\_\_, 2023, by and between the **CITY OF HOMESTEAD, FLORIDA**, a municipal corporation of the STATE OF FLORIDA (hereinafter referred to as the “City”) and **MIAMI-DADE COUNTY**, a political subdivision of the STATE OF FLORIDA (hereinafter referred as the “County”).

WITNESSETH

WHEREAS, the City has requested the creation and immediate transfer of control of the Parker Pointe Multipurpose Special Taxing District (“Special Taxing District”) from the County to the City such that the City Council will become the governing body responsible for the Special Taxing District; and

WHEREAS, the City and the County are mutually desirous of transferring the Special Taxing District to the City; and

WHEREAS, the County is immediately transferring the Special Taxing District to the City upon creation, and therefore the County will not establish or provide any services or assets to the Special Taxing District; and

WHEREAS, the City shall take full responsibility for the operation and maintenance of the Special Taxing District as determined herein, including exclusive responsibility for all preexisting and future liabilities, whether known or unknown,

NOW, THEREFORE, in consideration of the covenants herein provided, the City of Homestead and Miami-Dade County agree as follows:

1. The foregoing recitals are incorporated herein.
2. This Agreement shall become effective if passed pursuant to a joint resolution of the City and County transferring the Special Taxing District (“Transfer Date”).
3. As of the Transfer Date, the Board of County Commissioners will no longer be the governing body of the Special Taxing District and the City Council shall be the governing board of the Special Taxing District.
4. Prior to the Transfer Date, the County’s involvement with the Special Taxing District shall be exclusively administrative to effectuate the creation and immediate transfer of the Special Taxing District to the City.
5. On Transfer Date, the County will cease all involvement, and the City will be exclusively responsible for the Special Taxing District.

6. Beginning on the Transfer Date, the City shall be responsible for all pre-existing and future liabilities of the Special Taxing District, whether known or unknown.
7. The City shall be responsible for establishing assessment rates and collecting assessments for the Special Taxing District. If the City intends on using the uniform method for the levy, collection, and enforcement of non-ad valorem assessments, the City shall comply with the requirements of section 197.3632 of the Florida Statutes and shall make such arrangements with the Miami-Dade County Office of the Property Appraiser and Miami-Dade County Tax Collector.
8. The City shall be responsible for arranging for the Special Taxing District's utility accounts, and procuring contracts with vendors to provide all necessary services to the Special Taxing District.
9. The City shall be responsible for establishing its own protocols and policies for administration and assessment of the Special Taxing District.
10. The City shall be responsible for the continuous operation, maintenance, repair, and replacement, when necessary, of the Special Taxing District's improvements.
11. The City shall be responsible for payment of all of the Special Taxing District's expenses. It is provided, however, that such payment of the Special Taxing District's expenses incurred by the City are properly chargeable to the Special Taxing District.
12. Within sixty (60) days of the Transfer Date, the County shall provide to the City a final financial reconciliation of all known liabilities for the Special Taxing District. Any omission from the final reconciliation shall not constitute a waiver by either the County or the City for payment to or from the Special Taxing District's account.
13. The County shall issue an invoice to the City for any deficit in the Special Taxing District's account, including, but not limited to, the costs to establish the Special Taxing District. The City shall pay the invoice within sixty (60) days of receipt. It is provided, however, that such expenses incurred by the City are properly chargeable to the Special Taxing District.
14. Pursuant to section 2-8.9 of the Code of Miami-Dade County, the City is encouraged to pay the Living Wage.
15. To the extent allowed by, and subject to the limitations of, section 768.28 of the Florida Statutes, the City does hereby agree to indemnify and hold the County, its officials, employees and instrumentalities, harmless from any and all liability for any damage, injury, or claim that may arise by virtue of the Special Taxing District, or the exercise of any rights, obligations or actions under this Agreement, including, but not limited to, the City's operation of the Special Taxing District or the City's failure to provide services or maintain, repair, replace, or operate the improvements.

16. The undersigned further agrees that these conditions shall be deemed a continuing obligation between the City and the County and shall remain in full force and effect and be binding on the City, and any permitted successors or assigns.
17. In the event that the City requests any third party to assume any of the responsibilities hereunder, the City acknowledges that such assumption shall not relieve the City from any obligations or responsibilities hereunder. Any failure by any third party shall not subject the County to any liability for any damage, injury, or claim that may arise.
18. Nothing in this Agreement, expressed or implied, is intended to: (a) confer upon any entity or person other than the parties and any permitted successors or assigns, any rights or remedies under or by reason of the Agreement as a third party beneficiary or otherwise except as specifically provided in this Agreement; or (b) authorize anyone not a party to this Agreement to maintain an action pursuant to or based upon this Agreement. Additionally, nothing herein shall be deemed to constitute a waiver of any rights under section 768.28 of the Florida Statutes, or as a waiver of the County's sovereign rights.
19. The language agreed to herein expresses the mutual intent and agreement of the County and the City, and shall not, as a matter of judicial construction, be construed more severely against one of the parties from the other.
20. Any notices to be given hereunder shall be in writing and shall be deemed to have been given if sent by hand delivery, recognized overnight courier (e.g., Federal Express), or by written certified U.S. mail, with return receipt requested, addressed to the Party for whom it is intended, at the place specified. # Memorandum

**Date:** September 16, 2020

**To:** Maria Nardi, Director  
Department of Parks, Recreation and Open Spaces

**From:** Jack Osterholt, Deputy Mayor/Director  
Department of Regulatory and Economic Resources

**Subject:** Street lighting, Maintenance of Landscape, Walls Adjacent to Double Frontage Lots, Entrance Features and Lakes – Special Taxing Districts

---

All tentative plats in the unincorporated area of Miami-Dade County submitted to the Development Services Division (Land Development Section) of the Regulatory and Economic Resources Department (RER), must comply with the special taxing districts requirements of the Miami-Dade County Code (the Code) including, but not limited to street lights, maintenance of landscape, walls adjacent to double frontage lots, entrance features and lakes. Final Plats will not be presented to the Board of County Commissioners for consideration until the applicable special taxing districts are created, and all fees have been paid. In that regard, to ensure expeditious processing, this Memorandum may serve, through September 30, 2021, as approval for certain future special taxing district application requests as being consistent with the intent and purpose of the adopted 2020-2030 Comprehensive Development Master Plan (CDMP). Capital Improvement Element Policy CIE-4A states: "Appropriate funding mechanisms will be adopted and applied by Miami-Dade County and the Miami-Dade County Public Schools in order to assure the fiscal resources to maintain acceptable levels of service. Such funding mechanisms may include special taxing districts, municipal taxing service units, local option taxes, user fees, local gas tax, general obligation bonds, impact fees, special purpose authorities, and others as appropriate and feasible" (Adopted Components as Amended through January 23, 2020, page IX-9). The provision for services over and above minimum for neighborhoods and communities may be accomplished through the special taxing district as may be prescribed by the Code.

The RER has no objection to a blanket approval with condition to establish future special taxing districts as limited to requests for street lighting, landscape maintenance, walls adjacent to double frontage lots and lake maintenance districts. The previously noted special taxing districts may be established on the condition that the RER Development Services Division review all landscape maintenance districts and lake maintenance districts for consistency with Landscape Code (Chapter 18A) Section 18A-6(L) Storm Water Retention/Detention Areas.
