To: Honorable Chairman Oliver G. Gilbert, III
and Members, Board of County Commissioners

From: Daniella Levine Cava 
Mayor

Subject: Resolution Approving, by a Two-Thirds Vote of Board Members Present Pursuant to Section 125.355, Florida Statutes, A Contract for Sale and Purchase Between Hoffman Flagler, LLC, a Florida Limited Liability Company, as Seller, and Miami-Dade County, as Buyer, for property located at 9250 W. Flagler Street (and adjacent parking), Unincorporated Miami-Dade County, Folios 30-4004-024-0010 and 30-4004-000-0282

Executive Summary

This item seeks the approval of a contract for the sale and purchase between Hoffman Flagler, LLC, a Florida Limited Liability Company (Seller), and Miami-Dade County (County), acting as the Buyer, for the property situated at 9250 W. Flagler Street, along with the adjacent parking area, within unincorporated Miami-Dade County, further identified by Folios 30-4004-024-0010 and 30-4004-000-0282, (Property). This Property spans approximately 625,000± gross square feet, with 467,000± square feet of rentable space, providing ample room for the County to relocate multiple departments and establish the proposed West Dade Government Center.

In accordance with Section 125.355 of the Florida Statutes, two independent appraisals of the Property were conducted. The purchase price of \$205,000,000 is above the average of the two appraisals and therefore requires a two-thirds vote of this Board to approve and is supportable in consideration of the factors set forth herein. First, public value is gained by co-locating County departments which brings operational efficiencies, lowering maintenance, insurance, utility, and security costs. Second, the Property's strategic location offers easy access to public transportation, enhancing convenience for County residents. Third, the acquisition presents a potential opportunity to develop affordable multi-family housing on surplus land on the Property that is not needed for the West Dade Government Center. These benefits, while challenging to quantify, promise immediate and future opportunities for the entire County thus making up the gap in the appraisal and ultimately making the purchase price supportable.

This item is consistent with the Administration's focus on fiscal efficiency and governmental accountability, as well as the Board's guidance and values. The acquisition will allow for the re-purposing of vacated County spaces for other agencies and the generation of rental income. In addition, vacated County properties can be considered for repositioning to leverage their highest and best use.

The consolidation and co-location of County departments at one location will create operational efficiencies, and bring services closer to our residents, improving accessibility, engagement, and equity. Additionally, resiliency measures were used in identifying and considering this location, furthering the goals of environmental sustainability. This balanced approach to strategic planning enhances the overall effectiveness of Miami-Dade County's service delivery.

Recommendation

It is recommended that the Board approve, subject to budget and appropriation of the necessary funds and by a two-thirds vote of the Board members present pursuant to section 125.355, Florida Statutes, the attached resolution, which accomplishes the following:

1. Authorizes the acquisition of the Property an existing 625,000± square foot office property and surface parking on 26± acres of land at 9250 W. Flagler Street and adjacent parking, Unincorporated Miami-Dade County (Folio Numbers 30-4004-024-0010 and 30-4004-000-0282) for the purpose of

creating a West Dade Government Center, subject to certain existing, unexpired leases and licenses on the Property as detailed below; and

2. Approves a Contract for Sale and Purchase (Contract) Between Hoffman Flagler, LLC, a Florida Limited Liability Company, as Seller, and the County, as Buyer, in the amount of \$205,000,000 (Attachment 1 to the Resolution) for the Property plus up to \$1,000,000 in due diligence and closing costs, for a total purchase price up to \$206,000,000 (Acquisition Cost), the closing of such Contract being contingent upon this Board's separate approval and the subsequent issuance of Capital Asset Acquisition Special Obligation Bond Funds (Bonds) sufficient to fund the Acquisition Cost and the costs of renovation; and
3. Authorizes the Mayor or Mayor's designee to execute the Contract, exercise all rights conferred therein and all rights conferred in the leases and licenses on the Property, accept the conveyance of the Property by General Warranty Deed (Attachment 2 to the Resolution), record the instrument of conveyance in the public records of the County, and take all other actions necessary to effectuate said purchase of the Property.

The acquisition of the Property will allow for the relocation and consolidation of multiple County departments' internal and customer-facing permitting and land development activities to a centralized location, create greater accessibility to the public residing in all areas of the County, and reduce the County's need to lease space for its critical operations from private landlords to assure continuity of service and certainty of financial obligations on behalf of the public.

Scope

The Property is located in Commission District 10, which is represented by Commissioner Anthony Rodriguez, and Commission District 6, which is represented by Commissioner Kevin M. Cabrera. However, the scope of this item is countywide in nature.

Fiscal Impact/Funding Source

The fiscal impact of the acquisition of the Property and improvement of it for County purposes includes the initial Acquisition Costs (\$205,000,000 purchase price plus up to \$1,000,000 in closing and due diligence) and additional costs of up to \$63,125,000 for major capital expenses to the Property including retrofit and build-out and the construction of a vertical parking garage of approximately 500 or more spaces (Additional Major Project Costs) for a total project cost of \$269,125,000 (Total Project Cost). Contracts for the Additional Major Project Costs will be presented to this Board, as needed and in accordance with existing Board policies, for its approval.

The Total Project Costs will be funded from Capital Asset Acquisition Special Obligation Bond Funds for which approval is being sought concurrently from this Board. The adopted budget includes a capital program (#20000002875) related to this project but additional appropriation authority is necessary. An item for the financing through the use of the bonds and to amend the fiscal year 2023-24 County budget is being brought forward to the Board contemporaneous with this item. The approval of this Contract is subject to and contingent on the budgetary amendment and the Contract also has provisions that this transaction will not move forward in the event such bond funding is not approved or timely issued.

The repayment for the bonds will be made on a pro-rata basis for the stakeholders intended to occupy the facility, anticipated as follows, however subject to refinement as the stakeholder planning and coordination advances.

Initial Allocation of Total Project Costs by Stakeholder

Department	Estimated Percent of Space	Pro-Rata Allocation of Acquisition Costs	Pro-Rata Allocation of Additional Major Project Costs	Pro-Rata Allocation of Total Project Cost
RER	51.17%	\$105,408,353	\$32,300,497	\$137,708,850
WASD	19.11%	\$39,362,754	\$12,062,009	\$51,424,763
OPA	13.76%	\$28,348,539	\$8,686,901	\$37,035,439
DSWM	11.30%	\$23,285,308	\$7,135,364	\$30,420,672

MDFR - PIC	0.89%	\$1,824,898	\$559,207	\$2,384,105
WASD - PIC	0.36%	\$751,480	\$230,278	\$981,758
DOH - PIC	0.44%	\$900,542	\$275,955	\$1,176,496
ITD - PIC	0.87%	\$1,794,909	\$550,018	\$2,344,927
Total	100.00%	\$206,000,000	\$63,125,000	\$269,125,000

Stakeholder Key

Departmental key for allocation of Total Project Costs include:

- RER (Department of Regulatory and Economic Resources);
- WASD (Water and Sewer Department);
- OPA (Office of Property Appraiser);
- DSWM (Department of Solid Waste Management);
- COC (Clerk of Courts);
- ITD (Information Technology Department) to maintain field operations for the building;
- Tenants / providers under RER purview at the existing West Dade Permitting and Inspection Center (PIC) which will be relocated to this new facility including:
 - DOH (Department of Health);
 - MDFR (Miami-Dade Fire Rescue); and
 - WASD operation currently operating out of the PIC.

In accordance with the requirements in Section 125.355, Florida Statutes, two independent appraisals were procured by the County to determine the market value of the Property. The Property was originally developed as a single-tenant, corporate headquarters campus and used by Florida Power & Light Co. (FP&L) but was repositioned to serve multi-tenant use after FP&L vacated the building. The market value of the Property under its current multi-tenant use is lower than the market value for a single user because of the vacancies in the marketplace due to COVID. Two appraisers holding MAI designations each performed two appraisal scenarios, summarized below:

Market Value Appraisal Summaries
Scenarios 1 & 2

	As If Stabilized (Value to County as a Single Tenant)	As Is / Multi-Tenant Office Building
Appraiser 1, 5/22/2023	\$188,000,000	\$104,000,000
Appraiser 2, 5/22/2023	\$194,000,000	\$116,000,000
Average Market Value	\$191,000,000	\$110,000,000

(Please reference Exhibit 1 and 2 to the Memorandum).

The purchase price of \$205,000,000 is supportable in consideration of both a) the financial opportunity cost benefit to the County (estimated at \$140,400,000) which can effectively offset the purchase price paid, and b) the alternative cost to construct a similar facility from the ground up. In that the purchase price exceeds the average of the two appraisals, a two-thirds vote of Board members present is required pursuant to Section 125.355, Florida Statutes.

As to the financial cost benefit, as part of this project, County stakeholders will be vacating approximately 309,000± square feet of office space at other locations which can be leveraged for other uses and thus add value to the transaction. Additionally, the County will save money it would otherwise pay an external landlord for rent at the current PIC in West Dade (or any future replacement, rental property) with those monies now being contributed instead to this facility. Finally, though short-term, the County will also realize a small amount of income from tenants in place prior to their vacating of space. This total financial benefit is estimated at \$140,400,000, making the effective Acquisition Cost closer to \$64,600,000, and the Total Project Cost approximately \$128,725,000. The breakdown of these components in relation to the larger project is shown on “Financial Cost Benefit No.1” on the following page.

Additionally, the Acquisition Cost and Total Project Costs are well below the estimated cost for the County to construct a similar facility. At 625,000± gross square feet, the property has the critical mass needed to fully consolidate the permitting and land development services across multiple departments and streamline the front-facing public opportunities. The estimated construction and land acquisition cost for a similar facility to support all County departments has been estimated by staff at approximately \$323,125,000, which is \$54,000,000 more than the Total Project Cost and \$117,125,000 more than the Acquisition Cost. This calculation is also shown on “Financial Cost Benefit No.2” on Page 6.

In addition to the outlined financial benefits, the colocation of County departments will offer a series of operational and qualitative advantages not included in the appraisal of the property. The centralization of County services creates operational efficiencies by reducing costs for maintenance, insurance, utilities, and security. The location of the Property also includes easy access to public transportation, improving overall accessibility and convenience for County residents. The purchase of this Property also provides for a potential opportunity to add affordable, multi-family housing to the excess land on the parent tract under House Bill 102. The value of these added benefits is not easily quantifiable, but will provide immediate and future opportunities for the County as a whole.

Track Record/Monitoring

The Internal Services Department (ISD) will be responsible for managing the purchase and operations of this property and will also serve as the project monitor, under the purview of Dawn Soper, Division Director 2, within the ISD.

Delegation of Authority

Authorizes the County Mayor or County Mayor’s designee to execute the Contract, to exercise all other rights conferred therein, including in the rights in certain of the leases and licenses currently existing on the Property that will continue to be in place following the acquisition, the right of termination, the right to pursue breach or non-compliance, to accept the Warranty Deed for the Property, and to take all actions necessary to effectuate the purchase and conveyance of the Property.

Background

The Property formerly served as a corporate headquarters for FP&L, however it was sold to the current owner who has updated and converted parts of the space to serve multi-tenant use. As of the anticipated closing date, the Property will continue to be subject to six, pre-existing leases and licenses as follows (the Remaining Occupants): (1) CAREATC, Inc. (Lease, Suite 201, 3,939 square feet), (2) Florida Power & Light Co. (Lease, Suite 501, 7,812 square feet), (3) T-Mobile South, LLC (License, Roof 1), (4) Verizon Wireless (License, Roof 2), (5) First Quality Home Care Inc. (Lease, 8,379 square feet of the 5th floor and (6) Simply Healthcare Plans Inc. (Lease, 107,714 square feet, 6th floor), (Exhibits “I – N(iii)” to the Contract).

The size of the property, at approximately 625,000± gross square feet and 467,000± square feet of rentable area provides the critical mass for the County to relocate multiple departments to the property to serve as the West Dade Government Center. ISD is seeking to purchase the Property on behalf of several County Departments (RER, WASD, DSWM, COC, and OPA) to address the needs for real estate office

space for both internal operations and front-facing customer services. Additionally, the County is currently pursuing the redevelopment of its own properties within the downtown Government Center, otherwise known as the MetroCenter after significant public engagement. The County has issued a Request for Proposal (RFP), currently under the Cone of Silence, that will focus on leveraging the public assets for financial and social purpose, including the creation of more affordable, workforce and market rate housing, an intermodal transit center as well as new cultural and recreational spaces.

The co-location of the County offices at the new West Dade location for the operational reasons below, in addition to consolidating County offices at its downtown complex to allow for these additional public benefits to occur, allow for the establishment of a West Dade Government Center at 9250 W. Flagler.

RER

- New facility consolidates land development operations for enhanced convenience.
- Consolidates land development operations spread across various County locations.
- Current operations at West Dade shop (PIC):
 - Houses agencies dealing with building permits and certificates of use.
 - Includes RER's Construction, Permitting, and Building Code Division.
 - Involves services like construction trade, environmental assessments, zoning approvals, and more.
 - Also hosts DOH's septic tank program reviews and Fire Rescue's new construction assessments.
 - Houses ancillary functions related to product control, building-trade contractor licensing, and code enforcement.
- Aligns with Resolution No. R-653-23, promoting streamlined access to land development approvals.

OPA

- The office serves over 35,000 property owners annually, offering various services such as Property Tax Exemption applications, Agricultural applications, Tangible Personal Property returns, and property value inquiries.
- Currently, OPA operates offices at the Stephen P. Clark Government Center in Downtown Miami and the South Dade Government Center in Cutler Bay.
- The proposed new location at 9250 W. Flagler Street enhances accessibility for West Dade residents.
- Establishing a third West Dade location accommodates a sizable local population.
- This new location offers free parking, enhancing overall customer satisfaction.

COC

- The Value Adjustment Board (VAB) processes 60,000 petitions annually for Property Tax-related matters at the SPCC.
- VAB shares space with OPA, which is expected to move to the new facility, ensuring convenience.
- Code Enforcement (CE) handles 5,000 civil violation appeals at the SPCC with hearings at various locations.
- Moving CE to the new facility centralizes operations and minimizes staff travel.
- It benefits code enforcement departments and offers easier access for West Dade residents.

WASD

- Relocate new business front-facing customer services to co-locate with sister county agencies.
- Centralizing new business operations at the new facility streamlines processes and reduces travel, improving the County's overall efficiency.

- Moving to a new facility may present opportunities to streamline processes and create efficiencies. This can lead to improved services, reduce costs, and more effective use of resources.
- By optimizing service delivery and centralizing operations, WASD contributes to the County's mission to provide more accessible and efficient services to the community.
- This strategic decision aligns with the County's commitment, ensuring that residents have convenient access to essential services.
- Creating new efficiencies in the land development process.

DSWM

- The Solid Waste Permit for a Resource Recovery and Management Facility is used to maintain a continuous compliance and enforcement process that assists facilities in complying with local and state regulations.
- Ensuring continuous compliance through the permit process contributes to a more streamlined and effective waste management system, furthering the County's strategic goals.
- This approach fosters cooperation between facilities and regulatory authorities, promoting equitable and responsible waste management practices in accordance with County regulations.
- These efforts reflect the County's commitment to the Environment and its responsibility in safeguarding the well-being of its residents and the surrounding ecosystem.

Additional Considerations

Consistent with standard practice, the County retains rights within the Contract to protect its interests through appropriate due diligence including title, environmental, and inspections for the condition of the building and lands. Should any conditions be identified which pose risk or cost to the County which have not been disclosed, the County will have the right to terminate the Contract. Additionally, the purchase of the property as previously established herein is contingent upon financing to be approved by the Board through a separate ordinance and the actual issuance of said financing.

According to Section 33-208(1) of Article XVIII of Chapter 33 of the Code of Miami-Dade County, the proposed business use is a permitted use within the BU-1 zone. Therefore, pursuant to Section 33.303 (b) of the Code of Miami-Dade County, approval of a Governmental Facility Hearing by the Board of County Commissioners is not required.

The owner has advised that no tenants are being displaced and that tenants will not experience a hardship due to the County's purchase and intended use. As such, given the County's need to fully occupy the space, it has been required as a condition of closing that all but four office tenants and two rooftop tenants vacate the building and will have no claim against the County for any lease matters. The Remaining Occupants in place have agreed to vacate per their lease terms and without exercising renewal options.

Dear Ms. Gutierrez:

Integra Realty Resources – Miami / Caribbean is pleased to submit the accompanying appraisal of the referenced property. The purpose of the appraisal is to develop an opinion of the market value as is, pertaining to the leased fee interest in the property. As requested, the hypothetical market value as is of the leased fee interest assuming the property is 100% occupied by a single credit tenant or owner user is also estimated.

The client for the assignment is Miami-Dade County. The intended user of this report is the client. The intended use of the report is for property acquisition purposes. No other party or parties may use or rely on the information, opinions, and conclusions contained in this report.

The subject is an existing office property containing 625,887 square feet of rentable area. The improvements were constructed in 1974 and are 20% leased as of the effective appraisal date. The property was built to suit for Florida Power and Light for their state back-office operations center. FPL occupied the building for many years and has systematically vacated the building, which accounts for its low current occupancy. The current owners have tried to reposition the building for multi-tenant office. The

MDC013

improvements are well constructed with reinforced concrete and an array of specialized features, amenities, building systems (some of which with redundancies) including the ability to bring in above average amounts of power and back-up emergency generator power. According to the owner, the property is a Tier III Critical Building, a data center classification, which denotes a data center of the second highest order as it has multiple paths for power and cooling, and redundant systems that allow the building to operate just about fulltime. The site area is 25.99 acres or 1,131,908 square feet, which also includes a powerline-encumbered satellite parking lot across the street from the main improved parcel. The property is in a pioneer office location along West Flagler Street in Miami and is proximate to several regional highways, including the Palmetto and Dolphin Expressways and the Florida Turnpike Extension and is proximate to the Miami International Airport.

The appraisal conforms to the Uniform Standards of Professional Appraisal Practice (USPAP), the Code of Professional Ethics and Standards of Professional Practice of the Appraisal Institute, applicable state appraisal regulations, and the appraisal guidelines of Miami-Dade County.

Standards Rule 2-2 (Content of a Real Property Appraisal Report) contained in the Uniform Standards of Professional Appraisal Practice (USPAP) requires each written real property appraisal report to be prepared as either an Appraisal Report or a Restricted Appraisal Report. This report is prepared as an Appraisal Report as defined by USPAP under Standards Rule 2-2(a), and incorporates practical explanation of the data, reasoning, and analysis that were used to develop the opinion of value. At the client's request, this report adheres to the Miami-Dade County internal standards for an appraisal report.

Based on the valuation analysis in the accompanying report, and subject to the definitions, assumptions, and limiting conditions expressed in the report, the concluded opinions of value are as follows:

Value Conclusions

Value Type & Appraisal Premise	Interest Appraised	Date of Value	Value Conclusion
Market Value As Is	Leased Fee	May 22, 2023	\$104,000,000
Hypothetical Market Value As Is	Leased Fee	May 22, 2023	\$188,000,000

Extraordinary Assumptions and Hypothetical Conditions

The value conclusions are subject to the following extraordinary assumptions. An extraordinary assumption is an assignment-specific assumption as of the effective date regarding uncertain information used in an analysis which, if found to be false, could alter the appraiser's opinions or conclusions.

1. As of the transmittal of this report, some subject building sizes related to ongoing renovation and construction on the ground floor for the planned new lobby area, conference center and retail spaces were not provided by the subject owner despite multiple requests. Based on discussions with representatives of the owner, both the conference center and the retail spaces will provide ancillary income to the subject and we have considered and estimated amounts for these sources.
2. We requested and were not provided with leases for the the two cell tower tenants at roof level. The Market Value As Is analysis includes annual income estimates based on knowledge of other cell tower leases in the
3. Subject net rentable areas between the two value scenarios differ slightly and reflect the estimated square footage currently undergoing renovations as addressed in Extraordinary Assumption #1. The Hypothetical Market Value As Is does not consider these renovations and the loss of net rentable area from these
4. Based on physical inspection of the subject, we did not inspect the vast majority of gross leasable area in the building. Our appraisal assumes those spaces not inspected are consistent with what we were able to inspect.

The value conclusions are based on the following hypothetical conditions. A hypothetical condition is a condition, directly related to a specific assignment, which is contrary to what is known by the appraiser to exist on the effective date of the assignment results, but is used for the purpose of analysis.

1. Our estimate of Hypothetical Market Value As Is is based on the Hypothetical Condition the subject property is 100% occupied by a single credit tenant or owner user and that our estimate of market value does not consider any deductions for vacancy or credit loss as of the effective date of this appraisal the subject was not 100% occupied by a single credit tenant or owner user and the assumption of no deductions for vacancy and credit loss would not typically be considered in a typical market-based appraisal.
2. Our estimate of Hypothetical Market Value As Is does not consider ongoing and planned capital expenditures taking place at the subject although as of the effective date of this appraisal those ongoing capital expenditures were taking place. Some of these capital expenditures are being done by ownership in their current lease up efforts to multiple tenants and may not be relevant to a hypothetical single user.
3. Our estimate of Hypothetical Market Value As Is does not consider the contributory value of any cell tower leases in place at the subject although as of the effective date of this appraisal the cell tower leases were in effect and providing the owner ancillary income.

The use of any extraordinary assumption or hypothetical condition may have affected the assignment results.

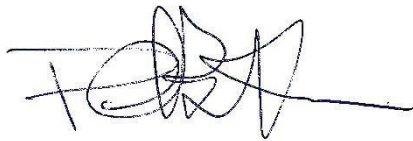

The value conclusion(s) in this report consider the impact of COVID-19 on the subject property.

The opinions of value expressed in this report are based on estimates and forecasts which are prospective in nature and subject to considerable risk and uncertainty. Events may occur which could cause the performance of the property to differ materially from the estimates contained herein, such as changes in the economy, interest rates, capitalization rates, financial strength of tenants, and behavior of investors, lenders, and consumers. Additionally, the concluded opinions and forecasts are based partly on data obtained from interviews and third-party sources, which are not always completely reliable. Although the findings are considered reasonable based on available evidence, IRR is not responsible for the effects of future, unforeseen occurrences.

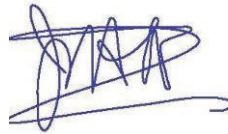

If you have any questions or comments, please contact the undersigned. Thank you for the opportunity to be of service.

Re: Proposed 9250 W. Flagler St. Acquisition
9250 West Flagler Street
Miami, FL 33174

Dear Ms. Gutierrez:

As requested, we have prepared an appraisal of the property referenced above presented in the attached Appraisal Report. The purpose of the appraisal is to develop an opinion of the following values:

Value	Date of Value	Interest Appraised	Value Type
"As Is"	5/22/23	Leased Fee Estate	Market Value
"As If Stabilized"	5/22/23	Leased Fee Estate	Market Value

Briefly described, the subject consists of an eight-story office building in good condition, containing approximately 634,818 SF of net rentable area, constructed in 1974. The property is currently 25.50% occupied. The subject's site consists of approximately 1,128,995 SF or approximately 25.92 acres of land. Parking (1,576 spaces) is located on the main site and an overflow lot, located on the east side of SW 92nd Avenue. The overflow lot has high tension (230 KV) lines crossing diagonally. The building is served by high-speed fiber optic Internet and has 10 escalators leading from floor 1 through 6 plus 5 passenger elevators plus one service elevator. Other features include a conference center with retail space (under construction), a fitness center, a cafeteria, 84 restrooms, a loading dock, a roof-top heliport (13,000 lbs.), back-up electrical generators, dedicated power feed from FPL with redundancy, plus a modern, fully sprinklered life/safety system.

The appraisal and the attached Appraisal Report have been prepared in conformity with and are subject to the Code of Professional Ethics and Standards of Professional Appraisal Practice of the Appraisal Institute and the Uniform Standards of Professional Appraisal Practice of the Appraisal Foundation (USPAP). In preparing this appraisal, we considered the use of the three most widely recognized approaches to value: the Cost, Income Capitalization and Sales Comparison Approaches. The appraisal is subject to the attached Assumptions and Limiting Conditions and Definition of Market Value.

This appraisal has also been prepared in conformity with Title XI of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (FIRREA) updated in 1994 and further updated by The Interagency Appraisal and Evaluation Guidelines promulgated in 2010. The appraisal did not use or rely upon unsupported conclusions relating to bias, such as characteristics relating to race, color, religion, national origin, gender, marital status, familial status, age, receipt of public assistance income, disability, group homogeneity, or any other prohibited basis.

Based on the analysis of pertinent physical and economic factors, we have arrived at the following value opinions:

Value	Date of Value	Interest Appraised	Value Opinion
"As Is"	5/22/23	Leased Fee Estate	\$116,000,000
"As If Stabilized"	5/22/23	Leased Fee Estate	\$194,000,000

EXTRAORDINARY ASSUMPTIONS

This appraisal is not based on any extraordinary assumptions.

HYPOTHETICAL CONDITIONS

This appraisal includes a valuation 'as if stabilized.' The subject is not stabilized. Therefore, this appraisal includes a valuation that is based on the hypothetical condition that the subject is stabilized as of the date of value. This appraisal is not based on any other hypothetical conditions.

The opinion(s) of value are based on exposure times of 12 months, assuming the property was properly priced and actively marketed.

The attached Appraisal Report summarizes the documentation and analysis in support of our opinions. If you have any questions, please contact the undersigned. We thank you for retaining the services of our firm.

CONTRACT FOR PURCHASE AND SALE

Project: 9250 W. Flagler Street and Overflow Parking
 Folio Nos.: 30-4004-024-0010 and 30-4004-000-0282

This Contract for Purchase and Sale ("**Contract**") is entered into as of the ____ day of _____, 20__ (by and among **MIAMI-DADE COUNTY, a Political Subdivision of the State of Florida**, and successors in interest ("**Buyer**"), whose Post Office Address is 111 N.W. 1st Street, Suite 2460, Miami, Florida 33128, and **HOFFMAN FLAGLER LLC, a Florida Limited Liability Company**, ("**Seller**") whose address is 9250 West Flagler Street, Miami, Florida 33174.

WITNESSETH, that for and in consideration of the mutual covenants contained herein, the Buyer and Seller agree as follows:

1. REALTY. Seller agrees to sell to Buyer, and its successors in interest, and Buyer agrees to purchase from Seller certain parcels of real property, located in Miami-Dade County, Florida, identified by the Folio Nos. set forth above and as legally and more specifically described in **Exhibit "A"** attached hereto and incorporated herein by this reference together with all tenements, hereditaments, privileges, servitudes, rights of reverter, and other rights appurtenant to said real property, if any, and all buildings, fixtures, and other improvements thereon, all fill and top soil thereon, if any, all oil, gas and mineral rights possessed by Seller, if any, and all right, title and interest of Seller in and to any and all streets, roads, highways, easements, drainage rights, or rights-of-way, appurtenant to the real property, if any, and all right, title and interest of Seller in and to any and all covenants, restrictions, agreements and riparian rights as same may apply to and benefit the (collectively, the "**Real Property**"), if any, and personal property as described in **Exhibit "B"** ("**Personal Property**").

2. PURCHASE PRICE. Buyer agrees to pay a purchase price for the Real Property of \$205,000,000.00 (Two Hundred Five Million and 00/100 Dollars) (the "**Purchase Price**"), by wire transfer of U.S. funds. The Purchase Price is predicated on a combined gross building area of 625,000 square feet plus land of 1,131,908± square feet or 25.99 acres, more or less, exclusive of any dedicated rights-of-way located thereon. In the event the gross building area or land acreage is determined to be materially less than the gross building area or land acreage set forth in the immediately preceding sentence, then the Purchase Price shall be reduced by an amount equal to \$750,000 per acre (or proportionate amount for any partial acre) of land land acreage reduction from the land acreage set forth in the preceding sentence and by an amount equal to \$295 per square foot of reduction in building square footage. For purposes of the preceding sentence, "materially less" shall mean the actual gross building area or land acreage deviates by more than five percent (5%) of gross building area or land acreage set forth herein. For the avoidance of doubt, there will be no Purchase Price reduction in the event that the actual gross building area or land acreage deviates from the amounts set forth in this Section by less than five percent (5%) nor purchase price increase if the gross building area or land acreage exceeds the amounts set forth herein. The Purchase Price to be paid at Closing shall be subject to further adjustments and prorations provided for in this Contract and, unless this Contract is terminated earlier as otherwise permitted, will be paid at Closing and is contingent upon Seller's transfer of the Real Property free and clear of any and all liens, encumbrances, or other interest as further provided herein.

3. INTEREST CONVEYED. Seller is the record owner of the fee simple title to the Real Property and agrees to convey good, marketable and insurable title by General Warranty Deed, free and clear of all liens, encumbrances, or other interests, and in substantially the form of **Exhibit “C”** attached hereto and made a part hereof (**“General Warranty Deed”**). Notwithstanding the foregoing, if Seller is unable, at closing, to convey to the Buyer such title as stated in this paragraph, the Buyer’s sole remedy shall be to terminate this Contract.

4. AD VALOREM TAXES. Buyer, a political subdivision of the State of Florida, is exempt from payment of ad valorem taxes. Therefore, it shall be Seller’s responsibility to comply with Section 196.295, Florida Statutes by placing the appropriate amount of pro rata taxes to the day of Closing and any delinquent taxes in escrow with the Miami-Dade County Tax Collector in accordance with the terms of Section 196.295, Florida Statutes. If the Seller has prepaid taxes for the year of Closing or any year thereafter, Seller shall receive a credit from Buyer at Closing in the prorated amount due for the period of the Buyer’s ownership of the Property.

5. TITLE INSURANCE. Seller has provided Buyer a Title Commitment issued to Seller by Fidelity National Title Insurance Company through Infinity Land Services, Commitment #11282652, ILFL13645, having an effective date of July 17, 2023 (the **“Seller’s Title Commitment”**) attached hereto as **Exhibit “D”** together with copies of the exceptions to title referenced therein (the **“Seller’s Title Documents”**). Within ten (10) days of the Effective Date, Buyer may, at Buyer’s sole expense, order a new title insurance commitment (ALTA Form 2006) in Buyer’s name (**“Buyer’s Title Commitment”**) from any title insurance company licensed by the State of Florida (**“Title Company”**) for the full Purchase Price of \$205,000,000.00. Buyer’s Title Commitment shall be required to show a good, marketable and insurable title to the Real Property in the Seller’s name. Buyer’s policy shall be required to insure title to the Property during the “gap” period between Closing and recording of the General Warranty Deed. Buyer shall have the right to update the Buyer’s Title Commitment from time to time at any time prior to Closing, as may be required by Title Company or at Buyer’s sole election, to monitor the Property for potential additional Title Defects between the effective date of the Buyer’s Title Commitment and Closing. In the event that (i) the Title Company is unwilling or unable to insure the Property for the full Purchase Price, or (ii) the Title Commitment (or any update thereto) shows title to the Property to be unmarketable or uninsurable and the Seller fails to correct such Title Defects after notice and a 30-day opportunity to cure, then Buyer may, at its option, terminate this Contract by providing written notice of same to Seller within ten days of notice of such refusal by the proposed insurer or by the Seller to cure such Title Defects, except that Buyer may waive any defects by written notice and proceed with closing at Buyer's option.

(i) Seller agrees to provide all affidavits and other documents as are reasonably required by the Title Company in order to proceed with the Closing or to comply with Title Company requirements, including but not limited to any and all Schedule B-I requirements (Requirements) in Buyer’s Title Commitment and any updates thereto in addition to Schedule B-II item in the Title Commitment.

(ii) Buyer shall have ten (10) business days from receipt of Title Commitment and any updates thereto to inspect said title documents and report defects (**“Title Defects”**), if any, in writing to the Seller. Should the Buyer’s Title Commitment or updates thereto identify Title Defects impacting marketability and insurability of title including Schedule B-I requirements or

B-II exceptions, Buyer may provide objections, in writing, to the Seller. Any objections based on Title Defects must be given to Seller (with a copy simultaneously delivered to Seller's attorney), together with a copy of the Buyer's Title Commitment or update thereto within ten (10) business days after Buyer's receipt thereof and before the Closing. (For avoidance of doubt, Buyer shall also have the right of objection for Title Defects reflected by a Survey for the Property, if obtained by Buyer, based upon the terms established in Section 7 herein, "Survey"). Seller shall have a period of five (5) business days from receipt of notice from Buyer of Title Defects to notify Buyer whether or not Seller elects to cure such Title Defects. If Seller fails to timely respond or declines to cure any such Title Defects, Buyer may either elect- in writing to be delivered within thirty (30) days thereafter- to accept the Property subject to such Title Defects, or terminate this Contract, in which event both parties shall be released from any further obligations hereunder. If Buyer fails to deliver any such notice within such ten (10) business day period, then Buyer shall be deemed to have accepted all matters set forth in the Title Commitment.. For those Title Defects which Seller elects to attempt to cure, Seller shall be obligated to cure as a condition precedent to Closing unless waived by Buyer in accordance with provisions herein.

(iii) As a condition precedent to Closing, Seller, at its sole cost and expense, shall:

(a) take such actions as are necessary to satisfy or cause the Title Company to remove all Requirements (other than payment of the Purchase Price and payment of the title premium, which are Buyer's responsibility) in the Buyer's Title Commitment and any update;

(b) cure and remove from the Buyer's Title Commitment all monetary liens against the Property, which shall include all mortgages, judgment liens, mechanic's and materialmen's liens, and fines or penalties resulting from violations of legal requirements encumbering the Property which either secure indebtedness or can be removed by payment of a liquidated sum of money ("**Monetary Lien**"), provided however that Seller may utilize the proceeds of the sale at Closing to meet this requirement;

(c) no later than five (5) days prior to Closing, provide evidence satisfactory to the Buyer, as determined in Buyer's reasonable discretion, showing that Seller has completed all on-going construction work at the Property such that all final inspections and approvals from entities with jurisdiction over the construction have occurred and that all building and other permits have been closed, and all liens and claims from all contractors and subcontractors performing work on the Property, have been unconditionally released; and

(d) use commercially reasonable efforts, to cure or remove all Title Defects. If after using commercially reasonable efforts Seller is unable to remedy the Title Defects, no later than ten (10) days prior to Closing, Seller shall provide written notice to Buyer of same. After receipt of such notice, Buyer may provide Seller with written

notice prior to the Closing of its intent to terminate this Contract, whereupon both Buyer and Seller shall be released from all further obligations hereunder, except those which expressly survive the termination hereof, or Buyer may waive such Title Defects and proceed to Closing at Buyer's option taking title as it then exists without reduction in the Purchase Price, unless any additional reduction is mutually agreed to by Buyer and Seller.

(e) No later than five (5) days prior to closing, Seller shall provide Buyer with estoppel letters for each Tenant in substantially the form attached hereto as **Exhibit "E"**.

(iv) The Closing Date as set forth in Paragraph 13 below may be extended by the number of days reasonably necessary to resolve any Title Defects or Monetary Liens identified during the title due diligence process as established herein, provided however that after ten (10) days of the extension period either Buyer or Seller may terminate the Contract, whereupon both Buyer and Seller shall be released from all further obligations hereunder, except those which expressly survive the termination hereof.

6a. ENVIRONMENTAL/HAZARDOUS MATERIALS INSPECTIONS. Buyer may, at Buyer's sole option, cost and expense and within forty-five (45) days after the Effective Date of this Contract, complete inspections to obtain information regarding the environmental conditions of the Real Property, and to determine the existence and extent, if any, of environmental impacts, specifically: contamination (as defined in Section 24-5 of the Code of Miami-Dade County (the "**Code**") and/or Chapter 62-780 Florida Administrative Code ("**FAC**") or the presence of hazardous materials or hazardous waste, pursuant to Section 24-5 of the Code, or solid waste as defined in Section 15-1 of the Code and/or Chapter 62-701 FAC, on the Real Property in violation of any laws, ordinances rules or restrictions of any governmental authority having jurisdiction (the "Environmental Condition"). Such inspections may include an ASTM PHASE I Environmental Site Assessment, an ASTM Phase II Environmental Site Assessment, underground storage or septic tank installation and structural integrity assessment, and asbestos or other site and improvement testing as requested by the state or local agencies including the Miami-Dade County Department of Regulatory and Economic Resources, Division of Environmental Resource Management (DERM) for the purpose of approving a "No Further Action" plan in accordance with the Code Section 24-44(2) regarding any potential Environmental Condition.

The foregoing time period for testing shall be referred to herein as the "**Inspection Period.**" Should any such inspections show defects to the Property, including Environmental Conditions requiring costs to cure, which Seller is unable or unwilling to accept, or which are unable to be cured, Buyer may elect to terminate this Contract by giving Seller written no later than ten (10) days after the expiration of the Inspection Period, whereupon both Buyer and Seller shall be released from all further obligations hereunder, except those which expressly survive the termination hereof, unless Seller in Seller's sole discretion elects in writing to repair such defects to Buyer's satisfaction in Buyer's sole discretion. Within five (5) days of Seller's receipt of written notice by the Buyer, Seller shall provide Buyer with written notice as to whether or not Seller is willing to repair such defects to Buyer's satisfaction, and failure to so provide shall be deemed a refusal to repair same. If Seller agrees to repair such defects by Closing and effectuates such repairs

to Buyer's satisfaction in Buyer's sole and absolute discretion, Buyer will proceed to Closing. If Seller is unwilling or unable to repair such defects to Buyer's satisfaction, at Buyer's option, Buyer may: (i) waive all such defects and proceed to Closing without adjustment to the Purchase Price, unless any additional reduction is mutually agreed to by Buyer and Seller; or (ii) terminate this Contract, whereupon both Buyer and Seller shall be released from all further obligations hereunder, except those which expressly survive the termination hereof. Buyer shall provide written notice of its election within ten (10) days of Seller's notice to Buyer that it is unable or unwilling to repair such defects. The Closing Date as set forth in Paragraph 13 below may be extended by the number of days reasonably necessary to resolve any adverse environmental findings during the Inspection Period, provided however that after ten (10) days either Buyer or Seller may terminate the Contract.

Seller has provided Buyer with a Phase I Environmental Site Assessment dated July 1, 2016, and prepared by Global Realty Services Group of Irvine, California for a disinterested third-party Starwood Mortgage Capital, LLC. Buyer agrees to provide a copy of such Phase I Assessment to DERM, provided however that Buyer makes no warranty or representation as to DERM's use or reliance on same.

6b. PROPERTY INSPECTIONS. Seller agrees that Buyer and its contractors, consultants and agents shall have the right to enter and inspect the entire Property to determine the condition of physical components including, but not limited to, all structural, mechanical, HVAC, foundation, plumbing, electrical system, exterior, roofs, walls, basement, ceilings, floors, structural, and safety. This inspection may also include air quality, mold, asbestos (to the extent not included in the environmental inspections for Section 6a), and any other inspections needed to verify that the Property is structurally safe, with no significant deferred maintenance or repairs, meets all regulatory requirements for existing buildings in 8-11 of the County Code required by Miami-Dade County (as a regulatory agency, not as Buyer hereto), and poses no undue threat to health.

The inspection(s) shall be performed by one or more inspectors of the Buyer's choice and may include qualified employees of Buyer. The inspectors shall be qualified in the inspection(s) which they are performing, as evidenced by licensure or professional designation as determined in Buyer's reasonable discretion. Said inspection(s) shall be at the Buyer's sole expense. Seller agrees to make the Property reasonably available for said inspection, including making arrangements with all Tenants for Buyer's inspection.

The inspection shall be completed within the Inspection Period. If Buyer or anyone representing Buyer discovers any defects in the above specified components of the Property, Buyer agrees to notify Seller in writing, describing such defects no later than ten (10) days after the expiration of the Inspection Period. If the Buyer notifies the Seller of such defects, and if within ten (10) days after such notice Buyer and Seller have not agreed in writing as to whether repairs will be made by the Seller at its expense, or the Purchase Price is to be reduced in lieu of said repairs, the Contract may be terminated by Buyer or Seller upon written notice, and both Buyer and Seller shall be released of all obligations hereunder other than such obligations that survive termination of this Contract. However, notwithstanding any provision to the contrary, or any notice given, the Buyer may unilaterally waive such defects, provided that the Buyer notifies Seller of

waiver in writing within five (5) business days of receipt of Seller's election to terminate. If Buyer fails to perform this inspection or fails to notify Seller of such defects within the time specified herein, this contingency shall be deemed removed.

6c. WALK-THROUGH INSPECTION/RE-INSPECTION. On the day prior to Closing, or on the Closing Date, Buyer or Buyer's representative may perform a walk-through (and follow-up walk-through, if necessary) inspection of the Property. If any defects are discovered during such walk-through inspection, the provisions of 6b shall apply regarding notice, termination, waiver, and election to proceed and the Closing Date shall be extended accordingly.

6d. ASSIGNMENT OF REPAIR AND TREATMENT CONTRACTS AND WARRANTIES. Within five (5) days of the Effective Date, Seller shall disclose in writing to Buyer a list of all warranty, repair, treatment, service or maintenance contracts of which Seller is actually aware or reasonably should be aware and that Seller currently has in place for the Property and for all improvements identified in **Exhibit "B"** to this Contract along with copies of all such contracts. No later than thirty (30) days prior to Closing, Buyer shall notify Seller in writing of any such contracts that Buyer desires to have assigned to Buyer, at Buyer's option and cost, and Seller will, at Closing, assign all such assignable repair, treatment and maintenance contracts and warranties to Buyer. If Buyer elects to not assume any contracts, Buyer shall provide written notice to Seller of its election and Seller shall terminate all such contracts no later than 15 days before Closing, at its sole cost and expense, and shall provide evidence reasonably satisfactory to Buyer that all such contracts have been terminated. This section survives the Closing of this Contract.

7a. SURVEY. Seller shall provide Buyer, at Seller's sole cost and expense and not less than 30 days prior to closing, a current certified boundary survey of the Property prepared by a professional land surveyor licensed by the State of Florida. The survey shall be certified to the Buyer, the Title Company and the Seller. The date of certification shall be within sixty (60) days before the Closing Date, unless this sixty (60) day time period is waived by Buyer and by the Title Company for purposes of deleting the standard exceptions for survey matters and easements or claims of easements not shown by the public records from the owners' title policy. The survey shall contain a certification of the number of square feet and calculated acreage contained in the Real Property, less any dedicated right of way thereon. If the survey shows any encroachment on the Property or that any improvements on the Property encroach on the land of others and the same is not already disclosed in the Seller's Title Commitment, then the same shall be regarded as an **Additional Title Defect** and shall be governed by the provisions of Section 5 of this Contract. The legal description in the survey shall be subject to Seller's and Buyer's approval.

7b. FP&L EASEMENTS. Two separate, non-exclusive easements in favor of 1) Florida Power & Light Company filed 4/29/11 at ORB 27671 Page 2927 impacting multiple areas of Property, attached as **Exhibit "F"**, and 2) FPL Fibernet LLC filed 4/29/11 at ORB 27671 Page 2945, attached as **Exhibit "G"**, are impacting multiple areas of Property.

Seller shall obtain a subordination or amendment of the easements in substantially the form attached hereto (**Exhibit H**) as a condition precedent to Closing and shall provide same to Buyer no later than 15 days prior to Closing.

8. **RIGHT TO ENTER REAL PROPERTY.** Seller agrees that Buyer and its agents shall, upon reasonable notice, have the right to enter the Property for all lawful and agreed upon purposes in connection with this transaction provided the Buyer shall indemnify and hold Seller harmless for Property damage or personal injury caused by Buyer and its agents, subject to and limited by section 768.28, Florida Statutes. Buyer shall not in the course of such entry make any invasive tests, alterations or improvements to the Property, except with the express written consent of Seller.

9. **TENANCIES.** As a condition precedent to closing, Seller further warrants and represents to Buyer that at the time of Closing there are no more than six tenants or licensees occupying the Property, all of which are subject to leases and/or licenses (collectively the “Leases and Licenses”), as follows: (1) CAREATC, Inc. (Lease, Suite 201, 3,939 square feet), (2) Florida Power & Light Co. (Lease, Suite 501, 7,812 square feet), (3) T-Mobile South, LLC (Lease, Roof 1), (4) Verizon Wireless (License, Roof 2), (5) First Quality Home Care Inc. (Lease, 8,379 square feet of the 5th floor identified within Exhibit K hereto as “Exhibit A” to Exhibit K) and (6) Simply Healthcare Plans Inc. (Lease, 107,714 square feet, 6th floor), all of which tenants are presently occupying the portions of the Property set forth in their respective Leases and Licenses (collectively, the “**Tenants**”), and that other than the Tenants, no other person or entity is living on, occupying, using or has a right to occupy, live upon or use the Property. Seller warrants that as of the Closing, there will be no leases or other agreements and understandings affecting possession, use, or occupancy of the Property, except for the Tenants’ Leases attached hereto as **Exhibits “I”, “J”, “K”, “L”, “M” and “N”** all of which shall be assigned to the Buyer at Closing and shall be amended prior to Closing as set forth in Section 10 below. The Seller warrants and agrees that no part of the rent due from Tenants has been prepaid to Seller more than one month in advance of its due date. All security deposits currently held by Seller shall be transferred and conveyed to Buyer at Closing and all future rental payments shall be sent to Buyer. Seller shall be liable to the Buyer for any and all damages, costs and expenses accruing to the Buyer as a result of any breach or misstatement of the warranty and representation set forth in the first paragraph of this Section 9. Further, Seller shall indemnify, defend, and hold Buyer harmless against any claims, demands, or losses against the Buyer from third parties arising from the occupancy or agreements for occupancy of the Property by any tenants not disclosed to Buyer or from a breach of Seller’s Paragraph 9 “Tenancies” warranties, including but not limited to any claims from prior tenants who have vacated. Notwithstanding and prevailing over any provision of this Contract, the provisions of this section 9 shall survive the Closing of the Property and shall be enforceable against Seller.

10. **TERM OF TENANT OCCUPANCY AND OTHER AMENDMENTS.** It is agreed and Seller represents, warrants, and covenants that the Tenants’ existing Leases and Licenses shall not be renewed or extended beyond the lease terms, as follows nor shall they be further amended after October 30, 2023 without the prior, written consent of the Buyer except as otherwise set forth herein: 1) CAREATC, Inc., Suite 201: December 31, 2024, 2) Florida Power & Light Co., Suite 502: July 31, 2025, 3) Roof 1 (T-Mobile South, LLC): July 23, 2027, 4) Roof 2 (Verizon Wireless Personal Communications, LP): December 31, 2024, (5) First Quality Home Care, Inc., a portion of the 5th floor: March 31, 2024 and (6) Simply Healthcare Plans Inc., 6th Floor: May 31, 2024, except with the express written consent of Buyer, which Buyer may withhold for any reason, and on terms and conditions acceptable to Buyer, in Buyer’s sole and absolute discretion. Furthermore, as a condition precedent to Closing, Seller shall amend the Leases and Licenses with: (a)

CAREATC, Inc., Florida Power & Light Co., First Quality Home Care, Inc., and Simply Healthcare Plans, Inc., the respective Leases and Licenses to extinguish any renewal options, however, allowing for Buyer, as Landlord, to offer a renewal at its sole option; and (b) with First Quality Home Care, Inc. to either remove all obligations of Landlord/Licenser to pay moving costs to Tenant/Licensee; alternatively, Seller can, no later than ten (10) days prior to the scheduled Closing Date, make a payment to First Quality Home Care, Inc. in satisfaction of all obligations relating to the moving expenses and obtain an executed statement from First Quality Home Care, Inc., in a form reasonably satisfactory to the Buyer, that this obligation has been satisfied in full and releasing the Buyer from any obligations thereto. If Seller is unable to cause such lease amendments, no later than ten (10) days prior to Closing, Seller shall provide Buyer with written notice of same. Within five (5) days of receipt of same, Buyer shall provide written notice to Seller of its election to waive this requirement and proceed to Closing, or alternatively, terminate the Contract at its sole discretion.

11. PRORATIONS: In addition to proration of taxes as provided in Paragraph 4 above, expenses for electricity, water, sewer, waste collection, service contracts and agreements, and personal property taxes, if any, and all revenue of the month of Closing (including rents owed to Seller for the month of Closing to the extent already paid by the Tenants), if any, shall be prorated to the day prior to Closing.

12. LIENS. All liens of record, including certified municipal and county liens, as well as special assessments, if any, shall be paid in full, or otherwise satisfied at or before Closing by the Seller (it being agreed that if any such lien does not appear as an exception to title in the Buyer's title insurance policy, then the same shall be deemed to have been adequately cured, subject to the provisions in this section). If a pending lien has been filed against the Property which has not been certified as of the date of Closing, and the work and improvements for which the lien was filed have been completed prior to the Closing, despite the fact that the pending lien has not been certified, such lien shall be paid by the Seller. This paragraph survives the Closing of this Contract.

13. CLOSING.

(i) The parties shall close this transaction ("Closing") no later than March 15, 2024 (the "**Closing Date**") unless otherwise extended, as mutually agreed upon by both Buyer and Seller or as otherwise provided herein. If no extension is agreed upon, then either party shall have the right to terminate after March 15, 2024. The precise date, time, and place of Closing shall be mutually agreed to by Buyer and Seller.

14. TIME. Buyer and Seller mutually agree to fully and timely execute such papers as deemed necessary to complete the conveyance in accordance with the terms of this Contract. Time is of the essence of this Contract. All obligations are subject to acts of God or nature or any other occurrence, which is beyond the control of Seller or Buyer. All time periods will be calculated in calendar days, unless otherwise specifically provided.

15. FINANCING. Financing. The Closing of this Contract is contingent upon the following **Financing Contingency**: (a) the full and binding approval by the Miami-Dade County Board of County Commissioners (the "Board") of financing in the form of bonds in an amount of no less than \$275,000,000, which shall be determined in the sole and absolute discretion of the

Board; and (b) the actual issuance of the bonds generating an amount not less than \$275,000,000.00. If Buyer's Financing Contingency is not obtained by March 10, 2024, then either party may terminate the Contract by written notice without any further liability or obligation to the other than any obligation or liability that survives the termination of this Contract. If the Board fails to approve the financing, this Contract shall be rendered null and void upon written notice by the Buyer. The parties by mutual written agreement may extend the Closing Date to address the Financing Contingency which is a condition precedent to Closing.

16. **BROKERS.** Any and all real estate fees or commissions claimed due pursuant to this transaction to any real estate broker or agent shall be paid by the Seller. Notwithstanding the foregoing, Buyer and Seller hereby represent to each other that no real estate agent or broker was involved in this transaction involving the Property and/or the formation or drafting of this Contract. Seller shall hold Buyer harmless from and against any and all claims, liability, cost, expense, damages, judgments and causes of action, including reasonable attorney's fees, based on real estate commissions claimed due pursuant to this transaction to any real estate broker or real estate agent. This provision survives the termination or expiration of this Contract, as well as the Closing.

17. **EXPENSES.** Seller shall be responsible for recording fees on the General Warranty Deed. Seller shall be responsible for the payment of Florida Documentary Stamp Taxes and Miami-Dade County Surtax on the Warranty Deed required as part of Buyer's Title Commitment.

18. **LOSS.** All risk of loss to the Real Property shall be borne by Seller until transfer of title.

19. **ACCESS.** Seller warrants and represents that there is legal ingress and egress to the Property being purchased under this Contract. This Section survives the Closing of this Contract.

20. **POSSESSION.** Seller shall deliver possession of the Property to Buyer at Closing in accordance with all terms herein, including delivery of keys to all locks.

21. **DEFAULT.** If either party defaults under this Contract, then the other party may waive the default and proceed with closing without adjustment to the purchase price, in which event any and all claims with respect to such default shall be deemed extinguished, or either party may seek specific performance. In addition to specific performance, a non-defaulting party may terminate the Contract if a defaulting party does not cure a default within thirty (30) days of receipt of a default notice from the non-defaulting party. Such default notice shall be sent in writing via U.S. Mail or via electronic communication. Except for defaults under sections 9, 12, 16, and 18 of this Contract in which actual damages shall be due and owing, in no event shall either party be liable for any damages (actual, special consequential, punitive, or otherwise) for any default under this Contract.

22. **LITIGATION.** In the event of any litigation arising out of this Contract, each party shall bear its own attorney's fees and costs.

23. **DISCLOSURE.** Seller warrants that there are no facts which materially and adversely affect the physical condition and present use of the Property which have not been

disclosed by Seller to Buyer or which are not readily observable to Buyer or which Buyer cannot discover during customary due diligence.

24. **SUCCESSORS IN INTEREST.** This Contract will inure to the benefit of and be binding upon and is intended solely for the benefit of the parties hereto, and their respective heirs, personal representatives, successors, and assigns; and no third party will have any rights, privileges or other beneficial interests herein or hereunder.

25. **GOVERNING LAW.** This Contract is governed by and will be construed in accordance with the laws of the State of Florida, and in the event of any litigation concerning the terms of this Contract; proper venue thereof will be in Miami-Dade County.

26. **INVALID PROVISIONS.** In the event any term or provision of this Contract is held illegal, unenforceable or inoperative as a matter of law, the remaining terms and provisions will not be affected thereby but will be valid and remain in force and effect, provided that the inoperative provision(s) are not essential to the interpretation or performance of this Contract in accordance with the clear intent of the parties.

27. **RECORDING.** This Contract or notice thereof may be recorded by Buyer in the minutes of the Clerk of the Board of County Commissioners Miami-Dade County, Florida, but shall not be recorded in the official public records of the Clerk of the Court of Miami-Dade County, Florida.

28. **ASSIGNMENT.** Neither this Contract nor any interest therein shall be assigned by Buyer or Seller without the express written consent of each other.

29. **ENTIRE AGREEMENT.** This Contract contains the entire agreement between the parties hereto as it pertains to the subject matter contained herein and shall supersede and take precedence over any and all prior and contemporaneous agreements and understandings between the parties hereto.

30. **EFFECTIVENESS.** The effectiveness of this Contract is contingent upon approval by the Miami-Dade County Board of County Commissioners ("Board"), however, that such Board approval shall not be effective until the earlier of a) the date the Mayor of Miami-Dade County indicates approval of such Commission action; or b) the lapse of ten (10) days without the Mayor's veto (the "Effective Date"). In the event that the Mayor vetoes the Board approval, the Board approval shall not be effective in the absence of an override of the Mayor's veto that shall be at the next regularly scheduled meeting of the Board after the veto occurs, in which case such override date shall be the Effective Date. The actions of the Commission and the Mayor in connection with the award or rejection of any contract rests within their sole discretion.

31. **RADON GAS.** Radon is a naturally occurring radioactive gas that, when it has accumulated in the building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed Federal and State guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your County Public Health Unit.

32. COUNTERPARTS. This Contract may be executed in counterparts by each party on a separate but identical counterpart, each of which, when so executed and delivered shall be an original, but all of which together shall constitute one and the same instrument.

Upon Landlord’s request, Tenant shall promptly execute a written agreement confirming the Commencement Date and the Expiration Date; provided, however, that the failure of any party to execute such agreement shall not affect such dates. If the Commencement Date is the first date of a calendar month, then the first “**Lease Year**” shall be the period of time from such date through the date immediately preceding the first (1st) anniversary of the Commencement Date; if the Commencement Date is other than the first day of a calendar month, then the first “**Lease Year**” shall be the period of time from such date to the end of the month in which such date shall fall, plus the following twelve (12) calendar months. Each “**Lease Year**” after the first Lease Year shall be a successive period of twelve (12) calendar months.

(b) **Renewal Terms.** Provided that, at the time of the giving of the applicable Renewal Notice (as hereinafter defined) and upon the commencement of the applicable Renewal Term (as hereinafter defined), this Lease is in full force and effect and Tenant has not defaulted, and is not in default, under this Lease, is in possession and occupancy of the Premises, and has not assigned this Lease or sublet any portion of the Premises (each of which

such foregoing conditions shall be for the benefit of Landlord only and which Landlord may waive in its sole and absolute discretion), then Tenant shall have the option (each a “**Renewal Option**”) to extend the Term of this Lease for two (2) successive periods of 3 years each (each a “**Renewal Term**”). The “**First Renewal Term**” shall be the period commencing on January 1, 2025 and expiring on December 31, 2027; and the “**Second Renewal Term**” shall be the period commencing on January 1, 2028 and expiring on December 31, 2030. In order to exercise a Renewal Option, Tenant must deliver to Landlord written notice of such exercise (“**Renewal Notice**”) no later than the date that is six (6) months prior to the first day of the applicable Renewal Term; time being of the essence with respect to the giving of such notice. If Tenant duly exercises a Renewal Option, then this Lease shall continue through the end of the applicable Renewal Term on all of the terms and conditions of this Lease, except that (i) all references to the “Term” shall be deemed to include such Renewal Term, (ii) the Fixed Rent payable hereunder for such Renewal Term shall be the applicable Renewal Term Fixed Rent (as hereinafter defined), and (iii) in the case of the Second Renewal Term, Tenant shall have no further options to renew the term of this Lease. For the sake of clarity, if Tenant does not timely exercise the Renewal Option for the First Renewal Term, then Tenant shall have no right to renew the term of this Lease for the Second Renewal Term.

The term “**Renewal Term Fixed Rent**” shall mean (i) with respect to the First Renewal Term, an annual amount equal to the greater of (A) 104% of the Fixed Rent payable for the 3rd Lease Year, and further escalating every subsequent Lease Year during the First Renewal Term by a cumulative 4% over the prior Lease Year’s Fixed Rent, and (B) the then-Fair Market Rent as determined in accordance with the below; and (ii) with respect to the Second Renewal Term, an annual amount equal to the greater of (A) 104% of the Fixed Rent payable for the 6th Lease Year, and further escalating every subsequent Lease Year during the Second Renewal Term by a cumulative 4% over the prior Lease Year’s Fixed Rent, and (B) the then-Fair Market Rent as determined in accordance with the below.

(c) **Fair Market Rent.** The term “Fair Market Rent” shall mean the then-market rental value of the Premises considering the highest and best use of the Premises (and considered as though the Premises were vacant and unleased); provided, however, that in no event shall the Fixed Rent during a Renewal Term escalate each Lease Year at a rate less than a cumulative 4% over the Fixed Rent payable for the prior Lease Year. If Landlord and Tenant cannot agree in writing upon the prevailing market rate for the Premises within sixty (60) days of the delivery of Tenant’s Renewal Notice, then the prevailing market rate will be determined pursuant to “baseball arbitration”, as follows:

(i) Landlord and Tenant shall each simultaneously present to the other party their final determinations of the prevailing market rate (the “**Final Offers**”) no later than ninety (90) days after the delivery of Tenant’s Renewal Notice. If such rate as determined by the lower of the two (2) proposed Final Offers is not more than one percent (1%) below the higher, then such rate shall be determined by averaging the two (2) Final Offers. In the event that Tenant fails to provide its Final Offer within such 90-day period, then Landlord’s Final Offer shall be conclusively binding on the parties.

(ii) If the difference between the lower of the two (2) proposed Final Offers is more than one percent below the higher, then within fifteen (15) days after each party has presented its Final Offer, the parties shall endeavor to select a mutually acceptable arbitrator (the “Arbitrator”), who shall be a qualified and impartial person licensed in the State of Florida as a commercial real estate leasing broker with at least ten (10) years of experience in the leasing of space comparable to the Premises in the market in which the Premises are located. If Landlord and Tenant are unable to agree on the Arbitrator, either party, by giving ten (10) days’ notice to the other party, can apply to a court of competent jurisdiction for the selection of an arbitrator meeting the qualifications stated in this paragraph. The Arbitrator, however selected, shall be a person who has not previously acted in any capacity for either party. Each of the parties shall bear one-half of the cost of the Arbitrator and any fees of the court. Attorneys’ fees and expenses of counsel and of

witnesses for the respective parties shall be paid by the respective party engaging such counsel or calling such witnesses.

(iii) The Arbitrator shall, after due consideration of the factors to be taken into account in determining the fair market rental rate for the Premises considering the highest and best use of the Premises (and considered as though the Premises were vacant and unleased), and hearing whatever evidence the arbitrator deems appropriate from Landlord, Tenant and others, and obtaining any other information the arbitrator deems necessary, in good faith, make its own determination of the prevailing market rate for the Premises as of the first day of the Renewal Term (the “**Arbitrator's Initial Determination**”) and thereafter such Arbitrator must select either Landlord's Final Offer or the Tenant's Final Offer, but no other, whichever is closest to the Arbitrator's Initial Determination (the “**Final Determination**”), such determination to be made within thirty (30) days after the appointment of the Arbitrator. The Arbitrator's Initial Determination, Final Determination and the market information upon which such determinations are based shall be in writing and counterparts thereof shall be delivered to Landlord and Tenant within said thirty (30) day period. The Arbitrator shall have no right or ability to determine the prevailing market rate in any other manner. The Final Determination shall be binding upon the parties hereto, provided, however, that in no event shall the Fixed Rent during the Renewal Term escalate each Lease Year at a rate less than a cumulative 4% over the Fixed Rent payable for the prior Lease Year.

2.2 **Condition of Premises.** The Premises are being leased to Tenant, and Tenant shall accept the Premises, in its “as-is” condition as of the date hereof, subject to any and all faults and without representation or warranty by Landlord whatsoever, express or implied, as to the condition, legality, or suitability thereof or otherwise, and, Landlord shall have no obligation to perform any work whatsoever in or to the Premises or Building to ready the Premises for Tenant’s occupancy thereof or otherwise. Tenant hereby represents and warrants that it is currently occupying the Premises and/or that Tenant has otherwise inspected the Premises and the Building on or prior to the date hereof and is fully satisfied with the condition thereof as of the date hereof and shall take possession of the Premises in “as is” condition as of the date hereof. Tenant shall be solely responsible, at its sole cost and expense, to perform any and all alterations and installations which may be necessary or desirable to ready the Premises for Tenant’s occupancy thereof (collectively, the “**Initial Alterations**”). The Initial Alterations and the performance thereof shall be subject in all respects to the provisions of Article 7 of this Lease and all other provisions of this Lease.

3. **Rent.** Tenant shall pay as rent for the Premises during the Term the following amounts in the following manner:

3.1 **Fixed Rent.** Commencing as of the Commencement Date, Tenant shall pay Landlord the Fixed Rent (as hereinafter defined) in equal monthly installments on the first of day of each and every calendar month during the Term. Notwithstanding the foregoing, the first full month’s installment of Fixed Rent payable under this Lease (and any tax thereon) shall be paid by Tenant upon execution of this Lease. Rent shall be made payable directly to Landlord at its address set forth in Section 24.8, or to such other party or at such other payee and or address as Landlord may designate from time to time by written notice to Tenant. In addition, at the election of Landlord from time to time, Tenant shall pay Rent by federal wire transfer or ACH to such account(s) as Landlord may designate. In the event Tenant’s check is returned for insufficient funds or otherwise dishonored for any reason, Tenant shall pay to Landlord, an administrative fee of \$100.00, which shall be deemed Additional Rent, and shall, following such occurrence, be required to make all further payments of Rent by certified or bank check or federal wire. If the Commencement Date and/or Expiration Date is a date other than the first or last day of the month, respectively, the installment of Fixed Rent and Additional Rent for such partial month shall be adjusted proportionately.

“**Fixed Rent**” for the initial Term shall mean the following annual amounts for the following periods:

Lease Year	Fixed Rent (Annual)	Fixed Rent (Monthly)
1	\$126,080.00	\$10,506.67
2	\$131,123.20	\$10,926.93
3	\$136,368.13	\$11,364.01

3.2 **Operating Expenses.**

(a) **Definitions.**

(i) “**Taxes**” means all real estate taxes, assessments (including, without limitation, general and special governmental assessments for public improvements or benefits whether or not commenced or completed during the Term), sanitary and trash removal assessments, municipal water charges, sewer rents and any and all other taxes and assessments levied or imposed against the Building and/or the Land and/or the Property and/or the tax lot(s) on which the Premises and/or Building and/or Property is situated by any governmental or quasi-governmental authority (and shall include, without limitation, voluntary payments in lieu of taxes), whether general or special, ordinary or extraordinary, unforeseen or foreseen, whether in lieu of or in addition to so called “real estate taxes”, together with interest paid on any installment payments. Taxes shall not include taxes measured in whole or in part by, rents or gross receipts or in the nature of an excise, franchise, gift, estate, succession, inheritance or capital levy tax or tax on Landlord’s income or profits (unless any of the foregoing taxes shall be in lieu of so called “real estate taxes” in which case such taxes shall be included in the definition of Taxes). Landlord may elect to contest any and all Taxes, or negotiate with respect to the assessed valuation of the applicable tax parcel. Landlord’s reasonable and actual costs, expenses and fees incurred in connection therewith, including attorneys’ fees, shall constitute part of Taxes

(ii) “**Operating Expenses**” means collectively, Taxes, and the total of the other costs and expenses incurred in operating, maintaining, insuring, repairing and/or replacing all or any part of the Building and/or Property, including, without limitation, the costs and expenses of: painting; decorating; repairing, maintaining, resurfacing, paving and re-striping of the parking lots; lighting; electrical power; sanitary control; removal and other treatment of trash, garbage and other refuse; cleaning; janitorial services, gardening and landscaping; snow removal; heating, ventilating and air conditioning, if any; fire protection; water and sewage charges; other utility costs; management fees; insurance carried by Landlord covering any portion of the Property, including, without limitation, commercial general liability and automobile coverage, fire and extended coverage, terrorism coverage, vandalism and malicious mischief and all other broad form coverage, rent and any other insurance, including umbrella coverage, carried by Landlord, all in limits selected by Landlord, and including the costs of financing any premium or the cost of paying any premium in installments; restoring, replacing and repairing all walls, facades, roofs and ceilings, and plate glass doors and windows, if any; installation and operation of public toilets, if any; installation, repair, replacement and renting of signs; maintenance, repair and replacement of utility systems, including water, sanitary sewer and storm water lines, electric and other utility lines and pipes; security costs; the cost of purchasing, operating, repairing, replacing and insuring machinery and equipment used in the operation, policing, maintenance and repair of the Property and/or the rental charges for such machinery and equipment; holiday promotions and decorations; the cost of personnel (including applicable payroll taxes, worker’s compensation and disability insurance, uniforms and other benefits); and depreciation of the capital cost of any machinery, equipment and vehicles used in connection with such operation, maintenance, repair and replacement of the Property; and a charge for administrative costs equal to fifteen percent (15%) of the cost of all of the

foregoing. Nothing herein is intended to impose any obligation of Landlord to provide any service or perform anything or expend any monies; such obligations, if any and to the extent thereof, are set forth elsewhere in this Lease.

(iii) “**Tenant’s Proportionate Share**” means 0.5%.

(iv) “**Base Year Taxes and Operating Expenses**” means the Taxes and/or other Operating Expenses, as applicable, incurred or paid in calendar year 2023 (“Base Year”).

(v) “**Tenant’s Operating Expense Payment**” means Tenant’s Proportionate Share of the amount by which Taxes and/or other Operating Expenses incurred or paid in a particular year in the Term occurring after the Base Year (each, a “Subsequent Year”) exceeds the Base Year Taxes and Operating Expenses.

(b) **Tenant’s Payment.** On the first day of each month during the Term, Tenant shall pay to Landlord as Additional Rent such amount as Landlord shall reasonably estimate to equal one-twelfth (1/12) of Tenant’s Operating Expense Payment for the then current calendar and/or fiscal year. Notwithstanding the foregoing, Landlord shall have the option, in Landlord’s sole discretion, to bill Tenant in monthly or other periodic installments or in a lump sum, and Tenant shall pay such installment or lump sum of Tenant’s Operating Expense Payment within fifteen (15) days after being billed therefor.

(c) **Year End Adjustment.** After the end of the calendar or fiscal year in question, Landlord shall furnish Tenant a written statement of the actual amount of Tenant’s Operating Expense Payment for such year (which may be separate statement given at separate times, for example the statement for Taxes may be given at different times and different interval than the other Operating Expenses). If the amount paid by Tenant under this Section on account of such year shall exceed Tenant’s Operating Expense Payment, the excess shall be credited against the next payments due from Tenant under this Lease; if the amount paid by Tenant for such year shall be less than the actual amount Tenant’s Operating Expense Payment, Tenant shall pay the deficiency to Landlord within thirty (30) days after demand therefor. Tenant’s Operating Expense Payment for the final year of the Term shall be prorated if the Term ends on a day other than the last day of the applicable fiscal or calendar year, as applicable. Landlord’s failure to render or delay in rendering any statements with respect to Operating Expenses shall not prejudice Landlord’s right to thereafter render such statement(s) nor shall the rendering of such statement(s) prejudice Landlord’s right to thereafter render a corrected statement.

(d) **Gross Up.** If the Building is not at least 95% occupied during all or a portion of any Subsequent Year, then Landlord, using reasonable projections, may make a determination of the amount of Operating Expenses which would have been incurred for such Subsequent Year had the Building been 95% occupied throughout such Subsequent Year, and the amount so determined shall be deemed to be the amount of Operating Expenses for such Subsequent Year for purposes of calculating Tenant’s Operating Expense Payment under this Lease.

3.3 **Additional Rent; Tax.** Additional Rent shall consist of all sums not included in Fixed Rent which Tenant is obligated to pay to Landlord from time to time pursuant to the terms of this Lease. Fixed Rent and Additional Rent are referred to collectively as “**Rent**”. In addition to the Fixed Rent and other Additional Rent payable hereunder, Tenant shall also pay Landlord, together with the applicable installment of Rent, any use or sales or surtax or any other tax or assessment on any portion of such rental or other payment under this Lease, and/or the use, privilege and/or occupancy of the Premises imposed by the State of Florida and/or any federal and/or local government, including but not limited to Florida Statutes Section 212.031 and any amendments or replacements thereof. If Landlord has paid any of the foregoing (without any obligation of Landlord to do so), Tenant shall reimburse Landlord therefor within 15 days after being invoiced therefor.

3.4 **Demand, Time; Late Charge and Interest.** All Rent shall be paid to Landlord in United States dollars, in immediately available funds, without prior notice or demand and without deduction, set-off or counterclaim, in advance on the first day of every month during the Term (or at such times as are otherwise set forth in this Lease). If Landlord shall at any time or times accept Rent after it shall become due and payable, such acceptance shall not excuse a delay upon subsequent occasion, or constitute, or be constructed as or deemed to be, a waiver of any or all of Landlord's rights hereunder. In order to partially compensate Landlord for the extra expense in the handling of delinquent payments, Tenant agrees that if Tenant fails to pay any installment of Fixed Rent and/or Additional Rent and/or any other charge due and owing Landlord under this Lease in the manner prescribed by this Lease by the date such installment becomes due and payable, then, in addition to and without waiving or releasing any other rights and remedies of Landlord, Tenant shall pay to Landlord a late charge equal to ten percent (10%) of the amount of such overdue payment. In addition, if Tenant fails to pay any installment of Fixed Rent and/or Additional Rent and/or any other charge due and owing Landlord under this Lease in the manner prescribed by this Lease by the date such installment first becomes due and payable, then Tenant shall pay Landlord interest on such installment, which shall accrue at the rate (the "**Interest Rate**") equal to the lesser of (i) eighteen percent (18%) per annum, and (ii) the maximum rate permitted by applicable law. Such late charge and interest shall constitute Additional Rent and shall be due upon demand.

4. **Use of Premises.**

4.1 **Use of Premises.** Tenant shall use and occupy the Premises solely for the Permitted Use and for no other purpose whatsoever. Without limiting the foregoing, and as a material covenant of Tenant under this Lease, Tenant shall not use or occupy or permit the use or occupancy of the Premises or any part thereof for any unlawful purpose, and will comply with all applicable present and future laws, ordinances, regulations and orders of the federal, state and local governments and/or any other public or quasi-public authority having jurisdiction over the Premises (collectively, "laws"). Without limiting the foregoing, as a material covenant of Tenant under this Lease, Tenant shall not use or occupy or permit the use or occupancy of the Premises or any part thereof, and shall cause its employees, invitees, licensees, guests, patrons and occupants to not use the Premises or any portion thereof: (i) in violation of any laws, insurance requirements (including without limitation those described in Section 4.3 below) or the certificate of occupancy or other licenses or certificates now or hereafter covering the Premises; (ii) in a manner which creates or permits a nuisance or trespass; (iii) in a manner which produces, reproduces, or transmits sounds audible outside the Premises; (iv) in a manner which obstructs or encumbers the sidewalks or other common areas; (v) in a hazardous or wasteful manner; (vi) in a manner which exceeds the floor load which such floor was designed, or is permitted by laws, to carry; (vii) to display or operate vending machines or coin or token operated amusement devices except for employees' use only; (viii) to conduct any auction, fire, bankruptcy, going out of business or similar sale (whether real or fictitious); (ix) in any manner which causes or permits any unreasonable noise, odors, fumes, dust or vapors to emanate or to be dispelled from the Premises; (x) for any type of business commonly called a "cut price" or "cut rate" store, "discount house or store," shooting gallery, flea circus or temporary toy or gift outlet; (xi) for the sale of lottery, raffle or other "chance" ticket; (xii) for any form of assignation or lewdness, or any form of establishment employing partially or totally nude entertainers, employees, waiters or waitresses, or any usage as an adult entertainment facility, bathhouse, or facility which caters to the prurient sale of books, magazines, other periodicals, or sex-centered objects; (i) movie theater, meeting hall or banquet hall; (ii) church, bingo hall or a place of public assembly; (iii) library; (iv) sale or service of automobiles or other vehicles or auto parts or supplies; (v) auto body shop; (vi) night club or bar; (vii) restaurant; (viii) liquor store or beverage store; (ix) funeral parlor; (x) omitted; (xi) animal clinic or animal boarding (kennel); (xii) discotheque, dance hall or otherwise for musical/dance reviews or topless/nude shows; (xiii) karate studio, bowling alley or skating rink; (xiv) car wash; (xv) off-track betting establishment, gambling, video gaming, etc.; (xvi) pool room, game room or amusement arcade (defined as any establishment containing more than a combination of three electronic, pinball or other games); (xvii) so-called "flea market" or second hand, used goods or consignment store; (xviii) store selling primarily distressed or damaged merchandise; (xix) health club or spa; (xx) so-called "head shop" or night club; (xxi) gun range; (xxii) warehousing; (xxiii) any business or use that emits offensive odors,

fumes, dust or vapors or is a public or private nuisance or emits loud noise or objectionable sounds or creates fire, explosive or other hazard; (xxiv) omitted; (xxv) abortion clinic, AIDS clinic, drug treatment facility or bodily fluid collection facility; homeless shelter or halfway house; distribution of needles or needle kits; (xxvi) animal kennel; (xxvii) marijuana dispensary; (xxviii) tattoo parlor; or (xiii) in any other manner which, in the reasonable judgment of Landlord, adversely affects the character, operation, reputation or appearance of the Building or otherwise disturbs the other tenants of the Building. Tenant shall not use the Building address or other identifying feature of the Buildings in any advertising or publications without Landlord's prior written approval as to the content thereof.

4.2 **Reserved.**

4.3 **Sprinklers.** If any law, regulation or order, or if the National or state or local Board of Fire Underwriters or any local Board of Fire Underwriters or insurance exchange (or other bodies hereafter exercising similar functions), or if any bureau, department, or official of the federal, state, and/or municipal governments, or if any fire insurance company shall, for any reason, require or recommend (i) the installation of fire extinguishers, a "sprinkler system", fire detection and/or prevention equipment (including, but not limited to, smoke detectors and heat sensors) in the Premises, (ii) any installation, changes, modifications, alterations (including installation of additional sprinkler heads or other equipment) for any sprinkler system, fire extinguishing system, and/or fire detection system now or hereafter installed in the Premises, or if any such installations, changes, modifications, alterations, sprinkler heads, or other equipment become necessary to prevent the imposition of a penalty, an additional charge or an increase in the fire insurance rate as fixed by said Board or Exchange, from time to time, then Tenant shall, at its sole cost and expense, promptly make such installations and/or changes, modifications and alterations so required or recommended.

4.4 **Violations.** Tenant shall be responsible to remove, discharge or satisfy, within thirty (30) days after Tenant's receipt of notice of the placement or imposition thereof, by bond or otherwise, any and all violations, judgments or liens of any nature (collectively, "**Violations**"), which shall be placed by federal, state and/or local governments or governmental entity having jurisdiction over the Building, or any of their respective agencies or judicial bodies, or any other person or entity, against the Premises and/or the Building or the Land, if such violations relate Tenant's use of the Premises, or if same were placed or imposed by reason of the acts or omissions of Tenant, its principals, agents, contractors, suppliers, employees, licensees, tenants, subtenants and/or invitees or were otherwise imposed during or with respect to the period constituting the Term. Failure by the Tenant to timely remove, discharge or satisfy such Violations shall be considered a material breach of this Lease and, in addition to Landlord's other remedies hereunder, Landlord shall have the right, at Tenant's cost and expense, to remove, discharge or satisfy same and bill Tenant for all costs incurred in connection therewith, which bills shall be due and payable upon demand, as Additional Rent hereunder. The terms of this Section 4.4 shall survive the expiration or earlier termination of this Lease.

5. **Assignment and Subletting.** Tenant shall not assign, sell, pledge, encumber, or otherwise transfer this Lease or its interests under this Lease or sublet all or any part of the Premises, without Landlord's prior written consent, which shall not be unreasonably withheld conditioned or delayed, as set forth below. Any transfer in control or ownership of Tenant or Guarantor, and/or transfer of all or substantially all of Tenant's and/or Guarantor's assets, shall be deemed to be an assignment under this Lease and shall not be permitted except as expressly set forth herein. Any assignment or sublease by Tenant in violation of this Lease shall be voidable by Landlord in its sole and absolute discretion.

A. If Tenant shall desire to assign this Lease or sublet all or any part of the Premises, Tenant shall, at least thirty (30) days prior to the effective date of any proposed assignment or the commencement of the term of any proposed sublease, by notice given in accordance with the notice provisions of this Lease ("**Tenant's Notice**"), furnish Landlord with (i) the name and address of the proposed subtenant or assignee; (ii) a description identifying the space to be sublet; (iii) the terms, conditions and consideration of the proposed subletting or assignment; (iv) the nature and character of the business of the proposed subtenant or assignee and its proposed use of the Premises;

(v) current financial information with respect to the proposed subtenant or assignee, including, without limitation, a current financial report; and (vi) any other information as Landlord may reasonably request with respect to the proposed subtenant or assignee.

B. Tenant's Notice shall be deemed an offer from Tenant to Landlord whereby Landlord may, at its option, terminate this Lease (in whole in the case of assignment, or in whole or in part, at Landlord's discretion, in the case of subletting), if the proposed transaction is an assignment, or a sublease of more than twenty-five (25%) percent of the rentable area of the Premises (or would result in the subletting of twenty-five (25%) of the rentable area of the Premises in the aggregate with all then-sublet space in the Premises, if any) for all or substantially all of the remaining Term of this Lease. Such option may be exercised by Landlord by giving written notice thereof to Tenant at any time within thirty (30) days after the date of the giving of Tenant's Notice. If Landlord exercises its option to terminate this Lease, then this Lease (in whole or in part, as the case may be) shall end and expire on the date that such assignment or subletting was to be effective or commence, as the case may be, and the Fixed Rent and additional rent shall be paid and apportioned to such date (and adjusted to reflect reduction in rentable area of the Premises in the case of a termination in part).

C. Upon Tenant's compliance with the provisions of Section A, if Landlord shall not have exercised its termination option as set forth in Section B, Landlord's consent shall not be unreasonably withheld, conditioned, or delayed to the proposed assignment or subletting, provided and upon condition that:

(i) the assignee or sublessee shall have a financial condition and experience in operating the Permitted Use which is at least equal to or greater than that of Tenant, and which is otherwise reasonably acceptable to Landlord;

(ii) the assignee or sublessee shall have a good business reputation;

(iii) the assignee or sublessee proposes to and shall use the Premises only for the Permitted Use and which (a) would not violate or conflict with any restrictions or "exclusives" then affecting the Building, and (b) in Landlord's reasonable opinion would be appropriate for a building such as the Building;

(iv) the proposed assignee or sublessee is not (a) an entity who is then a tenant in the Building or another building within a one (1) mile radius of the Building owned by Landlord or an affiliate of Landlord ("**Competing Building**"), or an entity with which Landlord or an affiliate of Landlord is then negotiating or within the six (6) months prior has negotiated for space in the Building or in any Competing Building;

(v) Tenant shall not publicly list the Premises to be sublet or assigned with a broker, agent or other entity, or otherwise offer the Premises for subletting, at a rental rate less than the base annual rent which Landlord is then advertising space available for direct lease in the Building;

(vi) Tenant shall not be in default under this Lease beyond applicable notice and cure periods, either at the time Landlord's consent to such assignment or subletting is requested or on the date of commencement of the term of such proposed sublease or on the effective date of the proposed assignment; and

(vii) if a subletting, the subletting is made subject to all of the obligations of Tenant under this Lease and, without limiting the generality of the foregoing, the sublease specifically provides that there shall be no further subletting of the sublet premises or an assignment thereof other than in strict accordance with the terms of this Section 5.

D. Tenant shall furnish Landlord with a copy of an executed counterpart of each sublease within ten (10) days after the date of its execution. No sublease shall be valid and no subtenant shall take possession of the Premises or any part thereof until such executed counterpart has been delivered to Landlord. The form of sublease shall be

reasonably acceptable to Landlord and shall provide for a sublease term ending not later than one (1) day prior to the expiration date of the current lease term. Such sublease shall further provide that it is subject and subordinate to this Lease and to the matters to which this Lease is or shall be subordinate, and that in the event of a termination, re-entry or dispossession by Landlord under this Lease, Landlord may, at its option, succeed to all of the right, title and interest of Tenant, as sublessor under such sublease, and such subtenant shall, at Landlord's option, attorn to Landlord pursuant to the then executory provisions of such sublease, provided, however, that Landlord shall not (i) be liable for any previous act or omission of Tenant under such sublease, (ii) be subject to any offset not expressly set forth in such sublease which theretofore accrued to such subtenant against Tenant, (iii) be liable for any work, alterations, allowances or other concessions required to be performed or provided by Tenant as sublessor under such sublease, or (iv) be bound by any previous prepayment of more than one month's fixed rent under such sublease.

E. Tenant shall furnish Landlord with a counterpart of each assignment within ten (10) days of the date of its execution. No assignment shall be binding upon Landlord and no assignee shall take possession of the Premises or any part thereof unless Tenant shall, concurrent with the delivery of an executed counterpart of such assignment, deliver to Landlord an agreement executed by the assignee, in appropriate form for recording, whereby such assignee agrees unconditionally to be bound by and to perform all of the obligations of Tenant under this Lease arising after the date of the assignment and further agrees that notwithstanding such assignment, the provisions of this Section 5 shall continue to be binding upon such assignee with respect to all future assignments and transfers.

F. Tenant shall pay, as Additional Rent, Landlord's reasonable out-of-pocket costs incurred in connection with any subletting or assignment proposed by Tenant, whether or not consented to by Landlord, including, without limitation, reasonable attorneys' fees and the costs of credit checks and reports. Such Additional Rent shall be payable by Tenant within ten (10) days after Landlord's demand therefor and as a condition of Landlord's written consent to subletting or assignment.

G. In the event of any assignment or subletting under this Lease, Tenant shall pay to Landlord, as Additional Rent:

(a) in the case of an assignment, an amount equal to all sums paid to Tenant by the assignee for or by reason of such assignment, including, without limitation, sums paid for the sale of Tenant's alterations or other Tenant's property, less the then net unamortized or un-depreciated cost thereof determined on the basis of Tenant's federal income tax returns and less Tenant's other reasonable costs actually incurred in connection with the assignment, including reasonable brokerage and attorneys' fees; and

(b) in the case of a sublease, any rents, additional charges or other sums payable under the sublease(s) to Tenant by the subtenant(s) which exceed the Fixed Rent and Additional Rent (at the rate per square foot payable by Tenant under this Lease) accruing under this Lease during the term of the sublease(s) in respect of the entire subleased space including, without limitation, sums paid for the sale or rental of Tenant's alterations or other Tenant's property (including Tenant's trade fixtures), less, in the case of the sale thereof, the then net unamortized or un-depreciated cost thereof determined on the basis of Tenant's federal income tax returns) and less Tenant's other reasonable costs actually incurred in connection with the subletting, including reasonable brokerage and attorneys' fees and costs of outfitting the subleased premises for the subtenant.

The sums payable under this Section G shall be paid to Landlord as and when paid to Tenant by the assignee or subtenant, as the case may be.

H. Notwithstanding the foregoing provisions, provided Tenant is not then in default under this Lease beyond any applicable notice or cure period, Tenant may, without Landlord's consent, but upon ten (10) days' prior written notice to Landlord, and otherwise in compliance with the other applicable provisions and criteria of this Section 5, assign this Lease to (each a "**Permitted Transferee**"): (i) any entity resulting from a merger or

consolidation of Tenant, (ii) any entity acquiring all of the stock or assets of Tenant, (iii) any entity which, immediately prior to such assignment or subletting, controls, is controlled by, or under common control with Tenant; provided that in each such forgoing instances: (A) the assignee, as the case may be, shall be of a character and reputation consistent with the quality of the Building, (B) the assignee is not entitled, directly or indirectly, to diplomatic or sovereign immunity, and is subject to the service of process in, and the jurisdiction of the governments and courts of the federal United States, and the state and city and municipality in which the Premises are located; (C) the assignee shall have, as of the moment immediately following such transfer, assignment or subletting, as the case may be, a tangible net worth computed in accordance with generally accepted accounting principles, with comparable types and amounts of liquid assets, and general creditworthiness (collectively, “**Financial Condition**”) at least equal to the greater of (x) the Financial Condition of Tenant on the date of this Lease, and (y) the Financial Condition of Tenant as of the moment immediately preceding such assignment or sublease or other transfer, as the case may be; and (D) the Guarantor remains a controlling owner of the assignee. Any assignment or sublease made to a Permitted Transferee in accordance with the provisions of this Section is referred to as a “**Permitted Transaction**”). “Control” (and words of similar import—capitalized or otherwise), as used in this Section, shall mean with respect the subject person or entity, the ownership, directly or indirectly, of more than fifty-one percent (51%) of the stock or membership interests in, and voting rights with respect to all affairs of, and the right to direct the daily affairs of, such person or entity. As used herein, the term “Tenant” means only the original tenant named in this Lease (i.e., CAREATC, INC.).

I. Notwithstanding any assignment of this Lease or subletting or licensing of all or any portion of the Premises, Tenant shall remain directly and primarily liable for the payment of the Fixed Rent and additional rent due and to become due under this Lease and the terms, provisions, and conditions contained in this Lease on the part of Tenant to be performed. The consent by Landlord to an assignment or subletting shall not in any way be construed to relieve Tenant from its obligation to obtain the consent in writing of Landlord to any further assignment or subletting. If Tenant assigns, transfers, mortgages or encumbers this Lease or any interest therein or sublets all or any portion of the Premises in violation of the provisions of this Section 5, or if the Premises are occupied by anyone other than Tenant, Landlord may collect rent from any such assignee, sublessee or anyone who claims a right to this Lease or who occupies the Premises, and Landlord may apply the net amount collected to the Fixed Rent and additional rent, and no such collection shall be deemed a waiver by Landlord of any of the terms, provisions, and conditions contained in this Section 5 nor an acceptance by Landlord of any such assignee, sublessee, claimant or occupant as Tenant, nor be deemed to release Tenant from the further performance of all of Tenant’s obligations under this Lease. If Landlord shall decline to give its consent to any proposed assignment or subletting, Tenant shall indemnify and hold harmless and defend Landlord from and against any claims, demands, liabilities, costs and expenses arising from or relating to any claims that may be made against Landlord by the proposed assignee or sublessee or by any brokers or other persons claiming a commission or similar compensation in connection with the proposed assignment or sublease. The listing of any name other than that of Tenant on the doors of the Premises, the Building directory or elsewhere shall not vest any right or interest in this Lease or in the Premises, nor be deemed to constitute Landlord’s consent to any assignment or transfer of this Lease or to any sublease of the Premises or to the use or occupancy thereof by others. Any such listing shall constitute a privilege revocable in Landlord’s discretion by notice to Tenant.

6. Maintenance of the Premises; Utilities.

6.1 **Obligations of Tenant.** Tenant shall keep and maintain the Premises and appliances, fixtures and equipment therein in a clean, safe and sanitary condition in good quality appearance and in good order, condition and repair, and shall take good care thereof; and shall suffer no waste or injury thereto. Without limiting the foregoing, and notwithstanding anything in this Lease to the contrary, Tenant, at Tenant’s sole cost and expense, shall perform all maintenance, repairs and replacements, ordinary and extraordinary, foreseen and unforeseen with respect to the Premises which are not the express obligation of Landlord under Section 6.2, which obligations of Tenant shall include, without limitation, the non-structural portions of the Premises, and any and all appurtenances

thereto wherever located, including, without limitation, the interior walls, the interior surfaces of the exterior walls, all doors, door frames, door checks, other entrances, windows, window frames, plate glass, all wall coverings, floor coverings, ceilings, Tenant's alterations, all building systems, including all electric, plumbing and sewage facilities located within and serving the Premises (or exclusively serving the Premises (regardless of location)), ventilation, heating and air conditioning and electrical systems located within and serving the Premises (or exclusively serving the Premises (regardless of location)), sprinkler and fire alarm systems located within and servicing the Premises (or exclusively serving the Premises (regardless of location)), all appliances, furniture, equipment located in the Premises, and the boiler, and shall perform periodic maintenance of such systems as often as is commercially reasonable and shall maintain commercially reasonable maintenance contracts for the periodic maintenance of such building systems. A current copy of said service agreement, or a certificate evidencing same, shall be provided to Landlord during the Term upon request. In addition, Tenant shall make all repairs, replacements, renewals and restorations, interior and exterior, ordinary and extraordinary, foreseen and unforeseen, which are required (i) to be made in and to the Premises and/or the Building and/or the Property as a result of the negligent or otherwise tortious act or omission of Tenant, its principals, agents, employees, subtenants, licensees, invitees, residents or contractors, and/or as a result of Tenant's failure to comply with its obligations under this Lease, including without limitation the service and maintenance required hereunder, or (ii) to be made to anything which was installed or altered by Tenant. All repairs and replacements made by Tenant shall be of good quality. Landlord shall have the right (but not the obligation) to perform any of the repairs or replacements required to be performed by Tenant hereunder which are structural or affect the building systems, in which event, the expense thereof, plus an administrative charge equal to ten percent (10%) thereof, shall be payable to Landlord by Tenant as Additional Rent upon Tenant's receipt from Landlord of a bill therefor.

6.2 **Obligations of Landlord.** Landlord shall be obligated to repair only the structural elements of the Building, which shall mean the load-bearing walls, the foundation and the roof; provided, however, that Landlord shall not be required to make any such repairs occasioned by the negligent or otherwise tortious act or omission of Tenant, its principals, agents, employees, subtenants, licensees, invitees, residents or contractors or to any thing which was installed or altered by Tenant. Landlord shall not be liable by reason of any injury or interference with Tenant's business arising from the making of any repairs, alterations, additions or improvements in or to the Premises, or the Building, or to any appurtenances or equipment therein. Landlord shall not be required to render any services to Tenant or to make any repairs or replacement to the Premises, except as expressly provided in this Section 6.2. Tenant shall promptly report in writing to Landlord any defective condition which Landlord is required to repair, and Landlord's obligation to repair as set forth in this section is conditioned upon (i) receipt by Landlord of such written notice, and (ii) Tenant not then being in default under this Lease.

6.3 **Notice of Defective Condition.** Tenant shall give Landlord prompt notice of any known defective condition in any plumbing or heating, ventilation or air conditioning system or any electrical lines located in, servicing or passing through the Premises or any other material defective condition affecting the Premises, regardless of whether the obligation to make the repair thereof is Landlord's or Tenant's.

6.4 **Utilities and Services.**

6.4.1 **Utilities.**

(a) **Water and Electric.** The cost of (i) domestic water used in the Premises for ordinary drinking, pantry and lavatory purposes, and (ii) ordinary electric use for administrative and execution office use, in each case during Building Business Hours (as hereinafter defined) shall each be included in the Fixed Rent (subject to Tenant's Operating Expense Payment). If Tenant uses water or electric in the Premises for any other purpose or for extraordinary amounts or at any other times beyond as aforesaid, then, Landlord may bill Tenant for any such additional usage based on Landlord's reasonable estimate thereof; and provided further, that, in such case, Landlord shall also have the right (but not the obligation) at any time during the Term, at Landlord's sole option, to install or have Tenant install, in either case at

Tenant's cost, a sub-meter or direct meter to separately measure the consumption of such utility at the Premises, in which event Tenant shall promptly pay to the provider of such utility all costs of consumption measured by such meter or sub-meter (or to Landlord, at its election, in the case of a submeter). Without limitation of the provisions of Section 3.3, in addition to any utility charges payable by Tenant hereunder, Tenant shall also pay any sales or other taxes thereon.

(b) **HVAC.** The cost of HVAC used in the Premises during Building Business Hours shall each be included in the Fixed Rent (subject to Tenant's Operating Expense Payment). At all other hours and times, Tenant may use overtime HVAC services subject to request by Tenant upon at least twenty-four (24) hours' advance notice (which may be made by email to the then appropriate Landlord contact provided to Tenant upon Tenant's request), at four (4) hour minimum increments and payment of Landlord's then-current rates therefor. "Building Business Hours" means (i) 8:00 AM to 6:00 PM on all days except Saturdays, Sundays and days observed as holidays by the state or federal government or by unions employed in the Building); and (ii) 8:00 AM to 1:00 PM on Saturdays which are not days observed as holidays by the state or federal government or by unions employed in the Building.

(c) **Other.** Except as expressly set forth above, Tenant shall be solely responsible for the setting up of, and shall pay when due all costs, charges, deposits and assessments related to, the furnishing, consumption, maintenance and installations of gas, cold water, hot water, sewer, electricity, fuel, light, heat, air conditioning, power, telephone, and any other utilities or services (collectively, "Utilities") attributable to or servicing the Premises. Notwithstanding anything in this Lease to the contrary and without limiting the other provisions of this Lease, Landlord shall have no liability to Tenant or any other party for any inadequacy, cessation, or interruption of any Utilities or services. Tenant shall not install or utilize any equipment that may or will exceed or overload the capacity of any Utilities furnished or servicing the Premises or Building.

6.4.2 **Cleaning.** Landlord shall provide building-standard janitorial services for the Premises Monday through Friday (excluding days observed as holidays by the state or federal government or by unions employed in the Building). Tenant shall pay to Landlord within ten (10) days after rendition of a bill therefor, the costs incurred by Landlord (which costs shall be commercially reasonable) for (x) extra cleaning work in the Premises required because of misuse on the part of Tenant or its subtenants or its or their employees or visitors, (y) removal from the Premises and the Building of any refuse and rubbish of Tenant in excess of that ordinarily accumulated in business office occupancy, including, without limitation, kitchen refuse, or at times other than Landlord's standard cleaning times, and (z) the use of the Premises by Tenant other than during Building Business Hours. Notwithstanding the foregoing, Landlord shall not be required to clean any portions of the Premises used for (i) preparation, serving or consumption of food or beverages, or (ii) training rooms, data processing or reproducing operations or other special purpose areas to the extent same requires greater or more difficult cleaning work than office areas, or (iii) private lavatories or toilets, and Tenant agrees, at Tenant's expense, to retain Landlord's cleaning contractor to perform such cleaning; further, Landlord shall not be required to provide disposal of any medical waste, nor any specialized medical-use cleaning, and Tenant agrees, at Tenant's expense, to separately perform such disposal and cleaning at Tenant's expense.

6.4.3 **Pest Extermination.** Without limiting the general obligations of Tenant under this Article 6 or elsewhere in this Lease, Tenant, at Tenant's sole cost and expense, shall employ a reputable pest extermination contractor, reasonably approved by Landlord, to service the Premises on a commercially reasonable basis. Tenant shall provide Landlord, upon Tenant's receipt of Landlord's written request for same, a certified copy of any and all pest extermination contracts Tenant enters into for the Premises, and Tenant shall also provide Landlord monthly statements indicating the extermination services that were provided in the Premises.

6.4.4 If Tenant fails to perform any of its obligations under this Section 6 or elsewhere in this Lease in the manner required under this Lease, then without waiving such default or limiting Landlord's remedies with respect thereto, such obligation same may be performed by Landlord (but Landlord shall have no obligation to perform same) and the expense thereof, plus an administrative charge equal to ten percent (10%) thereof, shall be payable to Landlord by Tenant as Additional Rent upon Tenant's receipt from Landlord of a bill therefor.

6.5 **Windows; Scaffolding.** If at any time any windows in the Premises are temporarily closed, darkened or bricked-up for any reason whatsoever (including, but not limited to, Landlord's acts), or permanently closed, darkened or bricked-up to make any repairs to the Property or the Premises or satisfy the requirements of any existing or future laws, Landlord shall not be liable to Tenant for any damages that Tenant may sustain thereby, and Tenant shall not be entitled to any compensation therefor nor abatement or rent, additional rent or other charges, nor shall the same release Tenant from its obligations hereunder or constitute an actual or constructive eviction of the Tenant. Similarly, scaffolding may be erected and remain in front of the Premises for so long as any work to the Building is being performed or may in the future be performed by or on behalf of Landlord, and Tenant shall not have any claim against Landlord or be entitled to any offset, abatement or deduction whatsoever by reason of same. Tenant shall not clean nor require, permit, suffer or allow any window in or of the Premises or Building to be cleaned from the outside in violation of any applicable laws.

6.6 **Obstruction, No Light, Air or View Easement.** Tenant recognizes and agrees that no easement for light, air or view is included in this demise, and any diminution or shutting of light, air or view by any structure presently or hereafter erected on lands adjacent to the Premises (whether or not owned by the Landlord) shall in no way affect this Lease or Tenant's obligations hereunder or impose any liability of any kind upon the Landlord.

7. **Tenant Alterations.**

7.1 **Alterations.**

7.1.1 Tenant shall not make or permit others to make any alterations, additions or improvements, structural or otherwise in or to the Premises or the Building, without prior written consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed provided the same are nonstructural and do not, in the reasonable judgment of Landlord, affect the building systems and are not visible from, nor otherwise affect, the exterior of the Premises. All of Tenant's alterations and additions and installation of furnishings shall be coordinated with any work being performed by Landlord if any in such manner as to maintain harmonious labor relations and not to damage the Building or the Premises or interfere with Building operation.

7.1.2 Tenant shall, prior to commencement of any work (a) deliver to Landlord plans and specifications for such work prepared by an architect duly licensed in the State of Florida, which architect and plans and specifications shall be subject to Landlord's approval, (b) secure and deliver to Landlord copies of all necessary licenses and permits, (c) deliver to Landlord a statement of the names of all its contractors and subcontractors and the estimated cost of all labor and material to be furnished by them, (d) obtain and carry an Owner's Interest insurance policy and insurance covering the work at full replacement cost with Landlord and its lender and its other designees as named insured/loss payee, as applicable, and cause each contractor to carry (i) worker's compensation insurance in statutory amounts covering all the contractor's and subcontractor's employees, (ii) comprehensive public liability insurance with such limits as Landlord may reasonably require, but in no event less than One Million Dollars (\$1,000,000) per occurrence and Two Million Dollars (\$2,000,000) aggregate (and including Action-Over [a/k/a labor law] coverage) and (iii) property damage insurance with limits of not less than One Million Dollars (\$1,000,000) or combined single limit coverage of Two Million Dollars (\$2,000,000), umbrella coverage of not less than Five Million Dollars (\$5,000,000) covering all of the above (all such insurance to be written in companies approved by Landlord and insuring Landlord and its lender and other designees and agents and Tenant as well as the contractors, all the foregoing insurance shall be subject to all of the insurance requirements of [Section 11.2](#) and shall contain waivers of subrogation in favor of Landlord), and the contractor shall cause the subcontractors to

maintain such policies, and (e) deliver to Landlord certificates of all such insurance (including copies of the declaration pages of the policies or the full policies if requested by Landlord) evidencing all of the foregoing, including without limitation: (i) Landlord and its lender and agent and other designees as a certificate holder, (ii) that such policies will not be cancelled without thirty (30) days' notice to Landlord (or ten (10) days if the result on non-payment of the premium therefor) and (iii) in the case of liability insurance, showing Landlord and its lender and agent and other designees as a named insured. In addition, such contractors shall provide, and shall cause its subcontractors to provide, with respect to such work, standard indemnity and hold harmless agreements in favor of Landlord and its respective lenders, agents, designees, principals, directors, officers, members, and mortgagees. Tenant agrees to pay promptly when due the entire cost of any work done in the Premises by Tenant, its agents, employees, or contractors or subcontractors. All alterations, decorations, additions or improvements must: (i) conform to all rules and regulations established from time to time by the Florida Property Insurance Underwriting Association and/or similar organizations, (ii) be made in full compliance with all applicable laws, ordinances, regulations, orders and permits of the of the federal, state and local governments, (iii) be performed by properly licensed, qualified and reputable contractors, subcontractors and workers reasonably approved by Landlord, and (iv) be made in a good and workmanlike manner using materials, equipment and supplies of at least as good a quality as used in the original construction and improvement of the Building and the Premises. Landlord may inspect such work at any time or times upon reasonable prior notice (telephonic and/or email shall suffice) and shall promptly give notice to Tenant of any observed defects, which Tenant shall promptly correct at Tenant's expense. All Tenant's installations shall be in accordance with applicable laws and code, and shall not conflict with or be in violation of, or cause any violation of Landlord's basic building plans and/or the construction of the Building, and all Tenant's installations shall be completed free of all liens and encumbrances. All permits which may be required by Tenant for Tenant's installations shall be procured and paid for by Tenant only after having obtained Landlord's written approval of such work, or, if Landlord shall deem the same advisable, Landlord may procure such permit and Tenant shall pay for the same. No plans and/or specifications required to be filed by Tenant pursuant to any work contemplated to be performed by it within the Premises shall be filed or submitted to any governmental authority having jurisdiction thereover without first having obtained Landlord's approval to the same not to be unreasonably withheld.

7.1.3 Tenant shall take steps required or permitted by laws to avoid the imposition of any mechanics' liens upon the Premises, or the Building. If any mechanics' or material suppliers' lien or similar lien is filed against the Premises, or the Building, for work claimed to have been done for or materials claimed to have been furnished to Tenant, such lien shall be discharged by Tenant within thirty (30) days thereafter, at Tenant's sole cost and expense, by the payment thereof or by filing any bond required by law. If Tenant shall fail to discharge any such mechanics' or material suppliers' lien or other lien, Landlord may, at its option, discharge the same and Tenant hereby appoints Landlord as its attorney-in-fact, coupled with an interest, for such purpose and, in such event, Landlord may treat the cost thereof as Additional Rent payable with the monthly installment of Rent next becoming due; it being hereby expressly covenanted and agreed that such discharge by Landlord shall not be deemed to waive or release the default of Tenant in not discharging the same. Nothing contained in this Lease shall be construed as consent on the part of Landlord to subject the estate of Landlord in the Land, Building or the Premises to liability under the Construction Lien Law of the State of Florida as a result of work done by or on behalf of Tenant or services provided to Tenant, it being expressly understood that Landlord's estate shall not be subject to such liability.

7.2 **Indemnification.** Without limiting the other obligations of Tenant under this Lease, Tenant shall indemnify, defend, and hold Landlord and its principals, officers, agents, lenders, mortgagees and employees harmless from and against any and all liabilities, losses, damages, costs and expenses, liens, claims or damages to person or property which arise directly or indirectly by reason of making any such alterations, decorations, additions or improvements. If any such alteration, decoration, addition or improvement is made without the prior written consent of Landlord as required in Section 7.1, Landlord may correct or remove the same, and Tenant shall be liable for any and all expenses incurred by Landlord in the performance of such work. The provisions of this Section shall survive the expiration of earlier termination of this Lease.

7.3 **Surrender.** All alterations, decorations, additions or improvements in or to the Premises or the Building made by either party shall immediately become the property of Landlord and shall remain upon and be surrendered with the Premises as a part thereof at the end of the Term without disturbance, molestation or injury; provided, however, that Tenant shall remove, at the expense of Tenant, prior to the expiration of the Term, all movable furniture, furnishings and equipment and any items of Tenant's trade dress or containing Tenant's trade name installed in the Premises at the expense of Tenant (collectively, "Tenant's Property") and Tenant shall repair any damage caused by such removal. If such property of Tenant is not removed by Tenant prior to the expiration or termination of this Lease, then, at the election of Landlord in its sole discretion, the same shall be deemed abandoned and become the property of Landlord and shall be surrendered with the Premises as part thereof and Landlord shall have the right to dispose or otherwise remove such property from the Premises and Tenant shall promptly pay Landlord all costs thereof. At the expiration or sooner termination of this Lease, Tenant shall assign all warranties of any equipment or machinery installed in the Premises. Notwithstanding the foregoing, if so elected by Landlord in its sole discretion, the following alterations and installations shall be removed by Tenant and the Premises restored: (i) all alterations and installations installed in violation of the provisions of this Lease, and/or applicable laws, and (ii) all alterations which Landlord has advised Tenant that Landlord requires Tenant to remove such alterations. If any sign, advertisement or notice which does not conform to the foregoing is nevertheless exhibited by Tenant, Landlord shall have the right to remove the same and Tenant shall be liable for any and all expenses incurred by Landlord in such removal. Tenant covenants and agrees that no sign shall be erected, maintained or displayed in violation of any law, regulation, agreement, condition, restriction, covenant or encumbrance of record. The installation of Tenant's signage shall be performed in a good and workmanlike manner (including without limitation, the proper sealing of the anchors) and otherwise in accordance with and subject to the provisions of Article 7 of this Lease. Without limiting the other provisions of this Lease, Tenant shall indemnify, defend, and hold Landlord and its principals, officers, agents, lenders, mortgagees and employees harmless from any losses, damages, costs and expenses, liens, claims or damages to person or property which may or might arise directly or indirectly by reason of the installation, maintenance and/or existence of Tenant's signage.

8.2 **Furnishings.** Landlord shall have the right to prescribe the weight and position of safes and other heavy equipment, furniture or fixtures, which shall, if considered necessary by the Landlord, stand on plank strips to distribute the weight. Any and all damage or injury to the Premises or the Building caused by moving the property of Tenant into, in or out of the Premises, or due to the same being on the Premises, shall be repaired by and at the sole cost of Tenant. Tenant agrees promptly to remove from the sidewalks and driveways adjacent to the Building any of the Tenant's Property. No furniture, equipment or other bulky matter of any description will be received into the Building or carried in the elevators except as approved by Landlord which approval shall not be unreasonably withheld, conditioned or delayed, and all such furniture, equipment, and other bulky materials shall be delivered only during hours approved by Landlord and only through the designated delivery entrance of the Building. All moving of the furniture, equipment and other materials shall be done at such times and on such days as Landlord may prescribe in order to minimize inconvenience to Landlord and the other tenants in the Building or, otherwise, upon prior written consent of Landlord, and shall be performed under the direct control and supervision of Landlord who shall, however, not be responsible for any damage to or charges for moving the same. Tenant agrees promptly to remove from the sidewalks and driveways adjacent to the Building any of the Tenant's furniture, equipment or other material there delivered or deposited.

9. **Tenant's Equipment.** Tenant covenants and agrees that at all times its use of electric current shall not exceed the capacity of existing feeders to the Building or the risers or wiring installation and Tenant may not use any electrical equipment which will overload such installations. Tenant shall not install any equipment of any kind or nature whatsoever which will necessitate any changes, replacements or additions to, or in the use of the water system, heating system, plumbing system, ventilation system, sewer system, air conditioning or cooling system, security system (if any) or electrical system of the Premises or the Building without first obtaining the prior written consent of Landlord. Business machines and mechanical equipment belonging to Tenant which cause noise or vibration that may be transmitted to the structure of the Building or to any space therein to such a degree as to be objectionable to Landlord or to any tenant in the Building shall be installed and maintained by Tenant, at Tenant's expense, on vibration eliminators or other devices sufficient to eliminate such noise and vibration, and if such noise and/or vibration is not so eliminated Landlord shall have the right to require Tenant to remove such machines and/or equipment from the Premises, or the Building caused by such installation.

10. **Access; Inspection.** Landlord shall have the right and Tenant shall permit Landlord, and its leasing and managing agents and other representatives, to enter the Premises during business hours upon reasonable advance notice (and at all times and without notice, in the case of an emergency), without charge therefor to Landlord and without diminution of the Rent payable by Tenant, to examine, inspect and protect the Premises and the Building and to make such alterations and/or repairs as in the reasonable judgment of Landlord may be deemed necessary, or to exhibit the same to prospective tenants during the last year of the Term (and at any time after an Event of Default), and to exhibit the Premises, from time to time, to potential purchasers or lenders of the Property and other interested parties. Landlord shall use commercially reasonable efforts to minimize any interference with Tenant's use of the Premises during any such entry.

11. **Insurance.**

11.1 **Insurance Rating.** Tenant will not conduct or permit to be conducted any activity, or place any equipment in or about the Premises, or the Building which will, in any way, invalidate the insurance coverage in effect or increase the rate of fire insurance or other insurance on the Building; and if any invalidation of coverage or increase in the rate of fire insurance or other insurance is stated by any insurance company or the applicable Insurance Rating Bureau to be due to any activity or by equipment of Tenant in or about the Premises, the Building, such statement shall be conclusive evidence that the increase in such rate is due to such activity or equipment and, as a result thereof, Tenant shall be liable for such increase and shall reimburse Landlord therefore upon demand and any such sum shall be considered Additional Rent. Tenant shall not introduce or permit to be kept on the Premises or in the Building any dangerous, obnoxious, radioactive or explosive substance.

11.2 **Required Insurance.**

(a) Tenant, at Tenant's expense, shall carry commercial general liability insurance against claims for bodily injury or death or property damage occurring in or about the Premises (including, without limitation, bodily injury, death or property damage resulting directly or indirectly from any change, alteration, improvement or repair thereof), with primary coverage limits of not less than \$1,000,000.00 per occurrence and \$3,000,000.00 in the aggregate and with umbrella coverage limits of \$5,000,000.00 for bodily injury or death to any number of persons in respect of any one accident or occurrence and property damage in respect of such accident or occurrence. Such insurance shall conform to Tenant's actual use of the Premises. Tenant shall carry an "Special Form-Causes of Loss" property damage insurance policy for full replacement value for all of its equipment and other personalty and for all leasehold improvements which are made by or for Tenant in or to the Premises (i.e., improvements and betterments coverage) and such other insurance as may be reasonably required by the holder, now or hereafter, of a mortgage on the Building. In addition, Tenant shall maintain the following insurance:

(1) Business interruption insurance (including rent coverage) with respect to any fire or other casualty or other interruption that may occur at the Premises, in an amount equal to the annual rent and

Each insurance policy required to be maintained by Tenant under this Lease shall be written by an insurance company with a Best's Rating of A, X or better, or an equivalent rating by a similar or successor authority, and legally licensed and admitted to do business in the State of Florida and reasonably approved by Landlord and, except with respect to Workers Compensation, shall name Landlord and Landlord's agent and lenders and other designees as named insureds, additional insureds and loss payees, as applicable.

11.3 **Waiver of Subrogation.** Without limiting Landlord's rights and remedies under the other provisions of the Lease or the provisions of Section 13.1, Tenant hereby waives any and all claims and right of recovery and other rights it may have against or with respect to Landlord or its lender or their respective members, officers, principals, employees and/or agents with respect to any damage, loss and/or liability incurred by Tenant or otherwise occurring with respect to the Premises and/or the contents thereof (including without limitation as a result damage caused by fire or other casualty) to the extent that such damage, loss or liability is covered by the insurance policies maintained by Tenant or required to be maintained by Tenant pursuant to the terms of this Lease, and that all Tenant's (and all of its subtenants' and licensees') policies of fire and/or extended coverage or other insurance covering the Premises or the contents thereof shall contain a clause or endorsement providing in substance that such insurance shall not be prejudiced if the insureds thereunder have waived the right of recovery from any person or persons prior to the date and time of loss or damage, if any, and otherwise waiving such insurers rights of subrogation.

11.4 **Insurance Certificate.** Certificates of insurance and receipts evidencing the coverage provided by, and payment for, such insurance (and including copies of such policies and/or the declaration pages of such policies, if requested by Landlord) shall be delivered to Landlord prior to the earlier of (i) the Commencement Date and (ii) the date takes possession of or otherwise enters the Premises for the purposes of performing work therein or otherwise; and thereafter at least annually by Tenant. The Landlord reserves the right to discontinue, modify, supplement or revise the access control system at any time its sole judgment.

13. Liability.

13.1 **No Liability.** To the fullest extent permitted by law, the following shall apply: Notwithstanding anything in this Lease to the contrary and without limiting the other provisions of this Lease, Landlord shall not be liable to Tenant, its employees, agents, contractors, business invitees, licensees, subtenants, customers, clients, family members or guests for any damage, compensation or claim based on loss, inconvenience or annoyance arising from the necessity of repairing any portion of the Premises, or the Building, the interruption in the use of the Premises, accident or damage resulting from the use or operation (by Landlord, Tenant or any other person or persons whatsoever) or for failure to furnish, or for delay, suspension or deduction in furnishing any of the utilities or services to be furnished by Landlord hereunder, including, but not limited to, elevators or heating, cooling, electrical or plumbing equipment or apparatus, or the termination of this Lease by reason of the destruction of the Premises, or from any fire, robbery, theft, mysterious disappearance and/or any other casualty, or from any leakage in any part or portion of the Premises, or the Building, or from water, rain or snow that may leak into, or flow from any part of the Premises, or the Building or from drains, pipes or plumbing work in the Building, or from any other cause whatsoever, or for any personal injury arising from the use, occupancy and condition of the Premises. Tenant shall not be entitled to any abatement or diminution of rent as a result of any of the foregoing occurrences, nor shall the same release Tenant from its obligations hereunder or constitute an eviction. Any goods, property or personal effects of Tenant, its employees, agents, contractors, business invitees, licensees, customers, clients, family members or guests, stored or placed in or about the Premises or the Building shall be at their risk, and Landlord shall not in any manner be held responsible therefor. The employees of Landlord are prohibited from receiving any packages or other articles delivered to the Building by, to or on behalf of Tenant, and if any such employee receives any such package or articles, such employee shall be the agent of the Tenant for such purposes and not of Landlord. Tenant acknowledges that Landlord will not carry insurance on Tenant's furniture, furnishings, fixtures, equipment and/or improvements in or to the Premises. Tenant shall give written notice forthwith to Landlord of any accident, damage, casualty, injury or emergency on or affecting the Premises and of any claim, action, threat or other proceeding against, arising from, or affecting Tenant, the Premises and/or the use or occupancy of the Premises by Tenant (or, to the extent an emergency occurs, by telephone or other means of immediate communication, to be followed promptly thereafter by a confirmatory writing). It is expressly understood and agreed that Tenant shall look solely to its business interruption, liability and property damage insurance policies, and not to Landlord, or its agents or employees, for reimbursement of any damages or losses incurred as a result of any of the foregoing occurrences, and that said policies must contain waiver of subrogation clauses as per Section 11.3 and that Tenant shall at least annually deliver to Landlord evidence of the foregoing.

13.2 **Indemnity.** To the fullest extent permitted by law, Tenant shall indemnify, defend and hold Landlord and its principals, officers, agents, lenders, mortgagees and employees harmless from any losses, damages, liabilities, costs and expenses (including attorney's fees) incurred by or claimed against Landlord and/or such other indemnified party, directly or indirectly, which is in any way occasioned by or results from or in connection with (i) any default hereunder or any negligent or otherwise tortious acts, commissive or omissive on the part of Tenant, its principals, officers, agents, employees, contractors, invitees, subtenants, licensees, customers, clients, family members and/or guests, and/or (ii) Tenant's or its subtenants' operation, use and/or occupancy of the Premises and/or the Building and/or the Land or in any other manner which relates to the business of Tenant, and/or (iii) any use of Tenant of a trade name and/or (iv) any occurrence, incident or matter occurring on or about the Premises. Any such cost, damage, claim, liability or expense incurred by Landlord for which the Tenant is obligated to reimburse Landlord shall be deemed Additional Rent due and payable upon demand. Without limiting the foregoing, Tenant shall reimburse Landlord for any and all costs and expenses (including attorneys' fees) incurred in enforcing this Lease. It is expressly understood and agreed that Tenant's liability under this Lease extends to the negligent or otherwise tortious acts, commissive or omissive, of any subtenant and any principal, officer, agent, employee, contractor, invitee, licensee, customer, client, family member and guest of any subtenant. The provisions of this Section shall survive the expiration or earlier termination of this Lease.

14. **Rules and Regulations.** Tenant, its principals, officers, agents, employees, contractors, invitees, licensees, customers, subtenants, clients, family members and guests shall at all times abide by and observe the rules and regulations, as Landlord may promulgate from time to time, with a copy sent to Tenant, for the operation and maintenance of the Building. Nothing contained in this Lease shall be construed to impose upon Landlord any duty or obligation to enforce such rules and regulations, or the terms, conditions or covenants contained in any other lease, against any other tenant, and Landlord shall not be liable to Tenant for violation of the same by any other tenant, its employees, agents, contractors, invitees, licensees, customers, clients, family members or guests. If there is any conflict between the provisions of this Lease and any current or future rules and regulations, this Lease shall govern.

15. **Damage; Condemnation.**

15.1 **Damage to the Premises**

A. Tenant shall give prompt notice to Landlord in case of fire or other casualty in the Premises. If (a) so much of the Building is damaged or rendered untenable (whether or not the Premises or any portion thereof shall be damaged) by fire or other cause that Landlord shall determine not to restore the same or to demolish the remainder thereof, (b) all or a portion of the Premises shall suffer substantial damage or be rendered untenable by fire or other casualty and Landlord shall determine (i) that such portion of the Premises cannot reasonably be expected to be restored or rendered tenable under a normal working schedule within a period (the "Restoration Period") equal to the lesser of (A) six (6) months after the occurrence of such damage or destruction and (B) by such time such that after the completion thereof there will remain at least three years in the Term, or (ii) that a ground lessor or fee mortgagee will not permit Landlord to apply the net proceeds of Landlord's insurance to the restoration of the Premises; or (c) so much of the Building shall be damaged, such that Tenant's access to and use and enjoyment of the Premises shall be rendered substantially impossible, whether or not the Premises shall be damaged, and Landlord shall determine that the same cannot reasonably be expected to be restored or rendered tenable under a normal working schedule within the Restoration Period, then in any such event, Landlord shall have the right to terminate this Lease by notice to Tenant, in which event the Term shall expire by lapse of time upon the date which is thirty (30) days after such notice is given and Tenant shall vacate the Premises and surrender the same to Landlord in the manner required under this Lease upon the expiration or termination of this Lease (except that the Premises need not be broom clean and except that those portions of the building systems damaged by such fire or casualty need not be in working order). Upon the termination of this Lease under the conditions provided for in this Section, Tenant's liability for Rent shall cease as of the effective date of such termination. Tenant hereby expressly waives any now or hereinafter existing statutory provisions to the contrary and agrees that the foregoing provisions of this Section shall govern and control in lieu thereof, this Section being an express agreement governing any case of damage or destruction of the Premises by fire or other casualty.

B. If the Building or the Premises, or any portion thereof, is damaged by fire or other casualty and this Lease is not terminated pursuant to Section 15.1.A, Landlord, promptly after the occurrence of such damage and the determination of the net amount of insurance proceeds available, shall use due diligence to restore the Building as nearly as possible to its condition prior to such fire or other casualty (but in no event shall Landlord be obligated to restore the Building to a condition better than it was in on the Commencement Date). In no event shall Landlord be obligated to repair or restore Tenant's alterations, or Tenant's personal property, furniture, furnishings and/or equipment. Tenant shall cooperate with Landlord's restoration by removing from the damaged portion of the Premises as promptly as reasonably possible, all of Tenant's salvageable inventory and movable equipment, furniture, and other property.

C. Even during the period that Tenant is deprived of the use of the Premises or the damaged portion of the Premises, as applicable, Tenant shall be not entitled to an abatement of rent, but shall look solely to its insurer with respect thereto. Without limiting the foregoing, no damages, compensation or claims shall be payable by Landlord for inconvenience, loss of business or annoyance arising from any repair or restoration of any

portion of the Premises.

D. Tenant acknowledges that Landlord will not carry insurance of any kind on Tenant's alterations or furniture, furnishings, finishes or wall coverings and/or fixtures, equipment, and improvements, and agrees that Landlord shall not be obligated to repair any damage thereto or to replace the same.

E. Nothing contained hereinabove shall relieve Tenant from liability that may exist as a result of damage from fire or other casualty.

15.2 **Condemnation.** If the whole of the Premises (or use of occupancy of the Premises) shall be taken or condemned by any governmental or quasi-governmental authority for any public or quasi-public use or purpose (including sale under threat of such a taking), or if Landlord elects to convey title to the condemnor by a deed in lieu of condemnation, then the term of this Lease shall cease and terminate as of the date when title vests in such governmental or quasi-governmental authority and the Rent shall be abated on the date when such title vests in such governmental or quasi-governmental authority. If (i) only a part of the Premises is taken or condemned by any governmental or quasi-governmental authority for any public or quasi-public use or purpose (including sale under threat of such a taking), and the condemnation award is insufficient to restore the remaining portion of the Premises or if such award must be applied to repay any mortgages, now or hereafter, encumbering the Building or the Land, or (ii) whether or not a portion of the Premises is taken, a portion of the Building or the Property is taken and Landlord deems it commercially unreasonable to continue leasing all or a portion of the remaining space in the Building, then Landlord shall have the right to terminate this Lease as of the date when title vests in such governmental or quasi-governmental authority.

15.2.1 If this Lease is not so terminated after a partial condemnation, then after the date when the condemned portion of the Premises is delivered to the condemnor, the Fixed Rent and Additional Rent accruing after the date of such taking shall be reduced in the proportion which the condemned area bears to the entire area of the Premises and Landlord shall restore the structural elements of remaining portion of the Premises.

15.2.2 Tenant shall have the right to claim against the condemnor only for removal and moving expenses and business dislocation damages which may be separately payable to tenants in general under applicable law, provided such payment does not reduce the award otherwise payable to Landlord. Subject to the foregoing, Tenant hereby waives all claims against Landlord with respect to a condemnation, and hereby assigns to Landlord all claims against the condemnor, including, without limitation, all claims for diminution in the value of Tenant's leasehold estate.

16. **Insolvency and/or Bankruptcy of Tenant.**

16.1 **Events of Insolvency and/or Bankruptcy.** Each one or more of the following shall be an "Event of Default" under this Lease:

A. Tenant's becoming insolvent, as the term is defined in Title 11 of the United States Code, entitled Bankruptcy, 11 U.S.C. Paragraph 101 et seq. (the "Bankruptcy Code"), or under the insolvency laws of any State, District, Commonwealth or Territory of the United States (the "Insolvency Laws") or otherwise;

B. The appointment of a receiver, trustee or custodian for all or a substantial portion of Tenant's property or assets, or the institution of a foreclosure action upon all or a substantial portion of Tenant's real or personal property;

C. The filing of a voluntary petition under the provisions of the Bankruptcy code or Insolvency Laws or the filing of a petition for reorganization governed by Insolvency Laws, the filing of an application for voluntary liquidation or dissolution applicable to banking institutions or such other institutions;

D. The filing of an involuntary petition against Tenant as the subject debtor under the Bankruptcy Code or Insolvency Laws, which is either not dismissed within thirty (30) days of filing, or results in the issuance of an order for relief against the debtor, whichever, is earlier;

E. Tenant's making or consenting to an assignment for the benefit of creditors or a common law composition of creditors.

16.2 **Landlord's Remedies.** Landlord, in the event of such an Event of Default, shall have, without need of the notice otherwise set forth therein, the rights enumerated in Section 17 and all other rights at law or in equity.

17. **Default of Tenant.**

17.1 **Events of Default.** In addition to the Events of Default set forth in Section 16.1 hereof, each one or more of the following shall be an "Event of Default" under this Lease:

A. If Tenant shall fail to pay when due any Rent (including Fixed Rent and Additional Rent) or any other payment required under this Lease, whether or not demand has been made therefor;

B. If Tenant shall violate or fail to perform any of the other terms, conditions, covenants or agreements herein made by Tenant, and such failure continues for ten or more days after Landlord's written notice thereof to Tenant;

C. If Tenant abandons the Premises at any time during the Term or fails to open for business in the Premises within sixty (60) days after the Commencement Date (provided, however, that if Tenant is diligently pursuing and taking all such actions as are reasonably necessary to open its business in the Premises, then such sixty (60) day period shall be extended for such amount of time as is reasonably necessary to accomplish same, but in no event beyond an additional sixty (60) days);

D. If Tenant assigns or hypothecates this Lease or any interest herein, or sublets the Premises, or any part thereof, or if Tenant attempts to do any of the foregoing, in contravention of the terms, covenants, provisions and conditions of this Lease.

E. Any one or more individuals or entities comprising Guarantor (as hereinafter defined) dies or becomes or is declared or is adjudicated (i) insolvent or bankrupt, or (ii) mentally incompetent or otherwise incapacitated; and/or the Guaranty (as hereinafter defined) is adjudicated unenforceable to any extent.

17.2 **Landlord's Remedies.** Should an Event of Default occur under this Lease, Landlord (notwithstanding any former breach of covenant or waiver thereof in a former instance), in addition to all other rights and remedies available to it by law or equity or by any other provisions hereof, may at any time thereafter pursue and shall be entitled to, once or more often, any one or more of the following remedies:

17.2.1 **Termination of Lease.** Landlord may terminate this Lease upon notice to Tenant and on the date specified in such notice, this Lease and the Term hereby demised and all rights of Tenant hereunder shall expire and terminate without any right of Tenant to save the forfeiture, and Tenant shall thereupon quit and surrender possession of the Premises to Landlord in the condition elsewhere herein required and Tenant shall remain liable to Landlord as hereinafter provided.

17.2.2 **Repossession/Reletting of Premises.** Whether or not Landlord terminates this Lease, Landlord may, without further notice, enter upon and repossess the Premises, by summary proceedings or ejectment or by self-help, and may dispossess Tenant and remove Tenant and all other persons and property from the Premises and may have, hold and enjoy the Premises and the rents and profits therefrom. Landlord may relet the Premises, or any part thereof, for such term or terms (which may be greater or less than the period which would otherwise have constituted the balance of the Term) and on such terms (which may include concessions or free Rent) as Landlord in its sole discretion and good faith may determine. Landlord may, in connection with any such reletting, cause the Premises to be decorated, altered, divided, and/or consolidated with other space or otherwise changed or prepared for reletting. No reletting shall be deemed a surrender and acceptance of the Premises.

17.2.3. **Payments.** Upon such termination of the Lease or reentry by Landlord, Landlord may declare to be immediately due and payable, a sum equal to the amount of brokerage commissions paid by Landlord with respect to this Lease, plus, on account of the Rent and other charges herein reserved for the balance of the Term (taken without regard to any early termination of the Term on account of default), the Accelerated Rent Component (as hereinafter defined), and Tenant shall remain liable to Landlord as hereinafter provided. For purposes hereof, the Accelerated Rent Component shall mean the aggregate of the following items: (a) The Fixed Rent otherwise payable for the period which otherwise would have constituted the unexpired portion of the Term, plus all Additional Rent and other charges, payments, costs and expenses herein agreed to be paid by Tenant up to the end of the Term which shall be capable of precise determination at the time of Landlord's election to recover such amounts; and (b) all projected Additional Rent charges, payments, costs and expenses herein agreed to be paid by Tenant up to what otherwise would have been the expiration of the Term which shall not be capable of precise determination as aforesaid (and for such purposes no estimate of any component of Additional Rent to accrue pursuant to the provisions of Section 3 hereof shall be less than the amount which would be due if each such component continued at the highest monthly rate or amount in effect during the twelve (12) months immediately preceding the default).

17.3 **Measure of Damages.** In the event that Landlord has not elected to have Tenant pay the Accelerated Rent Component, Tenant shall, with respect to all periods of time up to and including what otherwise would have been the expiration of the Term, remain liable to Landlord as follows:

A. In the event of termination of this Lease on account of Tenant's default or breach, Tenant shall remain liable to Landlord an amount equal to the Rent and other charges payable under this Lease by Tenant as if this Lease were still in effect, less the net proceeds of any reletting actually collected, after deducting all costs incident thereto (including, without limitation, all repossession costs, brokerage and management commissions, and legal expenses and fees, commercially reasonable alteration costs and expenses of preparation for reletting), and to the extent such damages shall not have been recovered by Landlord by virtue of payment by Tenant of the Accelerated Rent Component (but without prejudice to the right of Landlord to demand and receive the Accelerated Rent Component), such damages shall be payable to Landlord monthly upon presentation to Tenant of a bill for the amount due.

B. In the event and so long as this Lease shall not have been terminated after default or breach by Tenant, the Rent and all other charges payable under this Lease shall be reduced by the net proceeds of any reletting by Landlord (after deducting all costs incident thereto as above set forth) and by any portion of the Accelerated Rent Component paid by Tenant to Landlord, and any amount due to Landlord shall be payable monthly upon presentation to Tenant of a bill for the amount due.

17.4 **No Responsibility to Relet.** Landlord shall in no event be responsible or liable for any failure to relet the Premises, or any part thereof, or for any failure to collect any Rent due upon a reletting and nothing in this Lease shall be construed to the contrary. Notwithstanding anything in this Lease to the contrary, and without

limiting the foregoing, except to the extent required by any non-waivable provision of applicable law, Landlord shall have no obligation to mitigate its damages under this Lease.

17.5 **Additional Damages.** Nothing contained in this Lease shall limit or prejudice the right of Landlord to prove and obtain as damages incident to a termination of this Lease, in any bankruptcy, reorganization or other court proceedings, the maximum amount allowed by any statute or rule of law in effect when such damages are to be proved.

17.6 **No Waiver.** No waiver by Landlord of any breach by Tenant of any of Tenant's obligations, agreements or covenants herein shall be a waiver of any subsequent breach or of any obligation, agreement or covenant, nor shall any forbearance, delay or failure by Landlord to seek a remedy for any breach by Tenant be a waiver by Landlord of any rights, powers or remedies with respect to any subsequent breach.

17.7 **Right of Landlord to Cure Tenant's Default.** If Tenant defaults in the making of any payment or in the doing of any act herein required to be made or done by Tenant beyond any applicable notice and cure period, then Landlord may, but shall not be required to, make such payment or do such act, and charge the amount of the expense thereof, plus interest at the Interest Rate, if made or done by Landlord. Such payment shall constitute Additional Rent hereunder due and payable with the next monthly installment of Rent; but the making of such payment or the making of such action by Landlord shall not operate to cure such default or to estop Landlord from the pursuit of any remedy to which Landlord would otherwise be entitled.

17.8 **Remedies Cumulative.** No right, power or remedy herein conferred upon or reserved to Landlord is intended to be exclusive of any other right, power or remedy herein or by law provided, but each shall be cumulative and in addition to every other right, power or remedy given herein or now or hereafter existing at law, in equity, or by statute. No single, partial or full exercise of any right hereunder by Landlord shall preclude other or further exercise thereof.

18. **Surrender; Holding Over.** Upon the expiration or earlier termination of this Lease, Tenant shall vacate the Premises and surrender the same broom clean, in the same or better order and condition in which it is on the Commencement Date (and if better, the condition on which it is after Tenant's completion of the Initial Alterations), reasonable wear and tear excepted, free of all tenancies, subtenancies, occupants, residents and personal property of any party other than Landlord. If Tenant retains possession of the Premises, or any part thereof, or otherwise does not surrender the Premises to Landlord in the condition and manner required under this Lease, upon termination of this Lease by expiration of the Term or otherwise, Tenant shall, by virtue of the provisions hereof, become a tenant at sufferance on all of the terms and conditions of this Lease, except that Tenant shall pay as Rent for any month or partial month of such holdover as payment towards damages (and not as a penalty) for such wrongful retention, an amount equal to three times the greater of (i) the monthly Fixed Rent and Additional Rent payable for the month immediately preceding the month of such holdover, and (ii) the fair market rental value of the Premises for such month(s) of holdover. In addition, if Tenant remains in the Premises (or otherwise does not so surrender the Premises) for more than thirty (30) days after written demand from Landlord to vacate after termination of this Lease by expiration of the Term or otherwise, Tenant shall also pay Landlord (in addition to the amount of Fixed Rent and Additional Rent set forth in the immediately preceding sentence) all other damages, costs and expenses sustained by Landlord by reason of Tenant's wrongful retention, including without limitation, any direct, indirect and consequential damages, including, without limitation, any losses incurred due to Landlord's delay in preparing or delivering the Premises to a new tenant. No acceptance by Landlord of any such foregoing monies under this Section shall be deemed a consent to any holdover of Tenant beyond the expiration or initial termination of this Lease, and, in addition to payment of such foregoing amounts, Landlord shall be entitled to all rights and remedies available under this Lease and/or at law and/or in equity with respect to such holdover by Tenant.

19. **Relocation.** Landlord, by at least 4 months prior written notice, shall have the option, to require Tenant to move during Term from the Premises to another location of comparable size in the Building or other building owned by Landlord or its affiliate in the nearby vicinity; provided, however, that in connection with such relocation: (i) Landlord shall arrange for such relocation to be conducted in a manner so as not to unreasonably interfere with the operation of Tenant's business; (ii) Landlord shall pay the expense of moving Tenant's furniture and equipment to the substitute premises; (iii) Landlord shall pay the expense of fitting up the substitute premises to approximately the same type and quality of finish as the Premises, ordinary wear and tear excepted; and (iv) Landlord and Tenant will execute a modification of or supplement to this Lease in respect of and identifying such substitute premises, such lease thereof to be otherwise on terms identical to the terms hereof.

20. **Consents.** Tenant sole remedy for Landlord's failure to provide consent where required under this Lease shall be injunctive relief. Any time that Tenant requests Landlord's consent or approval to any matter relating to this Lease, Tenant shall first deposit with Landlord the non-refundable amount of \$2,500.00 per request towards Landlord's administrative costs in handling such request. The foregoing shall not be in limitation of any similar charges payable by Tenant elsewhere under this Lease or otherwise.

21. **Reservation.** Landlord hereby reserves to itself and its successors and assigns the following rights (each of which are hereby consented to by Tenant): (i) to change the street address and/or name of the Building and/or the arrangement and/or location of entrances, passageways, doors, doorways, corridors, elevators, stairs, toilets, or other public parts of the Building; (ii) to erect, use and maintain wires, pipes and other conduits in and through the Premises in such a manner so as not to materially reduce the usable area of the Premises or otherwise Tenant's use of the Premises, and Landlord shall restore the Premises to substantially its prior condition following the completion of such work (but subject to such installations). In addition to and without limiting the foregoing, Landlord hereby reserves the right to alter the layout of the Building and to erect additional stories on the Building and to erect and permit the erection of structures adjacent to the Building and to perform and construct all other improvements, renovations, constructions and improvements in, on, to or adjacent to the Building and the Property and adjacent properties as Landlord shall desire and the occurrence of the foregoing shall in no way affect this Lease or Tenant's obligations hereunder or impose any liability of any kind upon the Landlord or be deemed to be a constructive eviction or otherwise. In exercising its rights under this Section, (i) Landlord shall use commercially reasonable efforts to minimize interference with Tenant's operations of the Premises, and (ii) Landlord shall not materially diminish the square footage of the Premises, and (iii) Landlord, at Landlord's sole cost and expenses, shall perform all work reasonably necessary for Tenant to continue to operate for business in substantially the same manner as Tenant was operating immediately prior to such action taken by Landlord. Landlord may exercise any of all of the foregoing rights without being deemed to be having committed an eviction, actual or constructive, or a disturbance or interruption of the business of Tenant or Tenant's use or occupancy of the Premises.

22. **Independent Covenants.** The covenants and obligations of Landlord and Tenant hereunder are separate and independent from one another. Tenant's obligations to pay Rent and other amounts payable hereunder, and to perform its obligations hereunder, shall be fully enforceable and shall not be impaired or excused, notwithstanding any breach by Landlord hereunder. No Rent or other amounts payable hereunder shall be subject to reduction, delay, offset, withholding or other defense to Landlord.

23. **Environmental Matters.** Tenant shall not engage in operations at the Premises which involve the generation, manufacture, refining, transportation, treatment, storage, handling or disposal of any "hazardous substance" or "hazardous waste" as such terms are defined under the applicable State or Federal or local law, or of "hazardous substances" as defined in section 101 (14) of the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), 42 U.S.C. 9601 (14), as amended by the Superfund Amendments and Reauthorization Act of 1986 ("SARA") and/or any other applicable law governing the environmental or hazardous substances or similar matters. Without limiting the foregoing, Tenant shall, at its sole cost and expense, provide for the proper and lawful disposal and removal from the Premises of all hazardous waste generated by its

business or otherwise existing at the Premises. Tenant shall indemnify, defend and hold Landlord and its principals, officers, agents, lenders, mortgagees and employees harmless from any losses, damages, costs and expenses resulting from a violation of this Section and/or the introduction or permitting or creating, causing or exacerbating by Tenant or any of its principals, employees, agents, or contractors or subcontractors or licensee or invitees on near or under the Land, Building, or Premises of such hazardous waste or substances or condition. Without limitation of the foregoing, Tenant, at its sole cost and expense, shall be responsible to promptly remediate and cure any such condition in accordance with all applicable law and otherwise to the reasonable satisfaction of Landlord. This Section 23 shall survive the expiration or termination of this Lease.

24. **Miscellaneous.**

24.1 **Security Deposit.** Simultaneously with the execution of this Lease, Tenant shall deposit with Landlord as a security deposit the sum of **\$31,520.⁰⁰** Such security deposit (which shall not bear interest to Tenant unless required to do so by provisions of law) shall be considered as security for the payment and performance by Tenant of all the Tenant's obligations, covenants, conditions and agreements under this Lease. Landlord shall not be required to hold the security deposit or any other funds received by it from Tenant in a separate or segregated account or in any account whatsoever and Landlord may commingle the security deposit and all such other funds in any account held by Landlord or in no account. The security deposit shall not be considered an advance payment of rental or a measure of Landlord's damages in case of default by Tenant. Within sixty (60) days after the expiration of the Term (or any renewal or extension thereof in accordance with this Lease), Landlord (provided that Tenant is not in default under the terms hereof and has vacated and surrendered the Premises to Landlord in the condition and manner required under this Lease, and otherwise in accordance with, the provisions of this Lease) shall return and pay back such security deposit to Tenant less such portion thereof as Landlord shall have retained to make good any default by Tenant with respect to any of Tenant's aforesaid obligations, covenants, conditions or agreements. In the event of any default by Tenant hereunder during the Term, Landlord shall have the right, but shall not be obligated to apply, from time to time and without prejudice to any other remedy, all or any portion of the security deposit to cure such default, in which event Tenant shall be obligated promptly to deposit with Landlord the amount necessary to restore the security deposit to the amount held by Landlord immediately prior to such advance by Landlord. In the event of the sale or transfer of Landlord's interest (fee or leasehold or otherwise) in the Building, Landlord shall have the right to transfer the security deposit to the purchaser or transferee and upon such transfer Tenant shall look only to the new landlord for the return of the security deposit and Landlord shall thereupon be automatically released from all liability to Tenant for the return of or accounting for such security deposit. All at times the unapplied security deposit shall be equal to the full amount set forth above, such that if Landlord applies all or any portion of the security deposit in accordance with this Section 24.1, Tenant shall promptly deposit with Landlord such amount so applied to be held in accordance with this Section 24.1.

24.2 **No Representations by Landlord.** Tenant acknowledges that neither Landlord nor any broker, agent or employee of Landlord has made any representations or promises with respect to the Premises or the Building except as herein expressly set forth, and no rights, privileges, easements, or licenses are acquired by Tenant except as herein expressly set forth. Except as expressly set forth otherwise herein, Tenant, by taking possession of the Premises, shall accept the same "as is", "where is" and with all faults, and such taking of possession shall be conclusive evidence that the Premises and the Building are in good satisfactory condition at the time of such taking of possession.

24.3 **No Partnership.** Nothing contained in this Lease shall be deemed or construed to create a partnership or joint venture of or between Landlord and Tenant, or to create any other relationship between the parties hereto other than that of Landlord and Tenant.

24.4 **Brokers.** Tenant represents and warrants to Landlord that Tenant has not employed or dealt with any broker, agent or finder in locating the Building or the Premises, or in carrying on the negotiations relating to this Lease. Tenant shall indemnify, defend and hold Landlord harmless, from and against any claim or claims for

brokerage or other commission or otherwise arising from or out of any breach of the foregoing representation and warranty or from any conduct or alleged conduct by Tenant by which a commission or other fee is claimed. This provision is not intended for, nor shall be construed as having been made for, the benefit of any broker or any other third party. The provisions of this Section shall survive expiration or earlier termination of this Lease.

24.5 **Go-Dark.** In the event that Tenant fails or ceases to operate the Permitted Use in the Premises for a period of sixty (60) days or more, then such failure shall be deemed an Event of Default under this Lease and Landlord shall have the right upon written notice to Tenant to terminate this Lease, and all other rights and remedies available to Landlord under Article 17.

24.6 **Estoppel Certificate.** Tenant agrees, at any time, and from time to time, during the Term, within ten (10) days after request from Landlord, to execute, acknowledge and deliver to Landlord a statement in writing which shall contain the following provisions: (i) a statement that this Lease is unmodified and in full force and effect (or if there have been modifications, that this Lease is in full force and effect as modified and stating the modifications), (ii) a statement of the dates to which the Rent and any other charges hereunder have been paid by Tenant, (iii) a statement of whether or not, to the knowledge of Tenant, Landlord is in default in the performance of any covenant, agreement or condition contained in this Lease, and if so, specifying each such default of which Tenant may have knowledge, (iv) a statement of the address to which notices to Tenant should be sent, (v) a statement that Tenant has accepted the Premises and improvements therein, (vi) a statement of the Commencement Date and Expiration Date of the Term and the amount of any renewal options remaining, if any, and (vii) such other statement or statements as Landlord, any prospective purchaser of the Building, any mortgagee or prospective mortgagee of the Building or of Landlord's interest therein and/or any prospective assignee of any such mortgagee, may reasonably request. Tenant's failure to deliver such statement within such ten (10) day period shall be conclusive upon Tenant that this Lease is in full force and effect and unmodified, that there are no uncured defaults in Landlord's performance hereunder, and that not more than one (1) month's rent has been paid in advance. In addition to and without limiting the foregoing, if Tenant fails to deliver such statement within such ten (10) day period, Tenant hereby constitutes and appoints Landlord as Tenant's attorney-in-fact to execute such statement for or on behalf of Tenant (containing the above matters as based on the knowledge of Landlord), such appointment being coupled with an interest, and such statement as so executed by Landlord shall be binding on Tenant in all respects with respect to the matters set forth therein as if such statement was executed directly by Tenant. Notwithstanding the foregoing, Tenant's failure to deliver such statement within an additional five (5) days written demand from Landlord given after the expiration of the foregoing ten (10)-day period shall be deemed to be an Event of Default of Tenant under this Lease. Any such statement delivered pursuant hereto, may be relied upon by any owner of the Building (including Landlord), prospective purchaser of the Building, any mortgagee or prospective mortgagee of the Building or of Landlord's interest therein and/or any prospective assignee of any such mortgagee and/or any other interested party. Tenant will agree to make such reasonable changes or modifications to this Lease as may be required by any mortgagee, now or hereafter, of the Building and/or the Land, provided that such changes or modifications shall not increase the amount of Rent required under Section 3 hereof, shorten the Term or change or materially decrease the square footage of the Premises or otherwise materially increase Tenant's obligations under this Lease.

24.7 **Financials.** Upon Landlord's request made from time to time throughout the Term of this Lease, Tenant shall promptly (and in no event later than five (5) days after such request) furnish Landlord with a balance sheets and statements reflecting the Tenant's (and its parents', subsidiaries and other affiliates') and the Guarantor's then-current financial condition, and written evidence of ownership of all managing and controlling interests in Tenant and in any entities which directly or indirectly control Tenant, which balance sheets and statements shall certified to be true and correct by an independent certified public accountant (collectively "Tenant's Financial Statements"). Tenant's Financial Statements shall be in form reasonably acceptable to Landlord and its lenders and shall include such additional information as Landlord and/or its lender may request. Tenant's failure to deliver Tenant's Financial Statements within an additional five (5) days written demand from Landlord given after the

expiration of the initial five (5)-day period shall be deemed to be an Event of Default of Tenant under this Lease. Tenant's Financial Statements may be relied upon by any owner of the Building (including Landlord), prospective purchaser of the Building, any mortgagee or prospective mortgagee of the Building or of Landlord's interest therein and/or any prospective assignee of any such mortgagee and/or any other interested party.

24.8 **Notices.** Any bills, statements, notices, demands, requests, consents, approvals, or other communications hereunder shall be effective only if rendered or given in writing and delivered by hand or sent by certified or registered mail, return receipt requested, first-class postage prepaid, or by national overnight courier, in each case addressed as follows:

Notices given by a party's attorney shall be deemed given by such party.

24.9 **Force Majeure.** In the event that Landlord shall be delayed, hindered in or prevented from the performance of any act required to be performed hereunder by reason of Force Majeure (as hereinafter defined), then performance of such act shall be excused for the period of the delay and the period for the performance of any such act shall be extended for a period equivalent to the period of such delay. The term "Force Majeure" means any Act of God, strikes, lock-outs, labor troubles, inability to procure materials, failure of power, restrictive legal requirements, riots and insurrection, acts of the public enemy, wars, earthquakes, hurricanes and other natural disasters, fires, explosions, or any other circumstance beyond the reasonable control of Landlord.

24.10 **Invalidity of Particular Provisions.** If any provisions of this Lease or the application thereof to any person or circumstances shall to any extent be invalid or unenforceable, the remainder of this Lease, or the

application of such provisions to persons, or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each provision of this Lease shall be valid and be enforced to the fullest extent permitted by law.

24.11 **Gender and Number.** Feminine, neuter or masculine pronouns shall be substituted for one another and the plural and the singular shall be substituted for each other, in any place or places herein in which the context may require such substitution.

24.12 **Benefit and Burden.** The provisions of this Lease shall be binding upon, and shall inure to the benefit of (i) Landlord and Tenant, (ii) each of their successors and permitted assigns, and (iii) such other persons or entities as and to the extent expressly set forth in this Lease.

24.13 **Landlord Liability.**

(a) **Transfer of Landlord's Interest.** Landlord has the right to sell, assign, convey or otherwise transfer the Premises and/or the Building and/or Landlord's interest in either or both and/or this Lease, and in the event of such transfer, the transferor shall be automatically relieved of any and all obligations on the part of Landlord accruing from and after the date of such transfer.

(b) **Limitation of Landlord's Liability.** Notwithstanding anything to the contrary provided in this Lease, there shall be absolutely no personal liability on the part of Landlord or any officer, director, shareholder, partner, member, employee or agent of Landlord, whether disclosed or undisclosed (or of any successor corporate landlord or any partner of any limited or general partnership which may become Landlord or any individual or other entity), with respect to any of the terms, covenants and conditions of this Lease, and Tenant shall look solely to the interest, income or equity, if any, of Landlord in the Building for the satisfaction of each and every remedy of Tenant in the event of a breach or default by Landlord of any of the terms, covenants and conditions of this Lease, such exculpation of personal liability to be absolute and without any exception whatsoever. No other property or assets of Landlord, any successor to Landlord, or any officer, director, shareholder, partner, member, employee or agent of Landlord or any successor to Landlord, shall be subject to judgment, levy, execution or other enforcement procedure for the satisfaction of Tenant's remedies under or with respect to this Lease or the use or occupancy of the Premises.

24.14 **Excavation and Shoring.** If an excavation is made or authorized to be made upon land adjacent to the Premises, Tenant shall, without any claim for damages or indemnity against Landlord, or diminution or abatement of rent, afford to the person causing or authorized to cause such excavation, the license to enter upon the Premises for the purpose of doing such work as such person shall deem necessary to preserve the wall of the Building from injury or damage and to support the same by proper foundations.

24.15 **Demolition.** In the event that at any time Landlord (or its successor or contract vendee) plans or intends or otherwise desires to demolish or otherwise redevelop the Building, then Landlord shall have the right to terminate this Lease upon at least three (3) months prior written notice to Tenant, in which event this Lease and the Term hereunder shall come to end and expire as of the date set forth in such notice and on or prior to such date Tenant shall vacate and surrender the Premises to Landlord in the condition and manner required under, and otherwise in accordance with, the provisions of this Lease.

24.16 **Subordination.** This Lease is and shall be subject and subordinate at all times to the lien of all mortgages and other encumbrances which now or hereafter encumber or otherwise affect the Property and/or the Building, to the rights of the owners of the Building and/or Property if not Landlord, and to Landlord's leasehold interest therein (if Landlord is a ground lessee of the Property and/or Building), and to all and any renewals, extensions, modifications, recastings, or refinancing thereof (provided that such superior lessor and/or mortgagee shall have the right to elect to subordinate their estate and interests to this Lease). Tenant shall, within fifteen (15)

days after request by Landlord, promptly execute, acknowledge and deliver to Landlord any written statement or agreement confirming such subordination reasonably required by Landlord or any of its lenders or ground lessors. If Tenant fails to take such action within such fifteen (15) day period, Tenant hereby constitutes and appoints Landlord as Tenant's attorney-in-fact to execute any such certificate or other document for or on behalf of Tenant, such appointment being coupled with an interest and such certificate or other document as so executed by Landlord shall be binding on Tenant in all respects with respect to the matters set forth therein as if such statement was executed directly by Tenant. In addition, and without limiting the foregoing, Tenant's failure to deliver such certificate or other document within an additional five (5) days written demand from Landlord given after the expiration of the foregoing fifteen (15) day period shall be deemed to be an Event of Default of Tenant under this Lease. Tenant agrees that in the event that any proceedings are brought for the foreclosure of any such mortgage, Tenant shall attorn to the purchaser at such foreclosure sale, if requested to do so by such purchaser, and shall recognize such purchaser as the landlord under this Lease, and Tenant waives the provisions of any statute or rule of law, now or hereafter in effect, which may give or purport to give Tenant any right to terminate or otherwise adversely affect this Lease and the obligations of Tenant hereunder in the event that any such foreclosure proceeding is prosecuted or completed.

24.17 **Attornment.** If any successor in interest, including but not limited to, a lessor of a superior lease or the holder, now or hereafter, of a superior mortgage shall succeed to Landlord's estate in the Building and/or Property or the rights of Landlord under this Lease, whether through purchase, operation of law, possession or foreclosure action or delivery of a new lease or deed or otherwise, then at the election of such party so succeeding to Landlord's rights (herein sometimes called "successor landlord"), Tenant shall attorn to and recognize such successor landlord as Tenant's landlord under this Lease, and shall promptly execute, acknowledge and deliver any instrument that such successor landlord may reasonably request to evidence such attornment, provided only that such successor landlord agrees not to disturb Tenant's possession under this Lease so long as Tenant is not in default hereunder. Tenant hereby irrevocably appoints such successor landlord Tenant's attorney-in-fact to execute and deliver such instrument for and on behalf of Tenant, such appointment being coupled with an interest. To the extent permitted by law, Tenant hereby waives any right Tenant may have under any present or future law to terminate this Lease or surrender the Premises by reason of the institution of any proceeding to terminate a superior lease or action to foreclose a superior mortgage, and this Lease shall not be affected by any such proceeding or action unless and until the lessor of the superior lease, or holder, now or hereafter, of the superior mortgage, elects in such proceeding or action to terminate this Lease.

24.18 **Entire Agreement.** This Lease, together with all exhibits and schedules attached hereto, and any guaranty and resolutions executed in connection herewith, contains and embodies the entire agreement between the parties hereto, and supersedes all prior agreements between the parties and no representation (prior or contemporaneous), inducements or agreements between the parties, oral or otherwise, not contained in this Lease or the exhibits or schedules attached hereto, shall be of any force or effect.

24.19 **Authority of Tenant.** Tenant and the individual(s) signing this Lease on behalf of Tenant, hereby jointly and severally represent and warrant to Landlord that the Tenant has the full authority to enter into this Lease and to perform its obligations hereunder and that the individual(s) signing this Lease of behalf of Tenant has the authority to do so and to bind Tenant.

24.20 **Intentionally Omitted.**

24.21 **Lease May Not Be Recorded.** Tenant may not record this Lease or any assignment or memorandum thereof. Any such recording by Tenant shall be deemed an incurable Event of Default hereunder and Tenant shall cause the removal of such recording, and, in addition to any other remedies which Landlord may have hereunder, all security monies deposited with the Landlord, if any, shall thereupon automatically be deemed forfeited to the Landlord.

24.22 **Patriot Act.** Tenant represents and warrants that (a) neither Tenant nor any person who owns any direct or indirect beneficial interest in Tenant is listed on the list maintained by the United States Department of the Treasury, Office of Foreign Assets Control (commonly known as the OFAC List) or otherwise qualifies as a person with whom business by a United States citizen or resident is prohibited and (b) neither Tenant nor any person who owns any direct or indirect beneficial interest in Tenant is in violation of any anti-money laundering or anti-terrorism statute, including, without limitation, the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, U.S. Public Law 107-56 (commonly known as the USA PATRIOT Act), and the related regulations issued thereunder, including temporary regulations, all as amended from time to time.

24.23 **Counterparts; Electronic Delivery.** This Lease may be executed in one or more counterparts, each of which when taken together shall constitute but one and the same instrument. This Lease may be executed and delivered by facsimile transmission or as a PDF attachment to an email or other electronic method, and such copies and all further copies thereof shall be deemed to be originals for all purposes.

24.24 **Condominium Conversion.** Landlord hereby reserves the right to convert the Building to a condominium form of ownership and that this Lease and all rights of Tenant thereunder shall be subject and subordinate in all respects to the provisions of the documents and instruments governing such condominium regime, including without limitation, the Declaration of Condominium and By-Laws (collectively, the “**Condominium Documents**”) and Tenant shall enter into such reasonable modifications to this Lease or other documents or instruments necessary or appurtenant to such condominium regime and shall otherwise cooperate in effecting such conversion; provided, however, that the Condominium Documents and such modifications, other instruments do not materially increase Tenant’s obligations or materially decrease Tenant’s rights pursuant to this Lease, nor interrupt Tenant’s continued permitted use and occupancy of the Building pursuant to the terms of the Lease nor materially reduce any of the rights of Tenant as provided in the Lease, nor materially reduce any of the obligations of Landlord as provided in the Lease except to the extent that the board of managers of the condominium will undertake to perform the same.

24.25 **Disclosures.** Pursuant to Section 404.056 of the Florida Statutes or otherwise, Landlord does hereby notify Tenant of the following: Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county health department. Landlord does hereby notify Tenant that there may be lead-based paint in the Building which may pose a risk to health under certain circumstances.

25. **WAIVER OF JURY TRIAL; VENUE.** LANDLORD AND TENANT HEREBY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY EITHER OF THE PARTIES HERETO AGAINST THE OTHER ON OR IN RESPECT OF ANY MATTER WHATSOEVER ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS LEASE, THE RELATIONSHIP OF LANDLORD AND TENANT HEREUNDER, TENANT’S USE OR OCCUPANCY OF THE PREMISES, AND/OR ANY CLAIM OF INJURY OR DAMAGE. TENANT HEREBY IRREVOCABLY SUBMITS TO THE JURISDICTION OF THE FEDERAL AND STATE AND COUNTY COURTS LOCATED IN THE COUNTY IN WHICH THE PREMISES ARE LOCATED, AND WAIVES ANY CLAIM TO IMPROPER VENUE IN ANY OF SUCH COURTS.

26. **Parking.** During the Term, Tenant’s employees and permissible invitees shall have a right to use the Building’s parking lot on a first-come, first-serve non-exclusive basis, in connection with Tenant’s use of the Premises for the Permitted Use, up to a maximum of 12 spaces. Landlord shall have the right from time to time to reasonably designate the particular locations within the parking lot to be used by Tenant and its employees and invitees, if any. No overnight parking is permitted. The use of the parking lot by Tenant and its employees and other

invitees, if any, shall be at Tenant's and such parties' sole risk, and neither Landlord nor its management nor any other Landlord party shall have any liability in connection therewith.

27. Intentionally Omitted.

- 6. LEASE

THIS LEASE (this “**Lease**”) is made effective as of August 1, 2022 by and between **HOFFMAN FLAGLER LLC**, a Florida limited liability company (“**Landlord**”), and **FLORIDA POWER & LIGHT COMPANY**, a Florida corporation (“**Tenant**”).

RECITALS

- A. Landlord is the owner of the land having an address at 9250 W Flagler Street, Miami, Florida (the “**Land**”) and the building located thereon (the “**Building**”). The Land and the Building are referred to collectively as the “**Property**”.
- B. Tenant desires to lease space within the Building, and Landlord is willing to lease such space to Tenant, upon and subject to the terms, conditions, covenants and agreements set forth herein.

TERMS OF AGREEMENT

NOW, THEREFORE, in consideration of the mutual promises herein contained and incorporating the foregoing Recitals in their entirety, the parties hereto, intending to be legally bound hereby, covenant and agree as set forth below:

1. Premises; Permitted Use.

(a) Premises. Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, the Premises (as hereinafter defined) for the Permitted Use (as hereinafter defined) for the Term (as hereinafter defined) and upon and subject to the terms and conditions, covenants and agreements hereinafter set forth in this Lease. The term “**Premises**” means a portion of the fifth (5th) floor of the Building, to be known as Suite 502, as approximately shown on Exhibit A and containing an approximate, but stipulated, 7,812 rentable square feet.

(b) Permitted Use. The term “**Permitted Use**” means the use of the Premises for administrative and executive offices for Tenant’s business, subject to and in accordance with applicable law and the terms and conditions of this Lease, and for no other purpose whatsoever.

2. Term; Initial Alterations.

2.1 (a) Initial Term. The initial term of this Lease (as may be extended or sooner terminated in accordance with the provisions of this Lease, the “**Term**”) shall be for a period equal to three (3) years, commencing as of August 1, 2022 (the “**Commencement Date**”) and ending on July 31, 2025 (the “**Expiration Date**”), unless extended or sooner terminated in accordance with this Lease. Each “**Lease Year**” under this Lease shall be the 12-month period of August 1 through July 31 of the following calendar year.

(b) Renewal Terms. Provided that, at the time of the giving of the applicable Renewal Notice (as hereinafter defined) and upon the commencement of the applicable Renewal Term (as hereinafter defined), this Lease is in full force and effect and Tenant has not defaulted, and is not in default, under this Lease, is in possession and occupancy of the Premises, and has not assigned this Lease or sublet any portion of the Premises (each of which such foregoing conditions shall be for the benefit of Landlord only and which Landlord may waive in its sole and absolute discretion), then Tenant shall have the option (each a “**Renewal Option**”) to extend the Term of this Lease for two (2) successive periods of one (1) year each (each a “**Renewal Term**”). The “**First Renewal Term**” shall be the period commencing on August 1, 2025 and expiring on July 31, 2026; and the “**Second Renewal Term**” shall be the period commencing on August 1, 2026 and expiring on July 31, 2027. In order to exercise a Renewal Option, Tenant must deliver to Landlord written notice of such exercise (“**Renewal Notice**”) no later than the date that is six (6) months prior to the first (1st) day of the applicable Renewal Term; time being of the essence with respect to the giving of such notice. If Tenant duly exercises a Renewal Option, then this Lease shall continue through the end of the applicable Renewal Term on all of the terms and conditions of this Lease,

except that (i) all references to the “Term” shall be deemed to include such Renewal Term, (ii) the Fixed Rent payable hereunder for such Renewal Term shall be the applicable Fixed Rent designated for such period in Section 3.1 below, and (iii) in the case of the Second Renewal Term, Tenant shall have no further options to renew the term of this Lease. For the sake of clarity, if Tenant does not timely exercise the Renewal Option for the First Renewal Term, then Tenant shall have no right to renew the term of this Lease for the Second Renewal Term.

2.2 **Condition of Premises.** The Premises are being leased to Tenant, and Tenant shall accept the Premises, in its “as-is” condition as of the date hereof, subject to any and all faults and without representation or warranty by Landlord whatsoever, express or implied, as to the condition, legality, or suitability thereof or otherwise, and, except for Landlord’s Work (as hereinafter defined) which Landlord will be performing promptly after the mutual execution and delivery of this Lease, Landlord shall have no obligation to perform any work whatsoever in or to the Premises or Building to ready the Premises for Tenant’s occupancy thereof or otherwise. Tenant hereby represents and warrants that it is currently occupying the Premises and that Tenant has otherwise inspected the Premises and the Building on or prior to the date hereof and is fully satisfied with the condition thereof as of the date hereof and shall take possession of the Premises in “as is” condition as of the date hereof. Other than the Landlord’s Work, Tenant shall be solely responsible, at its sole cost and expense, to perform any and all alterations and installations which may be necessary or desirable to ready the Premises for Tenant’s occupancy thereof (collectively, the “**Initial Alterations**”). The Initial Alterations and the performance thereof shall be subject in all respects to the provisions of Article 7 of this Lease and all other provisions of this Lease.

Following the Commencement Date, Landlord, at its sole cost and expense, shall perform the following work in the Premises: Move cabinets and appliances specified by Tenant from an existing break room from a space currently under a lease by Tenant under a different lease in the Building (“**Prior Lease**”), and install such cabinets and appliances in an empty office determined by Tenant in the Premises (“**Landlord’s Work**”). Landlord’s Work does not include any water or other plumbing connections or fixtures. Any plumbing fixtures or connections shall be performed by Tenant at its expense and subject to the terms and conditions of this Lease. For the avoidance of doubt, Tenant expressly acknowledges that the Landlord’s Work will be performed promptly following the mutual execution and delivery of this Lease, and neither the performance or nonperformance thereof shall affect the occurrence of the Commencement Date. Tenant agrees to fully cooperate with Landlord in order to enable Landlord’s Work to be performed in a timely and efficient manner.

3. **Rent.** Tenant shall pay as rent for the Premises during the Term the following amounts in the following manner:

3.1 **Fixed Rent.** Commencing as of the Commencement Date, Tenant shall pay Landlord the Fixed Rent (as hereinafter defined) in equal monthly installments on the first of day of each and every calendar month during the Term. All accrued Fixed Rent payable under this Lease (and any tax thereon) from the Commencement Date shall be paid by Tenant within ten (10) business days after the date the last of Landlord and Tenant receive a fully executed copy of this Lease. Rent shall be made payable directly to Landlord at its address set forth in Section 24.8 below, or to such other party or at such other payee and or address as Landlord may designate from time to time by written notice to Tenant. In addition, at the election of Landlord from time to time, Tenant shall pay Rent (as defined below) by federal wire transfer or ACH to such account(s) as Landlord may designate. In the event Tenant’s check is returned for insufficient funds or otherwise dishonored for any reason, Tenant shall pay to Landlord, an administrative fee of \$100.00, which shall be deemed Additional Rent (as defined below), and, at Landlord’s written request, shall, following such occurrence, be required to make all further payments of Rent by certified or bank check or federal wire. If the Commencement Date and/or Expiration Date is a date other than the first or last day of the month, respectively, the installment of Fixed Rent and Additional Rent for such partial month shall be adjusted proportionately.

“**Fixed Rent**” for the Term (including the Renewal Terms, if applicable) shall mean the following annual amounts for the following periods:

Lease Year	Fixed Rent (Annual)	Fixed Rent (Monthly)	Annual Increase
1	\$242,172.00	\$20,181.00	n/a
2	\$249,437.16	\$20,786.43	3%

3	\$256,920.27	\$21,410.02	3%
4*	\$267,197.09	\$22,266.42	4%
5**	\$277,884.97	\$23,157.08	4%

* First Renewal Term

** Second Renewal Term

3.2 **Operating Expenses.**

(a) **Definitions.**

(i) **“Taxes”** means all real estate taxes, assessments (including, without limitation, general and special governmental assessments for public improvements or benefits whether or not commenced or completed during the Term), sanitary and trash removal assessments, municipal water charges, sewer rents and any and all other taxes and assessments levied or imposed against the Building and/or the Land and/or the Property and/or the tax lot(s) on which the Premises and/or Building and/or Property is situated by any governmental or quasi-governmental authority (and shall include, without limitation, voluntary payments in lieu of taxes), whether general or special, ordinary or extraordinary, unforeseen or foreseen, whether in lieu of or in addition to so called “real estate taxes”, together with interest paid on any installment payments. Taxes shall not include taxes measured in whole or in part by, rents or gross receipts or in the nature of an excise, franchise, gift, estate, succession, inheritance or capital levy tax or tax on Landlord’s income or profits (unless any of the foregoing taxes shall be in lieu of so called “real estate taxes” in which case such taxes shall be included in the definition of Taxes). Landlord may elect to contest any and all Taxes, or negotiate with respect to the assessed valuation of the applicable tax parcel. Landlord’s reasonable and actual costs, expenses and fees incurred in connection therewith, including attorneys’ fees, shall constitute part of Taxes.

(ii) **“Operating Expenses”** means collectively, Taxes, and the total of the other costs and expenses incurred in operating, maintaining, insuring, repairing and/or replacing all or any part of the Building and/or Property, including, without limitation, the costs and expenses of: painting; decorating; repairing, maintaining, resurfacing, paving and re-striping of the parking lots; lighting; electrical power; sanitary control; removal and other treatment of trash, garbage and other refuse; cleaning; janitorial services, gardening and landscaping; snow removal; heating, ventilating and air conditioning, if any; fire protection; water and sewage charges; other utility costs; management fees; insurance carried by Landlord covering any portion of the Property, including, without limitation, commercial general liability and automobile coverage, fire and extended coverage, terrorism coverage, vandalism and malicious mischief and all other broad form coverage, rent and any other insurance, including umbrella coverage, carried by Landlord, all in limits selected by Landlord, and including the costs of financing any premium or the cost of paying any premium in installments; restoring, replacing and repairing all walls, facades, roofs and ceilings, and plate glass doors and windows, if any; installation and operation of public toilets, if any; installation, repair, replacement and renting of signs; maintenance, repair and replacement of utility systems, including water, sanitary sewer and storm water lines, electric and other utility lines and pipes; security costs; the cost of purchasing, operating, repairing, replacing and insuring machinery and equipment used in the operation, policing, maintenance and repair of the Property and/or the rental charges for such machinery and equipment; holiday promotions and decorations; the cost of personnel (including applicable payroll taxes, worker’s compensation and disability insurance, uniforms and other benefits); and depreciation of the capital cost of any machinery, equipment and vehicles used in connection with such operation, maintenance, repair and replacement of the Property; and a charge for administrative costs equal to fifteen percent (15%) of the cost of all of the foregoing. Nothing herein is intended to impose any obligation of Landlord to provide any service or perform anything or expend any monies; such obligations, if any and to the extent thereof, are set forth elsewhere in this Lease.

(iii) **“Tenant’s Proportionate Share”** means 1.23%.

(iv) **“Tenant’s Operating Expense Payment”** means Tenant’s Proportionate Share of Operating Expenses.

(b) **Tenant's Payment.** On the first day of each month during the Term, Tenant shall pay to Landlord as Additional Rent such amount as Landlord shall reasonably estimate to equal one-twelfth (1/12) of Tenant's Operating Expense Payment for the then current calendar and/or fiscal year.

(c) **Year End Adjustment.** After the end of the calendar or fiscal year in question, Landlord shall furnish Tenant a written statement of the actual amount of Tenant's Operating Expense Payment for such year (which may be separate statement given at separate times, for example the statement for Taxes may be given at different times and different interval than the other Operating Expenses). If the amount paid by Tenant under this Section on account of such year shall exceed Tenant's Operating Expense Payment, the excess shall be credited against the next payments due from Tenant under this Lease (except in the event of the last year of the Term in which event such amount will be immediately refunded to Tenant); if the amount paid by Tenant for such year shall be less than the actual amount Tenant's Operating Expense Payment, Tenant shall pay the deficiency to Landlord within thirty (30) days after demand therefor. Tenant's Operating Expense Payment for the final year of the Term shall be prorated if the Term ends on a day other than the last day of the applicable fiscal or calendar year, as applicable. Landlord's failure to render or delay in rendering any statements with respect to Operating Expenses shall not prejudice Landlord's right to thereafter render such statement(s) nor shall the rendering of such statement(s) prejudice Landlord's right to thereafter render a corrected statement.

(d) **Gross Up.** If the Building is not at least 95% occupied during all or a portion of any Year, then Landlord, using reasonable projections, may make a determination of the amount of Operating Expenses which would have been incurred for such Year had the Building been 95% occupied throughout such Year, and the amount so determined shall be deemed to be the amount of Operating Expenses for such Year for purposes of calculating Tenant's Operating Expense Payment under this Lease.

(e) **Exclusions from Operating Expenses.** Notwithstanding anything contained in this Lease to the contrary, Operating Expenses shall not include the following: (i) any "double dip" or double charge for the same item, or charge for any item that is paid for directly by Tenant or by any other tenant pursuant to other provisions of this Lease (other than pursuant to provisions such as this Section 3.2), (ii) charges for the depreciation of any building, or improvement, in the Property, (iii) the amortization of Property mortgage financing, Property mortgage loan payments, including interest thereon, Property mortgage refinancing expenses, title insurance premiums, and recording costs related to the foregoing (if any), (iv) any ground lease rent paid to a ground lessor of the Property (if any), (v) expenses relating to the leasing of specific space in the Property (including, without limitation, legal fees, real estate brokerage leasing commissions, tenant improvement allowances, rent abatements, and advertising and promotional expenses incurred in connection with the listing of space) other than the lease (including imputed rent of) any space in the Property used for on-site Property management, services or employees, (vi) costs incurred in connection with the enforcement (other than ordinary administration/enforcement) of leases, or in connection with disputes with actual tenants, or any mortgagee, or ground lessees, and any other legal expenses or fees not related to the repair, replacement, remodeling, maintenance, management, and operation of the Property, (vii) the cost of any service or benefit provided to an individual tenant of the Property solely for the benefit of such tenant, and which service or benefit is not a part of Landlord's commercially reasonable Operating Expenses (e.g. improving, renovating, altering, painting or decorating any tenant spaces), except where such service is the direct result of a repair, replacement, remodeling, maintenance, management, or operation at the Property required to be performed by Landlord in accordance herewith, (viii) actual costs or expenses for the original construction of the Property, (ix) [intentionally omitted]; (x) charges for depreciation of the Property and improvements thereto; (xi) salaries and other compensation of executives and officers of the Landlord, and administrative employees above the grade of property manager or building supervisor (provided that, notwithstanding the foregoing, salaries and compensation for personnel above such grade shall be included in Operating Expenses if it is reasonable and customary for employees performing comparable services or functions to include such wages and expenses in reimbursable operating expenses with respect to office buildings located in Miami-Dade County, Florida of a type similar to the Building), and if a property manager or building supervisor or any personnel below such grades are shared with other buildings or has other duties not related to the Property, only the portion of such person or persons salary allocable to the Building shall be included in Operating Expenses; (xii) any expenditures for which Landlord has been actually reimbursed (other than pursuant to rent adjustment and escalation provisions provided in leases, including without limitation those such as this Section 3.2) including but not necessarily limited to, (1) work or service performed for any tenant (including Tenant) at such tenant's direct cost, (2) the cost of any

item for which Landlord is actually paid or reimbursed by insurance, warranties, service contracts, condemnation proceeds, insurance reimbursements or otherwise, (3) increased insurance or taxes assessed specifically to any tenant of the Property, (4) charges (including applicable taxes) for electricity, water and other utilities for which Landlord is reimbursed from any tenant, and (5) the cost of any HVAC, janitorial or other services provided to tenants on an extra-cost basis after regular business hours and paid for directly by such tenant; (xiii) capital improvements to the Property (except as otherwise permitted above in Section 3.2(a), and provided further that in all events the following shall be included in the Operating Expenses: cost of capital expenditures made by Landlord, relating to the Building, amortized on a straight line basis over the useful life thereof as determined in accordance with GAAP, together with reasonable interest on the unamortized cost of such expenditure, provided such expenditures are either: (a) required as a result of any change in governmental laws, ordinances or regulations, (b) for labor or energy saving devices or materials where such capital expenditure is made with the intent of reducing other Operating Expenses, (c) for the replacement of any systems and/or equipment required for the operation of the Building (including, but not limited to, elevators, plumbing, HVAC, lighting, electrical, security and fire alarms and all other mechanical systems), or (d) to maintain the structural integrity of the Building); (xiv) the cost of installing, operating and maintaining any special service, such as an observatory, broadcasting facilities, luncheon club, athletic or recreation club, in each case which is not available to use by Tenant; (xv) [intentionally omitted]; (xvi) the cost of any work or services performed for any facility other than the Property; (xvii) any fees, costs, and commissions incurred in procuring or attempting to procure other tenants including, but not necessarily limited to brokerage commissions, finders' fees, attorneys' fees and expenses, entertainment costs and travel expenses; (xviii) any cost included in Operating Expenses representing an amount paid to a person, firm, corporation or other entity related to Landlord which is in excess of the amount which would have been paid on an arm's length basis in the absence of such relationship; (xix) [intentionally omitted]; (xx) lease payments for rental equipment which would constitute a major capital expenditure if the equipment were purchased except as otherwise permitted above; (xxi) the cost of acquiring sculptures, paintings and other objects of art; (xxii) the cost of advertising or promotion for the Property; (xxiii) [intentionally omitted], (xxiv) replacement or contingency reserves; (xxv) [intentionally omitted]; (xxvi) [intentionally omitted]; (xxvii) [intentionally omitted]; (xxviii) any compensation paid to personnel in retail concessions operated by Landlord; (xxix) any charge for Landlord's income taxes or a corporate excise tax, excess profit taxes or franchise taxes (except to the extent included in the definition of "Taxes" above).

(f) **Audit of Operating Expenses.** Landlord shall maintain books and records showing Taxes and Operating Expenses in accordance with sound accounting and management practices. Provided that all Rent has been paid in full, Tenant, or an accountant designated by Tenant and reasonably approved by Landlord, may, at Tenant's sole expense, examine such books and records for any calendar year at any time within sixty (60) days after the date upon which Tenant receives Landlord's statement of the actual amounts of Operating Expenses and Taxes for such calendar year. Such examination shall be conducted during normal business hours at a time and date mutually acceptable to Landlord and Tenant and shall take place, at Landlord's election, either at the office of the Building or the executive offices of Landlord, or Landlord's managing agent (provided that such office is in Miami-Dade County, Florida). Prior to reviewing such books and records, Landlord may require Tenant (and such other parties) to sign a commercially reasonable confidentiality agreement. Unless Tenant delivers to Landlord within such sixty (60) day period a written notice of Tenant's objection to such Landlord's notice of the actual amounts of such Operating Expenses and Taxes (and which notice shall contain the specific details of Tenant's objection), such Landlord's statement of Operating Expenses and Taxes shall be considered as final and binding upon Tenant. Tenant agrees to pay the cost of such examination unless it is subsequently determined that Landlord's original notice which was the subject of such examination overstated Operating Expenses and/or Taxes by ten percent (10%) or more of the originally reported Operating Expenses and/or Taxes which were the subject of such examination, in which case all reasonable and documented costs incurred by Tenant in connection with said examination shall be borne by Landlord. In no event may Tenant conduct or cause there to be conducted any audit or examination on a contingency-fee basis.

3.3 **Additional Rent; Tax.** "Additional Rent" shall consist of all sums not included in Fixed Rent which Tenant is obligated to pay to Landlord from time to time pursuant to the terms of this Lease. Fixed Rent and Additional Rent are referred to collectively as "Rent". In addition to the Fixed Rent and other Additional Rent payable hereunder, Tenant shall also pay Landlord, together with the applicable installment of Rent, any use or sales or surtax or any other tax or assessment on any portion of such rental or other payment under this Lease, and/or the use, privilege and/or occupancy

of the Premises imposed by the State of Florida and/or any federal and/or local government, including but not limited to Florida Statutes Section 212.031 and any amendments or replacements thereof. If Landlord has paid any of the foregoing (without any obligation of Landlord to do so), Tenant shall reimburse Landlord therefor within fifteen (15) business days after being invoiced therefor.

3.4 **Demand, Time; Late Charge and Interest.** All Rent shall be paid to Landlord in United States dollars, in immediately available funds, without prior notice or demand and without deduction, set-off or counterclaim, in advance on the first day of every month during the Term (or at such times as are otherwise set forth in this Lease). If Landlord shall at any time or times accept Rent after it shall become due and payable, such acceptance shall not excuse a delay upon subsequent occasion, or constitute, or be construed as or deemed to be, a waiver of any or all of Landlord's rights hereunder. In order to partially compensate Landlord for the extra expense in the handling of delinquent payments, Tenant agrees that if Tenant fails to pay any installment of Fixed Rent and/or Additional Rent and/or any other charge due and owing Landlord under this Lease in the manner prescribed by this Lease for a period in excess of ten (10) business days from the date such installment first becomes due and payable, then, in addition to and without waiving or releasing any other rights and remedies of Landlord, Tenant shall pay to Landlord a late charge equal to ten percent (10%) of the amount of such overdue payment. In addition, if Tenant fails to pay any installment of Fixed Rent and/or Additional Rent and/or any other charge due and owing Landlord under this Lease in the manner prescribed by this Lease for a period in excess of ten (10) business days from the date such installment first becomes due and payable, then Tenant shall pay Landlord interest on such installment, which shall accrue at the rate (the "**Interest Rate**") equal to the lesser of (i) eighteen percent (18%) per annum, and (ii) the maximum rate permitted by applicable law. Such late charge and interest shall constitute Additional Rent and shall be due upon demand.

4. **Use of Premises.**

4.1 **Use of Premises.** Tenant shall use and occupy the Premises solely for the Permitted Use and for no other purpose whatsoever. Without limiting the foregoing, and as a material covenant of Tenant under this Lease, Tenant shall not use or occupy or permit the use or occupancy of the Premises or any part thereof for any unlawful purpose, and will comply with all applicable present and future laws, ordinances, regulations and orders of the federal, state and local governments and/or any other public or quasi-public authority having jurisdiction over the Premises (collectively, "laws"). Without limiting the foregoing, as a material covenant of Tenant under this Lease, Tenant shall not use or occupy or permit the use or occupancy of the Premises or any part thereof, and shall cause its employees, invitees, licensees, guests, patrons and occupants to not use the Premises or any portion thereof: (i) in violation of any laws, insurance requirements (including without limitation those described in Section 4.3 below) or the certificate of occupancy or other licenses or certificates now or hereafter covering the Premises; (ii) in a manner which creates or permits a nuisance or trespass; (iii) in a manner which produces, reproduces, or transmits sounds audible outside the Premises; (iv) in a manner which obstructs or encumbers the sidewalks or other common areas; (v) in a hazardous or wasteful manner; (vi) in a manner which exceeds the floor load which such floor was designed, or is permitted by laws, to carry; (vii) to display or operate vending machines or coin or token operated amusement devices except for employees' use only; (viii) to conduct any auction, fire, bankruptcy, going out of business or similar sale (whether real or fictitious); (ix) in any manner which causes or permits any unreasonable noise, odors, fumes, dust or vapors to emanate or to be dispelled from the Premises; (x) for any type of business commonly called a "cut price" or "cut rate" store, "discount house or store," shooting gallery, flea circus or temporary toy or gift outlet; (xi) for the sale of lottery, raffle or other "chance" ticket; (xii) for any form of assignation or lewdness, or any form of establishment employing partially or totally nude entertainers, employees, waiters or waitresses, or any usage as an adult entertainment facility, massage parlor, bathhouse, or facility which caters to the prurient sale of books, magazines, other periodicals, or sex-centered objects; (i) movie theater, meeting hall or banquet hall; (ii) church, bingo hall or a place of public assembly; (iii) library; (iv) sale or service of automobiles or other vehicles or auto parts or supplies; (v) auto body shop; (vi) night club or bar; (vii) restaurant; (viii) liquor store or beverage store; (ix) funeral parlor; (x) massage parlor; (xi) animal clinic or animal boarding (kennel); (xii) discotheque, dance hall or otherwise for musical/dance reviews or topless/nude shows; (xiii) karate studio, bowling alley or skating rink; (xiv) car wash; (xv) off-track betting establishment, gambling, video gaming, etc.; (xvi) pool room, game room or amusement arcade (defined as any establishment containing more than a combination of three electronic, pinball or other games); (xvii) so-called "flea market" or second hand, used goods or consignment store; (xviii) store selling primarily distressed or damaged merchandise; (xix) health club or spa; (xx)

so-called “head shop” or night club; (xxi) gun range; (xxii) warehousing; (xxiii) any business or use that emits offensive odors, fumes, dust or vapors or is a public or private nuisance or emits loud noise or objectionable sounds or creates fire, explosive or other hazard; (xxiv) omitted; (xxv) abortion clinic, AIDS clinic, drug treatment facility or bodily fluid collection facility; homeless shelter or halfway house; distribution of needles or needle kits; (xxvi) animal kennel; (xxvii) marijuana dispensary; (xxviii) tattoo parlor. or (xiii) in any other manner which, in the reasonable judgment of Landlord, adversely affects the character, operation, reputation or appearance of the Building or otherwise disturbs the other tenants of the Building. Tenant shall not use the Building address or other identifying feature of the Buildings in any advertising or publications without Landlord’s prior written approval as to the content thereof.

4.2 **Reserved.**

4.3 **Sprinklers.** If any law, regulation or order, or if the National or state or local Board of Fire Underwriters or any local Board of Fire Underwriters or insurance exchange (or other bodies hereafter exercising similar functions), or if any bureau, department, or official of the federal, state, and/or municipal governments, or if any fire insurance company shall require (i) the installation of fire extinguishers, a “sprinkler system”, fire detection and/or prevention equipment (including, but not limited to, smoke detectors and heat sensors) in the Premises, (ii) any installation, changes, modifications, alterations (including installation of additional sprinkler heads or other equipment) for any sprinkler system, fire extinguishing system, and/or fire detection system now or hereafter installed in the Premises, or if any such installations, changes, modifications, alterations, sprinkler heads, or other equipment become necessary to prevent the imposition of a penalty, an additional charge or an increase in the fire insurance rate as fixed by said Board or Exchange, from time to time, then Tenant shall, at its sole cost and expense, promptly make such installations and/or changes, modifications and alterations so required. Notwithstanding the foregoing, Tenant shall not be required under this Section to install any sprinkler system or make any alterations of the sprinkler system unless same is required due to or in connection with (i) Tenant’s manner of use of the Premises and/or Tenant’s activities in the Premises, and/or (ii) any alterations performed by Tenant in or to the Premises, and/or (iii) any default by Tenant under this Lease.

4.4 **Violations.** Tenant shall be responsible to remove, discharge or satisfy, within thirty (30) days after Tenant’s receipt of notice of the placement or imposition thereof, by bond or otherwise, any and all violations, judgments or liens of any nature (collectively, “**Violations**”), which shall be placed by federal, state and/or local governments or governmental entity having jurisdiction over the Building, or any of their respective agencies or judicial bodies, or any other person or entity, against the Premises and/or the Building or the Land, if such violations are caused by Tenant’s use of the Premises, or if same were placed or imposed by reason of the acts or omissions of Tenant, its principals, agents, contractors, suppliers, employees, licensees, tenants, subtenants and/or invitees or were otherwise imposed during or with respect to the period constituting the Term. Failure by the Tenant to timely remove, discharge or satisfy such Violations shall be considered a material breach of this Lease and, in addition to Landlord’s other remedies hereunder, Landlord shall have the right, at Tenant’s cost and expense, to remove, discharge or satisfy same and bill Tenant for all costs incurred in connection therewith, which bills shall be due and payable upon demand, as Additional Rent hereunder. The terms of this Section 4.4 shall survive the expiration or earlier termination of this Lease.

5. **Assignment and Subletting.** Tenant shall not assign, sell, pledge, encumber, or otherwise transfer this Lease or its interests under this Lease or sublet or license or otherwise permit the use by others of all or any part of the Premises, without Landlord’s prior written consent, which shall not be unreasonably withheld conditioned or delayed as to an assignment or subletting, as set forth below. Any transfer in control or ownership of Tenant, and/or transfer of all or substantially all of Tenant’s assets, shall be deemed to be an assignment under this Lease and shall not be permitted except as expressly set forth herein. Any assignment or sublease or other transaction by Tenant in violation of this Lease shall be voidable by Landlord in its sole and absolute discretion.

A. If Tenant shall desire to assign this Lease or sublet all or any part of the Premises, Tenant shall, at least thirty (30) days prior to the effective date of any proposed assignment or the commencement of the term of any proposed sublease, by notice given in accordance with the notice provisions of this Lease (“**Tenant’s Notice**”), furnish Landlord with (i) the name and address of the proposed subtenant or assignee; (ii) a description identifying the space to be sublet; (iii) the terms, conditions and consideration of the proposed subletting or assignment; (iv) the nature and character of the business of the

proposed subtenant or assignee and its proposed use of the Premises; (v) current financial information with respect to the proposed subtenant or assignee, including, without limitation, a current financial report; and (vi) any other information as Landlord may reasonably request with respect to the proposed subtenant or assignee.

B. Except in the case of a Permitted Transaction (as hereinafter defined), Tenant's Notice shall be deemed an offer from Tenant to Landlord whereby Landlord may, at its option, terminate this Lease (in whole in the case of assignment, or in whole or in part, at Landlord's discretion, in the case of subletting), if the proposed transaction is an assignment, or a sublease of more than twenty-five (25%) percent of the rentable area of the Premises (or would result in the subletting of twenty-five (25%) of the rentable area of the Premises in the aggregate with all then-sublet space in the Premises, if any) for all or substantially all of the remaining Term of this Lease. Such option may be exercised by Landlord by giving written notice thereof to Tenant at any time within thirty (30) days after the date of the giving of Tenant's Notice. If Landlord exercises its option to terminate this Lease, then this Lease (in whole or in part, as the case may be) shall end and expire on the date that such assignment or subletting was to be effective or commence, as the case may be, and the Fixed Rent and additional rent shall be paid and apportioned to such date (and adjusted to reflect reduction in rentable area of the Premises in the case of a termination in part).

C. Upon Tenant's compliance with the provisions of Subsection A above, if Landlord shall not have exercised its termination option as set forth in Subsection B above, Landlord's consent shall not be unreasonably withheld, conditioned, or delayed to the proposed assignment or subletting, provided and upon condition that:

(i) the assignee or sublessee shall have a financial condition and experience sufficient to operate the Permitted Use, and which is otherwise reasonably acceptable to Landlord;

(ii) the assignee or sublessee shall have a good business reputation;

(iii) the assignee or sublessee proposes to and shall use the Premises only for the Permitted Use and which (a) would not violate or conflict with any restrictions or "exclusives" then affecting the Building, and (b) in Landlord's reasonable opinion would be appropriate for a building such as the Building;

(iv) the proposed assignee or sublessee is not (a) an entity who is then a tenant in the Building or another building within a one (1) mile radius of the Building owned by Landlord or an affiliate of Landlord ("**Competing Building**"), or an entity with which Landlord or an affiliate of Landlord is then negotiating or within the six (6) months prior has negotiated for space in the Building or in any **Competing Building**;

(v) Tenant shall not publicly list the Premises to be sublet or assigned with a broker, agent or other entity, or otherwise offer the Premises for subletting, at a rental rate less than the base annual rent which Landlord is then advertising space available for direct lease in the Building;

(vi) Tenant shall not be in default under this Lease beyond applicable notice and cure periods, either at the time Landlord's consent to such assignment or subletting is requested or on the date of commencement of the term of such proposed sublease or on the effective date of the proposed assignment; and

(vii) if a subletting, the subletting is made subject to all of the obligations of Tenant under this Lease and, without limiting the generality of the foregoing, the sublease specifically provides that there shall be no further subletting of the sublet premises or an assignment thereof other than in strict accordance with the terms of this Section 5.

D. Tenant shall furnish Landlord with a copy of an executed counterpart of each sublease within ten (10) days after the date of its execution. No sublease shall be valid and no subtenant shall take possession of the Premises or any part thereof until such executed counterpart has been delivered to Landlord. The form of sublease shall be reasonably acceptable to Landlord and shall provide for a sublease term ending not later than one (1) day prior to the expiration date of the current lease term. Such sublease shall further provide that it is subject and subordinate to this Lease and to the matters to which this Lease is or shall be subordinate, and that in the event of a termination, re-entry or dispossession by Landlord under this

Lease, Landlord may, at its option, succeed to all of the right, title and interest of Tenant, as sublessor under such sublease, and such subtenant shall, at Landlord's option, attorn to Landlord pursuant to the then executory provisions of such sublease, provided, however, that Landlord shall not (i) be liable for any previous act or omission of Tenant under such sublease, (ii) be subject to any offset not expressly set forth in such sublease which theretofore accrued to such subtenant against Tenant, (iii) be liable for any work, alterations, allowances or other concessions required to be performed or provided by Tenant as sublessor under such sublease, or (iv) be bound by any previous prepayment of more than one month's fixed rent under such sublease.

E. Tenant shall furnish Landlord with a counterpart of each assignment within ten (10) days of the date of its execution. No assignment shall be binding upon Landlord and no assignee shall take possession of the Premises or any part thereof unless Tenant shall, concurrent with the delivery of an executed counterpart of such assignment, deliver to Landlord an agreement executed by the assignee, in appropriate form for recording, whereby such assignee agrees unconditionally to be bound by and to perform all of the obligations of Tenant under this Lease arising after the date of the assignment and further agrees that notwithstanding such assignment, the provisions of this Section 5 shall continue to be binding upon such assignee with respect to all future assignments and transfers.

F. Tenant shall pay, as Additional Rent, Landlord's reasonable out-of-pocket costs incurred in connection with any subletting or assignment proposed by Tenant, whether or not consented to by Landlord, including, without limitation, reasonable attorneys' fees and the costs of credit checks and reports. Such Additional Rent shall be payable by Tenant within ten (10) business days after Landlord's demand therefor and as a condition of Landlord's written consent to subletting or assignment.

G. In the event of any assignment or subletting under this Lease, Tenant shall pay to Landlord, as Additional Rent:

(a) in the case of an assignment, an amount equal to all sums paid to Tenant by the assignee for or by reason of such assignment, including, without limitation, sums paid for the sale of Tenant's alterations or other Tenant's property, less the then net unamortized or un-depreciated cost thereof determined on the basis of Tenant's federal income tax returns and less Tenant's other reasonable costs actually incurred in connection with the assignment, including reasonable brokerage and attorneys' fees; and

(b) in the case of a sublease, any rents, additional charges or other sums payable under the sublease(s) to Tenant by the subtenant(s) which exceed the Fixed Rent and Additional Rent (at the rate per square foot payable by Tenant under this Lease) accruing under this Lease during the term of the sublease(s) in respect of the entire subleased space including, without limitation, sums paid for the sale or rental of Tenant's alterations or other Tenant's property (including Tenant's trade fixtures), less, in the case of the sale thereof, the then net unamortized or un-depreciated cost thereof determined on the basis of Tenant's federal income tax returns) and less Tenant's other reasonable costs actually incurred in connection with the subletting, including reasonable brokerage and attorneys' fees and costs of outfitting the subleased premises for the subtenant.

The sums payable under this Subsection G shall be paid to Landlord as and when paid to Tenant by the assignee or subtenant, as the case may be.

H. Notwithstanding the foregoing provisions, provided Tenant is not then in default under this Lease beyond any applicable notice or cure period, Tenant may, without Landlord's consent, but upon ten (10) days' prior written notice to Landlord, and otherwise in compliance with the other applicable provisions and criteria of this Section 5, assign this Lease to (each a "**Permitted Transferee**"): (i) any entity resulting from a merger or consolidation of Tenant, (ii) any entity acquiring all of the stock or assets of Tenant, (iii) any entity which, immediately prior to such assignment controls, is controlled by, or under common control with Tenant; provided that in each such foregoing instances: (A) the assignee shall be of a character and reputation consistent with the quality of the Building; (B) the assignee is not entitled, directly or indirectly, to diplomatic or sovereign immunity, and is subject to the service of process in, and the jurisdiction of the governments and courts of the federal United States, and the state and city and municipality in which the Premises are located; and (C) the assignee shall have, as of the moment immediately following such transfer, assignment or subletting,

as the case may be, a tangible net worth computed in accordance with generally accepted accounting principles, and general creditworthiness (collectively, “**Financial Condition**”) at least equal to the greater of (x) the Financial Condition of Tenant on the date of this Lease, and (y) the Financial Condition of the Tenant as of the moment immediately preceding such assignment or other transfer, as the case may be. Any assignment made to a Permitted Transferee in accordance with the provisions of this Section is referred to as a “**Permitted Transaction**”). “Control” (and words of similar import—capitalized or otherwise), as used in this Section, shall mean with respect to the subject person or entity, the ownership, directly or indirectly, of more than fifty-one percent (51%) of the stock or membership interests in, and voting rights with respect to all affairs of, and the right to direct the daily affairs of, such person or entity. As used herein, the term “Tenant” means the only the original tenant named in this Lease (i.e., FLORIDA POWER & LIGHT COMPANY).

I. Notwithstanding any assignment of this Lease or subletting or licensing of all or any portion of the Premises, Tenant shall remain directly and primarily liable for the payment of the Fixed Rent and additional rent due and to become due under this Lease and the terms, provisions, and conditions contained in this Lease on the part of Tenant to be performed. The consent by Landlord to an assignment or subletting shall not in any way be construed to relieve Tenant from its obligation to obtain the consent in writing of Landlord to any further assignment or subletting. If Tenant assigns, transfers, mortgages or encumbers this Lease or any interest therein or sublets all or any portion of the Premises in violation of the provisions of this Section 5, or if the Premises are occupied by anyone other than Tenant, Landlord may collect rent from any such assignee, sublessee or anyone who claims a right to this Lease or who occupies the Premises, and Landlord may apply the net amount collected to the Fixed Rent and additional rent, and no such collection shall be deemed a waiver by Landlord of any of the terms, provisions, and conditions contained in this Section 5 nor an acceptance by Landlord of any such assignee, sublessee, claimant or occupant as Tenant, nor be deemed to release Tenant from the further performance of all of Tenant’s obligations under this Lease. If Landlord shall decline to give its consent to any proposed assignment or subletting, Tenant shall indemnify and hold harmless and defend Landlord from and against any claims, demands, liabilities, costs and expenses arising from or relating to any claims that may be made against Landlord by the proposed assignee or sublessee or by any brokers or other persons claiming a commission or similar compensation in connection with the proposed assignment or sublease. The listing of any name other than that of Tenant on the doors of the Premises, the Building directory or elsewhere shall not vest any right or interest in this Lease or in the Premises, nor be deemed to constitute Landlord’s consent to any assignment or transfer of this Lease or to any sublease of the Premises or to the use or occupancy thereof by others. Any such listing shall constitute a privilege revocable in Landlord’s discretion by notice to Tenant.

6. Maintenance of the Premises; Utilities.

6.1 Obligations of Tenant. Tenant shall keep and maintain the Premises and appliances, fixtures and equipment therein in a clean, safe and sanitary condition in good quality appearance and in good order, condition and repair, and shall take good care thereof; and shall suffer no waste or injury thereto. Without limiting the foregoing, and notwithstanding anything in this Lease to the contrary, Tenant, at Tenant’s sole cost and expense, shall perform all maintenance, repairs and replacements, ordinary and extraordinary, foreseen and unforeseen with respect to the Premises which are not the express obligation of Landlord under Section 6.2 below, which obligations of Tenant shall include, without limitation, the non-structural portions of the Premises, and any and all appurtenances thereto wherever located, including, without limitation, the interior walls, the interior surfaces of the exterior walls, all doors, door frames, door checks, other entrances, windows, window frames, plate glass, all wall coverings, floor coverings, ceilings, Tenant’s alterations, all electric, plumbing and sewage facilities located within and serving the Premises (or exclusively serving the Premises (regardless of location)), ventilation, heating and air conditioning and electrical systems located within and serving the Premises (or exclusively serving the Premises (regardless of location)), sprinkler and fire alarm systems located within and servicing the Premises (or exclusively serving the Premises (regardless of location)), and all appliances, furniture, equipment located in the Premises, and shall perform periodic maintenance of such systems as often as is commercially reasonable. A current copy of said service agreement, or a certificate evidencing same, shall be provided to Landlord during the Term upon request. In addition, Tenant shall make all repairs, replacements, renewals and restorations, interior and exterior, ordinary and extraordinary, foreseen and unforeseen, which are required (i) to be made in and to the Premises and/or the Building and/or the Property as a result of the negligent or otherwise tortious act or omission of Tenant, its principals, agents, employees, subtenants, licensees, invitees, residents or contractors, and/or as a result of Tenant’s failure to comply with its obligations under this Lease, including without limitation the service and maintenance required

hereunder, or (ii) to be made to anything which was installed or altered by Tenant. All repairs and replacements made by Tenant shall be of good quality. Landlord shall have the right (but not the obligation) to perform any of the repairs or replacements required to be performed by Tenant hereunder which are structural or affect the building systems, in which event, the expense thereof, plus an administrative charge equal to ten percent (10%) thereof, shall be payable to Landlord by Tenant as Additional Rent upon Tenant's receipt from Landlord of a bill therefor. Notwithstanding the foregoing, subject to the provisions of Section 11.3, Tenant shall not be responsible for any cost or repair with respect to damages or defects to the extent directly caused by (i) the gross negligence or willful misconduct of Landlord, its principals, agents, employees, or contractors, and/or (ii) Landlord's failure to materially comply with its obligations under this Lease following notice and reasonable opportunity to cure.

6.2 **Obligations of Landlord.** Landlord shall be obligated to repair only the structural elements of the Building, which shall mean the load-bearing walls, the foundation and the roof; provided, however, that Landlord shall not be required to make any such repairs occasioned by the negligent or otherwise tortious act or omission of Tenant, its principals, agents, employees, subtenants, licensees, invitees, residents or contractors or to any thing which was installed or altered by Tenant. Landlord shall not be required to render any services to Tenant or to make any repairs or replacement to the Premises, except as expressly provided in this Section 6.2. Tenant shall promptly report in writing to Landlord any defective condition which Landlord is required to repair, and Landlord's obligation to repair as set forth in this section is conditioned upon (i) receipt by Landlord of such written notice, and (ii) Tenant not then being in default under this Lease. Landlord shall promptly make any and all repairs that Landlord is obligated to make as set forth in this section.

6.3 **Notice of Defective Condition.** Tenant shall give Landlord prompt notice of any known defective condition in any plumbing or heating, ventilation or air conditioning system or any electrical lines located in, servicing or passing through the Premises or any other known material defective condition affecting the Premises, regardless of whether the obligation to make the repair thereof is Landlord's or Tenant's.

6.4 **Utilities and Services.**

6.4.1 **Utilities.**

(a) **Water and Electric.** The cost of (i) domestic water used in the Premises for ordinary drinking, pantry and lavatory purposes, and (ii) ordinary electric use for ordinary administrative and executive office use, in each case during Building Business Hours (as hereinafter defined) shall each be included in Operating Expenses and subject to Tenant's Operating Expense Payment. If Landlord reasonably believes or expects that Tenant is using or will be use water or electric in the Premises for any other purpose or for extraordinary amounts or at any other times beyond as aforesaid, then, Landlord may bill Tenant for any such additional usage based on Landlord's reasonable estimate thereof; and provided further, that, in such case, Landlord shall also have the right (but not the obligation) at any time during the Term, at Landlord's sole option, to install or have Tenant install, in either case at Tenant's cost, a sub-meter or direct meter to separately measure the consumption of such utility at the Premises, in which event Tenant shall promptly pay to the provider of such utility all costs of consumption measured by such meter or sub-meter (or to Landlord, at its election, in the case of a submeter). Without limitation of the provisions of Section 3.3 above, in addition to any utility charges payable by Tenant hereunder, Tenant shall also pay any sales or other taxes thereon.

(b) **HVAC.** The cost of HVAC used in the Premises during Building Business Hours shall each be included in Operating Expenses and subject to Tenant's Operating Expense Payment. At all other hours and times, Tenant may use overtime HVAC services subject to request by Tenant upon at least twenty-four (24) hours' advance notice (which may be made by email to the then appropriate Landlord contact provided to Tenant upon Tenant's request), at four (4) hour minimum increments and payment of Landlord's then-current rates therefor. "Building Business Hours" means (i) 8:00 AM to 6:00 PM on all days except Saturdays, Sundays and days observed as holidays by the state or federal government or by unions employed in the Building; and (ii) 8:00 AM to 1:00 PM on Saturdays which are not days observed as holidays by the state or federal government or by unions employed in the Building.

Tenant shall not install or utilize any equipment that may or will exceed or overload the capacity of any Utilities furnished or servicing the Premises or Building.

6.4.2 **Cleaning.** Landlord shall provide building-standard janitorial services for the Premises Monday through Friday (excluding days observed as holidays by the state or federal government or by unions employed in the Building) the cost of which shall be included in Operating Expenses and subject to Tenant’s Operating Expense Payment. However, Tenant shall pay to Landlord within ten (10) business days after rendition of a bill therefor, 100% of the costs incurred by Landlord for (x) extra cleaning work in the Premises required because of misuse on the part of Tenant or its subtenants or its or their employees or visitors, (y) removal from the Premises and the Building of any refuse and rubbish of Tenant in excess of that ordinarily accumulated in business office occupancy, including, without limitation, kitchen refuse, or at times other than Landlord’s standard cleaning times, and (z) the use of the Premises by Tenant other than during Building Business Hours. Notwithstanding the foregoing, Landlord shall not be required to clean any portions of the Premises used for (i) preparation, serving or consumption of food or beverages, or (ii) training rooms, data processing or reproducing operations or other special purpose areas to the extent same requires greater or more difficult cleaning work than office areas, or (iii) private lavatories or toilets, and Tenant agrees, at Tenant’s expense, to retain Landlord’s cleaning contractor to perform such cleaning; further, Landlord shall not be required to provide disposal of any medical waste, nor any specialized medical-use cleaning, and Tenant agrees, at Tenant’s expense, to separately perform such disposal and cleaning at Tenant’s expense.

6.4.3 Intentionally Deleted.

6.4.4 If Tenant fails to perform any of its obligations under this Section 6 or elsewhere in this Lease in the manner required under this Lease beyond any applicable notice and cure period (provided that no notice or cured period shall be required in the case of an emergency), then without waiving such default or limiting Landlord’s remedies with respect thereto, such obligation same may be performed by Landlord (but Landlord shall have no obligation to perform same) and the expense thereof, plus an administrative charge equal to ten percent (10%) thereof, shall be payable to Landlord by Tenant as Additional Rent upon Tenant’s receipt from Landlord of a bill therefor.

6.5 **Windows; Scaffolding.** If at any time any windows in the Premises are closed, darkened or bricked-up for any reason whatsoever, Landlord shall not be liable to Tenant for any damages that Tenant may sustain thereby, and Tenant shall not be entitled to any compensation therefor nor abatement or rent, additional rent or other charges, nor shall the same release Tenant from its obligations hereunder or constitute an actual or constructive eviction of the Tenant. Similarly, scaffolding may be erected and remain in front of the Premises for so long as any work to the Building is being performed or may in the future be performed by or on behalf of Landlord, and Tenant shall not have any claim against Landlord or be entitled to any offset, abatement or deduction whatsoever by reason of same. Tenant shall not clean nor require, permit, suffer or allow any window in or of the Premises or Building to be cleaned from the outside in violation of any applicable laws.

6.6 **Obstruction, No Light, Air or View Easement.** Tenant recognizes and agrees that no easement for light, air or view is included in this demise, and any diminution or shutting of light, air or view by any structure presently or hereafter erected on lands adjacent to the Premises (whether or not owned by the Landlord) shall in no way affect this Lease or Tenant’s obligations hereunder or impose any liability of any kind upon the Landlord.

All Tenant's installations shall be in accordance with applicable laws and code, and shall not conflict with or be in violation of, or cause any violation of Landlord's basic building plans and/or the construction of the Building, and all Tenant's installations shall be completed free of all liens and encumbrances. All permits which may be required by Tenant for Tenant's installations shall be procured and paid for by Tenant only after having obtained Landlord's written approval of such work, or, if Landlord shall deem the same advisable, Landlord may procure such permit and Tenant shall pay for the same. No plans and/or specifications required to be filed by Tenant pursuant to any work contemplated to be performed by it within the Premises shall be filed or submitted to any

governmental authority having jurisdiction thereover without first having obtained Landlord's approval to the same not to be unreasonably withheld, conditioned or delayed.

If Tenant shall fail to discharge any such mechanics' or material suppliers' lien or other lien, Landlord may, at its option, discharge the same and Tenant hereby appoints Landlord as its attorney-in-fact, coupled with an interest, for such purpose and, in such event, Landlord may treat the cost thereof as Additional Rent payable with the monthly installment of Rent next becoming due; it being hereby expressly covenanted and agreed that such discharge by Landlord shall not be deemed to waive or release the default of Tenant in not discharging the same. Nothing contained in this Lease shall be construed as consent on the part of Landlord to subject the estate of Landlord in the Land, Building or the Premises to liability under the Construction Lien Law of the State of Florida as a result of work done by or on behalf of Tenant or services provided to Tenant, it being expressly understood that Landlord's estate shall not be subject to such liability.

7.2 **Indemnification.** Without limiting the other obligations of Tenant under this Lease, Tenant shall indemnify, defend, and hold Landlord and its principals, officers, agents, lenders, mortgagees and employees harmless from and against any and all liabilities, losses, damages, costs and expenses, liens, claims or damages to person or property which arise directly or indirectly by reason of making any such Tenant alterations, decorations, additions or improvements. If any such Tenant alteration, decoration, addition or improvement is made without the prior written consent of Landlord as required in Section 7.1, Landlord may correct or remove the same, and Tenant shall be liable for any and all expenses incurred by Landlord in the performance of such work. The provisions of this Section shall survive the expiration of earlier termination of this Lease.

If any sign, advertisement or notice which does not conform to the foregoing is nevertheless exhibited by Tenant, Landlord shall have the right to remove the same and Tenant shall be liable for any and all actual and reasonable expenses incurred by Landlord in such removal. Tenant covenants and agrees that no sign shall be erected, maintained or displayed in violation of any law, regulation, agreement, condition, restriction, covenant or encumbrance of record. The installation of Tenant's signage shall be performed in a good and workmanlike manner (including without limitation, the proper sealing of the anchors) and otherwise in accordance with and subject to the provisions of Article 7 of this Lease. Without limiting the

other provisions of this Lease, Tenant shall indemnify, defend, and hold Landlord and its principals, officers, agents, lenders, mortgagees and employees harmless from any losses, damages, costs and expenses, liens, claims or damages to person or property which may or might arise directly or indirectly by reason of the installation, maintenance and/or existence of Tenant's signage, except to the extent caused by the negligence or willful misconduct of Landlord, its principals, agents, employees, or contractors, and/or Landlord's failure to materially comply with its obligations under this Lease following notice and reasonable opportunity to cure (provided, however, that in all of such cases, the provisions of Section 11.3 shall still apply thereto).

8.2 **Furnishings.** Landlord shall have the right to prescribe the weight and position of safes and other heavy equipment, furniture or fixtures, which shall, if considered necessary by the Landlord, stand on plank strips to distribute the weight. All moving of the furniture, equipment and other materials shall be done at such times and on such days as Landlord may prescribe in order to minimize inconvenience to Landlord and the other tenants in the Building or, otherwise, upon prior written consent of Landlord, and at Landlord's discretion, shall be performed under the direct control and supervision of Landlord who shall, however, not be responsible for any damage to or charges for moving the same. Tenant agrees promptly to remove from the sidewalks and driveways adjacent to the Building any of the Tenant's furniture, equipment or other material there delivered or deposited.

9. **Tenant's Equipment.** Tenant covenants and agrees that at all times its use of electric current shall not exceed the capacity of existing feeders to the Building or the risers or wiring installation and Tenant may not use any electrical equipment which will overload such installations. Tenant shall not install any equipment of any kind or nature whatsoever which will necessitate any changes, replacements or additions to, or in the use of the water system, heating system, plumbing system, ventilation system, sewer system, air conditioning or cooling system, security system (if any) or electrical system of the Premises or the Building without first obtaining the prior written consent of Landlord. Business machines and mechanical equipment belonging to Tenant which cause noise or vibration that may be transmitted to the structure of the Building or to any space therein to such a degree as to be objectionable to Landlord or to any tenant in the Building shall be installed and maintained by Tenant, at Tenant's expense, on vibration eliminators or other devices sufficient to eliminate such noise and vibration, and if such noise and/or vibration is not so eliminated Landlord shall have the right to require Tenant to remove such machines and/or equipment from the Premises, or the Building caused by such installation.

10. **Access; Inspection.** Landlord shall have the right and Tenant shall permit Landlord, and its leasing and managing agents and other representatives, to enter the Premises during business hours upon reasonable advance notice (and at all times and without notice, in the case of an emergency), without charge therefor to Landlord and without diminution of the Rent payable by Tenant, to examine, inspect and protect the Premises and the Building and to make such alterations and/or repairs as in the reasonable judgment of Landlord may be deemed necessary, or to exhibit the same to prospective tenants during the last year of the Term (and at any time after an Event of Default), and to exhibit the Premises, from time to time, to potential purchasers or lenders of the Property and other interested parties. Landlord shall use commercially reasonable efforts to minimize any interference with Tenant's use of the Premises during any such entry.

11. **Insurance.**

11.1 **Insurance Rating.** Tenant will not conduct or permit to be conducted any activity, or place any equipment in or about the Premises, or the Building which will, in any way, invalidate the insurance coverage in effect or increase the rate of fire insurance or other insurance on the Building; and if any invalidation of coverage or increase in the rate of fire insurance or other insurance is stated by any insurance company or the applicable Insurance Rating Bureau to be due to any activity or by equipment of Tenant in or about the Premises, the Building, such statement shall be conclusive evidence that the increase in such rate is due to such activity or equipment and, as a result thereof, Tenant shall be liable for such increase

and shall reimburse Landlord therefore upon demand and any such sum shall be considered Additional Rent. Tenant shall not introduce or permit to be kept on the Premises or in the Building any dangerous, obnoxious, radioactive or explosive substance.

11.2 **Required Insurance.**

(a) Tenant, at Tenant's expense, shall carry commercial general liability insurance against claims for bodily injury or death or property damage occurring in or about the Premises (including, without limitation, bodily injury, death or property damage resulting directly or indirectly from any change, alteration, improvement or repair thereof), with primary coverage limits of not less than \$1,000,000.00 per occurrence and \$3,000,000.00 in the aggregate and with umbrella coverage limits of \$5,000,000.00 for bodily injury or death to any number of persons in respect of any one accident or occurrence and property damage in respect of such accident or occurrence. Such insurance shall conform to Tenant's actual use of the Premises. Tenant shall carry an "Special Form-Causes of Loss" property damage insurance policy for full replacement value for all of its equipment and other personalty and for all leasehold improvements which are made by or for Tenant in or to the Premises (i.e., improvements and betterments coverage) and such other insurance as may be reasonably required by the holder, now or hereafter, of a mortgage on the Building. In addition, Tenant shall maintain the following insurance:

(1) Business interruption insurance (including rent coverage) with respect to any fire or other casualty or other interruption that may occur at the Premises, in an amount at least equal to the annual rent and other sums payable pursuant to the terms of this Lease for a period of twelve (12) months, commencing with the date of loss;

(2) Workers compensation insurance, Florida State disability benefits insurance, and any and all other statutory forms of insurance now or hereafter required by law, covering all persons employed in, on or about the Premises by Tenant; and

(3) Such other and further insurance and amounts as may reasonably be required or requested from time to time by Landlord and/or Landlord's lender.

Each insurance policy required to be maintained by Tenant under this Lease shall be written by an insurance company with a Best's Rating of A, VIII or better, or an equivalent rating by a similar or successor authority, and legally licensed and admitted to do business in the State of Florida and reasonably approved by Landlord and, except with respect to Workers Compensation, shall name Landlord and Landlord's agent and lenders and other designees as named insureds, additional insureds and loss payees, as applicable.

11.3 **Waiver of Subrogation.** Without limiting Landlord's rights and remedies under the other provisions of the Lease or the provisions of Section 13.1, Tenant hereby waives any and all claims and right of recovery and other rights it may have against or with respect to Landlord or its lender or their respective members, officers, principals, employees and/or agents with respect to any damage, loss and/or liability incurred by Tenant or otherwise occurring with respect to the Premises and/or the contents thereof (including without limitation as a result damage caused by fire or other casualty) to the extent that such damage, loss or liability is covered by the insurance policies maintained by Tenant (including without limitation if through self-insurance) or required to be maintained by Tenant pursuant to the terms of this Lease (including without limitation through self-insurance), and that all Tenant's (and all of its subtenants' and licensees') policies of fire and/or extended coverage or other insurance covering the Premises or the contents thereof shall contain a clause or endorsement providing in substance that such insurance shall not be prejudiced if the insureds thereunder have waived the right of recovery from any person or persons prior to the date and time of loss or damage, if any, and otherwise waiving such insurers rights of subrogation.

11.4 **Insurance Certificate.** Certificates of insurance and receipts evidencing the coverage provided by, and payment for, such insurance (and including copies of such policies and/or the declaration pages of such policies, if requested by Landlord) shall be delivered to Landlord prior to the earlier of (i) the Commencement Date and (ii) the date takes

possession of or otherwise enters the Premises for the purposes of performing work therein or otherwise; and thereafter at least annually by Tenant. Each policy and certificate thereof shall contain an endorsement that will prohibit its cancellation prior to the giving of thirty (30) days written notice of such proposed cancellation, reduction in coverage or expiration, as the case may be, to Landlord in accordance with policy requirements.

11.5 **Self-Insurance.** So long as the Tenant under this Lease (i) is Florida Power & Light Company, (ii) has a tangible net worth computed in accordance with generally accepted accounting principles of at least \$100,000,000.00, liquid assets of at least \$25,000,000.00, and (iii) is not in default under this Lease beyond applicable notice and grace periods, then, to the extent permitted by applicable law, Tenant shall have the right to meet the insurance requirements designated in this Lease through any combination of self-insurance, primary or excess coverage; provided, however, that all releases and waivers under this Lease in favor of Landlord shall be inure to Landlord with respect to self-insurance, including without limitation the release of claims and waivers of subrogation set forth in this Lease, as if such insurance was maintained through a third-party insurance company.

12. **Access Control.** Landlord may, at its option, provide an access control system or guard service for the Building during the Term; provided, however, that no representation or warranty or covenant with respect to the existence, adequacy, completeness or integrity of the access control system or guard services is made by Landlord, and any failure of the access control system or guard service in any way shall not modify or affect any of the terms of this Lease with respect to Landlord's liability to Tenant. The Landlord reserves the right to discontinue, modify, supplement or revise the access control system at any time its sole judgment.

13. **Liability.**

13.1 **No Liability.** To the fullest extent permitted by law, the following shall apply: Notwithstanding anything in this Lease to the contrary and without limiting the other provisions of this Lease, except as may be expressly stated otherwise herein, Landlord shall not be liable to Tenant, its employees, agents, contractors, business invitees, licensees, subtenants, customers, clients, family members or guests for any damage, compensation or claim based on loss, inconvenience or annoyance arising from the necessity of repairing any portion of the Premises, or the Building, the interruption in the use of the Premises, accident or damage resulting from the use or operation (by Landlord, Tenant or any other person or persons whatsoever) or for failure to furnish, or for delay, suspension or deduction in furnishing any of the utilities or services to be furnished by Landlord hereunder, including, but not limited to, elevators or heating, cooling, electrical or plumbing equipment or apparatus, or the termination of this Lease by reason of the destruction of the Premises, or from any fire, robbery, theft, mysterious disappearance and/or any other casualty, or from any leakage in any part or portion of the Premises, or the Building, or from water, rain or snow that may leak into, or flow from any part of the Premises, or the Building or from drains, pipes or plumbing work in the Building, or from any other cause whatsoever, or for any personal injury arising from the use, occupancy and condition of the Premises. The foregoing shall not operate to release Landlord for liability for injury or damage to persons or property to the extent caused by the gross negligence or willful misconduct of Landlord, its principals, agents, employees, or contractors (provided, however, that even in such cases, the provisions of Section 11.3 shall still apply thereto). Any goods, property or personal effects of Tenant, its employees, agents, contractors, business invitees, licensees, customers, clients, family members or guests, stored or placed in or about the Premises or the Building shall be at their risk, and Landlord shall not in any manner be held responsible therefor. The employees of Landlord are prohibited from receiving any packages or other articles delivered to the Building by, to or on behalf of Tenant, and if any such employee receives any such package or articles, such employee shall be the agent of the Tenant for such purposes and not of Landlord. Tenant acknowledges that Landlord will not carry insurance on Tenant's furniture, furnishings, fixtures, equipment and/or improvements in or to the Premises. Tenant shall give written notice forthwith to Landlord of any accident, damage, casualty, injury or emergency on or affecting the Premises and of any claim, action, threat or other proceeding against, arising from, or affecting Tenant, the Premises and/or the use or occupancy of the Premises by Tenant (or, to the extent an emergency occurs, by telephone or other means of immediate communication, to be followed promptly thereafter by a confirmatory writing). It is expressly understood and agreed that Tenant shall look solely to its business interruption, liability and property damage insurance policies, and not to Landlord, or its agents or employees, for reimbursement of any damages or losses incurred as a result of any of the foregoing occurrences (except to the extent caused by the gross negligence or willful misconduct of Landlord, its principals, agents, employees, or

contractors; provided, however, that even in such cases, the provisions of Section 11.3 shall still apply thereto), and that said policies must contain waiver of subrogation clauses as per Section 11.3 and that Tenant shall at least annually deliver to Landlord evidence of the foregoing.

13.2 **Indemnity.** To the fullest extent permitted by law, Tenant shall indemnify, defend and hold Landlord and its principals, officers, agents, lenders, mortgagees and employees harmless from any losses, damages, liabilities, costs and expenses (including attorney's fees) incurred by or claimed against Landlord and/or such other indemnified party, directly or indirectly, which is in any way occasioned by or results from or in connection with (i) any default hereunder or any negligent or otherwise tortious acts, commissive or omissive on the part of Tenant, its principals, officers, agents, employees, contractors, invitees, subtenants, licensees, customers, clients, family members and/or guests, and/or (ii) Tenant's or its subtenants' operation, use and/or occupancy of the Premises and/or the Building and/or the Land or in any other manner which relates to the business of Tenant, and/or (iii) any occurrence, incident or matter occurring on or about the Premises, except to the extent caused by the negligence or willful misconduct of Landlord, its principals, agents, employees, or contractors, and/or Landlord's failure to materially comply with its obligations under this Lease following notice and reasonable opportunity to cure (provided, however, that even in such cases, the provisions of Section 11.3 shall still apply thereto). Any such cost, damage, claim, liability or expense incurred by Landlord for which the Tenant is obligated to reimburse Landlord shall be deemed Additional Rent due and payable upon demand. Without limiting the foregoing, Tenant shall reimburse Landlord for any and all actual and reasonable costs and expenses (including attorneys' fees) incurred in enforcing this Lease. It is expressly understood and agreed that Tenant's liability under this Lease extends to the negligent or otherwise tortious acts, commissive or omissive, of any subtenant and any principal, officer, agent, employee, contractor, invitee, licensee, customer, client, family member and guest of any subtenant. Notwithstanding the foregoing, in no event shall Tenant be responsible for any special, punitive, or consequential damages (except under Section 18 below). The provisions of this Section shall survive the expiration or earlier termination of this Lease.

14. **Rules and Regulations.** Tenant, its principals, officers, agents, employees, contractors, invitees, licensees, customers, subtenants, clients, family members and guests shall at all times abide by and observe the rules and regulations, as Landlord may promulgate from time to time, with a copy sent to Tenant, for the operation and maintenance of, or otherwise relating to, the Building and/or Property, provided same are not arbitrary or capricious and are not enforced in a discriminatory manner against Tenant. If there is any conflict between the provisions of this Lease and any current or future rules and regulations, this Lease shall govern.

15. **Damage; Condemnation.**

15.1 **Damage to the Premises**

A. Tenant shall give prompt notice to Landlord in case of fire or other casualty in the Premises. If (a) so much of the Building is damaged or rendered untenable (whether or not the Premises or any portion thereof shall be damaged) by fire or other cause that Landlord shall determine not to restore the same or to demolish the remainder thereof, (b) all or a portion of the Premises shall suffer substantial damage or be rendered untenable by fire or other casualty and Landlord shall determine (i) that such portion of the Premises cannot reasonably be expected to be restored or rendered tenable under a normal working schedule within a period (the "**Restoration Period**") equal to the lesser of (A) six (6) months after the occurrence of such damage or destruction and (B) by such time such that after the completion thereof there will remain at least five (5) years in the Term, or (ii) that a ground lessor or mortgagee will not permit Landlord to apply the net proceeds of Landlord's insurance to the restoration of the Premises; or (c) so much of the Building shall be damaged, such that Tenant's access to and use and enjoyment of the Premises shall be rendered substantially impossible, whether or not the Premises shall be damaged, and Landlord shall determine that the same cannot reasonably be expected to be restored or rendered tenable under a normal working schedule within the Restoration Period, then, in any such event, Landlord shall have the right to terminate this Lease by notice to Tenant, in which event the Term shall expire by lapse of time upon the date which is thirty (30) days after such notice is given and Tenant shall vacate the Premises and surrender the same to Landlord in the manner required under this Lease upon the expiration or termination of this Lease (except that the damaged portion of the Premises need not be broom clean and except that those portions of the building systems damaged by such fire or casualty need not be in working order). Upon the termination of this Lease under the conditions provided for in this

Section, Tenant's liability under this Lease, including without limitation the payment Rent, shall cease as of the effective date of such termination (but, for the avoidance of doubt, Tenant shall remain liable for all obligations and liabilities which accrued prior to such termination or which otherwise survive the expiration or termination of this Lease). Tenant hereby expressly waives any now or hereinafter existing statutory provisions to the contrary and agrees that the foregoing provisions of this Section shall govern and control in lieu thereof, this Section being an express agreement governing any case of damage or destruction of the Premises by fire or other casualty.

B. If the Building or the Premises, or any portion thereof, is damaged by fire or other casualty and this Lease is not terminated pursuant to Section 15.1.A above, Landlord, promptly after the occurrence of such damage and the determination of the net amount of insurance proceeds available, shall use due diligence to restore the Building as nearly as possible to its condition prior to such fire or other casualty (but in no event shall Landlord be obligated to restore the Building to a condition better than it was in on the Commencement Date). In no event shall Landlord be obligated to repair or restore Tenant's alterations, or Tenant's personal property, furniture, furnishings and/or equipment (provided, however, that for the avoidance of doubt, the foregoing shall not operate to release Landlord for liability for injury or damage to persons or property to the extent caused by the gross negligence or willful misconduct of Landlord, its principals, agents, employees, or contractors (provided, however, that even in such cases, the provisions of Section 11.3 shall still apply thereto)). Tenant shall cooperate with Landlord's restoration by removing from the damaged portion of the Premises as promptly as reasonably possible, all of Tenant's salvageable inventory and movable equipment, furniture, and other property.

C. If as a result of a fire or other casualty the Premises or a material portion thereof are physically damaged and rendered untenantable as a result (and therefore not occupied by Tenant), but this Lease is not terminated as aforesaid and Landlord has a restoration obligation under this Section 15.1, then Fixed Rent and other regularly-scheduled Rent shall abate from the date of the fire or other casualty until the Premises are restored to the extent required by Landlord under this Section (or such earlier date that Tenant resumes occupancy of the Premises or such material portion of the Premises, as the case may be); such abatement shall be proportionate based on the portion of the Premises that is so untenantable and unoccupied by Tenant..

D. Tenant acknowledges that Landlord will not be obligated to carry insurance of any kind on Tenant's alterations or furniture, furnishings, finishes or wall coverings and/or fixtures, equipment, and improvements, and agrees that Landlord shall not be obligated to repair any damage thereto or to replace the same (provided, however, that for the avoidance of doubt, the foregoing shall not operate to release Landlord for liability for injury or damage to persons or property to the extent caused by the gross negligence or willful misconduct of Landlord, its principals, agents, employees, or contractors (provided, however, that even in such cases, the provisions of Section 11.3 shall still apply thereto)).

15.2 **Condemnation.** If the whole of the Premises (or use of occupancy of the Premises) shall be taken or condemned by any governmental or quasi-governmental authority for any public or quasi-public use or purpose (including sale under threat of such a taking), or if Landlord elects to convey title to the condemnor by a deed in lieu of condemnation, then the term of this Lease shall cease and terminate as of the date when title vests in such governmental or quasi-governmental authority and the Rent shall be abated on the date when such title vests in such governmental or quasi-governmental authority. If (i) only a part of the Premises is taken or condemned by any governmental or quasi-governmental authority for any public or quasi-public use or purpose (including sale under threat of such a taking), and the condemnation award is insufficient to restore the remaining portion of the Premises or if such award must be applied to repay any mortgages, now or hereafter, encumbering the Building or the Land, or (ii) whether or not a portion of the Premises is taken, a portion of the Building or the Property is taken and Landlord deems it commercially unreasonable to continue leasing all or a portion of the remaining space in the Building, then Landlord shall have the right to terminate this Lease as of the date when title vests in such governmental or quasi-governmental authority.

15.2.1 If this Lease is not so terminated after a partial condemnation, then after the date when the condemned portion of the Premises is delivered to the condemnor, the Fixed Rent and Additional Rent accruing after the date of such taking shall be reduced in the proportion which the condemned area bears to the entire area of the Premises and Landlord shall restore the structural elements of remaining portion of the Premises.

15.2.2 Tenant shall have the right to claim against the condemnor only for removal and moving expenses and business dislocation damages which may be separately payable to tenants in general under applicable law, provided such payment does not reduce the award otherwise payable to Landlord. Subject to the foregoing, Tenant hereby waives all claims against Landlord with respect to a condemnation, and hereby assigns to Landlord all claims against the condemnor, including, without limitation, all claims for diminution in the value of Tenant's leasehold estate.

16. Insolvency and/or Bankruptcy of Tenant.

16.1 Events of Insolvency and/or Bankruptcy. Each one or more of the following shall be an "Event of Default" under this Lease:

A. Tenant's becoming insolvent, as the term is defined in Title 11 of the United States Code, entitled Bankruptcy, 11 U.S.C. Paragraph 101 *et seq.* (the "**Bankruptcy Code**"), or under the insolvency laws of any State, District, Commonwealth or Territory of the United States (the "**Insolvency Laws**") or otherwise;

B. The appointment of a receiver, trustee or custodian for all or a substantial portion of Tenant's property or assets, or the institution of a foreclosure action upon all or a substantial portion of Tenant's real or personal property;

C. The filing of a voluntary petition under the provisions of the Bankruptcy code or Insolvency Laws or the filing of a petition for reorganization governed by Insolvency Laws, the filing of an application for voluntary liquidation or dissolution applicable to banking institutions or such other institutions;

D. The filing of an involuntary petition against Tenant as the subject debtor under the Bankruptcy Code or Insolvency Laws, which is either not dismissed within thirty (30) days of filing, or results in the issuance of an order for relief against the debtor, whichever, is earlier;

E. Tenant's making or consenting to an assignment for the benefit of creditors or a common law composition of creditors.

16.2 Landlord's Remedies. Landlord, in the event of such an Event of Default under Section 16.1 above, shall have, without need of the notice otherwise set forth therein, the rights enumerated in Section 17 and all other rights at law or in equity.

17. Default of Tenant.

17.1 Events of Default. In addition to the Events of Default set forth in Section 16.1 hereof, each one or more of the following shall be an "Event of Default" under this Lease:

A. If Tenant shall fail to pay when due any Rent (including Fixed Rent and Additional Rent) or any other payment required under this Lease, whether or not demand has been made therefor, and such failure continues for ten (10) or more business days;

B. If Tenant shall violate or fail to perform any of the other terms, conditions, covenants or agreements herein made by Tenant, and such failure continues for ten (10) or more business days after Landlord's written notice thereof to Tenant;

C. If Tenant abandons the Premises at any time during the Term or fails to open for business in the Premises within sixty (60) days after the Commencement Date (provided, however, that if Tenant is diligently pursuing and taking all such actions as are reasonably necessary to open its business in the Premises, then such sixty

(60) day period shall be extended for such amount of time as is reasonably necessary to accomplish same, but in no event beyond an additional sixty (60) days);

D. If Tenant assigns or hypothecates this Lease or any interest herein, or sublets the Premises, or any part thereof, or if Tenant attempts to do any of the foregoing, in contravention of the terms, covenants, provisions and conditions of this Lease.

E. There occurs any other default beyond applicable notice and grace periods under any other lease or other agreement between Landlord and Tenant and/or their respective affiliates at the Property.

17.2 **Landlord's Remedies.** Should an Event of Default occur under this Lease, Landlord (notwithstanding any former breach of covenant or waiver thereof in a former instance), in addition to all other rights and remedies available to it by law or equity or by any other provisions hereof, may at any time thereafter pursue and shall be entitled to, once or more often, any one or more of the following remedies:

17.2.1 **Termination of Lease.** Landlord may terminate this Lease upon notice to Tenant and on the date specified in such notice, this Lease and the Term hereby demised and all rights of Tenant hereunder shall expire and terminate without any right of Tenant to save the forfeiture, and Tenant shall thereupon quit and surrender possession of the Premises to Landlord in the condition elsewhere herein required and Tenant shall remain liable to Landlord as hereinafter provided.

17.2.2 **Repossession/Reletting of Premises.** Whether or not Landlord terminates this Lease, Landlord may, without further notice, enter upon and repossess the Premises, by summary proceedings or ejection or by self-help, and may dispossess Tenant and remove Tenant and all other persons and property from the Premises and may have, hold and enjoy the Premises and the rents and profits therefrom. Landlord may relet the Premises, or any part thereof, for such term or terms (which may be greater or less than the period which would otherwise have constituted the balance of the Term) and on such terms (which may include concessions or free Rent) as Landlord in its sole discretion and good faith may determine. Landlord may, in connection with any such reletting, cause the Premises to be decorated, altered, divided, and/or consolidated with other space or otherwise changed or prepared for reletting. No reletting shall be deemed a surrender and acceptance of the Premises.

17.2.3. **Payments.** Upon such termination of the Lease or reentry by Landlord, Landlord may declare to be immediately due and payable, a sum equal to the cost of Landlord's Work and the amount of brokerage commissions paid by Landlord with respect to this Lease, if any, plus, on account of the Rent and other charges herein reserved for the balance of the Term (taken without regard to any early termination of the Term on account of default), the Accelerated Rent Component (as hereinafter defined), and Tenant shall remain liable to Landlord as hereinafter provided. For purposes hereof, the Accelerated Rent Component shall mean the aggregate of the following items: (a) The Fixed Rent otherwise payable for the period which otherwise would have constituted the unexpired portion of the Term, plus all Additional Rent and other charges, payments, costs and expenses herein agreed to be paid by Tenant up to the end of the Term which shall be capable of precise determination at the time of Landlord's election to recover such amounts; and (b) all projected Additional Rent charges, payments, costs and expenses herein agreed to be paid by Tenant up to what otherwise would have been the expiration of the Term which shall not be capable of precise determination as aforesaid (and for such purposes no estimate of any component of Additional Rent to accrue pursuant to the provisions of Section 3 hereof shall be less than the amount which would be due if each such component continued at the highest monthly rate or amount in effect during the twelve (12) months immediately preceding the default).

17.3 **Measure of Damages.** In the event that Landlord has not elected to have Tenant pay the Accelerated Rent Component, Tenant shall, with respect to all periods of time up to and including what otherwise would have been the expiration of the Term, remain liable to Landlord as follows: Tenant shall remain liable to Landlord an amount equal to the Rent and other charges payable under this Lease by Tenant as if this Lease were still in effect, less the net proceeds of any reletting actually collected, after deducting all costs incident thereto (including, without limitation, all repossession costs, brokerage and management commissions, operating and legal expenses and fees, commercially reasonable alteration costs

and expenses of preparation for reletting), and to the extent such damages shall not have been recovered by Landlord by virtue of payment by Tenant of the Accelerated Rent Component (but without prejudice to the right of Landlord to demand and receive the Accelerated Rent Component), such damages shall be payable to Landlord monthly upon presentation to Tenant of a bill for the amount due.

17.4 **No Responsibility to Relet.** Landlord shall in no event be responsible or liable for any failure to relet the Premises, or any part thereof, or for any failure to collect any Rent due upon a reletting and nothing in this Lease shall be construed to the contrary. Notwithstanding anything in this Lease to the contrary, and without limiting the foregoing, except to the extent required by any non-waivable provision of applicable law, Landlord shall have no obligation to mitigate its damages under this Lease.

17.5 **Additional Damages.** Nothing contained in this Lease shall limit or prejudice the right of Landlord to prove and obtain as damages incident to a termination of this Lease, in any bankruptcy, reorganization or other court proceedings, the maximum amount allowed by any statute or rule of law in effect when such damages are to be proved.

17.6 **No Waiver.** No waiver by Landlord of any breach by Tenant of any of Tenant's obligations, agreements or covenants herein shall be a waiver of any subsequent breach or of any obligation, agreement or covenant, nor shall any forbearance, delay or failure by Landlord to seek a remedy for any breach by Tenant be a waiver by Landlord of any rights, powers or remedies with respect to any subsequent breach.

17.7 **Right of Landlord to Cure Tenant's Default.** If Tenant defaults in the making of any payment or in the doing of any act herein required to be made or done by Tenant beyond any applicable notice and cure period, then Landlord may, but shall not be required to, make such payment or do such act, and charge the amount of the expense thereof, plus interest at the Interest Rate, if made or done by Landlord. Such payment shall constitute Additional Rent hereunder due and payable with the next monthly installment of Rent; but the making of such payment or the making of such action by Landlord shall not operate to cure such default or to estop Landlord from the pursuit of any remedy to which Landlord would otherwise be entitled.

17.8 **Remedies Cumulative.** No right, power or remedy herein conferred upon or reserved to Landlord is intended to be exclusive of any other right, power or remedy herein or by law provided, but each shall be cumulative and in addition to every other right, power or remedy given herein or now or hereafter existing at law, in equity, or by statute. No single, partial or full exercise of any right hereunder by Landlord shall preclude other or further exercise thereof.

18. **Surrender; Holding Over.** Upon the expiration or earlier termination of this Lease, Tenant shall vacate the Premises and surrender the same broom clean, in the same or better order and condition in which it is on the Commencement Date (and if better, the condition on which it was as of the commencement of the Prior Lease, or, if better the condition in which it is after Tenant's completion of the Initial Alterations), reasonable wear and tear excepted, free of all tenancies, subtenancies, occupants, residents and personal property of any party other than Landlord. If Tenant retains possession of the Premises, or any part thereof, or otherwise does not surrender the Premises to Landlord in the condition and manner required under this Lease, upon termination of this Lease by expiration of the Term or otherwise, Tenant shall, by virtue of the provisions hereof, become a tenant at sufferance on all of the terms and conditions of this Lease, except that Tenant shall pay as Rent for any month or partial month of such holdover as payment towards damages (and not as a penalty) for such wrongful retention, an amount equal to 200% of the greater of (i) the monthly Fixed Rent and Additional Rent payable for the month immediately preceding the month of such holdover, and (ii) the fair market rental value of the Premises for such month(s) of holdover. The foregoing 200% multiple shall increase to 300% after the first 60 of such holdover. In addition, if Tenant remains in the Premises (or otherwise does not so surrender the Premises) for more than thirty (30) days after written demand from Landlord to vacate after termination of this Lease by expiration of the Term or otherwise, Tenant shall also pay Landlord (in addition to the amount of Fixed Rent and Additional Rent set forth in the immediately preceding sentence) all other damages, costs and expenses sustained by Landlord by reason of Tenant's wrongful retention, including without limitation, any direct, indirect and consequential damages, including, without limitation, any losses incurred due to Landlord's delay in preparing or delivering the Premises to a new tenant. No acceptance by Landlord of any such foregoing monies under this Section shall be deemed a consent to any holdover of Tenant beyond the expiration or initial termination

of this Lease, and, in addition to payment of such foregoing amounts, Landlord shall be entitled to all rights and remedies available under this Lease and/or at law and/or in equity with respect to such holdover by Tenant.

19. **Relocation.** Landlord, by at least ninety (90) days prior written notice, shall have the option, to require Tenant to move during Term from the Premises to another location of comparable size in the Building or other building owned by Landlord or its affiliate in the nearby vicinity; provided, however, that in connection with such relocation: (i) Landlord, at its sole cost and expense, shall arrange for such relocation to be conducted in a manner so as to, where commercially reasonably practicable, not unreasonably interfere with the operation of Tenant's business; (ii) Landlord, at its sole cost and expense, shall pay the reasonable out-of-pocket expense of moving Tenant's furniture and equipment to the substitute premises; (iii) Landlord, at its sole cost and expense, shall pay the reasonable out-of-pocket expense of fitting up the substitute premises to approximately the same type and quality of finish as the Premises, ordinary wear and tear excepted; and (iv) at the request of Landlord, Landlord and Tenant will execute a modification of or supplement to this Lease in respect of and identifying such substitute premises, such lease thereof to be otherwise on terms identical to the terms hereof.

20. **Consents.** Tenant's sole remedy for Landlord's failure to provide consent where required under this Lease shall be injunctive relief.

21. **Reservation.** Landlord hereby reserves to itself and its successors and assigns the following rights (each of which are hereby consented to by Tenant): (i) to change the street address and/or name of the Building and/or the arrangement and/or location of entrances, passageways, doors, doorways, corridors, elevators, stairs, toilets, or other public parts of the Building; (ii) to erect, use and maintain wires, pipes and other conduits in and through the Premises in such a manner so as not to materially reduce the usable area of the Premises or otherwise Tenant's use of the Premises, and Landlord shall restore the Premises to substantially its prior condition following the completion of such work (but subject to such installations). In addition to and without limiting the foregoing, Landlord hereby reserves the right to alter the layout of the Building and to erect additional stories on the Building and to erect and permit the erection of structures adjacent to the Building and to perform and construct all other improvements, renovations, constructions and improvements in, on, to or adjacent to the Building and the Property and adjacent properties as Landlord shall desire and the occurrence of the foregoing shall in no way affect this Lease or Tenant's obligations hereunder or impose any liability of any kind upon the Landlord or be deemed to be a constructive eviction or otherwise. In exercising its rights under this Section, (i) Landlord shall use commercially reasonable efforts to minimize interference with Tenant's operations of the Premises, and (ii) Landlord shall not materially diminish the square footage of the Premises, and (iii) Landlord, at Landlord's sole cost and expenses, shall perform all work reasonably necessary for Tenant to continue to operate for business in substantially the same manner as Tenant was operating immediately prior to such action taken by Landlord. Landlord may exercise any of all of the foregoing rights without being deemed to be having committed an eviction, actual or constructive, or a disturbance or interruption of the business of Tenant or Tenant's use or occupancy of the Premises.

22. **Independent Covenants.** The covenants and obligations of Landlord and Tenant hereunder are separate and independent from one another. Tenant's obligations to pay Rent and other amounts payable hereunder, and to perform its obligations hereunder, shall be fully enforceable and shall not be impaired or excused, notwithstanding any breach by Landlord hereunder. No Rent or other amounts payable hereunder shall be subject to reduction, delay, offset, withholding or other defense to Landlord.

23. **Environmental Matters.** Tenant shall not engage in operations at the Premises which involve the generation, manufacture, refining, transportation, treatment, storage, handling or disposal of any "hazardous substance" or "hazardous waste" as such terms are defined under the applicable State or Federal or local law, or of "hazardous substances" as defined in section 101 (14) of the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), 42 U.S.C. 9601 (14), as amended by the Superfund Amendments and Reauthorization Act of 1986 ("SARA") and/or any other applicable law governing the environmental or hazardous substances or similar matters. Without limiting the foregoing, Tenant shall, at its sole cost and expense, provide for the proper and lawful disposal and removal from the Premises of all hazardous substances (including without limitation, mold) existing at the Premises and caused or introduced by Tenant or any of its principals, employees, agents, or contractors or subcontractors or licensee or invitees. Tenant shall indemnify, defend and hold Landlord and its principals, officers, agents, lenders, mortgagees and employees harmless from any losses,

damages, costs and expenses resulting from a violation of this Section and/or the introduction or permitting or creating, causing or exacerbating by Tenant or any of its principals, employees, agents, or contractors or subcontractors or licensee or invitees on near or under the Land, Building, or Premises of such hazardous waste or substances or condition; which obligations of Tenant shall include, without limitation of the foregoing, that Tenant, at its sole cost and expense, shall be responsible to promptly remediate and cure any such foregoing condition in accordance with all applicable law. This Section 23 shall survive the expiration or termination of this Lease.

24. **Miscellaneous.**

24.1 **Intentionally Deleted.**

24.2 **No Representations by Landlord.** Tenant acknowledges that neither Landlord nor any broker, agent or employee of Landlord has made any representations or promises with respect to the Premises or the Building except as herein expressly set forth, and no rights, privileges, easements, or licenses are acquired by Tenant except as herein expressly set forth. Except as expressly set forth otherwise herein, Tenant, by taking possession of the Premises, shall accept the same "as is", "where is" and with all faults, and such taking of possession shall be conclusive evidence that the Premises and the Building are in good satisfactory condition at the time of such taking of possession.

24.3 **No Partnership.** Nothing contained in this Lease shall be deemed or construed to create a partnership or joint venture of or between Landlord and Tenant, or to create any other relationship between the parties hereto other than that of Landlord and Tenant.

24.4 **Brokers.** Each party hereby represents and warrants to the other that such representing party has not employed or dealt with any broker, agent or finder in locating the Building or the Premises, or in carrying on the negotiations relating to this Lease. Each party shall indemnify, defend and hold the other harmless, from and against any claim or claims for brokerage or other commission arising from or out of any breach of the foregoing representation and warranty by such indemnifying party, or from any conduct or alleged conduct by such indemnifying party by which a commission or other fee is claimed. This provision is not intended for, nor shall be construed as having been made for, the benefit of any broker or any other third party. The provisions of this Section shall survive expiration or earlier termination of this Lease.

24.5 **Intentionally Deleted.**

24.6 **Estoppel Certificate.** Tenant agrees, at any time, and from time to time, during the Term, within fifteen (15) business days after request from Landlord, to execute, acknowledge and deliver to Landlord a statement in writing which shall contain the following provisions: (i) a statement that this Lease is unmodified and in full force and effect (or if there have been modifications, that this Lease is in full force and effect as modified and stating the modifications), (ii) a statement of the dates to which the Rent and any other charges hereunder have been paid by Tenant, (iii) a statement of whether or not, to the knowledge of Tenant, Landlord is in default in the performance of any covenant, agreement or condition contained in this Lease, and if so, specifying each such default of which Tenant may have knowledge, (iv) a statement of the address to which notices to Tenant should be sent, (v) a statement that Tenant has accepted the Premises and improvements therein, (vi) a statement of the Commencement Date and Expiration Date of the Term and the amount of any renewal options remaining, if any, and (vii) such other statement or statements as Landlord, any prospective purchaser of the Building, any mortgagee or prospective mortgagee of the Building or of Landlord's interest therein and/or any prospective assignee of any such mortgagee, may reasonably request. Tenant's failure to deliver such statement within an additional five (5) business days written demand from Landlord given after the expiration of the foregoing fifteen (15) business day period shall be deemed to be an Event of Default of Tenant under this Lease. Any such statement delivered pursuant hereto, may be relied upon by any owner of the Building (including Landlord), prospective purchaser of the Building, any mortgagee or prospective mortgagee of the Building or of Landlord's interest therein and/or any prospective assignee of any such mortgagee and/or any other interested party. Tenant will agree to make such reasonable changes or modifications to this Lease as may be required by any mortgagee, now or hereafter, of the Building and/or the Land, provided that such changes or modifications shall not materially adversely affect Tenant's business operations or Tenant's

Permitted Use, or increase the amount of Rent required under Section 3 hereof, shorten the Term or change or materially decrease the square footage of the Premises or otherwise materially increase Tenant's obligations under this Lease.

24.7 **Intentionally Deleted.**

24.8 **Notices.** Any bills, statements, notices, demands, requests, consents, approvals, or other communications hereunder shall be effective only if rendered or given in writing and delivered by hand or sent by certified or registered mail, return receipt requested, first-class postage prepaid, or by national overnight courier, in each case addressed as follows:

A. If to Landlord:

Hoffman Flagler LLC
c/o Bushburg Properties, Inc.

B. If to Tenant:

Attn: Corporate Real Estate Department

With copy to:

Florida Power & Light Company
700 Universe Blvd.
Juno Beach, Florida 33408
Attn: General Counsel

or to such other address as Tenant may designate by written notice to Landlord.

Any such bill, statement, notice, demand, request, consent, approval or other communications shall be deemed to have been rendered or given (i) when delivered (or when delivery is first refused), when delivered by hand, (ii) three (3) business days after when deposited with USPS, when mailed as set forth above, and (iii) one (1) business day after when deposited with national overnight courier for next business day delivery. Notices given by a party's attorney shall be deemed given by such party.

24.9 **Force Majeure.** In the event that either party shall be delayed, hindered in or prevented from the performance of any act required to be performed hereunder by reason of Force Majeure (as hereinafter defined), then performance of such act shall be excused for the period of the delay and the period for the performance of any such act shall be extended for a period equivalent to the period of such delay. The term "Force Majeure" means any Act of God, strikes, lock-outs, labor troubles, inability to procure materials, failure of power, restrictive legal requirements, riots and insurrection, acts of the public enemy, wars, earthquakes, hurricanes and other natural disasters, fires, explosions, pandemics, or any other circumstance beyond the reasonable control of the affected party claiming Force Majeure. In the event of any delay or nonperformance caused by a Force Majeure circumstance, the party affected shall promptly notify the other in writing. Notwithstanding the foregoing or anything in this Lease to the contrary, in no event shall Tenant be excused under this Section from its obligation to make timely payments of Fixed Rent and Additional Rent under this Lease or to otherwise timely comply with its monetary obligations under this Lease, and, further, in no event shall inadequacy of funds

be deemed to be a Force Majeure event claimable by Tenant hereunder or otherwise be a reason for Tenant to be excused from its obligations under this Lease.

24.10 **Invalidity of Particular Provisions.** If any provisions of this Lease or the application thereof to any person or circumstances shall to any extent be invalid or unenforceable, the remainder of this Lease, or the application of such provisions to persons, or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each provision of this Lease shall be valid and be enforced to the fullest extent permitted by law.

24.11 **Gender and Number.** Feminine, neuter or masculine pronouns shall be substituted for one another and the plural and the singular shall be substituted for each other, in any place or places herein in which the context may require such substitution.

24.12 **Benefit and Burden.** The provisions of this Lease shall be binding upon, and shall inure to the benefit of (i) Landlord and Tenant, (ii) each of their successors and permitted assigns, and (iii) such other persons or entities as and to the extent expressly set forth in this Lease.

24.13 **Landlord Liability.**

(a) **Transfer of Landlord's Interest.** Landlord has the right to sell, assign, convey or otherwise transfer the Premises and/or the Building and/or Landlord's interest in either or both and/or this Lease, and in the event of such transfer, the transferor shall be automatically relieved of any and all obligations on the part of Landlord accruing from and after the date of such transfer.

(b) **Limitation of Landlord's Liability.** Notwithstanding anything to the contrary provided in this Lease, there shall be absolutely no personal liability on the part of Landlord or any officer, director, shareholder, partner, member, employee or agent of Landlord, whether disclosed or undisclosed (or of any successor corporate landlord or any partner of any limited or general partnership which may become Landlord or any individual or other entity), with respect to any of the terms, covenants and conditions of this Lease, and Tenant shall look solely to the interest, income or equity, if any, of Landlord in the Building for the satisfaction of each and every remedy of Tenant in the event of a breach or default by Landlord of any of the terms, covenants and conditions of this Lease, such exculpation of personal liability to be absolute and without any exception whatsoever. No other property or assets of Landlord, any successor to Landlord, or any officer, director, shareholder, partner, member, employee or agent of Landlord or any successor to Landlord, shall be subject to judgment, levy, execution or other enforcement procedure for the satisfaction of Tenant's remedies under or with respect to this Lease or the use or occupancy of the Premises.

24.14 **Intentionally Omitted.**

24.15 **Demolition.** In the event that at any time Landlord (or its successor or contract vendee) plans or intends or otherwise desires to demolish or otherwise redevelop and/or repurpose the Building, then Landlord shall have the right to terminate this Lease upon at least one hundred eighty (180) days prior written notice to Tenant, in which event this Lease and the Term hereunder shall come to end and expire as of the date set forth in such notice and on or prior to such date Tenant shall vacate and surrender the Premises to Landlord in the condition and manner required under, and otherwise in accordance with, the provisions of this Lease.

24.16 **Subordination.** This Lease is and shall be subject and subordinate at all times to the lien of all mortgages and other encumbrances which now or hereafter encumber or otherwise affect the Property and/or the Building, to the rights of the owners of the Building and/or Property if not Landlord, and to Landlord's leasehold interest therein (if Landlord is a ground lessee of the Property and/or Building), and to all and any renewals, extensions, modifications, recastings, or refinancing thereof (provided that such superior lessor and/or mortgagee shall have the right to elect to subordinate their estate and interests to this Lease). Tenant shall, within fifteen (15) business days after request by Landlord, promptly execute, acknowledge and deliver to Landlord any reasonable written statement or agreement confirming such subordination reasonably required by Landlord or any of its lenders or ground lessors. Tenant's failure to deliver such certificate or other

document within an additional five (5) business days written demand from Landlord given after the expiration of the foregoing fifteen (15) business day period shall be deemed to be an Event of Default of Tenant under this Lease. Tenant agrees that in the event that any proceedings are brought for the foreclosure of any such mortgage, Tenant shall attorn to the purchaser at such foreclosure sale, if requested to do so by such purchaser, and shall recognize such purchaser as the landlord under this Lease.

24.17 **Attornment.** If any successor in interest, including but not limited to, a lessor of a superior lease or the holder, now or hereafter, of a superior mortgage shall succeed to Landlord's estate in the Building and/or Property or the rights of Landlord under this Lease, whether through purchase, operation of law, possession or foreclosure action or delivery of a new lease or deed or otherwise, then at the election of such party so succeeding to Landlord's rights (herein sometimes called "successor landlord"), Tenant shall attorn to and recognize such successor landlord as Tenant's landlord under this Lease, and shall promptly execute, acknowledge and deliver any instrument that such successor landlord may reasonably request to evidence such attornment, provided only that such successor landlord agrees not to disturb Tenant's possession under this Lease so long as Tenant is not in default hereunder beyond the expiration of any notice and cure period.

24.18 **Entire Agreement.** This Lease, together with all exhibits and schedules attached hereto, contains and embodies the entire agreement between the parties hereto, and supersedes all prior agreements between the parties and no representation (prior or contemporaneous), inducements or agreements between the parties, oral or otherwise, not contained in this Lease or the exhibits or schedules attached hereto, shall be of any force or effect.

24.19 **Authority.** Tenant and the individual(s) signing this Lease on behalf of Tenant, hereby jointly and severally represent and warrant to Landlord that the Tenant has the full authority to enter into this Lease and to perform its obligations hereunder and that the individual(s) signing this Lease of behalf of Tenant has the authority to do so and to bind Tenant. Landlord represents and warrants to Tenant that the Landlord has the full authority to enter into this Lease and to perform its obligations hereunder and that the individual(s) signing this Lease of behalf of Landlord has the authority to do so and to bind Landlord.

24.20 **Intentionally Omitted.**

24.21 **Lease May Not Be Recorded.** Tenant may not record this Lease or any assignment or memorandum thereof. Any such recording by Tenant shall be deemed an incurable Event of Default hereunder and Tenant shall cause the removal of such recording, and, in addition to any other remedies which Landlord may have hereunder, all security monies deposited with the Landlord, if any, shall thereupon automatically be deemed forfeited to the Landlord.

24.22 **Patriot Act.** Tenant represents and warrants that (a) Tenant is not listed on the list maintained by the United States Department of the Treasury, Office of Foreign Assets Control (commonly known as the OFAC List) or otherwise qualifies as a person with whom business by a United States citizen or resident is prohibited and (b) Tenant is not in violation of any anti-money laundering or anti-terrorism statute, including, without limitation, the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, U.S. Public Law 107-56 (commonly known as the USA PATRIOT Act), and the related regulations issued thereunder, including temporary regulations, all as amended from time to time.

24.23 **Counterparts; Electronic Delivery.** This Lease may be executed in one or more counterparts, each of which when taken together shall constitute but one and the same instrument. This Lease may be executed and delivered by facsimile transmission or as a PDF attachment to an email or other electronic method, and such copies and all further copies thereof shall be deemed to be originals for all purposes.

24.24 **Condominium Conversion.** Landlord hereby reserves the right to convert the Building to a condominium form of ownership and that this Lease and all rights of Tenant thereunder shall be subject and subordinate in all respects to the provisions of the documents and instruments governing such condominium regime, including without limitation, the Declaration of Condominium and By-Laws (collectively, the "**Condominium Documents**") and Tenant shall enter into such reasonable modifications to this Lease or other documents or instruments necessary or appurtenant to such

condominium regime and shall otherwise cooperate in effecting such conversion; provided, however, that the Condominium Documents and such modifications, other instruments do not materially increase Tenant's obligations or materially decrease Tenant's rights pursuant to this Lease, nor interrupt Tenant's continued permitted use and occupancy of the Building pursuant to the terms of the Lease nor materially reduce any of the rights of Tenant as provided in the Lease, nor materially reduce any of the obligations of Landlord as provided in the Lease except to the extent that the board of managers of the condominium will undertake to perform the same.

24.25 **Disclosures.** Pursuant to Section 404.056 of the Florida Statutes or otherwise, Landlord does hereby notify Tenant of the following: Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county health department. Landlord does hereby notify Tenant that there may be lead-based paint in the Building which may pose a risk to health under certain circumstances. Further, given the climate and humid conditions in south Florida, molds and Fungus may exist and/or develop within the demised premises. Tenant is hereby advised that certain molds may be, or if allowed to remain for a sufficient period may become, toxic and potentially pose a health risk. Tenant is solely responsible for the removal of any mold and fungi growth in the Premises.

25. **WAIVER OF JURY TRIAL; VENUE.** LANDLORD AND TENANT HEREBY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY EITHER OF THE PARTIES HERETO AGAINST THE OTHER ON OR IN RESPECT OF ANY MATTER WHATSOEVER ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS LEASE, THE RELATIONSHIP OF LANDLORD AND TENANT HEREUNDER, TENANT'S USE OR OCCUPANCY OF THE PREMISES, AND/OR ANY CLAIM OF INJURY OR DAMAGE. TENANT HEREBY IRREVOCABLY SUBMITS TO THE JURISDICTION OF THE FEDERAL AND STATE AND COUNTY COURTS LOCATED IN THE COUNTY IN WHICH THE PREMISES ARE LOCATED, AND WAIVES ANY CLAIM TO IMPROPER VENUE IN ANY OF SUCH COURTS.

26. **Intentionally Omitted.**

LEASE

THIS LEASE (this "Lease") is made as of February ____, 2023 by and between **HOFFMAN FLAGLER LLC**, a Florida limited liability company ("Landlord"), and **FLORIDA POWER & LIGHT COMPANY**, a Florida corporation ("Tenant").

RECITALS

- A. Landlord is the owner of the land having an address at 9250 W Flagler Street, Miami, Florida (the "Land") and the building located thereon (the "Building"). The Land and the Building are referred to collectively as the "Property".
- B. Tenant desires to lease space within the Building, and Landlord is willing to lease such space to Tenant, upon and subject to the terms, conditions, covenants and agreements set forth herein.

TERMS OF AGREEMENT

NOW, THEREFORE, in consideration of the mutual promises herein contained and incorporating the foregoing Recitals in their entirety, the parties hereto, intending to be legally bound hereby, covenant and agree as set forth below:

1. **Premises; Permitted Use.**

(a) **Premises.** Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, the Premises (as hereinafter defined) for the Permitted Use (as hereinafter defined) for the Term (as hereinafter defined) and upon and subject to the terms and conditions, covenants and agreements hereinafter set forth in this Lease. The term "**Premises**" means a portion of the fourth (4th) floor of the Building, as approximately shown on Exhibit A and containing an approximate, but stipulated, 42,415 rentable square feet.

(b) **Permitted Use.** The term "**Permitted Use**" means the use of the Premises for administrative and executive offices for Tenant's business, subject to and in accordance with applicable law and the terms and conditions of this Lease, and for no other purpose whatsoever.

2. **Term.** The term of this Lease (as may be sooner terminated in accordance with the provisions of this Lease, the "**Term**") shall be for a period equal to six (6) months, commencing on May 1, 2023 (the "**Commencement Date**") and ending on October 31, 2023 (the "**Expiration Date**"), unless sooner terminated in accordance with this Lease.

2.1 **Condition of Premises.** The Premises are being leased to Tenant, and Tenant shall accept the Premises, in its "as-is" condition as of the date hereof, subject to any and all faults and without representation or warranty by Landlord whatsoever, express or implied, as to the condition, legality, or suitability thereof or otherwise, and Landlord shall have no obligation to perform any work whatsoever in or to the Premises or Building to ready the Premises for Tenant's occupancy thereof or otherwise. Tenant hereby represents and warrants that it is currently occupying the Premises and that Tenant has otherwise inspected the Premises and the Building on or prior to the date hereof and is fully satisfied with the condition thereof as of the date hereof and shall take possession of the Premises in "as is" condition as of the date hereof. Tenant shall be solely responsible, at its sole cost and expense, to perform any and all alterations and installations which may be necessary or desirable to ready the Premises for Tenant's occupancy thereof (collectively, the "**Initial Alterations**"). The Initial Alterations and the performance thereof shall be subject in all respects to the provisions of Article 7 of this Lease and all other provisions of this Lease.

3. **Rent.** Tenant shall pay as rent for the Premises during the Term the following amounts in the following manner:

3.1 **Fixed Rent.** Commencing as of the Commencement Date, Tenant shall pay Landlord fixed rent for the Term in equal monthly installments of \$85,607.61 per month ("**Fixed Rent**"), with the first payment due on or before May 1, 2023, and subsequent payments thereafter due on or before the first of day of each and every calendar month during the

Term. Rent shall be made payable directly to Landlord at its address set forth in Section 24.8 below, or to such other party or at such other payee and or address as Landlord may designate from time to time by written notice to Tenant. In addition, at the election of Landlord from time to time, Tenant shall pay Rent (as defined below) by federal wire transfer or ACH to such account(s) as Landlord may designate. In the event Tenant's check is returned for insufficient funds or otherwise dishonored for any reason, Tenant shall pay to Landlord, an administrative fee of \$100.00, which shall be deemed Additional Rent (as defined below), and, at Landlord's written request, shall, following such occurrence, be required to make all further payments of Rent by certified or bank check or federal wire. If the Commencement Date and/or Expiration Date is a date other than the first or last day of the month, respectively, the installment of Fixed Rent and Additional Rent for such partial month shall be adjusted proportionately.

3.2 **Operating Expense Payment.** On the first day of each month during the Term, in addition to the monthly Fixed Rent, Tenant shall pay to Landlord as Additional Rent the sum of \$30,680.19 per month ("Operating Expense Payment"), which payment is a stipulated amount for Tenant's share of operating expenses, and, accordingly, for the avoidance of doubt, no reconciliation shall be required with respect thereto.

3.3 **Additional Rent; Tax.** "Additional Rent" shall consist of all sums not included in Fixed Rent which Tenant is obligated to pay to Landlord from time to time pursuant to the terms of this Lease. Fixed Rent and Additional Rent are referred to collectively as "**Rent**". In addition to the Fixed Rent and other Additional Rent payable hereunder, Tenant shall also pay Landlord, together with the applicable installment of Rent, any use or sales or surtax or any other tax or assessment on any portion of such rental or other payment under this Lease, and/or the use, privilege and/or occupancy of the Premises imposed by the State of Florida and/or any federal and/or local government, including but not limited to Florida Statutes Section 212.031 and any amendments or replacements thereof. If Landlord has paid any of the foregoing (without any obligation of Landlord to do so), Tenant shall reimburse Landlord therefor within fifteen (15) business days after being invoiced therefor.

3.4 **Demand, Time; Late Charge and Interest.** All Rent shall be paid to Landlord in United States dollars, in immediately available funds, without prior notice or demand and without deduction, set-off or counterclaim, in advance on the first day of every month during the Term (or at such times as are otherwise set forth in this Lease). If Landlord shall at any time or times accept Rent after it shall become due and payable, such acceptance shall not excuse a delay upon subsequent occasion, or constitute, or be constructed as or deemed to be, a waiver of any or all of Landlord's rights hereunder. In order to partially compensate Landlord for the extra expense in the handling of delinquent payments, Tenant agrees that if Tenant fails to pay any installment of Fixed Rent and/or Additional Rent and/or any other charge due and owing Landlord under this Lease in the manner prescribed by this Lease for a period in excess of ten (10) business days from the date such installment first becomes due and payable, then, in addition to and without waiving or releasing any other rights and remedies of Landlord, Tenant shall pay to Landlord a late charge equal to ten percent (10%) of the amount of such overdue payment. In addition, if Tenant fails to pay any installment of Fixed Rent and/or Additional Rent and/or any other charge due and owing Landlord under this Lease in the manner prescribed by this Lease for a period in excess of ten (10) business days from the date such installment first becomes due and payable, then Tenant shall pay Landlord interest on such installment, which shall accrue at the rate (the "**Interest Rate**") equal to the lesser of (i) eighteen percent (18%) per annum, and (ii) the maximum rate permitted by applicable law. Such late charge and interest shall constitute Additional Rent and shall be due upon demand.

4. **Use of Premises.**

4.1 **Use of Premises.** Tenant shall use and occupy the Premises solely for the Permitted Use and for no other purpose whatsoever. Without limiting the foregoing, and as a material covenant of Tenant under this Lease, Tenant shall not use or occupy or permit the use or occupancy of the Premises or any part thereof for any unlawful purpose, and will comply with all applicable present and future laws, ordinances, regulations and orders of the federal, state and local governments and/or any other public or quasi-public authority having jurisdiction over the Premises (collectively, "laws"). Without limiting the foregoing, as a material covenant of Tenant under this Lease, Tenant shall not use or occupy or permit the use or occupancy of the Premises or any part thereof, and shall cause its employees, invitees, licensees, guests, patrons

and occupants to not use the Premises or any portion thereof: (i) in violation of any laws, insurance requirements (including without limitation those described in Section 4.3 below) or the certificate of occupancy or other licenses or certificates now or hereafter covering the Premises; (ii) in a manner which creates or permits a nuisance or trespass; (iii) in a manner which produces, reproduces, or transmits sounds audible outside the Premises; (iv) in a manner which obstructs or encumbers the sidewalks or other common areas; (v) in a hazardous or wasteful manner; (vi) in a manner which exceeds the floor load which such floor was designed, or is permitted by laws, to carry; (vii) to display or operate vending machines or coin or token operated amusement devices except for employees' use only; (viii) to conduct any auction, fire, bankruptcy, going out of business or similar sale (whether real or fictitious); (ix) in any manner which causes or permits any unreasonable noise, odors, fumes, dust or vapors to emanate or to be dispelled from the Premises; (x) for any type of business commonly called a "cut price" or "cut rate" store, "discount house or store," shooting gallery, flea circus or temporary toy or gift outlet; (xi) for the sale of lottery, raffle or other "chance" ticket; (xii) for any form of assignation or lewdness, or any form of establishment employing partially or totally nude entertainers, employees, waiters or waitresses, or any usage as an adult entertainment facility, massage parlor, bathhouse, or facility which caters to the prurient sale of books, magazines, other periodicals, or sex-centered objects; (i) movie theater, meeting hall or banquet hall; (ii) church, bingo hall or a place of public assembly; (iii) library; (iv) sale or service of automobiles or other vehicles or auto parts or supplies; (v) auto body shop; (vi) night club or bar; (vii) restaurant; (viii) liquor store or beverage store; (ix) funeral parlor; (x) massage parlor; (xi) animal clinic or animal boarding (kennel); (xii) discotheque, dance hall or otherwise for musical/dance reviews or topless/nude shows; (xiii) karate studio, bowling alley or skating rink; (xiv) car wash; (xv) off-track betting establishment, gambling, video gaming, etc.; (xvi) pool room, game room or amusement arcade (defined as any establishment containing more than a combination of three electronic, pinball or other games); (xvii) so-called "flea market" or second hand, used goods or consignment store; (xviii) store selling primarily distressed or damaged merchandise; (xix) health club or spa; (xx) so-called "head shop" or night club; (xxi) gun range; (xxii) warehousing; (xxiii) any business or use that emits offensive odors, fumes, dust or vapors or is a public or private nuisance or emits loud noise or objectionable sounds or creates fire, explosive or other hazard; (xxiv) omitted; (xxv) abortion clinic, AIDS clinic, drug treatment facility or bodily fluid collection facility; homeless shelter or halfway house; distribution of needles or needle kits; (xxvi) animal kennel; (xxvii) marijuana dispensary; (xxviii) tattoo parlor. or (xiii) in any other manner which, in the reasonable judgment of Landlord, adversely affects the character, operation, reputation or appearance of the Building or otherwise disturbs the other tenants of the Building. Tenant shall not use the Building address or other identifying feature of the Buildings in any advertising or publications without Landlord's prior written approval as to the content thereof.

4.2 Reserved.

4.3 Sprinklers. If any law, regulation or order, or if the National or state or local Board of Fire Underwriters or any local Board of Fire Underwriters or insurance exchange (or other bodies hereafter exercising similar functions), or if any bureau, department, or official of the federal, state, and/or municipal governments, or if any fire insurance company shall require (i) the installation of fire extinguishers, a "sprinkler system", fire detection and/or prevention equipment (including, but not limited to, smoke detectors and heat sensors) in the Premises, (ii) any installation, changes, modifications, alterations (including installation of additional sprinkler heads or other equipment) for any sprinkler system, fire extinguishing system, and/or fire detection system now or hereafter installed in the Premises, or if any such installations, changes, modifications, alterations, sprinkler heads, or other equipment become necessary to prevent the imposition of a penalty, an additional charge or an increase in the fire insurance rate as fixed by said Board or Exchange, from time to time, then Tenant shall, at its sole cost and expense, promptly make such installations and/or changes, modifications and alterations so required. Notwithstanding the foregoing, Tenant shall not be required under this Section to install any sprinkler system or make any alterations of the sprinkler system unless same is required due to or in connection with (i) Tenant's manner of use of the Premises and/or Tenant's activities in the Premises, and/or (ii) any alterations performed by Tenant in or to the Premises, and/or (iii) any default by Tenant under this Lease.

4.4 Violations. Tenant shall be responsible to remove, discharge or satisfy, within thirty (30) days after Tenant's receipt of notice of the placement or imposition thereof, by bond or otherwise, any and all violations, judgments or liens of any nature (collectively, "Violations"), which shall be placed by federal, state and/or local governments or governmental entity having jurisdiction over the Building, or any of their respective agencies or judicial bodies, or any other person or entity, against the Premises and/or the Building or the Land, if such violations are caused by Tenant's use of the

Premises, or if same were placed or imposed by reason of the acts or omissions of Tenant, its principals, agents, contractors, suppliers, employees, licensees, tenants, subtenants and/or invitees or were otherwise imposed during or with respect to the period constituting the Term. Failure by the Tenant to timely remove, discharge or satisfy such Violations shall be considered a material breach of this Lease and, in addition to Landlord's other remedies hereunder, Landlord shall have the right, at Tenant's cost and expense, to remove, discharge or satisfy same and bill Tenant for all costs incurred in connection therewith, which bills shall be due and payable upon demand, as Additional Rent hereunder. The terms of this Section 4.4 shall survive the expiration or earlier termination of this Lease.

5. Assignment and Subletting. Tenant shall not assign, sell, pledge, encumber, or otherwise transfer this Lease or its interests under this Lease or sublet or license or otherwise permit the use by others of all or any part of the Premises, without Landlord's prior written consent, which shall not be unreasonably withheld conditioned or delayed as to an assignment or subletting, as set forth below. Any transfer in control or ownership of Tenant, and/or transfer of all or substantially all of Tenant's assets, shall be deemed to be an assignment under this Lease and shall not be permitted except as expressly set forth herein. Any assignment or sublease or other transaction by Tenant in violation of this Lease shall be voidable by Landlord in its sole and absolute discretion.

A. If Tenant shall desire to assign this Lease or sublet all or any part of the Premises, Tenant shall, at least thirty (30) days prior to the effective date of any proposed assignment or the commencement of the term of any proposed sublease, by notice given in accordance with the notice provisions of this Lease ("**Tenant's Notice**"), furnish Landlord with (i) the name and address of the proposed subtenant or assignee; (ii) a description identifying the space to be sublet; (iii) the terms, conditions and consideration of the proposed subletting or assignment; (iv) the nature and character of the business of the proposed subtenant or assignee and its proposed use of the Premises; (v) current financial information with respect to the proposed subtenant or assignee, including, without limitation, a current financial report; and (vi) any other information as Landlord may reasonably request with respect to the proposed subtenant or assignee.

B. Except in the case of a Permitted Transaction (as hereinafter defined), Tenant's Notice shall be deemed an offer from Tenant to Landlord whereby Landlord may, at its option, terminate this Lease (in whole in the case of assignment, or in whole or in part, at Landlord's discretion, in the case of subletting), if the proposed transaction is an assignment, or a sublease of more than twenty-five (25%) percent of the rentable area of the Premises (or would result in the subletting of twenty-five (25%) of the rentable area of the Premises in the aggregate with all then-sublet space in the Premises, if any) for all or substantially all of the remaining Term of this Lease. Such option may be exercised by Landlord by giving written notice thereof to Tenant at any time within thirty (30) days after the date of the giving of Tenant's Notice. If Landlord exercises its option to terminate this Lease, then this Lease (in whole or in part, as the case may be) shall end and expire on the date that such assignment or subletting was to be effective or commence, as the case may be, and the Fixed Rent and additional rent shall be paid and apportioned to such date (and adjusted to reflect reduction in rentable area of the Premises in the case of a termination in part).

C. Upon Tenant's compliance with the provisions of Subsection A above, if Landlord shall not have exercised its termination option as set forth in Subsection B above, Landlord's consent shall not be unreasonably withheld, conditioned, or delayed to the proposed assignment or subletting, provided and upon condition that:

(i) the assignee or sublessee shall have a financial condition and experience sufficient to operate the Permitted Use, and which is otherwise reasonably acceptable to Landlord;

(ii) the assignee or sublessee shall have a good business reputation;

(iii) the assignee or sublessee proposes to and shall use the Premises only for the Permitted Use and which (a) would not violate or conflict with any restrictions or "exclusives" then affecting the Building, and (b) in Landlord's reasonable opinion would be appropriate for a building such as the Building;

(iv) the proposed assignee or sublessee is not (a) an entity who is then a tenant in the Building or another building within a one (1) mile radius of the Building owned by Landlord or an affiliate of Landlord ("**Competing**

Building"), or an entity with which Landlord or an affiliate of Landlord is then negotiating or within the six (6) months prior has negotiated for space in the Building or in any Competing Building;

(v) Tenant shall not publicly list the Premises to be sublet or assigned with a broker, agent or other entity, or otherwise offer the Premises for subletting, at a rental rate less than the base annual rent which Landlord is then advertising space available for direct lease in the Building;

(vi) Tenant shall not be in default under this Lease beyond applicable notice and cure periods, either at the time Landlord's consent to such assignment or subletting is requested or on the date of commencement of the term of such proposed sublease or on the effective date of the proposed assignment; and

(vii) if a subletting, the subletting is made subject to all of the obligations of Tenant under this Lease and, without limiting the generality of the foregoing, the sublease specifically provides that there shall be no further subletting of the sublet premises or an assignment thereof other than in strict accordance with the terms of this Section 5.

D. Tenant shall furnish Landlord with a copy of an executed counterpart of each sublease within ten (10) days after the date of its execution. No sublease shall be valid and no subtenant shall take possession of the Premises or any part thereof until such executed counterpart has been delivered to Landlord. The form of sublease shall be reasonably acceptable to Landlord and shall provide for a sublease term ending not later than one (1) day prior to the expiration date of the current lease term. Such sublease shall further provide that it is subject and subordinate to this Lease and to the matters to which this Lease is or shall be subordinate, and that in the event of a termination, re-entry or dispossession by Landlord under this Lease, Landlord may, at its option, succeed to all of the right, title and interest of Tenant, as sublessor under such sublease, and such subtenant shall, at Landlord's option, attorn to Landlord pursuant to the then executory provisions of such sublease, provided, however, that Landlord shall not (i) be liable for any previous act or omission of Tenant under such sublease, (ii) be subject to any offset not expressly set forth in such sublease which theretofore accrued to such subtenant against Tenant, (iii) be liable for any work, alterations, allowances or other concessions required to be performed or provided by Tenant as sublessor under such sublease, or (iv) be bound by any previous prepayment of more than one month's fixed rent under such sublease.

E. Tenant shall furnish Landlord with a counterpart of each assignment within ten (10) days of the date of its execution. No assignment shall be binding upon Landlord and no assignee shall take possession of the Premises or any part thereof unless Tenant shall, concurrent with the delivery of an executed counterpart of such assignment, deliver to Landlord an agreement executed by the assignee, in appropriate form for recording, whereby such assignee agrees unconditionally to be bound by and to perform all of the obligations of Tenant under this Lease arising after the date of the assignment and further agrees that notwithstanding such assignment, the provisions of this Section 5 shall continue to be binding upon such assignee with respect to all future assignments and transfers.

F. Tenant shall pay, as Additional Rent, Landlord's reasonable out-of-pocket costs incurred in connection with any subletting or assignment proposed by Tenant, whether or not consented to by Landlord, including, without limitation, reasonable attorneys' fees and the costs of credit checks and reports. Such Additional Rent shall be payable by Tenant within ten (10) business days after Landlord's demand therefor and as a condition of Landlord's written consent to subletting or assignment.

G. In the event of any assignment or subletting under this Lease, Tenant shall pay to Landlord, as Additional Rent:

(a) in the case of an assignment, an amount equal to all sums paid to Tenant by the assignee for or by reason of such assignment, including, without limitation, sums paid for the sale of Tenant's alterations or other Tenant's property, less the then net unamortized or un-depreciated cost thereof determined on the basis of Tenant's federal income tax returns and less Tenant's other reasonable costs actually incurred in connection with the assignment, including reasonable brokerage and attorneys' fees; and

(b) in the case of a sublease, any rents, additional charges or other sums payable under the sublease(s) to Tenant by the subtenant(s) which exceed the Fixed Rent and Additional Rent (at the rate per square foot payable by Tenant under this Lease) accruing under this Lease during the term of the sublease(s) in respect of the entire subleased space including, without limitation, sums paid for the sale or rental of Tenant's alterations or other Tenant's property (including Tenant's trade fixtures), less, in the case of the sale thereof, the then net unamortized or un-depreciated cost thereof determined on the basis of Tenant's federal income tax returns) and less Tenant's other reasonable costs actually incurred in connection with the subletting, including reasonable brokerage and attorneys' fees and costs of outfitting the subleased premises for the subtenant.

The sums payable under this Subsection G shall be paid to Landlord as and when paid to Tenant by the assignee or subtenant, as the case may be.

H. Notwithstanding the foregoing provisions, provided Tenant is not then in default under this Lease beyond any applicable notice or cure period, Tenant may, without Landlord's consent, but upon ten (10) days' prior written notice to Landlord, and otherwise in compliance with the other applicable provisions and criteria of this Section 5, assign this Lease to (each a "**Permitted Transferee**"): (i) any entity resulting from a merger or consolidation of Tenant, (ii) any entity acquiring all of the stock or assets of Tenant, (iii) any entity which, immediately prior to such assignment controls, is controlled by, or under common control with Tenant; provided that in each such foregoing instances: (A) the assignee shall be of a character and reputation consistent with the quality of the Building; (B) the assignee is not entitled, directly or indirectly, to diplomatic or sovereign immunity, and is subject to the service of process in, and the jurisdiction of the governments and courts of the federal United States, and the state and city and municipality in which the Premises are located; and (C) the assignee shall have, as of the moment immediately following such transfer, assignment or subletting, as the case may be, a tangible net worth computed in accordance with generally accepted accounting principles, and general creditworthiness (collectively, "**Financial Condition**") at least equal to the greater of (x) the Financial Condition of Tenant on the date of this Lease, and (y) the Financial Condition of the Tenant as of the moment immediately preceding such assignment or other transfer, as the case may be. Any assignment made to a Permitted Transferee in accordance with the provisions of this Section is referred to as a "**Permitted Transaction**". "Control" (and words of similar import—capitalized or otherwise), as used in this Section, shall mean with respect the subject person or entity, the ownership, directly or indirectly, of more than fifty-one percent (51%) of the stock or membership interests in, and voting rights with respect to all affairs of, and the right to direct the daily affairs of, such person or entity. As used herein, the term "Tenant" means the only the original tenant named in this Lease (i.e., FLORIDA POWER & LIGHT COMPANY).

I. Notwithstanding any assignment of this Lease or subletting or licensing of all or any portion of the Premises, Tenant shall remain directly and primarily liable for the payment of the Fixed Rent and additional rent due and to become due under this Lease and the terms, provisions, and conditions contained in this Lease on the part of Tenant to be performed. The consent by Landlord to an assignment or subletting shall not in any way be construed to relieve Tenant from its obligation to obtain the consent in writing of Landlord to any further assignment or subletting. If Tenant assigns, transfers, mortgages or encumbers this Lease or any interest therein or sublets all or any portion of the Premises in violation of the provisions of this Section 5, or if the Premises are occupied by anyone other than Tenant, Landlord may collect rent from any such assignee, sublessee or anyone who claims a right to this Lease or who occupies the Premises, and Landlord may apply the net amount collected to the Fixed Rent and additional rent, and no such collection shall be deemed a waiver by Landlord of any of the terms, provisions, and conditions contained in this Section 5 nor an acceptance by Landlord of any such assignee, sublessee, claimant or occupant as Tenant, nor be deemed to release Tenant from the further performance of all of Tenant's obligations under this Lease. If Landlord shall decline to give its consent to any proposed assignment or subletting, Tenant shall indemnify and hold harmless and defend Landlord from and against any claims, demands, liabilities, costs and expenses arising from or relating to any claims that may be made against Landlord by the proposed assignee or sublessee or by any brokers or other persons claiming a commission or similar compensation in connection with the proposed assignment or sublease. The listing of any name other than that of Tenant on the doors of the Premises, the Building directory or elsewhere shall not vest any right or interest in this Lease or in the Premises, nor be deemed to constitute Landlord's consent to any assignment or transfer of this Lease or to any sublease of the Premises or to the use or occupancy thereof by others. Any such listing shall constitute a privilege revocable in Landlord's discretion by notice to Tenant.

6. Maintenance of the Premises; Utilities.

6.1 **Obligations of Tenant.** Tenant shall keep and maintain the Premises and appliances, fixtures and equipment therein in a clean, safe and sanitary condition in good quality appearance and in good order, condition and repair, and shall take good care thereof; and shall suffer no waste or injury thereto. Without limiting the foregoing, and notwithstanding anything in this Lease to the contrary, Tenant, at Tenant's sole cost and expense, shall perform all maintenance, repairs and replacements, ordinary and extraordinary, foreseen and unforeseen with respect to the Premises which are not the express obligation of Landlord under Section 6.2 below, which obligations of Tenant shall include, without limitation, the non-structural portions of the Premises, and any and all appurtenances thereto wherever located, including, without limitation, the interior walls, the interior surfaces of the exterior walls, all doors, door frames, door checks, other entrances, windows, window frames, plate glass, all wall coverings, floor coverings, ceilings, Tenant's alterations, all electric, plumbing and sewage facilities located within and serving the Premises (or exclusively serving the Premises (regardless of location)), ventilation, heating and air conditioning and electrical systems located within and serving the Premises (or exclusively serving the Premises (regardless of location)), sprinkler and fire alarm systems located within and servicing the Premises (or exclusively serving the Premises (regardless of location)), and all appliances, furniture, equipment located in the Premises, and shall perform periodic maintenance of such systems as often as is commercially reasonable. A current copy of said service agreement, or a certificate evidencing same, shall be provided to Landlord during the Term upon request. In addition, Tenant shall make all repairs, replacements, renewals and restorations, interior and exterior, ordinary and extraordinary, foreseen and unforeseen, which are required (i) to be made in and to the Premises and/or the Building and/or the Property as a result of the negligent or otherwise tortious act or omission of Tenant, its principals, agents, employees, subtenants, licensees, invitees, residents or contractors, and/or as a result of Tenant's failure to comply with its obligations under this Lease, including without limitation the service and maintenance required hereunder, or (ii) to be made to anything which was installed or altered by Tenant. All repairs and replacements made by Tenant shall be of good quality. Landlord shall have the right (but not the obligation) to perform any of the repairs or replacements required to be performed by Tenant hereunder which are structural or affect the building systems, in which event, the expense thereof, plus an administrative charge equal to ten percent (10%) thereof, shall be payable to Landlord by Tenant as Additional Rent upon Tenant's receipt from Landlord of a bill therefor. Notwithstanding the foregoing, subject to the provisions of Section 11.3, Tenant shall not be responsible for any cost or repair with respect to damages or defects to the extent directly caused by (i) the gross negligence or willful misconduct of Landlord, its principals, agents, employees, or contractors, and/or (ii) Landlord's failure to materially comply with its obligations under this Lease following notice and reasonable opportunity to cure.

6.2 **Obligations of Landlord.** Landlord shall be obligated to repair only the structural elements of the Building, which shall mean the load-bearing walls, the foundation and the roof; provided, however, that Landlord shall not be required to make any such repairs occasioned by the negligent or otherwise tortious act or omission of Tenant, its principals, agents, employees, subtenants, licensees, invitees, residents or contractors or to any thing which was installed or altered by Tenant. Landlord shall not be required to render any services to Tenant or to make any repairs or replacement to the Premises, except as expressly provided in this Section 6.2. Tenant shall promptly report in writing to Landlord any defective condition which Landlord is required to repair, and Landlord's obligation to repair as set forth in this section is conditioned upon (i) receipt by Landlord of such written notice, and (ii) Tenant not then being in default under this Lease. Landlord shall promptly make any and all repairs that Landlord is obligated to make as set forth in this section.

6.3 **Notice of Defective Condition.** Tenant shall give Landlord prompt notice of any known defective condition in any plumbing or heating, ventilation or air conditioning system or any electrical lines located in, servicing or passing through the Premises or any other known material defective condition affecting the Premises, regardless of whether the obligation to make the repair thereof is Landlord's or Tenant's.

6.4 **Utilities and Services.**

6.4.1 Utilities.

(a) **Water and Electric.** The cost of (i) domestic water used in the Premises for ordinary drinking, pantry and lavatory purposes, and (ii) ordinary electric use for ordinary administrative and executive office use, in each case during Building Business Hours (as hereinafter defined) shall each be included in Operating Expenses and subject to Tenant's Operating Expense Payment. If Landlord reasonably believes or expects that Tenant is using or will be use water or electric in the Premises for any other purpose or for extraordinary amounts or at any other times beyond as aforesaid, then, Landlord may bill Tenant for any such additional usage based on Landlord's reasonable estimate thereof; and provided further, that, in such case, Landlord shall also have the right (but not the obligation) at any time during the Term, at Landlord's sole option, to install or have Tenant install, in either case at Tenant's cost, a sub-meter or direct meter to separately measure the consumption of such utility at the Premises, in which event Tenant shall promptly pay to the provider of such utility all costs of consumption measured by such meter or sub-meter (or to Landlord, at its election, in the case of a submeter). Without limitation of the provisions of Section 3.3 above, in addition to any utility charges payable by Tenant hereunder, Tenant shall also pay any sales or other taxes thereon.

(b) **HVAC.** The cost of HVAC used in the Premises during Building Business Hours shall each be included in Operating Expenses and subject to Tenant's Operating Expense Payment. At all other hours and times, Tenant may use overtime HVAC services subject to request by Tenant upon at least twenty-four (24) hours' advance notice (which may be made by email to the then appropriate Landlord contact provided to Tenant upon Tenant's request), at four (4) hour minimum increments and payment of Landlord's then-current rates therefor. "Building Business Hours" means (i) 8:00 AM to 6:00 PM on all days except Saturdays, Sundays and days observed as holidays by the state or federal government or by unions employed in the Building); and (ii) 8:00 AM to 1:00 PM on Saturdays which are not days observed as holidays by the state or federal government or by unions employed in the Building.

(c) **Other.** Except as expressly set forth above, Tenant shall be solely responsible for the setting up of, and shall pay when due all costs, charges, deposits and assessments related to, the furnishing, consumption, maintenance and installations of gas, cold water, hot water, sewer, electricity, fuel, light, heat, air conditioning, power, telephone, internet, data, and any other utilities or services (collectively, "Utilities") attributable to or servicing the Premises. Tenant shall not install or utilize any equipment that may or will exceed or overload the capacity of any Utilities furnished or servicing the Premises or Building.

6.4.2 **Cleaning.** Landlord shall provide building-standard janitorial services for the Premises Monday through Friday (excluding days observed as holidays by the state or federal government or by unions employed in the Building) the cost of which shall be included in Operating Expenses and subject to Tenant's Operating Expense Payment. However, Tenant shall pay to Landlord within ten (10) business days after rendition of a bill therefor, 100% of the costs incurred by Landlord for (x) extra cleaning work in the Premises required because of misuse on the part of Tenant or its subtenants or its or their employees or visitors, (y) removal from the Premises and the Building of any refuse and rubbish of Tenant in excess of that ordinarily accumulated in business office occupancy, including, without limitation, kitchen refuse, or at times other than Landlord's standard cleaning times, and (z) the use of the Premises by Tenant other than during Building Business Hours. Notwithstanding the foregoing, Landlord shall not be required to clean any portions of the Premises used for (i) preparation, serving or consumption of food or beverages, or (ii) training rooms, data processing or reproducing operations or other special purpose areas to the extent same requires greater or more difficult cleaning work than office areas, or (iii) private lavatories or toilets, and Tenant agrees, at Tenant's expense, to retain Landlord's cleaning contractor to perform such cleaning; further, Landlord shall not be required to provide disposal of any medical waste, nor any specialized medical-use cleaning, and Tenant agrees, at Tenant's expense, to separately perform such disposal and cleaning at Tenant's expense.

6.4.3 Intentionally Deleted.

6.4.4 If Tenant fails to perform any of its obligations under this Section 6 or elsewhere in this Lease in the manner required under this Lease beyond any applicable notice and cure period (provided that no notice or cured period shall be required in the case of an emergency), then without waiving such default or limiting Landlord's remedies with

respect thereto, such obligation same may be performed by Landlord (but Landlord shall have no obligation to perform same) and the expense thereof, plus an administrative charge equal to ten percent (10%) thereof, shall be payable to Landlord by Tenant as Additional Rent upon Tenant's receipt from Landlord of a bill therefor.

6.5 **Windows; Scaffolding.** If at any time any windows in the Premises are closed, darkened or bricked-up for any reason whatsoever, Landlord shall not be liable to Tenant for any damages that Tenant may sustain thereby, and Tenant shall not be entitled to any compensation therefor nor abatement or rent, additional rent or other charges, nor shall the same release Tenant from its obligations hereunder or constitute an actual or constructive eviction of the Tenant. Similarly, scaffolding may be erected and remain in front of the Premises for so long as any work to the Building is being performed or may in the future be performed by or on behalf of Landlord, and Tenant shall not have any claim against Landlord or be entitled to any offset, abatement or deduction whatsoever by reason of same. Tenant shall not clean nor require, permit, suffer or allow any window in or of the Premises or Building to be cleaned from the outside in violation of any applicable laws.

6.6 **Obstruction, No Light, Air or View Easement.** Tenant recognizes and agrees that no easement for light, air or view is included in this demise, and any diminution or shutting of light, air or view by any structure presently or hereafter erected on lands adjacent to the Premises (whether or not owned by the Landlord) shall in no way affect this Lease or Tenant's obligations hereunder or impose any liability of any kind upon the Landlord.

7. **Tenant Alterations.**

7.1 **Alterations.**

Tenant agrees to pay promptly when due the entire cost of any work done in the Premises by Tenant, its agents, employees, or contractors or subcontractors. All Tenant's installations shall be in accordance with applicable laws and code, and shall not conflict with or be in violation of, or cause any violation of Landlord's basic building plans and/or the construction of the Building, and all Tenant's installations shall be completed free of all liens and encumbrances. All permits which may be required by Tenant for Tenant's installations shall be procured and paid for by Tenant only after having obtained Landlord's written approval of such work, or, if Landlord shall deem the same advisable, Landlord may procure such permit and Tenant shall pay for the same. No plans and/or specifications required to be filed by Tenant pursuant to any work contemplated to be performed by it within the Premises shall be filed or submitted to any governmental authority having jurisdiction thereover without first having obtained Landlord's approval to the same not to be unreasonably withheld, conditioned or delayed.

If Tenant shall fail to discharge any such mechanics' or material suppliers' lien or other lien, Landlord may, at its option, discharge the same and Tenant hereby appoints Landlord as its attorney-in-fact, coupled with an interest, for such purpose and, in such event, Landlord may treat the cost thereof as Additional Rent payable with the monthly installment of Rent next becoming due; it being hereby expressly covenanted and agreed that such discharge by Landlord shall not be deemed to waive or release the default of Tenant in not discharging the same. Nothing contained in this Lease shall be construed as consent on the part of Landlord to subject the estate of Landlord in the Land, Building or the Premises to liability under the Construction Lien Law of the State of Florida as a result of work done by or on behalf of Tenant or services provided to Tenant, it being expressly understood that Landlord's estate shall not be subject to such liability.

If any such Tenant alteration, decoration, addition or improvement is made without the prior written consent of Landlord as required in Section 7.1, Landlord may correct or remove the same, and Tenant shall be liable for any and all expenses incurred by Landlord in the performance of such work. The provisions of this Section shall survive the expiration of earlier termination of this Lease.

Tenant covenants and agrees that no sign shall be erected, maintained or displayed in violation of any law, regulation, agreement, condition, restriction, covenant or encumbrance of record. Tenant agrees promptly to remove from the sidewalks and driveways adjacent to the Building any of the Tenant's furniture, equipment or other material there delivered or deposited.

9. Tenant's Equipment. Tenant covenants and agrees that at all times its use of electric current shall not exceed the capacity of existing feeders to the Building or the risers or wiring installation and Tenant may not use any electrical equipment which will overload such installations. Tenant shall not install any equipment of any kind or nature whatsoever which will necessitate any changes, replacements or additions to, or in the use of the water system, heating system, plumbing system, ventilation system, sewer system, air conditioning or cooling system, security system (if any) or electrical system of the Premises or the Building without first obtaining the prior written consent of Landlord. Business machines and mechanical equipment belonging to Tenant which cause noise or vibration that may be transmitted to the structure of the Building or to any space therein to such a degree as to be objectionable to Landlord or to any tenant in the Building shall be installed and maintained by Tenant, at Tenant's expense, on vibration eliminators or other devices sufficient to eliminate

such noise and vibration, and if such noise and/or vibration is not so eliminated Landlord shall have the right to require Tenant to remove such machines and/or equipment from the Premises, or the Building caused by such installation.

Landlord shall use commercially reasonable efforts to minimize any interference with Tenant's use of the Premises during any such entry.

11. **Insurance.**

11.1 **Insurance Rating.** Tenant will not conduct or permit to be conducted any activity, or place any equipment in or about the Premises, or the Building which will, in any way, invalidate the insurance coverage in effect or increase the rate of fire insurance or other insurance on the Building; and if any invalidation of coverage or increase in the rate of fire insurance or other insurance is stated by any insurance company or the applicable Insurance Rating Bureau to be due to any activity or by equipment of Tenant in or about the Premises, the Building, such statement shall be conclusive evidence that the increase in such rate is due to such activity or equipment and, as a result thereof, Tenant shall be liable for such increase and shall reimburse Landlord therefore upon demand and any such sum shall be considered Additional Rent. Tenant shall not introduce or permit to be kept on the Premises or in the Building any dangerous, obnoxious, radioactive or explosive substance.

11.2 **Required Insurance.**

(a) Tenant, at Tenant's expense, shall carry commercial general liability insurance against claims for bodily injury or death or property damage occurring in or about the Premises (including, without limitation, bodily injury, death or property damage resulting directly or indirectly from any change, alteration, improvement or repair thereof), with primary coverage limits of not less than \$1,000,000.00 per occurrence and \$3,000,000.00 in the aggregate and with umbrella coverage limits of \$5,000,000.00 for bodily injury or death to any number of persons in respect of any one accident or occurrence and property damage in respect of such accident or occurrence. Such insurance shall conform to Tenant's actual use of the Premises. Tenant shall carry an "Special Form-Causes of Loss" property damage insurance policy for full replacement value for all of its equipment and other personalty and for all leasehold improvements which are made by or for Tenant in or to the Premises (i.e., improvements and betterments coverage) and such other insurance as may be reasonably required by the holder, now or hereafter, of a mortgage on the Building. In addition, Tenant shall maintain the following insurance:

(1) Business interruption insurance (including rent coverage) with respect to any fire or other casualty or other interruption that may occur at the Premises, in an amount at least equal to the annual rent and other sums payable pursuant to the terms of this Lease for a period of twelve (12) months, commencing with the date of loss;

(2) Workers compensation insurance, Florida State disability benefits insurance, and any and all other statutory forms of insurance now or hereafter required by law, covering all persons employed in, on or about the Premises by Tenant; and

(3) Such other and further insurance and amounts as may reasonably be required or requested from time to time by Landlord and/or Landlord's lender.

Each insurance policy required to be maintained by Tenant under this Lease shall be written by an insurance company with a Best's Rating of A, VIII or better, or an equivalent rating by a similar or successor authority, and legally licensed and

admitted to do business in the State of Florida and reasonably approved by Landlord and, except with respect to Workers Compensation, shall name Landlord and Landlord's agent and lenders and other designees as named insureds, additional insureds and loss payees, as applicable.

11.3 **Waiver of Subrogation.** Without limiting Landlord's rights and remedies under the other provisions of the Lease or the provisions of Section 13.1, Tenant hereby waives any and all claims and right of recovery and other rights it may have against or with respect to Landlord or its lender or their respective members, officers, principals, employees and/or agents with respect to any damage, loss and/or liability incurred by Tenant or otherwise occurring with respect to the Premises and/or the contents thereof (including without limitation as a result damage caused by fire or other casualty) to the extent that such damage, loss or liability is covered by the insurance policies maintained by Tenant (including without limitation if through self-insurance) or required to be maintained by Tenant pursuant to the terms of this Lease (including without limitation through self-insurance), and that all Tenant's (and all of its subtenants' and licensees') policies of fire and/or extended coverage or other insurance covering the Premises or the contents thereof shall contain a clause or endorsement providing in substance that such insurance shall not be prejudiced if the insureds thereunder have waived the right of recovery from any person or persons prior to the date and time of loss or damage, if any, and otherwise waiving such insurers rights of subrogation.

11.4 **Insurance Certificate.** Certificates of insurance and receipts evidencing the coverage provided by, and payment for, such insurance (and including copies of such policies and/or the declaration pages of such policies, if requested by Landlord) shall be delivered to Landlord prior to the earlier of (i) the Commencement Date and (ii) the date takes possession of or otherwise enters the Premises for the purposes of performing work therein or otherwise; and thereafter at least annually by Tenant. Each policy and certificate thereof shall contain an endorsement that will prohibit its cancellation prior to the giving of thirty (30) days written notice of such proposed cancellation, reduction in coverage or expiration, as the case may be, to Landlord in accordance with policy requirements.

11.5 **Self-Insurance.** So long as the Tenant under this Lease (i) is Florida Power & Light Company, (ii) has a tangible net worth computed in accordance with generally accepted accounting principles of at least \$100,000,000.00, liquid assets of at least \$25,000,000.00, and (iii) is not in default under this Lease beyond applicable notice and grace periods, then, to the extent permitted by applicable law, Tenant shall have the right to meet the insurance requirements designated in this Lease through any combination of self-insurance, primary or excess coverage; provided, however, that all releases and waivers under this Lease in favor of Landlord shall be inure to Landlord with respect to self-insurance, including without limitation the release of claims and waivers of subrogation set forth in this Lease, as if such insurance was maintained through a third-party insurance company.

12. **Access Control.** Landlord may, at its option, provide an access control system or guard service for the Building during the Term; provided, however, that no representation or warranty or covenant with respect to the existence, adequacy, completeness or integrity of the access control system or guard services is made by Landlord, and any failure of the access control system or guard service in any way shall not modify or affect any of the terms of this Lease with respect to Landlord's liability to Tenant. The Landlord reserves the right to discontinue, modify, supplement or revise the access control system at any time its sole judgment.

13. **Liability.**

13.1 **No Liability.** To the fullest extent permitted by law, the following shall apply: Notwithstanding anything in this Lease to the contrary and without limiting the other provisions of this Lease, except as may be expressly stated otherwise herein, Landlord shall not be liable to Tenant, its employees, agents, contractors, business invitees, licensees, subtenants, customers, clients, family members or guests for any damage, compensation or claim based on loss, inconvenience or annoyance arising from the necessity of repairing any portion of the Premises, or the Building, the interruption in the use of the Premises, accident or damage resulting from the use or operation (by Landlord, Tenant or any other person or persons whatsoever) or for failure to furnish, or for delay, suspension or deduction in furnishing any of the utilities or services to be furnished by Landlord hereunder, including, but not limited to, elevators or heating, cooling, electrical or plumbing equipment or apparatus, or the termination of this Lease by reason of the destruction of the Premises,

or from any fire, robbery, theft, mysterious disappearance and/or any other casualty, or from any leakage in any part or portion of the Premises, or the Building, or from water, rain or snow that may leak into, or flow from any part of the Premises, or the Building or from drains, pipes or plumbing work in the Building, or from any other cause whatsoever, or for any personal injury arising from the use, occupancy and condition of the Premises. The foregoing shall not operate to release Landlord for liability for injury or damage to persons or property to the extent caused by the gross negligence or willful misconduct of Landlord, its principals, agents, employees, or contractors (provided, however, that even in such cases, the provisions of Section 11.3 shall still apply thereto). Any goods, property or personal effects of Tenant, its employees, agents, contractors, business invitees, licensees, customers, clients, family members or guests, stored or placed in or about the Premises or the Building shall be at their risk, and Landlord shall not in any manner be held responsible therefor. The employees of Landlord are prohibited from receiving any packages or other articles delivered to the Building by, to or on behalf of Tenant, and if any such employee receives any such package or articles, such employee shall be the agent of the Tenant for such purposes and not of Landlord. Tenant acknowledges that Landlord will not carry insurance on Tenant's furniture, furnishings, fixtures, equipment and/or improvements in or to the Premises. Tenant shall give written notice forthwith to Landlord of any accident, damage, casualty, injury or emergency on or affecting the Premises and of any claim, action, threat or other proceeding against, arising from, or affecting Tenant, the Premises and/or the use or occupancy of the Premises by Tenant (or, to the extent an emergency occurs, by telephone or other means of immediate communication, to be followed promptly thereafter by a confirmatory writing). It is expressly understood and agreed that Tenant shall look solely to its business interruption, liability and property damage insurance policies, and not to Landlord, or its agents or employees, for reimbursement of any damages or losses incurred as a result of any of the foregoing occurrences (except to the extent caused by the gross negligence or willful misconduct of Landlord, its principals, agents, employees, or contractors; provided, however, that even in such cases, the provisions of Section 11.3 shall still apply thereto), and that said policies must contain waiver of subrogation clauses as per Section 11.3 and that Tenant shall at least annually deliver to Landlord evidence of the foregoing.

13.2 **Indemnity.** To the fullest extent permitted by law, Tenant shall indemnify, defend and hold Landlord and its principals, officers, agents, lenders, mortgagees and employees harmless from any losses, damages, liabilities, costs and expenses (including attorney's fees) incurred by or claimed against Landlord and/or such other indemnified party, directly or indirectly, which is in any way occasioned by or results from or in connection with (i) any default hereunder or any negligent or otherwise tortious acts, commissive or omissive on the part of Tenant, its principals, officers, agents, employees, contractors, invitees, subtenants, licensees, customers, clients, family members and/or guests, and/or (ii) Tenant's or its subtenants' operation, use and/or occupancy of the Premises and/or the Building and/or the Land or in any other manner which relates to the business of Tenant, and/or (iii) any occurrence, incident or matter occurring on or about the Premises, except to the extent caused by the negligence or willful misconduct of Landlord, its principals, agents, employees, or contractors, and/or Landlord's failure to materially comply with its obligations under this Lease following notice and reasonable opportunity to cure (provided, however, that even in such cases, the provisions of Section 11.3 shall still apply thereto). Any such cost, damage, claim, liability or expense incurred by Landlord for which the Tenant is obligated to reimburse Landlord shall be deemed Additional Rent due and payable upon demand. Without limiting the foregoing, Tenant shall reimburse Landlord for any and all actual and reasonable costs and expenses (including attorneys' fees) incurred in enforcing this Lease. It is expressly understood and agreed that Tenant's liability under this Lease extends to the negligent or otherwise tortious acts, commissive or omissive, of any subtenant and any principal, officer, agent, employee, contractor, invitee, licensee, customer, client, family member and guest of any subtenant. Notwithstanding the foregoing, in no event shall Tenant be responsible for any special, punitive, or consequential damages (except under Section 18 below). The provisions of this Section shall survive the expiration or earlier termination of this Lease.

14. **Rules and Regulations.** Tenant, its principals, officers, agents, employees, contractors, invitees, licensees, customers, subtenants, clients, family members and guests shall at all times abide by and observe the rules and regulations, as Landlord may promulgate from time to time, with a copy sent to Tenant, for the operation and maintenance of, or otherwise relating to, the Building and/or Property, provided same are not arbitrary or capricious and are not enforced in a discriminatory manner against Tenant. If there is any conflict between the provisions of this Lease and any current or future rules and regulations, this Lease shall govern.

15. Damage; Condemnation.

15.1 Damage to the Premises

A. Tenant shall give prompt notice to Landlord in case of fire or other casualty in the Premises. If (a) so much of the Building is damaged or rendered untenable (whether or not the Premises or any portion thereof shall be damaged) by fire or other cause that Landlord shall determine not to restore the same or to demolish the remainder thereof, (b) all or a portion of the Premises shall suffer substantial damage or be rendered untenable by fire or other casualty and Landlord shall determine (i) that such portion of the Premises cannot reasonably be expected to be restored or rendered tenable under a normal working schedule within a period (the "**Restoration Period**") equal to the lesser of (A) six (6) months after the occurrence of such damage or destruction and (B) by such time such that after the completion thereof there will remain at least five (5) years in the Term, or (ii) that a ground lessor or mortgagee will not permit Landlord to apply the net proceeds of Landlord's insurance to the restoration of the Premises; or (c) so much of the Building shall be damaged, such that Tenant's access to and use and enjoyment of the Premises shall be rendered substantially impossible, whether or not the Premises shall be damaged, and Landlord shall determine that the same cannot reasonably be expected to be restored or rendered tenable under a normal working schedule within the Restoration Period, then, in any such event, Landlord shall have the right to terminate this Lease by notice to Tenant, in which event the Term shall expire by lapse of time upon the date which is thirty (30) days after such notice is given and Tenant shall vacate the Premises and surrender the same to Landlord in the manner required under this Lease upon the expiration or termination of this Lease (except that the damaged portion of the Premises need not be broom clean and except that those portions of the building systems damaged by such fire or casualty need not be in working order). Upon the termination of this Lease under the conditions provided for in this Section, Tenant's liability under this Lease, including without limitation the payment Rent, shall cease as of the effective date of such termination (but, for the avoidance of doubt, Tenant shall remain liable for all obligations and liabilities which accrued prior to such termination or which otherwise survive the expiration or termination of this Lease). Tenant hereby expressly waives any now or hereinafter existing statutory provisions to the contrary and agrees that the foregoing provisions of this Section shall govern and control in lieu thereof, this Section being an express agreement governing any case of damage or destruction of the Premises by fire or other casualty.

B. If the Building or the Premises, or any portion thereof, is damaged by fire or other casualty and this Lease is not terminated pursuant to Section 15.1.A above, Landlord, promptly after the occurrence of such damage and the determination of the net amount of insurance proceeds available, shall use due diligence to restore the Building as nearly as possible to its condition prior to such fire or other casualty (but in no event shall Landlord be obligated to restore the Building to a condition better than it was in on the Commencement Date). In no event shall Landlord be obligated to repair or restore Tenant's alterations, or Tenant's personal property, furniture, furnishings and/or equipment (provided, however, that for the avoidance of doubt, the foregoing shall not operate to release Landlord for liability for injury or damage to persons or property to the extent caused by the gross negligence or willful misconduct of Landlord, its principals, agents, employees, or contractors (provided, however, that even in such cases, the provisions of Section 11.3 shall still apply thereto)). Tenant shall cooperate with Landlord's restoration by removing from the damaged portion of the Premises as promptly as reasonably possible, all of Tenant's salvageable inventory and movable equipment, furniture, and other property.

C. If as a result of a fire or other casualty the Premises or a material portion thereof are physically damaged and rendered untenable as a result (and therefore not occupied by Tenant), but this Lease is not terminated as aforesaid and Landlord has a restoration obligation under this Section 15.1, then Fixed Rent and other regularly-scheduled Rent shall abate from the date of the fire or other casualty until the Premises are restored to the extent required by Landlord under this Section (or such earlier date that Tenant resumes occupancy of the Premises or such material portion of the Premises, as the case may be); such abatement shall be proportionate based on the portion of the Premises that is so untenable and unoccupied by Tenant..

D. Tenant acknowledges that Landlord will not be obligated to carry insurance of any kind on Tenant's alterations or furniture, furnishings, finishes or wall coverings and/or fixtures, equipment, and improvements, and agrees that Landlord shall not be obligated to repair any damage thereto or to replace the same (provided, however, that for the avoidance of doubt, the foregoing shall not operate to release Landlord for liability for injury or damage to persons or

property to the extent caused by the gross negligence or willful misconduct of Landlord, its principals, agents, employees, or contractors (provided, however, that even in such cases, the provisions of Section 11.3 shall still apply thereto)).

15.2 **Condemnation.** If the whole of the Premises (or use of occupancy of the Premises) shall be taken or condemned by any governmental or quasi-governmental authority for any public or quasi-public use or purpose (including sale under threat of such a taking), or if Landlord elects to convey title to the condemnor by a deed in lieu of condemnation, then the term of this Lease shall cease and terminate as of the date when title vests in such governmental or quasi-governmental authority and the Rent shall be abated on the date when such title vests in such governmental or quasi-governmental authority. If (i) only a part of the Premises is taken or condemned by any governmental or quasi-governmental authority for any public or quasi-public use or purpose (including sale under threat of such a taking), and the condemnation award is insufficient to restore the remaining portion of the Premises or if such award must be applied to repay any mortgages, now or hereafter, encumbering the Building or the Land, or (ii) whether or not a portion of the Premises is taken, a portion of the Building or the Property is taken and Landlord deems it commercially unreasonable to continue leasing all or a portion of the remaining space in the Building, then Landlord shall have the right to terminate this Lease as of the date when title vests in such governmental or quasi-governmental authority.

15.2.1 If this Lease is not so terminated after a partial condemnation, then after the date when the condemned portion of the Premises is delivered to the condemnor, the Fixed Rent and Additional Rent accruing after the date of such taking shall be reduced in the proportion which the condemned area bears to the entire area of the Premises and Landlord shall restore the structural elements of remaining portion of the Premises.

15.2.2 Tenant shall have the right to claim against the condemnor only for removal and moving expenses and business dislocation damages which may be separately payable to tenants in general under applicable law, provided such payment does not reduce the award otherwise payable to Landlord. Subject to the foregoing, Tenant hereby waives all claims against Landlord with respect to a condemnation, and hereby assigns to Landlord all claims against the condemnor, including, without limitation, all claims for diminution in the value of Tenant's leasehold estate.

16. **Insolvency and/or Bankruptcy of Tenant.**

16.1 **Events of Insolvency and/or Bankruptcy.** Each one or more of the following shall be an "Event of Default" under this Lease:

A. Tenant's becoming insolvent, as the term is defined in Title 11 of the United States Code, entitled Bankruptcy, 11 U.S.C. Paragraph 101 *et seq.* (the "**Bankruptcy Code**"), or under the insolvency laws of any State, District, Commonwealth or Territory of the United States (the "**Insolvency Laws**") or otherwise;

B. The appointment of a receiver, trustee or custodian for all or a substantial portion of Tenant's property or assets, or the institution of a foreclosure action upon all or a substantial portion of Tenant's real or personal property;

C. The filing of a voluntary petition under the provisions of the Bankruptcy code or Insolvency Laws or the filing of a petition for reorganization governed by Insolvency Laws, the filing of an application for voluntary liquidation or dissolution applicable to banking institutions or such other institutions;

D. The filing of an involuntary petition against Tenant as the subject debtor under the Bankruptcy Code or Insolvency Laws, which is either not dismissed within thirty (30) days of filing, or results in the issuance of an order for relief against the debtor, whichever, is earlier;

E. Tenant's making or consenting to an assignment for the benefit of creditors or a common law composition of creditors.

16.2 **Landlord's Remedies.** Landlord, in the event of such an Event of Default under Section 16.1 above, shall have, without need of the notice otherwise set forth therein, the rights enumerated in Section 17 and all other rights at law or in equity.

17. **Default of Tenant.**

17.1 **Events of Default.** In addition to the Events of Default set forth in Section 16.1 hereof, each one or more of the following shall be an "Event of Default" under this Lease:

A. If Tenant shall fail to pay when due any Rent (including Fixed Rent and Additional Rent) or any other payment required under this Lease, whether or not demand has been made therefor, and such failure continues for ten (10) or more business days;

B. If Tenant shall violate or fail to perform any of the other terms, conditions, covenants or agreements herein made by Tenant, and such failure continues for ten (10) or more business days after Landlord's written notice thereof to Tenant;

C. If Tenant abandons the Premises at any time during the Term or fails to open for business in the Premises within sixty (60) days after the Commencement Date (provided, however, that if Tenant is diligently pursuing and taking all such actions as are reasonably necessary to open its business in the Premises, then such sixty (60) day period shall be extended for such amount of time as is reasonably necessary to accomplish same, but in no event beyond an additional sixty (60) days);

D. If Tenant assigns or hypothecates this Lease or any interest herein, or sublets the Premises, or any part thereof, or if Tenant attempts to do any of the foregoing, in contravention of the terms, covenants, provisions and conditions of this Lease.

E. There occurs any other default beyond applicable notice and grace periods under any other lease or other agreement between Landlord and Tenant and/or their respective affiliates at the Property.

17.2 **Landlord's Remedies.** Should an Event of Default occur under this Lease, Landlord (notwithstanding any former breach of covenant or waiver thereof in a former instance), in addition to all other rights and remedies available to it by law or equity or by any other provisions hereof, may at any time thereafter pursue and shall be entitled to, once or more often, any one or more of the following remedies:

17.2.1 **Termination of Lease.** Landlord may terminate this Lease upon notice to Tenant and on the date specified in such notice, this Lease and the Term hereby demised and all rights of Tenant hereunder shall expire and terminate without any right of Tenant to save the forfeiture, and Tenant shall thereupon quit and surrender possession of the Premises to Landlord in the condition elsewhere herein required and Tenant shall remain liable to Landlord as hereinafter provided.

17.2.2 **Repossession/Reletting of Premises.** Whether or not Landlord terminates this Lease, Landlord may, without further notice, enter upon and repossess the Premises, by summary proceedings or ejectment or by self-help, and may dispossess Tenant and remove Tenant and all other persons and property from the Premises and may have, hold and enjoy the Premises and the rents and profits therefrom. Landlord may relet the Premises, or any part thereof, for such term or terms (which may be greater or less than the period which would otherwise have constituted the balance of the Term) and on such terms (which may include concessions or free Rent) as Landlord in its sole discretion and good faith may determine. Landlord may, in connection with any such reletting, cause the Premises to be decorated, altered, divided, and/or consolidated with other space or otherwise changed or prepared for reletting. No reletting shall be deemed a surrender and acceptance of the Premises.

17.2.3. **Payments.** Upon such termination of the Lease or reentry by Landlord, Landlord may declare to be immediately due and payable, a sum equal to the amount of brokerage commissions paid by Landlord with respect to this Lease, if any, plus, on account of the Rent and other charges herein reserved for the balance of the Term (taken without regard to any early termination of the Term on account of default), the Accelerated Rent Component (as hereinafter defined), and Tenant shall remain liable to Landlord as hereinafter provided. For purposes hereof, the Accelerated Rent Component shall mean the aggregate of the following items: (a) The Fixed Rent otherwise payable for the period which otherwise would have constituted the unexpired portion of the Term, plus all Additional Rent and other charges, payments, costs and expenses herein agreed to be paid by Tenant up to the end of the Term which shall be capable of precise determination at the time of Landlord's election to recover such amounts; and (b) all projected Additional Rent charges, payments, costs and expenses herein agreed to be paid by Tenant up to what otherwise would have been the expiration of the Term which shall not be capable of precise determination as aforesaid (and for such purposes no estimate of any component of Additional Rent to accrue pursuant to the provisions of Section 3 hereof shall be less than the amount which would be due if each such component continued at the highest monthly rate or amount in effect during the twelve (12) months immediately preceding the default).

17.3 **Measure of Damages.** In the event that Landlord has not elected to have Tenant pay the Accelerated Rent Component, Tenant shall, with respect to all periods of time up to and including what otherwise would have been the expiration of the Term, remain liable to Landlord as follows: Tenant shall remain liable to Landlord an amount equal to the Rent and other charges payable under this Lease by Tenant as if this Lease were still in effect, less the net proceeds of any reletting actually collected, after deducting all costs incident thereto (including, without limitation, all repossession costs, brokerage and management commissions, operating and legal expenses and fees, commercially reasonable alteration costs and expenses of preparation for reletting), and to the extent such damages shall not have been recovered by Landlord by virtue of payment by Tenant of the Accelerated Rent Component (but without prejudice to the right of Landlord to demand and receive the Accelerated Rent Component), such damages shall be payable to Landlord monthly upon presentation to Tenant of a bill for the amount due.

17.4 **No Responsibility to Relet.** Landlord shall in no event be responsible or liable for any failure to relet the Premises, or any part thereof, or for any failure to collect any Rent due upon a reletting and nothing in this Lease shall be construed to the contrary. Notwithstanding anything in this Lease to the contrary, and without limiting the foregoing, except to the extent required by any non-waivable provision of applicable law, Landlord shall have no obligation to mitigate its damages under this Lease.

17.5 **Additional Damages.** Nothing contained in this Lease shall limit or prejudice the right of Landlord to prove and obtain as damages incident to a termination of this Lease, in any bankruptcy, reorganization or other court proceedings, the maximum amount allowed by any statute or rule of law in effect when such damages are to be proved.

17.6 **No Waiver.** No waiver by Landlord of any breach by Tenant of any of Tenant's obligations, agreements or covenants herein shall be a waiver of any subsequent breach or of any obligation, agreement or covenant, nor shall any forbearance, delay or failure by Landlord to seek a remedy for any breach by Tenant be a waiver by Landlord of any rights, powers or remedies with respect to any subsequent breach.

17.7 **Right of Landlord to Cure Tenant's Default.** If Tenant defaults in the making of any payment or in the doing of any act herein required to be made or done by Tenant beyond any applicable notice and cure period, then Landlord may, but shall not be required to, make such payment or do such act, and charge the amount of the expense thereof, plus interest at the Interest Rate, if made or done by Landlord. Such payment shall constitute Additional Rent hereunder due and payable with the next monthly installment of Rent; but the making of such payment or the making of such action by Landlord shall not operate to cure such default or to estop Landlord from the pursuit of any remedy to which Landlord would otherwise be entitled.

17.8 **Remedies Cumulative.** No right, power or remedy herein conferred upon or reserved to Landlord is intended to be exclusive of any other right, power or remedy herein or by law provided, but each shall be cumulative and in

addition to every other right, power or remedy given herein or now or hereafter existing at law, in equity, or by statute. No single, partial or full exercise of any right hereunder by Landlord shall preclude other or further exercise thereof.

18. **Surrender; Holding Over.** Upon the expiration or earlier termination of this Lease, Tenant shall vacate the Premises and surrender the same broom clean, in the same or better order and condition in which it is on the Commencement Date (and if better, the condition on which it was as of the commencement of the Prior Lease (as hereinafter defined), or, if better the condition in which it is after Tenant's completion of the Initial Alterations), reasonable wear and tear excepted, free of all tenancies, subtenancies, occupants, residents and personal property of any party other than Landlord. If Tenant retains possession of the Premises, or any part thereof, or otherwise does not surrender the Premises to Landlord in the condition and manner required under this Lease, upon termination of this Lease by expiration of the Term or otherwise, Tenant shall, by virtue of the provisions hereof, become a tenant at sufferance on all of the terms and conditions of this Lease, except that Tenant shall pay as Rent for any month or partial month of such holdover as payment towards damages (and not as a penalty) for such wrongful retention, an amount equal to 200% of the greater of (i) the monthly Fixed Rent and Additional Rent payable for the month immediately preceding the month of such holdover, and (ii) the fair market rental value of the Premises for such month(s) of holdover. The foregoing 200% multiple shall increase to 300% after the first 60 of such holdover. In addition, if Tenant remains in the Premises (or otherwise does not so surrender the Premises) for more than thirty (30) days after written demand from Landlord to vacate after termination of this Lease by expiration of the Term or otherwise, Tenant shall also pay Landlord (in addition to the amount of Fixed Rent and Additional Rent set forth in the immediately preceding sentence) all other damages, costs and expenses sustained by Landlord by reason of Tenant's wrongful retention, including without limitation, any direct, indirect and consequential damages, including, without limitation, any losses incurred due to Landlord's delay in preparing or delivering the Premises to a new tenant. No acceptance by Landlord of any such foregoing monies under this Section shall be deemed a consent to any holdover of Tenant beyond the expiration or initial termination of this Lease, and, in addition to payment of such foregoing amounts, Landlord shall be entitled to all rights and remedies available under this Lease and/or at law and/or in equity with respect to such holdover by Tenant.

19. **Intentionally Deleted.**

20. **Consents.** Tenant's sole remedy for Landlord's failure to provide consent where required under this Lease shall be injunctive relief.

21. **Reservation.** Landlord hereby reserves to itself and its successors and assigns the following rights (each of which are hereby consented to by Tenant): (i) to change the street address and/or name of the Building and/or the arrangement and/or location of entrances, passageways, doors, doorways, corridors, elevators, stairs, toilets, or other public parts of the Building; (ii) to erect, use and maintain wires, pipes and other conduits in and through the Premises in such a manner so as not to materially reduce the usable area of the Premises or otherwise Tenant's use of the Premises, and Landlord shall restore the Premises to substantially its prior condition following the completion of such work (but subject to such installations). In addition to and without limiting the foregoing, Landlord hereby reserves the right to alter the layout of the Building and to erect additional stories on the Building and to erect and permit the erection of structures adjacent to the Building and to perform and construct all other improvements, renovations, constructions and improvements in, on, to or adjacent to the Building and the Property and adjacent properties as Landlord shall desire and the occurrence of the foregoing shall in no way affect this Lease or Tenant's obligations hereunder or impose any liability of any kind upon the Landlord or be deemed to be a constructive eviction or otherwise. In exercising its rights under this Section, (i) Landlord shall use commercially reasonable efforts to minimize interference with Tenant's operations of the Premises, and (ii) Landlord shall not materially diminish the square footage of the Premises, and (iii) Landlord, at Landlord's sole cost and expenses, shall perform all work reasonably necessary for Tenant to continue to operate for business in substantially the same manner as Tenant was operating immediately prior to such action taken by Landlord. Landlord may exercise any of all of the foregoing rights without being deemed to be having committed an eviction, actual or constructive, or a disturbance or interruption of the business of Tenant or Tenant's use or occupancy of the Premises.

22. **Independent Covenants.** The covenants and obligations of Landlord and Tenant hereunder are separate and independent from one another. Tenant's obligations to pay Rent and other amounts payable hereunder, and to perform its

obligations hereunder, shall be fully enforceable and shall not be impaired or excused, notwithstanding any breach by Landlord hereunder. No Rent or other amounts payable hereunder shall be subject to reduction, delay, offset, withholding or other defense to Landlord.

23. **Environmental Matters.** Tenant shall not engage in operations at the Premises which involve the generation, manufacture, refining, transportation, treatment, storage, handling or disposal of any "hazardous substance" or "hazardous waste" as such terms are defined under the applicable State or Federal or local law, or of "hazardous substances" as defined in section 101 (14) of the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), 42 U.S.C. 9601 (14), as amended by the Superfund Amendments and Reauthorization Act of 1986 ("SARA") and/or any other applicable law governing the environmental or hazardous substances or similar matters. Without limiting the foregoing, Tenant shall, at its sole cost and expense, provide for the proper and lawful disposal and removal from the Premises of all hazardous substances (including without limitation, mold) existing at the Premises and caused or introduced by Tenant or any of its principals, employees, agents, or contractors or subcontractors or licensee or invitees. Tenant shall indemnify, defend and hold Landlord and its principals, officers, agents, lenders, mortgagees and employees harmless from any losses, damages, costs and expenses resulting from a violation of this Section and/or the introduction or permitting or creating, causing or exacerbating by Tenant or any of its principals, employees, agents, or contractors or subcontractors or licensee or invitees on near or under the Land, Building, or Premises of such hazardous waste or substances or condition; which obligations of Tenant shall include, without limitation of the foregoing, that Tenant, at its sole cost and expense, shall be responsible to promptly remediate and cure any such foregoing condition in accordance with all applicable law. This Section 23 shall survive the expiration or termination of this Lease.

24. **Miscellaneous.**

24.1 **Intentionally Deleted.**

24.2 **No Representations by Landlord.** Tenant acknowledges that neither Landlord nor any broker, agent or employee of Landlord has made any representations or promises with respect to the Premises or the Building except as herein expressly set forth, and no rights, privileges, easements, or licenses are acquired by Tenant except as herein expressly set forth. Except as expressly set forth otherwise herein, Tenant, by taking possession of the Premises, shall accept the same "as is", "where is" and with all faults, and such taking of possession shall be conclusive evidence that the Premises and the Building are in good satisfactory condition at the time of such taking of possession.

24.3 **No Partnership.** Nothing contained in this Lease shall be deemed or construed to create a partnership or joint venture of or between Landlord and Tenant, or to create any other relationship between the parties hereto other than that of Landlord and Tenant.

24.4 **Brokers.** Each party hereby represents and warrants to the other that such representing party has not employed or dealt with any broker, agent or finder in locating the Building or the Premises, or in carrying on the negotiations relating to this Lease. Each party shall indemnify, defend and hold the other harmless, from and against any claim or claims for brokerage or other commission arising from or out of any breach of the foregoing representation and warranty by such indemnifying party, or from any conduct or alleged conduct by such indemnifying party by which a commission or other fee is claimed. This provision is not intended for, nor shall be construed as having been made for, the benefit of any broker or any other third party. The provisions of this Section shall survive expiration or earlier termination of this Lease.

24.5 **Intentionally Deleted.**

24.6 **Estoppel Certificate.** Tenant agrees, at any time, and from time to time, during the Term, within fifteen (15) business days after request from Landlord, to execute, acknowledge and deliver to Landlord a statement in writing which shall contain the following provisions: (i) a statement that this Lease is unmodified and in full force and effect (or if there have been modifications, that this Lease is in full force and effect as modified and stating the modifications), (ii) a statement of the dates to which the Rent and any other charges hereunder have been paid by Tenant, (iii) a statement of whether or not, to the knowledge of Tenant, Landlord is in default in the performance of any covenant, agreement or

condition contained in this Lease, and if so, specifying each such default of which Tenant may have knowledge, (iv) a statement of the address to which notices to Tenant should be sent, (v) a statement that Tenant has accepted the Premises and improvements therein, (vi) a statement of the Commencement Date and Expiration Date of the Term and the amount of any renewal options remaining, if any, and (vii) such other statement or statements as Landlord, any prospective purchaser of the Building, any mortgagee or prospective mortgagee of the Building or of Landlord's interest therein and/or any prospective assignee of any such mortgagee, may reasonably request. Tenant's failure to deliver such statement within an additional five (5) business days written demand from Landlord given after the expiration of the foregoing fifteen (15) business day period shall be deemed to be an Event of Default of Tenant under this Lease. Any such statement delivered pursuant hereto, may be relied upon by any owner of the Building (including Landlord), prospective purchaser of the Building, any mortgagee or prospective mortgagee of the Building or of Landlord's interest therein and/or any prospective assignee of any such mortgagee and/or any other interested party. Tenant will agree to make such reasonable changes or modifications to this Lease as may be required by any mortgagee, now or hereafter, of the Building and/or the Land, provided that such changes or modifications shall not materially adversely affect Tenant's business operations or Tenant's Permitted Use, or increase the amount of Rent required under Section 3 hereof, shorten the Term or change or materially decrease the square footage of the Premises or otherwise materially increase Tenant's obligations under this Lease.

24.7 **Intentionally Deleted.**

24.8 **Notices.** Any bills, statements, notices, demands, requests, consents, approvals, or other communications hereunder shall be effective only if rendered or given in writing and delivered by hand or sent by certified or registered mail, return receipt requested, first-class postage prepaid, or by national overnight courier, in each case addressed as follows:

A. If to Landlord:

Hoffman Flagler LLC
c/o Bushburg Properties, Inc.

or to such other address(es) as Landlord may designate by written notice to Tenant.

B. If to Tenant:

With copy to:

Florida Power & Light Company
700 Universe Blvd.
Juno Beach, Florida 33408
Attn: General Counsel

or to such other address as Tenant may designate by written notice to Landlord.

Any such bill, statement, notice, demand, request, consent, approval or other communications shall be deemed to have been rendered or given (i) when delivered (or when delivery is first refused), when delivered by hand, (ii) three (3) business days after when deposited with USPS, when mailed as set forth above, and (iii) one (1) business day after when deposited with national overnight courier for next business day delivery. Notices given by a party's attorney shall be deemed given by such party.

24.9 **Force Majeure.** In the event that either party shall be delayed, hindered in or prevented from the performance of any act required to be performed hereunder by reason of Force Majeure (as hereinafter defined), then performance of such act shall be excused for the period of the delay and the period for the performance of any such act shall be extended for a period equivalent to the period of such delay. The term "Force Majeure" means any Act of God, strikes, lock-outs, labor troubles, inability to procure materials, failure of power, restrictive legal requirements, riots and insurrection, acts of the public enemy, wars, earthquakes, hurricanes and other natural disasters, fires, explosions, pandemics, or any other circumstance beyond the reasonable control of the affected party claiming Force Majeure. In the event of any delay or nonperformance caused by a Force Majeure circumstance, the party affected shall promptly notify the other in writing. Notwithstanding the foregoing or anything in this Lease to the contrary, in no event shall Tenant be excused under this Section from its obligation to make timely payments of Fixed Rent and Additional Rent under this Lease or to otherwise timely comply with its monetary obligations under this Lease, and, further, in no event shall inadequacy of funds be deemed to be a Force Majeure event claimable by Tenant hereunder or otherwise be a reason for Tenant to be excused from its obligations under this Lease.

24.10 **Invalidity of Particular Provisions.** If any provisions of this Lease or the application thereof to any person or circumstances shall to any extent be invalid or unenforceable, the remainder of this Lease, or the application of such provisions to persons, or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each provision of this Lease shall be valid and be enforced to the fullest extent permitted by law.

24.11 **Gender and Number.** Feminine, neuter or masculine pronouns shall be substituted for one another and the plural and the singular shall be substituted for each other, in any place or places herein in which the context may require such substitution.

24.12 **Benefit and Burden.** The provisions of this Lease shall be binding upon, and shall inure to the benefit of (i) Landlord and Tenant, (ii) each of their successors and permitted assigns, and (iii) such other persons or entities as and to the extent expressly set forth in this Lease.

24.13 **Landlord Liability.**

(a) **Transfer of Landlord's Interest.** Landlord has the right to sell, assign, convey or otherwise transfer the Premises and/or the Building and/or Landlord's interest in either or both and/or this Lease, and in the event of such transfer, the transferor shall be automatically relieved of any and all obligations on the part of Landlord accruing from and after the date of such transfer.

(b) **Limitation of Landlord's Liability.** Notwithstanding anything to the contrary provided in this Lease, there shall be absolutely no personal liability on the part of Landlord or any officer, director, shareholder, partner, member, employee or agent of Landlord, whether disclosed or undisclosed (or of any successor corporate landlord or any partner of any limited or general partnership which may become Landlord or any individual or other entity), with respect to any of the terms, covenants and conditions of this Lease, and Tenant shall look solely to the interest, income or equity, if any, of Landlord in the Building for the satisfaction of each and every remedy of Tenant in the event of a breach or default by Landlord of any of the terms, covenants and conditions of this Lease, such exculpation of personal liability to be absolute and without any exception whatsoever. No other property or assets of Landlord, any successor to Landlord, or any officer, director, shareholder, partner, member, employee or agent of Landlord or any successor to Landlord, shall be subject to judgment, levy, execution or other enforcement procedure for the satisfaction of Tenant's remedies under or with respect to this Lease or the use or occupancy of the Premises.

24.14 **Intentionally Omitted.**

24.15 **Demolition.** In the event that at any time Landlord (or its successor or contract vendee) plans or intends or otherwise desires to demolish or otherwise redevelop and/or repurpose the Building, then Landlord shall have the right to terminate this Lease upon at least one hundred eighty (180) days prior written notice to Tenant, in which event this Lease

and the Term hereunder shall come to end and expire as of the date set forth in such notice and on or prior to such date Tenant shall vacate and surrender the Premises to Landlord in the condition and manner required under, and otherwise in accordance with, the provisions of this Lease.

24.16 **Subordination**. This Lease is and shall be subject and subordinate at all times to the lien of all mortgages and other encumbrances which now or hereafter encumber or otherwise affect the Property and/or the Building, to the rights of the owners of the Building and/or Property if not Landlord, and to Landlord's leasehold interest therein (if Landlord is a ground lessee of the Property and/or Building), and to all and any renewals, extensions, modifications, recastings, or refinancing thereof (provided that such superior lessor and/or mortgagee shall have the right to elect to subordinate their estate and interests to this Lease). Tenant shall, within fifteen (15) business days after request by Landlord, promptly execute, acknowledge and deliver to Landlord any reasonable written statement or agreement confirming such subordination reasonably required by Landlord or any of its lenders or ground lessors. Tenant's failure to deliver such certificate or other document within an additional five (5) business days written demand from Landlord given after the expiration of the foregoing fifteen (15) business day period shall be deemed to be an Event of Default of Tenant under this Lease. Tenant agrees that in the event that any proceedings are brought for the foreclosure of any such mortgage, Tenant shall attorn to the purchaser at such foreclosure sale, if requested to do so by such purchaser, and shall recognize such purchaser as the landlord under this Lease.

24.17 **Attornment**. If any successor in interest, including but not limited to, a lessor of a superior lease or the holder, now or hereafter, of a superior mortgage shall succeed to Landlord's estate in the Building and/or Property or the rights of Landlord under this Lease, whether through purchase, operation of law, possession or foreclosure action or delivery of a new lease or deed or otherwise, then at the election of such party so succeeding to Landlord's rights (herein sometimes called "successor landlord"), Tenant shall attorn to and recognize such successor landlord as Tenant's landlord under this Lease, and shall promptly execute, acknowledge and deliver any instrument that such successor landlord may reasonably request to evidence such attornment, provided only that such successor landlord agrees not to disturb Tenant's possession under this Lease so long as Tenant is not in default hereunder beyond the expiration of any notice and cure period.

24.18 **Entire Agreement**. This Lease, together with all exhibits and schedules attached hereto, contains and embodies the entire agreement between the parties hereto, and supersedes all prior agreements between the parties and no representation (prior or contemporaneous), inducements or agreements between the parties, oral or otherwise, not contained in this Lease or the exhibits or schedules attached hereto, shall be of any force or effect.

24.19 **Authority**. Tenant and the individual(s) signing this Lease on behalf of Tenant, hereby jointly and severally represent and warrant to Landlord that the Tenant has the full authority to enter into this Lease and to perform its obligations hereunder and that the individual(s) signing this Lease of behalf of Tenant has the authority to do so and to bind Tenant. Landlord represents and warrants to Tenant that the Landlord has the full authority to enter into this Lease and to perform its obligations hereunder and that the individual(s) signing this Lease of behalf of Landlord has the authority to do so and to bind Landlord.

24.20 **Intentionally Omitted**.

24.21 **Lease May Not Be Recorded**. Tenant may not record this Lease or any assignment or memorandum thereof. Any such recording by Tenant shall be deemed an incurable Event of Default hereunder and Tenant shall cause the removal of such recording, and, in addition to any other remedies which Landlord may have hereunder, all security monies deposited with the Landlord, if any, shall thereupon automatically be deemed forfeited to the Landlord.

24.22 **Patriot Act**. Tenant represents and warrants that (a) Tenant is not listed on the list maintained by the United States Department of the Treasury, Office of Foreign Assets Control (commonly known as the OFAC List) or otherwise qualifies as a person with whom business by a United States citizen or resident is prohibited and (b) Tenant is not in violation of any anti-money laundering or anti-terrorism statute, including, without limitation, the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, U.S. Public Law 107-56

(commonly known as the USA PATRIOT Act), and the related regulations issued thereunder, including temporary regulations, all as amended from time to time.

24.23 **Counterparts; Electronic Delivery.** This Lease may be executed in one or more counterparts, each of which when taken together shall constitute but one and the same instrument. This Lease may be executed and delivered by facsimile transmission or as a PDF attachment to an email or other electronic method, and such copies and all further copies thereof shall be deemed to be originals for all purposes.

24.24 **Condominium Conversion.** Landlord hereby reserves the right to convert the Building to a condominium form of ownership and that this Lease and all rights of Tenant thereunder shall be subject and subordinate in all respects to the provisions of the documents and instruments governing such condominium regime, including without limitation, the Declaration of Condominium and By-Laws (collectively, the "**Condominium Documents**") and Tenant shall enter into such reasonable modifications to this Lease or other documents or instruments necessary or appurtenant to such condominium regime and shall otherwise cooperate in effecting such conversion; provided, however, that the Condominium Documents and such modifications, other instruments do not materially increase Tenant's obligations or materially decrease Tenant's rights pursuant to this Lease, nor interrupt Tenant's continued permitted use and occupancy of the Building pursuant to the terms of the Lease nor materially reduce any of the rights of Tenant as provided in the Lease, nor materially reduce any of the obligations of Landlord as provided in the Lease except to the extent that the board of managers of the condominium will undertake to perform the same.

24.25 **Disclosures.** Pursuant to Section 404.056 of the Florida Statutes or otherwise, Landlord does hereby notify Tenant of the following: Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county health department. Landlord does hereby notify Tenant that there may be lead-based paint in the Building which may pose a risk to health under certain circumstances. Further, given the climate and humid conditions in south Florida, molds and Fungus may exist and/or develop within the demised premises. Tenant is hereby advised that certain molds may be, or if allowed to remain for a sufficient period may become, toxic and potentially pose a health risk. Tenant is solely responsible for the removal of any mold and fungi growth in the Premises.

25. **WAIVER OF JURY TRIAL; VENUE.** LANDLORD AND TENANT HEREBY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY EITHER OF THE PARTIES HERETO AGAINST THE OTHER ON OR IN RESPECT OF ANY MATTER WHATSOEVER ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS LEASE, THE RELATIONSHIP OF LANDLORD AND TENANT HEREUNDER, TENANT'S USE OR OCCUPANCY OF THE PREMISES, AND/OR ANY CLAIM OF INJURY OR DAMAGE. TENANT HEREBY IRREVOCABLY SUBMITS TO THE JURISDICTION OF THE FEDERAL AND STATE AND COUNTY COURTS LOCATED IN THE COUNTY IN WHICH THE PREMISES ARE LOCATED, AND WAIVES ANY CLAIM TO IMPROPER VENUE IN ANY OF SUCH COURTS.

26. **Intentionally Omitted.**

27. **Prior Lease; Electric; Generator.** Tenant is currently occupying the Premises (and other space in the Building) pursuant to a certain Agreement of Lease dated as of April 28, 2011 (the "Prior Lease") entered into by Landlord's predecessor in interest. Notwithstanding anything to the contrary in the Prior Lease, in this Lease or any other lease or other agreement between Landlord and Tenant and/or their respective affiliates at the Property, the following shall apply:

- (i) Tenant shall continue to maintain and pay for the cost of the electric used through Tenant's existing electric meters in Tenant's name (collectively, the "**Meters**") for all of the leased premises under the Prior Lease through October 31, 2023, provided Tenant occupies such space or such space remains vacant, and irrespective of the expiration and/or earlier termination of the Prior Lease; provided however, in the event such space is occupied by a third party other than Tenant, Tenant shall not be responsible for paying the cost of the electric used through Tenant's Meters by such

third party. On November 1, 2023, Tenant and Landlord shall cause the Meters to be transferred into Landlord's name and Tenant shall no longer be named on the Meters. These obligations shall survive the expiration and/or earlier termination of the Prior Lease and this Lease. For the avoidance of doubt, the foregoing shall not limit the obligations of Tenant beyond October 31, 2023 with respect to the space that Tenant does occupy thereafter, including without limitation with respect to a portion of the 5th floor that Tenant currently leases pursuant to a separate lease dated as of August 1, 2022.

- (ii) Effective as of November 1, 2023, Landlord shall have the right to tie into Tenant's generators located on the Property such equipment and systems as Landlord shall desire, and Tenant shall fully cooperate with all such efforts, and, further, Landlord shall have the right to use the fuel in such generators (and its fuel tanks), and all of such fuel shall become the full property Landlord, all at no charge or cost to Landlord. In furtherance of the foregoing, effective as of November 1, 2023, Tenant shall surrender such generators and fuel to Landlord and, unless otherwise directed by Landlord in its sole discretion, Tenant shall not remove same from the Property, but rather same shall become the full property of Landlord.

Landlord and Tenant agree to the following:

Landlord's cooperation shall include the prompt execution and delivery of any documents necessary to obtain and maintain Government Approvals or utility services. Additionally, Landlord shall not take any actions which are in conflict with or interfere with Tenant's Governmental Approvals.
3. **Antenna Facilities and Permitted Uses.** Tenant leases the Premises for its equipment, personal property and improvements associated with Tenant's wireless communications business (the "**Antenna Facilities**"). The Premises may be used for the construction, installation, operation, maintenance, repair, addition, modification, upgrading, removal or replacement of any and all Antenna Facilities (the "**Permitted Uses**") for no fee or additional consideration. The Antenna Facilities shall remain the exclusive property of Tenant and shall not be considered fixtures. Tenant, at its expense, may use any and all reasonable means as Tenant deems necessary to control, secure or restrict access to the Antenna Facilities. Landlord hereby waives any and all lien rights it may have concerning the Antenna Facilities. Notwithstanding anything to the contrary in the Lease, (a) if any portion of the Antenna Facilities will be installed on a tower owned by Landlord ("**Tower**"), Landlord warrants that the Tower has structural capacity to support Tenant's equipment as shown on **Exhibit B**, (b) Tenant shall have the right to install the equipment shown on **Exhibit B** at any time during the Term without any increase in Rent, and (c) during the Term, Landlord shall reserve space and loading capacity on the Tower for Tenant's equipment shown on **Exhibit B**. If necessary to maintain service, Tenant shall have the right to locate a cell-on-wheels, or other temporary antenna facility on the Property. Landlord shall cooperate with the placement of the temporary facility at a mutually acceptable location.
4. **Lease Term.**
 - a) The Initial Term of the Lease shall be Five Years (5) years commencing on expiration of the current Term, July 22st, 2017 (the "**Commencement Date**"), and ending on the day immediately preceding the fifth (5th) anniversary of the Commencement Date (the "**Initial Term**"). The Initial

Term, together with any Renewal Terms and Extended Periods are referred to collectively as the "Term."

- b) The Initial Term shall automatically renew four (4) successive renewal terms of five (5) years each (each a "Renewal Term"), provided, however, that Tenant may elect not to renew by providing notice prior to the expiration of the then current Term.
- c) Upon the expiration of the final Renewal Term, Tenant shall have the right to continue to occupy the Premises and the Term shall automatically extend for up to nine (9) successive one (1) year periods (each, an "Extended Period"). Landlord may terminate the renewal of any Extended Period by delivery of notice at least six (6) months prior to the end of the then current Extended Period. Tenant may terminate any Extended Period at any time by delivery of notice to Landlord.

5. Rent/Other Charges.

- a) Upon the Commencement Date, Tenant shall pay Landlord rent in the amount of four thousand two hundred thirteen and 70/100 dollars (\$4,213.70) per month (the "Rent"). Tenant shall deliver Rent to Landlord at the address specified in Section 15, or by electronic payment. The first Rent payment shall be due within thirty (30) days after the Commencement Date. Subsequent Rent shall be payable by the fifth day of each month.
- b) The Rent shall increase each anniversary of the commencement date by an amount equal to four percent (4) of the Rent for the immediately preceding year. The Rent for each Extended Period shall be an amount equal to one hundred one percent (101%) of the Rent for the immediately preceding Term.
- c) Rent for any partial month shall be prorated on a per day basis, based on the number of days in the month in question. Landlord shall cooperate with Tenant regarding the use of any electronic rent payment systems or the provision of any associated documentation. Tenant may condition payment of Rent and any other sums payable under this Lease upon Tenant's receipt of a duly completed IRS form W-9, or similar governmental form.
- d) Any charges payable under this Lease other than Rent shall be billed by Landlord to Tenant within twelve (12) months from the date the charges were incurred or due; otherwise the charges shall be deemed time-barred and forever waived and released by Landlord.

6. Interference. Tenant shall not interfere with the radio frequency communications of Landlord or any of Landlord's existing tenants as of the Effective Date. After the Effective Date, Landlord shall not install, or permit any third party to install, any equipment or structures that interfere with or restrict the operations of Tenant. Any such interference shall be deemed a material breach of this Lease by Landlord and Landlord shall remove the cause of the interference within forty-eight (48) hours of notice. Tenant shall have the right to exercise all legal and equitable rights and remedies to end the interference.

7. Utility Services.

- a) Tenant shall have the right to connect to, maintain, repair, upgrade, remove or replace existing utility related equipment and shall have the right to install new utility related equipment, including a generator receptacle plug at the first floor level, optical fiber facilities, and alternative energy related equipment, to service its Antenna Facilities, or cell-on-wheels on the Property (collectively, the "Utility Facilities").

- b) Tenant shall be responsible for all utilities charges for electricity, or any other utility service used by Tenant on the Premises. Tenant shall install separate meters for Tenant's utility usage. Tenant shall have the sub-meter read and reimburse Landlord per quarter for its utility usage. Tenant shall not have the right to connect to Landlord's emergency panel and/or back up electrical service.

8. Access and Easements.

1 Landlord shall furnish, at no additional charge to Tenant, unimpeded and secure access to the Premises on a 24-hours-a-day, 7-days-a-week basis to Tenant and Tenant's employees, agents, contractors and other designees.

1 Landlord grants Tenant, at no additional Rent or charge, easements on, over, under and across the Property for ingress, egress, communications, power and other utilities, construction, demolition and access to the Premises and any Utility Facilities (collectively, the "**Easements**"). Landlord shall not modify, interrupt or interfere with any communications, electricity, or other utility equipment and easements serving the Property, except with the prior written approval of Tenant.

9. Termination. Tenant may terminate this Lease without further liability, upon thirty (30) days prior written notice to Landlord, for any of the following reasons: (i) changes in local or state laws or regulations which adversely affect Tenant's ability to operate; (ii) a Federal Communications Commission ("**FCC**") ruling or regulation that is beyond the control of Tenant; (iii) technical or economic reasons; or (iv) if Tenant is unable to obtain any Governmental Approval required for the construction or operation of Tenant's Antenna Facilities. Upon ninety (90) days prior written notice to Landlord, Tenant may terminate this Lease for any or no reason.

10. Casualty and Condemnation. If the Premises or Antenna Facilities are damaged or destroyed by wind, fire or other casualty, Tenant shall be entitled to negotiate, compromise, receive and retain all proceeds of Tenant's insurance and other claims and Tenant may terminate the Lease by written notice to Landlord. If the Premises, any Easements or Antenna Facilities are taken or condemned by power of eminent domain or other governmental taking, then: (a) Tenant shall be entitled to negotiate, compromise, receive and retain all awards attributable to (i) the Antenna Facilities, (ii) Tenant's leasehold interest in the Property, (iii) any moving or relocation benefit available to Tenant and (iv) any other award available to Tenant that is not attributable to Landlord's title to or interest in the Property. If the Antenna Facilities are not operational due to casualty or condemnation, Tenant shall have the right to abate the Rent for that period time. In addition, Tenant may terminate the Lease by written notice to Landlord.

11. Default and Right to Cure. A party shall be deemed in default under this Lease if it fails to make any payment, or to perform any obligation required of it within any applicable time period specified and does not commence curing such breach within thirty (30) days after receipt of written notice of such breach from the non-defaulting party ("**Default**"). This Lease, or Tenant's rights of possession shall not be terminated due to any Tenant Default unless: (a) the Default is material; (b) Landlord shall have given Tenant not less than thirty (30) days prior written notice, after the expiration of the cure period described above, and Tenant fails to cure or commence the cure of such Default within the second thirty (30) day notice period; and (c) Landlord lacks any other adequate legal or equitable right or remedy.

12. Taxes. Landlord shall pay when due all real estate taxes and assessments for the Property, including the Premises. Notwithstanding the foregoing, Tenant shall reimburse Landlord for any personal property tax paid for by Landlord which is solely and directly attributable to the presence or installation of Tenant's Antenna Facilities during the Term. Landlord shall provide prompt and timely notice of any tax or assessment for which

Tenant is liable. Tenant shall have the right to challenge any tax or assessment and Landlord shall cooperate with Tenant regarding such challenge.

13. Insurance and Subrogation and Indemnification.

13 During the Term, Tenant and Landlord each shall maintain Commercial General Liability Insurance in amounts of One Million and no/100 Dollars (\$1,000,000.00) per occurrence and Two Million and no/100 Dollars (\$2,000,000.00) aggregate. Each party may satisfy this requirement by obtaining the appropriate endorsement to any master insurance policy such party may maintain. Tenant and Landlord shall each maintain "all risk" or "special causes of loss" property insurance on a replacement cost basis for their respectively owned real or personal property.

13 Landlord and Tenant hereby mutually release each other (and their successors or assigns) from liability and waive all right of recovery against the other for any loss or damage covered by their respective first party property insurance policies for all perils insured thereunder. In the event of an insured loss, neither party's insurance company shall have a subrogated claim against the other party.

13 Subject to the property insurance waivers set forth in the preceding subsection (b), Landlord and Tenant each agree to indemnify and hold harmless the other party from and against any and all administrative and judicial actions and rulings, claims, causes of action, demands and liabilities, including reasonable attorneys' fees, to the extent caused by or arising out of: (i) any negligent acts or omissions or willful misconduct in the operations or activities on the Property by the indemnifying party or the employees, agents, contractors, licensees, tenants or subtenants of the indemnifying party, (ii) any spill or other release of any Hazardous Substances (as defined below) on the Property by the indemnifying party or the employees, agents, contractors, licensees, tenants or subtenants of the indemnifying party, or (iii) any breach of any obligation of the indemnifying party under this Lease. The indemnifying party's obligations under this subsection are contingent upon its receiving prompt written notice of any event giving rise to an obligation to indemnify the other party and the indemnified party's granting it the right to control the defense and settlement of the same.

13 Tenant shall not be responsible or liable to Landlord or any third party for any claims, damages, costs, expenses, including liens, fines, penalties or other enforcement actions, attributable to any pre-existing violations of applicable laws, codes, ordinances or other regulations relating to the Property (collectively, "**Pre-Existing Violations**"). To the extent Tenant is or may be required to cure such Pre-Existing Violations in order to obtain any Governmental Approvals for its Permitted Uses of the Premises, however, Tenant shall have the right, but not the obligation, to cure such Pre-Existing Violations and deduct the curative costs from Rent payable under this Lease.

13 The provisions of subsections (b) and (c) above shall survive the expiration or termination of this Lease.

14. Notices. All notices, requests, demands and other communications shall be in writing and shall be effective three (3) business days after deposit in the U.S. mail, certified, return receipt requested or upon receipt if personally delivered or sent via a nationally recognized courier to the addresses set forth below. Landlord or Tenant may from time to time designate any other address for this purpose by providing written notice to the other party.

<u>If to Tenant, to:</u> T-Mobile USA, Inc. 12920 SE 38th Street Bellevue, WA 98006 Attn: Lease Compliance/ (Site #)	<u>If to Landlord, to:</u> Hoffman Flagler 9250 West Flagler Street, Suite 140 Miami, FL 33174
	<u>Per the W-9 Form Rent is to be paid to:</u> Hoffman Flagler 9250 West Flagler Street, Suite 140 Miami, FL 33174

15. Quiet Enjoyment, Title and Authority. Landlord covenants and warrants that: (a) Landlord has full right, power and authority to execute and perform this Lease and to grant Tenant the leasehold interest and Easements contemplated under this Lease; (b) Landlord has good and unencumbered title to the Property, free and clear of any liens or Mortgages (defined below) which will interfere with Tenant’s Permitted Uses and any rights under this Lease; (c) the execution and performance of this Lease shall not violate any laws, ordinances, covenants, or the provisions of any Mortgage, lease, or other agreement binding on Landlord; (d) Tenant’s use and quiet enjoyment of the Premises will not be disturbed; and (e) Landlord will be responsible, at its sole cost and expense, for maintaining all portions of the Property in good order and condition and in compliance with all applicable laws, including without limitation, the roof, any support structure owned by Landlord, HVAC, plumbing, elevators, landscaping and common areas.

16. Environmental Laws. Landlord and Tenant shall comply with all federal, state and local laws in connection with any substances brought onto the Property that are identified by any law, ordinance or regulation as hazardous, toxic or dangerous (collectively, the “**Hazardous Substances**”). Tenant agrees to be responsible for all losses or damage caused by any Hazardous Substances that it may bring onto the Property and will indemnify Landlord for all such losses or damages. Landlord agrees to be responsible for all losses or damage caused by any Hazardous Substances on or entering the Property, except those brought onto the Property by Tenant, and will indemnify Tenant for all such losses or damages including the cost of any investigation or remediation, or other actions required to comply with applicable law. Landlord represents that it has no knowledge of any Hazardous Substances on the Property.

17. Assignment.

17 Tenant shall have the right to assign, sublease or otherwise transfer this Lease, upon written notice to Landlord. Upon an assignment or transfer, Tenant shall be relieved of all liabilities and obligations and Landlord shall look solely to the transferee for performance under this Lease. Upon receipt of a written request from Tenant, Landlord shall promptly execute an estoppel certificate.

1 Landlord shall have the right to assign and transfer this Lease only to a successor owner of the Property. Only upon Tenant’s receipt of written verification of a sale, or transfer of the Property shall Landlord be relieved of all liabilities and obligations and Tenant shall look solely to the new landlord for performance under this Lease. Until Tenant receives required information and documents, Tenant shall not be responsible for any failure to make payments under this Lease and reserves the right to hold payments due under this Lease. Landlord shall not attempt to assign, or otherwise transfer this Lease separate from a transfer of ownership of the Property (the “**Severance Transaction**”), without the prior written consent of Tenant, which consent may be withheld or conditioned in Tenant’s sole discretion. If Tenant consents to a Severance

Transaction, Landlord and its successors and assigns shall remain jointly and severally responsible for the performance of all duties and obligations of the Landlord under this Lease.

18. Relocation. Landlord must provide Tenant at least six (6) months written notice of any repairs, maintenance or other work (the "**Work**") during the Term of the Lease which would require the temporary relocation of the Antenna Facilities. Landlord agrees that the Work will not interfere with or alter the quality of the services provided by the Antenna Facilities. Landlord will reimburse Tenant for all expenses incurred by Tenant required to accommodate the Work.

19. Marking and Lighting Requirements. If any tower or other support structure for Tenant's Antenna Facilities is owned by Landlord, Landlord acknowledges that Landlord shall be responsible for compliance with all marking and lighting requirements of the Federal Aviation Administration and the FCC. Landlord shall indemnify and hold Tenant harmless from any fines or other liabilities caused by Landlord's failure to comply with these requirements.

20. Miscellaneous.

20 The prevailing party in any litigation or other legal proceedings arising under this Lease (including any appeals and any insolvency actions) shall be entitled to reimbursement from the non-prevailing party for reasonable attorneys' fees and expenses.

20 This Lease constitutes the entire agreement and understanding of the parties, and supersedes all offers, negotiations and other agreements with respect to the subject matter and Property. Any amendments to this Lease must be in writing and executed by both parties.

20 Landlord agrees to cooperate with Tenant in executing any documents which Tenant deems necessary to insure and protect Tenant's rights in, or use of, the Premises. Landlord shall execute and deliver: (i) a Memorandum of Lease in substantially the form attached as Exhibit C; and (ii) if the Property is encumbered by a deed, mortgage or other security interest (each, a "**Mortgage**"), a subordination, non-disturbance and attornment agreement using Tenant's form.

20 This Lease shall be construed in accordance with the laws of the state or territory in which the Property is located, without regard to the principles of conflicts of law.

20 If any term of this Lease is found to be void or invalid, the remaining terms of this Lease shall continue in full force and effect. Any questions of particular interpretation shall be interpreted as to their fair meaning.

20 Each party hereby represents and warrants to the other that this Lease has been duly authorized, executed and delivered by it, and that no consent or approval is required by any lender or other person or entity in connection with the execution or performance of this Lease.

20 If either party is represented by any broker or any other leasing agent, such party is responsible for all commission fee or other payment to such agent.

20 This Lease and the interests granted herein shall run with the land, and shall be binding upon and inure to the benefit of the parties, their respective successors, personal representatives and assigns.

20 This Lease may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute a single instrument. Signed facsimile and electronic copies of this Lease shall legally bind the parties to the same extent as original documents.

LEASE

THIS LEASE (this "Lease") is made as of August 17, 2022 by and between **HOFFMAN FLAGLER LLC** ("Landlord"), and **FIRST QUALITY HOME CARE, INC.**, a Florida corporation ("Tenant").

RECITALS

- A. Landlord is the owner of the land having an address at 9250 W Flagler Street, Miami, Florida (the "Land") and the building located thereon (the "Building"). The Land and the Building are referred to collectively as the "Property".
- B. Tenant desires to lease space within the Building, and Landlord is willing to lease such space to Tenant, upon and subject to the terms, conditions, covenants and agreements set forth herein.

TERMS OF AGREEMENT

NOW, THEREFORE, in consideration of the mutual promises herein contained and incorporating the foregoing Recitals in their entirety, the parties hereto, intending to be legally bound hereby, covenant and agree as set forth below:

1. **Premises; Permitted Use.**

(a) **Premises.** Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, the Premises (as hereinafter defined) for the Permitted Use (as hereinafter defined) for the Term (as hereinafter defined) and upon and subject to the terms and conditions, covenants and agreements hereinafter set forth in this Lease. The term "**Premises**" means a portion of the fifth (5th) floor of the Building, as approximately shown on Exhibit A.

(b) **Permitted Use.** The term "**Permitted Use**" means the use of the Premises for administrative and executive offices for Tenant's business as a home health agency that provides home health care services at patient's home (and, ancillary thereto, Tenant from time to time may use the facility to temporarily store patient's collected lab samples), but subject to and in accordance with applicable law (including applicable zoning regulations) and the terms and conditions of this Lease, and for no other purpose whatsoever.

2. **Term; Initial Alterations.**

(a) **Initial Term.** The initial term of this Lease (as may be extended or sooner terminated in accordance with the provisions of this Lease, the "**Term**") shall be for a period equal to 7 years and 5 months, commencing on the date Landlord delivers the Premises to Tenant in the Delivery Condition, as hereinafter defined (such date, the "**Commencement Date**") and ending on the last day of the 7th Lease Year (the "**Expiration Date**"), unless extended or sooner terminated in accordance with this Lease. The "**Rent Commencement Date**" shall mean the date on which Tenant is first obligated to pay Fixed Rent under this Lease, following the Abatement Period under Section 3.1, if applicable. If the Rent Commencement Date is the first date of a calendar month, then the first "Lease Year" shall be the period of time from such date through the date immediately preceding the first (1st) anniversary of the Rent Commencement Date; if the Rent Commencement Date is other than the first day of a calendar month, then the first "Lease Year" shall be the period of time from such date to the end of the month in which such date shall fall, plus the following twelve (12) calendar months. Each "Lease Year" after the first Lease Year shall be a successive period of twelve (12) calendar months. Upon Landlord's request, Tenant shall promptly execute a written agreement confirming the Commencement Date, Rent Commencement Date, and the Expiration Date; provided, however, that the failure of any party to execute such agreement shall not affect such dates.

(b) **Renewal Term.** Provided that, at the time of the giving of the Renewal Notice (as hereinafter defined) and upon the commencement of the Renewal Term (as hereinafter defined), this Lease is in full force and effect and Tenant has not defaulted, and is not in default, under this Lease, is in possession and occupancy of the Premises, and has not assigned this Lease or sublet any portion of the Premises (each of which such foregoing conditions shall be for the benefit of Landlord only and which Landlord may waive in its sole and absolute discretion), then Tenant shall have the option ("**Renewal Option**") to extend the Term of this Lease for the 5-year period of Lease Year 8 through Lease Year 12 ("**Renewal Term**"). In order to exercise the Renewal Option, Tenant must deliver to Landlord written notice of such exercise ("**Renewal Notice**") no earlier than the date that is twelve (12) months prior to the first day of the Renewal Term, and no later than the date that is nine (9) months prior to the first day of the Renewal Term; time being of the essence with respect to the giving of such notice. If Tenant duly exercises the Renewal Option, then this Lease shall continue through the end of the Renewal Term on all of the terms and conditions of this

ALUC
8/19/2022

Lease, except that (i) all references to the "Term" shall be deemed to include the Renewal Term, (ii) the Fixed Rent payable hereunder for the Renewal Term shall be the Renewal Term Fixed Rent (as hereinafter defined), and (iii) Tenant shall have no further options to renew the term of this Lease.

The term "**Renewal Term Fixed Rent**" shall mean an annual amount equal to the greater of (A) 103.5% of the Fixed Rent payable for the 7th Lease Year, and further escalating every subsequent Lease Year during the First Renewal Term by a cumulative 3.5% over the prior Lease Year's Fixed Rent, and (B) the then-Fair Market Rent as determined in accordance with the below.

(c) **Fair Market Rent.** The term "Fair Market Rent" shall mean the then-market rental value of the Premises considering the highest and best use of the Premises (and considered as though the Premises were vacant and unleased); provided, however, that in no event shall the Fixed Rent during the Renewal Term escalate each Lease Year at a rate less than a cumulative 3.5% over the Fixed Rent payable for the prior Lease Year. If Landlord and Tenant cannot agree in writing upon the prevailing market rate for the Premises within sixty (60) days of the delivery of Tenant's Renewal Notice, then the prevailing market rate will be determined pursuant to "baseball arbitration", as follows:

(i) Landlord and Tenant shall each simultaneously present to the other party their final determinations of the prevailing market rate (the "**Final Offers**") no later than ninety (90) days after the delivery of Tenant's Renewal Notice. If such rate as determined by the lower of the two (2) proposed Final Offers is not more than one percent (1%) below the higher, then such rate shall be determined by averaging the two (2) Final Offers. In the event that Tenant fails to provide its Final Offer within such 90-day period, then Landlord's Final Offer shall be conclusively binding on the parties.

(ii) If the difference between the lower of the two (2) proposed Final Offers is more than one percent below the higher, then within fifteen (15) days after each party has presented its Final Offer, the parties shall endeavor to select a mutually acceptable arbitrator (the "**Arbitrator**"), who shall be a qualified and impartial person licensed in the State of Florida as a commercial real estate leasing broker with at least ten (10) years of experience in the leasing of space comparable to the Premises in the market in which the Premises are located. If Landlord and Tenant are unable to agree on the Arbitrator, either party, by giving ten (10) days' notice to the other party, can apply either a court of competent jurisdiction for the selection of an arbitrator meeting the qualifications stated in this paragraph. The Arbitrator, however selected, shall be a person who has not previously acted in any capacity for either party. Each of the parties shall bear one-half of the cost of the Arbitrator and any fees of the court. Attorneys' fees and expenses of counsel and of witnesses for the respective parties shall be paid by the respective party engaging such counsel or calling such witnesses.

(iii) The Arbitrator shall, after due consideration of the factors to be taken into account in determining the fair market rental rate for the Premises considering the highest and best use of the Premises (and considered as though the Premises were vacant and unleased), and hearing whatever evidence the arbitrator deems appropriate from Landlord, Tenant and others, and obtaining any other information the arbitrator deems necessary, in good faith, make its own determination of the prevailing market rate for the Premises as of the first day of the Renewal Term (the "**Arbitrator's Initial Determination**") and thereafter such Arbitrator must select either Landlord's Final Offer or the Tenant's Final Offer, but no other, whichever is closest to the Arbitrator's Initial Determination (the "**Final Determination**"), such determination to be made within thirty (30) days after the appointment of the Arbitrator. The Arbitrator's Initial Determination, Final Determination and the market information upon which such determinations are based shall be in writing and counterparts thereof shall be delivered to Landlord and Tenant within said thirty (30) day period. The Arbitrator shall have no right or ability to determine the prevailing market rate in any other manner. The Final Determination shall be binding upon the parties hereto, provided, however, provided that in no event shall the Fixed Rent during the Renewal Term escalate each Lease Year at a rate less than a cumulative 3.5% over the Fixed Rent payable for the prior Lease Year.

2.2 **Condition of Premises; Landlord's Work; Initial Alterations.**

2.2.1 Subject to the completion of Landlord's Work (as hereinafter defined), the Premises are being leased to Tenant, and Tenant shall accept the Premises, in its "as-is" condition as of the date hereof, subject to any and all faults and without representation or warranty by Landlord whatsoever, express or implied, as to the condition, legality, or suitability thereof or otherwise, and, except for Landlord's Work, Landlord shall have no obligation to perform any work whatsoever in or to the Premises or Building to ready the Premises for Tenant's occupancy thereof or otherwise. Tenant hereby represents and warrants that it has inspected the Premises and the Building on or prior to the date hereof and is fully satisfied with the condition thereof as of the date hereof and shall take possession of the Premises in "as is" condition as of the date hereof, subject to the completion of Landlord's Work. Tenant shall be solely responsible, at its sole cost and expense, to perform any and all other alterations and

Dec 8/19/2021

installations which may be necessary or desirable to ready the Premises for Tenant's occupancy thereof (collectively, the "Initial Alterations"). The Initial Alterations and the performance thereof shall be subject in all respects to the provisions of Article 7 of this Lease and all other provisions of this Lease.

2.2.2 Intentionally Omitted.

2.2.3 Landlord shall, subject to the terms and conditions of this Lease, perform a build-out of the Premises ("Landlord's Work") substantially in accordance with the floor plans attached hereto as Exhibit D ("Floor Plans") and otherwise using building-standard materials and finishes selected by Landlord and approved by tenant (such approval not to be unreasonably withheld, conditioned or delayed). Landlord shall perform Landlord's Work in accordance with all applicable laws, including ADA, if applicable. Tenant agrees to fully cooperate with Landlord in order to enable Landlord's Work to be performed in a timely manner. Landlord's Work is estimated to be substantially completed on or prior to December 31st 2022 (subject to Force Majeure and Tenant Delay), but, for the avoidance of doubt, failure of Landlord's Work to be substantially completed by such date shall not subject Landlord to any liability for any loss or damage resulting therefrom or entitle Tenant to any credit, abatement or adjustment of Rent or other sums payable under the Lease.

2.2.4 If Tenant requests any revisions or additions to any element of Landlord's Work (each a "Change Order"), such revisions shall be subject to the approval by Landlord in its sole and absolute discretion. Any delay in completion of Landlord's Work resulting from any such requested revision or addition shall be deemed a Tenant Delay. All increased costs relating to any Change Order or requested Change Order (which shall include in all events a change order charge of 19% (10% overhead and profits/ 6% general condition/ 3% Insurance), plus any applicable state sales or use tax thereon (collectively, the "Change Order Costs"), shall be payable by Tenant upon Landlord's presentation of invoices therefor and as a condition to Landlord performing such Change Orders.

2.2.5 The term "Tenant Delay" shall mean any delay in the performance of the Landlord's Work or other delay resulting by reason of any act or neglect, failure or omission or other conduct of or by Tenant, its members, agents, servants, employees, contractors or subcontractors, or in the performance of Tenant's obligations under this Lease, including, but not limited to: (i) Any delay due to Tenant's failure to meet any Tenant performance deadlines set forth in this Lease; (ii) Any delay due to Change Orders requested by Tenant; (iii) Any delay due to Change Orders approved by Tenant; (iv) Any interference by Tenant or any of its members, agents, servants, employees, contractors or subcontractors; (v) Any delay of Tenant in choosing specifications or other choices that need to be made by Tenant in order for Landlord to complete Landlord's Work, which delay extends beyond three (3) business days following Landlord's proposal thereof to Tenant, if any (and in the event of such failure, then, in addition to such failure constituting a Tenant Delay, Landlord shall have the right to perform Landlord's Work with the inclusion of the particular specifications and choices as Landlord reasonably selects, and Tenant shall be deemed to have selected such specifications and choices); (vi) Tenant's failure to pay when due the Change Order Costs; (vii) Any field condition or deficiency in the Floor Plans, (viii) Any default of Tenant under this Lease. Notwithstanding anything to the contrary contained in the Lease, in the event of the occurrence of a Tenant Delay, then, at Landlord's election, the Commencement Date will be accelerated and shall be deemed to occur on the date when the Premises would have been ready for delivery as required herein but for such Tenant Delay (but, for the avoidance of doubt, Tenant shall not have the right to possess the Premises until Landlord's Work is actually substantially completed and the Premises are delivered by Landlord to Tenant).

2.2.6 As used in this Lease, the term "Delivery Condition" means that Landlord's Work has been substantially completed. Landlord's Work shall be deemed substantially complete when it is completed in accordance with this Lease, except for minor details of construction, decoration and mechanical adjustments to be performed by Landlord, the noncompletion of which does not materially interfere with Tenant's ability to occupy the Premises. Upon notification by Landlord that the Premises are in the Delivery Condition, Landlord and Tenant shall schedule a pre-occupancy inspection of the Premises at which time a punchlist of outstanding items, if any, shall be completed. Tenant's failure to promptly respond to and attend a walk-through shall be deemed a Tenant Delay, and without limiting the foregoing, in such event the Premises shall be deemed to be in the Delivery Condition upon Landlord sending notice thereof to Tenant. Within a reasonable time after the walk-through, Landlord shall complete the punchlist items (to the extent that such punchlist items are in fact part of Landlord's Work) to Tenant's reasonable satisfaction. Without limiting the foregoing, in all events Tenant's acceptance of the Premises shall be deemed to be an acceptance of the satisfactory completion of Landlord's Work and the Premises otherwise being in the Delivery Condition, subject only to Landlord's completion of the punchlist items identified by Tenant in writing during such inspection, if any, to the extent that such punchlist items are in fact part of Landlord's Work (provided, however, that for the sake of clarity, Tenant's failure to take possession of the Premises shall not mean that (x) Landlord's Work has not been substantially completed, or (y) the Premises is not in the Delivery Condition). Landlord's sole obligation with respect to Landlord's Work shall be to complete Landlord's Work, and thereupon Landlord shall have no further obligations with respect thereto. Landlord does not warrant Landlord's Work whatsoever.

done
8/19/2022

2.2.7 Notwithstanding anything in this Lease to the contrary, all notices and notifications sent by Landlord to Tenant under this Section 2 or otherwise relating to Landlord's Work may be sent by, and shall be deemed sufficiently sent if sent by, email (or, for the sake of clarity, any other permissible method of sending notices under this Lease).

3. **Rent.** Tenant shall pay as rent for the Premises during the Term the following amounts in the following manner:

3.1 **Fixed Rent.** (a) Subject to the provisions of subsection 3.1(b), commencing as of the Commencement Date, Tenant shall pay Landlord the Fixed Rent (as hereinafter defined) in equal monthly installments on the first of day of each and every calendar month during the Term. Notwithstanding the foregoing, (i) the first full month's installment of Fixed Rent payable under this Lease (and any tax thereon) shall be paid by Tenant upon execution of this Lease, and (ii) the second full month's installment of Fixed Rent payable under this Lease (and any tax thereon) shall be paid by Tenant upon the Commencement Date. Rent shall be made payable directly to Landlord at its address set forth in Section 24.8, or to such other party or at such other payee and or address as Landlord may designate from time to time by written notice to Tenant. In addition, at the election of Landlord from time to time, Tenant shall pay Rent by federal wire transfer or ACH to such account(s) as Landlord may designate. In the event Tenant's check is returned for insufficient funds or otherwise dishonored for any reason, Tenant shall pay to Landlord, an administrative fee of \$100.00, which shall be deemed Additional Rent, and shall, following such occurrence, be required to make all further payments of Rent by certified or bank check or federal wire. If the Commencement Date and/or Expiration Date is a date other than the first or last day of the month, respectively, the installment of Fixed Rent and Additional Rent for such partial month shall be adjusted proportionately.

"Fixed Rent" for the initial Term shall mean the following annual amounts for the following periods:

Months	Fixed Rent (Annual)	Fixed Rent (Monthly)
1 - 12	\$289,075.50	\$24,089.63
13 - 24	\$297,747.77	\$24,812.31
25 - 36	\$306,680.20	\$25,556.68
37 - 48	\$315,880.60	\$26,323.38
49 - 60	\$325,357.02	\$27,113.09
61 - 72	\$335,117.73	\$27,926.48
73 - 84	\$345,171.26	\$28,764.27
85 - 89	\$355,526.40	\$29,627.20

(b) **Rent Abatement.** Provided that and so long as Tenant is not in default under this Lease, then monthly Fixed Rent (but not any Additional Rent) shall be abated for the period commencing on the Commencement Date and ending on date which is five (5) months after the Commencement Date (such period, the "Abatement Period"). The Rent that is so abated under this Section is referred to in this Lease as the "Abated Rent". Notwithstanding the foregoing, all Abated Rent shall be immediately due and payable upon an Event of Default by Tenant hereunder.

3.2 **Operating Expenses.**

(a) **Definitions.**

(i) "Taxes" means all real estate taxes, assessments (including, without limitation, general and special governmental assessments for public improvements or benefits whether or not commenced or completed during the Term), sanitary and trash removal assessments, municipal water charges, sewer rents and any and all other taxes and assessments levied or imposed against the Building and/or the Land and/or the Property and/or the tax lot(s) on which the Premises and/or Building and/or Property is situated by any governmental or quasi-governmental authority (and shall include, without limitation, voluntary payments in lieu of taxes), whether general or special, ordinary or extraordinary, unforeseen or foreseen, whether in lieu of or in addition to so called "real estate taxes", together with interest paid on any installment payments. Taxes shall not include taxes measured in whole or in part by, rents or gross receipts or in the nature of an excise, franchise, gift, estate, succession, inheritance

or capital levy tax or tax on Landlord's income or profits (unless any of the foregoing taxes shall be in lieu of so called "real estate taxes" in which case such taxes shall be included in the definition of Taxes). Landlord may elect to contest any and all Taxes, or negotiate with respect to the assessed valuation of the applicable tax parcel. Landlord's reasonable and actual costs, expenses and fees incurred in connection therewith, including attorneys' fees, shall constitute part of Taxes

(ii) **"Operating Expenses"** means collectively, Taxes, and the total of the other costs and expenses incurred in operating, maintaining, insuring, repairing and/or replacing all or any part of the Building and/or Property, including, without limitation, the costs and expenses of: painting; decorating; repairing, maintaining, resurfacing, paving and re-stripping of the parking lots; lighting; electrical power; sanitary control; removal and other treatment of trash, garbage and other refuse; cleaning; janitorial services, gardening and landscaping; snow removal; heating, ventilating and air conditioning, if any; fire protection; water and sewage charges; other utility costs; management fees; insurance carried by Landlord covering any portion of the Property, including, without limitation, commercial general liability and automobile coverage, fire and extended coverage, terrorism coverage, vandalism and malicious mischief and all other broad form coverage, rent and any other insurance, including umbrella coverage, carried by Landlord, all in limits selected by Landlord, and including the costs of financing any premium or the cost of paying any premium in installments; restoring, replacing and repairing all walls, facades, roofs and ceilings, and plate glass doors and windows, if any; installation and operation of public toilets, if any; installation, repair, replacement and renting of signs; maintenance, repair and replacement of utility systems, including water, sanitary sewer and storm water lines, electric and other utility lines and pipes; security costs; the cost of purchasing, operating, repairing, replacing and insuring machinery and equipment used in the operation, policing, maintenance and repair of the Property and/or the rental charges for such machinery and equipment; holiday promotions and decorations; the cost of personnel (including applicable payroll taxes, worker's compensation and disability insurance, uniforms and other benefits); and depreciation of the capital cost of any machinery, equipment and vehicles used in connection with such operation, maintenance, repair and replacement of the Property; and a charge for administrative costs equal to fifteen percent (15%) of the cost of all of the foregoing. Nothing herein is intended to impose any obligation of Landlord to provide any service or perform anything or expend any monies; such obligations, if any and to the extent thereof, are set forth elsewhere in this Lease.

(iii) **"Tenant's Proportionate Share"** means 1.32 %.

(iv) **"Base Year Amount"** means the Taxes, insurance and/or other Operating Expenses, as applicable, incurred or paid in calendar year 2023 ("Base Year").

(v) **"Tenant's Operating Expense Payment"** means Tenant's Proportionate Share of the amount by which Taxes, insurance and/or other Operating Expenses incurred or paid in a particular year in the Term occurring after the Base Year (each, a "Subsequent Year") exceeds its respective Base Year Amount.

(b) **Tenant's Payment.** On the first day of each month during the Term, Tenant shall pay to Landlord as Additional Rent such amount as Landlord shall reasonably estimate to equal one-twelfth (1/12) of Tenant's Operating Expense Payment for the then current calendar and/or fiscal year. Notwithstanding the foregoing, Landlord shall have the option, in Landlord's sole discretion, to bill Tenant in monthly or other periodic installments or in a lump sum, and Tenant shall pay such installment or lump sum of Tenant's Operating Expense Payment within fifteen (15) days after being billed therefor.

(c) **Year End Adjustment.** After the end of the calendar or fiscal year in question, Landlord shall furnish Tenant a written statement of the actual amount of Tenant's Operating Expense Payment for such year (which may be separate statement given at separate times, for example the statement for Taxes may be given at different times and different interval than the other Operating Expenses). If the amount paid by Tenant under this Section on account of such year shall exceed Tenant's Operating Expense Payment, the excess shall be credited against the next payments due from Tenant under this Lease; if the amount paid by Tenant for such year shall be less than the actual amount Tenant's Operating Expense Payment, Tenant shall pay the deficiency to Landlord within thirty (30) days after demand therefor. Tenant's Operating Expense Payment for the final year of the Term shall be prorated if the Term ends on a day other than the last day of the applicable fiscal or calendar year, as applicable. Landlord's failure to render or delay in rendering any statements with respect to Operating Expenses shall not prejudice Landlord's right to thereafter render such statement(s) nor shall the rendering of such statement(s) prejudice Landlord's right to thereafter render a corrected statement.

(d) **Gross Up.** If the Building is not at least 95% occupied during all or a portion of any Subsequent Year, then Landlord, using reasonable projections, may make a determination of the amount of Operating Expenses which would have been incurred for such Subsequent Year had the Building been 95% occupied throughout such Subsequent Year, and the amount so determined shall be deemed to be the amount of Operating Expenses for such Subsequent Year for purposes of calculating Tenant's Operating Expense Payment under this Lease.

(e) **Cap for Certain Operating Expenses.** Notwithstanding the foregoing, from and after the second year following the Base Year (i.e., calendar year 2025), Tenant's liability under this Section 3.2 for Operating Expenses which are Controllable Operating Expenses (as hereinafter defined) shall be capped at a 6% increase per annum, determined on a cumulative basis (i.e., if, for example, Controllable Operating Expenses increase in calendar year 2026 by 4% over calendar year 2025, then they may increase in calendar year 2027 up to 8% over calendar year 2026, and so on). The term "Controllable Operating Expenses" means all Operating Expenses other than (i) Taxes, (ii) utilities, (iii) insurance, and (iv) labor.

3.3 **Additional Rent; Tax.** Additional Rent shall consist of all sums not included in Fixed Rent which Tenant is obligated to pay to Landlord from time to time pursuant to the terms of this Lease. Fixed Rent and Additional Rent are referred to collectively as "Rent". In addition to the Fixed Rent and other Additional Rent payable hereunder, Tenant shall also pay Landlord, together with the applicable installment of Rent, any use or sales or surtax or any other tax or assessment on any portion of such rental or other payment under this Lease, and/or the use, privilege and/or occupancy of the Premises imposed by the State of Florida and/or any federal and/or local government, including but not limited to Florida Statutes Section 212.031 and any amendments or replacements thereof. If Landlord has paid any of the foregoing (without any obligation of Landlord to do so), Tenant shall reimburse Landlord therefor within 15 days after being invoiced therefor.

3.4 **Demand, Time; Late Charge and Interest.** All Rent shall be paid to Landlord in United States dollars, in immediately available funds, without prior notice or demand and without deduction, set-off or counterclaim, in advance on the first day of every month during the Term (or at such times as are otherwise set forth in this Lease). If Landlord shall at any time or times accept Rent after it shall become due and payable, such acceptance shall not excuse a delay upon subsequent occasion, or constitute, or be constructed as or deemed to be, a waiver of any or all of Landlord's rights hereunder. In order to partially compensate Landlord for the extra expense in the handling of delinquent payments, Tenant agrees that if Tenant fails to pay any installment of Fixed Rent and/or Additional Rent and/or any other charge due and owing Landlord under this Lease in the manner prescribed by this Lease by the date such installment becomes due and payable, then, in addition to and without waiving or releasing any other rights and remedies of Landlord, Tenant shall pay to Landlord a late charge equal to ten percent (10%) of the amount of such overdue payment. In addition, if Tenant fails to pay any installment of Fixed Rent and/or Additional Rent and/or any other charge due and owing Landlord under this Lease in the manner prescribed by this Lease by the date such installment first becomes due and payable, then Tenant shall pay Landlord interest on such installment, which shall accrue at the rate (the "Interest Rate") equal to the lesser of (i) eighteen percent (18%) per annum, and (ii) the maximum rate permitted by applicable law. Such late charge and interest shall constitute Additional Rent and shall be due upon demand.

4. **Use of Premises.**

4.1 **Use of Premises.** Tenant shall use and occupy the Premises solely for the Permitted Use (which is defined in Section 1 as the use of the Premises for administrative and executive offices for Tenant's business as a home health agency that provides home health care services at patient's home [and, ancillary thereto, Tenant from time to time may use the facility to temporarily store patient's collected lab samples], but subject to and in accordance with applicable law (including applicable zoning regulations) and the terms and conditions of this Lease) and for no other purpose whatsoever. Without limiting the foregoing, and as a material covenant of Tenant under this Lease, Tenant shall not use or occupy or permit the use or occupancy of the Premises or any part thereof for any unlawful purpose, and will comply with all applicable present and future laws, ordinances, regulations and orders of the federal, state and local governments and/or any other public or quasi-public authority having jurisdiction over the Premises (collectively, "laws"). Without limiting the foregoing, as a material covenant of Tenant under this Lease, Tenant shall not use or occupy or permit the use or occupancy of the Premises or any part thereof, and shall cause its employees, invitees, licensees, guests, patrons and occupants to not use the Premises or any portion thereof: (i) in violation of any laws, zoning, code, insurance requirements (including without limitation those described in Section 4.3 below) or the certificate of occupancy or other licenses or certificates now or hereafter covering the Premises; (ii) in a manner which creates or permits a nuisance or trespass; (iii) in a manner which produces, reproduces, or transmits sounds audible outside the Premises; (iv) in a manner which obstructs or encumbers the sidewalks or other common areas; (v) in a hazardous or wasteful manner; (vi) in a manner which exceeds the floor load which such floor was designed, or is permitted by laws, to carry; (vii) to display or operate vending machines or coin or token operated amusement devices except for employees' use only; (viii) to conduct any auction, fire, bankruptcy, going out of business or similar sale (whether real or fictitious); (ix) in any manner which causes or permits any unreasonable noise, odors, fumes, dust or vapors to emanate or to be dispelled from the Premises; (x) for any type of business commonly called a "cut price" or "cut rate" store, "discount house or store," shooting gallery, flea circus or temporary toy or gift outlet; (xi) for the sale of lottery, raffle or other "chance" ticket; (xii) for any form of assignation or lewdness, or any form of establishment employing partially or totally nude entertainers, employees, waiters or waitresses, or any usage as an adult entertainment facility, massage parlor, bathhouse, or facility which caters to the prurient sale of books, magazines, other periodicals, or sex-centered objects; (i) movie theater, meeting hall or banquet hall; (ii) church, bingo hall or a place of public

assembly; (iii) library; (iv) sale or service of automobiles or other vehicles or auto parts or supplies; (v) auto body shop; (vi) night club or bar; (vii) restaurant; (viii) liquor store or beverage store; (ix) funeral parlor; (x) massage parlor; (xi) animal clinic or animal boarding (kennel); (xii) discotheque, dance hall or otherwise for musical/dance reviews or topless/nude shows; (xiii) karate studio, bowling alley or skating rink; (xiv) car wash; (xv) off-track betting establishment, gambling, video gaming, etc.; (xvi) pool room, game room or amusement arcade (defined as any establishment containing more than a combination of three electronic, pinball or other games); (xvii) so-called "flea market" or second hand, used goods or consignment store; (xviii) store selling primarily distressed or damaged merchandise; (xix) health club or spa; (xx) so-called "head shop" or night club; (xxi) gun range; (xxii) warehousing; (xxiii) any business or use that emits offensive odors, fumes, dust or vapors or is a public or private nuisance or emits loud noise or objectionable sounds or creates fire, explosive or other hazard; (xxiv) omitted; (xxv) abortion clinic, AIDS clinic, drug treatment facility or bodily fluid collection facility; homeless shelter or halfway house; (xxvi) animal kennel; (xxvii) marijuana dispensary; (xxviii) tattoo parlor. or (xiii) in any other manner which, in the reasonable judgment of Landlord, adversely affects the character, operation, reputation or appearance of the Building or otherwise disturbs the other tenants of the Building. Tenant shall not use the Building address or other identifying feature of the Buildings in any advertising or publications without Landlord's prior written approval as to the content thereof.

4.2 **Reserved.**

4.3 **Sprinklers.** If any law, regulation or order, or if the National or state or local Board of Fire Underwriters or any local Board of Fire Underwriters or insurance exchange (or other bodies hereafter exercising similar functions), or if any bureau, department, or official of the federal, state, and/or municipal governments, or if any fire insurance company shall, for any reason, require or recommend (i) the installation of fire extinguishers, a "sprinkler system", fire detection and/or prevention equipment (including, but not limited to, smoke detectors and heat sensors) in the Premises, (ii) any installation, changes, modifications, alterations (including installation of additional sprinkler heads or other equipment) for any sprinkler system, fire extinguishing system, and/or fire detection system now or hereafter installed in the Premises, or if any such installations, changes, modifications, alterations, sprinkler heads, or other equipment become necessary to prevent the imposition of a penalty, an additional charge or an increase in the fire insurance rate as fixed by said Board or Exchange, from time to time, then Tenant shall, at its sole cost and expense, promptly make such installations and/or changes, modifications and alterations so required or recommended.

4.4 **Violations.** Tenant shall be responsible to remove, discharge or satisfy, within thirty (30) days after Tenant's receipt of notice of the placement or imposition thereof, by bond or otherwise, any and all violations, judgments or liens of any nature (collectively, "**Violations**"), which shall be placed by federal, state and/or local governments or governmental entity having jurisdiction over the Building, or any of their respective agencies or judicial bodies, or any other person or entity, against the Premises and/or the Building or the Land, if such violations relate Tenant's use of the Premises, or if same were placed or imposed by reason of the acts or omissions of Tenant, its principals, agents, contractors, suppliers, employees, licensees, tenants, subtenants and/or invitees or were otherwise imposed during or with respect to the period constituting the Term. Failure by the Tenant to timely remove, discharge or satisfy such Violations shall be considered a material breach of this Lease and, in addition to Landlord's other remedies hereunder, Landlord shall have the right, at Tenant's cost and expense, to remove, discharge or satisfy same and bill Tenant for all costs incurred in connection therewith, which bills shall be due and payable upon demand, as Additional Rent hereunder. The terms of this Section 4.4 shall survive the expiration or earlier termination of this Lease.

5. **Assignment and Subletting.** Tenant shall not assign, sell, pledge, encumber, or otherwise transfer this Lease or its interests under this Lease or sublet or license or otherwise permit the occupancy by other of all or any part of the Premises, without Landlord's prior written consent, which shall not be unreasonably withheld conditioned or delayed as to an assignment or subletting, as set forth below. Any transfer in control or ownership of Tenant or Guarantor, and/or transfer of all or substantially all of Tenant's and/or Guarantor's assets, shall be deemed to be an assignment under this Lease and shall not be permitted except as expressly set forth herein. Any assignment or sublease or other transaction by Tenant in violation of this Lease shall be voidable by Landlord in its sole and absolute discretion.

A. If Tenant shall desire to assign this Lease or sublet all or any part of the Premises, Tenant shall, at least thirty (30) days prior to the effective date of any proposed assignment or the commencement of the term of any proposed sublease, by notice given in accordance with the notice provisions of this Lease ("**Tenant's Notice**"), furnish Landlord with (i) the name and address of the proposed subtenant or assignee; (ii) a description identifying the space to be sublet; (iii) the terms, conditions and consideration of the proposed subletting or assignment; (iv) the nature and character of the business of the proposed subtenant or assignee and its proposed use of the Premises; (v) current financial information with respect to the proposed subtenant or assignee, including, without limitation, a current financial report; and (vi) any other information as Landlord may reasonably request with respect to the proposed subtenant or assignee.

*Done
8/19/2027*

B. Tenant's Notice shall be deemed an offer from Tenant to Landlord whereby Landlord may, at its option, terminate this Lease (in whole in the case of assignment, or in whole or in part, at Landlord's discretion, in the case of subletting), if the proposed transaction is an assignment, or a sublease of more than twenty-five (25%) percent of the rentable area of the Premises (or would result in the subletting of twenty-five (25%) of the rentable area of the Premises in the aggregate with all then-sublet space in the Premises, if any) for all or substantially all of the remaining Term of this Lease. Such option may be exercised by Landlord by giving written notice thereof to Tenant at any time within thirty (30) days after the date of the giving of Tenant's Notice. If Landlord exercises its option to terminate this Lease, then this Lease (in whole or in part, as the case may be) shall end and expire on the date that such assignment or subletting was to be effective or commence, as the case may be, and the Fixed Rent and additional rent shall be paid and apportioned to such date (and adjusted to reflect reduction in rentable area of the Premises in the case of a termination in part).

C. Upon Tenant's compliance with the provisions of Section A, if Landlord shall not have exercised its termination option as set forth in Section B, Landlord's consent shall not be unreasonably withheld, conditioned, or delayed to the proposed assignment or subletting, provided and upon condition that:

(i) the assignee or sublessee shall have a financial condition and experience in operating the Permitted Use which is at least equal to or greater than that of Tenant, and which is otherwise reasonably acceptable to Landlord;

(ii) the assignee or sublessee shall have a good business reputation;

(iii) the assignee or sublessee proposes to and shall use the Premises only for the Permitted Use and which (a) would not violate or conflict with any restrictions or "exclusives" then affecting the Building, and (b) in Landlord's reasonable opinion would be appropriate for a building such as the Building;

(iv) the proposed assignee or sublessee is not (a) an entity who is then a tenant in the Building or another building within a one (1) mile radius of the Building owned by Landlord or an affiliate of Landlord ("**Competing Building**"), or an entity with which Landlord or an affiliate of Landlord is then negotiating or within the six (6) months prior has negotiated for space in the Building or in any Competing Building;

(v) Tenant shall not publicly list the Premises to be sublet or assigned with a broker, agent or other entity, or otherwise offer the Premises for subletting, at a rental rate less than the base annual rent which Landlord is then advertising space available for direct lease in the Building;

(vi) Tenant shall not be in default under this Lease beyond applicable notice and cure periods, either at the time Landlord's consent to such assignment or subletting is requested or on the date of commencement of the term of such proposed sublease or on the effective date of the proposed assignment; and

(vii) if a subletting, the subletting is made subject to all of the obligations of Tenant under this Lease and, without limiting the generality of the foregoing, the sublease specifically provides that there shall be no further subletting of the sublet premises or an assignment thereof other than in strict accordance with the terms of this Section 5.

D. Tenant shall furnish Landlord with a copy of an executed counterpart of each sublease within ten (10) days after the date of its execution. No sublease shall be valid and no subtenant shall take possession of the Premises or any part thereof until such executed counterpart has been delivered to Landlord. The form of sublease shall be reasonably acceptable to Landlord and shall provide for a sublease term ending not later than one (1) day prior to the expiration date of the current lease term. Such sublease shall further provide that it is subject and subordinate to this Lease and to the matters to which this Lease is or shall be subordinate, and that in the event of a termination, re-entry or dispossession by Landlord under this Lease, Landlord may, at its option, succeed to all of the right, title and interest of Tenant, as sublessor under such sublease, and such subtenant shall, at Landlord's option, attorn to Landlord pursuant to the then executory provisions of such sublease, provided, however, that Landlord shall not (i) be liable for any previous act or omission of Tenant under such sublease, (ii) be subject to any offset not expressly set forth in such sublease which theretofore accrued to such subtenant against Tenant, (iii) be liable for any work, alterations, allowances or other concessions required to be performed or provided by Tenant as sublessor under such sublease, or (iv) be bound by any previous prepayment of more than one month's fixed rent under such sublease.

E. Tenant shall furnish Landlord with a counterpart of each assignment within ten (10) days of the date of its execution. No assignment shall be binding upon Landlord and no assignee shall take possession of the Premises or any part thereof unless Tenant shall, concurrent with the delivery of an executed counterpart of such assignment, deliver to Landlord an agreement executed by the assignee, in appropriate form for recording, whereby such assignee agrees unconditionally to be bound by and to perform all of the obligations of Tenant under this Lease arising after the date of the assignment and further agrees that

notwithstanding such assignment, the provisions of this Section 5 shall continue to be binding upon such assignee with respect to all future assignments and transfers.

F. Tenant shall pay, as Additional Rent, Landlord's reasonable out-of-pocket costs incurred in connection with any subletting or assignment proposed by Tenant, whether or not consented to by Landlord, including, without limitation, reasonable attorneys' fees and the costs of credit checks and reports. Such Additional Rent shall be payable by Tenant within ten (10) days after Landlord's demand therefor and as a condition of Landlord's written consent to subletting or assignment.

G. In the event of any assignment or subletting under this Lease, Tenant shall pay to Landlord, as Additional Rent:

(a) in the case of an assignment, an amount equal to all sums paid to Tenant by the assignee for or by reason of such assignment, including, without limitation, sums paid for the sale of Tenant's alterations or other Tenant's property, less the then net unamortized or un-depreciated cost thereof determined on the basis of Tenant's federal income tax returns and less Tenant's other reasonable costs actually incurred in connection with the assignment, including reasonable brokerage and attorneys' fees; and

(b) in the case of a sublease, any rents, additional charges or other sums payable under the sublease(s) to Tenant by the subtenant(s) which exceed the Fixed Rent and Additional Rent (at the rate per square foot payable by Tenant under this Lease) accruing under this Lease during the term of the sublease(s) in respect of the entire subleased space including, without limitation, sums paid for the sale or rental of Tenant's alterations or other Tenant's property (including Tenant's trade fixtures), less, in the case of the sale thereof, the then net unamortized or un-depreciated cost thereof determined on the basis of Tenant's federal income tax returns) and less Tenant's other reasonable costs actually incurred in connection with the subletting, including reasonable brokerage and attorneys' fees and costs of outfitting the subleased premises for the subtenant.

The sums payable under this Section G shall be paid to Landlord as and when paid to Tenant by the assignee or subtenant, as the case may be.

H. Notwithstanding the foregoing provisions, provided Tenant is not then in default under this Lease beyond any applicable notice or cure period, Tenant may, without Landlord's consent, but upon ten (10) days' prior written notice to Landlord, and otherwise in compliance with the other applicable provisions and criteria of this Section 5, assign this Lease to (each a "**Permitted Transferee**"): (i) any entity resulting from a merger or consolidation of Tenant, (ii) any entity acquiring all of the stock or assets of Tenant, (iii) any entity which, immediately prior to such assignment or subletting, controls, is controlled by, or under common control with Tenant; provided that in each such forgoing instances: (A) the assignee, as the case may be, shall be of a character and reputation consistent with the quality of the Building, (B) the assignee is not entitled, directly or indirectly, to diplomatic or sovereign immunity, and is subject to the service of process in, and the jurisdiction of the governments and courts of the federal United States, and the state and city and municipality in which the Premises are located; (C) the assignee shall have, as of the moment immediately following such transfer, assignment or subletting, as the case may be, a tangible net worth computed in accordance with generally accepted accounting principles, with comparable types and amounts of liquid assets, and general creditworthiness (collectively, "**Financial Condition**") at least equal to the greater of (x) the Financial Condition of Tenant on the date of this Lease, and (y) the Financial Condition of Tenant as of the moment immediately preceding such assignment or sublease or other transfer, as the case may be; and (D) the Guarantor remains a controlling owner of the assignee. Any assignment or sublease made to a Permitted Transferee in accordance with the provisions of this Section is referred to as a "**Permitted Transaction**". "Control" (and words of similar import—capitalized or otherwise), as used in this Section, shall mean with respect the subject person or entity, the ownership, directly or indirectly, of more than fifty-one percent (51%) of the stock or membership interests in, and voting rights with respect to all affairs of, and the right to direct the daily affairs of, such person or entity. In no event shall any such transaction be permitted if effected as a method of circumventing the provisions of this Article 5. The rights hereunder are granted only to the original tenant named in this Lease (i.e., FIRST QUALITY HOME CARE, INC.).

I. Notwithstanding any assignment of this Lease or subletting or licensing of all or any portion of the Premises, Tenant shall remain directly and primarily liable for the payment of the Fixed Rent and additional rent due and to become due under this Lease and the terms, provisions, and conditions contained in this Lease on the part of Tenant to be performed. The consent by Landlord to an assignment or subletting shall not in any way be construed to relieve Tenant from its obligation to obtain the consent in writing of Landlord to any further assignment or subletting. If Tenant assigns, transfers, mortgages or encumbers this Lease or any interest therein or sublets all or any portion of the Premises in violation of the provisions of this Section 5, or if the Premises are occupied by anyone other than Tenant, Landlord may collect rent from any such assignee, sublessee or anyone who claims a right to this Lease or who occupies the Premises, and Landlord may apply the net amount collected to the Fixed Rent and additional rent, and no such collection shall be deemed a waiver by Landlord of any of the terms,

duce
8/19/2021

provisions, and conditions contained in this Section 5 nor an acceptance by Landlord of any such assignee, sublessee, claimant or occupant as Tenant, nor be deemed to release Tenant from the further performance of all of Tenant's obligations under this Lease. If Landlord shall decline to give its consent to any proposed assignment or subletting, Tenant shall indemnify and hold harmless and defend Landlord from and against any claims, demands, liabilities, costs and expenses arising from or relating to any claims that may be made against Landlord by the proposed assignee or sublessee or by any brokers or other persons claiming a commission or similar compensation in connection with the proposed assignment or sublease. The listing of any name other than that of Tenant on the doors of the Premises, the Building directory or elsewhere shall not vest any right or interest in this Lease or in the Premises, nor be deemed to constitute Landlord's consent to any assignment or transfer of this Lease or to any sublease of the Premises or to the use or occupancy thereof by others. Any such listing shall constitute a privilege revocable in Landlord's discretion by notice to Tenant.

6. **Maintenance of the Premises; Utilities.**

6.1 **Obligations of Tenant.** Tenant shall keep and maintain the Premises and appliances, fixtures and equipment therein in a clean, safe and sanitary condition in good quality appearance and in good order, condition and repair, and shall take good care thereof; and shall suffer no waste or injury thereto. Without limiting the foregoing, and notwithstanding anything in this Lease to the contrary, Tenant, at Tenant's sole cost and expense, shall perform all maintenance, repairs and replacements, ordinary and extraordinary, foreseen and unforeseen with respect to the Premises which are not the express obligation of Landlord under Section 6.2, which obligations of Tenant shall include, without limitation, the non-structural portions of the Premises, and any and all appurtenances thereto wherever located, including, without limitation, the interior walls, the interior surfaces of the exterior walls, all doors, door frames, door checks, other entrances, windows, window frames, plate glass, all wall coverings, floor coverings, ceilings, Tenant's alterations, all building systems, including all electric, plumbing and sewage facilities located within and serving the Premises (or exclusively serving the Premises (regardless of location)), ventilation, heating and air conditioning and electrical systems located within and serving the Premises (or exclusively serving the Premises (regardless of location)), sprinkler and fire alarm systems located within and servicing the Premises (or exclusively serving the Premises (regardless of location)), all appliances, furniture, equipment located in the Premises, and the boiler, and shall perform periodic maintenance of such systems as often as is commercially reasonable and shall maintain commercially reasonable maintenance contracts for the periodic maintenance of such building systems. A current copy of said service agreement, or a certificate evidencing same, shall be provided to Landlord during the Term upon request. In addition, Tenant shall make all repairs, replacements, renewals and restorations, interior and exterior, ordinary and extraordinary, foreseen and unforeseen, which are required (i) to be made in and to the Premises and/or the Building and/or the Property as a result of the negligent or otherwise tortious act or omission of Tenant, its principals, agents, employees, subtenants, licensees, invitees, residents or contractors, and/or as a result of Tenant's failure to comply with its obligations under this Lease, including without limitation the service and maintenance required hereunder, or (ii) to be made to anything which was installed or altered by Tenant. If (a) so much of the Building is damaged or rendered untenable (whether or not the Premises or any portion thereof shall be damaged) by fire or other cause that Landlord shall determine not to restore the same or to demolish the remainder thereof, (b) all or a portion of the Premises shall suffer substantial damage or be rendered untenable by fire or other casualty and Landlord shall determine (i) that such portion of the Premises cannot reasonably be expected to be restored or rendered tenable under a normal working schedule within a period (the "Restoration Period") equal to the lesser of (A) six (6) months after the occurrence of such damage or destruction and (B) by such time such that after the completion thereof there will remain at least five years in the Term, or (ii) that a ground lessor or mortgagee will not permit Landlord to apply the net proceeds of Landlord's insurance to the restoration of the Premises; or (c) so much of the Building shall be damaged, such that Tenant's access to and use and enjoyment of the Premises shall be rendered substantially impossible, whether or not the Premises shall be damaged, and Landlord shall determine that the same cannot reasonably be expected to be restored or rendered tenable under a normal working schedule within the Restoration Period, then in any such event, Landlord shall have the right to terminate this Lease by notice to Tenant.

Handwritten: Done 8/19/2022

(II) Within thirty (30) days following a fire or other casualty that materially adversely damages the Premises, Tenant may request that Landlord deliver to Tenant an estimate specifying the anticipated period of time it would take to restore the Premises to the condition required under paragraph B below (the "Estimate"). If the time period to so restore the Premises is stated in the Estimate to be more than two hundred seventy (270) days from the date of the casualty, Tenant shall have the right to terminate this Lease upon notice to Landlord given within thirty (30) days from the date Tenant receives the Estimate. If Tenant requests an Estimate but does not timely elect to terminate this Lease as provided above, but the restoration of the Premises (to the extent required of Landlord under paragraph B below) is not substantially completed within the later of (i) thirty (30) days after the date set forth in the Estimate, and (ii) the date which is 12 months from the date of the casualty (in either case, subject to delays caused by Force Majeure and/or delays caused by Tenant or any party acting through or under Tenant), then Tenant shall have the right at any time thereafter (but prior to such restoration of the Premises being substantially completed) to terminate this Lease upon notice to Landlord, which termination shall be effective thirty (30) days after the date on which Landlord receives Tenant's termination notice (unless Landlord substantially completes such restoration within such 30-day period [or would have, but for any delays caused by Force Majeure and/or any delay caused by Tenant or any party acting through or under Tenant], in which event such notice shall be deemed null and void and this Lease shall continue in full force and effect). The foregoing rights of Tenant to terminate this Lease shall not apply to any casualty or damage caused by the negligence or willful misconduct of Tenant or any party acting through or under Tenant.

(III) Tenant hereby expressly waives any now or hereinafter existing statutory provisions to the contrary and agrees that the foregoing provisions of this Section shall govern and control in lieu thereof, this Section being an express agreement governing any case of damage or destruction of the Premises by fire or other casualty.

B. If the Building or the Premises, or any portion thereof, is damaged by fire or other casualty and this Lease is not terminated pursuant to Section 15.1.A, Landlord, promptly after the occurrence of such damage and the determination of the net amount of insurance proceeds available, shall use due diligence to restore the Building as nearly as possible to its condition prior to such fire or other casualty (but in no event shall Landlord be obligated to restore the Building to a condition better than it was in on the Commencement Date). In no event shall Landlord be obligated to repair or restore Tenant's alterations, or Tenant's personal property, furniture, furnishings and/or equipment. Tenant shall cooperate with Landlord's restoration by removing from the damaged portion of the Premises as promptly as reasonably possible, all of Tenant's salvageable inventory and movable equipment, furniture, and other property.

C. If as a result of a fire or other casualty the Premises or a material portion thereof are physically damaged and rendered untenantable as a result (and therefore not occupied by Tenant), but this Lease is not terminated as aforesaid and Landlord has a restoration obligation under this Section 15.1, then Fixed Rent shall abate from the date of the fire or other casualty until the Premises are restored to the extent required by Landlord under this Section (or such earlier date that Tenant resumes occupancy of the Premises or such material portion of the Premises, as the case may be); such abatement shall be proportionate based on the portion of the Premises that is so untenantable and unoccupied by Tenant. No damages, compensation or claims shall be payable by Landlord for inconvenience, loss of business or annoyance arising from any repair or restoration of any portion of the Premises.

D. Tenant acknowledges that Landlord will not carry insurance of any kind on Tenant's alterations or furniture, furnishings, finishes or wall coverings and/or fixtures, equipment, and improvements, and agrees that Landlord shall not be obligated to repair any damage thereto or to replace the same.

E. Nothing contained hereinabove shall relieve Tenant from liability that may exist as a result of damage from fire or other casualty.

15.2 **Condemnation.** If the whole of the Premises (or use of occupancy of the Premises) shall be taken or condemned by any governmental or quasi-governmental authority for any public or quasi-public use or purpose (including sale under threat of such a taking), or if Landlord elects to convey title to the condemnor by a deed in lieu of condemnation, then the term of this Lease shall cease and terminate as of the date when title vests in such governmental or quasi-governmental authority and the Rent shall be abated on the date when such title vests in such governmental or quasi-governmental authority. If (i) only a part of the Premises is taken or condemned by any governmental or quasi-governmental authority for any public or quasi-public use or purpose (including sale under threat of such a taking), and the condemnation award is insufficient to restore the remaining portion of the Premises or if such award must be applied to repay any mortgages, now or hereafter, encumbering the Building or the Land, or (ii) whether or not a portion of the Premises is taken, a portion of the Building or the Property is taken and Landlord deems it commercially unreasonable to continue leasing all or a portion of the remaining space in the Building, then Landlord shall have the right to terminate this Lease as of the date when title vests in such governmental or quasi-governmental authority.

*done
8/19/2022*

15.2.1 If this Lease is not so terminated after a partial condemnation, then after the date when the condemned portion of the Premises is delivered to the condemnor, the Fixed Rent and Additional Rent accruing after the date of such taking shall be reduced in the proportion which the condemned area bears to the entire area of the Premises and Landlord shall restore the structural elements of remaining portion of the Premises.

15.2.2 Tenant shall have the right to claim against the condemnor only for removal and moving expenses and business dislocation damages which may be separately payable to tenants in general under applicable law, provided such payment does not reduce the award otherwise payable to Landlord. Subject to the foregoing, Tenant hereby waives all claims against Landlord with respect to a condemnation, and hereby assigns to Landlord all claims against the condemnor, including, without limitation, all claims for diminution in the value of Tenant's leasehold estate.

16. Insolvency and/or Bankruptcy of Tenant.

16.1 Events of Insolvency and/or Bankruptcy. Each one or more of the following shall be an "Event of Default" under this Lease:

A. Tenant's becoming insolvent, as the term is defined in Title 11 of the United States Code, entitled Bankruptcy, 11 U.S.C. Paragraph 101 *et seq.* (the "Bankruptcy Code"), or under the insolvency laws of any State, District, Commonwealth or Territory of the United States (the "Insolvency Laws") or otherwise;

B. The appointment of a receiver, trustee or custodian for all or a substantial portion of Tenant's property or assets, or the institution of a foreclosure action upon all or a substantial portion of Tenant's real or personal property;

C. The filing of a voluntary petition under the provisions of the Bankruptcy code or Insolvency Laws or the filing of a petition for reorganization governed by Insolvency Laws, the filing of an application for voluntary liquidation or dissolution applicable to banking institutions or such other institutions;

D. The filing of an involuntary petition against Tenant as the subject debtor under the Bankruptcy Code or Insolvency Laws, which is either not dismissed within thirty (30) days of filing, or results in the issuance of an order for relief against the debtor, whichever, is earlier;

E. Tenant's making or consenting to an assignment for the benefit of creditors or a common law composition of creditors.

16.2 Landlord's Remedies. Landlord, in the event of such an Event of Default, shall have, without need of the notice otherwise set forth therein, the rights enumerated in Section 17 and all other rights at law or in equity.

17. Default of Tenant.

17.1 Events of Default. In addition to the Events of Default set forth in Section 16.1 hereof, each one or more of the following shall be an "Event of Default" under this Lease:

A. If Tenant shall fail to pay when due any Rent (including Fixed Rent and Additional Rent) or any other payment required under this Lease, whether or not demand has been made therefor;

B. If Tenant shall violate or fail to perform any of the other terms, conditions, covenants or agreements herein made by Tenant, and such failure continues for ten or more days after Landlord's written notice thereof to Tenant;

C. If Tenant abandons the Premises at any time during the Term or fails to open for business in the Premises within sixty (60) days after the Commencement Date (provided, however, that if Tenant is diligently pursuing and taking all such actions as are reasonably necessary to open its business in the Premises, then such sixty (60) day period shall be extended for such amount of time as is reasonably necessary to accomplish same, but in no event beyond an additional sixty (60) days);

D. If Tenant assigns or hypothecates this Lease or any interest herein, or sublets the Premises, or any part thereof, or if Tenant attempts to do any of the foregoing, in contravention of the terms, covenants, provisions and conditions of this Lease.

17.2 **Landlord's Remedies.** Should an Event of Default occur under this Lease, Landlord (notwithstanding any former breach of covenant or waiver thereof in a former instance), in addition to all other rights and remedies available to it by law or equity or by any other provisions hereof, may at any time thereafter pursue and shall be entitled to, once or more often, any one or more of the following remedies:

17.2.1 **Termination of Lease.** In the event of a default of tenant, Landlord may terminate this Lease upon notice to Tenant and on the date specified in such notice, this Lease and the Term hereby demised and all rights of Tenant hereunder shall expire and terminate without any right of Tenant to save the forfeiture, and Tenant shall thereupon quit and surrender possession of the Premises to Landlord in the condition elsewhere herein required and Tenant shall remain liable to Landlord as hereinafter provided.

17.2.2 **Repossession/Reletting of Premises.** Whether or not Landlord terminates this Lease, Landlord may, without further notice, enter upon and repossess the Premises, by summary proceedings or ejectment or by self-help, and may dispossess Tenant and remove Tenant and all other persons and property from the Premises and may have, hold and enjoy the Premises and the rents and profits therefrom. Landlord may relet the Premises, or any part thereof, for such term or terms (which may be greater or less than the period which would otherwise have constituted the balance of the Term) and on such terms (which may include concessions or free Rent) as Landlord in its sole discretion and good faith may determine. Landlord may, in connection with any such reletting, cause the Premises to be decorated, altered, divided, and/or consolidated with other space or otherwise changed or prepared for reletting. No reletting shall be deemed a surrender and acceptance of the Premises.

17.2.3. **Payments.** Upon such termination of the Lease or reentry by Landlord, Landlord may declare to be immediately due and payable, a sum equal to the Abated Rent, the cost of Landlord's Work (including all hard and soft costs), and the amount of brokerage commissions paid by Landlord with respect to this Lease, plus, on account of the Rent and other charges herein reserved for the balance of the Term (taken without regard to any early termination of the Term on account of default), the Accelerated Rent Component (as hereinafter defined), and Tenant shall remain liable to Landlord as hereinafter provided. For purposes hereof, the Accelerated Rent Component shall mean the aggregate of the following items: (a) The Fixed Rent otherwise payable for the period which otherwise would have constituted the unexpired portion of the Term, plus all Additional Rent and other charges, payments, costs and expenses herein agreed to be paid by Tenant up to the end of the Term which shall be capable of precise determination at the time of Landlord's election to recover such amounts; and (b) all projected Additional Rent charges, payments, costs and expenses herein agreed to be paid by Tenant up to what otherwise would have been the expiration of the Term which shall not be capable of precise determination as aforesaid (and for such purposes no estimate of any component of Additional Rent to accrue pursuant to the provisions of Section 3 hereof shall be less than the amount which would be due if each such component continued at the highest monthly rate or amount in effect during the twelve (12) months immediately preceding the default).

17.3 **Measure of Damages.** In the event that Landlord has not elected to have Tenant pay the Accelerated Rent Component, Tenant shall, with respect to all periods of time up to and including what otherwise would have been the expiration of the Term, remain liable to Landlord as follows:

A. In the event of termination of this Lease on account of Tenant's default or breach, Tenant shall remain liable to Landlord an amount equal to the Rent and other charges payable under this Lease by Tenant as if this Lease were still in effect, less the net proceeds of any reletting actually collected, after deducting all costs incident thereto (including, without limitation, all repossession costs, brokerage and management commissions, operating and legal expenses and fees, commercially reasonable alteration costs and expenses of preparation for reletting), and to the extent such damages shall not have been recovered by Landlord by virtue of payment by Tenant of the Accelerated Rent Component (but without prejudice to the right of Landlord to demand and receive the Accelerated Rent Component), such damages shall be payable to Landlord monthly upon presentation to Tenant of a bill for the amount due.

B. In the event and so long as this Lease shall not have been terminated after default or breach by Tenant, the Rent and all other charges payable under this Lease shall be reduced by the net proceeds of any reletting by Landlord (after deducting all costs incident thereto as above set forth) and by any portion of the Accelerated Rent Component paid by Tenant to Landlord, and any amount due to Landlord shall be payable monthly upon presentation to Tenant of a bill for the amount due.

17.4 **No Responsibility to Relet.** Landlord shall in no event be responsible or liable for any failure to relet the Premises, or any part thereof, or for any failure to collect any Rent due upon a reletting and nothing in this Lease shall be construed to the contrary. Notwithstanding anything in this Lease to the contrary, and without limiting the foregoing, except to the extent

*due

required by any non-waivable provision of applicable law, Landlord shall have no obligation to mitigate its damages under this Lease.

17.5 **Additional Damages.** Nothing contained in this Lease shall limit or prejudice the right of Landlord to prove and obtain as damages incident to a termination of this Lease, in any bankruptcy, reorganization or other court proceedings, the maximum amount allowed by any statute or rule of law in effect when such damages are to be proved.

17.6 **No Waiver.** No waiver by Landlord of any breach by Tenant of any of Tenant's obligations, agreements or covenants herein shall be a waiver of any subsequent breach or of any obligation, agreement or covenant, nor shall any forbearance, delay or failure by Landlord to seek a remedy for any breach by Tenant be a waiver by Landlord of any rights, powers or remedies with respect to any subsequent breach.

17.7 **Right of Landlord to Cure Tenant's Default.** If Tenant defaults in the making of any payment or in the doing of any act herein required to be made or done by Tenant beyond any applicable notice and cure period, then Landlord may, but shall not be required to, make such payment or do such act, and charge the amount of the expense thereof, plus interest at the Interest Rate, if made or done by Landlord. Such payment shall constitute Additional Rent hereunder due and payable with the next monthly installment of Rent; but the making of such payment or the making of such action by Landlord shall not operate to cure such default or to estop Landlord from the pursuit of any remedy to which Landlord would otherwise be entitled.

17.8 **Remedies Cumulative.** No right, power or remedy herein conferred upon or reserved to Landlord is intended to be exclusive of any other right, power or remedy herein or by law provided, but each shall be cumulative and in addition to every other right, power or remedy given herein or now or hereafter existing at law, in equity, or by statute. No single, partial or full exercise of any right hereunder by Landlord shall preclude other or further exercise thereof.

18. **Surrender; Holding Over.** Upon the expiration or earlier termination of this Lease, Tenant shall vacate the Premises and surrender the same broom clean, in the same or better order and condition in which it is on the Commencement Date (and if better, the condition on which it is after Tenant's completion of the Initial Alterations), reasonable wear and tear excepted, free of all tenancies, subtenancies, occupants, residents and personal property of any party other than Landlord. If Tenant retains possession of the Premises, or any part thereof, or otherwise does not surrender the Premises to Landlord in the condition and manner required under this Lease, upon termination of this Lease by expiration of the Term or otherwise, Tenant shall, by virtue of the provisions hereof, become a tenant at sufferance on all of the terms and conditions of this Lease, except that Tenant shall pay as Rent for any month or partial month of such holdover as payment towards damages (and not as a penalty) for such wrongful retention, an amount equal to three times the greater of (i) the monthly Fixed Rent and Additional Rent payable for the month immediately preceding the month of such holdover, and (ii) the fair market rental value of the Premises for such month(s) of holdover. In addition, if Tenant remains in the Premises (or otherwise does not so surrender the Premises) for more than thirty (30) days after written demand from Landlord to vacate after termination of this Lease by expiration of the Term or otherwise, Tenant shall also pay Landlord (in addition to the amount of Fixed Rent and Additional Rent set forth in the immediately preceding sentence) all other damages, costs and expenses sustained by Landlord by reason of Tenant's wrongful retention, including without limitation, any direct, indirect and consequential damages, including, without limitation, any losses incurred due to Landlord's delay in preparing or delivering the Premises to a new tenant. No acceptance by Landlord of any such foregoing monies under this Section shall be deemed a consent to any holdover of Tenant beyond the expiration or initial termination of this Lease, and, in addition to payment of such foregoing amounts, Landlord shall be entitled to all rights and remedies available under this Lease and/or at law and/or in equity with respect to such holdover by Tenant.

19. **Relocation.** Landlord, by at least 4 months prior written notice, shall have the option, to require Tenant to move during Term from the Premises to another location of comparable size in the Building or other building owned by Landlord or its affiliate in the nearby vicinity; provided, however, that in connection with such relocation: (i) Landlord shall arrange for such relocation to be conducted in a manner so as not to unreasonably interfere with the operation of Tenant's business; (ii) Landlord shall pay the expense of moving Tenant's furniture and equipment to the substitute premises; (iii) Landlord shall pay the expense of fitting up the substitute premises to approximately the same type and quality of finish as the Premises, ordinary wear and tear excepted; and (iv) Landlord and Tenant will execute a modification of or supplement to this Lease in respect of and identifying such substitute premises, such lease thereof to be otherwise on terms identical to the terms hereof.

20. **Consents.** Tenant's sole remedy for Landlord's failure to provide consent where required under this Lease shall be injunctive relief. Any time that Tenant requests Landlord's consent or approval to any matter relating to this Lease, Tenant shall first deposit with Landlord the non-refundable an amount up to \$2,500.00 per request towards Landlord's administrative costs

*done

in handling such request. Said charge will be reasonable and actual costs of handling such request(s). The foregoing shall not be in limitation of any similar charges payable by Tenant elsewhere under this Lease or otherwise.

21. **Reservation.** Landlord hereby reserves to itself and its successors and assigns the following rights (each of which are hereby consented to by Tenant): (i) to change the street address and/or name of the Building and/or the arrangement and/or location of entrances, passageways, doors, doorways, corridors, elevators, stairs, toilets, or other public parts of the Building; (ii) to erect, use and maintain wires, pipes and other conduits in and through the Premises in such a manner so as not to materially reduce the usable area of the Premises or otherwise Tenant's use of the Premises, and Landlord shall restore the Premises to substantially its prior condition following the completion of such work (but subject to such installations). In addition to and without limiting the foregoing, Landlord hereby reserves the right to alter the layout of the Building and to erect additional stories on the Building and to erect and permit the erection of structures adjacent to the Building and to perform and construct all other improvements, renovations, constructions and improvements in, on, to or adjacent to the Building and the Property and adjacent properties as Landlord shall desire and the occurrence of the foregoing shall in no way affect this Lease or Tenant's obligations hereunder or impose any liability of any kind upon the Landlord or be deemed to be a constructive eviction or otherwise. In exercising its rights under this Section, (i) Landlord shall use commercially reasonable efforts to minimize interference with Tenant's operations of the Premises, and (ii) Landlord shall not materially diminish the square footage of the Premises, and (iii) Landlord, at Landlord's sole cost and expenses, shall perform all work reasonably necessary for Tenant to continue to operate for business in substantially the same manner as Tenant was operating immediately prior to such action taken by Landlord. Landlord may exercise any of all of the foregoing rights without being deemed to be having committed an eviction, actual or constructive, or a disturbance or interruption of the business of Tenant or Tenant's use or occupancy of the Premises.

22. **Independent Covenants.** The covenants and obligations of Landlord and Tenant hereunder are separate and independent from one another. Tenant's obligations to pay Rent and other amounts payable hereunder, and to perform its obligations hereunder, shall be fully enforceable and shall not be impaired or excused, notwithstanding any breach by Landlord hereunder. No Rent or other amounts payable hereunder shall be subject to reduction, delay, offset, withholding or other defense to Landlord.

23. **Environmental Matters.** Tenant shall not engage in operations at the Premises which involve the generation, manufacture, refining, transportation, treatment, storage, handling or disposal of any "hazardous substance" or "hazardous waste" as such terms are defined under the applicable State or Federal or local law, or of "hazardous substances" as defined in section 101 (14) of the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), 42 U.S.C. 9601 (14), as amended by the Superfund Amendments and Reauthorization Act of 1986 ("SARA") and/or any other applicable law governing the environmental or hazardous substances or similar matters. Without limiting the foregoing, Tenant shall, at its sole cost and expense, provide for the proper and lawful disposal and removal from the Premises of all hazardous waste generated by its business or otherwise existing at the Premises. Tenant shall indemnify, defend and hold Landlord and its principals, officers, agents, lenders, mortgagees and employees harmless from any losses, damages, costs and expenses resulting from a violation of this Section and/or the introduction or permitting or creating, causing or exacerbating by Tenant or any of its principals, employees, agents, or contractors or subcontractors or licensee or invitees on near or under the Land, Building, or Premises of such hazardous waste or substances or condition. Without limitation of the foregoing, Tenant, at its sole cost and expense, shall be responsible to promptly remediate and cure any such condition in accordance with all applicable law and otherwise to the reasonable satisfaction of Landlord. This Section 23 shall survive the expiration or termination of this Lease.

24. **Miscellaneous.**

24.1 **Security Deposit.** Simultaneously with the execution of this Lease, Tenant shall deposit with Landlord as a security deposit the sum of \$51,310.91. Such security deposit (which shall not bear interest to Tenant unless required to do so by provisions of law) shall be considered as security for the payment and performance by Tenant of all the Tenant's obligations, covenants, conditions and agreements under this Lease. Landlord shall not be required to hold the security deposit or any other funds received by it from Tenant in a separate or segregated account or in any account whatsoever and Landlord may commingle the security deposit and all such other funds in any account held by Landlord or in no account. The security deposit shall not be considered an advance payment of rental or a measure of Landlord's damages in case of default by Tenant. Within sixty (60) days after the expiration of the Term (or any renewal or extension thereof in accordance with this Lease), Landlord (provided that Tenant is not in default under the terms hereof and has vacated and surrendered the Premises to Landlord in the condition and manner required under this Lease, and otherwise in accordance with, the provisions of this Lease) shall return and pay back such security deposit to Tenant less such portion thereof as Landlord shall have retained to make good any default by Tenant with respect to any of Tenant's aforesaid obligations, covenants, conditions or agreements. In the event of any default by Tenant hereunder during the Term, Landlord shall have the right, but shall not be obligated to apply, from time to time and without prejudice to any other remedy, all or any portion of the security deposit to cure such default, in which event Tenant shall be obligated promptly to deposit with Landlord the amount necessary to restore the security deposit to the amount held by Landlord

Done

immediately prior to such advance by Landlord. In the event of the sale or transfer of Landlord's interest (fee or leasehold or otherwise) in the Building, Landlord shall have the right to transfer the security deposit to the purchaser or transferee and upon such transfer Tenant shall look only to the new landlord for the return of the security deposit and Landlord shall thereupon be automatically released from all liability to Tenant for the return of or accounting for such security deposit. All at times the unapplied security deposit shall be equal to the full amount set forth above, such that if Landlord applies all or any portion of the security deposit in accordance with this Section 24.1, Tenant shall promptly deposit with Landlord such amount so applied to be held in accordance with this Section 24.1.

24.2 **No Representations by Landlord.** Tenant acknowledges that neither Landlord nor any broker, agent or employee of Landlord has made any representations or promises with respect to the Premises or the Building except as herein expressly set forth, and no rights, privileges, easements, or licenses are acquired by Tenant except as herein expressly set forth. Except as expressly set forth otherwise herein, Tenant, by taking possession of the Premises, shall accept the same "as is", "where is" and with all faults, and such taking of possession shall be conclusive evidence that the Premises and the Building are in good satisfactory condition at the time of such taking of possession.

24.3 **No Partnership.** Nothing contained in this Lease shall be deemed or construed to create a partnership or joint venture of or between Landlord and Tenant, or to create any other relationship between the parties hereto other than that of Landlord and Tenant.

24.4 **Brokers.** Tenant represents and warrants to Landlord that Tenant has not employed or dealt with any broker, agent or finder in locating the Building or the Premises, or in carrying on the negotiations relating to this Lease other than CBRE and The Easton Group (collectively, "Broker"). Tenant shall indemnify, defend and hold Landlord harmless, from and against any claim or claims for brokerage or other commission or otherwise arising from or out of any breach of the foregoing representation and warranty or from any conduct or alleged conduct by Tenant by which a commission or other fee is claimed. This provision is not intended for, nor shall be construed as having been made for, the benefit of Broker or any other third party. The provisions of this Section shall survive expiration or earlier termination of this Lease.

24.5 **Go-Dark.** In the event that Tenant fails or ceases to operate the Permitted Use in the Premises for a period of sixty (60) days or more, then such failure shall be deemed an Event of Default under this Lease and Landlord shall have the right upon written notice to Tenant to terminate this Lease, and all other rights and remedies available to Landlord under Article 17.

24.6 **Estoppel Certificate.** Tenant agrees, at any time, and from time to time, during the Term, within ten (10) days after request from Landlord, to execute, acknowledge and deliver to Landlord a statement in writing which shall contain the following provisions: (i) a statement that this Lease is unmodified and in full force and effect (or if there have been modifications, that this Lease is in full force and effect as modified and stating the modifications), (ii) a statement of the dates to which the Rent and any other charges hereunder have been paid by Tenant, (iii) a statement of whether or not, to the knowledge of Tenant, Landlord is in default in the performance of any covenant, agreement or condition contained in this Lease, and if so, specifying each such default of which Tenant may have knowledge, (iv) a statement of the address to which notices to Tenant should be sent, (v) a statement that Tenant has accepted the Premises and improvements therein, (vi) a statement of the Commencement Date and Expiration Date of the Term and the amount of any renewal options remaining, if any, and (vii) such other statement or statements as Landlord, any prospective purchaser of the Building, any mortgagee or prospective mortgagee of the Building or of Landlord's interest therein and/or any prospective assignee of any such mortgagee, may reasonably request. Tenant's failure to deliver such statement within such ten (10) day period shall be conclusive upon Tenant that this Lease is in full force and effect and unmodified, that there are no uncured defaults in Landlord's performance hereunder, and that not more than one (1) month's rent has been paid in advance. In addition to and without limiting the foregoing, if Tenant fails to deliver such statement within such ten (10) day period, Tenant hereby constitutes and appoints Landlord as Tenant's attorney-in-fact to execute such statement for or on behalf of Tenant (containing the above matters as based on the knowledge of Landlord), such appointment being coupled with an interest, and such statement as so executed by Landlord shall be binding on Tenant in all respects with respect to the matters set forth therein as if such statement was executed directly by Tenant. Notwithstanding the foregoing, Tenant's failure to deliver such statement within an additional five (5) days written demand from Landlord given after the expiration of the foregoing ten (10)-day period shall be deemed to be an Event of Default of Tenant under this Lease. Any such statement delivered pursuant hereto, may be relied upon by any owner of the Building (including Landlord), prospective purchaser of the Building, any mortgagee or prospective mortgagee of the Building or of Landlord's interest therein and/or any prospective assignee of any such mortgagee and/or any other interested party. Tenant will agree to make such reasonable changes or modifications to this Lease as may be required by any mortgagee, now or hereafter, of the Building and/or the Land, provided that such changes or modifications shall not increase the amount of Rent required under Section 3 hereof, shorten the Term or change or materially decrease the square footage of the Premises or otherwise materially increase Tenant's obligations under this Lease.

*due
8/19/2022*

24.7 **Financials.** Upon Landlord's request made from time to time throughout the Term of this Lease in connection with a sale or refinancing or investment in Landlord's interest in the Premises, Tenant shall promptly (and in no event later than five (5) days after such request) furnish Landlord with Tenant's and the Guarantor's then-current financial statements (collectively "Tenant's Financial Statements"). Tenant's Financial Statements may be relied upon by any owner of the Building (including Landlord), prospective purchaser of the Building, any mortgagee or prospective mortgagee of the Building or of Landlord's interest therein and/or any prospective assignee of any such mortgagee and/or any other interested party.

24.8 **Notices.** Any bills, statements, notices, demands, requests, consents, approvals, or other communications hereunder shall be effective only if rendered or given in writing and delivered by hand or sent by certified or registered mail, return receipt requested, first-class postage prepaid, or by national overnight courier, in each case addressed as follows:

A. If to Landlord:

Hoffman Flagler LLC
c/o Bushburg Properties, Inc.
3611 14th Avenue, Suite 215
Brooklyn, New York 11218

or to such other address(es) as Landlord may designate by written notice to Tenant.

B. If to Tenant:

(to the Premises, if no other address listed above)

or to such other address as Tenant may designate by written notice to Landlord.

Any such bill, statement, notice, demand, request, consent, approval or other communications shall be deemed to have been rendered or given (i) when delivered (or when delivery is first refused), when delivered by hand, (ii) three (3) business days after when deposited with USPS, when mailed as set forth above, and (iii) one (1) business day after when deposited with national overnight courier for next business day delivery. Notices given by a party's attorney shall be deemed given by such party.

24.9 **Force Majeure.** In the event that Landlord shall be delayed, hindered in or prevented from the performance of any act required to be performed hereunder by reason of Force Majeure (as hereinafter defined), then performance of such act shall be excused for the period of the delay and the period for the performance of any such act shall be extended for a period equivalent to the period of such delay. The term "Force Majeure" means any Act of God, strikes, lock-outs, labor troubles, inability to procure materials, failure of power, restrictive legal requirements, riots and insurrection, acts of the public enemy, wars, earthquakes, hurricanes and other natural disasters, fires, explosions, or any other circumstance beyond the reasonable control of Landlord.

24.10 **Invalidity of Particular Provisions.** If any provisions of this Lease or the application thereof to any person or circumstances shall to any extent be invalid or unenforceable, the remainder of this Lease, or the application of such provisions to persons, or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each provision of this Lease shall be valid and be enforced to the fullest extent permitted by law.

24.11 **Gender and Number.** Feminine, neuter or masculine pronouns shall be substituted for one another and the plural and the singular shall be substituted for each other, in any place or places herein in which the context may require such substitution.

24.12 **Benefit and Burden.** The provisions of this Lease shall be binding upon, and shall inure to the benefit of (i) Landlord and Tenant, (ii) each of their successors and permitted assigns, and (iii) such other persons or entities as and to the extent expressly set forth in this Lease.

24.13 **Landlord Liability.**

(a) **Transfer of Landlord's Interest.** Landlord has the right to sell, assign, convey or otherwise transfer the Premises and/or the Building and/or Landlord's interest in either or both and/or this Lease, and in the event of such transfer,

the transferor shall be automatically relieved of any and all obligations on the part of Landlord accruing from and after the date of such transfer.

(b) **Limitation of Landlord's Liability.** Notwithstanding anything to the contrary provided in this Lease, there shall be absolutely no personal liability on the part of Landlord or any officer, director, shareholder, partner, member, employee or agent of Landlord, whether disclosed or undisclosed (or of any successor corporate landlord or any partner of any limited or general partnership which may become Landlord or any individual or other entity), with respect to any of the terms, covenants and conditions of this Lease, and Tenant shall look solely to the interest, income or equity, if any, of Landlord in the Building for the satisfaction of each and every remedy of Tenant in the event of a breach or default by Landlord of any of the terms, covenants and conditions of this Lease, such exculpation of personal liability to be absolute and without any exception whatsoever. No other property or assets of Landlord, any successor to Landlord, or any officer, director, shareholder, partner, member, employee or agent of Landlord or any successor to Landlord, shall be subject to judgment, levy, execution or other enforcement procedure for the satisfaction of Tenant's remedies under or with respect to this Lease or the use or occupancy of the Premises.

24.14 **Excavation and Shoring.** If an excavation is made or authorized to be made upon land adjacent to the Premises, Tenant shall, without any claim for damages or indemnity against Landlord, or diminution or abatement of rent, afford to the person causing or authorized to cause such excavation, the license to enter upon the Premises for the purpose of doing such work as such person shall deem necessary to preserve the wall of the Building from injury or damage and to support the same by proper foundations.

24.15 **Demolition.** In the event that at any time Landlord (or its successor or contract vendee) plans or intends or otherwise desires to demolish or otherwise redevelop the Building, then Landlord shall have the right to terminate this Lease upon at least nine (9) months prior written notice to Tenant, in which event this Lease and the Term hereunder shall come to end and expire as of the date set forth in such notice and on or prior to such date Tenant shall vacate and surrender the Premises to Landlord in the condition and manner required under, and otherwise in accordance with, the provisions of this Lease.

24.16 **Subordination.** This Lease is and shall be subject and subordinate at all times to the lien of all mortgages and other encumbrances which now or hereafter encumber or otherwise affect the Property and/or the Building, to the rights of the owners of the Building and/or Property if not Landlord, and to Landlord's leasehold interest therein (if Landlord is a ground lessee of the Property and/or Building), and to all and any renewals, extensions, modifications, recastings, or refinancing thereof (provided that such superior lessor and/or mortgagee shall have the right to elect to subordinate their estate and interests to this Lease). Tenant shall, within fifteen (15) days after request by Landlord, promptly execute, acknowledge and deliver to Landlord any written statement or agreement confirming such subordination reasonably required by Landlord or any of its lenders or ground lessors. If Tenant fails to take such action within such fifteen (15) day period, Tenant hereby constitutes and appoints Landlord as Tenant's attorney-in-fact to execute any such certificate or other document for or on behalf of Tenant, such appointment being coupled with an interest and such certificate or other document as so executed by Landlord shall be binding on Tenant in all respects with respect to the matters set forth therein as if such statement was executed directly by Tenant. In addition, and without limiting the foregoing, Tenant's failure to deliver such certificate or other document within an additional five (5) days written demand from Landlord given after the expiration of the foregoing fifteen (15) day period shall be deemed to be an Event of Default of Tenant under this Lease. Tenant agrees that in the event that any proceedings are brought for the foreclosure of any such mortgage, Tenant shall attorn to the purchaser at such foreclosure sale, if requested to do so by such purchaser, and shall recognize such purchaser as the landlord under this Lease, and Tenant waives the provisions of any statute or rule of law, now or hereafter in effect, which may give or purport to give Tenant any right to terminate or otherwise adversely affect this Lease and the obligations of Tenant hereunder in the event that any such foreclosure proceeding is prosecuted or completed.

24.17 **Attornment.** If any successor in interest, including but not limited to, a lessor of a superior lease or the holder, now or hereafter, of a superior mortgage shall succeed to Landlord's estate in the Building and/or Property or the rights of Landlord under this Lease, whether through purchase, operation of law, possession or foreclosure action or delivery of a new lease or deed or otherwise, then at the election of such party so succeeding to Landlord's rights (herein sometimes called "successor landlord"), Tenant shall attorn to and recognize such successor landlord as Tenant's landlord under this Lease, and shall promptly execute, acknowledge and deliver any instrument that such successor landlord may reasonably request to evidence such attornment, provided only that such successor landlord agrees not to disturb Tenant's possession under this Lease so long as Tenant is not in default hereunder. Tenant hereby irrevocably appoints such successor landlord Tenant's attorney-in-fact to execute and deliver such instrument for and on behalf of Tenant, such appointment being coupled with an interest. To the extent permitted by law, Tenant hereby waives any right Tenant may have under any present or future law to terminate this Lease or surrender the Premises by reason of the institution of any proceeding to terminate a superior lease or action to foreclose a superior mortgage, and this Lease shall not be affected by any such proceeding or action unless and until the lessor of the superior lease, or holder, now or hereafter, of the superior mortgage, elects in such proceeding or action to terminate this Lease.

24.18 **Entire Agreement.** This Lease, together with all exhibits and schedules attached hereto, and any guaranty and resolutions executed in connection herewith, contains and embodies the entire agreement between the parties hereto, and supersedes all prior agreements between the parties and no representation (prior or contemporaneous), inducements or agreements between the parties, oral or otherwise, not contained in this Lease or the exhibits or schedules attached hereto, shall be of any force or effect.

24.19 **Authority of Tenant.** Tenant and the individual(s) signing this Lease on behalf of Tenant, hereby jointly and severally represent and warrant to Landlord that the Tenant has the full authority to enter into this Lease and to perform its obligations hereunder and that the individual(s) signing this Lease of behalf of Tenant has the authority to do so and to bind Tenant.

24.20 **Intentionally Omitted.**

24.21 **Lease May Not Be Recorded.** Tenant may not record this Lease or any assignment or memorandum thereof. Any such recording by Tenant shall be deemed an incurable Event of Default hereunder and Tenant shall cause the removal of such recording, and, in addition to any other remedies which Landlord may have hereunder, all security monies deposited with the Landlord, if any, shall thereupon automatically be deemed forfeited to the Landlord.

24.22 **Patriot Act.** Tenant represents and warrants that (a) neither Tenant nor any person who owns any direct or indirect beneficial interest in Tenant is listed on the list maintained by the United States Department of the Treasury, Office of Foreign Assets Control (commonly known as the OFAC List) or otherwise qualifies as a person with whom business by a United States citizen or resident is prohibited and (b) neither Tenant nor any person who owns any direct or indirect beneficial interest in Tenant is in violation of any anti-money laundering or anti-terrorism statute, including, without limitation, the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, U.S. Public Law 107-56 (commonly known as the USA PATRIOT Act), and the related regulations issued thereunder, including temporary regulations, all as amended from time to time.

24.23 **Counterparts; Electronic Delivery.** This Lease may be executed in one or more counterparts, each of which when taken together shall constitute but one and the same instrument. This Lease may be executed and delivered by facsimile transmission or as a PDF attachment to an email or other electronic method, and such copies and all further copies thereof shall be deemed to be originals for all purposes.

24.24 **Condominium Conversion.** Landlord hereby reserves the right to convert the Building to a condominium form of ownership and that this Lease and all rights of Tenant thereunder shall be subject and subordinate in all respects to the provisions of the documents and instruments governing such condominium regime, including without limitation, the Declaration of Condominium and By-Laws (collectively, the "**Condominium Documents**") and Tenant shall enter into such reasonable modifications to this Lease or other documents or instruments necessary or appurtenant to such condominium regime and shall otherwise cooperate in effecting such conversion; provided, however, that the Condominium Documents and such modifications, other instruments do not materially increase Tenant's obligations or materially decrease Tenant's rights pursuant to this Lease, nor interrupt Tenant's continued permitted use and occupancy of the Building pursuant to the terms of the Lease nor materially reduce any of the rights of Tenant as provided in the Lease, nor materially reduce any of the obligations of Landlord as provided in the Lease except to the extent that the board of managers of the condominium will undertake to perform the same.

24.25 **Disclosures.** Pursuant to Section 404.056 of the Florida Statutes or otherwise, Landlord does hereby notify Tenant of the following: Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county health department. Landlord does hereby notify Tenant that there may be lead-based paint in the Building which may pose a risk to health under certain circumstances.

25. **WAIVER OF JURY TRIAL; VENUE.** LANDLORD AND TENANT HEREBY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY EITHER OF THE PARTIES HERETO AGAINST THE OTHER ON OR IN RESPECT OF ANY MATTER WHATSOEVER ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS LEASE, THE RELATIONSHIP OF LANDLORD AND TENANT HEREUNDER, TENANT'S USE OR OCCUPANCY OF THE PREMISES, AND/OR ANY CLAIM OF INJURY OR DAMAGE. Landlord shall have the right from time to time to reasonably designate the particular locations within the parking lot to be used by Tenant and its employees and invitees, if any. No overnight parking is permitted. LEASE AND LICENSE TERMINATION AGREEMENT

THIS LEASE AND LICENSE TERMINATION AGREEMENT (“**Agreement**”) is made and entered into as of September 5, 2023, by and between **HOFFMAN FLAGLER LLC** (“**Landlord**”) and **FIRST QUALITY HOME CARE, INC.**, a Florida corporation (“**Tenant**”).

WHEREAS, Landlord and Tenant entered into a certain lease dated as of August 17, 2022 (as may have been amended, the “**Lease**”) relating to premises located at 9250 W Flagler Street, Miami, Florida (such building, the “**Building**”; such leased premises as more particularly described in the Lease, the “**Leased Premises**”);

WHEREAS, pursuant to a License Agreement between Landlord, as licensor, and Tenant, as licensee (as may have been amended, the “**License**”), Landlord has allowed Tenant to temporarily occupy space in the Building (such licensed space as more particularly described in the License, the “**Licensed Space**”) pending the commencement of the Lease, as more particularly set forth in the License.

WHEREAS, Landlord and Tenant desire to terminate the Lease and License as more particularly set forth in this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and conditions hereinafter contained, and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Landlord and Tenant hereby agree as follows:

1. **Capitalized Terms**. Capitalized terms used in this Agreement and not otherwise defined herein shall have the respective meanings set forth in the Lease.

2. **Termination of Lease and License**. Notwithstanding anything in the Lease or the License to the contrary: (i) the Lease (and all tenancies and subtenancies that may exist in connection therewith or the Leased Premises) is hereby terminated effective as of the date of this Agreement; and (ii) the License is hereby terminated effective as of March 31, 2024 (the “**Termination Date**”). Tenant has no further rights in or to the Leased Premises or otherwise under the Lease; and to the extent Tenant had any possession of the Leased Premises, Tenant hereby surrenders full possession of the Leased Premises to Landlord.

3. **Surrender of Licensed Space**. Until the Termination Date, Tenant may remain in the Licensed Space pursuant to and subject to the terms and conditions of the License, without payment of rent thereunder. On or prior to the Termination Date, Tenant shall vacate and surrender the Licensed Space to Landlord free of all fixtures, equipment and other personal property, and tenancies, subtenancies and occupants, and otherwise in the manner and condition that is required under the License upon an expiration or earlier termination thereof (the foregoing, collectively, “**Tenant’s Surrender**”). In the event that Tenant fails to perform Tenant’s Surrender on or before the Termination Date, then Landlord shall have the right to exercise all rights and remedies under the License and at law and in equity in connection therewith, and Landlord shall also have the right to reinstate the Lease and/or License in its sole and absolute discretion, in which event the Lease and/or License, as applicable, shall continue in full force and effect notwithstanding this Agreement.

4. **Retention of Furniture**. Notwithstanding the termination of the Lease and the License hereunder, provided Tenant timely effects Tenant’s Surrender, Tenant shall be entitled to keep the existing furniture in the Leased Premises that Tenant was going to be allowed use under the Lease (i.e., the furniture listed in Exhibit E to the Lease, as referenced in the Section 8.2 of the Lease [the “**Existing Furniture**”]). Landlord makes no representation or warranty with respect to the Existing Furniture.

5. **Security Deposit.** Within Fifteen (15) Days following the effective date of this Agreement, Landlord shall return to Tenant the \$51,310.91 security deposit under the Lease to the extent Tenant has in fact previously delivered such security deposit to Landlord.

6. **Miscellaneous.**

(a) In the event of a conflict between the terms of (x) the Lease and/or the License and (y) this Agreement, the terms of this Agreement shall control.

(b) This Agreement may be executed in counterparts by the parties hereto and all such counterparts when taken together shall be deemed to be one original. Delivery of a copy of executed counterpart of this Agreement by email, facsimile or other electronic means shall be equally as effective as delivery of an original counterpart of this Agreement and such copies and all further copies thereof shall be deemed to be an original for all purposes.

(c) Tenant shall execute and deliver such further documentation and instruments as may be reasonably requested by Landlord in order to effectuate or evidence the surrender of the Licensed Space and/or termination of the Lease and/or License.

(d) Tenant and the individual(s) signing this Agreement on behalf of Tenant, hereby jointly and severally represent and warrant to Landlord that the Tenant has the full authority to enter into this Agreement and to perform its obligations hereunder, that the individual(s) signing this Agreement on behalf of Tenant has the authority to do so and to bind Tenant.

Article 2. Demise; Rent

Section 2.1 Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, the Premises, for the Term, at the Rent and on the other terms of this Lease.

Section 2.2 Tenant shall pay Landlord the Rent, without notice, deduction or offset (except as provided in this Lease), in lawful money of the United States of America, by Tenant's check or another method approved by Landlord, at Landlord's Notice Address or another address Landlord designates, and as provided in this Lease. The Fixed Rent shall be paid in equal monthly installments, in advance, on the first day of each calendar month during the Term, except that (a) provided no Default exists hereunder, Tenant shall not pay the Fixed Rent until the Fixed Rent Commencement Date, and (b) Tenant shall pay Landlord one full monthly installment of the Fixed Rent within ten (10) days following Tenant's execution of this Lease, to be applied to the first full monthly installment of the Fixed Rent due under this Lease. If the Fixed Rent Commencement Date is not the first day of a month, the Fixed Rent for the month in which the Fixed Rent Commencement Date occurs shall be apportioned according to the number of days in that month. Notwithstanding the foregoing, in the event that Tenant occupies less than half of the Premises as of January 1, 2016, then the Fixed Rent Commencement Date for such half of the Premises shall be the date which is four (4) months following the Commencement Date and provided the remaining half of the Premises ("Remaining Half of Premises") is occupied by Tenant no later than July 1, 2016, the Fixed Rent Commencement Date for the Remaining Half of the Premises shall be the date which is three (3) months following Tenant's occupancy of such Remaining Half of Premises. All sums, other than the Fixed Rent, payable by Tenant to Landlord under this Lease, including the payment of deficiencies in the Security, if any, are considered additional rent (and the Fixed Rent and all additional rent are collectively called "Rent"). Landlord's delay in rendering, or failure to render, any statement required to be rendered by Landlord for any Rent for any period shall not waive Landlord's right to render a statement or collect that Rent for that or any subsequent period. The rendering of an incorrect statement shall not waive Landlord's right to render a corrected statement for the period covered by the incorrect statement and collect the correct amount of the Rent.

Section 2.3 Along with and in addition to each monthly Fixed Rent payment under the Lease, Tenant shall pay to Landlord any sales or privilege tax required under applicable Law including but not limited to Florida Statutes Section 212.031 and any amendments or replacements thereof.

Section 2.4 If at any time during the Term the Rent is not fully collectible by reason of any Law, Tenant shall enter into such agreements and take such other action (without additional expense or liability to Tenant) as Landlord reasonably requests and which is not prohibited by any Law, to permit Landlord to collect the maximum permissible Rent (but not in excess of the Rent). On the termination of that Law prior to the Expiration Date (a) the Rent shall be paid in accordance with this Lease, and (b) Tenant shall pay to Landlord, if not prohibited by any Law, the Rent which would have been paid but for that Law, less the Rent paid by Tenant to Landlord during the period of that Law.

Section 2.5 If Landlord fails to give Tenant possession of the Premises on any specific date, this Lease shall remain in full force and effect according to its terms, but the Term and the Rent shall not commence until the Commencement Date (or, with respect to the Fixed Rent, the Fixed Rent Commencement Date, if applicable).

Section 2.6 If requested by Landlord or Tenant, Landlord and Tenant shall promptly sign and deliver a confirmation of the Commencement Date, the Fixed Rent Commencement Date, the Fixed Expiration Date and any other dates referred to in this Lease, but the failure to do so shall not change those dates.

Article 3. Use

Section 3.1 Tenant shall use the Premises only for offices (the “Permitted Use”), subject, however, to the provisions of this Lease.

Section 3.2 Tenant shall not (a) use any part of the Premises (i) in violation of this Lease or the certificate of occupancy, if any, for the Premises or the Building or (ii) for any of the following (or offices therefor): employment agency; travel agency; foreign government or any business owned in whole or in part by a foreign government; foreign airline; a place of public assembly; physician’s or other health care provider’s office or medical clinic; a school or classroom; gambling; any business that, in Landlord’s reasonable judgment, may jeopardize the safety of the Building or its occupants; or the sale or preparation of any food or beverage (except for vending machines and warming food, in both cases solely for Tenant’s employees and invitees), (b) use any area outside the Premises within or adjacent to the Building for the sale or display of any merchandise, for solicitations or demonstrations or for any other activity, (c) store trash other than inside the Premises, (d) cause waste, or do anything which, in Landlord’s reasonable judgment, disturbs other occupants of the Building (including permitting music or other sounds in the Premises to be heard outside the Premises, equipment in the Premises to cause vibration or noise which is transmitted beyond the Premises, odors or fumes beyond the Premises or its employees, invitees or deliverymen to loiter immediately outside the Premises or the Building or within the public areas of the Building) or is obscene, pornographic or lewd, (e) place any sign on any window or door of the Premises, or in the Premises if it can be seen from outside the Premises, except a Building standard identification sign on Tenant’s entrance door, Building standard window coverings or other sign or item expressly permitted by this Lease, (f) park trucks or other vehicles which interfere with any part of the Building or the Land, (g) cause the release in or from the Premises of any hazardous material, or any other item which is deemed hazardous under any Law, (h) advertise in a manner which, if the Building is identified, in Landlord’s reasonable judgment, impairs the reputation or desirability of the Building or (i) move any heavy or bulky items into or out of the Building without Landlord’s consent, which shall not be unreasonably withheld or delayed (and (x) if any such item requires special handling,

Tenant shall employ a person approved by Landlord for such purpose, which approval shall not be unreasonably withheld or delayed and (y) Landlord may inspect any items brought into or taken from the Building). Notwithstanding the above, if Tenant leases the entire 6th floor it may install custom signage off the main elevator lobby of that floor, subject to Landlord reasonable approval.

Section 3.3 Tenant shall comply with the existing rules and regulations of the Building attached to this Lease as Exhibit C, and any future rules and regulations adopted by Landlord for all tenants in connection with the operation of, and construction work within, the Building which do not materially and adversely affect Tenant's rights under this Lease or impose any material financial responsibility on Tenant (collectively, "Landlord's Regulations"), 10 days prior notice of which shall be given to Tenant. Landlord is not required to enforce Landlord's Regulations or any other lease and Landlord shall not be liable to Tenant for a violation of Landlord's Regulations or any other lease. Landlord's failure to enforce Landlord's Regulations against Tenant or any other occupant of the Building shall not be considered a waiver of Landlord's Regulations. Landlord shall not, however, enforce Landlord's Regulations against Tenant in a discriminatory manner. If there is any inconsistency between this Lease and Landlord's Regulations, this Lease shall control.

Article 4. Condition of the Premises; Landlord's Work

Section 4.1 Tenant has examined the Premises and (a) Tenant shall accept possession of the Premises in its "AS IS" condition on the date of this Lease, subject to normal wear and tear and the removal of the existing occupant's property, if any, and (b) Landlord has no obligation to perform any work, supply any materials, incur any expenses or make any installations to prepare the Premises for Tenant's occupancy.

Section 4.2 Landlord shall, at its expense, in a Building standard manner, using Building standard materials, in accordance with all applicable Laws, perform Landlord's Work.

Article 5. Tenant's Work

Section 5.1 Except as may be expressly provided in this Lease, Tenant shall not make any changes to the Premises, the Building, the Building systems, or any part thereof (collectively, "Tenant's Work"), without Landlord's consent. Landlord's consent shall not be unreasonably withheld or delayed provided that Tenant's Work (a) does not (i) affect any part of the Building outside the Premises, (ii) adversely affect any structural element of the Building (iii) adversely affect any Building system or (iv) require an amendment of the certificate of occupancy for the Premises or the Building, and (b) is performed only by contractors or subcontractors approved by Landlord (which shall not be unreasonably withheld or delayed, except that any Tenant's Work which affects any Building system shall be performed by a contractor or subcontractor designated by Landlord or then on Landlord's list, if any, of approved contractors and subcontractors for that work). Tenant's Work shall be performed, at Tenant's expense, in a professional manner using new materials of first class quality and in compliance with this Lease, all Laws and Tenant's Plans (as defined in Section 5.2). Tenant shall not be required to pay Landlord a construction management or administrative fee for Tenant's Work. If Tenant's Work consists solely of the installation of Tenant's Property in the Premises, a change affecting only Tenant's Property in the Premises or the painting, carpeting or decorating of the Premises, Landlord's consent shall not be required, provided (i) Tenant gives

Landlord 10 days prior notice of such Tenant's Work (with reasonable details of the work to be performed), (ii) all of the other applicable provisions of this Lease shall apply and (iii) such Tenant's Work does not violate clauses (a) or (b) of this Section. Tenant shall have exclusive use of one (1) 750KW generator in the utility building and may at Tenant's sole cost and expense and subject to the reasonable approval of Landlord, perform work required to integrate that generator with Tenant's electrical system. Tenant shall use such electrical contractors and engineers as shall be mutually agreed upon by Landlord and Tenant in connection with any work relating to such generator.

Section 5.2 Prior to performing any Tenant's Work which, pursuant to this Article, requires Landlord's consent, Tenant shall, at Tenant's expense (a) deliver to Landlord, detailed plans and specifications for Tenant's Work in form reasonably satisfactory to Landlord prepared and certified by a registered architect or licensed engineer, and suitable for filing with the applicable Authority, if filing is required by Law ("Tenant's Plans"), (b) obtain Landlord's approval of Tenant's Plans (which shall not be unreasonably withheld or delayed to the extent Landlord's consent to Tenant's Work shown on Tenant's Plans is not to be unreasonably withheld or delayed pursuant to this Article), (c) obtain (and deliver to Landlord copies of) all required authorizations of any Authority, and (d) deliver to Landlord certificates (in form reasonably acceptable to Landlord) of worker's compensation insurance (covering all persons to be employed by Tenant, and all contractors and subcontractors performing any Tenant's Work), commercial general liability insurance (naming Landlord, Landlord's managing agent, if any, any Superior Landlord and any Mortgagee as additional insureds) and Builder's risk insurance (issued on a completed value basis), in form, with companies, for periods and in amounts reasonably required by Landlord, naming Landlord, Landlord's managing agent, if any, any Superior Landlord and any Mortgagee as additional insureds. Tenant shall promptly reimburse Landlord for any reasonable out-of-pocket expenses incurred by Landlord in connection with Landlord's review of Tenant's Plans and inspection of Tenant's Work, including outside experts retained by Landlord for that purpose; provided that the foregoing shall not apply in connection with Landlord's review of the Tenant's Plans for the initial Tenant's Work performed prior to the Commencement Date. Following the completion of Tenant's Work, Tenant shall, at Tenant's expense, obtain and deliver to Landlord copies of all building permits and final approvals and, to the extent in the possession of Tenant, "as-built" plans and specifications for Tenant's Work prepared as reasonably required by Landlord.

Section 5.3 Landlord shall pay to Tenant (or Tenant's designee) on the terms set forth herein the amount of \$36.50 per rentable square foot of the Premises (for a total of \$3,083,045.50) (such amount, the "Landlord's Allowance"). Such payment by Landlord shall be made by reimbursement to Tenant of an amount up to the aggregate amount of the Landlord's Allowance toward the hard costs incurred in connection with the initial Tenant's Work in connection with Tenant's initial occupancy of the Premises (the "Initial Tenant's Work"). The disbursement of the Landlord's Allowance shall be handled in the following manner:

(a) on or before the 10th of each month during the Term of this Lease, Tenant may submit to Landlord a statement requesting reimbursement of a sum, together with a certificate signed by Tenant, dated not more than 30 days prior to such request, setting forth the following:

(i) that the sum then requested either has been paid by Tenant to contractors, subcontractors, materialmen, engineers, architects, consultants or other persons who have

rendered services or furnished materials for the Initial Tenant's Work therein specified, the names and addresses of such persons, a brief description of such services and materials, the several amounts so paid or due to each of said persons in respect thereof, and that the sum then requested does not exceed the cost of the services and materials described in the certificate;

(ii) that, except for the amount, if any, stated (pursuant to clause (i) above) in such certificate to be due for services or materials, there is no outstanding indebtedness known to the person signing such certificate, after due inquiry, which is then due for labor, wages, materials, supplies or services in connection with such Initial Tenant's Work, or if such outstanding indebtedness exists, that Tenant shall satisfy such outstanding indebtedness; and

(iii) (x) that the portion of the Initial Tenant's Work for which Tenant is seeking reimbursement has been completed in a good and workmanlike manner and in compliance with all applicable Laws, and (y) that there has not been filed with respect to the Initial Tenant's Work any vendor's, contractor's, mechanic's, laborer's or materialmen's statutory or similar lien which has not been discharged of record, except such as will be discharged upon payment of the sum requested in such certificate; and

(iv) an application by the General Contractor performing the Initial Tenant's Work, showing the status of the contract sum to date, including the total dollar amount of the work completed and summed to date, the amount of retainage (if any), the total of previous payments, a summary of change orders, and the amount of current payment requested, contain a breakdown by trade and/or other categories acceptable to Landlord, executed by the general contractor and certificated by Tenant (or its architect) that the general contractor is entitled to payment, and accompanied by invoices relating to items covered thereby;

(v) duly executed interim affidavits and interim lien waivers, in form and substance acceptable to Landlord, from the general contractor and such other parties as Landlord reasonably may require;

(vi) such additional items as Landlord may reasonably require in order to obtain such funds from its lender.

(b) Subject to the provisions of subsection (d) below, Landlord shall pay to Tenant the sum requested on or before the 25th day of the month within which such statement and certificate shall have been delivered.

(c) Upon final completion of all of the Initial Tenant's Work, Tenant covenants to deliver to Landlord reasonable evidence of the satisfactory completion of all required inspections and issuance of any required approvals and signoffs of public authorities with respect to the Initial Tenant's Work, (i) evidence of payment in full for all work performed and materials delivered in connection with the Initial Tenant's Work, and (ii) all final lien waivers from all contractors, subcontractors and materialmen who performed work and/or delivered materials to the Premises in connection with the Initial Tenant's Work.

(d) Landlord's obligation to pay Tenant all or any portion of the Landlord's Allowance shall expire on December 31, 2016.

Section 5.4 Nothing contained in this Lease shall be construed as consent on the part of Landlord to subject the estate of Landlord in the Land, Building or the Premises to liability under the Construction Lien Law of the State of Florida as a result of work done by or on behalf of Tenant or services provided to Tenant, it being expressly understood that Landlord's estate shall not be subject to such liability. Tenant agrees not to suffer any mechanic's lien to be filed against the Land, Building or Premises by reason of any work, labor, services or materials performed at or furnished to the Premises by or for Tenant or by anyone holding the Premises through or under Tenant. If, in connection with Tenant's Work or any other act or omission of Tenant or Tenant's employees, agents or contractors, a mechanic's lien, financing statement or other lien or violation is filed against Landlord, or any part of the Premises, the Building, the Land or Tenant's Work, Tenant shall, at Tenant's expense, have it removed by bonding or otherwise within 30 days after Tenant receives notice of the filing. If Tenant shall fail to cause such lien forthwith to be so discharged, transferred to or bonded as provided for herein then Landlord may bond over or discharge the same by paying the amount claimed to be due, and the amount so paid by Landlord, together with interest thereon at the Default Rate, shall be due and payable by Tenant to Landlord as additional rent within thirty (30) days after receipt of an invoice therefor (together with reasonable evidence of the amounts expended). The provisions of this Section 5.4 shall survive the expiration or earlier termination of this Lease.

Section 5.5 Tenant shall not employ, or permit the employment of, any contractor, subcontractor or other worker in the Premises, whether in connection with Tenant's Work or otherwise, if such employment shall, in Landlord's reasonable judgment, interfere or cause conflict with other contractors, subcontractors or workers in the Building.

Section 5.6 At Tenant's request, Landlord shall join in any applications for any authorizations required from any Authority in connection with Tenant's Work (to which Landlord has consented, if required pursuant to this Article), and otherwise cooperate with Tenant in connection with Tenant's Work, but Landlord shall not be obligated to incur any expense or obligation in connection with any such applications or cooperation.

Section 5.7 Tenant shall not place a load on any floor of the Premises exceeding the floor load per square foot which the floor was designed to carry and which is allowed by any Law.

Section 5.8 On or before the Expiration Date, Tenant shall, at Tenant's expense, remove from the Premises and the Building (a) Tenant's trade fixtures, equipment and personal property which are removable without material damage to the Premises or the Building ("Tenant's Property"), and (b) any Tenant's Work which is not an ordinary nonstructural office installation and which Landlord designates for removal in a notice given by Landlord to Tenant on or before the date which is 90 days prior to the Fixed Expiration Date (or five days prior to the Earlier Expiration Date, if applicable), and repair any damage to the Premises or the Building caused by the installation or removal of Tenant's Property or Tenant's Work. If, at the time Tenant requests Landlord's consent to Tenant's Plans, Tenant requests Landlord to designate the portions of Tenant's Work which must be removed pursuant to this Section, including cabling, Landlord shall make that designation on the date Landlord gives Landlord's consent to Tenant's Plans. Except as expressly provided in this Section, Tenant's Work shall not be removed and

shall, on the Expiration Date, become the property of Landlord. Any Tenant's Property or Tenant's Work (which Tenant was required to remove) which is not removed by Tenant by the Expiration Date shall be deemed abandoned and may, at Landlord's option, be retained as Landlord's property or disposed of by Landlord at Tenant's expense.

Section 5.9 During Tenant's Work period prior to the Commencement Date, Landlord shall have reasonable access to the Premises. Given the involvement via approvals and oversight being provided by Landlord during the Tenant Work period, the parties agree that Tenant shall have access to the space for Tenant Improvement Work but shall not be in control of the Premises for financial accounting purposes until the Commencement Date.

Article 6. Real Estate Taxes

Section 6.1 The following defined terms are used in this Article:

(a) **Taxes**. The aggregate of all impositions, real estate taxes, assessments (special or otherwise), water and sewer charges and rents, impact fees and other governmental liens and charges of any and every kind, nature and sort whatsoever, ordinary and extraordinary, general and special, foreseen and unforeseen and substitutes therefore, and other charges (including payments in lieu of Taxes) of any Authority assessed against all or any part of the Building or the Land. If the method of taxation is changed so that in lieu of, as an addition to or as a substitute for all or any part of the real estate taxes, assessments or charges assessed against all or any part of the Building or the Land, there is assessed any other tax, assessment or charge, including one based on the rents received from the Building or the Land, all such taxes, assessments and charges shall be considered Taxes. Taxes shall not, however, include any franchise, gift, inheritance, estate, sales, transfer, general income or profit tax imposed on Landlord (unless it is considered part of Taxes pursuant to the preceding sentence). If in any Tax Year (including the Taxes Base Year) there is any abatement or exemption of Taxes (or any assessment or rate which comprises Taxes), the abatement or exemption shall be taken into account, and Taxes shall be determined incorporating such abatement or exemption.

(b) **Tax Year**. The 12-month period ending December 31.

(c) **Tax Statement**. A statement showing the calculation of Tenant's Tax Payment.

(d) **Tenant's Tax Payment**. Tenant's Share of the excess of Taxes for any Tax Year over Taxes for the Taxes Base Year. For purposes of Tenant's share of taxes, the calculations should be based on the full 4% discount as if paid in November.

Section 6.2 If for any reason, foreseen or unforeseen (including increases in the tax rate or the assessed valuation of the Building or the Land for any reason, including changes in the method of assessment, reassessments occurring in the normal course or outside of the normal course or increases in assessments by reason of changes to the Building or the Land made by Tenant, other tenants, or Landlord), Taxes for any Tax Year, all or any part of which falls within the Term, exceed Taxes for the Taxes Base Year, Tenant shall pay to Landlord Tenant's Tax Payment within 15 days following Tenant's receipt of the Tax Statement for that Tax Year. At Tenant's request, Landlord shall deliver to Tenant a copy of the relevant bill for Taxes. If Taxes for any Tax Year are less than Taxes for the Taxes Base Year, Tenant shall not

be entitled to any payment or credit. If Landlord requests, Tenant shall pay to Landlord Tenant's Tax Payment as reasonably estimated by Landlord from time to time in monthly or other periodic installments, in advance, on the first day of each calendar month or other period, so that on the date 30 days before the date Landlord is required (without interest or penalty) to pay Taxes for any Tax Year or part of a Tax Year Landlord shall have received from Tenant Tenant's Tax Payment for that Tax Year or that part of a Tax Year. If Landlord requests or revises the installments of Tenant's Tax Payment following the commencement of a Tax Year, Tenant shall (a) until a request is made, pay the installments of Tenant's Tax Payment for the prior Tax Year and (b) within 30 days following Tenant's receipt of Landlord's request or revision, pay the installments of Tenant's Tax Payment retroactive to the beginning of that Tax Year to the extent they exceed the payments previously made by Tenant for that Tax Year (or if they are less, Landlord shall credit the difference against the next payments under this Lease). If 30 days before the date Landlord is required (without interest or penalty) to pay Taxes for any Tax Year or any part of a Tax Year the aggregate amount collected by Landlord from Tenant is not sufficient to pay Tenant's Tax Payment for that Tax Year or that part of a Tax Year, Landlord shall give notice to Tenant, and Tenant shall pay to Landlord the deficiency within 30 days following Tenant's receipt of Landlord's request. If, however, the aggregate amount collected by Landlord from Tenant is greater than Tenant's Tax Payment, Landlord shall credit the excess against Tenant's next payments under this Lease or, if any excess is due Tenant at the Expiration Date, Landlord shall promptly pay that excess to Tenant.

Section 6.3 Landlord may, at Landlord's option, institute proceedings to reduce Taxes. Tenant may not institute such proceedings. If Taxes for the Taxes Base Year are reduced, Tenant's Tax Payment for all Tax Years subsequent to the Taxes Base Year shall be recomputed based on the reduced Taxes for the Taxes Base Year, and Tenant shall pay to Landlord, within 15 days following receipt of Landlord's request, the deficiency between the amount due as a result of the recomputations and the amount paid by Tenant. If Landlord receives a refund or credit of Taxes for any Tax Year for which Tenant made Tenant's Tax Payment, Landlord shall credit Tenant's Share of the refund or credit against Tenant's next payments under this Lease (or, if any refund or credit is due Tenant at the Expiration Date, Landlord shall promptly pay that refund or credit to Tenant), after deducting from the refund or credit any reasonable expenses incurred by Landlord to obtain the refund or credit which have not been previously reimbursed to Landlord, but Tenant's Share of the refund or credit for any Tax Year shall not exceed Tenant's Tax Payment paid for that Tax Year.

Section 6.4 If the Commencement Date or the Expiration Date is a date other than the first or last day of a Tax Year, Tenant's Tax Payment for that Tax Year shall be apportioned according to the number of days of that Tax Year within the Term. Tenant shall, to the extent not paid by Tenant to Landlord as part of Taxes, pay to Landlord, within 15 days following Tenant's receipt of Landlord's request, any occupancy, rent or other tax now or hereafter imposed on Tenant which (a) must be collected by Landlord, (b) is payable by Landlord if not paid by Tenant or (c) is a lien on any part of the Building or the Land.

Section 6.5 Tenant shall pay to Landlord, within 15 days following Tenant's receipt of Landlord's invoice, Tenant's Share of the reasonable expenses incurred to contest any Taxes applicable to any part of the Term (prorated for any partial Tax Year within the Term) which have not been previously reimbursed to Landlord.

Article 7. Expenses

Section 7.1 The following defined terms are used in this Article:

(a) **Expenses.** All of Landlord's expenses in connection with operating, insuring, maintaining and repairing the Building or the Land, excluding the following, which shall not be included in the calculation of Expenses hereunder: (i) depreciation, (ii) principal and interest on and amortization of borrowed funds, (iii) financing or refinancing expenses, (iv) expenses in connection with the sale of the Building or the Land or any interest in the Building or the Land, (v) rent under any Superior Lease, (vi) leasehold improvements for tenants, (vii) leasing commissions, (viii) capital expenditures other than capital expenditures required by any Law enacted or becoming effective after the date of this Lease or which Landlord reasonably believes shall reduce Expenses, in both cases amortized on a straight-line basis over the useful life of the capital item in question reported by Landlord for tax purposes, with interest at the Base Rate, (ix) the wages and fringe benefits of any employee above Building manager, (x) expenses incurred by reason of casualty or condemnation (except for the reasonable deductible portion of any insured casualty), (xi) expenses for services to tenants in the Building in excess of the services required by this Lease to be provided to Tenant, (xii) expenses paid to any affiliate of Landlord in excess of the expenses which would have been paid to an unaffiliated person, (xiii) legal and accounting fees in connection with the leasing of the Building or any legal action with another occupant, (xiv) advertising and promotional expenses, (xv) Taxes and any exclusions from Taxes expressly set forth in this Lease, (xvi) charitable contributions other than membership fees or dues of real estate related organizations, and (xvii) any penalty or fine incurred for non-compliance with applicable building or fire codes by Landlord or any other Tenant. If a managing agent for the Building is not employed by Landlord, a management fee may be included in Expenses which does not exceed the then prevailing management fee for a managing agent that is not paid leasing commissions (unless it is the procuring cause) for buildings similar to the Building in the vicinity of the Building. Expenses for the Expenses Base Year and each calendar year shall be reasonably determined by Landlord as if the Building is 95% occupied and as if Landlord is required to provide to each tenant the same services as Landlord is required pursuant to this Lease to provide to Tenant without additional charge. If this Lease shall provide that an expense is to be paid by Landlord, that expense shall be deemed an Expense if it is not excluded from Expenses pursuant to this paragraph or another provision of this Lease.

(b) **Expense Statement.** A reasonably detailed statement prepared by Landlord or, at Landlord's option, a third party, showing the calculation of Tenant's Expense Payment.

(c) **Tenant's Expense Payment.** Tenant's Share of the excess of Expenses for any calendar year over Expenses for the Expenses Base Year.

Section 7.2 If Expenses for any calendar year all or any part of which falls within the Term exceeds Expenses for the Expenses Base Year, Tenant shall pay to Landlord Tenant's Expense Payment within 30 days following Tenant's receipt of the Expense Statement for that calendar year. If Expenses for any calendar year are less than Expenses for the Expenses Base Year, Tenant shall not be entitled to any payment or credit. If Landlord requests, Tenant shall pay to Landlord Tenant's Expense Payment as reasonably estimated by Landlord from time to time in monthly or other periodic installments, in advance, on the first day of each calendar

month or other period. If Landlord requests or revises the installments of Tenant's Expense Payment following the commencement of a calendar year, Tenant shall (a) until a request is made, pay the installments of Tenant's Expense Payment for the prior calendar year and (b) within 10 days following Tenant's receipt of Landlord's request or revision, pay the installments of Tenant's Expense Payment retroactive to the beginning of that calendar year to the extent they exceed the payments previously made by Tenant for that calendar year (or if they are less, Landlord shall credit the difference against the next payments under this Lease). Landlord shall, within 120 days following the end of each calendar year, deliver to Tenant an Expense Statement for that calendar year. If the aggregate amount collected by Landlord from Tenant for that calendar year is less than Tenant's Expense Payment shown on that Expense Statement, Tenant shall pay the deficiency to Landlord within 30 days following Tenant's receipt of that Expense Statement. If, however, the aggregate amount collected by Landlord from Tenant is greater, Landlord shall credit the excess against Tenant's next payment under this Lease or, if any excess is due Tenant at the Expiration Date, Landlord shall promptly pay that excess to Tenant.

Section 7.3 If the Commencement Date or the Expiration Date is a date other than the first or last day of a calendar year, Tenant's Expense Payment for that calendar year shall be apportioned according to the number of days of that calendar year within the Term.

Section 7.4 Tenant shall have the right, at Tenant's expense, during normal business hours, on notice to Landlord, to examine, at Landlord's office (or at Landlord's option, the office of Landlord's managing agent or independent certified public accountant), Landlord's books and records which are relevant to the determination of the Expenses shown on any Expense Statement, provided (a) there is no Default on the date of the examination, (b) the examination is conducted on one or more dates mutually convenient for Landlord and Tenant and concluded within 120 days following Tenant's receipt of the Expense Statement in question (if Landlord has provided Tenant with reasonable access during that period), (c) the person examining Landlord's books and records is not a person who is paid based in whole or in part on the amount of any reduction of the Expense Payment resulting from the examination (and, prior to making an examination both Tenant and the person retained by Tenant to make the examination shall certify to Landlord that the person making the examination is not to be paid any sum based in whole or in part on the reduction of Expense Payment), and (d) any information obtained by Tenant or the person examining Landlord's books and records shall be kept confidential, except for disclosure to Tenant's legal counsel and other advisors and any independent person designated to resolve any dispute between Landlord and Tenant relating to an Expense Payment or as required by any Law.

Section 7.5 An Expense Statement shall be binding and conclusive on Tenant unless Tenant, within 180 days following Tenant's receipt of that Expense Statement, gives notice to Landlord disputing its accuracy and setting forth the particular respects in which that Expense Statement is claimed to be inaccurate. If Tenant timely disputes an Expense Statement and Landlord and Tenant have not settled the dispute by agreement within 30 days following Landlord's receipt of Tenant's notice of dispute, Landlord and Tenant shall, within 60 days following Landlord's receipt of Tenant's notice of dispute, designate one independent person to resolve the dispute, who must have not less than 10 years' experience as an independent certified public accountant in connection with commercial office buildings in the city of Miami. If Landlord and Tenant fail to designate that person within 60 days following Landlord's receipt of Tenant's notice of dispute, that person shall be designated by the Miami office of the American

Arbitration Association (or any successor organization) under its then expedited rules at the request of either Landlord or Tenant. The determination of that person (which shall be requested within 30 days) shall be binding and conclusive on Landlord and Tenant. Landlord and Tenant shall each pay their own expenses of this procedure, except the fees and expenses of the independent person and the American Arbitration Association (or any successor organization) shall be paid 50 percent by Landlord and 50 percent by Tenant. Pending the resolution of any dispute, Tenant shall pay to Landlord Tenant's Expense Payment shown on that Expense Statement. Landlord shall credit against the next payments under this Lease any Expense Payment paid by Tenant in excess of that determined by agreement or by the independent person designated to resolve a dispute.

Section 7.6 Landlord agrees that any Controllable Expenses (as hereinafter defined) shall not exceed 5% compared to the prior year's Controllable Expenses, on a compounding, cumulative basis. Controllable Expenses shall mean all Expenses except for expenses associated with Taxes, utilities and insurance.

Article 8. Electricity

Section 8.1 Subject to the provisions of this Article, Landlord shall provide 6 watts for Tenant load of electricity to the Premises at all times through the existing electrical system of the Building for reasonable use for lighting and normal office equipment. Tenant's use of electricity in the Premises shall not at any time exceed the capacity of the electrical system within or serving the Premises and Tenant shall not overload any component of such system. Tenant shall, at Tenant's expense, furnish and install all lighting tubes, lamps, bulbs and ballasts required in the Premises. Tenant shall comply with all rules, regulations and other requirements of the utility or other supplier.

Section 8.2 In the event Landlord believes that Tenant is utilizing electrical capacity in excess of that which is typical for the general office use and call center use contemplated hereunder, Landlord shall have the right to submeter the Premises in order to measure Tenant's electrical consumption, and Tenant shall pay to Landlord the cost of all excess electrical consumption in excess of that which is typical for the general office use and call center use contemplated hereunder. Additional hours of operation shall not constitute utilization in excess of such capacity.

Article 9. Services

Section 9.1 Elevators. There are five (5) passenger elevators in the Building. Landlord shall (unless the Premises are on street level) provide (a) nonexclusive passenger elevator service on all days, excluding Saturdays, Sundays, and holidays observed by the State of Florida, the Federal Government or the labor unions servicing the Building ("Business Days"), from 8:00 a.m. to 6:00 p.m. ("Business Hours"), (b) at least two passenger elevators at all other times and (c) a nonexclusive freight elevator on Business Days from 9:00 a.m. to 12 noon and from 1:00 p.m. to 5:00 p.m. Landlord may change the manner of operation of any of the elevators, but shall not reduce the hours of operation provided in this Section (unless required by Law). There is a bank of escalators serving all floors of the Building. Landlord will maintain operation of the escalators.

Section 9.2 Heat, Ventilation and Air Conditioning. Landlord shall provide to the Premises through the existing Building system, heating and air conditioning for the reasonably comfortable use and occupancy of the Premises at all times. The temperature in the Premises shall be maintained between 70 and 75 degrees Fahrenheit. Landlord makes no representation and shall have no obligation or liability with respect to the performance of the Building system by reason of (a) the use of the Premises, or any part thereof, in a manner exceeding the design criteria of the system, (b) the arrangement of any partitioning or the ceiling distribution system in the Premises which interferes with normal operation of the system, (c) the use of any machines or equipment in the Premises, except for ordinary office machines which do not produce excess heat, (d) Tenant's failure to comply with this Lease which affects the performance of the system, (e) Tenant's Work, (f) any other act of Tenant or Tenant's employees or contractors, or (g) any Law.

Section 9.3 Security. Landlord shall provide 24 hour manned security service and security systems in Building and all parking areas, and shall provide controlled-access systems to the Building. Tenant shall have the right to install security cameras in the common area corridors at, or near, the entrances of the Premises, subject in each case to Landlord's approval.

Section 9.4 Water; Lavatories. Landlord shall provide to the Premises domestic water for ordinary drinking, pantry and lavatory purposes. If Tenant requires domestic water for any other purpose, and domestic water is available for that purpose from the existing Building system, Landlord shall provide that domestic water, but may install a meter to measure Tenant's domestic water consumption for all purposes (or, at Landlord's option, to measure Tenant's consumption of only the additional domestic water), in which event Tenant shall (a) pay to Landlord the cost of the meter and its installation, (b) at Tenant's expense, keep the meter in good working order and repair, and (c) pay to Landlord, within 15 days following Tenant's receipt of a bill, the cost incurred by Landlord to supply domestic water to the Premises as measured by the water meter (including any sales or other taxes).

Section 9.5 Access. Tenant shall have access to the Premises 24 hours each day, seven days each week pursuant to procedures established by Landlord (but Landlord shall have no obligation to Tenant to remove any snow, ice or other obstructions except on Business Days during Business Hours). Landlord may exclude from the Building (a) any employee of Tenant not presenting a pass to the Building authorized by Landlord and (b) any visitor of Tenant who is not on a list provided to Landlord by Tenant or otherwise authorized by Tenant to enter the Building pursuant to procedures established by Landlord. Landlord may impose, temporarily from time to time, or permanently, security procedures. Building hours of operation and afterhours access controls shall be 24 hours, 7 days a week, 365 days a year using a key card access control system. Building holidays shall include all federal holidays.

Section 9.6 Janitorial Services. Landlord shall provide janitorial services as attached in Exhibit D.

Section 9.7 Overtime, Extra or Outside Services. If Tenant shall give Landlord reasonable advance notice that Tenant requires a freight elevator, during hours or on days other than those set forth in this Lease, Landlord shall provide that service (unless, with respect to a freight elevator, it is not available during the requested hours or on the requested days) and Tenant shall pay any actual expenses (if any) incurred by Landlord in connection with

such service. If, upon Tenant's request, Landlord provides Tenant with any service which Landlord is not required to furnish pursuant to this Lease, Tenant shall reimburse Landlord, within 30 days following Tenant's receipt of a bill, Landlord's actual costs for that service. Any outside service providers (other than those used by Tenant in connection with Tenant's business) may be excluded from the Building if in Landlord's reasonable determination the presence of that service provider is detrimental to the Building or any tenant.

Section 9.8 No Warranty by Landlord. Landlord shall have no obligation to provide to Tenant or the Premises any services except as specifically set forth in this Lease. Landlord does not warrant that any Building system or service to be provided by Landlord, or any other systems or services which Landlord may provide (a) shall be adequate for Tenant's particular purposes or (b) shall be free from interruption or reduction. Building systems and services, including access, may be interrupted or reduced by reason of Laws, repairs or changes which are, in Landlord's judgment, necessary or desirable, or Unavoidable Events, in which event such interruption or reduction shall not, unless otherwise provided in this Lease (i) constitute an actual or constructive eviction, or a disturbance of Tenant's use of the Premises, (ii) entitle Tenant to any compensation or abatement of the Rent, (iii) relieve Tenant from any obligation under this Lease, or (iv) impose any obligation or liability on Landlord.

Section 9.9 Interruption of Services. Notwithstanding the above, should any essential service (electricity, vertical transportation, or water) be interrupted for a period of more than three (3) days as a result of matters which are in the control of Landlord and Tenant is unable to use the Premises as a result, rental shall abate following such 3 day period until such service is restored.

Section 9.10 Cafeteria. The cafeteria in the Building is operated by Florida Power & Light ("FP&L"). Landlord shall use commercially reasonable efforts to facilitate a dialogue between Tenant and FP&L regarding potential access for Tenant's employees to the FP&L cafeteria; provided however that Tenant acknowledges that Landlord makes no representations with respect to the availability of access to such cafeteria, and the failure to provide such access shall in no way affect the obligations of Tenant under the Lease. In the event Tenant cannot obtain use of the FP&L cafeteria, Tenant shall have the right at its sole cost and expense, and subject to the remaining terms of this Lease (including, without limitation, relating to alterations and improvements), to install a cafeteria within Tenant's Premises, subject to compliance with all applicable laws. In such event, Tenant shall pay to Landlord any increased costs incurred by Landlord as a result of such use.

Article 10. Repairs

Section 10.1 Landlord shall, at Landlord's expense, maintain and repair the Building (including the Building systems for example, but not by way of limitation: HVAC, plumbing, common area lighting, electrical distribution, fire and life safety systems, roof, shell, exterior, and landscape) and the Land, except to the extent of Tenant's responsibility set forth in this Article.

Section 10.2 Tenant shall, at Tenant's expense, subject to the provisions of this Lease, including Article 5, as if part of Tenant's Work, maintain and repair the Premises (including any lavatories within the Premises) and all Building systems within and serving only the Premises, subject to reasonable wear and tear and damage for which Tenant is not

responsible pursuant to this Lease. Subject to Section 13.4, all damage to the Building (including the Building systems) or the Land resulting from any act or omission of Tenant or Tenant's employees or contractors, shall be repaired, at Tenant's expense, by Tenant to the reasonable satisfaction of Landlord or, at Landlord's option, by Landlord. Tenant shall give prompt notice to Landlord if any portion of the Premises or any Building system within the Premises requires repair. Tenant shall, at Tenant's expense, cause vermin within the Premises to be exterminated (as reasonably required by Landlord).

Section 10.3 Landlord shall have no liability to Tenant, there shall be no abatement of the Rent and there shall not be deemed to be any actual or constructive eviction of Tenant arising from Landlord performing any repairs or other work to any portion of the Building (including the Premises or the Building systems). Landlord shall perform such repairs or other work in a manner which minimizes interference with the conduct of Tenant's business in the Premises and damage to the Premises, Tenant's Work and Tenant's Property (all of which shall promptly be repaired by Landlord, at its expense), but Landlord is not required to employ overtime labor or incur additional expenses. Notwithstanding the above, should the Building or Premises be damaged and require repair (other than as the result of the actions of Tenant or its agents), and Tenant is unable to use the Premises as a result thereof for a period of more than three (3) days as a result of matters which are in the control of Landlord, rental shall abate following such 3 day period until such repairs are made.

Article 11. Laws

Section 11.1 Tenant shall, at Tenant's expense, subject to the provisions of this Lease, including Article 5, as if part of Tenant's Work, comply with all present and future laws, rules, regulations, orders, ordinances, judgments, requirements and (if Landlord adopts same) recommendations (collectively, "Laws"), of the United States of America, the State of Florida, the City of Miami or any present or future subdivision, court, agency, department, commission, board, bureau or instrumentality thereof, and any fire insurance rating body (collectively, "Authority") applicable to Tenant's occupancy of the Premises, Tenant's Work, Tenant's Property or the Premises. If, however, compliance requires structural work to the Premises or any work to the Building systems within and serving only the Premises, Tenant shall comply, at Tenant's expense, only if the obligation to comply arises from Tenant's Work, Tenant's Property or Tenant's manner of using the Premises (and, in such event, Landlord may, at Landlord's option, perform the work, at Tenant's expense, to be paid within 15 days following Tenant's receipt of a bill). If Tenant's manner of using the Premises requires work outside the Premises or to any Building system serving areas outside the Premises, Tenant shall cease that manner of using the Premises unless Landlord, at Landlord's option, agrees to perform that work, at Tenant's expense, to be paid within 15 days following Tenant's receipt of a bill.

Section 11.2 Tenant shall promptly deliver to Landlord a copy of any communication or other materials relating to the Premises, the Building (including the Building systems), Tenant's Property or Tenant's Work received by Tenant from, or sent by Tenant to, any Authority.

Section 11.3 Landlord shall promptly cure any violation of Law affecting the Building or the Premises to the extent the violation interferes with Tenant's occupancy of the Premises or the performance of Tenant's Work.

Article 12. Subordination; Estoppel Certificates

Section 12.1 This Lease, and the rights of Tenant under this Lease, are subject and subordinate in all respects to all present and future underlying leases of the Building, including all modifications, extensions and replacements thereof ("Superior Leases") and all present and future mortgages on any Superior Lease or on the Building, including all modifications, extensions, supplements, consolidations and replacements thereof ("Mortgages"), and all advances under any Mortgage. This Section is self-operative and no further instrument of subordination is required. Tenant shall, within 15 days following receipt of Landlord's request, sign, acknowledge and deliver any instrument that Landlord, any landlord under a Superior Lease ("Superior Landlord") or any mortgagee under a Mortgage ("Mortgagee") may request to evidence that subordination. Landlord shall use commercially reasonable efforts to provide Tenant, at Tenant's request, with a non-disturbance agreement from all current or future Superior Landlord's or Mortgagees.

Section 12.2 If any act or omission of Landlord gives Tenant the right, immediately or after a period of time, to terminate this Lease, or to claim a partial or total eviction, Tenant shall not exercise that right until (a) Tenant gives notice of the act or omission to each Mortgagee and Superior Landlord whose name and address has been provided to Tenant in writing, and (b) unless the act or omission is Landlord's failure to substantially complete a repair within the time periods provided in Section 14.4, the period of time necessary for any Mortgagee or any Superior Landlord acting diligently to remedy the act or omission has elapsed following that notice, provided the Mortgagee or Superior Landlord, within a reasonable time, gives Tenant notice of its intention to remedy such act or omission.

Section 12.3 If any Mortgagee or any Superior Landlord (or a designee thereof) succeeds to the rights of Landlord under this Lease, then at the request of the successor, Tenant shall attorn to the successor as Tenant's landlord under this Lease, and shall, within 15 days following Tenant's receipt of a request, sign, acknowledge and deliver any instrument that the successor requests to evidence the attornment. Upon such attornment, this Lease shall continue in full force and effect as a direct lease between the successor and Tenant on all of the terms of this Lease, except that the successor shall not be (a) liable for any previous act or omission of Landlord under this Lease, (b) subject to any offset, not expressly provided in this Lease, (c) bound by any modification of this Lease made after the date of the Mortgage or the Superior Lease in question, or by any prepayment of more than one month's Rent, unless the modification or prepayment has been approved in writing by the Mortgagee or the Superior Landlord in question, (d) required to incur any costs to repair any damage caused by a fire, other casualty or condemnation in excess of the insurance proceeds or condemnation award, or (e) liable for the return of any Security except to the extent the Security was received by the successor.

Section 12.4 If any Mortgagee or Superior Landlord requires any modifications of this Lease, or that any Mortgage or Superior Lease be subordinate to this Lease, Tenant shall, within 15 days following Tenant's receipt of a request, sign, acknowledge and deliver to Landlord instruments in form and substance reasonably requested by Landlord providing for those modifications (provided they do not materially adversely affect Tenant) or that subordination.

Section 12.5 Landlord and Tenant shall, at any time and from time to time, within 30 days following its receipt of a request from the other party, sign, acknowledge and

deliver to the requesting party or any other person designated by that party a certification (a) that this Lease is in full force and effect and has not been modified (or, if modified, setting forth all modifications), (b) the date to which the Rent has been paid, (c) stating whether or not, to the best of its knowledge, there is then a Default or any event has occurred which, with the serving of notice or the passage of time, or both, would give rise to a Default, or if Landlord is in default under this Lease, and if so, setting forth the specific nature of same, and (d) to the best of its knowledge, any other factual matters reasonably requested by the other party or any person designated by the other party. Any certification delivered pursuant to this Section may be relied upon by the requesting party or any other person designated by the other party.

Section 12.6 Tenant acknowledges and agrees that (i) this Lease is subordinate to any mortgage, deed of trust, or deed that secures the current debt of Landlord to (or for the benefit of) Fortress Credit Co LLC, or its successors or assigns (the "Current Lender") on the Building and the Land (the "Security Instrument"); (ii) notwithstanding such subordination, upon the request of Current Lender, Tenant shall attorn to Lender or to the purchaser at the foreclosure sale under the Security Instrument, (iii) Tenant agrees to execute such further evidences of attornment as Lender may from time to time request; (iv) the Tenant's obligation of attornment shall not be terminated by such foreclosure; (v) in no event shall Lender or any purchaser at such foreclosure sale be liable to the Tenant for any act or omission of Landlord or of any other prior landlord, nor for any obligation of Landlord or any such prior landlord that is unperformed at the time of such foreclosure; and (vi) the Tenant must deliver to Landlord an estoppels certificate within fifteen (15) days after written request thereof by Landlord or its lender. Landlord shall use commercially reasonable efforts to obtain a subordination and non-disturbance agreement from Current Lender in form customarily provided by Current Lender within thirty (30) days following Lease execution.

Article 13. Insurance

Section 13.1 Tenant shall, at Tenant's expense, maintain at all times during the Term and at all times when Tenant is in possession of the Premises (a) commercial general liability insurance in respect of the Premises, on an occurrence basis, with limits of \$1,000,000 per occurrence and \$5,000,000 general aggregate (which may consist of primary coverage of not less than \$1,000,000 and umbrella coverage), naming as additional insureds, as their interest may appear Landlord and any other person designated by Landlord, in compliance with this Article, (b) property insurance in an amount equal to 100 percent of full replacement value (with a deductible not to exceed a commercially reasonable amount covering Tenant's Work, Tenant's Property and the property of third parties located in the Premises, against fire and other risks included in the standard Florida form of property insurance, including business interruption, and (c) such other insurance as Landlord may reasonably require. Landlord shall have the right at any time and from time to time, but not more frequently than once every two years, to require Tenant to increase the amount of the commercial general liability insurance required to be maintained by Tenant under this Lease provided the amount shall not exceed the amount then generally required of tenants occupying similar premises in similar buildings in the general vicinity of the Building.

Section 13.2 Tenant shall deliver to Landlord and each additional insured (a) certificates in form reasonably acceptable to Landlord evidencing the insurance required by this Lease to be maintained by Tenant before the Commencement Date (and with respect to any insurance required pursuant to Article 5, before the commencement of any Tenant's Work), and

upon the expiration of any such insurance. All required insurance (including insurance required pursuant to Article 5) shall be primary and issued by companies reasonably satisfactory to Landlord. Tenant will use reasonable efforts to give thirty (30) days' notice to Landlord prior to cancellation or non-renewal of any of the policies providing such coverage, provided, however, that Tenant shall not be obligated to provide such notice if, concurrently with such cancellation or non-renewal, Tenant obtains coverage from another insurer meeting the requirements described above. Tenant may carry any required insurance under a blanket policy if that policy complies with the requirements of this Lease.

Section 13.3 Landlord shall maintain property insurance, in an amount not less than the amount which avoids any coinsurance provisions of the insurance, covering the Building (including the Premises, but not including the property required to be insured by Tenant pursuant to this Article), against fire and the other risks included in the standard Florida form of property insurance (including rent insurance), with such companies and with such deductibles as Landlord selects. Tenant shall not do or permit to be done any act which shall invalidate or be in conflict with Landlord's insurance policies, or increase the rates of insurance applicable to the Building. If, as the result of a Default, the insurance rates for the Building increase, in addition to any other obligation or liability of Tenant or any right or remedy of Landlord, Tenant shall reimburse Landlord for the increased premiums, within 15 days following Tenant's receipt of Landlord's request.

Section 13.4 Landlord and Tenant shall, to the extent obtainable, each procure a clause in, or endorsement on, any property insurance carried by it, pursuant to which the insurance company waives its right of subrogation against the other party to this Lease and its agents and employees or consents to a waiver of the right of recovery against the other party to this Lease and its agents and employees. If an additional premium is required for the waiver or consent, the other party shall be advised of that amount and may, but is not obligated to, pay the same. If that party elects not to pay the additional premium, the waiver or consent shall not be required in favor of that party. Provided its right of full recovery under its insurance policy is not adversely affected, Landlord and Tenant each hereby releases the other (and its agents and employees) with respect to any claim (including a claim for negligence) it may have against the other for damage or loss covered by its property insurance (including business interruption and loss of rent).

Section 13.5 The provisions of this Article shall apply to any subtenant or other occupant of the Premises.

Article 14. Casualty

Section 14.1 If (a) the Premises is damaged by fire or other casualty, or (b) the Building (including any Building system) is damaged by fire or other casualty so that Tenant is deprived of reasonable access to the Premises or any part of the Premises, or the Premises or any part of the Premises, is unusable by Tenant for the reasonable conduct of Tenant's normal business in the Premises, Tenant shall give prompt notice to Landlord. Subject to the provisions of this Article (a) Landlord shall, at Landlord's expense, repair the damage, excluding the damage to Tenant's Work or Tenant's Property and (b) Tenant shall, at Tenant's expense, promptly remove Tenant's Property from the Premises to the extent required by Landlord in connection with Landlord's repair of the damage. Until the repairs to be performed by Landlord are substantially completed, the Rent shall be reduced in proportion to the area of the Premises to

which Tenant shall not have reasonable access or which is unusable by Tenant for the reasonable conduct of Tenant's normal business in the Premises.

Section 14.2 If the cost of repairing any damage to the Building by fire or other casualty exceeds 25 percent of the replacement cost of the Building as reasonably estimated by a reputable contractor, architect or engineer selected by Landlord, then, whether or not the Premises are damaged, Landlord shall have the right, by notice to Tenant within 60 days following the date of the damage, to terminate this Lease, provided Landlord simultaneously terminates all other leases in the Building which under the circumstances may then be terminated by Landlord. If this Lease is terminated pursuant to this Section, the Term shall expire on the 30th day after the notice is given (and any Rent paid by Tenant to Landlord for any period after that date shall be promptly refunded by Landlord to Tenant).

Section 14.3 If a fire or other casualty results in the reduction of Rent pursuant to Section 14.1 with respect to 50 percent or more of the Premises, Landlord shall, within 30 days following the fire or other casualty, deliver to Tenant an estimate by a reputable contractor, architect or engineer selected by Landlord of the time required to substantially complete the repair of the Premises. If (a) the estimate exceeds one year following the fire or other casualty (or the remaining Term is less than one year) and (b) there is then no Default, Tenant shall have the right, by notice to Landlord within 15 days following the date Tenant receives the estimate, to terminate this Lease effective the date which is 60 days following the date of its notice, in which event Tenant shall pay the Rent to the date of termination (or the date of the fire or other casualty for that part of the Premises with respect to which the Rent is reduced pursuant to Section 14.1), and the Term shall expire on that date.

Section 14.4 If (a) this Lease is not terminated as provided in this Article, (b) the repair required by this Article to be performed by Landlord is not substantially complete one year following the fire or other casualty (or, if Section 14.3 applies, within the period set forth in the estimate), and (c) there is then no Default. Tenant shall have the right, by notice to Landlord within 10 days following the end of that period, to terminate this Lease effective the date which is 30 days following the date of its notice, in which event Tenant shall pay the Rent to the date of termination (or the date of the fire or other casualty for that part of the Premises with respect to which the Rent is reduced pursuant to Section 14.1), and the Term shall expire on that date.

Article 15. Condemnation

Section 15.1 If as the result of a taking by condemnation or similar legal action of an Authority (a) all of the Premises, or so much thereof as renders the Premises wholly unusable by Tenant, is taken, (b) a portion of the Building or the Land is taken, resulting in Tenant no longer having reasonable access to or use of the Premises, (c) all or substantially all of the Building or the Land is taken or (d) a portion of the Building is taken resulting in Landlord's determination to demolish the Building, the Term shall expire on the date of the vesting of title. In that event, the Rent shall be apportioned as of the date of termination and any Rent paid by Tenant to Landlord for any period after that date shall be promptly refunded by Landlord to Tenant.

Section 15.2 In the event of any such taking of all or any part of the Premises, the Building or the Land, Landlord shall be entitled to receive the entire award. Tenant shall have no claim against Landlord or any Authority for the value of the unexpired portion of the

Term or Tenant's Work, and Tenant hereby assigns to Landlord all of its right in and to any such award. Tenant may, however, at Tenant's expense, make a separate claim to the appropriate Authority for the value of Tenant's Property and for moving expenses provided such claim and award, if any, do not result in a reduction of the award which would otherwise be paid to Landlord.

Section 15.3 If a taking does not result in the termination of this Lease (a) Landlord shall, at Landlord's expense, as soon as practicable, restore that part of the Premises, the Building or the Land not taken, so that the Premises are usable, and (b) from and after the date of the vesting of title, the Rent shall be reduced in the same proportion as the area of the Premises, if any, which was taken.

Article 16. Assignment and Subletting

Section 16.1 Except as provided in this Article, Tenant shall not, without Landlord's consent (a) assign (by operation of law or otherwise), encumber or otherwise transfer this Lease or any interest in this Lease, or (b) sublet or permit others to occupy all or any part of the Premises (whether for desk space, mailing privileges or otherwise). The transfer, redemption or issuance (by one or more transactions) of ownership interests of Tenant or any direct or indirect parent of Tenant results in 50 percent or more of the ownership interests of that person being held by persons who did not hold 50 percent or more of those ownership interests on the date of this Lease shall be considered an assignment of this Lease which requires Landlord's consent, unless such ownership interests are publicly traded on a national stock exchange or over the counter market. Landlord's consent to an assignment, subletting or occupancy shall not relieve Tenant from any liability under this Lease or from obtaining Landlord's consent to any further assignment, subletting or occupancy.

Section 16.2 If Tenant desires to assign this Lease or sublet all or any portion of the Premises, Tenant shall give Landlord notice of Tenant's desire, accompanied by (i) an executed original of the proposed assignment (with an assumption of this Lease signed by the assignee) or sublease, the effective or commencement date of which must be at least 30 days after the giving of Tenant's notice, and all other documents related to the assignment or sublease, (ii) a reasonably detailed description of the proposed assignee or subtenant and its principals, the nature of its business and its proposed use of the Premises, and (iii) current financial information with respect to the proposed assignee or subtenant, including its most recent financial statements (and Tenant shall promptly deliver to Landlord such additional information as Landlord reasonably requests). Landlord's consent to the proposed assignment or sublease shall not be unreasonably withheld or delayed (and if not given or denied within 30 days following Landlord's receipt of Tenant's notice and the required information shall be deemed given), if:

(A) There is then no Default.

(B) The proposed assignee or subtenant (a) shall use the Premises for the Permitted Use and for no other purpose (but the proposed assignee or subtenant need not be in the same business as Tenant), and otherwise in accordance with this Lease, and (b) in Landlord's reasonable judgment, is engaged in a business which is in keeping with the then standards of the Building, shall not violate any negative covenant contained in any other lease in the Building, is reputable, has sufficient financial worth considering the responsibility involved and would not cause excessive use of the Building or any Building system or service.

(C) The proposed assignee or subtenant, and any person which, directly or indirectly, controls, is controlled by, or is under common control with, the proposed assignee or subtenant, is not (a) then an occupant of any part of the Building (other than the Premises), or (b) a person with whom Landlord is then negotiating (or with whom Landlord has within the prior six-month period negotiated) a lease in the Building, provided Landlord has, or reasonably anticipates having within 180 days, available space in the Building substantially the same size as the Premises (or the space to be sublet, if less than substantially all of the Premises) for a comparable term;

(D) The proposed assignment or sublease complies with the provisions of this Article;

(E) Tenant reimburses Landlord for any reasonable costs that Landlord incurs in connection with the assignment or sublease, including reasonable attorney's fees and disbursements;

(F) Tenant has not advertised the availability of the Premises without prior notice to Landlord (and no advertisement shall state the proposed rental or other financial terms of the proposed assignment or sublease);

(G) The proposed sublease is for a term ending not later than one day prior to the Fixed Expiration Date, and provides as follows: (a) the sublease is subject and subordinate to this Lease and to the matters to which this Lease is or shall be subject and subordinate; (b) the sublease may not be changed or extended (but may be terminated or reduced in term), assigned or encumbered, or the subleased space further sublet or occupied by others; (c) the subtenant shall not, without Landlord's consent or approval, take any action, which, if to be taken by Tenant, would require Landlord's consent or approval; (d) the subtenant shall, upon notice by Landlord that Tenant is then in Default, pay the rent under the sublease directly to Landlord to be applied to the Rent under this Lease (and Tenant hereby consents to that payment); (e) the subtenant shall, with respect to the subleased space and the subtenant's property, carry the insurance and furnish to Landlord the evidence thereof required by this Lease to be carried and furnished by Tenant, and shall name Landlord and any other party designated by Landlord as additional insureds on its commercial general liability insurance, and the provisions of Section 13.4 shall apply between Landlord and the subtenant; and (f) in the event of any termination, re-entry or dispossession by Landlord under this Lease, the subtenant shall vacate the sublet premises, unless Landlord, at Landlord's option, elects to take over all right, title and interest of Tenant, as sublandlord, under the sublease, in which event the subtenant shall, at Landlord's option, attorn to Landlord pursuant to the then executory provisions of the sublease, except that Landlord shall not be (i) liable for any previous act or omission of Tenant under the sublease, (ii) subject to any offset not expressly provided in the sublease, or (iii) bound by any change (other than a termination or a reduction in term) or extension of the sublease or prepayment of more than one month's rent to which Landlord did not consent; and

Section 16.3 Tenant shall be responsible for any act or omission of any assignee or subtenant (or anyone claiming through any assignee or subtenant) which violates this Lease, and that violation shall be considered a violation by Tenant. If Landlord denies consent to a proposed assignment or sublease, Tenant shall indemnify, defend and hold harmless Landlord

and Landlord's managing agent, if any, against and from any and all loss, liability, damages, costs and expenses (including reasonable counsel fees) resulting from any claims that may be made against Landlord or Landlord's managing agent, if any, by any proposed assignee or subtenant or by any brokers or other person claiming a commission or similar compensation in connection with the proposed assignment or sublease.

Section 16.4 Tenant shall pay Landlord, within 15 days following payment to Tenant, 50% of: (a) all sums and other consideration in connection with an assignment, after Tenant recovers therefrom all reasonable costs incurred by Tenant in connection with that assignment which have been paid or are then due and payable; and (b) the excess, if any, of the rents, additional charges or other consideration in connection with a sublease over the Rent allocable to the subleased premises (which Rent shall be allocated equally throughout the Premises) accruing during the term of that sublease after Tenant recovers therefrom all reasonable costs incurred by Tenant in connection with that sublease which have been paid or are then due and payable. This Section shall not apply to an assignment or a sublease described in Section 16.5.

Section 16.5 Tenant may, without Landlord's consent, assign this Lease or sublet all or any part of the Premises to (each, a "Permitted Transferee") (i) an any person or entity which, directly or indirectly, controls, is controlled by, or is under common control with Tenant (which means the ownership, directly or indirectly, of more than 50 percent of all voting ownership interests or the possession, directly or indirectly, of the power to direct management), (ii) a corporation or other business entity into which or with which Tenant, its corporate successors or assigns, is merged or consolidated, or (iii) a corporation or other business entity acquiring substantially all of Tenant's assets, provided that (a) there is then no Default, (b) Landlord is given not less than 15 days prior notice of the assignment, sublet or occupancy, including an executed original of all related documents, including an original assignment (with an assumption signed by the assignee), sublease or permission, and proof reasonably satisfactory to Landlord of the requisite control (c) the Premises is not further demised, and no demising walls, barriers, separate entrances, public corridors or like installations are constructed in the Premises and (d) such assignee or subtenant has net worth, credit and expected earnings equal to or greater than Tenant at the time of the proposed sublease or assignment.

Article 17. Landlord Access

Section 17.1 Landlord shall have the right, without the same constituting an eviction or constructive eviction of Tenant in whole or in part and without any abatement of the Rent or liability to Tenant, to (a) place (and have access to) concealed ducts, pipes and conduits through the Premises (without a material reduction or reconfiguration of the useable area of the Premises), (b) enter the Premises at reasonable times upon at least 24 hours' written notice (but prior notice shall not be required in an emergency), to inspect the Premises, to show the Premises to others, including any prospective purchasers or tenants, or to perform any work Landlord deems necessary or desirable to the Premises or the Building (including the Building systems) or for the purpose of complying with Laws, (c) alter, maintain or repair the Building (including the Building systems) or the Land, and change the arrangement or location of entrances, corridors, doorways, elevators, stairs, toilets, or other public portions of the Building or the Land (provided that Tenant shall have reasonable access to the Premises and toilets on the same floor as the Premises and, as a result thereof, there shall be no material reduction in the services which Landlord is required by this Lease to provide to Tenant), (d) change the name, number or

designation by which the Building is known and (e) take all material into the Premises that may be required in connection with any of the matters described in this Section. If Tenant is not present when Landlord desires to enter the Premises, Landlord or Landlord's contractors may enter the Premises (by force, in the event of an emergency) without liability to Tenant.

Section 17.2 If there is to be any excavation or construction adjacent to the Building, Tenant shall permit Landlord or any other person to enter the Premises to perform such work as Landlord or that person deems necessary to protect the Building, without any abatement of the Rent or liability to Tenant.

Section 17.3 Except as may be provided in this Lease, all walls, windows and doors bounding the Premises (including exterior walls of the Building, core corridor walls, and exterior doors and entrances, other than surfaces facing the interior of the Premises and doors and entrances servicing only the Premises), balconies, terraces, vaults, Building systems and all other portions of the Building are reserved to Landlord for Landlord's use, are not part of the Premises, and Landlord may have access thereto through the Premises.

Section 17.4 Landlord shall exercise Landlord's rights under this Article in a manner which minimizes interference with the conduct of Tenant's business in the Premises and damage to the Premises, Tenant's Work and Tenant's Property (all of which shall promptly be repaired by Landlord, at its expense), but Landlord is not required to employ overtime labor or incur additional expenses.

Article 18. Default

Section 18.1 Each of the following is a "Default" by Tenant under this Lease:

(a) Tenant fails to pay when due any Rent and the failure continues for five days following Landlord's notice (which notice shall also be considered any demand required by any Law). If, however, Landlord gives such a notice twice in any 12- month period, any additional failure to pay any Rent when due within that 12-month period shall be considered a Default (without the requirement of any notice by Landlord).

(b) Tenant fails to comply with Article 16.

(c) Tenant fails to comply with any other term of this Lease and the failure continues for 30 days following Landlord's notice. If, however, compliance cannot, with diligence, reasonably be fully accomplished within that 30-day period, Tenant shall have as long as is reasonably necessary to fully comply, provided Tenant commences compliance within that 30-day period and thereafter pursues compliance to completion with diligence.

(d) Tenant institutes, or has instituted against it any legal action seeking any relief from its debts under any Law which is not dismissed within 60 days, or a receiver, trustee, custodian or other similar official is appointed for it or for all or a substantial portion of its assets, or commits any other act indicating insolvency.

Section 18.2 If a Default occurs, Landlord may at any time during the continuance of the Default give notice to Tenant that this Lease shall terminate on the date specified in that notice, which date shall not be less than five days after Landlord's notice to

Tenant. If Landlord gives that notice, the Term shall expire on the date set forth in that notice (but Tenant shall remain liable as provided in this Lease).

Section 18.3 If Tenant is in arrears in the payment of the Rent, Tenant waives Tenant's right, if any, to designate the items against which any payments made by Tenant are to be credited, and Landlord may apply any payments made by Tenant to any items Landlord sees fit.

Article 19. Remedies

Section 19.1 If this Lease is terminated pursuant to Article 18 or Landlord reenters or obtains possession of the Premises by summary proceedings or any other legal action (which Landlord may do without further notice and without liability or obligation to Tenant or any occupant of the Premises), all of the provisions of this Section shall apply (in addition to any other applicable provisions of this Lease).

(a) Tenant (and all other occupants) shall vacate and surrender to Landlord the Premises in accordance with this Lease.

(b) Landlord, at Landlord's option, may (i) relet the Premises, or any portion of the Premises, from time to time, in the name of Landlord, Tenant or otherwise, as determined by Landlord, to any person and on any terms, but Landlord shall have no obligation to relet the Premises, or any portion of the Premises, or to collect any rent (and the failure to relet the Premises, or any portion of the Premises, or to collect any rent shall not impose any liability or obligation on Landlord or relieve Tenant of any obligation or liability under this Lease), and (ii) make any changes to the Premises as Landlord, in Landlord's judgment, considers advisable or necessary in connection with a reletting, without imposing any liability or obligation on Landlord or relieving Tenant of any obligation or liability under this Lease.

(c) Tenant shall pay Landlord all Rent payable to the date on which this Lease is terminated or Landlord reenters or obtains possession of the Premises.

(d) Tenant shall also pay to Landlord, as damages, any deficiency between (i) the aggregate Rent for the period which otherwise would have constituted the unexpired portion of the Term (conclusively presuming the additional rent for each year thereof to be the same as was payable for the year immediately preceding the termination, re-entry or obtaining of possession) and any expenses incurred by Landlord in connection with the termination, reentry or obtaining of possession, and the reletting of the Premises, including all repossession costs, brokerage commissions, reasonable attorneys' fees and disbursements, alteration costs and other expenses of preparing the Premises for reletting and (ii) the rents, if any, applicable to that period collected under any reletting of any portion of the Premises. Tenant shall pay any deficiency in monthly installments on the days specified in this Lease for payment of installments of the Fixed Rent, and Landlord shall be entitled to recover from Tenant each monthly deficiency as the same arises. No suit to collect the deficiency for any month shall prejudice Landlord's right to collect the deficiency for any subsequent month. Tenant shall not be entitled to any rents payable (whether or not collected) under any reletting, whether or not those rents exceed the Rent.

(e) Landlord may recover from Tenant, and Tenant shall pay Landlord, on request, in lieu of any further deficiency pursuant to paragraph (d) of this Section (as liquidated

damages) the amount by which (i) the unpaid Rent for the period which otherwise would have constituted the unexpired portion of the Term (conclusively presuming the additional rent for each year thereof to be the same as was payable for the year immediately preceding the termination, re-entry or obtaining of possession) exceeds (ii) the then fair and reasonable rental value of the Premises, including the additional rent for the same period, both discounted to present value at the annual rate of interest (the "Base Rate") publicly announced by Citibank, N.A., New York, New York (or any successor thereto) as its "base rate" on the date of the Default in question, or such other term as may be used by Citibank, N.A. from time to time for that rate (and if no longer publicly announced, then a similar rate selected by Landlord). If, before presentation of proof of liquidated damages, Landlord relets the Premises or any portion of the Premises for any period pursuant to a bona fide lease with an unrelated third party, the net rents payable in connection with the reletting shall be considered to be the fair and reasonable rental value for the Premises or the portion of the Premises relet during the term of the reletting. If Landlord relets the Premises, or any portion of the Premises, together with other space in the Building, the rents collected under the reletting and the expenses of the reletting shall be equitably apportioned for the purposes of this Article.

(f) Tenant shall also pay to Landlord, as damages, the unamortized amount of Landlord's Allowance, amortized over the initial Term of the Lease.

(g) Nothing contained in this Lease shall be considered to limit or preclude the recovery by Landlord from Tenant of the maximum amount allowed to be obtained as damages or otherwise by any Law.

Section 19.2 Tenant hereby waives (a) the service of any notice of intention to re-enter or obtain possession of the Premises or to institute any legal action in connection therewith, except as provided in this Lease and (b) on its own behalf and on behalf of all persons claiming under Tenant, including all creditors, any rights Tenant and all such persons might otherwise have under any Law to redeem the Premises, to re-enter or repossess the Premises, or to restore this Lease, after (i) Tenant is dispossessed pursuant to any Law or by any Authority, (ii) Landlord reenters or obtains possession of the Premises pursuant to any legal action, or (iii) the Expiration Date, whether by operation of law or pursuant to this Lease (including the occurrence of the Expiration Date by Landlord terminating this Lease pursuant to Section 18.2). The words "re-enter," "re-entry" and "re-entered" as used in this Lease shall not be considered to be restricted to their technical legal meanings. Landlord shall have the right to enjoin any Default and the right to invoke any remedy allowed by any Law in addition to any remedies provided in this Lease. All remedies provided in this Lease are cumulative and Landlord's right to invoke, or invocation of, any remedy shall not preclude Landlord from invoking any other remedy.

Section 19.3 Landlord and Tenant each hereby waive trial by jury in any legal action brought by either party against the other in connection with this Lease. If Landlord commences any summary proceeding against Tenant, Tenant shall not interpose any counterclaim in that proceeding (unless the failure to impose the counterclaim would preclude Tenant from asserting in a separate legal action the claim which is the subject of the counterclaim), and shall not seek to consolidate the proceeding with any other legal action.

Section 19.4 If there is then a Default, or if Tenant fails to comply with any obligation under this Lease which, in Landlord's reasonable opinion creates an emergency, Landlord may, but is not obligated to, cure the Default or, without notice, cure the failure to

comply, for the account of Tenant. All amounts incurred by Landlord in that connection, and any amounts (including reasonable attorneys' fees and disbursements) in instituting, prosecuting or defending any legal action by or against Tenant, or in connection with any dispute under this Lease, in which Landlord prevails, with interest thereon at the Default Rate, shall be paid by Tenant to Landlord within 15 days following Tenant's receipt of Landlord's request. Landlord shall promptly reimburse Tenant for any reasonable attorneys' fees and disbursements incurred by Tenant in connection with any legal action or other dispute with Landlord under this Lease, in which Tenant prevails.

Section 19.5 The failure of Landlord to seek redress for a Default, or of Landlord or Tenant to insist upon the strict performance of any term of this Lease, shall not prevent Landlord from redressing a subsequent Default or Landlord or Tenant from thereafter insisting on strict performance. The receipt by Landlord of the Rent with knowledge of a Default or Tenant's failure to strictly perform under this Lease shall not be deemed a waiver of the Default or failure. No term of this Lease shall be considered waived by Landlord or Tenant unless the waiver is in a writing signed by the waiving party. No payment by Tenant or receipt by Landlord of a lesser amount than the Rent shall be considered other than on account of the next installment of the Rent, or as Landlord may elect to apply same. No endorsement or statement on any check or letter accompanying any check or payment shall prevent Landlord from cashing the check or otherwise accepting the payment, without prejudice to Landlord's right to recover the balance of the Rent or pursue any other remedy.

Section 19.6 If Tenant fails to pay any installment of the Fixed Rent on the first day of the month or any additional rent when due, in addition to any other right or remedy of Landlord, Tenant shall pay to Landlord within 15 days following Landlord's notice (a) a late charge equal to 4% of the amount unpaid and (b) interest at the rate (the "Default Rate") which is the lesser of the rate of 4% per annum above the Base Rate or the maximum legal interest rate permitted under the circumstances, on the amount unpaid, from the date the payment was first due to and including the date paid.

Section 19.7 (a) All legal actions relating to this Lease shall be adjudicated in the state courts of the State of Florida, or the federal courts, in either case having jurisdiction in the county in which the Building is located. Tenant irrevocably consents to the personal and subject matter jurisdiction of those courts in any legal action relating to this Lease. This consent to jurisdiction is self-operative and no further instrument or legal action, other than service of process in any manner permitted by Law or this Section, is necessary in order to confer jurisdiction upon the person of Tenant and the subject matter in question in any such court.

(b) Tenant irrevocably waives and shall not assert, by way of motion, as a defense or otherwise (i) any objection to any such court being the venue of any legal action relating to this Lease, (ii) any claim that any legal action relating to this Lease brought in any such court has been brought in an inconvenient forum or (iii) any claim that Tenant is not personally subject to the jurisdiction of that court.

(c) Service in any legal action relating to this Lease may be made by delivery of the summons and complaint, or the petition and notice of petition, by certified or registered mail, return receipt requested, sent to Tenant at Tenant's Notice Address or sent to Landlord at Landlord's Notice Address.

(d) Tenant, for itself and all of its agencies and instrumentalities, hereby waives any sovereign immunity from jurisdiction that Tenant or any such agency or instrumentality might otherwise possess with respect to any legal action relating to this Lease, and waives any sovereign immunity from attachment prior to entry of judgment and from attachment in aid of execution that any of Tenant's property, or the property of any such agency or instrumentality, might otherwise have, irrespective of the use or intended use of the Premises.

Article 20. Intentionally Omitted.

Article 21. Broker

Section 21.1 Tenant represents to Landlord that Tenant dealt with no broker in connection with this Lease other than the Broker. Tenant shall indemnify, defend and hold harmless Landlord from and against any claims for any brokerage commissions or other compensation which are made by any broker other than the Broker alleging to have dealt with Tenant in connection with this Lease, and all costs, expenses, liabilities and damages in connection therewith, including reasonable attorneys' fees. Landlord shall pay any commission due the Broker pursuant to a separate agreement between Landlord and the Broker. Landlord shall indemnify, defend and hold harmless Tenant from and against any claims from any Broker other than Broker alleging to have dealt with Landlord in connection to this Lease.

Article 22. Notices

Section 22.1 Except as may be provided in this Lease, all notices and other communications under this Lease must be in writing and sent by nationally recognized overnight courier service or registered or certified mail (return receipt requested), addressed to Landlord or Tenant at its Notice Address.

Section 22.2 Any notice or other communication sent as provided in this Article shall be effective (a) on the date received (or rejected) if sent overnight courier service, or (b) two Business Days after mailing by registered or certified mail.

Section 22.3 Any notice or other communication given by Landlord to Tenant in accordance with this Article may be signed and given by Landlord's managing agent, if any, with the same force and effect as if signed and given by Landlord.

Article 23. Representations and Liability

Section 23.1 Neither Landlord nor Landlord's managing agent, if any, has made any warranties, representations, statements or promises with respect to the Premises, the Building, the Land, the Building systems, any additional rent, any Law or any other matter, unless expressly set forth in this Lease. This Lease contains the entire agreement between Landlord and Tenant with respect to the subject matter of this Lease, and any previous agreements between Landlord and Tenant are merged in this Lease, which alone expresses their agreement. Tenant is entering into this Lease after full investigation, and is not relying on any warranties, representations, statements or promises made by Landlord or any other person not expressly set forth in this Lease, and is not acquiring any rights of any nature, by implication or otherwise, except as expressly set forth in this Lease.

Section 23.2 No act or omission of Landlord or Tenant, or their respective employees, agents or contractors, including the delivery or acceptance of keys, shall be deemed an acceptance of a surrender of the Premises, and no agreement to accept such surrender shall be valid unless it is in a writing signed by Landlord. Any employee of Landlord, Landlord's managing agent, if any, or the Building to whom any property is entrusted by or on behalf of Tenant shall be deemed to be acting as Tenant's agent with respect to that property and neither Landlord nor Landlord's managing agent, if any, shall be liable for any damages to or loss of property of Tenant or others entrusted to employees, agents or contractors of Landlord, Landlord's managing agent, if any, or the Building.

Section 23.3 Neither Landlord nor Landlord's managing agent, if any, shall be liable for any injury, damage or loss to Tenant, Tenant's Property, Tenant's Work, Tenant's business or to any other person or property resulting from any cause, except to the extent caused by the negligence or willful misconduct of Landlord, Landlord's managing agent, if any, or their respective employees, agents or contractors, subject to Section 13.4.

Section 23.4 If, at any time or from time to time, any windows of the Premises are temporarily closed, blocked or darkened for any reason, or permanently closed, blocked or darkened if required by any Law or due to any construction on property adjacent to the Building by any person, including Landlord or any person in which Landlord has an interest (a) Landlord shall not be liable for any loss or damage Tenant may sustain thereby, (b) Tenant shall not be entitled to any compensation or abatement of the Rent, (c) Tenant shall not be relieved of its obligations under this Lease and (d) it shall not constitute an eviction or constructive eviction of Tenant from the Premises.

Section 23.5 In the event of a transfer or lease of the Building (a) the transferor or lessor shall be and hereby is relieved of all obligations and liabilities of Landlord under this Lease accruing after the effective date of the transfer or lease, and (b) the transferee or lessee shall be deemed to have assumed all of Landlord's obligations and liabilities under this Lease effective from and after the effective date of the transfer or lease.

Section 23.6 Landlord, its partners, members, shareholders, officers, directors and principals, disclosed or undisclosed, have no personal liability under or in connection with this Lease. Tenant shall look only to Landlord's interest in the Building and the Land for the satisfaction of Tenant's remedies or to collect any judgment requiring the payment of money by Landlord under or in connection with this Lease, and no other assets of Landlord or such persons shall be subject to lien, levy, execution or other enforcement procedure for the satisfaction of Tenant's remedies or the collection of any judgment under or in connection with this Lease. If Tenant acquires a lien on such other property or assets by judgment or otherwise, Tenant shall promptly release that lien by signing, acknowledging and delivering to Landlord any instrument, prepared by Landlord, required for the lien to be released.

Section 23.7 (a) If Tenant requests Landlord's consent or approval under this Lease and Landlord denies or delays Landlord's consent or approval, Landlord shall have no liability therefor and Tenant shall not be entitled to any damages. Tenant's sole remedy shall be as provided in paragraph (b) of this Section, and that remedy shall be available only if Landlord has in this Lease, with respect to the subject of the request, agreed not to unreasonably withhold or delay Landlord's consent or approval. However, if any such consent or approval is deemed given pursuant to the provisions of this Lease, then that shall be Tenant's sole remedy. Except as

otherwise expressly set forth in this Lease, Landlord's consent or approval, to be effective, must be in a writing signed by Landlord.

(b) If (i) Tenant requests Landlord's consent or approval, (ii) Landlord denies or delays its consent or approval, (iii) this Lease provides that such consent or approval shall not be unreasonably withheld or delayed and (iv) within 30 days following Landlord's denial or, if Landlord delays its consent or approval, within 45 days following Tenant's request, Tenant gives notice to Landlord that Tenant considers same unreasonable, the dispute shall be settled in the county in which the Building is located by arbitration administered by the American Arbitration Association ("AAA") under the AAA's Commercial Arbitration Rules, Expedited Procedures (to the extent then in effect). A judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction. If the arbitrator determines that Landlord's consent or approval was unreasonably withheld or delayed, Landlord shall be considered to have given its consent or approval but Landlord shall not be liable for, and the arbitrator shall not award, any costs, expenses, damages or losses whatsoever in connection with or arising out of Landlord's denial or delay. The determination of the arbitrator shall be binding and conclusive on Landlord and Tenant. Landlord and Tenant shall each pay their own expenses of this procedure, except the fees and expenses of the AAA and the arbitrator shall be paid 50 percent by Landlord and 50 percent by Tenant.

Section 23.8 This Lease and the obligations of Tenant to pay the Rent and perform Tenant's other obligations under this Lease shall not be waived, delayed or otherwise affected in any manner, and Landlord shall have no liability, if Landlord is unable to comply with, or is delayed in complying with, any of Landlord's obligations under this Lease by reason of any strike, labor trouble, accident, Law or other cause beyond Landlord's control ("Unavoidable Events").

Section 23.9 Tenant shall not perform or permit to be performed any act which may subject Landlord or Landlord's managing agent, if any, to any liability. Tenant shall, to the extent not caused by the negligence or willful misconduct of Landlord or its contractors or agents, indemnify, defend and hold harmless Landlord and Landlord's managing agent, if any, from and against (a) all claims arising from any act or omission of Tenant, its contractors, agents, employees, invites or visitors, (b) all claims arising from any accident, injury or damage to any person or property in the Premises during the Term or when Tenant is in possession of the Premises, and (c) Tenant's failure to comply with Tenant's obligations under this Lease (whether or not a Default), and all liabilities, damages, losses, fines, costs and expenses (including reasonable attorneys' fees and disbursements) incurred in connection with any such claim or failure.

Article 24. End of Term

Section 24.1 On the Expiration Date (a) Tenant (and all other occupants) shall vacate and surrender the Premises, broom clean and in good order and condition, except for ordinary wear and tear and damage for which Tenant is not responsible under this Lease, and otherwise as may be required by this Lease, and (b) Tenant shall remove all of Tenant's Property and any Tenant's Work required to be removed pursuant to this Lease. If the last day of the Term is not a Business Day, this Lease shall expire on the immediately preceding Business Day.

Section 24.2 If the Premises are not vacated and surrendered in accordance with this Lease, on the date required by this Lease, Tenant shall be liable to Landlord for (a) per diem use and occupancy in respect of the Premises equal to twice the Rent payable under this Lease for the last year of the Term (which Landlord and Tenant presently agree is the Rent to which Landlord would be entitled, is presently contemplated by them as being fair and reasonable under such circumstances and is not a penalty), plus (b) in the event Tenant fails to vacate the Premises within forty-five (45) days following the Expiration Date, all losses, costs, liabilities and damages which Landlord incurs by reason thereof, including reasonable attorneys' fees, and Tenant shall indemnify, defend and hold harmless Landlord against all claims made by any succeeding tenants against Landlord or otherwise resulting from the failure of Tenant (and all other occupants) timely to vacate and surrender the Premises in accordance with this Lease. In no event, however, shall this Section be construed as permitting Tenant (and all other occupants) to remain in possession of the Premises after the Expiration Date.

Section 24.3 Any obligation of Landlord or Tenant under this Lease which by its nature or under the circumstances can only be, or by the terms of this Lease may be, performed after the Expiration Date and any liability for a payment with respect to any period ending on or before the Expiration Date, unless otherwise set forth in this Lease, shall survive the Expiration Date.

Article 25. Right of First Offer and Right of First Refusal.

Section 25.1 In the event Tenant requires additional space in the Building, Tenant shall provide written notice to Landlord of its need for additional space. Landlord shall upon receipt of Tenant's notice, provide Tenant with a list of all spaces in the Building which are vacant and available for leasing in Landlord's reasonable discretion or which Landlord expects will become available and available for leasing within the next 12 months ("Vacancy Notice"). Tenant may only provide a notice to Landlord under this Article 25 once in any twelve month period.

Section 25.2 Subject to the rights of tenants under existing leases at such time and provided that Tenant is not then in Default, Landlord hereby grants to Tenant the right of first offer (the "ROFO") during the Term, on the terms and conditions hereafter set forth:

(a) Tenant shall, within ten (10) business days of receiving the Vacancy Notice, notify Landlord (the "ROFO Acceptance Notice") which space Tenant is desirous of leasing (the "ROFO Space"). Upon receipt of the ROFO Acceptance Notice by Landlord, Tenant's election of leasing the ROFO Space shall be binding upon Tenant without the need for any further documentation. In the event that Tenant does not timely exercise the ROFO, the ROFO is deemed waived and Tenant shall have no further rights with respect to the premises set forth in the Vacancy Notice;

(b) The Fixed Rent for such ROFO Space shall be for the first three (3) years, as then set forth in this Lease (i.e. the then escalated rate). After such three (3) year period, the Fixed Rent for the ROFO Space shall be at the then fair market value. Fair market value shall be determined in accordance with Section 26.1(d)(i) hereof;

(c) In the event that Tenant has not used the entire amount of Landlord's Allowance, Tenant shall have the right to use a portion of such unused Landlord's Allowance in

connection with Tenant's Work in the ROFO Space, amortized over the initial Term based on the remaining period of time in the initial Term;

(d) The Term of such ROFO Space shall be coterminous with the Term of this Lease; and

(e) In the event that Tenant exercises the ROFO on any ROFO Space during the last two (2) years of the Term, Tenant shall automatically be deemed to have exercised Tenant's Renewal Option (as hereinafter defined) in accordance with Article 26 hereof.

(f) The terms of this Article 25 are personal to Tenant and may not be transferred to any assignee or subtenant of Tenant, except to a Permitted Transferee.

Section 25.3 Landlord and Tenant mutually acknowledge and agree that if premises contiguous to the Premises located on the sixth (6th) floor of the Building or on the fifth (5th) floor ("Option Premises") become available for lease in Landlord's discretion during the Term of this Lease, then subject to the rights of any other tenant and provided Tenant is not in Default, Tenant shall have the right of first refusal with such Option Premises. If Landlord shall receive a bona fide offer for the leasing of the Option Premises, prior to entering into any lease therefor, Landlord shall advise Tenant of such offer to lease by notice given to Tenant (the "Option Notice"), setting forth (i) a description of the portion of the Option Premises proposed to be leased, (ii) the fixed rental payable for such Option Premises, (iii) the escalation provisions contained in such offer, (iv) any renewal or expansion options contained in such offer, and (v) any other material terms and provisions of such offer. Upon receipt of the Option Notice, Tenant shall have the right, at its sole option, by written notice (the "Acceptance Notice") given to Landlord within five (5) business days after the giving of the Option Notice to lease such Option Premises. In the event that the Option Notice is given during the first two (2) years of the Term hereof, Tenant's acceptance to lease the Option Premises shall be on the terms of this Lease. In the event that that the Option Notice is given after the first two (2) years of the Term hereof, Tenant's acceptance to lease the Option Premises shall be on the same terms and provisions set forth in the Option Notice. Within five (5) business days after the receipt of the Acceptance Notice by Landlord, Landlord and Tenant shall execute and deliver a supplementary agreement amending this Lease and confirming the increase in the Premises, the increase in Rent, the commencement date for the Option Premises and any other material terms and conditions set forth in the Option Notice. If Tenant shall fail to deliver the Acceptance Notice within such five (5) business day period, time being of the essence with respect to the giving of the Acceptance Notice, then Landlord shall be free to lease the Option Premises to any third party at any rental rate and upon any terms and conditions determined by Landlord provided that the annual rent payable under such lease shall be not less than 90% of the annual rent offered to Tenant in the Option Notice.

Section 25.4 Tenant shall have the option to lease the balance of the sixth (6th) floor of the Building ("Expansion Premises") effective at any time during the first two (2) years of the Term, provided that Tenant is not then in Default and Tenant notifies Landlord of Tenant's election no later than nine (9) months prior to the second anniversary of the Commencement Date, TIME BEING OF THE ESSENCE ("Tenant's Expansion Option"). In the event Tenant exercises the Tenant's Expansion Option, all of the terms and conditions of this Lease shall apply, except that the Rent and Tenant's Share hereunder shall be adjusted to include the Expansion Premises. It is mutually agreed that the entire sixth (6th) floor contains 107,714 rentable square feet.

Article 26. Renewal Options.

Section 26.1 Tenant is hereby granted two (2) five (5) year options to renew this Lease upon the following terms and conditions:

(a) At the time of the exercise of the option to renew and at the time of the said renewal, the Tenant shall not be in Default in accordance with the terms and provisions of this Lease, and shall be in possession of the Premises pursuant to this Lease;

(b) Notice of the exercise of the option shall be sent to the Landlord in writing at least twelve (12) months before the expiration of the then Term of this Lease, TIME HEREBY BEING MADE OF THE ESSENCE;

(c) Each renewal term shall be for a period of five (5) years (each, a "Renewal Term"), to commence at the expiration of the then current Term of this Lease, and all of the terms and conditions of this Lease, other than the Fixed Rent, shall apply during the Renewal Term;

(d) The Fixed Annual Rent to be paid during the Renewal Term shall be 95% of the FMV (as hereinafter defined), but shall not be less than that paid for the Premises during the last year of the then current Term of this Lease (without regard to any temporary abatement of rent then in effect pursuant to the Lease provisions). Fair market value ("FMV") for the Premises for the Renewal Term shall be based on the fair market value which would be paid by a renewal tenant in comparable premises in the Miami West Airport Market, as defined by Costar Group, Inc. (taking into account that the Expenses Base Year and Taxes Base Year for each renewal option shall be reset to the first full calendar year of the renewal term) and be determined as follows:

(i) within ninety (90) days following Tenant's delivery to Landlord of Tenant's written notification of its intent to exercise its right to renew the Term of this Lease, Landlord shall notify Tenant of Landlord's determination of FMV. Tenant shall have ten (10) days from Landlord's notice to accept or reject Landlord's determination. If Tenant rejects Landlord's determination of FMV, each party shall appoint, within 15 days thereafter, a competent, disinterested MAI appraiser experienced in appraising values for comparable properties in the immediate geographical area, who shall determine the FMV. If the two appraisers are unable to agree upon the FMV within thirty (30) days, they shall jointly appoint a third appraiser with the qualifications stated above and the determination of the FMV upon which any two of the appraisers agree, shall be the FMV for the Premises for the Renewal Term. If two of the appraisers cannot agree, the decision made by the third appraiser shall be conclusive and binding on both parties. The cost of the third appraiser shall be shared equally by Landlord and Tenant.

Article 27. Termination Right.

Section 27.1 Notwithstanding anything to the contrary contained herein, Tenant shall have a one time option to terminate this Lease ("Termination Option") effective as of the end of the fifth (5th) Lease Year (the "Termination Date") in accordance with the following terms and conditions:

(a) If Tenant desires to exercise the Termination Option, Tenant shall give Landlord irrevocable written notice ("Termination Notice") of Tenant's exercise of this Termination Option, which Termination Notice must be received by Landlord no later than the end of the fourth (4th) Lease Year, TIME IS OF THE ESSENCE with respect to Landlord's receipt of the Termination Notice and all other deadlines in this Clause.

(b) Upon receipt by Landlord of the Termination Notice, Landlord shall notify Tenant of the termination fee due by Tenant which shall consist of the unamortized expenses incurred by Landlord in connection with this Lease, including the amount of free rent, Landlord's Allowance and any and all brokerage commissions paid (the "Termination Fee"). Tenant shall pay to Landlord such Termination Fee within ten (10) days after receipt of Landlord's notice.

(c) If Tenant timely provides the Termination Notice and complies with all the provisions in this Clause, the Lease shall terminate at 11:59 p.m. on the Termination Date.

(d) Tenant's obligations to pay Rent and the Termination Fee, and any other costs or charges under this Lease, and to perform all other Lease obligations for the period up to and including the Termination Date, shall survive the termination of this Lease.

(e) In the event Tenant exercises the Termination Option, Tenant covenants and agrees to surrender full and complete possession of the Premises to Landlord on or before the Termination Date vacant, broom-clean, in good order and condition, and, in accordance with the provisions of this Lease.

(f) If Tenant shall fail to deliver possession of the Premises on or before the Termination Date in accordance with the terms hereof, Tenant shall be deemed to be a holdover tenant from and after the Termination Date and shall be liable to Landlord in accordance with Article 24 hereof, and shall also be liable to Landlord for all costs and expenses incurred by Landlord in securing possession of the Premises. Landlord may accept any such sums from Tenant without prejudice to Landlord's right to evict Tenant from the Premises by any lawful means.

(g) If Tenant properly and timely exercises the Termination Option and properly and timely satisfies all other monetary and non-monetary obligations under this Lease, the Lease shall cease and expire on the Termination Date with the same force and effect as if said Termination Date were the date originally provided in this Lease as the expiration date of the Term hereof.

(h) If Tenant exercises the Termination Option, then Landlord shall have the right during the one hundred eighty (180) days prior to the then expiration date of the Term to access the Premises to show the Premises to prospective tenants upon reasonable notice and at reasonable times.

Article 28. Relinquish Right.

Section 28.1 Notwithstanding anything to the contrary contained herein, Tenant shall have the one time right the ("Relinquish Option"), effective as of the day immediately following the end of Lease Year 3 (the "Relinquish Date"), to relinquish up to twenty-five (25%) of the Premises ("Relinquish Space"), in accordance with the following terms and conditions:

(a) If Tenant desires to exercise the Relinquish Option, Tenant shall give Landlord irrevocable written notice (the "Relinquish Notice") of Tenant's exercise of this Relinquish

Option, which Relinquish Notice must be received by Landlord no later than the date that is six (6) months prior to the Relinquish Date, TIME IS OF THE ESSENCE with respect to Landlord's receipt of the Relinquish Notice and all other deadlines in this Clause.

(b) Upon receipt by Landlord of the Relinquish Notice, Landlord shall notify Tenant of the relinquish fee due by Tenant which shall consist of the unamortized expenses incurred by Landlord in connection with this Lease, including the amount of free rent, Landlord's Allowance and any and all brokerage commissions paid (the "Relinquish Fee"). Tenant shall pay to Landlord such Relinquish Fee within thirty (30) days of Landlord's notice.

(c) If Tenant timely provides the Relinquish Notice and complies with all the provisions in this Clause, the Premises shall be reduced by the Relinquish Space at 11:59 p.m. on the Relinquish Date.

(d) In the event Tenant exercises the Relinquish Option, Tenant and Landlord shall mutually agree which space in the Premises shall consist of the Relinquish Space and Tenant shall demise, at Tenant's sole cost and expense such space from the remainder of the Premises. Upon the Relinquish Date, Tenant shall surrender full and complete possession of the Relinquish Space vacant, broom-clean, in good order and condition, and, in accordance with the provisions of this Lease.

(e) If Tenant shall fail to deliver possession of the Relinquish Space on or before the Relinquish Date in accordance with the terms hereof, Tenant shall be deemed to be a holdover tenant for such Relinquish Space from and after the Relinquish Date and shall be liable to Landlord in accordance with Article 24 hereof, and in such event, Tenant shall be liable to Landlord for payments for the use and occupancy of the Premises equal to the fair market value thereof, and shall also be liable to Landlord for all costs and expenses incurred by Landlord in securing possession of the Premises. Landlord may accept any such sums from Tenant without prejudice to Landlord's right to evict Tenant from the Relinquish Space by any lawful means.

(f) In the event that Tenant does not relinquish the entire 25% of the Premises by the end of Lease Year 3, Tenant shall have the right to relinquish the balance of such 25% of the Premises effective at the end of Lease Year 5, provided Tenant complies with the provisions of this Article 28 and provides six (6) months advance notice of such relinquishment.

Article 29. Signage.

Section 29.1 Generally. Tenant shall not exhibit, inscribe, paint or affix any sign, advertisement, notice or other lettering on any portion of the Building or the outside of the Premises without the prior written consent of Landlord in each instance, which may be granted or denied in Landlord's sole discretion. A plan of all signage or other lettering proposed to be exhibited, inscribed, painted or affixed on the entry door(s) to the Premises shall be prepared by Tenant in conformity with Building standard signage requirements (if any) and submitted to Landlord for Landlord's consent. Upon the granting of Landlord's consent, Tenant may install such signage at Tenant's sole cost and expense. Upon installation of any such signage or other lettering, such signage or lettering shall not be removed, changed or otherwise modified in any way without Landlord's prior written approval, which may be granted or denied in Landlord's sole discretion. Any signage, advertisement, notice or other lettering which shall be exhibited, inscribed, painted or affixed by or on behalf of Tenant in violation of the provisions of this section may be removed by Landlord and the cost of any such removal shall be paid by Tenant as additional rent.

Section 29.2 Building Signage. Subject to compliance with all applicable laws and to receipt of all applicable approvals and permits, Tenant shall have the right to install a sign in a size allowable under Miami-Dade County codes in the location set forth on Exhibit F attached hereto, subject to Landlord's reasonable approval of the design thereof. Tenant shall be responsible for obtaining any and all approvals and permits required for such signage, and shall maintain such signage in good and safe condition and repair at its sole cost and expense.

Section 29.3 Monument Signage. Subject to Landlord's receipt of all applicable permits and approvals, Landlord shall install a lighted monument sign in the general vicinity of the corner of the Property at 92nd Avenue and West Flagler Street. Landlord shall use commercially reasonable efforts to obtain all such permits and approvals, but shall have no obligation to install such monument sign unless and until such permits and approvals are received. Tenant shall be entitled to the first tenant panel available on such monument signage directly beneath the building's logo and name. The signage shall be subject to Landlord's reasonable approval. The sign panel will be using the Landlord's standard materials. The monument sign shall be subject to approval of all applicable governmental laws, rules and regulations, subject to the approval of any applicable property associations or property review boards. Tenant acknowledges that this right is nonexclusive, in that Landlord may grant the right to other tenants to install signage on other slots of such monument sign.

Article 30. Parking.

Section 30.1 At no additional cost to Tenant, Tenant shall have the non-exclusive right to use up to 639 parking spaces within the parking areas in the lots north and south of the Building and in the lot across SW 92nd Avenue for the non-exclusive use of Tenant, Tenant's officers, directors, partners, principals and employees as shown on Exhibit E. Tenant acknowledges and agrees that the number of parking spaces located in the Tenant Parking Area shall be reduced (in proportion to the size of the Premises; i.e., if the square footage of the Premises is reduced by 40%, then the number of parking spaces in the Tenant Parking Area shall be reduced by 40%). Landlord shall provide Tenant with up to 10 reserved spaces for executive parking in the separate parking area of the north side of the Building as part of the 639 spaces, as shown on Exhibit E-1; provided that Landlord may relocate such 10 reserved parking spaces to the main lot on the south side of the Building. Subject to compliance with all applicable laws and receipt of all required permits, Landlord shall provide Tenant with a designated location for Tenant to park up to two (2) commercial outreach RV vehicles.

Section 30.2 If Tenant leases additional space, additional parking will be provided at the same ratio. If Tenant does not use a portion of the allocated parking continuously for 90 days, Landlord may request a return of those spaces. Landlord and Tenant will agree on how those spaces are monitored to determine if they are not being used for 90 days. If spaces are given back, the Tenant can recapture such spaces in whole or in part upon 90 days' notice to Landlord.

Section 30.3 All parking lot lighting shall be upgraded to comply with the Building Codes of Miami-Dade County.

Article 31. Satellite dish.

Section 31.1 Tenant may, during the term of this Lease, install and maintain, at its sole cost and expense, one satellite dish on the roof of the Building at such locations as agreed upon by Landlord and Tenant. Tenant shall provide full specifications for any such satellite dish or telecommunications equipment. Tenant shall at all times be responsible for installing and maintaining such equipment in a manner such that the Building and the roof are not damaged at any time. At the end of the Term hereunder, Tenant shall remove such satellite dish and/or any telecommunications equipment from the roof of the Building.

Article 32. Radon Disclosure
