Subject: Resolution Approving a Development Lease Site Agreement with KTMB Acquisitions, LLC to Construct Improvements at Miami Executive Airport

Executive Summary

This item is recommending the County enter into a Development Lease Agreement (DLA) with KTMB Acquisitions, LLC (KTMB) to design, build, finance, and maintain a fixed-base operator (FBO) terminal and ancillary facilities on 971,388 square feet of land at Miami Executive Airport (TMB) for a 35-year term with one five-year renewal option. As part of the DLA, KTMB (a first-time leaseholder at TMB) is required to invest a minimum of \$14,750,000.00 to design and construct a development site in two (2) phases that includes a fuel farm, an FBO terminal, office space, twenty (20) aircraft hangars with the associated aircraft and vehicle pavement as well as all necessary connecting aprons, ramps, taxi lanes, service roadways and utilities, at no cost to the County. The Miami-Dade Aviation Department (Aviation Department or MDAD) estimates the County will receive a minimum of \$15,824,407.60 in ground and improvement rent over the 35-lease year term. The proposed improvements will help meet the expanding demand for high quality general aviation facilities at TMB and facilitate the airport's future growth.

In KTMB's estimation, this DLA benefits the County in that it will create approximately 50 construction jobs, and 50 permanent jobs with annual salaries ranging between \$50,000.00 and \$70,000.00 to manage, maintain and operate the FBO Terminal, aircraft hangars, and related facilities. In addition, a percentage of the fuel sales will be split equally between two Miami-based non-profit organizations, Experience Aviation and Nicklaus Children's Hospital, which will be tenants on the proposed FBO development site.

Because this DLA involves the lease of County-owned land, compliance with Implementing Order (I.O.) No.: 8-4 which governs the sale, lease, and conveyance of County-owned property is required. As such, all required due diligence under I.O. 8-4 was completed by the Administration and documented by the Aviation Department in Attachment A as attached to this memorandum.

Recommendation

It is recommended that the Miami-Dade Board of County Commissioners (Board) approve the attached DLA entitled: "Development Site Lease Agreement Between Miami-Dade County, Florida, as Lessor, and KTMB Acquisitions, LLC, as Lessee, at Miami Executive Airport" between KTMB and the County for a period of 35 years with a one (1) five-year renewal option.

The DLA's Development Phases and Milestones

The DLA contains a "Due Diligence Period", which is a 365-day time period provided to KTMB that begins on the commencement date of the DLA. During this time, KTMB has the right to conduct

surveys, environmental, drainage, and other analyses to determine the suitability of the proposed development site for its intended purpose. If KTMB determines that the site is not adequate, it may terminate this DLA by written notice to the County anytime during the Due Diligence Period. Additionally, this time period may end prior to its set expiration date if KTMB determines that the conditions of the development site are satisfactory.

The development site will be designed and constructed in two (2) separate phases, The Development Phase is to be completed in two (2) phases, the Phase I investment is \$9,500,000.00 and the Phase II is \$5,250,000.00. The development schedule for each phase is detailed below.

1. The First Phase (East) - includes the permanent FBO terminal, a fuel farm, eleven (11) aircraft hangars with the associated aircraft and vehicle pavement and office facilities as well as any necessary roadways and utilities.
 - a. Submit 100 percent of the development plans and specifications to MDAD for review no later than 9 months from the DLA's commencement date.
 - b. Submit MDAD approved development plans to other governmental agencies (FAA, Zoning etc.) for approval no later than 12 months from the DLA Commencement Date.
 - c. Submit final approved plans for Permitting no later than 18 months from the DLA Commencement Date.
 - d. Complete construction/achieve "Beneficial Occupancy" within 36 months of the DLA Commencement Date.

Beneficial Occupancy is defined as the earliest of (i) the date on which substantial completion of the work associated with any improvements constructed and a Certificate of Occupancy (CO) or a Temporary Certificate of Occupancy (TCO) has been issued, or (ii) the date on which KTMB commences the use of any improvement for its intended use (with or without a TCO or CO), or (iii) the date on which substantial completion of the improvement would have occurred and on which the appropriate code enforcement agency would have issued a CO or Temporary CO but for the occurrence of delays caused by KTMB, all as determined in the sole reasonable discretion of the County.

1. The Second Phase (West) - includes nine (9) aircraft hangars with the associated aircraft and vehicle pavement and office facilities as well as any necessary roadways and utilities.
 - a. Submit 100 percent of the development plans and specifications to MDAD for review and approval no later than 24 months from the DLA commencement date.
 - b. Submit MDAD approved development plans to other governmental agencies (FAA, Zoning etc.) for approval no later than 30 months from the DLA commencement date.
 - c. Submit final approved plans for permitting no later than 36 months from the DLA commencement date.
 - d. Complete construction/achieve beneficial occupancy within 60 months of the DLA commencement date.

Scope

TMB is located within District 11, which is represented by Commissioner Roberto J. Gonzalez, however, the impact of this DLA is countywide as TMB is a regional asset.

Delegation of Authority

The County Mayor or County Mayor's designee has the authority to execute the DLA, and the authority to (i) terminate the Agreement any breach, (ii) approve any assignment or subletting of the premises, or (iii) reduce acreage or the leasehold term for KTMB failure to timely or completely construct the required improvements.

Fiscal Impact/Funding Source

There is a positive fiscal impact to the County. As noted below, the Aviation Department estimates the County will receive a minimum of \$15,824,407.60 in ground (land) revenues and improvement rent over the 35-lease year term. The total minimum received will be increased over the lifetime of the DLA due to various increases in appraised values of the land rent causing an increase over today's stated rent.

The rental rates for land will be evaluated and, if appropriate, increased on an annual basis by an independent appraiser under contract with MDAD and as approved by the Board as part of MDAD's Annual Rates and Charges as published. Rental rates are established by the Board as a part of the annual budget process and are subject to change each year following appraisals by the County's appraiser.

The rental rate for aviation-use land was \$0.30 per square foot when this DLA was signed by KTMB in July 2024.

A. Due Diligence Period

Upon the effective date of the DLA, KTMB shall pay \$7,500.00 per month in ground (land) rent for the first year on the entire leasehold comprised of approximately 971,833 square feet, capped at \$90,000.00, during the Due Diligence Period.

It is estimated that KTMB will pay the County a total of \$90,000.00 land rent over the 365-day Due Diligence Period. Full appraised value land rent will commence 12 months from the effective date of the DLA at the end of the Due Diligence Phase. In the event KTMB completes its Due Diligence activities before the end of the first year, KTMB shall notify MDAD, proceed with development of the site and begin to pay full appraised land rent.

B. Phase 1 & Phase 2

1. Phase 1 – KTMB shall pay full appraised ground rent for approximately 618,552 square feet (or +/- 14.2 acres) of aviation-use land on which 11 aircraft hangars, an FBO Terminal, a Fuel Farm and office space will be built, in addition to the associated aircraft pavement and vehicle pavement for employee and customer parking as well as the necessary roadways, driveways, turn lanes, intersection improvements, electric, water and sewer improvements, cable, drainage, lighting, and other utilities needed for the operation of the FBO Terminal.

KTMB shall pay full rent in twelve monthly payments in the amount of \$15,463.80 each, making for a total of \$185,565.60 per year. It is estimated that KTMB will pay the County a total of \$6,309,230.40 over the remaining 34 years of the term.

2. Phase 2- KTMB shall pay full appraised ground rent for 352,836 square feet (or +/- 8.1 acres) of aviation-use land on which 11 aircraft hangars and office space will be built, in addition to the associated aircraft pavement and vehicle pavement for employee and customer parking as well as the necessary roadways, driveways, turn lanes, intersection improvements, electric, water and sewer improvements, cable, drainage, lighting, and other utilities needed for the operation of the FBO Terminal.

KTMB shall pay full rent in twelve monthly payments in the amount of \$8,820.90 each, making for a total of \$105,850.80 per year. It is estimated that KTMB will pay the County a total of \$3,598,927.20 over the remaining 34 years of the term.

- C. Improvement Rent - in addition to the monthly rent payments, KTMB shall pay an Improvement Rent on an increasing scale. Beginning with the start of the 6th year of the DLA and extending to the end of Year 11, KTMB shall pay (i) one percent (1%) of the value of the minimum development investment amount of \$14,750,000.00 or \$147,500.00 per year; (ii) beginning on the 12th year of the DLA and extending to the end of the 20th year, KTMB shall pay one point five percent (1.5%) of the value of the minimum development investment amount of \$14,750,000.00 or \$221,250.00 per year, (iii) beginning on the 21st year of the DLA and extending to the end of the 30th year, KTMB shall pay two percent (2%) of the value of the minimum development investment amount of \$14,750,000.00, or \$295,000.00 per year. Improvement Rent terminates upon the commencement of regular Building Rent in the 31st year of the DLA. It is anticipated that KTMB shall pay a total of \$5,826,250.00 over a 25-year period in Improvement Rent.

D. Building Rent

In order for KTMB to amortize its investment, KTMB shall pay annual building rent for the improvements constructed (20 aircraft hangars, an FBO Terminal, a Fuel Farm, and aircraft and vehicle pavement) at the beginning of the 31st year of the DLA at the then-current rates established an appraisal and approved by the Board.

Track Record/Monitor

MDAD's Division Director for Real Estate Management, Michèle Raymond, will monitor the implementation of the DLA.

Background

KTMB is seeking Board approval of the attached 35-year DLA with one five-year renewal option to construct a series of aviation-use and non-aviation use facilities on 971,388 square feet of land at TMB. Although KTMB is a first-time leaseholder at TMB, the firm's management team has over 17 years of prior experience in the leasing of aviation facilities as well as decades of combined experience developing more than 300,000 square feet of terminal, hangar and office space, and more than 10 acres of aircraft ramp at Miami-Opa Locka Executive Airport (OPF). The Principals of KTMB have also overseen the design and construction of infrastructure including water and sewer, electrical, roads, and parking lots and ramps encompassing more than 75 acres at OPF, as well as other aviation projects throughout the U.S. in Texas, Tennessee, Arizona and Colorado. Additionally, KMTB's Principals built the Orion Jet Center at OPF and operated it from 2009 through 2017.

On an annual basis (no later than February 1st of the preceding year) KTMB will report to MDAD the total gallonage of fuel sold to its customers and specify the type of fuel sold (i.e., Jet-A vs. AvGas) including fuel sold by its contractors dispensed on its premises, and the fuel sold by any its contractors outside its leasehold.

KTMB has committed to provide a "Community Benefit" as part of the DLA. As such, KTMB will donate \$0.01 of every gallon of fuel sold through private agreements between KTMB and neighborhood community organizations, excluding government contracts, beginning in Year 3 and ending on Year 5 of the DLA. At the beginning of Year 6, the donation will increase to \$0.015 per gallon of aviation fuel sold, excluding government contracts, for five years. Beginning in Year 11 the donation will further increase to \$0.02 per gallon of aviation fuel sold, excluding government contracts, and will continue for the term of the DLA. If at any time between years 11 (2035) and 15 (2039) another fuel provider at TMB agrees to a Community Benefit of \$0.02 per gallon, KTMB will immediately increase its contribution to \$0.02 per gallon. The Community Benefit under this DLA is designated for Nicklaus Children's Hospital and Experience Aviation and will be paid on an annual basis, 50 percent to Nicklaus Children's Hospital and 50 percent to Experience Aviation (Flying Classroom).

Because TMB is a noise sensitive airport due to its location, KTMB agrees to work with the FAA, the County, and MDAD's Noise Abatement Advisory Board (NAAB) to minimize any potential adverse impacts to surrounding communities, including, noise impacts and to address complaints raised by NAAB members or members of the surrounding communities.

The attached new DLA reflects the negotiated terms and conditions between KTMB and the County, and includes among other things, all small business enterprise provisions applicable to architects and engineers in Section 2-10.4.01 of the Code of Miami-Dade County (Code); small business enterprise provisions applicable to construction activities under Section 10-33.02 of the Code; Art in Public Places under Section 2-11.15 of the Code; the "Little Davis-Bacon Ordinance" under Section 2-11.16 of the Code, Responsible Wages Ordinance under Section 2-11.16 of the Code; Residents First Training and Employment Program under Section 2-11.7; Employ Miami-Dade under Administrative Order (AO) 3-6; Responsible Wages and Benefits for County Construction Contracts - Implementing Order No. 3-24; Guidelines and Procedures for the Sale, Lease, and Conveyance of County Real Property - Implementing Order 8-4, and any other program of the County applicable to KTMB's activities, including the Department's Tenant Airport Construction Program in effect, as such procedures, programs, ordinances, or code provisions may be amended from time to time.

Implementation of this DLA is contingent upon the occurrence of the following conditions: 1) MDAD's receipt of the 707 Certificates from both the Traffic Engineers and the Consulting Engineers determining that the improvements to be constructed meet the requirements of the Trust Agreement, and 2) review and approval from the Federal Aviation Administration (FAA). In the event that the FAA were to determine that the provisions of this DLA are inconsistent with federal requirements, the parties will be required to adjust the terms of the lease to meet such requirements; failure to address FAA regulatory concerns could impact MDAD's ability to receive federal and state grant funding for airport projects.

Honorable Chairman Oliver G. Gilbert, III
and Members, Board of County Commissioners

The development proposed by KTMB will provide the much-needed aircraft storage capacity at TMB. Throughout the 35-year lease period, KTMB will pay applicable fair market rental rates on land and pavement as established by the Board, as well as improvement rent. The proposed scope of work will generate at minimum \$15,824,407.60 in revenues to the County, as such, it is in the best interest of the County to proceed with attached DLA, subject to final FAA approval.

The entity is aware of the provisions of Section 287.133 of the Florida Statutes that prohibits the entity from transacting business with the County if the entity or any affiliate, as defined in the statute, has been placed on the convicted vendor list following a conviction for a public entity crime.

As to Section 287.133, the entity understands that:

A. A "public entity crime" as defined in Paragraph 287.133(1) (g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation;

A "person" as defined in Paragraph 287.133(1) (e), **Florida Statutes**, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members and agents who are active in management of an entity.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

must obtain your correct taxpayer identification number (TIN), which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid).
- Form 1099-DIV (dividends, including those from stocks or mutual funds).
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds).
- Form 1099-NEC (nonemployee compensation).
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers).
- Form 1099-S (proceeds from real estate transactions).
- Form 1099-K (merchant card and third-party network transactions).
- Form 1098 (home mortgage interest), 1098-E (student loan interest), and 1098-T (tuition).
- Form 1099-C (canceled debt).
- Form 1099-A (acquisition or abandonment of secured property).

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

Caution: If you don't return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding*, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued);
2. Certify that you are not subject to backup withholding; or
3. Claim exemption from backup withholding if you are a U.S. exempt payee; and
4. Certify to your non-foreign status for purposes of withholding under chapter 3 or 4 of the Code (if applicable); and
5. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting is correct. See *What Is FATCA Reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding. Payments made to foreign persons, including certain distributions, allocations of income, or transfers of sales proceeds, may be subject to withholding under chapter 3 or chapter 4 of the Code (sections 1441–1474). Under those rules, if a Form W-9 or other certification of non-foreign status has not been received, a withholding agent, transferee, or partnership (payor) generally applies presumption rules that may require the payor to withhold applicable tax from the recipient, owner, transferor, or partner (payee). See Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*.

The following persons must provide Form W-9 to the payor for purposes of establishing its non-foreign status.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the disregarded entity.
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the grantor trust.
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust and not the beneficiaries of the trust.

See Pub. 515 for more information on providing a Form W-9 or a certification of non-foreign status to avoid withholding.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person (under Regulations section 1.1441-1(b)(2)(iv) or other applicable section for chapter 3 or 4 purposes), do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515). If you are a qualified foreign pension fund under Regulations section 1.897(l)-1(d), or a partnership that is wholly owned by qualified foreign pension funds, that is treated as a non-foreign person for purposes of section 1445 withholding, do not use Form W-9. Instead, use Form W-8EXP (or other certification of non-foreign status).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a saving clause. Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if their stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first Protocol) and is relying on this exception to claim an exemption from tax on their scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called “backup withholding.” Payments that may be subject to backup withholding include, but are not limited to, interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third-party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester;
2. You do not certify your TIN when required (see the instructions for Part II for details);
3. The IRS tells the requester that you furnished an incorrect TIN;
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only); or
5. You do not certify to the requester that you are not subject to backup withholding, as described in item 4 under “*By signing the filled-out form*” above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier.

What Is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all U.S. account holders that are specified U.S. persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you are no longer tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

• **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note for ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040 you filed with your application.

• **Sole proprietor.** Enter your individual name as shown on your Form 1040 on line 1. Enter your business, trade, or "doing business as" (DBA) name on line 2.

• **Partnership, C corporation, S corporation, or LLC, other than a disregarded entity.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

• **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. Enter any business, trade, or DBA name on line 2.

• **Disregarded entity.** In general, a business entity that has a single owner, including an LLC, and is not a corporation, is disregarded as an entity separate from its owner (a disregarded entity). See Regulations section 301.7701-2(c)(2). A disregarded entity should check the appropriate box for the tax classification of its owner. Enter the owner's name on line 1. The name of the owner entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For

example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2. If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, enter it on line 2.

Line 3a

Check the appropriate box on line 3a for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3a.

IF the entity/individual on line 1 is a(n) . . .	THEN check the box for . . .
• Corporation	Corporation.
• Individual or	Individual/sole proprietor.
• Sole proprietorship	
• LLC classified as a partnership for U.S. federal tax purposes or	Limited liability company and enter the appropriate tax classification:
• LLC that has filed Form 8832 or 2553 electing to be taxed as a corporation	P = Partnership, C = C corporation, or S = S corporation.
• Partnership	Partnership.
• Trust/estate	Trust/estate.

Line 3b

Check this box if you are a partnership (including an LLC classified as a partnership for U.S. federal tax purposes), trust, or estate that has any foreign partners, owners, or beneficiaries, and you are providing this form to a partnership, trust, or estate, in which you have an ownership interest. You must check the box on line 3b if you receive a Form W-8 (or documentary evidence) from any partner, owner, or beneficiary establishing foreign status or if you receive a Form W-9 from any partner, owner, or beneficiary that has checked the box on line 3b.

Note: A partnership that provides a Form W-9 and checks box 3b may be required to complete Schedules K-2 and K-3 (Form 1065). For more information, see the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

If you are required to complete line 3b but fail to do so, you may not receive the information necessary to file a correct information return with the IRS or furnish a correct payee statement to your partners or beneficiaries. See, for example, sections 6698, 6722, and 6724 for penalties that may apply.

Line 4 Exemptions

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) entered on the line for a FATCA exemption code.

J—A bank as defined in section 581.

K—A broker.

L—A trust exempt from tax under section 664 or described in section 4947(a)(1).

M—A tax-exempt trust under a section 403(b) plan or section 457(g) plan.

Note: You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, enter "NEW" at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have, and are not eligible to get, an SSN, your TIN is your IRS ITIN. Enter it in the entry space for the Social security number. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/EIN. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or Form SS-4 mailed to you within 15 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and enter "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, you will generally have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon. See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier, for when you may instead be subject to withholding under chapter 3 or 4 of the Code.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third-party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information, such as your name, SSN, or other identifying information, without your permission to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax return preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity, or a questionable credit report, contact the IRS Identity Theft Hotline at 800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 877-777-4778 or TTY/TDD 800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Go to www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and territories for use in administering their laws. The information may also be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payors must generally withhold a percentage of taxable interest, dividends, and certain other payments to a payee who does not give a TIN to the payor. Certain penalties may also apply for providing false or fraudulent information.

W I T N E S S E T H

WHEREAS, the County is the owner of Miami Executive Airport (known as the "Airport" or "TMB") and operates it through MDAD), and

WHEREAS, the Lessor and Lessee have agreed to enter into a new development lease agreement at TMB, for Lessee's lease of the Premises as shown on the attached Exhibit A, and

WHEREAS, the Lessee acknowledges that all development activity must occur in strict compliance with requirements of the Federal Aviation Administration (FAA) and with all regulatory requirements of the State of Florida and the County, and that this Agreement is expressly subject to such regulatory reviews and acceptances in accordance with the provisions of this Agreement; and

NOW THEREFORE, for and in consideration of the foregoing premises, and of the mutual covenants and agreements contained herein, the parties agree as follows:

ARTICLE 1
Term and Premises

1.01 Term:

(A) The Lessor hereby leases to the Lessee, and the Lessee leases from the Lessor, the premises as set forth in Article 1.02 ("Premises") for the purposes and uses set forth in Article 2 (Use of Premises) and Article 4 (Development and Improvements to Premises) for a lease term of thirty-five (35) years (the "Term"), subject to the conditions set forth below, beginning on the Execution Date. The Execution Date is ten (10) days after the date of the adoption of a resolution approving the Lease by the Miami-Dade County Board of County Commissioners (BCC), unless vetoed by the Mayor, and if vetoed, shall become effective only upon an override by BCC.

(B) The Lessee shall have the option to extend the term by five (5) years by providing notice to MDAD in writing no later than 180 days prior to the expiration of the term so long as all the following conditions are met:

- i. Lessee has achieved the Date of Beneficial Occupancy for the improvements as defined below in Article 1.01(C) within five (5) years of the Effective Date; and,
- ii. Lessee has invested not less than fourteen million, seven hundred and fifty thousand \$14,750,000.00 dollars in improvements; and

iii. Lessee is not in default under Article 13 (Termination) at the time it seeks to exercise this Option and at the time that the additional five-year extension period is set to begin.

(C) Date of Beneficial Occupancy: The Date of Beneficial Occupancy (DBO) for the improvements is defined to be the earliest of (i) the date on which substantial completion of the improvement associated with any new improvement on the Premises has occurred and the appropriate code enforcement agency has issued a Certificate of Occupancy (CO) or a Temporary Certificate of Occupancy (TCO) that enables the Lessee to occupy or utilize the improvement in any manner for its intended use, (ii) the date on which the Lessee commences the use of any improvement for its intended use (with or without a TCO or CO), or (iii) the date on which substantial completion of the improvement would have occurred and on which the appropriate code enforcement agency would have issued a CO or TCO but for the occurrence of Lessee's delays, all as determined in the sole reasonable discretion of the County.

(D) Due diligence: Lessee shall have one year from the execution date to conduct all its due diligence activities including but not limited to environmental, drainage and other analyses of the Premises. Any reports received by the Lessee shall be provided to the Lessor within 365 days of the execution of this agreement (the "Due Diligence Phase").

- i. During the Due Diligence Phase, Lessee shall have the ability to do, among other things consistent with the performance of due diligence, the following (collectively, the "Due Diligence Activities"):
 - a. to conduct boundary and other surveys on the Premises.
 - b. to conduct environmental site assessments on the Premises.
 - c. to conduct stormwater drainage assessments on the Premises.
 - d. to the extent authorized by any permit issued by the applicable Authority Having Jurisdiction ("AHJ") to conduct soil-borings on the Premises.

Lessee shall not have the right to conduct any business or begin development during the Due Diligence Phase.

ii. Mechanic's Materialmen's and other Liens. Lessee hereby agrees that it shall not permit any mechanic's materialmen's and/or any other lien to exist on the Premise as a result of its Due Diligence Activities or any other action undertaken by Lessee. Lessee shall immediately pay any judgment or decree rendered against it or the County in relationship with the Due Diligence Activities, with all costs and charges, and shall cause any such lien to be released off record without cost to the County. The provisions of this paragraph shall survive the termination of this Agreement.

iii. Lessee shall be responsible for all of its costs associated with such Due Diligence Activities.

iv. At any time during the Due Diligence Phase, Lessee shall have the right to terminate this Agreement by providing written notice to Lessor and, thereafter, shall have no further obligations except for the following: (1) those obligations that survive the termination of this Agreement, (2) to fully surrender the Premises and remove all personal property from the Premises within 60 (sixty) days after delivery of such notice of termination, (3) to pay Rent as specified in Section 3.01 through the date of Lessee's surrender of the Premises, which Rent shall be due no later than 30 (thirty) days after surrendering the Premises, (4) if applicable, to repair and restore any damage to the Premises caused by work performed by or on behalf of

Lessee to the condition that existed as of the Execution Date, and (5) to the extent applicable, Lessee's Termination Obligations. The provisions of this paragraph shall survive the termination of this Agreement. In the event that Lessee exercises its right to terminate this Agreement during the Due Diligence Phase, County shall have no liability for any costs incurred by Lessee in connection with any Due Diligence Activities

v. Lessee shall coordinate with Lessor prior to the commencement of any investigations, such that all Due Diligence Activities are done in a manner that does not unreasonably interfere with Lessor's use of the Premises or adversely affect Lessor's ownership of the Premises, including other tenants' use of their tenancies. Lessee shall not use the Premises or otherwise enter onto the Premises during the Due Diligence Phase for any purpose other than those set forth herein or approved by MDAD in writing, which approval shall not be unreasonably withheld, conditioned, or delayed.

vi. Regardless of whether Lessee exercises its right to terminate this Agreement during the Due Diligence Phase or proceed beyond the Due Diligence Phase, Lessee shall be required to provide the County with all third-party reports generated with respect to any and all conduct and activities relating to Lessee's performance of the Due Diligence Activities.

vii. Unless expressly stated otherwise in this Article, all general terms, conditions, and requirements set forth throughout the entirety of this Agreement, including the requirement to carry any insurance that would be applicable to the Due Diligence Activities as determined by the County's Risk Management Division, shall apply to Lessee during the Due Diligence Phase.

(E) Community Benefit: Lessee shall commit to the community benefits as defined in Attachment B.

1.02 Premises:

The Premises leased herein consist of the Land identified in the Survey attached hereto as Exhibit "A" +/-22 acres.

1.03 Relocation and Modification of Premises:

The Premises are subject to relocation or modification on Airport property at the sole discretion of the Lessor and this Agreement may be administratively revised to reflect such relocation or modification upon at least 180 days advance written notice to the Lessee by the Lessor. Relocated space may not be similar in size, configuration, or location on the Airport to the Premises and may be subject to different rentals. The Lessee may accept the relocated or modified premises or may vacate the Premises within the notice period.

1.04 Suitability of Premises:

The Lessee acknowledges that (a) the Lessor has made no representations as to the Premises or the suitability of the Premises for the purposes of the Lessee, (b) the Lessee has no obligation to perform or cause to be performed any maintenance, repairs, renovations, cleanups, painting, or the like of the existing facilities on the leased premises which are leased in an as is condition, (c) Lessee has made whatever site inspections it deems necessary so as to be apprised of the conditions of the Premises, both above ground and below ground, and has made its own determination that the Premises are suitable for its intended use, and (d) Lessee has otherwise satisfied itself that the conditions of the Premises, and utilities in their current state, are satisfactory to the Lessee. The Lessee's

obligation under this Agreement, such as in Article 7.03 (Permits & Licenses), to obtain all land use, construction, and operating permits and approvals required of the Lessee at the Lessee's sole cost and expense, shall not require the Lessor to take any action or perform any tasks within the Premises to enable the Lessee to obtain such permits and approvals, including, but not limited to, certificates of occupancy, which shall remain the Lessee's exclusive obligation to take or perform in order to obtain such permits and approvals. The Lessee further acknowledges that, by executing this Lease, the Lessee at its own cost, risk, and expense must make the necessary investments and all improvements to the Premises, including all infrastructure improvements and utilities services necessary for Lessee's construction and use of the Premises, to make the Premises suitable for the Lessee's use and to satisfy the County's building, life, safety, fire and occupancy requirements, and that the Lessor shall have no obligation to the Lessee to compensate or reimburse the Lessee for such cost, risk, expense, investment, and improvements.

1.05 Title to Improvements; Standards of Construction; Demolition of Improvements at Termination:

Unless the Lessee's financing documents require otherwise (with the exception for the common use taxilane – see below), the Lessee shall have the option, to be exercised not later than sixty (60) days from the DBO, of (i) placing in the name of the Lessor its improvements installed or constructed by the Lessee upon the premises, free and clear of all liens and encumbrances, except for any financial interests or liens specifically approved by the Lessor under the loan documents as provided under Article 11.04(B) (Lessor Approval of Financing Documents), or (ii) retaining title to such improvements in Lessee's name for the duration of the term of this Lease. For the improvements whose title is to remain in the Lessee's name, the Lessee shall be entitled to use modified standards for its design and construction, as approved by the Lessor, but must nonetheless comply with all applicable building, fire, and life/safety codes, comply with the Lessor's requirements under Article 4 (Development and Improvements to the Premises) as to the useful life of the improvement, and must remove any such improvement upon termination of this Lease for any cause, unless the Lessor directs otherwise as to such improvement.

1.06 Conditions of Lease

Review by FAA:

This Agreement is subject to the review and approval by the Federal Aviation Administration (FAA). If the FAA indicates that any portion of this Agreement is not consistent with the requirements of federal law or grant assurances, or else raises an objection to any portion of this Agreement, the Lessor shall have the right in its sole discretion to either declare this Agreement to be null and void or else to change the terms of this Agreement so as to overcome the reasons for the FAA's statements or objections and submit to the Lessee this Agreement as so changed. In the latter event, the Lessee shall respond to such proposed changes promptly and in any case not later than sixty (60) days from the date the Lessor provides it to the Lessee. If the Lessee accepts such changes, the parties will execute a new Agreement as changed, subject again to FAA review. At any time following the FAA's initial review of this Agreement in which the FAA made statements or else raised concerns about the terms of the Agreement, the Lessor may determine that it is in the best interests of the County to lease the Premises to another party on terms that would be acceptable to the FAA, and upon such determination, whatever rights the Lessee may have hereunder shall cease upon the Lessee's receipt of such statement of determination. No compensation of any sort shall be payable to the Lessee in the event that (a) the Lessor declares this Agreement to be null and void, (b) the Lessor makes a determination to lease the Premises to another party, or (c) the parties are unable to agree to the terms of a revised Agreement that will overcome the concerns raised by the FAA.

1.07 Review by Other Entities:

This Agreement and the enforcement of each party's obligations hereunder are contingent upon Lessor's receipt of certificates under Section 707 of the Lessor's Restated and Amended Trust Agreement (the "707 Certificates") from both the Traffic Engineers and the Consulting Engineers determining that the improvements to be constructed by Lessee meets the standards provided in Section 707.

1.08 Early Termination for Airport Purposes:

(A) At any time during the term of this Agreement, if the Premises leased and developed hereunder are required for airport development purposes or any other purpose as determined by the Miami-Dade Aviation Department (MDAD) in its sole discretion, MDAD shall have the right to terminate this Agreement as to all or any portion of the Premises upon notice to the Lessee as provided herein.

(B) In the event such notice is given prior to completion of construction of any improvement to be terminated under the notice, the notice shall specify the effective date of termination and the Lessor shall have the option of requiring the Lessee to complete construction of the improvement and to obtain a CO or requiring the Lessee to cease all construction activity as of the date set forth in the notice. The Lessee shall submit to the Lessor all construction costs incurred by the Lessee as of the effective date of termination. The determination of costs eligible for reimbursement to the Lessee shall be based on the calculation of approved improvement costs as of the effective date of the notice as determined under Article 4.11 (Final and Approved Improvement Costs). Within sixty (60) days of the Lessor's acceptance of the approved costs, the Lessor shall pay the Lessee the amount of the approved improvement costs, which the Lessee agrees shall be the Lessor's sole obligation under this Agreement to compensate the Lessee for termination of this Agreement at this stage.

(C) In the event such notice is given after completion of any improvement, the notice shall provide the Lessee with a reasonable period of time to vacate the improvement, which shall be not less than sixty (60) days after the Lessee's receipt of the notice. The Lessor shall be responsible for paying to the Lessee the fair market value of the improvement, determined by a qualified appraiser selected and paid for by the Lessor. If the Lessee does not accept the appraised value of the Lessor's appraiser, the Lessee shall have the right to select and pay for its own appraiser. If Lessor does not accept the Lessee's appraised value determined by the Lessee's appraiser, the two appraisers shall select a third appraiser, whose costs shall be paid equally by the Lessor and the Lessee. Any appraiser selected hereunder must be a member of the Master Appraisal Institute or equivalent. All three appraised values shall be added together and divided by three to obtain the appraised value Lessor is required to pay the Lessee. The Lessor shall cause the Lessee to be paid the appraised value within sixty (60) days of determining the appraised value in accordance with this sub article, but the Lessor shall have no obligation to pay the Lessee any compensation for the land taken back by the Lessor. The Lessee agrees that such payment shall be the Lessor's sole obligation under this Agreement to compensate the Lessee for termination of this Agreement at this stage.

1.09 Easements

Nothing herein shall be construed as waiving or relinquishing any easements, or licenses, or other encumbrances currently burdening the Premises in favor of the County including but not limited to, easements or licenses issued by the Miami-Dade County Aviation Department for the benefit of any other County department or for the County generally. Lessee takes this lease subject to all such easements or other encumbrances, whether or not such easements or other rights have been disclosed by the County, and whether or not such easements or other

encumbrances were known or knowable by Lessee in the exercise of its due diligence.

ARTICLE 2 **Use of Premises**

2.01 General Privileges, Uses and Rights:

(A) The Lessor hereby grants to the Lessee the following general privileges, uses and rights, all of which shall be subject to the terms, conditions and covenants hereinafter set forth or otherwise applicable to the Lessee's use of any portion of the Airport, and all of which shall be non-exclusive on the Airport) The Lessor grants to the Lessee, in common with all others desiring to use the Airport, and only to the extent necessary or reasonably desirable, so long as such use does not conflict with the Lessor's operation of the Airport, to carry out the rights granted the Lessee hereunder, the nonexclusive privilege to use the runways, taxiways, roads of egress and ingress, service roads and such other facilities and improvements as may be now in existence or hereafter constructed for the use of persons lawfully using the Airport; provided, however, that such usage shall, to the extent not included as part of the Rent, be subject to the payment of nondiscriminatory fees and other charges established by the Lessor. Nothing herein contained shall grant to the Lessee the right to use any leasable space or area improved or unimproved which is leased to a third party, or which the Lessor has not leased herein.

Except as expressly set forth in this Section, nothing in this Lease shall be construed to grant or convey to Lessee the right to use any space or area improved or unimproved which is leased to or under contractual control of a third party, or which the Lessor has not leased herein. Nothing in this Section shall be construed as providing access to MDAD's airfield facilities.

(B) The right of ingress to and egress from the leased Premises over and across public roadways serving the Airport for the Lessee, its agents and employees, patrons and invitees, suppliers of service and furnishers of material. Said right shall be subject to such laws, rules, regulations and orders and fees and charges as now or may hereafter have application at the Airport.

2.02 Use of Premises:

The Lessee shall use the Premises leased only for the purposes specifically authorized below, in accordance with the designed and developed buildings and the uses set forth by the CO issued for each improvement, MDAD's Minimum Standards (Operational Directive No. OD 09-01) and Chapter 25 as may be established and amended from time to time.

Such services and uses may only be provided on the premises developed by the Lessee, provided that the services and uses are in compliance with Article 7 (Regulations, Licenses and Permits) of this agreement.

The Lessee shall use the premises for aeronautical purposes. Permitted uses are the following:

1. Fixed Base Operations (FBO) including hospitality areas for passengers and crew.
2. Aircraft storage, tie-down, and ground handling.
3. Aviation office use.
4. Certificate Part 91, (nonscheduled noncommercial aircraft operations), Certificate Part 135 (nonscheduled commercial aircraft operations), and Certificate Part 145 (maintenance, inspection

and alteration of Aircraft and aircraft products) as well as uses incidental thereto, and otherwise permitted under applicable laws.

The Lessee shall use all hangars, and shall require all tenants to use hangars, in compliance with the Lessor's requirements as to proper hangar use, as such requirements may be modified, altered, or added to by the Lessor from time to time.

2. Prohibited Uses, Products and Services. The Lessee agrees that the Premises shall be utilized solely for the uses permitted herein and for no other purpose whatsoever. The Lessee shall not provide any products or services that are not specifically authorized by this Lease or by the County. The Lessee further agrees that its customers shall only be permitted to park vehicles on the Premises while utilizing Lessee's services or facilities or while providing operations on the Premises.

2.04 Non-Flyable Aircraft:

In no instance shall any non-flyable aircraft be parked or stored on the Premises for a period in excess of 60 consecutive days, without the prior written approval of the Lessor. After such 60-day period, the Lessee shall remove any non-flyable aircraft from the Premises within 15 days, when notified in writing by the Lessor to do so, unless such aircraft is then and there undergoing maintenance as authorized herein. Failure of the Lessee to remove non-flyable aircraft shall result in the Lessor declaring said aircraft derelict and subject to removal pursuant to Chapter 25-10.24 of the Miami-Dade County Code, as well as the Lessor's termination of this Agreement.

2.05 Lessee's Rights Not Exclusive:

Notwithstanding anything herein contained that may be, or that may appear to be, to the contrary, it is expressly understood and agreed that the rights granted under this agreement are non-exclusive and the Lessor reserves the right to grant similar privileges and similar leases to other lessees on other parts of the airport and to take any and all actions (including the leasing of property for any lawful purpose) that the Lessor is permitted to take under federal, state, and local law pertaining to the airport on which the Premises herein are located.

2.06 Flight Operations:

(A) Lessee acknowledges that TMB is a noise sensitive airport and agrees to work with the FAA and County to ensure reasonable procedures are developed to minimize any potential adverse impacts to surrounding communities, including, but not limited, to noise impacts.

(B) Lessee shall timely address any complaints raised by members of the surrounding communities and shall notify the Department's Noise Abatement Office of any such complaints and Lessee's response.

(C) In addition to minimizing impacts to surrounding communities, Lessee shall coordinate with all authorities having jurisdiction including but not limited to the FAA and County to ensure that all airspace procedures developed for aircraft operations are consistent with MDAD's current operations, do not result in any reduction to TMB's airspace or airfield capacity or future development plans as set forth in the TMB's Airport Layout Plan (ALP) as of the date hereof.

2.07 Reporting of Fuel Sales:

Lessee shall, on a yearly basis, report the total gallonage of fuel sold to its customers, including but not limited to: i) fuel sold by Lessee, ii) fuel sold by any contractor of Lessee which is dispensed on Lessee's leasehold, and iii) fuel sold by any contractor of Lessee outside of Lessee's leasehold, but which is sold pursuant to a contractual arrangement between Lessee and such contractor. Lessee shall specify the types of fuel sold for each category (i.e., Jet-A vs. AvGas). This report shall be provided no later than February 1st for the preceding year.

Full appraised value rent will commence 12 months from the Lease Execution Date (at the end of the Due Diligence Phase). In the event that Lessee has completed its Due Diligence Activities and desires move beyond the Due Diligence Phase and begin developing prior to the end of the first year, Lessee shall notify MDAD that it has elected to proceed with development. At such time, the Due Diligence Phase (and the Due Diligence Phase right to terminate) shall be deemed to have ended, and Lessee shall begin paying full appraised Ground Rent as of the date of such notice.

(C) Building Rent

The County reserves the right to modify such rates throughout the term of this Agreement in accordance with its then-current rental rate adjustment policies, and Lessee shall pay the FMV rental rates as so adjusted.

3.02 Improvement Rent

In addition to the regular rent discussed in 3.01 above, Improvement rent is the additional rent to be paid by the Lessee based on the capital investment by the Lessee. Improvement rent is calculated as follows: (i) beginning on the 6th year of the Lease, and extending to the end of the 11th year of the Lease, Lessee shall pay one percent (1.0%) of the value of the minimum development investment amount of \$14,750,000.00 per year, to Lessor; (ii) beginning on the 12th year of the Lease, and extending to the 20th year of the Lease, Lessee shall pay one point five percent (1.5%) of the value of the minimum development investment amount of \$14,750,000.00 per year, to Lessor; and (iii) beginning on the 21st year of the Lease to the end of the 30th year of the Lease, Lessee shall pay two percent (2%) of the value of the minimum development investment amount of \$14,750,000.00 per year to Lessor payable in twelve (12) equal monthly installments until the end of the 30th year. Improvement Rent terminates upon commencement of building rent.

3.03 Sales Taxes and Other County Charges:

The Lessee shall pay to the Lessor, in addition to the foregoing rents, all applicable State sales taxes as well as all federal, state or local taxes arising out of the Lessee's use of the Premises, and all other charges imposed by the County on the Lessee's use of the Premises provided that such lessee charges are applicable to all similarly situated Lessee's at TMB.

3.04 Operational Fees and Charges:

The Lessor reserves the right to establish fees for the landing and parking of all or special classes of aircraft at the Airport. The Lessee, as a further consideration for this Agreement, shall be required, when directed in writing by the Lessor, to collect and promptly remit to the Lessor aviation fees and other aviation charges, approved by the County and payable to the Lessor. The method of collection and remittance of such fees and charges shall be as determined and directed by the Lessor in writing. A failure to collect and pay same shall constitute a default under Article 13.03 (Other Defaults) hereof. The Lessee shall be permitted to retain five percent of such fees and charges collected on behalf of the Lessor, which amount shall be considered as full and final payment to the Lessee for the cost of collecting and remitting the fees and charges and shall not be considered as part of gross revenues earned by Lessee.

Nothing contained in this Lease shall preclude the County from establishing other reasonable and non-discriminatory fees and charges applicable to all aircraft operating on County property using the Premises. Lessee expressly agrees to pay such fees and charges as if they were specifically included in this Lease. In the event Lessee engages in any activity or provides any service at the Airport for which other companies operating at the Airport pay a fee to County, including the servicing and cleaning of aircraft at the Airport, Lessee shall pay to County fees equivalent to those paid by such other companies for engaging in such activities or providing such services.

3.05 Late Payment Charge:

In the event the Lessee fails to make any payments, as required to be paid under the provisions of this Agreement, within ten days after same shall become due, interest at the rates established from time to time by the BCC (currently set at 5% per month), shall accrue against the delinquent payment(s) from the original due date until the Lessor actually receives payment. The right of the Lessor to require payment of such interest and the obligation of the Lessee

to pay same shall be in addition to and not in lieu of the rights of the Lessor to enforce other provisions herein, including termination of this Agreement, and to pursue other remedies provided by law.

3.06 Dishonored Check or Draft:

In the event that the Lessee delivers a dishonored check or draft to the Lessor in payment of any obligation arising under this Agreement, the Lessee shall incur and pay a service fee assessed in accordance with the Lessor's practice for dishonored checks plus penalties as may be imposed by law, such as Sections 832.08 and 125.0105, Florida Statutes, as such statutes may be amended or renumbered. Further, in such event, the Lessor may require that future payments required pursuant to this Agreement be made by cashier's check or other means acceptable to the Lessor.

3.07 Utilities:

The Lessee shall pay for all utilities it uses or is imposed on Lessee as a matter of law. The Lessor shall have no obligation to provide utilities to the Premises except to maintain or repair any utilities that may exist on the Premises as of the date of this Agreement.

The Lessee acknowledges that the BCC has or may establish or direct the establishment, from time to time, of various fees and charges for the use of various facilities, equipment and services provided by the County. The Lessee shall pay, upon billing, for its use of such facilities, equipment and services those fees and charges, which are billed monthly. For other fees and charges which are based on usage, the Lessee shall, in writing, report its uses of applicable facilities, equipment and services and simultaneously pay the applicable fees and charges at such frequency and in such manner as may be prescribed by the Lessor. Notwithstanding the absence of any identification in this Agreement of charges to be paid by Lessee for its use of the Premises and the Airport, Lessee agrees to pay whatever charges are imposed by the County.

3.09 Security Deposit:

Prior to occupancy or use of any improvement on the Premises, the Lessee shall pay to the Lessor an amount equal to two times the required total monthly rent for the land and improvements as applicable, and as determined pursuant to Article 3.01 (Annual Rent) above, plus applicable State sales tax on such security deposit amount, as security for the payment of the Lessee's obligations hereunder. Said deposit shall be in addition to any rental payments required hereunder, and the Lessor shall be entitled to apply such payment to any debt of the Lessee to the Lessor that may then exist, as permitted by law, including but not limited to the rentals, fees, and charges imposed by the County hereunder or otherwise. In lieu of the security deposit being made in cash, the Lessor, in its sole discretion, may authorize the Lessee to provide an irrevocable Letter of Credit, in a form approved by the Lessor, in like amount. The amount of the security deposit is subject to adjustment by the Lessor at any time there is a change in the annual or monthly rentals pursuant to the terms of this Agreement; provided further, that the Lessor shall have the right to demand an increase in the security deposit requirement of up to an additional four months rental to provide the Lessor with adequate assurance of the Lessee's payment of its obligations, which assurance is required because of the Lessee's defaults in the timely payment of rents, fees and charges due hereunder, or because the Lessor has reason to believe, based on published reports, that the Lessee's future ability to pay such rentals, fees and charges, on a timely basis, is in jeopardy.

3.10 Rental Rate Review

A) Annually, as of October 1 of each year during the term of this Agreement, or such other date as may be established by the BCC, the rent applicable to the Premises as stated in Article 3 (Rentals and Payments) above shall be subject to review and adjustment in accordance with this lease and with the adjustment of rental rates for the Airport. Fair market value (FMV) rental rates for the premises may be adjusted by the Lessor effective on October 1 of each year of this Agreement.

(B) When such rental rate adjustments are established by the BCC or as directed by the Aviation Director pursuant to Resolution No. R-186-01 or any adjustment, this Agreement shall be deemed to have been administratively amended to incorporate the revised rental rates effective as of such effective date. Such revised rental rates shall be reflected herein by means of a letter between the Lessor and the Lessee. Payments for any retroactive rental adjustments shall be due upon billing to the Lessee by the Lessor and payable by the Lessee within thirty calendar days of same. Notwithstanding anything to the contrary provided herein, the adjustment of rental rates for the Premises shall be based on a non-discriminatory application of the rental rates for the entire Airport as adjusted by the BCC or according to annual changes pursuant to Article 3.01 (Rent).

(C) Aeronautical ground and pavement rent may be adjusted annually according to appraisal of comparable general aviation rates and approved by the BCC as part of MDAD's Annual Rates and Charges as published.

3.11 Double Rental:

In the event that the Lessee remains in possession of the Premises beyond the expiration or termination of this Agreement, the Lessee shall be bound by all of the terms and conditions of this Agreement to the same extent as if this Agreement were in full force and effect during the time beyond the expiration date of this Agreement. However, during any such possession of the Premises, as a holdover Lessee after the Lessor has demanded the return of the Premises, the Lessee shall be liable for double rentals for so long as the Lessee remains in possession after such demand, such rentals to be based upon the rental rates then applicable in whole or in part to the Premises.

(B) County Cooperation of Off Premises Improvement

The Lessor agrees to cooperate with the Lessee to facilitate any necessary off-site improvements or work for infrastructure necessary to support the Project, including, without limitation, granting any temporary construction easements or licenses required to complete improvements or work outside of the Premises on the Airport within areas under the control of the Lessor; provided, however, the Lessee shall use commercially reasonable efforts to minimize

impacts on Airport operations. Furthermore, any improvements or infrastructure shall not change the use, or utility, of the area where such improvements or infrastructure will be located. Nothing in this paragraph shall be construed as requiring the Lessor to provide a temporary construction easement or license for off-premises storage of materials or equipment.

(C) Project Cost - The Lessee shall bear and be solely responsible for all costs arising out of the Project, including, but not limited to, the following:

1. All costs as described in Article 4.02 (Project) above.

5. Lessee shall provide any report(s) to Lessor within three hundred and sixty-five (365) days of the Lease Execution pertaining to the current drainage plan and environmental requirements to verify the suitability of the Premises for Lessee's proposed development and the acceptability of this Lease to Lessee.

Lessee acknowledges that the Lessor shall have no maintenance responsibility for any of the Improvements, utilities and infrastructure to be constructed by Lessee.

(D) All improvements constructed or placed on the Premises, including, but not limited to, drainage and landscaping, shall be of and first-class design and construction; comply with all applicable governmental laws, regulations, rules, and orders; follow standard construction methods; and be constructed in accordance with applicable requirements of this Article. The Lessee shall have the right to make such additions, alterations and improvements to the Premises, including, but not limited to, to the Project (as hereinafter defined), as may deem necessary for its operations hereunder, subject to the Lessor's prior written consent, which consent shall not be unreasonably withheld, conditioned, delayed or denied.

4.03 Design of Improvements:

(A) Prior to the commencement of any construction of an improvement on the Premises, Lessor and Lessee shall hold a pre-design meeting to be coordinated through the Lessor's Facilities Project Manager with the participation from all parties deemed by Lessor to be necessary for such meeting, for discussions regarding utilities, grading drainage, airside, security, existing as-built drawings, compliance with the Master Plan, and the terms of the Agreement and any other related item(s). Lessee acknowledges its obligation to assure that FAA approval is obtained, even though MDAD must be involved in such process, and that such FAA approval is communicated to Lessee in writing prior to the commencement of construction of each improvement. The Lessee and its architect/engineer have the responsibility to ensure that the project design shall be in accordance with all applicable laws, codes, regulations, and other requirements of County, State and/or Federal authorities having jurisdiction over the construction of the improvements by law or by contract with the County, including all then current requirements of the County as they relate to the Lessee's construction of non-reimbursable projects under Article 4.14 (Tenant Airport Construction Contracts). The Lessee shall be responsible for obtaining and confirming as-built drawings and information pertaining to the design of the facilities.

(B) Lessee acknowledges that before the County's Building Department may issue any permit for an improvement on County-owned property, the Aviation Department must issue a "Letter of Concurrence" that constitutes the owner's authority for the Lessee to apply for and obtain the building permit. The Lessor shall not be required to issue the Letter of Concurrence until such time as Lessee has complied with all obligations in this Agreement as to the design and construction of the improvements, including compliance with the TAC-N procedures, submission of approved contract documents as that term is defined in (c)(i) below, and compliance with the regulatory provisions of the County's other departments having jurisdiction over the construction, such as, but not limited to, the Fire Department and the Regulatory and Economic Resources Management.

(C) As described in subsection (1) below, the Lessee shall submit to the Facilities Division of the Department the contract documents for each improvement for the Lessor's review, modifications, and approval. In no event shall the Lessor's review hereunder be unreasonably withheld, conditioned or delayed. The Lessor's failure to submit modifications within fourteen (14) business days from the date the complete contract documents are submitted by the Lessee to the Lessor shall be deemed as a consent by MDAD for Lessee to apply for permits from the appropriate County Departments; provided, however, that if the Lessor has requested changes on such contract documents, Lessee shall not go forward with the project until it has incorporated such changes in its contract documents and resubmitted them to the Lessor for confirmation that the changes in the contract documents have been made.

1. Unless Lessor requires submission of Plans and Specifications at other percentages of their completion, the Lessee shall submit to the Lessor ten (10) sets of the contract documents consisting of: (i) 100% complete plans and specifications; (ii) project schedule based upon calendar days without dates for the design, bid and construction, hereinafter referred to as "Lessee's Project Schedule"; and (iii) cost estimates for the improvements, prepared by an architect/engineer registered in the State of Florida are referenced in this Article 4.03 as the "contract documents". The Lessor may from time-to-time request that other documents be submitted by Lessee as part of the contract documents for a particular improvement, and Lessee shall comply with such request. Lessee acknowledges that failure to comply with Lessee's obligations to submit complete contract documents may delay the Lessor's review of the contract documents, which may cause the Lessee to miss other design or construction deadlines contained herein or desired by Lessee. The Lessee shall continue to be held responsible for meeting the deadlines contained herein and shall be subject to the Lessor's remedies specified herein for not meeting said deadlines. The Lessor shall in no way be held responsible for delays resulting from the failure of the Lessee to meet all submittal requirements contained herein.

2. Upon submission of the 100% complete contract documents to the Lessor for design review; the Lessor shall also review the plans for compliance with the following:

(a) Conformance with the Airport Master Plan (AMP), Comprehensive Master Development Plan (CDMP), and Airport Layout Plan (ALP), and has the approval of the FAA.

(b) Compliance with environmental requirements, utilities master plan, and storm water master plan and permitting requirements.

(c) Compliance of Implementing Order (IO) 8-4 and BCC Resolution (Reso. R-129-22), during the development phase, the Lessee at its sole cost, is required to connect to the existing sanitary sewer system prior to the TCO or CO whichever occurs first.

3. The Lessor shall comment in writing on the contract documents within fourteen (14) calendar days of such submission. All comments by the Lessor shall be incorporated into the contract documents unless Lessee may request reconsideration of any of the Lessor's comments. Such request shall include documentation supporting the Lessee's position. The Lessor shall review the request for reconsideration and shall either approve or disapprove the request or alter its initial comments in light of the reconsideration. The determination of the Lessor at this time shall be final and binding upon the Lessee and accordingly shall be incorporated in the revised plan for final resubmittal. After the Lessor reviews the Plans and Specifications as submitted by the Lessee the Lessee may not make a material change in the Plans and Specification or their scope without the Lessor's further review, which shall not be unreasonably withheld or delayed. The Lessor's review for Lessee's design and compliance with all applicable codes and regulations does not constitute certification or warranty by the Lessor (a) as to the quality of the contract documents prepared by the Lessee's architect/engineer(s), (b) that the contract documents are free of design errors or omissions, or (c) that they are in compliance with applicable laws, codes, rules or regulations of the authorities having jurisdiction over the construction of the improvements. Such review shall not be unreasonably withheld or delayed by the Lessor.

(D) If the Lessee fails to provide the complete contract documents for review to the Lessor or delays the start of the construction by more than 60 calendar days from the agreed upon project schedule, any reviews theretofore provided by the Lessor will become null and void and will require the Lessee's re-submission of the documents for the Lessor's review.

4.04 Development Schedule

Except as otherwise provided for herein, prior to constructing any improvements on or alterations to the Premises (including, but not limited to, the Project), the Lessee, without cost to County, shall prepare detailed preliminary construction plans and specifications for the improvements, including, but not limited to, a Layout Plan to be incorporated into the Airport Layout Plan or as a separate plan as required by the FAA, (hereinafter collectively referred to as the "Plans") in accordance with standards established by the Lessor and deliver the preliminary Plans to the Lessor for review, comment and adjustment.

County reserves the right, in its sole and absolute discretion, to withhold approval of any improvements within the Premises determined to be a potential hazard to air navigation by the Lessor, County and/or the FAA or which the Lessor, County and/or FAA determines, in their reasonable discretion, would affect the current or future Airport

operations or development as set forth on the FAA-approved Airport Layout Plan or in the TMB Master Plan as of the date hereof or decrease Miami Executive Airport's airfield or airspace capacity.

The parties acknowledge that the Lessee has elected to pursue development of the Premises prior to the establishment of final design standards on airports by governmental agencies with jurisdiction over the Airport, including, but not limited to, the FAA and FDOT. The Lessee acknowledges and agrees that the Lessee shall be responsible, at the Lessee's sole cost and expense, for any required improvements, modifications or alterations required to be made to the Premises to ensure compliance with applicable design standards.

At least ten (10) days prior to commencing construction, Lessee shall comply with the following requirements:

(A) Lessee shall submit the following to the Lessor's Facilities Project Manager, who will be assigned to this Agreement:

1. A copy of the building permit(s);
2. All construction bonds including performance, payment, contract completion bonds or their substitute and Insurance Certificates required under Article 4.07 (Construction Bonds and Insurance Required), and Article 12 (Insurance).
3. Proof of the Pollution and Remediation Legal Liability Insurance required under Article 12; and;
4. Consents from Lessee's general contractor and architect to the assignment of Lessee's rights under its contracts with such parties to the County.

(B) Unless the Lessor directs otherwise, Lessee shall submit the following documents to the Department's Finance Manager:

1. A check made payable to the Lessor in the amount that represents one percent (1%) of the budgeted construction hard costs for reimbursement of Building Department fees pursuant to Article 7.05 together with a copy of the construction contract awarded to the lowest bidder or as negotiated. If the final construction hard costs are higher or lower than the budgeted amount, the difference shall be multiplied by 1% and shall either be paid by the Lessee to the Lessor if the resulting number is a positive amount in accordance with the time frame established under Article 4.10 herein or refunded to the Lessee by the Lessor if the resulting number is negative. Such fee shall be non-refundable. In addition, if Lessee obtains a building permit and allows the permit to expire prior to completion of the improvements then Lessee shall be required to pay an additional one-half of one percent ($\frac{1}{2}$ of 1%) of the budgeted construction hard costs as administrative fees for plans processing reviews required by Building Department staff to issue a building permit. Such fee shall be non-refundable and shall be payable in addition to the 1% fee required pursuant to this Article 4.03(B) (1); and
2. Copy of Lessee Audit pursuant to Article 9.05.

(C) Lessee shall submit a copy of Lessee Financing Documents pursuant to Article 11.04 (B) to the Lessor's Assistant Director Business Retention and Development.

(D) Lessee shall not be authorized to begin construction until the above-listed items have been submitted to the Lessor. If Lessee begins construction prior to submission of the documents and fees in the required form and amounts, satisfactory to the Lessor, as required pursuant to this Article 4, the Lessor shall be authorized to halt the Lessee's construction activities without any liability to the County until such time as Lessee satisfies this requirement. In such event, no extensions of time shall be granted by the Lessor to Lessee. During construction, the Department's Project Manager or a designee will be permitted by Lessee to observe all aspects of the progress of the work.

4.05 Failure to Complete on a Timely Basis:

In the event the Lessee fails to comply with the time requirements for the design and construction of the improvements, as specified in Article 4 (Development and Improvements to Premises), the County in its sole direction shall have the right to:

A. Terminate this Agreement on thirty (30) days' notice in accordance with Article 13 (Termination).

B. Terminate Lessee's rights with respect to the construction of the improvements or portions thereof and thereafter assume the obligations of Lessee under this Article 4 of the Agreement under an assignment by Lessee to Lessor of relevant contracts and permits, and complete the construction of the improvements or portions thereof with the benefit of all bonds and other forms of security provided by Lessee; or

C. Reduce the Term by a period of five years with no option to extend and allow Lessee to complete construction; in the event the County elects this remedy, the Lessee shall be allowed an additional 365 days to achieve DBO of the improvements. In the event Lessee does not achieve DBO within such extended time frame, the County shall have the discretion to terminate the Lease as provided for in (1) and (2) above.

4.06 Construction of Improvements:

Promptly following Lessor's approval of the contract documents in accordance with Article 4 (Development and Improvement to Premises), but not more than one hundred and eighty (180) days thereafter, the Lessee shall finalize and enter into a contract(s) for the construction of the Improvements, in accordance with the terms and conditions of the approved Improvements Documents. The Lessee shall cause the construction of the improvements to be completed within the time period specified in the contract documents, excluding any delays not within Lessee's reasonable control, unless an extension of such period is approved, in writing, by the Department, but notwithstanding any periods of time set forth in the contract documents and except for any extension of time granted by the Lessor, no later than thirty-six (36) months following the Execution Date for the improvements. In no event shall any approval hereunder be unreasonably withheld, conditioned or delayed.

4.07 Construction Completion Documents:

Within thirty (30) days following the completion of construction of any improvement for which a CO or TCO is issued; the Lessee shall furnish the following documents to the Lessor:

(A) Documents showing that the improvement has met the requirements of the final inspection and that all permits have been closed out.

(B) Documents that Lessee has obtained lien waivers from the general contractor and all parties designated by the Lessor, along with any final affidavit of the general contractor required by Chapter 713, Florida Statutes.

(C) Certificate of Occupancy for the improvement.

(D) Certification from the Lessee's architect that the improvement has been completed in conformance with the approved Plans and Specification as well as all permits and applicable governmental requirements.

(E) At least one copy of an as-built survey of the area covered by the Improvement.

(F) Two (2) complete sets of as-built construction drawings and two (2) AutoCAD files of the as-built construction drawings in a compact disk format or other format designated by the Lessor, including all pertinent shop and working drawings and such other as-built drawings as the Lessor may reasonably require; and

(G) Copies of all releases of contractor claims and liens.

4.08 Certain Construction Contract Terms:

All contracts entered into by the Lessee for the construction of the improvements shall require completion of the improvements within a specified time period following the execution of said contract(s) and shall contain, unless otherwise authorized by the Lessor, reasonable provisions for the payment of actual or liquidated damages in the event Lessee's contractor fails to complete the construction on time. The Lessee agrees that it will use its best efforts to take all necessary action available under such construction contract to enforce the timely completion of the work covered thereby. Further, as a standard construction practice, all such contracts shall contain provisions requiring the retention of 10% of contractor billings or such lesser percentage amount as may be approved by the Lessor. All contracts shall provide that the County is a third-party beneficiary thereof.

4.09 Assignment of Contract Documents to Lessor and Assumption of Construction of Improvements by County:

In the event that Lessee fails to perform its material obligations under Article 4 (Improvements to Premises) of this Agreement, and Article 13.03 (Other Defaults), the Lessor may provide Lessee written notice of such default specifying those matters constituting such default. Material obligations shall include, but not be limited to, compliance with the contract documents and compliance with any regulatory requirement. If such default continues for a period of thirty (30) days following Lessee's receipt of the notice or Lessee fails to diligently commence to cure such default within such thirty (30) day period if such default is of a nature that it cannot be cured within thirty (30) days, the Lessor may either terminate this Agreement or else terminate Lessee's rights with respect to the construction of the improvements or portions thereof and thereafter assume the obligations of Lessee under this Article 4 of the Agreement under an assignment by Lessee to Lessor of relevant contracts and permits, and complete the construction of the improvements or portions thereof with the benefit of all bonds and other forms of security provided by Lessee hereunder. Lessor's use of any such bonds or security shall not diminish Lessee's liability to Lessor hereunder for failure to complete the improvements in accordance with Lessee's obligations hereunder.

4.10 Construction Bonds and Insurance Required: Insurance Company Rating:

(A) All contracts for the construction of any improvements shall require that Lessee shall maintain, or cause

to be maintained, the following construction bonding and insurance during the construction of the improvements:

1. Separate performance and payment bonds, satisfactory to the County, in the full amount of the improvements, to assure completion of contract work and payment of the costs thereof, free and clear of all claims, liens and encumbrances of subcontractors, laborers, mechanics, suppliers and material men. The required bonds shall be written by or through, and shall be countersigned by, a licensed Florida agent of the surety insurer in accordance with Florida Statutes.
2. A contract completion bond from the Lessee to the County as security for the completion of and payment for the construction of the improvements free and clear of all claims of any nature whatsoever in the full amount of the cost of the contracts for construction of the approved improvements. In lieu of a contract completion bond, the County may accept substitute documents that provide the Aviation Department with assurance that the Lessee will complete the improvements. If Lessee obtains a performance and payment bond that names the Lessee and its general contractor as joint obliges, County will accept such bond in satisfaction of the requirement for a contract completion bond, provided such bond is in a form reasonably acceptable to the County.
3. Completed Value Builders Risk and/or Installation Floater, issued in the name of the Lessee's contractor, the Lessee, and the County as their interest may appear, in amount(s) not less than 100% of the insurable value of the structural improvements, covering perils on an "All Risks" basis including windstorm. Policy(s) must clearly indicate that underground structures (if applicable) and materials being installed are covered.
4. Commercial General Liability Insurance as specified in Article 12 (Insurance) herein.
5. Workers Compensation as required by Florida Statutes.
6. Automobile Liability Insurance as specified in Article 12 (Insurance) herein
7. Pollution and Remediation Legal Liability insurance in an amount not less than \$2,000,000 covering third party claims, remediation expenses, and legal defense expenses arising from on-site and off-site loss, or expense or claim related to the release or threatened release of Hazardous Materials at the Lessee's Premises.

(B) All insurance policies shall be issued by companies authorized to do business under the laws of the State of Florida and rated no less than "A-" as to financial strength and no less than Class "VII" as to financial size, in accordance with the A.M. Best Company Insurance Guide, or its equivalent as approved by the MDAD Risk Management Division.

The Lessee shall furnish all required insurance certificates to the County for approval as may be required by the MDAD Risk Management. These certificates shall clearly indicate that the Lessee or its contractors have obtained insurance of the types, amounts and classifications required by these provisions. No material change or cancellation of the insurance shall be effective without a 30-day prior written notice to and approval by the MDAD Risk Management.

4.11 Final and Approved Improvements Costs:

(A) For purposes of verifying Lessee's expenditure of not less than \$14,750,000.00 million in design and construction costs of the improvements on the Premises, within ninety days of completion of construction of the improvements, the Lessee shall submit to the Finance Division of the Department, a certified audit of the monies actually expended in the design and construction of the improvements, including all infrastructure and utility facilities (collectively in this agreement, unless specifically stated otherwise, the improvements), in accordance with the contract documents described above in Article 4.03 (Design of Improvements), prepared by an independent certified public accounting firm (Auditor) approved in advance by the Lessor, which approval shall not be unreasonably withheld, conditioned or delayed. The audit report shall provide a detailed list of all expenditures in the design and construction costs of the improvements on the Premises. In accordance with Article 4.02 (The Project) and Article 4.11 (Final and Approved Improvement Costs), eligible costs for such improvements are those costs for project management, any design costs paid by the Lessee which are not attributable to items considered to be non-reimbursable obligations of the Lessee, and construction in accordance with the contract documents and any changes thereto requested by the Lessee and approved by the Lessor, including the costs of required bonds and construction insurance approved improvements costs. 4.14 Tenant Airport Construction Contracts:

The Lessee and the County shall enter into a separate Tenant Airport Construction, Non-reimbursable (TAC-N) contract for the purpose of enabling Lessee to construct facilities or improvements on the Premises or on the Airport deemed necessary or appropriate for Lessee's use on the Premises. (C) Because of the possible presence of environmental contaminants on the Premises or other Airport property, County has made no express, implied, or other representations of any kind with respect to the suitability or usability of the Premises or other Airport Property, or any improvements appurtenant thereto, including, without limitation, the suitability or usability of any building materials, building systems, soils or groundwater conditions (due to the presence of Hazardous Materials in, on, under, or about the Premises or other Airport property), for Lessee's proposed or intended use, and Lessee has relied solely on Lessee's own inspection and examination of such matters.

(D) Lessee expressly assumes the risk that Hazardous Materials that are or may be present on the Premises at the Execution of this Agreement may affect the suitability or usability of the Premises for

Lessee's proposed or intended use. Lessee agrees, County shall have no responsibility or liability with respect to any Hazardous Materials on the Premises. Notwithstanding the foregoing, in no event shall County be liable to Lessee for damages relating to physical or personal injury, business interruptions relocation costs or any other cost resulting from the presence of Hazardous Materials on the Premises at any time during this Agreement.

(E) Lessee accepts Premises "as is" and will be responsible for any and all costs associated with remediation efforts.

9.04 Intentionally omitted

9.05 Lessee Audit:

The Lessee, at its sole cost and expense, may conduct an environmental inspection of the Premises (the "Lessee Audit"), through an independent environmental consultant approved in writing by County, such approval not to be unreasonably withheld or delayed. If the Lessee elects to conduct a Lessee Audit, it shall furnish County a copy of the Lessee Audit within thirty (30) days of Lessee's receipt of the Lessee Audit. The purpose of the Lessee Audit is to determine whether there are present on the Premises any Recognized Environmental Conditions not identified in any previous audits, or any contamination assessment reports or remedial action plans, to the extent any such documents exist. Within thirty (30) days of receipt of such Lessee Audit, the County shall notify the Lessee if it disputes the Recognized Environmental Conditions or the delineation of any subsurface conditions described in the Lessee Audit. If the Lessee Audit reveals any Recognized Environmental Conditions or delineates any subsurface contamination not disclosed in any contamination assessment reports, or remedial action plans, then, except to the extent that the Lessee previously occupied the Premises, the County, at its option, shall: (i) allow the Lessee to terminate the Agreement, without penalty, within sixty (60) days of receipt of such notice or dispute from the County; or (ii) allow the Lessee the ability to remediate all environmental conditions identified in the Lessee Audit. If the Lessee elects not to terminate, the Lessee's failure to terminate shall constitute a waiver of the Lessee's rights to terminate its obligations under this Agreement as to any findings in such Lessee Audit.

9.06 Environmental Maintenance of Premises:

The Lessee shall, at its sole cost and expense, keep, maintain and use the Premises, and operate within the Premises at all times, in compliance with all applicable Environmental Laws, and shall maintain the Premises in good and sanitary order, condition, and repair.

9.07 Lessee's Use of Hazardous Materials:

The Lessee shall submit a complete list of all Hazardous Materials which the Lessee currently intends to use on the Premises, during the term of the Agreement, which have been approved by the County, and the use, storage and transportation of which on or about the Premises shall not be subject to County's approval or objections. The Lessee shall not use, store, generate, treat, transport, or dispose of any Hazardous Material on the Premises or Other Airport Property without first providing the County thirty (30) days written notice prior to bringing such Hazardous Material upon the premises. To the extent certain Hazardous Materials are needed to be used by the Lessee on a non-routine basis, such as for emergency repairs, the Lessee may provide such notice within twenty-four (24) hours of bringing such Hazardous Material upon the premises. Notwithstanding the foregoing, County may object to the use of any previously-approved Hazardous Material should County reasonably determine that the continued use of the

Hazardous Material by the Lessee presents a material increased risk of site contamination, damage or injury to persons, Premises, resources on or near the Premises of Other Airport Property, or noncompliance due to a change in regulation of such Hazardous Material under applicable Environmental Law. Upon County's objection, the Lessee shall immediately remove the Hazardous Material from the site. This Article 9.07 shall not apply to Hazardous Materials which are not used, generated, treated or disposed of by the Lessee but which are otherwise transported by the Lessee solely in the course of the Lessee's business, such as cargo, and for which Lessee has no knowledge as to the identity of such hazardous materials prior to such transport. County's objection or failure to object to the use, storage, generation, treatment, transportation, or disposal of Hazardous Material under this paragraph, or the exclusion of certain Hazardous Materials under this paragraph, shall not limit or affect Lessee's obligations under this Agreement, including Lessee's duty to remedy or remove releases or threatened releases; to comply with applicable Environmental Law and/or Environmental Requirements relating to the use, storage, generation, treatment, transportation, and/or disposal of any such Hazardous Materials; or to indemnify County against any harm or damage caused thereby. The Lessee shall promptly and completely answer periodic questionnaires from the County concerning the Lessee's practices regarding the generation, use, storage, and disposal of Hazardous Materials under this Agreement.

9.08 Entry by County:

(A) Notwithstanding any other right of entry granted to the County under this Agreement, and subject to the requirements set forth in Article 9.08(B), MDAD shall have the right, at its own expense and upon reasonable notice, to enter the Premises or to have consultants enter the Premises throughout the term of this Agreement for the purposes of: (1) determining whether the Premises are in conformity with applicable Environmental Law; (2) conducting an environmental review or investigation of the Premises; (3) determining whether the Lessee has complied with the applicable environmental requirements of this Agreement; (4) determining the corrective measures, if any, required of the Lessee to ensure the safe use, storage, and disposal of Hazardous Materials; or (5) removing Hazardous Materials (except to the extent used, stored, generated, treated, transported, or disposed of by the Lessee in compliance with applicable Environmental Requirements and the terms of this Agreement). Lessee agrees to provide access and reasonable assistance for such inspections. MDAD shall use its best efforts to reasonably minimize interruptions of business operations on the Premises.

(B) Such inspections may include, but are not limited to, entering the Premises or adjacent property with drill rigs or other machinery for the purpose of obtaining laboratory samples of environmental conditions or soil or groundwater conditions. The Lessee shall have the right to collect split samples of any samples collected by MDAD. MDAD shall not be limited in the number of such inspections during the term of this Agreement. MDAD will conduct such inspections during Lessee's normal business hours, however MDAD may conduct such inspections in other than normal business hours if the circumstances so require. For inspections conducted by MDAD, MDAD agrees to provide the Lessee with reasonable notice (not less than twenty-four (24) hours) prior to inspecting the Premises; provided however, that such notice period shall not apply under circumstances in which MDAD reasonably determines that there exists an immediate threat to the health, safety, or welfare of any persons. Based on the results of such inspections, should MDAD reasonably determine that Hazardous Materials have been released, discharged, stored, or used on the Premises in violation of the terms of this Agreement, the Lessee shall, in a timely manner, at its expense, remove such Hazardous Materials in a manner not inconsistent with applicable Environmental Law and otherwise comply with the reasonable recommendations of MDAD and any regulatory authorities related to the results of such inspections. The right granted to MDAD herein to inspect the Premises shall not create a duty on MDAD's part to inspect the Premises, nor liability of MDAD for the Lessee's use, storage, or disposal of Hazardous Materials, it being understood that the Lessee shall be solely responsible for all liability in connection therewith. MDAD shall

provide the results of such inspections to the Lessee in a timely manner if requested to do so in writing. Nothing herein shall be construed to limit, restrain, impair or interfere with County's regulatory authority to conduct inspections and/or the manner in which it conducts such inspections. The Lessee shall not be liable or otherwise responsible for any property damage to the Premises or injury to any person caused by County, its agents or consultants during County's inspection under this Section 9.08.

9.09 Permits and Licenses:

The Lessee warrants that it will secure at the times required by issuing authorities all applicable permits or approvals that are required by any governmental authority having lawful jurisdiction to enable the Lessee to conduct its obligations under this Agreement. Upon written request, the Lessee shall provide to County copies of all permits, licenses, certificates of occupancy, approvals, consent orders, or other authorizations issued to the Lessee under applicable Environmental Requirements, as they pertain to the Lessee's operations on or use of the Premises or Other Airport Property.

9.10 Notice of Discharge to County:

(A) In the event of: (i) the happening of any material event involving the spill, release, leak, seepage, discharge or clean-up of any Hazardous Material on the Premises or Other Airport Property in connection with the Lessee's operation thereon; or (ii) any written Environmental Claim affecting the Lessee from any person or entity resulting from the Lessee's use of the Premises or Other Airport Property, then the Lessee shall immediately notify the County orally within twenty-four (24) hours and in writing within three (3) business days of said notice. If the County is reasonably satisfied that the Lessee is not promptly commencing the response to either of such events, the County shall have the right but not the obligation to enter onto the Premises or to take such other actions as it shall deem reasonably necessary or advisable to clean up, remove, resolve or minimize the impact of or otherwise deal with any such Hazardous Material or Environmental Claim following receipt of any notice from any person or any entity having jurisdiction asserting the existence of any Hazardous Material or an Environmental Claim pertaining to the Premises, which if true, could result in an order, suit or other action against the County. If the Lessee is unable to resolve such action in a manner which results in no liability on the part of the County, all reasonable costs and expenses incurred by the County shall be deemed additional rent due the County under this Agreement and shall be payable by the Lessee upon demand.

(B) With regard to any reporting obligation arising out of the Lessee's operations or during the Agreement, Lessee shall timely notify the State of Florida Department of Environmental Protection, Miami-Dade County Department of Regulatory and Economic Resources, and the United States Environmental Protection Agency, as appropriate, with regard to any and all applicable reporting obligations while simultaneously providing written notice to County.

(C) Within sixty (60) days of execution of this Agreement, the Lessee shall submit to County an emergency action plan/contingency plan setting forth in detail Lessee's procedures for responding to spills, releases, or discharges of Hazardous Materials. The emergency action plan/contingency plan shall identify the Lessee's emergency response coordinator and the Lessee's emergency response contractor.

9.11 Reports to County:

For any year in which any Hazardous Materials have been used, generated, treated, stored, transported or otherwise

been present on or in the Premises, (or on or in other Airport property for purposes related to the Lessee's operations on the Premises), the Lessee shall provide County with a written report listing: the Hazardous Materials which were present on the Premises or other Airport property; all releases of Hazardous Material that occurred or were discovered on the Premises or other Airport property and which were required to be reported to regulatory authorities under applicable Environmental Laws; all enforcement actions related to such Hazardous Materials, including all, consent agreements or other non-privileged documents relating to such enforcement actions during that time period. In addition, the Lessee shall provide the County with copies of any reports filed in accordance with the Emergency Planning and Community Right to Know Act (EPCRA) and shall make available for review upon request by the County copies of all manifests for hazardous wastes generated from operations on the Premises. The Lessee shall provide the report required under this section to the County by April 1 of each year for the preceding calendar year.

9.12 Periodic Environmental Audits:

Lessee shall establish and maintain, at its sole expense, a system to assure and monitor its continued compliance on the Premises with all applicable Environmental Laws, which system shall include, no less than once each year a detailed review of such compliance (the "Environmental Audit Exhibit E") by such consultant or consultants as County may approve, which approval shall not be unreasonably withheld, delayed or conditioned. Alternatively, if the Aviation Department approves, which approval shall not be unreasonably withheld, delayed, or conditioned, such Environmental Audit may be conducted by Lessee's personnel but in either case Lessee shall provide County with a copy or summary of its report of its annual Environmental Audit, which shall be consistent with ASTM's "Practice for Environmental Regulatory Compliance Audits" which shall include in its scope the items listed in Exhibit E hereto or other recognized format approved by County. If the Environmental Audit indicates any unresolved violation of any applicable Environmental Law and/or Environmental Requirements, Lessee shall, at the request of County, provide a detailed review of the status of any such violation within thirty (30) days of the County's request.

9.13 Remediation of Hazardous Material Releases:

(A) If the Lessee or Lessee's agents, employees, contractors, invitees or trespassers cause any Hazardous Materials to be released, discharged, or otherwise located on or about the Premises or Other Airport Property during the term of this Agreement ("Hazardous Material Release"), the Lessee shall promptly take all actions, at its sole expense and without abatement of rent, as are reasonable and necessary to return the affected portion of the Premises or Other Airport Property and any other affected soil or groundwater to their condition existing prior to the Hazardous Material Release in a manner not inconsistent with applicable Environmental Law. County shall have the right to approve all such remedial work, including, without limitation: (i) the selection of any contractor or consultant Lessee proposes to retain to investigate the nature or extent of such Hazardous Material Release or to perform any such remedial work; (ii) any reports or disclosure statements to be submitted to any governmental authorities prior to the submission of such materials; and (iii) any proposed remediation plan or any material revision thereto prior to submission to any governmental authorities. The County's approvals shall not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, County's prior consent shall be not be necessary if a Hazardous Material Release poses an immediate threat to the health, safety, or welfare of any persons and, despite Lessee's best efforts, it is not practicable to obtain County's consent before taking remedial action to abate such immediate threat, provided that: (a) Lessee shall notify County as soon as possible and shall thereafter obtain County's consent as otherwise provided in this paragraph; and (b) Lessee shall take only such action as may be necessary or appropriate to abate such immediate threat and shall otherwise comply with the provisions of this paragraph. In addition to any rights reserved by County in this Agreement, County shall have the right, but not the obligation, to participate with Lessee, Lessee's consultants and Lessee's contractors in any meetings with representatives of the governmental authorities

and Lessee shall provide County reasonable notice of any such meetings. All remedial work shall be performed in compliance with all applicable Environmental Laws. The County's consent to any remedial activities undertaken by Lessee shall not be withheld so long as County reasonably determines that such activities will not cause any material adverse long-term or short-term effect on the Premises, or other adjoining property owned by County.

(B) To assist the Aviation Department in responding to Hazardous Materials spills in or Airport property reasonably close to the Premises used by Lessee, Lessee shall make Lessee's remediation equipment and personnel available for such emergency remediation activity. However, Lessee may provide such assistance only at the direct request of the Aviation Department and only if Lessee's remediation equipment is intended to be utilized for the Hazardous Material spill at issue and only if Lessee's personnel have been trained to respond to the Hazardous Material spill at issue. If Lessee is directed to perform any remedial work under this Article 9.14(B) for which it is later determined that Lessee is not responsible, the Aviation Department shall reimburse Lessee for all costs associated with or arising out of Lessee's performance of such remedial work. Lessee shall cooperate with the Aviation Department in any subsequent effort by the Aviation Department to recover from the responsible parties all costs involved with the remediation effort that utilized Lessee's equipment and personnel. Lessee shall perform all such work in its own name in accordance with applicable laws. Lessee acknowledges that the County's regulatory power in this regard is independent of the County's contractual undertakings herein, and nothing herein shall affect the County's right in its regulatory capacity to impose its environmental rules, regulations, and authorities upon the Lessee in accordance with the law.

(C) In the event Lessee fails to perform its obligations in Article 9.13(A) above, and without waiving its rights hereunder, County may, at its option, perform such remedial work as described in Article 9.13(A) above, and thereafter seek reimbursement for the costs thereof. In accordance with this Article 9, Lessee shall permit County or its designated representative access to the Premises areas to perform such remedial activities.

(D) Whenever County has incurred costs described in this section as a result of the failure of Lessee to perform its obligations hereunder, Lessee shall, within thirty (30) days of receipt of notice thereof, reimburse County for all such expenses together with interest at the rate of 1 ½ % per month on the outstanding balance commencing on the thirty-first day following Lessee's receipt of such notice until the date of payment.

(E) To the extent of Lessee's responsibility under this Article and without limiting its obligations under any other paragraph of this Agreement, the Lessee shall be solely and completely responsible for responding to and complying with any administrative notice, order, request or demand, or any third party claim or demand relating to potential or actual Hazardous Materials contamination on the Premise. The Lessee's responsibility under this paragraph includes but is not limited to responding to such orders on behalf of County and defending against any assertion of County's financial responsibility or individual duty to perform under such orders. The Lessee shall assume, pursuant to the indemnity provision set forth in this Article 9, any liabilities or responsibilities which are assessed against County in any action described under this paragraph.

(F) In addition to the County's right to perform such remedial work and thereafter seek reimbursement from Lessee, County shall have the right to immediately terminate this Agreement should Lessee fail to promptly take all actions, at its sole expense and without abatement of rent, as are reasonable and necessary to return the affected portion of the Premises or Other Airport Property and any other affected soil or groundwater to their condition existing prior to the Hazardous Material Release in a manner not inconsistent with applicable Environmental Law.

9.14 Indemnity:

The Lessee shall indemnify, defend (with counsel reasonably satisfactory to County), and hold County, its directors, officers, employees, agents, assigns, and any successors to the County's interest in the Premises, harmless from and against any and all loss, cost, damage, expense (including reasonable attorneys' fees), claim, cause of action, judgment, penalty, fine, or liability, directly or indirectly, relating to or arising from the use, storage, release, discharge, handling, or presence of Hazardous Materials on, under, or about the Premises or Other Airport Property and caused by Lessee, Lessee's agents, employees, contractors, invitees or trespassers. This indemnification shall include without limitation: (a) personal injury claims; (b) the payment of liens; (c) diminution in the value of the Premises or Other Airport Property; (d) damages for the loss or restriction on use of the Premises or Other Airport Property; (e) sums paid in settlement of claims; (f) reasonable attorneys' fees, consulting fees, and expert fees, (g) the cost of any investigation of site conditions, and (h) the cost of any repair, cleanup, remedial, removal, or restoration work or detoxification if required by any governmental authorities or deemed necessary in County's reasonable judgment, but shall not extend to such claims, payment, diminution, damages, sums, fees or costs to the extent caused (i) solely by an act of God or (ii) by the negligent or willful misconduct of the County, its officers, employees, contractors or agents. For any legal proceedings or actions initiated in connection with the Hazardous Materials Release, County shall have the right at its expense but not the obligation to join and participate in such proceedings or actions in which the County is a named party, and control that portion of the proceedings in which it is a named party. County may also negotiate, defend, approve, and appeal any action in which County is named as a party taken or issued by any applicable governmental authorities with regard to a Hazardous Materials Release; provided, however, claims for which Lessee may be liable pursuant to this Article 9.14 shall not be settled without Lessee's consent. Any costs or expenses incurred by County for which Lessee is responsible under this paragraph or for which the Lessee has indemnified the County: (i) shall be paid to County on demand, during the term of this Agreement as additional rent; and (ii) from and after the expiration or earlier termination of the Agreement shall be reimbursed by Lessee on demand. Lessee's obligations pursuant to the foregoing indemnity shall survive the expiration or termination of this Agreement and shall bind the Lessee's successors and assignees and inure to the benefit of the County's successors and assignees.

(A) This indemnity specifically includes the direct obligation of Lessee to perform at its sole cost and expense, any remedial or other activities required or ordered by court or agency having competent jurisdiction over the subject matter, or otherwise necessary to avoid or minimize injury or liability to any person, or to prevent the spread of Hazardous Materials.

(B) Lessee agrees, in order to minimize its obligations in this regard, to use best efforts to assist MDAD in responding to Hazardous Materials releases as more fully described in section 9.13.

9.15 Dispute Resolution:

County and Lessee agree that any dispute between them relating to this Article 9 will first be submitted, by written notice, to a designated representative of both County and Lessee who will meet at County's place of business or other mutually agreeable location, or by teleconference, and confer in an effort to resolve such dispute. Any decision of the representatives will be final and binding on the parties. In the event the representatives are unable to resolve any dispute within ten (10) days after submission to them, either party may refer the dispute to mediation, or institute any other available legal or equitable proceeding in order to resolve the dispute.

9.16 Waiver and Release:

The Lessee, on behalf of itself and its heirs, successors and assigns, hereby waives, releases, acquits and forever

discharges the County, its principals, officers, directors, employees, agents, representatives and any other person acting on behalf of the County, and the successors and assigns of any of the preceding, of and from any and all claims, actions, causes of action, demands, rights, damages, costs, expenses or compensation whatsoever, direct or indirect, known or unknown, foreseen or unforeseen, which the Lessee or any its heirs, successors, or assigns now has or which may arise in the future on account of or in any way related to or in connection with any past, present or future physical characteristic or condition of the Premises, including, without limitation, any Hazardous Material, in at, on, under or related to the Premises, or any violation or potential violation of any Environmental Law applicable thereto; provided, however, this Article 9.16 shall not constitute a waiver or release of any obligation of the County under this Article 9. Lessee acknowledges that County would not enter into this Agreement without Lessee's agreement to the waiver and release provided herein.

9.17 No Waiver of Rights, Causes of Actions or Defenses:

Notwithstanding any language in this Agreement, including without limitation Article 9, the Lessee does not agree to waive or release any rights, causes of action or defenses it may have against Miami-Dade County or any other party related to allegations made by the County in (i) Case No. 01-8758 CA 25 which has been filed by the County in the Florida Circuit Court of the Eleventh Judicial Circuit, and (ii) a letter dated April 9, 2001, to Lessee and others (who are referred to as "responsible parties" or "RPs"). Nothing herein shall be construed to limit or expand upon any releases previously granted to or exchanged between the parties as a result of judgments or settlements obtained in proceedings between the parties, including, without limitation, settlements in bankruptcy or settlements entered under Case No. 01-8758 CA 25 which has been filed by the County in the Florida Circuit Court of the Eleventh Judicial Circuit.

9.18 Surrender of Premises:

The Lessee shall surrender the Premises used by the Lessee to the County upon the expiration or earlier termination of this Agreement free of debris, waste, and Hazardous Materials used, stored, or disposed of by Lessee or its agents, employees, contractors, invitees or Trespassers, or otherwise discharged on the Premises or Other Airport Property for which Lessee is responsible during the term of this Agreement. The Premises shall be surrendered in a condition that complies with all applicable Environmental Requirements, and such other reasonable environmental requirements as may be imposed by County.

9.19 Breach:

Any breach by the Lessee of any provision of this Article 9, after notice and a reasonable opportunity for the Lessee to cure, shall constitute a default of the Agreement and shall entitle the County to exercise any and all remedies provided in the Agreement, or as otherwise permitted by law.

9.20 Survivability of Terms:

The terms and conditions of this Article 9, including the indemnity, waiver, and release, shall survive the termination of this Agreement.

9.21 Right to Regulate:

As provided for in Article 20 (Other Provisions) of this Agreement, nothing within this Article 9 (Environmental

Compliance) shall be construed to waive or limit, restrain, impair or interfere with the County's regulatory authority.

ARTICLE 10

Indemnification and Hold Harmless

The Lessee shall indemnify and hold harmless the Lessor and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorneys' fees and costs of defense, which the Lessor or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of and under this Agreement by the Lessee or its employees, agents, servants, partners, principals, subcontractors, or trespassers. Lessee shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the Lessor, where applicable, including appellate proceedings, and shall pay costs, judgments and attorney's fees which may issue thereon. Lessee expressly understands and agrees that any insurance protection required by this Agreement or otherwise provided by Lessee shall in no way limit the responsibility to indemnify, keep and save harmless and defend the Lessor or its officers, employees, agents and instrumentalities as herein provided. The Lessor shall give to the Lessee reasonable notice of any such claims or actions. The provisions of this section shall survive the expiration or early termination of this Agreement.

ARTICLE 11

Assignment and Subletting and Conditions of Financing

11.01 Assignment and Transfer:

Except as provided in Article 11.03 (Subletting), the Lessee shall not, in any manner, assign, transfer, mortgage, pledge, hypothecate, encumber or otherwise convey an interest in this Agreement, or authorize others to exercise the rights granted to the Lessee herein, without the written approval of the Aviation Department. The Lessee may make a collateral assignment to a Lender or sell the stock of the business without prior approval of the Lessor. Lessee may also sell substantially all of its assets without prior approval of the Lessor, provided that (a) substantially all of the assets are sold, (b) the purchaser is a single entity that will continue substantially all of the operations permitted or required of Lessee hereunder, and (c) the purchaser meets the Lessor's requirements set forth in Article 11.04 (D) (5) (Transfer To A "Transferee" or "Successor Lessee") herein. In the event the Lender seeks provisions in the assignment affecting the interests or requiring certain actions by the Lessor, such provisions must be approved by the Lessor; however, such provisions shall not be unreasonably withheld or delayed by MDAD for so long as the Use of Premises as provided for in Article 2 (Use of Premises) remain the same and are assigned or transferred to an entity deemed by MDAD to be reputable and credit worthy meeting the Lessor requirements stated under Article 11.04 (D) (5) (Transfer To A "Transferee" or "Successor Lessee").

11.02 Assignment or Transfer Fee:

Transfer or Assignment Fee shall be two percent (2%) of gross consideration received by Lessee for any assignment that occurs during the first six (6) years of the Lease Term for all or any portion of the Premises; provided however, such Transfer or Assignment Fee shall not be assessed on transfers, subleases, or assignments to Affiliates of Lessee, or to Lessee's financing parties. For the purposes of this Lease, the term "Affiliate" means a business entity in which Lessee maintains a majority ownership (51%) or exercises 100% control. Upon the 6th anniversary of the Lease Execution Date, the Transfer or Assignment Fee shall no longer be in effect and Lessee shall pay Improvement Rent in accordance with Article 3 (Rentals and Payments).

11.03 Subletting:

The Lessee shall submit any subleases to the Lessor for approval, which shall not be unreasonably withheld. Any objection by the Lessor must be forwarded to the Lessee within 90 days of receipt of the sublease by the Department's Assistant Director for Business Management. Agreements between the Lessee and the owners or operators of aircraft who have tie down or hangar agreements that include office or shop space within the Lessee's facility where the tie down or hangar operation is located shall not be considered subleases for the purposes of this Article 11.03 (Subletting). Subleases shall be subject to the provisions of any applicable BCC Resolutions and Ordinances, as may be amended from time to time, which may describe conditions applicable to subleases or limit the rental to be charged to the sublease by the Lessee. The County shall have the right to audit the Lessee's compliance with such subleasing policy.

Further, any such subleases shall be subject to the same conditions, obligations and terms as set forth herein, including as a minimum, but not limited to, requirements for compliance with Airport Rules and Regulations and applicable laws in payment of concession fees and indemnification of the County. Notwithstanding anything herein contained to the contrary, in the event of an approved sublease, the Lessee shall remain fully liable to the County for fulfilling all obligations, conditions and terms of this Agreement, throughout its entire term.

11.04 Conditions of Financing for Approved Improvement Costs:

(A) Financing of Improvements:

Lessee may secure private financing to provide funds required for the construction of the Improvements. No mortgage or other encumbrance the Lessee executes in connection with that financing (a "Leasehold Mortgage") will extend to or be a lien or encumbrance upon Lessor's interest in any part of the Premises or in any right appurtenant to that interest. Moreover, any third-party mortgage shall be subordinate to the interest of the Lessor (Conditions of Financing for Approved Improvement Costs), and all proceeds received from the mortgage loan shall be reinvested into the property.

(B) Lessor Approval of Financing Documents:

The Lessor reserves the right to approve the documents memorialising any financing that the Lessee secures on the authority of Article 11.04 (Conditions of Financing for Approved Improvement Costs), which approval shall not be unreasonably withheld. The Lessee must submit for the Lessor's review and approval drafts of the financing documents in advance of the Lessee's execution of those documents or documentation verifying the Lessee's ability to self-finance the Improvements.

(C) Recording of Leasehold Mortgage:

Following the Lessee's execution of a Leasehold Mortgage, if applicable, Lessee shall furnish the Lessor (i) a duplicate original of the Leasehold Mortgage or a photocopy of the Leasehold Mortgage that the Clerk of the Circuit Court for Miami-Dade County, Florida has certified as being a true copy of the Leasehold Mortgage recorded among its real property records, and (ii) a written notice setting forth the name and address of the mortgagees or secured party (the "Leasehold Mortgagee") in whose favour Lessee executed the Leasehold Mortgage.

(D) Conditions Of Leasehold Mortgage:

Following the delivery of the documents in 11.04 (C) (Recording of Leasehold Mortgage) and continuing until the Leasehold Mortgagee releases the Leasehold Mortgage of record, the following provisions will apply:

1. **LESSOR TO GIVE NOTICE OF DEFAULT:** At the time that the Lessor gives the Lessee written notice of the occurrence of any default in respect of the performance of the Lessee's obligations under this Agreement, the Lessor shall simultaneously give the Leasehold Mortgagee a copy of that notice in a manner established for the delivery of notices in Article 20.07 (Notices) at the address for the Leasehold Mortgagee provided to the Lessor. No notice of default to the Lessee will be effective until the Lessor delivers the notice required by this Article 11.04(D) (1).

2. **LEASEHOLD MORTGAGEE'S RIGHT TO CURE DEFAULT.** The Leasehold Mortgagee may rectify a default on Lessee's part but has no obligation to do so. The Lessor will accept the Leasehold Mortgagee's performance of any of Lessee's obligations to the same extent as though the Lessee has performed. The Lessor may exercise a remedy available to it by reason of a default on Lessee's part only if Lessee and the Leasehold Mortgagee fail to rectify the default within (a) any time period specifically set forth in Article 13 (Termination) of the Lease for a cure of a particular default, or (b) if no such time period is set forth, then within 30 days after the date of the delivery of the notice required by virtue of Article 11.04(D)(1) above, or if a cure is not reasonably possible within such 30 day period, then within a period of time reasonably required to cure the default through the exercise of prompt, diligent and continuous effort.

3. **TERMINATION DELAYED DURING EXERCISE OF LEASEHOLD MORTGAGEE'S REMEDIES:** Even though a default has occurred and neither the Lessee nor the Mortgagee has provided for a cure within the times permitted by Article 11.04(D)(2) above, the Lessor will not terminate the Lease for a reasonable period of time, not to exceed one (1) year, from the date of termination provided in the Lessor's notice of default, if the Mortgagee is then making: (a) prompt, diligent and continuous efforts to gain possession of the Premises and to succeed to Lessee's interest in the Premises by means of a foreclosure or the exercise of any other remedy available to the Leasehold Mortgagee by virtue of Lessee's default in respect of any of its obligations under the terms of the Leasehold Mortgage, together with (b) the payment to the Lessor of all rent and charges due hereunder with respect to which Lessee becomes delinquent and (c) good faith efforts to rectify other defaults contemporaneously with the efforts to gain possession of the Premises.

4. **LEASEHOLD MORTGAGEE'S OPTION FOR ISSUANCE OF NEW LEASE.** Prior to the expiration of the one (1) year period provided above in Article 11.04(D)(3) above, the Leasehold Mortgagee must request the Lessor to execute and deliver a new lease for the Premises in favour of a successor Lessee meeting the criteria of Article 11.04(D)(5) (a Transfer to a "Transferee" or "Successor Lessee"). That new lease will have a term that coincides with what would have been the remainder of the Term had termination of this Agreement not occurred and will otherwise be on the same terms and conditions as those set forth in this Agreement. The new lease will also have the same priority as this Agreement with respect to any lien or other encumbrance affecting the Premises, including any fee mortgage. In order for the Lessor to be obligated to execute and deliver the new lease, the Leasehold Mortgagee must request the execution and delivery of the new lease by the delivery of written notice to the Lessor within one year after the termination of this Agreement occurs, and acknowledge and return the new lease to the County for execution on the Lessor's part within 20 days after the date on which the Lessor tenders the new lease to it for signature.

Simultaneously with the delivery of the new lease, the Successor Lessee must also execute and deliver to the Lessor a written plan to rectify within a reasonable period of time any default that exists at that time in respect of any of Lessee's obligations under the terms of this Agreement, including, without limitation, any default that may exist in respect of Lessee's obligations arising under the terms of Article 9 (Environmental Compliance); that plan must set forth in reasonable detail the manner in which the Successor Lessee plans to rectify each default.

5. TRANSFER TO A "TRANSFeree" OR "SUCCESSOR LESSEE": A transfer of Lessee's interest in the Premises to the Leasehold Mortgagee, or a corporate nominee affiliated with the Leasehold Mortgagee (herein a "nominee"), or a purchaser at a foreclosure sale that occurs by virtue of the Leasehold Mortgagee's acceptance of a deed in lieu of foreclosure or the exercise of any remedy available to it under the terms of the Leasehold Mortgage (herein a "Transferee") will not constitute an assignment requiring the Lessor's consent under the terms of Article 11.01 (Assignment and Transfer) above. The provisions of Article 2 (Use of Premises) will govern any use of the Premises that occurs prior to and after a transfer to the Transferee. The Transferee may make a subsequent transfer of Lessee's interest in the Premises only with the Lessor's prior written consent as provided in Article 11.01 (Assignment and Transfer). The Lessor will, however, consent to the subsequent transfer to a Successor Lessee or Lessees if the proposed successor or successors to the Lessee's interest would have been acceptable to the Lessor for the Premises in the reasonable exercise of the Lessor's judgment considering the successors experience, financial strength, history of meeting contractual obligations and intent to implement a business plan consistent with the Lessor's plan for operating the Airport. The parties agree that the Transferee will be subject to the termination provisions of Article 13 (Termination). After succeeding to Lessee's interest in the Premises, a Transferee that is not a Successor Lessee must use reasonable best efforts to find a Successor Lessee satisfying the criteria set forth above in this Article 11.04(D)(5), but in any event no later than one (1) year following the date of termination provided in Lessor's default notice. If no Successor Lessee or Lessees are found in such one (1) year period to occupy at least 50% of the Premises and Improvements, then all of the Lessee's, Leasehold Mortgagee's and Transferee's interests in the Premises, the Improvements, and this Lease shall terminate in their entirety, without any right of recovery or compensation from the Lessor.

6. NO OBLIGATIONS OF TRANSFeree; LESSOR'S RIGHT TO TERMINATE IF OBLIGATIONS NOT SATISFIED: If a Transferee succeeds to Lessee's interest in the Premises by virtue of the Leasehold Mortgagee's acceptance of a deed in lieu of foreclosure or the exercise of any remedy available to the Leasehold Mortgagee under the terms of the Leasehold Mortgage, the Transferee and its successors and assigns will only have personal liability for the performance of those obligations incumbent upon Lessee under the terms of this Agreement that arise or accrue during the period between the time at which the Transferee succeeds to Lessee's interest in the Premises and the time at which it divests itself of that interest. The foregoing limitation will not preclude the Lessor from terminating this Agreement if the Transferee fails to rectify without cost to Lessor any default existing in respect of Lessee's obligations at the time the Transferee succeeds to Lessee's interest in the Premises, including, without limitation, any obligation arising under the terms of Article 9 (Environmental Compliance).

7. NO AMENDMENT OF LEASE WITHOUT LEASEHOLD MORTGAGEE'S CONSENT: Without the Leasehold Mortgagee's prior written consent, Lessee may not amend this Agreement, exercise any right available to it under the terms of this Agreement or at law to cancel this Agreement, or to voluntarily surrender possession of the Premises to the Lessor. Without the Leasehold Mortgagee's prior written consent, the Lessor may not amend this Agreement provided, however, the foregoing restrictions will not

apply to amendments for which express provision is made elsewhere in this Agreement, including, without limitation, those for which provision is made in Articles 1 (Terms and Premises), 3 (Rentals and Payments), 4 (Development and Improvements to Premises), 19 (Trust Agreement), and 20.13 (Severability). Without the Leasehold Mortgagee's prior written consent, the Lessor may not cancel this Agreement and accept a surrender of possession of the Premises except in the instances where the cancellation and acceptance of a surrender of possession of the Premises occurs in accordance with Article 13.06 (Actions at Termination) or in connection with the Lessor's exercise of its remedies following an occurrence of a default in the performance of any of Lessee's obligations. The Leasehold Mortgagee will not be bound by any amendment, cancellation or surrender that occurs in contravention of the foregoing provisions of this article.

8. RIGHTS OF LEASEHOLD MORTGAGEE IN INSURED LOSSES: The Leasehold Mortgagee will have the right to participate in the adjustment of any insured losses that becomes necessary by reason of damage or destruction occurring to the Improvements, as may be applicable, and the right to supervise and control the receipt and disbursement of insurance proceeds to the extent provided in agreements among Lessee, Lessor, Leasehold Mortgagees and any party holding an interest with respect to the Premises; provided, however, that any distribution of insurance proceeds must comply with the requirements of Article 12 (Insurance) of this Agreement.

9. RIGHTS OF LEASEHOLD MORTGAGEE IN CONDEMNATION: If taking of any part of the Premises occurs, the Leasehold Mortgagee will have the right to participate in any condemnation proceedings or settlement discussions pertaining to the Lessee's interests hereunder and the right to supervise and control the receipt and disbursement of all condemnation awards arising from such interests to the extent provided in agreements among Lessee, Leasehold Mortgagee and any other party holding an interest with respect to the Premises. The Leasehold Mortgagee is entitled to receive and apply to the reduction of the indebtedness, the payment of which is secured by the lien of the Leasehold Mortgagee, any portion of a condemnation award arising from a taking of Lessee's interests not applied to the restoration of that portion of the Premises that remains following the taking to a complete architectural unit. After payment to the Lessor by the condemning authority of whatever compensation and damages are determined to be owing to the Lessor for Lessor's property interests in the Premises, and after the indebtedness the payment of which is secured by the lien of the Leasehold Mortgagee is discharged in full by an application of a condemnation award in accordance with the terms of the preceding sentence and after payment to the Lessee by the condemning authority of whatever compensation and damages are determined to be owing Lessee for Lessee's property interests in the Premises, the Lessor is entitled to receive any remaining portion of the condemnation award. If a partial taking of the Premises occurs, this Agreement will continue in effect with respect to that portion of the Premises not taken and, effective as of the earlier of the dates on which the condemning authority takes title to or possession of the part taken, the rent payable under the terms of this Agreement will be reduced in proportion to the reduction in the area of the Premises. If, however, the remaining portion of the Premises not taken cannot be adequately restored, repaired or reconstructed so as to constitute a complete architectural unit of substantially the same usefulness, design, construction and commercial feasibility as immediately before the taking, then Lessee may terminate this Agreement by delivering written notice to the Lessor by the date that is one hundred twenty (120) days after the day of the taking. Lessee's notice must specify the date the termination will become effective, which date will not be earlier than the date of such taking. If a termination occurs in accordance with the foregoing, Lessee shall pay and shall satisfy all rents and charges due and accrued hereunder up to such date of such termination and shall perform all of the obligations of Lessee hereunder to such date, and thereupon this Agreement and the Term shall cease and terminate. If a taking for a temporary period occurs, this Agreement will continue

in full force and effect and the entire award payable in respect of that taking will be payable to Lessee, except for any portion sought by and attributable solely to Lessor's interest in the Premises, subject to provisions of any agreements among Lessee, the Leasehold Mortgagee and any Lessee holding an interest with respect to the Premises.

10. LESSOR WAIVER OF RIGHT TO CERTAIN RENTALS: During the entire term hereof, Lessor will have no right, and expressly waives any right arising under applicable law, in and to the rentals that will become due to Lessee under the terms of any approved sublease of any part of the improvements. Lessee may assign those rentals to the Leasehold Mortgagee without any consent or approval of the County. Nothing in this article shall (a) alter County's ownership of the improvements in accordance with this Agreement, (b) alter Lessee's obligations to commence paying Lessor fair market rentals or other rentals on the Improvements as provided in Article 3 (Rentals and Payments) or (c) provide Lessee with any ownership claim to the Improvements or the rentals therefrom after the conclusion of the term of this lease.

11. NON-MERGER OF FEE AND LEASEHOLD INTEREST: Under no circumstances will the fee estate of the Lessor and the leasehold estate created by this Agreement, or any sublease created hereunder merge, even though owned by the same party, without the Leasehold Mortgagee's written consent.

(E) Estoppel Certificate:

Upon written request from time to time by the Lessee, a Leasehold Mortgagee, a prospective Leasehold Mortgagee, or a prospective assignee of Lessee's interest in the Premises, the Lessor shall execute and deliver to the requesting party an estoppel certificate in the form reasonably requested by the requesting party. In each such certificate, the Lessor shall certify, to the extent that it then has knowledge: (i) the amount of the monthly rent that Lessee is then obligated to pay under the terms of this Agreement and the date through which Lessee has paid that rent, (ii) that this Agreement is in full force and effect, (iii) the specific nature of any default that the Lessor knows to exist in respect of either party's performance of its respective obligations under the terms of this Agreement, and (iv) the specific nature of any defense or offset that the Lessor may assert in connection with any effort on Lessee's part to enforce any of the obligations the Lessor undertakes under the terms of this Agreement.

(F) Leasehold Mortgagee's Right To New Lease:

The provision of this Article 11 (Assignment and Subletting and Conditions of Financing) will survive the termination, rejection or disaffirmance of this Agreement and will continue in full force and effect thereafter to the same extent as if this Article 11 (Assignment and Subletting and Conditions of Financing) were a separate and independent contract made by the Lessor, Lessee, and the Leasehold Mortgagee. The Lessor's agreement set forth in this Article 11 (Assignment and Subletting and Conditions of Financing) to enter into a new lease with the Leasehold Mortgagee constitutes a separate agreement with the Lessor and the Leasehold Mortgagee. The Lessor agrees that the Leasehold Mortgagee shall be a third-party beneficiary to the terms of this Agreement, and that such third-party beneficiary status shall be unaffected by the rejection or disaffirmance of this Agreement in any bankruptcy proceeding by any party.

ARTICLE 12

12.01 Insurance Required:

In addition to such insurance as may be required by law, the Lessee shall maintain, without lapse or material change, for so long as it occupies the Premises, the following insurance:

The Lessee at its sole cost and expense throughout the term of this Agreement shall maintain business interruption insurance at a minimum, in an amount sufficient to continue making land rental, and payments of taxes and insurance, during the rebuilding period as a result of damage to the improvements.

Such companies must be rated no less than "A-" as to financial strength, and no less than "VII" as to financial size in accordance with the latest edition of "Best's Key Rating Guide", published by A.M. 12.02 Insurance Certificates Required:

The County reserves the right to require the Lessee to obtain and maintain such reasonably amended insurance coverage as it deems necessary or desirable, upon issuance of notice in writing to the Lessee, which notice shall automatically amend this Agreement effective 30 days after such notice.

12.03 Compliance:

Compliance with the requirements of this Article 12 (Insurance) shall not relieve the Lessee of its liability under any other portion of this Agreement or any other agreement between the County and the Lessee.

12.04 Right to Examine:

The Lessor reserves the right, upon reasonable notice, to examine the original or true copies of policies of insurance (including but not limited to binders, amendments, exclusions, riders and applications) to determine the true extent of coverage. The Lessee agrees to permit such inspection at the offices of the Lessor.

12.05 Personal Property:

Any personal property of the Lessee or of others placed in the Premises and Airport shall be at the sole risk of the Lessee or the owners thereof, and the County shall not be liable for any loss or damage, except to the extent such loss or damage was caused by the sole active negligence of the County, as limited by Section 768.28, Florida Statutes.

ARTICLE 13 Termination

13.01 Payment Defaults:

Failure of the Lessee to make all payments of rentals, fees, charges, or expenses required to be paid herein when due, including remediation expenses incurred by the County under section 9.13, shall constitute a default, and the

Lessor may, at its option, terminate this Agreement after five (5) business days' notice in writing to the Lessee, unless the default is cured within the notice period.

13.02 Insurance Defaults:

The Lessor shall have the right, upon 15 calendar days written notice to the Lessee, to terminate this Agreement if the Lessee fails to provide evidence of insurance coverage in strict compliance with Article 12 (Insurance) hereof prior to commencement of operations, or fails to provide a renewal of said evidence upon its expiration; provided, however, that such termination shall not be effective if the Lessee provides the required evidence of insurance coverage within the notice or grace period.

13.03 Other Defaults:

The Lessor shall have the right, upon thirty (30) calendar days written notice to the Lessee, to terminate this Agreement upon the occurrence of any one or more of the following, unless the same shall have been corrected within such period, or, if correction cannot reasonably be completed within such 30-day period, the Lessee has commenced corrective steps within such 30-day period and diligently pursues same to completion:

(A) Failure of the Lessee to comply with any covenants of this Agreement, other than the covenants to pay rentals, fees, charges, or other expenses when due, and the covenants to provide required evidence of insurance coverage. This shall also include development schedule as indicated in Article 4 "Development and Improvements to Premises".

(B) The conduct of any business, the performance of any service, or the merchandising of any product or service not specifically authorized herein by the Lessee.

13.04 Habitual Default:

Notwithstanding the foregoing, in the event that the Lessee has frequently, regularly or repetitively defaulted in the performance of or breach any of the terms, covenants and conditions required herein, to be kept and performed by the Lessee, on three (3) occasions regardless of whether the Lessee has cured each individual condition of breach or default as provided above, the Lessee shall be determined by MDAD to be an "habitual violator". At the time that such determination is made, the Lessor shall issue to the Lessee a written notice, advising of such determination and citing the circumstances thereof. Such notice shall also advise the Lessee that there shall be no further notice or grace periods to correct any subsequent breach(s) or default(s) and that any subsequent breach or default, of whatever nature, taken with all previous breaches and defaults, shall be considered cumulative and collectively shall constitute a condition of non-curable default and grounds for immediate termination of this Agreement. In the event of any such subsequent breach or default, the County may terminate this Agreement upon the giving of written notice of termination to the Lessee, such termination to be effective upon the seventh (7th) day following the date of receipt thereof and all payments due hereunder shall be payable to said date, and the Lessee shall have no further rights hereunder. Immediately upon receipt of said termination, the Lessee shall discontinue its operations at the Airport and proceed to remove all its personal property in accordance with Sub-Article 13.06 (Actions at Termination) hereof.

13.05 Termination by Abandonment:

Abandonment, as used herein, is defined as voluntary vacating the premises with the intention of not returning. This Agreement shall be automatically terminated upon the abandonment by the Lessee of Premises or voluntary discontinuance of operations at the Airport for any period of time exceeding fifteen (15) consecutive calendar days without having provided notice of such discontinuation to the County and receiving approval from the County, which approval will not be unreasonably withheld, unless such abandonment or discontinuance has been caused by casualty or governmental order that prevent the lessee's use of the Premises for the purposes authorized in Article 2.02 (Use of Premises) hereof. Such termination shall not relieve the Lessee of its rental payment obligation for the remaining term of the agreement, nor does it constitute a waiver by the Lessor of its rights to recover damages for rental payments for the remaining term of the agreement and loss of future rentals.

13.06 Actions at Termination:

(A) The Lessee shall vacate, quit, surrender up and deliver the Premises to the Lessor on or before the termination date of this Agreement, whether by lapse of time or otherwise. If title of the Improvements on the Premises are in the name of the Lessee at the time of Termination, and if directed by the Lessor, the Lessee shall demolish all Improvements on the Premises and remove all debris at its costs. Lessee shall conduct any required demolition in accordance with the code and regulatory requirements in effect at the time. If not directed to demolish the Improvements, the Lessee shall surrender the Premises in the condition required under Article 5 (Maintenance and Repairs by Lessee) herein with all repairs for which the Lessee is responsible shall be completed prior to surrender and shall execute appropriate documents confirming that title to such Improvements in Lessee's name has been transferred to Lessor. In no event shall Lessor be required to pay any compensation or reimbursement to Lessee for such transfer of title. On or before the termination date of this Agreement, the Lessee shall remove all of its personal property from the Premises; provided, however, that if immediate termination occurs under Article 13.04 (Habitual Default), Lessee shall be allowed up to five calendar days from the receipt of notice of termination to remove such personal property.

(B) If, at or after the time of termination, the Lessor advises the Lessee that it has reason to believe that any hazardous substance or environmental contaminant has been released within the Premises or into the ground under the Premises, then the Lessee at its expense shall retain an approved environmental consultant to perform whatever environmental assessment may be required to determine the extent of such release. The Lessee shall comply with the recommendations and conclusions of such consultant regarding environmental clean-up efforts that may be required, and shall comply with any other clean-up requirements imposed on the Lessee by Federal, State or County laws, regulations or codes.

(C) In the event of termination for default, the Lessor shall be entitled to recover immediately, without waiting until the due date of any future rent or until the date fixed for expiration of the Agreement, the following amounts as damages: (1) the reasonable costs of re-entry and re-leasing including without limitation the cost of any clean up, alteration, repair, maintenance, refurbishment, removal of personal property and fixtures of the Lessee, or any other expense occasioned by failure of the Lessee to quit the Premises upon termination and to leave them in the required condition, any remodeling costs, attorney's fees, court costs, and expenses of litigation through all levels of legal proceedings; and (2) the loss of reasonable rental value from the date of default until a new tenant has been secured.

13.07 Lien Upon Personal Property:

In the event of termination for default, the Lessor shall have a lien upon all personal property of the Lessee located at Premises to secure the payment of any unpaid rentals, fees and charges accruing under the terms of this Agreement.

13.08 Right to Show Premises:

At any time within six months of the scheduled expiration date of this Agreement or any time after the Lessee has been given notice of termination or default, pursuant to Article 13 (Termination), the Lessor shall have the right to enter on the Premises for the purposes of showing the Premises to prospective lessee or users during regular business hours.

13.09 County Defaults:

This Agreement shall be subject to termination by the Lessee in the event of a default by the County in the performance of any material covenant or agreement herein required to be performed by the County and the failure of the County to remedy same within a reasonable period of time following receipt of written notice from the Lessee of such default.

13.10 Other Terminations:

This Agreement shall be subject to termination by the Lessor or the Lessee in the event of any one or more of the following:

(A) The permanent abandonment of the Airport.

(B) The lawful assumption by the United States Government or any authorized agency thereof, of the operation, control or use of the Airport, or any substantial part of parts thereof, in such a manner as to substantially restrict the Lessee from operating there from for a period in excess of ninety (90) consecutive days, provided that nothing contained herein shall be deemed to constitute a waiver by the Lessee of any right it may have against the United States for just compensation in the event of any such assumption.

(C) The issuance by any court of competent jurisdiction of any injunction in any way substantially preventing or restraining the use of the Airport, and the remaining in force of such injunction for a period in excess of ninety (90) days. In the event of termination for such reason, Lessee's exclusive remedy shall be termination or reinstatement of this lease by the County, at its sole discretion, for a period of time equal to the number of days that the injunction was in effect in excess of said ninety (90) days.

ARTICLE 14
Special Conditions

14.01 Quality of Services:

The Lessee shall furnish the services required and authorized, pursuant to Article 2 (Use of Premises) hereof, on a good, prompt and efficient basis and on a fair, equal and not unjustly discriminatory basis to all users thereof.

14.02 Nondiscriminatory Prices:

Pursuant to FAA grant assurance obligations, the County is required to inform Lessee that, for sales of products or services on the Premises or the subletting of any facilities as permitted by MDAD, Lessee shall charge fair, reasonable, customary and not unjustly discriminatory prices for each unit of sale or service or sublease; provided, however, that the Lessee may make reasonable, customary and nondiscriminatory discounts, rebates or similar types of price reductions to volume purchasers of the Lessee's services.

Lessee agrees that it will include in all contracts and subcontracts with its TMB contractors, subcontractors, service providers and suppliers an obligation by such parties to comply with all grant assurance obligations.

14.03 County's Obligations:

The Lessee, in recognition of the County's obligation to ensure that users of the Airport charge fair, reasonable, customary and not unjustly discriminatory prices, pursuant to Section 22 of Part V of the Federal Aviation Administration's standard grant assurances, to enforce the provisions of Articles 14.01 (Quality of Services) and 14.02 (Nondiscriminatory Prices) above, agrees that the Lessor may, from time to time, promulgate standards, methods and procedures for and monitor and test the provision of services hereunder and may require the Lessee to provide copies of schedules of service charges and the bases for discounts, rebates and similar types of price reductions. Should the Lessor determine that the Lessee is not in compliance with the provisions of Articles 14.01 (Quality of Services) or 14.02 (Nondiscriminatory Prices) above, then the provisions of sections 13.03 and 13.04 shall apply

ARTICLE 15

Equal Employment Opportunity, Nondiscrimination and Affirmative Action

The Lessee agrees to comply with pertinent statutes, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color, national origin, sex, age or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance. This provision obligates the Lessee for the period during which Federal assistance is extended to the airport through the Airport Improvement Program. In cases where Federal assistance provides, or is in the form of personal property; real property or interest therein; structures or improvements thereon, this provision obligates the party or any transferee for the longer of the following periods:

(A) The period during which the property is used by the airport sponsor or any transferee for a purpose for which Federal assistance is extended, or for another purpose involving the provision of similar services or benefits; or

(B) The period during which the airport sponsor or any transferee retains ownership or possession of the property.

15.01 Employment Discrimination:

The Lessee shall not discriminate against any employee or applicant for employment with respect to hire, tenure, terms, conditions, or privileges of employment, or any matter directly or indirectly related to employment because of age, sex, race, color, religion, national origin, ancestry, sexual orientation or disability. The Lessee shall comply with applicable provisions of the Americans with Disabilities Act, including, but not limited to, provisions pertaining to employment.

15.02 Equal Employment Opportunity:

In accordance with Title 14 Code of Federal Regulation (CFR) Part 152 (Affirmative Action Employment Program), the Lessee shall not discriminate against any employee or applicant for employment because of age, sex, race, color, religion, marital status, place of birth or national origin, ancestry, in accordance with the Americans with Disabilities Act, discriminate against any otherwise qualified employees or applicants for employment with disabilities who can perform the essential functions of the job with or without reasonable accommodation. The authorized employees and representatives of the County and of any applicable Federal or State agency having jurisdiction hereof shall have the right of access to the Premises at all reasonable times for the purposes of inspection and testing to determine compliance with the provisions of this Agreement. GENERAL INFORMATION

Summary of Department Process for Design and Construction of TAC-N Projects

When an airport tenant wishes to improve or expand a leasehold area, the tenant must contact the MDAD Property Manager to discuss the proposed improvement or expansion. The Property Manager or designee determines whether the proposed design and construction will be a reimbursable or a non-reimbursable project.

If the determination is that the proposed design and construction are non-reimbursable, the tenant must submit a request to the Property Manager for a TAC-N Project.

The Property Manager informs Minority Affairs (MA) of the proposed TAC-N project and sends the Lease Agreement and all related documents to MA for review.

The Property Manager holds a Project Improvement Consultation Meeting with the Tenant and MA to explain TAC-N Procedures and State and County requirements such as: SBD Applicable Programs and Systems, Tenant Airport Construction Non-Reimbursable (TAC-N) Projects procedures (Facility Division Procedure A_FD0-111-P), Flow Chart, MDAD Design Procedures, Art in Public Places (APP) and other requirements as applicable. The Property Manager shall determine if the project requires Board of County Commissioners (BCC) approval.

Following approval of the Quick Check (Q/C), the Property Manager requests assignment of a Project Number from Planning Division in accordance with Facilities Division Procedure (Facilities Division Procedure D_FD1-020-P). Planning Division will assign a Project Number for TAC-N projects.

If the TAC-N Project Quick Check Form is approved and the project does not require approval by the Miami-Dade Board of County Commissioners (BCC), the Property Manager issues a Concept Approval Letter (Facilities Division Form E_FD1-100) to the tenant, advising the tenant to proceed with the project and addressing compliance with MDAD Design Guidelines, TAC-N design and construction procedures and SBD Programs and Systems. The Property Manager forwards copies of the letter to the Deputy Director and the following Assistant Aviation Directors: Facilities Development, Facilities Management & Engineering, Business Retention & Development and others as appropriate. The Property Manager shall send a TAC-N Project Manager Assignment Request (Facilities Division Form F_FD1-110) with results of Q/C reviews and copying all attachments to the Maintenance Engineering Chief.

Upon approval by the BCC, the Property Manager will send a letter, attaching copies of the executed lease amendment, the County Manager's memorandum, and the BCC resolution to the tenant advising the tenant to proceed with the project in accordance with the terms of the lease as approved by the BCC. General Information

All work that tenants plan to perform on MDAD property must comply with MDAD Design Guidelines and maintenance's utilities clearances and utilities shutdowns procedures, FAA regulations, County regulations and all applicable codes. A permit is required for commercial improvements regardless of the cost.

All reimbursable projects must have MDAD Properties Division's approval hand-off, prior to initiating the Tenant Airport Construction (TAC) process. All reimbursable projects require approval from the Board of County Commissioners prior to commencement of the project and/or as stipulated in the Lease Agreement.

Procedures – Design and Construction

1. The TAC project is handed-off from Properties to Facilities through the letter that Properties issues to the tenant officially authorizing the tenant to proceed as per the terms of the approved Lease Agreement by the Board of County Commissioners. The Chief of MCC/TAC receives a copy of the letter with the copy of the executed Lease Agreement, resolution and manager's memo.
2. The tenant is contacted and informed by the TAC-R P.M. of the requirements, i.e., A/E selection process, competitive bid process, forms to be used, etc
3. An A/E is selected through the A/E Selection Process for TAC Reimbursable projects. The TAC-R Project Manager will accordingly help the tenant coordinate the A/E Selection Process.
4. It is the responsibility of the tenant through it's A/D to:
 - a) Obtain copies of MDAD Record (As-Built) Drawings from the MDAD Technical Support Division by calling (305) 876-7057. Verify field conditions including, but not limited to, electrical, mechanical, HVAC, plumbing, water, sewer, structural, connecting points for all utilities/HVAC/fire protection/smoke evacuation, etc. plumbing. For utilities verification and/or information call MDAD Engineering Division at (305) 876-7126, Mr. J. Rodriguez.
 - b) Ensure that the design of the project located at the terminal building is in compliance with the MDAD Design Guidelines Manuals (MIA Terminal projects only) Guidelines are available on the Internet at www.miami-airport.com. Projects in the Cargo areas and at the

General Aviation Airports do not need to comply with the MDAD Guidelines, except for the civil work as stipulated in the Design Guidelines.

NOTE: The MDAD TAC-R Project Manager participates in all of the following activities 5 through 23.

5. The MDAD TAC-R Project Manager prepares a Capital Project Fact Sheet (CPFS). This is an internal process by which the funding source is determined for design and/or construction cost of the project.
6. The tenant's consultant prepares bid documents that are reviewed at various levels of completion. The MDAD TAC Project Manager coordinates the number of reviews and the review process. The "Construction Contract, General and Legal Provisions and Division 1 for TAC projects and CSBE set aside TAC" projects will be used. This document consists of Advertisement for Bids, Instruction to Bidder, Bid Forms, Bid Bond, Condition of Award Requirements, Assignment Agreement, Contract, Surety Performance Bond, Surety Payment Bond, General Conditions, Special Provisions and the various Divisions. The document will be given to the tenant by the TAC-R Project Manager.
7. The tenant's consultant revises the plans to be in compliance with the reviewer's comments and obtains the reviewer's sign-offs on the TAC-R Design Review- 100% Back Check Form prior to bidding.
8. Based on the terms of the Lease Agreement, hazardous materials survey, testing, abatement design and specs and removal may be coordinated by MDAD through the MARC and related costs will be paid by MDAD. For expediency, the tenant may be requested to perform the above. The tenant will be reimbursed by MDAD per the terms of the Lease Agreement.
9. The tenant's consultant prepares the project construction cost breakdown by trades along with the technical specifications and submits them through the MDAD TAC Project Manager to the MDAD Office of Minority Affairs, who recommends the Community Small Business Enterprise (CSBE) goals to the office of Miami-Dade Department of Business Development (DBD). The CSBE goals are presented to the Review Committee (RC) who meets every other Thursday morning at the Courthouse Center Building, Downtown Miami by DBD for their review and recommendation to the County Manager for his approval (DBD Worksheet). Once the County Manager signs the DBD Worksheet, a copy is sent to MDAD Minority Affairs who then send copies to the Tenant and to the MDAD TAC-R Project Manager. The tenant's consultant inserts the project's CSBE goals in the Bid Documents. The CSBE goals are a requisite for bidding the work. See attached forms
10. The MDAD TAC Project Manager coordinates a Legal Review meeting to review the project General Conditions and Special Provisions for bidding.
11. MDAD issues a Letter of Concurrence for the project to the tenant. The letter allows the tenant to obtain a building permit. See sample letter.
12. The tenant shall advertise the project in the various newspapers. The TAC-R Project Manager will provide the names of the newspapers. The actual text to be used is within the Construction Contract Bid Documents, as identified in item number 6; pages A.1, A.2 and A.3.
