Agenda Item No. 8(O)(1)

**Subject:** Resolution Authorizing Refund of Water and Sewer Connection Charges for FunDimension LLC

---

## **Executive Summary**

This item seeks approval from the Board of County Commissioners (the “Board”) to issue a refund of water and sewer connection charges to FunDimension, LLC (“FunDimension”) in the amount of \$9,455.66. Pursuant to section 2-348 of the Miami-Dade County Code, FunDimension, a family recreational facility located in the Central Enterprise Zone, which made improvements to its property by adding an 8,417 square foot outside entertainment area, qualifies for this refund because it: (1) renovated property located within a designated enterprise zone, as defined by Section 290.004, Florida Statutes; (2) met the requirement to employ a certain percentage of residents who reside in the enterprise zone; and (3) was deemed to have received a property tax abatement exemption by the Department of Regulatory and Economic Resources.

## **Recommendation**

It is recommended that the Board authorize the Miami-Dade Water and Sewer Department (“WASD”) to refund \$9,455.66 in water and sewer connection charges to FunDimension because it has met the requirements for a refund identified in section 2-348 of the Miami-Dade County Code.

## **Scope of Agenda Item**

FunDimension, LLC is located at 2129 NW 1st Court, Miami, Florida 33127, which is within the County’s Central Enterprise Zone, in Commission District 3 represented by Commissioner Keon Hardemon.

## **Delegation of Authority**

This item authorizes the County Mayor or County Mayor’s designee to carry out the refund process and execute all required documents on behalf of the County in accordance with Section 2-348 of the Code of Miami-Dade County.

## **Fiscal Impact/Funding Source**

Upon Board approval of this item, there will be a fiscal impact to the County in the amount of \$9,455.66, which is the refund amount due to FunDimension. The funding source for the refund is WASD Plant Expansion Funds.

## **Track Record/ Monitor**

WASD’s Chief Financial Officer, Frances Morris, will oversee the refund process to FunDimension.

**Background**

FunDimension is a family recreational and restaurant facility. After completing an 8,417 square foot expansion to FunDimension's outside facilities in 2023, Joyce Frohman, Manager of FunDimension, applied for a refund of the water and sewer connection charges paid by FunDimension for the increased water and sewer usage associated with the new space. See the executed Miami Dade County Enterprise Zone 1301 Local Incentive Application attached hereto as Exhibit A; see the letter from FunDimension's Manager, Joyce Frohman, correcting the FunDimension's expansion square footage, attached hereto as Exhibit B.

As a condition to the continued rendition of increased water and sewer service, WASD imposed water and sewer connection charges in the amount of \$9,455.66 for the additional gallonage corresponding to the business' service expansion. The connection charges were collected with the understanding that, should the business meet the requirements delineated in section 2-348 of the Code of Miami-Dade County, which provides for refunds of water and sewer connection charges, the County would refund the payment made for the water and sewer connection charges.

Section 2-348 of the Code of Miami-Dade County provides that commercial or industrial real property developments within enterprise zones, for which new or increased water or sewer service is required, are eligible for refund of water and sewer connection charges if approved by the Board, and if the following requirements have been satisfied:

1. The development is consistent with the Miami-Dade County Comprehensive Development Master Plan;
2. The development is located within an existing designated enterprise zone established pursuant to Florida law;
3. The development has been deemed to have been granted an ad valorem tax exemption by Miami-Dade County; and
4. The development meets the requirement that 25 percent of the employees reside in the enterprise zone.

The County's Department of Regulatory and Economic Resources reviewed the application sent by Joyce Frohman and confirmed that the improvements made to FunDimension met the criteria set forth in section 2-348 of the Miami-Dade County Code. See Exhibit C attached hereto.

In order to avoid repayment of the refunded water and sewer connection charges in the future, FunDimension must create five new jobs and maintain those jobs for five years. In addition, for the next five (5) years, 25 percent of FunDimension's employees must live within the Central Enterprise Zone, which condition must be verified on the Florida Department of Revenue Employer's Quarterly Report. Pursuant to the employees' roster, and as confirmed during the site visit by the Department of Regulatory and Economic Resources, FunDimension has 48 employees, with 23 (or 47.9%) residing within the Central Enterprise Zone.

Honorable Chairman Oliver G. Gilbert, III  
and Members, Board of County Commissioners  
Page 3

WASD's Director approved the required documentation needed to issue the water and sewer connection charge refund requested by FunDimension. See Exhibit D attached hereto. In addition, a Covenant, which binds FunDimension to several conditions related to receipt of the connection charge refund, executed by Joyce Frohman, Manager on behalf of FunDimension, is attached hereto as Exhibit E.

Dear Ms. Frohman:

RE: Water and Sewer Connection Fee Approval Letter\_FunDimension

Dear Ms. Froham:

This letter is to inform you that the project located at 2129 NW 1<sup>st</sup> Court, Miami, FL 33127 has been deemed to have received a property tax abatement exemption, and thereby qualifies for a refund of road and other impact fees and/or water sewer connection fees under County Ordinance No. 13-51. A business (project) is deemed to have met the criteria for this program under the following conditions:

- It is a new or expanding business in the Enterprise Zone (EZ) – improvements must be verified by the Property Appraiser's Office.
- It must have created five (5) new jobs and maintain those jobs for five (5) years.
- Twenty-five (25) percent of all employees must live in the Enterprise Zone, approval from the Board of County Commissioners and municipality approval (if applicable) must be received to qualify for the refund of water/sewer connection fees.

The five (5) new employees must be maintained for five (5) years and verified on the Florida Department of Revenue Employer's Quarterly Report (RT6). Employees hired by a tenant are acceptable. However, the applicant will be responsible for ensuring that the jobs have been created and maintained. In the event the jobs are not maintained, the refund and statutory interest must be paid to the County or a lien will be placed on the property. The landowner must execute the lien as a condition of the reimbursement.

Every year on the anniversary date of this letter, the RT6 form and an employee roster certifying that the jobs have been created/maintained, must be submitted to this office. Failure to submit these required documents constitutes failure to comply with the terms and conditions of the Impact Fee Refund Program. A representative of the Planning Research and Economic Analysis Section of the Department of Regulatory and Economic Resources will be conducting yearly site visits to monitor compliance with the employment requirement.

**Pursuant to the employee roster and confirmed during the site visit, this project has 48 employees with 23 or 47.9 % living in the enterprise zone.**

To continue with the refund process, please contact Sandra Alvarez, New Business Manager, in the Water and Sewer Department at (786) 268-5112.

Congratulations on your approval!
