Subject: Social Equity Statement for Ordinance Relating the North Central Dade Municipal Advisory Committee

The proposed ordinance extends the life of the North Central Dade Municipal Advisory Committee (MAC) to allow the residents of the area to meet and discuss, through a series of publicly noticed meetings in the community, whether to create a new municipality or remain unincorporated. This item offers the community an opportunity to further evaluate their options.

The study will determine if the residents, after being provided information at public meetings, will request that the Board consider the creation of a new municipality. Until the committee's evaluation is complete, the full social impact of the North Central Dade MAC cannot be determined.
