Subject: Southeast Overtown/Park West Community Redevelopment Agency FY 2024-25 Budget

Executive Summary

As required by the Interlocal Cooperation Agreement (interlocal) between Miami-Dade County (County), the City of Miami (City) and the Southeast Overtown Park West Community Redevelopment Agency (Agency), and Section 163.387, Florida Statutes, the Board of County Commissioners (Board), as the governing body of all community redevelopment agencies in the County, is required to approve annual budgets of such community redevelopment agencies, and any amendments to the budgets. This item seeks approval of the fiscal year (FY) 2024-25 budget totaling \$100,466,278 for the Agency and the Southeast Overtown Park West Community Redevelopment Area (redevelopment area).

Recommendation

It is recommended the Board adopt the attached resolution approving the Agency's and the redevelopment area's FY 2024-25 budget in the amount of \$100,466,278. The interlocal requires that the Agency submit an annual budget for County approval but does not require Board approval prior to spending funds on allowable activities. Notwithstanding the interlocal, Section 163.387, Florida Statutes, which was amended after the execution of the interlocal, requires a community redevelopment agency created by a municipality to submit its annual budgets and amended budgets to the Board within 10 days after the adoption of such budget or amended budget.

Scope of Agenda Item

The redevelopment area is located within County Commission Districts 3 and 5, which are represented by Commissioner Keon Hardemon and Commissioner Eileen Higgins, respectively.

Fiscal Impact / Funding Source

The Agency's revenue source is tax increment financing (TIF), which is generated through the incremental growth of ad valorem revenues beyond an established base year, as defined in Section 163.387, Florida Statutes. For FY 2024-25, the County TIF payment into the Agency's trust fund (trust fund) is \$19,709,668 and the City's TIF payment is \$30,694,090. The County will continue to make annual payments to the Agency based on each year's growth of ad valorem revenues over the base year until both the Agency and the redevelopment area sunset on March 31, 2042. The budget also includes a contribution from the Children's Trust Fund in the amount of \$2,017,387 and an estimated \$48,045,133 carryover from prior years.

Delegation of Authority

This item does not delegate any authority to the County Mayor or County Mayor's designee.

Track Record / Monitor

This item does not provide for contracting with any specific entity. The resolution approves the Agency's and the redevelopment area's FY 2024-25 budget.

Background

On January 20, 1981, the Board adopted Resolution No. R-39-81, which established the boundaries of the redevelopment area and declared the redevelopment area to be slum or blighted. On December 21, 1982, the Board approved the establishment of the Agency by adopting the Agency's community redevelopment plan

(plan), through Resolution No. R-1677-82, and the funding of the plan when it enacted Ordinance No. 82-115, which created the Agency's trust fund. The interlocal was approved by the Board on March 31, 1983, requiring the Agency to submit an annual budget for County approval. On July 21, 2009, the Board approved a finding of necessity which expanded the redevelopment area and amended plan which extended the life of the Agency until March 31, 2030. On June 16, 2012, the Board approved the issuance of up to \$50,000,000 in debt for needed capital projects in the Agency's plan (Resolution No. R-516-12). Further, the Board adopted Resolution No. R-480-13, which amended Resolution No. R-516-12, to allow the Agency to issue up to \$60,000,000 in debt.

On July 7, 2022, the Board adopted Resolution No. R-654-22, which approved an amendment to the interlocal and waiver of several prior resolutions (Resolution Nos. R-1382-09, R-871-11, R-599-15 and R-499-16). Most notably, the resolution approved an extension of life through March 31, 2042, wherein the County will contribute 95 percent of the TIF to the trust fund through the life of the Agency and waive the 1.5 percent administrative fee.

Fiscal Year 2024-25 Budget

On September 7, 2024, the Agency's FY 2024-25 budget totaling \$100,466,278 was adopted by the Agency through Resolution CRA-R-24-0055 and on September 26, 2024, by the City through Resolution No. R-24-0387 (Attachment A). The budget includes revenue sources of \$19,709,668 in County TIF, \$30,694,090 in City TIF, carryover funds of \$48,045,133, and a Children's Trust contribution of \$2,017,387.

The Agency's administrative expenditures of \$5,216,607, which includes employee salaries and fringes, represents approximately five percent of total budgeted expenditures, satisfying the 20 percent cap for administrative costs allowed by the interlocal. Pursuant to the interlocal, the County's required 1.5 percent administrative fee for staff administrative support and oversight of \$295,645 has been waived and charged to the general fund.

Operating expenses total \$90,569,040 and include:

- \$63,943,605 for grants and aid;
- \$8,000,000 for the Tri-Rail project;
- \$4,502,500 for debt service payments;
- \$4,500,000 for the 2007 Global Agreement payment;
- \$2,513,709 for Professional and Contractual Services;
- \$2,017,387 for Children's Trust Fund payment;
- \$2,000,000 for land/building acquisitions;
- \$1,641,657 for building construction/redevelopment related expenses;
- \$600,000 transfer to the City for enhanced police services; and
- \$850,182 transfer to the City for the Gibson Park Project.

The Agency's projects are budgeted on a cash basis and are not started until all project funding is in place. The budget also includes a reserve of \$4,680,631. All expenditures are detailed in Exhibit 1 to the resolution.
