Background

On July 15, 2024, the County advertised Request for Proposal (RFP) PM-EVN0004629, 1175 N.W. South River Drive Development Project seeking proposals from prospective developers who have the capability, expertise, capacity, and resources to obtain financing to successfully redevelop 1175 N.W. S River Drive Development Project (Gallery Riverwalk) site with affordable, workforce housing, and market rate housing. There were two proposals received, including the proposal submitted by RUDG on September 23, 2024. The Committee recommended that the County negotiate with the highest-ranking proposer, i.e., RUDG for this project.

This item seeks authorization to execute the MDA and lease. Pursuant to the MDA, RUDG has agreed to construct a development that will consist of a total of approximately 236 mixed-income units (or the maximum permitted by applicable zoning requirements). The new development will incorporate approximately 36 RAD Project-Based Voucher units made available to the project via a transfer of assistance from the vacant Harry Cain public housing development. RUDG has further agreed to provide certain community benefits which include a commitment by RUDG to provide a minimum percentage of new hires from Section 3 eligible residents as local construction and permanent hiring. In addition, RUDG has committed to award a percentage of the construction subcontracts to certified Section 3, CBE, DBE, S/M/WBE, and labor surplus area firms. In the event RUDG fails to comply with the community benefits requirements, then RUDG will be required to pay liquidated damages to the County.

Finally, a due diligence review was conducted in accordance with the County's procurement guidelines to determine contractor responsibility, including verifying corporate status with the Florida Department of State's Division of Corporations and reviewing performance and compliance issues. A copy of all bids, and the bid tabulation for the project is available by contacting Coleen Christie.

Community Benefits Statement

The following are the benefits being provided by this project. In accordance with Ordinance No. 24-30, the following are the community benefits related to the development of the property:

(1) Binding obligations and non-binding commitments to provide amenities, benefits, urban revitalization, cash incentives, or improvements to the community where the development is located, and benefits to adjacent or other communities affected by the development.

The development is incorporating affordable, workforce, and market rate housing. Gallery Riverwalk will achieve the necessary affordability alongside world-class amenities and unit finishes to serve a wide variety of residents along the Miami River. In addition to an enhanced extension of the existing riverwalk with trees and benches as well as ground-floor neighborhood retail, the proposed luxury amenities include a state-of-the-art fitness center / health club, bicycle storage, dog wash / salon, library, covered outdoor terrace, club room, pool deck with pickleball court, and a business center with Zoom rooms. Gallery Riverwalk has been thoughtfully designed to be both aesthetically appealing and intentionally integrated with the street and neighborhood to promote livability, enhance walkability, and foster a healthy, vibrant neighborhood. RUDG has incorporated Smart Growth standards into their development plan, which will enable the project to provide maximum positive economic impacts to the community, particularly through direct job creation for community residents. There will also be other amenities/benefits, all within the community.

Moreover, the project will create 236 mixed-income units (or the maximum permitted by applicable zoning requirements) total apartments, including 108 Low Income Housing Tax Credit (LIHTC) units and 128 workforce housing units with 36 of the LIHTC units being provided as a RAD PBV Blend through a TOA from Harry Cain. The County will derive a substantial income stream from the project.

(2) Funds that are contractually required to be invested into the Development and the community.

RUDG is required to obtain the funding to finance the project development and construction, which is expected to cost approximately \$101,740,252.00 (which is calculating an approximate total development cost of \$431,103.00 per the total 236 units).

(3) Number and type of direct and indirect jobs, both temporary and permanent, anticipated to be created by the development, the wage benefit levels of each, and any apprentice or job training programs.

The number and type of direct and indirect jobs is estimated to be 320 new construction and four new permanent jobs. RUDG is also required to comply with the federal Section 3 program, which requires that recipients of certain HUD financial assistance, to the greatest extent possible, provide training, employment, contracting and other economic opportunities to low- and very low-income persons, especially recipients of government assistance for housing, and to businesses that provide economic opportunities to low- and very low-income persons. Additionally, RUDG must comply with the Davis-Bacon wage schedule in effect for Miami-Dade County. The project is expected to provide temporary construction jobs, including electricians, plumbers, general contractors, and permanent positions including property managers, security jobs, janitorial services, landscaping, and other maintenance personnel.

(4) Neighborhood amenities and infrastructure that will be created by the development, including streetscape improvements, green space, and park.

In addition, to the affordable, workforce and market rate housing, the project will provide the following neighborhood amenities and infrastructure: Enhanced sidewalk improvements with new landscape, new seawall and a public riverwalk. RUDG has agreed to complete the project, including the building and apartments, with all of the following development amenities:

- a. Community Room Space
- b. Coworking space
- c. Fitness Center
- d. Amenity deck with pool
- e. Wi-fi enabled resident lounge
- f. Professionally curated art throughout common areas and public spaces
- g. Gated entry with controlled access
- h. Crime Prevention Through Environmental Design /Security cameras
- i. Dog washing station and dog walking areas
- j. Reserved parking for residents
- k. Private enclosed bike storage
- l. Open green spaces
- m. On-site property management
- n. Generators for community space

Apartment Amenities for each apartment will include the following:

- a. Washer/Dryers
- b. Granite or comparable material for counter tops
- c. Dishwashers
- d. Refrigerators with ice makers
- e. Heating, ventilation, and air conditioning /Smart Fans Systems
- f. Tile Flooring
- g. Electric Water Heaters

(5) Compliance, reporting, and monitoring of contractual requirements.

RUDG will provide all the reports necessary to monitor the development progress, construction, operations, and all proof of revenue generated by the project that supports the revenues belonging to the County.

(6) Consequences for failure to meet any contractual requirements and the County's remedies.

Failure of RUDG to develop the project as required by the MDA, and/or any default activity, the County will have the right to terminate the lease and the MDA for default or request liquidated damages to the County.

2. **Nature of Agreement.**

This Agreement sets forth the principal terms that have been agreed to by the parties concerning the Development. It is anticipated that this Agreement will constitute the “Master Development Agreement” for the development and construction of the Development. The parties are executing this Agreement to establish the principal terms of the transaction in order to enable both parties to proceed with an understanding of their obligations and agreements with regard to the Development.

This Agreement is intended to provide an overall framework for a cooperative, public-private, highly coordinated approach to the implementation of the redevelopment plan of the Development. The County and the Developer agree to work with each other in good faith to execute any subsequent agreements that may be needed to complete the Development.

3. **Development Feasibility and Structure.**

- (a) Request for Proposals and Developer’s Response. On July 15, 2024, the County issued Request for Proposal No. EVN0004629 (the “**RFP**”) for the Development from qualified housing developers. RUDG submitted a response to the RFP on September 23, 2024. This Master Development Agreement will be presented to the Miami-Dade Board of County Commissioners (the “Board”) for approval and to adopt a resolution, awarding the developer rights, and executing the Master Development Agreement and the Ground Lease to the Developer, and authorizing further negotiations with the Developer with respect to this Agreement. The County hereby approves the designation of RUDG as the developer for the Development, subject to and in accordance with the terms and conditions provided herein. Upon entering into a Sublease with an Owner Entity, such Owner Entity shall receive an assignment of the development rights with respect to such portion of the Property. For avoidance of doubt, any Sublease with an Owner Entity shall be permitted only pursuant

to the approval process set forth in the Ground Lease. Upon the Developer's assignment of its development rights to Owner Entities, the Developer's responsibilities hereunder with respect to such portion of the Property will cease and be of no further effect, and such responsibilities will transfer to such other Owner Entities, as applicable.

- (b) Development Overview. The parties acknowledge and agree to comply with all RAD Requirements in existence at the time of execution of this Agreement, and as may be amended from time to time. The Development shall be a mixed-income development, consisting of approximately 236 mixed-income units (or the maximum permitted by applicable zoning requirements) including 128 workforce housing units as defined by Section 33.193.6 of the Code of Miami-Dade County, as may be amended from time to time. The Development will be completed in one phase (referred to as a "**Phase**"). All RAD Units and affordable housing units will be operated and maintained as qualified Low Income Housing Tax Credit ("**LIHTC**") units under Section 42 of the Internal Revenue Code of 1986 ("**Section 42**"), as amended, for a period of not less than the Tax Credit Compliance Period (as such term is defined in Section 42 and required by the Florida Housing Finance Corporation ("**FHFC**") and any applicable extended use period. Approximately 36 of the 236 units in the Development will be provided under a Transfer of Assistance from Harry Cain as a RAD PBV Blend.

The preliminary schematic plans for Gallery Riverwalk are attached hereto at Exhibit C (hereinafter referred to as the "**Scope of Work**"). These preliminary Schematic Plans are subject to change as set forth in this Section 3(b). An initial development budget for the Development will be attached (as set forth below) hereto as Exhibit D (hereinafter referred to as the "**Development Budget**") and will include a pre-development budget for the development. An initial development schedule will be attached (as set forth below) hereto as Exhibit E (hereinafter referred to as the "**Development Schedule**"). A list of key metrics, which include critical dates and minimum program requirements ("the "**Key Metrics**") is attached as Exhibit F. A description of the unit types, sizes and targeted income levels (the "**Unit Mix**") for the Development is attached as Exhibit G. A list of key Development team members is attached as Exhibit H. The Scope of Work, Development Budget, Development Schedule, and the Unit Mix shall be referred to as the "**Redevelopment Plan**."

The Developer will submit the Development Budget and Development Schedule, and if applicable, any proposed revisions to the Scope of Work to the County within sixty (60) days after the Effective Date for the County's review, comment and approval. Upon approval of the Development Budget and Development Schedule by the County, each will be incorporated hereto, respectively, as Exhibit D and Exhibit E. If the County has not provided the Developer with written notice of its approval of the Development Budget and Development Schedule or with any written comments with respect thereto within the later of (i) thirty (30) days of submission, or (ii) ninety (90) days

following the execution of this Agreement, the County shall be deemed to have consented to the Development Budget and Development Schedule.

Following the County's approval (or deemed approval) of the Development Budget and Development Schedule, Developer shall be required to obtain the County's approval, such approval not to be unreasonably withheld, only with respect to Material Changes to the Redevelopment Plan and as Material Changes become necessary. At a minimum, notice of any Development updates shall be provided in monthly intervals. After the County provides County's approval (or deemed approval) of the Redevelopment Plan, any other changes, other than Material Changes, shall be deemed effective upon the Developer providing to the County notice of said change(s). Subject to the preceding sentence, the following shall be considered "**Material Changes**":

- i. Changes to the Unit Mix that currently include 108 LIHTC units and 128 workforce housing units with 36 of the LIHTC units being provided as a RAD PBV Blend through a Transfer of Assistance from Harry Cain.
- ii. Prior to Financial Closing, an increase in the Development Budget by more than 10%, net of inflation as determined by the R. S. Means City Cost Index for Miami; or
- iii. Prior to Financial Closing, changes to the Development Schedule that delay Construction Completion or lease-up by more than one hundred twenty (120) calendar days.

If the County has not provided the Developer with written notice of its approval of any submitted Material Change(s) to the Redevelopment Plan or with any written comments to any such submitted Material Change(s) within thirty (30) days of submission, the County shall be deemed to have consented to any such Material Change(s) to the Redevelopment Plan.

Furthermore, a 99-Year Ground Lease for the Development, subject to HUD's approval, or Option to Enter Into a Ground Lease will be executed by and between the County and the Developer to reflect the site control granted to the Developer or its affiliates with respect to the Development (the "**Ground Lease**," as such may be amended and/or restated from time-to-time). As provided above, the comprehensive Development contemplated herein will occur in one Phase and the County will permit a sub-ground lease under the Ground Lease with Owner Entities with respect to this Phase that comprise the Development. All proposed sub-ground leases will be first submitted to the County for review and approval prior to execution of said sub-ground leases. The County will provide approval, which will not be unreasonably withheld, within thirty (30) calendar days. If the County does not respond to the

Developer's submission of a proposed sub-ground lease, then said sub-ground lease will be deemed as approved by the County.

- (c) Ownership Entities for Rental Phase and Selection of Investor. The Developer shall form different owners to own each Phase, if applicable, of the Development (each, an “**Owner Affiliated Entity**”), as further evidenced by each Sublease. Each Owner Affiliated Entity will have a managing member that will be a limited liability company controlled by the Developer. The principal equity interest in the Owner Affiliated Entity with respect to any Phase containing LIHTC Units will be owned by a LIHTC investor that is selected by the Developer and subject to approval by the County, not to be unreasonably withheld.

In cases where the Unit Mix includes RAD Units, as well as affordable and/or market rate units, the RAD Units shall be considered “fixed” or “floating,” and identified as such in the HUD PIH Information Center (“**HUD PIC**”) website, or any successor information system.

Notwithstanding the foregoing set forth in Sections 3(a) through 3(c), this Agreement and the parties' obligations hereunder are contingent upon the final approval of this Agreement by the Board, which shall be within the Board's sole discretion. If the Board, in its sole discretion, does not approve this Agreement, this Agreement shall be null and void.

- (a) **Developer Responsibilities.** As more specifically set forth herein, the Developer (which, for purposes of this Section 4, will be deemed, if applicable, to be the Owner Affiliated Entity to which Developer has entered into a Sublease with the intent for such entity to develop all or a portion of the Property) shall be responsible for development services in connection with the new construction work of the Development. - iv. The Developer shall meet or exceed federal accessibility requirements and other requirements as indicated herein. Section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794 and 24 C.F.R. Parts 8 and 9, prohibits discrimination against persons with disabilities in any program or activity receiving Federal Financial assistance. 24 C.F.R. § 40.4 established the Uniform Federal Accessibility Standards (UFAS) as the standard design, construction, or alteration of residential structures. UFAS became effective July 11, 1988. The Developer shall provide at a minimum (unless more stringent requirements apply) not less than five percent (5%) of UFAS compliant units for mobility-impaired persons. An additional minimum of two percent (2%) is required for people with hearing or vision impairments. Not less than one unit each shall be

provided for mobility-impaired and one unit for vision or hearing impaired if percentages indicate that less than one unit is required. UFAS compliance and certifications are required for all areas required by UFAS, including interior and exterior of units, common areas, site and parking, etc. The Developer shall retain an independent, experienced, and qualified third-party consultant (UFAS consultant) to certify UFAS compliance in a certification form provided by the County. The UFAS consultant shall provide the HUD UFAS Accessibility Checklist along with its certification form, attached hereto as Exhibit J, to the County. The UFAS consultant shall not be the architect of record. The UFAS consultant shall have experience in providing UFAS certification including design reviews, construction reviews, and certifications. Additionally, the UFAS consultant shall provide to the Developer, and copy to the County, comments at fifty percent (50%) and one hundred percent (100%) of construction documents. The Developer shall submit, through the County, its one hundred percent (100%) construction documents for UFAS units for review and approval by HUD. Any comments by HUD and/or the County and any other agencies having jurisdiction shall be incorporated in the construction documents. The UFAS consultant shall also conduct on-site inspections during construction at fifty percent (50%) and one hundred percent (100%) of Construction Completion to confirm UFAS compliance. The Developer, architect of record, the UFAS consultant, and the Developer's general contractor shall attend HUD's site inspections that may be conducted during construction and/or at Construction Completion. The Developer shall facilitate site access for HUD's site inspections. HUD will provide comments to the County and the Developer. The Developer shall address all HUD comments to receive HUD approval. If Developer fails to comply with UFAS, as may be identified by the County, HUD or any other entity having jurisdiction, such noncompliance shall be deemed an Event of Default pursuant to Section 9 of this Agreement, and the Developer shall be provided an opportunity to cure said default, at the Developer's cost, as prescribed by Section 10 of this Agreement. On-going information concerning UFAS units, and its occupants shall also be required by the County, which requirement shall survive this Agreement. The Developer shall provide required UFAS-related information as reasonably required by the County. In addition, developers are highly encouraged to provide units that are easily "adaptable" to UFAS units. The Developer shall assist with UFAS reports and any other reports or information required by County or HUD.

- v. Davis-Bacon wage requirements: Davis-Bacon wages shall apply to all structures built or rehabilitated on the County owned or leased land regardless of whether these structures receive a federal subsidy

or not. These structures may include, but are not limited to, RAD Units, affordable units, market-rate units, commercial and/or office buildings, and/or any other structure built on site. The Developer shall meet all applicable Davis-Bacon wage requirements and shall monitor and ensure Davis-Bacon wage compliance by general contractor(s), sub-contractors, sub-sub-contractors, etc., and shall ensure that all contracts and sub-contracts issued to any contractor on the project include Davis-Bacon requirements. The Developer shall carefully review Davis-Bacon requirements with all contractors and sub-contractors on site on an on-going basis, shall appoint an experienced and qualified Davis-Bacon compliance officer to ensure compliance during the entire construction duration, and shall provide Davis-Bacon compliance reporting to County as it may require. Any costs incurred by the County due to Davis-Bacon noncompliance by the Developer and/or any of its contractors, shall be reimbursable to the County by the Developer.

- vi. The Developer shall pay a \$3,000.00 per month fee to HCD during the entire construction duration of the project for Davis-Bacon compliance review. The first payment shall be due 30 days after the construction of the project has begun. Failure to comply with Davis-Bacon wage rate or other federal required classification requirements will affect payments to the Developer (refer to Section 6, Payment Provisions). In addition, the County will assess the Developer up to a \$500.00 daily penalty fee to cover reasonable administrative costs it incurs for managing issues associated with the Developer's, and/or its consultants, contractors or vendors, non-compliance with the applicable regulations. This includes, but is not limited to, compliance with Davis-Bacon wages and HUD Section 3 requirements. This fee will be assessed for all days starting on the date that the County notifies the Developer of non-compliance and will be assessed until the date that the issue is acknowledged in writing as being resolved either by the County or Developer.
- vii. The Developer shall ensure that its contractors and their subcontractors are classifying workers properly for Davis-Bacon purposes and that they maintain proper documentation to support worker classification. In reviewing certified payrolls, the County will be alert to anomalies, and in such cases will consult with federal agencies, such as the Internal Revenue Service, Department of Labor, and HUD. Review of payroll records and/or similar documents by the County shall not relieve developers, contractors and subcontractors from ensuring Davis-Bacon Compliance and appropriate worker classification in accordance with all applicable requirements.

- viii. Failure to comply with Davis-Bacon wage rate or other federal required classification requirements will affect payments to the Developer (refer to Section 6 payment provisions).
- ix. Notwithstanding the foregoing subsection (6) above, the Developer shall require all contractors and subcontractors to pay Davis-Bacon Wages.
- x. The Developer shall provide a construction schedule using a Gantt chart format (or another format reasonably acceptable to the County) indicating all activities (e.g. event, task, and trade).
- xi. The Developer shall ensure unit design layout allocates proper circulation space and sustains suitable linear wall allocation for proper functioning and furniture layout.
- xii. The Developer shall provide an emergency generator that will power code-required emergency items in the building, in addition to providing power for ninety-six (96) hours of operation without refueling, at a community room and a community area kitchen, within the Project Sites. In addition, to all community benefits and housing unit amenities enclosed in its proposal and preliminary described and summarized in Exhibit A-1 and A-2.
- xiii. Appliances (only applies to buildings undergoing rehabilitation):
Existing appliances (such as refrigerators, ranges, ovens, washers, dryers, water heaters, etc.) shall be removed and replaced with new appliances. The Developer shall bear the cost of removal and relocating/moving the existing appliances to an offsite centralized location to be determined by the County. The Developer shall secure the site during any removal and/or replacement of appliances, equipment, furnishings, etc. This work shall be carefully coordinated between the Developer and the County.
- xiv. Recycled and Salvaged items:
The Developer is responsible for collecting and delivering to the County Store all items in the Development site that are to be recycled. Appliances or furnishings going to the County Store or back to the County for its use are “recycled” items.

Recycled items include but are not limited to equipment, telephones, televisions, vacuum cleaners, fax machines, copiers, tools, all types of appliances, all furniture, etc. as directed by the County. The Developer shall contact the County Store representative and follow the following process for items that are directed to be delivered to the County Store:

- a) The Developer shall call the County Store representative at 305-556-8106 at least a day in advance (preferably earlier) to notify them of the number of trucks and equipment/furnishings to be delivered and provide them with an opportunity to prepare for the delivery. Deliveries of the equipment/furnishings by the Developer to the County Store (located at 980 West 84 Street, Hialeah, Florida) shall be scheduled between 7:30 and 10 am only, since they have to attend to walk-in customers the rest of the day. The County Store does not accept drop-offs on Fridays, weekends or legal holidays.
 - b) Developer shall complete all the information required on the attached Property Action Form. Please include the "Asset Tab # or Serial # of each equipment/furnishing, if available. If none can be found, indicate "N/A" in that column, and provide a detailed description of the equipment.
 - c) The County Store will not accept delivery of any chemicals; therefore, if any item has a gas tank or other type of chemical container attached, the chemical container needs to be removed by the Developer prior to delivery.
- xv. The Developer shall closely coordinate with the County on all aspects of the Development plans, and as required by RAD Requirements.
 - xvi. The Developer shall provide the County supporting documentation, such as Notice to Proceed (NTP) to contractors/sub-contractor and Certificates of Occupancy or Completion, as applicable.
 - xvii. The Developer and its consultants shall carefully review all change orders, contingency adjustments and/or any other additional costs (herein change orders) to confirm that these are appropriate and to minimize said costs whenever possible. Such review shall include, but not be limited to, compliance with contract documents, the party requesting the change order, and the reason for such request (justification), hidden or unforeseen conditions, architect/engineer ("A/E") error and/or omissions, critical path analysis for time extensions and other contract requirements.

When change orders involve time extensions, the Developer and its consultants shall also carefully review and confirm that these are appropriate and shall minimize wherever possible time extensions. Time extension reviews shall include an evaluation of the critical path analysis to confirm whether the time extension has impacted the critical path.

- xviii. The Developer shall carefully review and coordinate the work of its consultants to minimize A/E errors and omissions, and minimize any change orders, including additional costs and time extensions on the project. The County shall not approve additional costs/fees for A/E errors and omissions, or any other costs/fees related to conditions which could have reasonably been discovered or should have been discovered with appropriate due diligence by the Developer and/or its consultants, contractors, or other vendors.
- xix. The County may back-charge the Developer up to \$500 Daily for reasonable administrative costs it incurs for non-compliance with the applicable regulations by the Developer and/or its consultants, contractors or vendors. This includes, but is not limited to, compliance with Davis-Bacon wages and HUD and Miami-Dade County Section 3 requirements.
- xx. Award Letters. Upon receipt of any funding award, the Developer shall provide to the County all award letters, including from FHFC and commitment letters from financial institutions.
- xxi. HUD RAD Requirements. The RAD evidentiary documents are subject to the review and approval by HUD and must contain the following provisions:
- RAD Units will continue to be operated as such (“**Use Restrictions**”) for a period of twenty (20) years with required renewals in accordance with the RAD Use Agreement as required by RAD Requirements (“**Use Period**”) from the date the use first commences;
 - Use Restrictions shall be in a first priority position against the property (e.g. prior to any financing documents or other encumbrances) during the Use Period; and
 - The approved Owner Affiliated Entity shall maintain ownership and operation of the property during the Use Period. The Owner Affiliated Entity shall not convey, sublease or transfer the Property without prior approval from the County at any point during the Use Period other than pursuant to customary transfer provisions.
- xxii. The County is responsible for monitoring and enforcing the Use Restrictions during the Use Period.
- xxiii. The Developer will provide a community benefits program at the Development, referred to herein as the Community Benefits

Program. A preliminary description of the Community Benefits Program is set forth at Exhibit A-2.

- xxiv. The Development will generate a number of financial benefits (“**Financial Benefits**”). Such Financial Benefits are further described in Exhibit B.
- xxv. The proposed improvements are subject to the County’s Sustainable Buildings Program provisions in Chapter 9 of the Code of Miami-Dade County, Sections 9-71 through 9-75 together with Miami-Dade County Implementing Order IO 8-8, as managed by Miami-Dade County Office of Resilience within the Regulatory and Economic Resources Department. The Developer shall design the Development to be consistent with a Silver certification rating from the U.S. Green Building Council’s Leadership in Energy and Environmental Design (“**LEED**”) as required by County Implementing Order 8-8. Pursuant to Implementing Order 8-8, the requirement for applying the appropriate LEED Silver standard may be modified due to special circumstances of the Development. Such modification shall be for the express purpose of ensuring the use of the most appropriate or relevant rating standard, and shall not, in any way, exempt the requirement to apply green building practices to the maximum extent possible. This substitution process shall be administered by and through the County’s Office of Resilience Sustainability Manager.

The LEED Silver certification or designation relative to the Development is outlined by the U.S. Green Building Council. The Developer agrees to regularly provide Landlord with copies of any and all records and/or reports (including but not limited to any approvals, rejections and/or comments) from the neutral and independent third-party reviewing the Development relative to the LEED Silver designation from the U.S. Green Building Council or certification from the National Green Building Standard (“**NGBS**”).

Further, the LEED Silver certification or designation or NGBS certification is a description or label designed to establish the level of energy efficiency and sustainability for Buildings and Improvements of the overall Development; and should substantially improve the “normal” or “regular” energy efficiency and indoor air quality for the overall Development. Beyond these environmentally responsible steps, Developer specifically agrees to consider additional steps or means to improve and/or protect the environment with regard to the Development, and to inform Landlord of any and all such additional methods or ways that Developer will utilize

“green building standards” in the design and construction of the overall Development in an effort to achieve the important goals of creating a healthy place to work as well as an environmentally responsible development in the community. Developer’s decision whether to incorporate or adopt any such additional steps or means shall be made in Developer’s sole and absolute discretion. Other specific requirements include:

Energy-efficient reflective roofs or green roofs are also specifically required per Miami-Dade County Resolution No. R-1103-10; and

Electric Vehicle (EV) charging stations required per Miami-Dade County Resolution No. R-1101-15.

xxvi. Sea Level Rise and Heat Resilience:

In accordance with Miami Dade Board of County Commissioners (BCC) Resolution R-451-14, the Developer shall be required to consider sea level rise projections and potential impacts as best estimated at the time of the Projects, using regionally consistent unified sea level rise projections and sea level rise data mapping websites, during all the project including but not limited to planning, design, and construction, to ensure that the Projects will function properly for fifty (50) years or the design life of the projects, whichever is greater.

The Developer shall provide a comprehensive landscape plan for all open spaces that meets or exceeds the minimum standards described in the Miami-Dade County Landscaping Ordinance Chapters 18A and 18B and aligns with the Landscape Manual, while also complying with any municipal landscape code requirements, in a way that reduces building energy use intensity, aids onsite stormwater management, and expands existing tree canopy to increase community resilience to extreme heat while also enhancing overall appearance. In accordance with CDMP Policy LU-8I, the Developer is encouraged to incorporate additional heat mitigation elements into the project including porous pavements, cool roofs, and high albedo surfaces. The Developer will be required to consult with all appropriate County departments and plans will need to be in accordance with Miami-Dade County Implementing Order IO 8-8 and approved by Miami Dade HCD Department.

xxvii. The Developer shall comply with the requirements of E-Verify as more fully described in Exhibit M attached hereto and incorporated herein by reference.

xxviii. Safety Standards and Regulations.

The Developer and/or Owner Affiliated Entity shall be required to comply with the Occupational Safety and Health Administration (OSHA) requirements. Precautions shall always be exercised for the protection of persons and property. The equipment being offered by the Developer and/or Owner Affiliated Entity shall be the most recent model available. Any optional components which are required in accordance with the specifications of the project shall be considered standard equipment for the purposes of this Agreement. Demonstrator models will not be accepted. Omission of any essential detail from the specifications of the project does not relieve the Developer and/or Owner Affiliated Entity from furnishing a complete unit. The equipment shall conform to all applicable Federal (including OSHA), State, and local safety requirements. All components (whether primary or ancillary) of the delivered equipment shall be in accordance with current Society of Automotive Engineering (SAE) standards and recommended practices, as applicable. The engineering, materials, and workmanship associated with the Developer and/or Owner Affiliated Entity's performance hereunder shall exhibit a high-level of quality and appearance consistent with or exceeding industry standards.

The Developer, Owner Affiliated Entity, Contractor, and Sub-Contractors performing services under this Agreement shall conform to all relevant OSHA requirements, Federal, State and County regulations, and County department's safety procedures during the course of such effort. Any fines levied by the abovementioned authorities for failure to comply with these requirements shall be borne solely by the responsible Developer and/or Owner Affiliated Entity. Furthermore, the Federal "Right to Know" Regulation implemented by OSHA requires employers to inform their employees of any toxic substances which they may be exposed to in the workplace, and to provide training in safe handling practices and emergency procedures. It also requires notification to local fire departments of the location and characteristics of all toxic substances regularly present in the workplace. Accordingly, the Developer and/or Owner Affiliated Entity performing under this Agreement shall provide two complete sets of Material Safety Data Sheets to each County Department utilizing the awarded products. This information should be provided at the time when the initial delivery is made, on a department-by-department basis. For

additional information on the Federal Right to Know Regulation, contact OSHA at <https://www.osha.gov/>.

xxix. Contracting with Entities of Foreign Countries of Concern.

By entering into this Agreement, the Developer and, if applicable, the Owner Affiliated Entity affirm that they are not in violation of Section 287.138, Florida Statutes, titled Contracting with Entities of Foreign Countries of Concern Prohibited. The Developer and the Owner Affiliated Entity further affirm that they are not giving a government of a foreign country of concern, as listed in Section 287.138, Florida Statutes, access to an individual's personal identifying information if: a) the Developer and the Owner Affiliated Entity are owned by a government of a foreign country of concern; b) the government of a foreign country of concern has a controlling interest in the Developer and the Owner Affiliated Entity; or c) the Developer and the Owner Affiliated Entity are organized under the laws of or has its principal place of business in a foreign country of concern as is set forth in Section 287.138(2)(a)-(c), Florida Statutes. This affirmation by the Developer shall be in the form attached to this Agreement as Contracting with Entities of Foreign Countries of Concern Prohibited Affidavit, which is attached hereto as Exhibit N and incorporated herein by reference

xxx. Human Trafficking.

By entering into, executing, amending, or renewing this Agreement, including, without limitation, a grant agreement or economic incentive program payment agreement (all referred to as the "Agreement"), as applicable, the Developer and the Owner Affiliated Entity are obligated to comply with the provisions of Section 787.06, Florida Statutes ("F.S."), "Human Trafficking," as amended, which is deemed as being incorporated by reference in this Agreement. All definitions and requirements from Section 787.06, F.S., apply to this Agreement.

This compliance includes the Developer and the Owner Affiliated Entity providing an affidavit that it does not use coercion for labor or services. This attestation by the Developer and the Owner Affiliated Entity shall be in the form attached to this Agreement as Exhibit N, Kidnapping, Custody Offenses, Human Trafficking and Related Offenses Affidavit (the "Affidavit"), and must be executed by the Developer and the Owner Affiliated Entity and provided to the County when entering, amending, or renewing this Agreement.

This Agreement shall be void if the Developer and the Owner Affiliated Entity submit a false Affidavit pursuant to this Act or the

Developer and the Owner Affiliated Entity violate the Act during the term of this Agreement, even if the Developer and the Owner Affiliated Entity were not in violation at the time it submitted its Affidavit.

The Developer's obligations under this Section 4(b) of this Agreement shall survive the termination of this Agreement.

- (c) County's Responsibilities. As more specifically described herein, the County is responsible for the following activities related to the Development (such list is not intended to be exhaustive):
- i. Developing and submitting all necessary applications to HUD (provided that the Developer shall have an opportunity to review and comment on the same prior to submission);
 - ii. Approving Owner Affiliated Entity admissions and occupancy criteria and related property management documents such as the RAD-Section 8 lease and house rules, which approvals shall not be unreasonably withheld, delayed or conditioned;
 - iii. Reviewing, approving, and submitting the RAD proposal and evidentiaries to HUD, with assistance and cooperation from the Developer as reasonably needed or requested;
 - iv. Providing public housing funds, Surtax Funds and General Obligation Bond Funds that are legally available and which may require a competitive application and selection process, and allowing the use of a portion of such funds as a loan for predevelopment activities in accordance with the RAD Requirements;
 - v. Entering into the RAD-PBV HAP Agreement for the RAD Units and providing the assistance due thereunder; work with the Developer and departments of the County to help facilitate off-site infrastructure improvements necessary for the Development;
 - vi. Cooperating with the Developer in the Developer's application for and executing, as needed, all zoning, permitting and similar governmental applications and permits necessary for the Development, as well as all documents related to each Financial Closing;
 - vii. Obtaining all necessary HUD approvals (including as related to RAD approvals, environmental approvals in accordance with 24 C.F.R. Part 50 or Part 58), providing reports and maintaining communications with HUD. Notwithstanding the foregoing, the County will provide copies of all items to Developer prior to submission to HUD in order to permit the Developer to provide input and comment with respect to the same;

(d) Unit Management Software.

- i. The Developer must use the County's current system of record, Emphasys Elite (or successor system), for the purposes of entering re-certification data, HUD PIC submissions, and reporting. The Developer will be responsible for any associated software license, support, and training costs. The County will make the application available to the Developer and will be responsible for the user account management and security. The County will not provide any e-mail or telecommunications services and will not provide any technical support related to the Developer's information technology infrastructure, including, but not limited to, desktops, servers, routers, or related network connectivity. The Developer will also be responsible for any maintenance and development costs associated with any application or database interfaces to the County's current system of record.

5. **Fees.**

- (a) Developer Fee. The parties agree to seek approval from HUD, if required by RAD Requirements, of the maximum allowable developer fee (whether or not deferred) permitted by the Florida Housing Finance Corporation for the Development of eighteen percent (18%), with respect to four (4%) Low-Income Housing Tax Credit transactions, and sixteen percent (16%), with respect to nine percent (9%) Low-Income Housing Tax Credit transactions (the "**Developer Fee**"). The Developer agrees that the County shall earn a fee, to be structured in a manner reasonably acceptable to the parties, equal to 30%. The County's share of the Developer Fee will be pari-passu to the Developer's share and will be paid to the County on a pro rata basis as it is distributed to the Developer.
- (b) Capitalized Lease Payment. With respect to the Ground Lease, the Developer agrees to pay a Lump Sum payment of \$1,180,000.00. Which amount is calculated by multiplying the number of units (i.e., 236) times \$5,000; provided, however, that in the event that this Development includes more than 236 units, the Capitalized Payment shall be adjusted on a unit for unit basis. This Capitalized Payment is set to be paid upon Financial Closing and its amount shall be reflected in the Ground Lease.
 - i. The Developer must close within 24 months after execution of this Master Development Agreement (MDA) and Option to Lease, subject to ASPR approval by Miami-Dade County and RAD approval from the Department of Housing and Urban Development "HUD." If the Developer does not close within 24 months of MDA and Option to Ground Lease execution, Developer will be required to place 25% of the CGLP in escrow in order to receive a 6-month extension for closing. For each additional six-month extension, the Developer will place an additional 25% of the CGLP in escrow. The amount(s) placed in escrow will be applied against the total CGLP

due at closing and will be non-refundable at the end of each six-month extension period.

- (c) County Net Cash Flow Participation. Beginning the first year of positive cash flow after full payment of the deferred developer fee, the County will receive annually 16.5% of all net distributable operating receipts characterized as net cash flow. (the “**Net Cash Flow Participation**”). The County may request, no more than once annually, and to be delivered to the County, a property and partnership audit. Such audit shall be performed by a licensed certified public accountant CPA and shall be paid for by the property and/or partnership.
- (d) County Residual Participation. Upon any sale, refinance, cash-out transaction, or resyndication of the Low Income Housing Tax Credits, involving the Developer’s leasehold interests or properties, other than those in which the County is the purchasing entity, the County will receive 16.5% of the Developer managing member’s net proceeds from such transactions after debt, expenses, fees and agreed upon and customary offsets for repairs, approved operating loans to the project and other related costs (the “**Net Proceeds**”).

For avoidance of doubt, the Developer shall not owe any amounts to the County in connection with the Ground Lease or applicable Sublease until the Financial Closing.

6. Payment Provisions for County Funds (if applicable).

- (a) The Developer shall submit to the County, not more often than monthly, a payment (Draw) request for County funds in a form and format acceptable to the County, for expenditures for the work completed and incurred.
- (b) Each payment request shall be carefully reviewed and evaluated for accuracy, completeness and compliance with this agreement by the Developer prior to its submission to the County. Each payment request shall identify, by line item and by reference to the corresponding element of the Budget, (a) the total costs to date incurred, (b) the corresponding portion of the compensation due to developer, if applicable, (c) the amounts, if any, of previous payments, and (d) the portion, if any, of such costs and/or fee for which a payment is requested under the payment request and any other provisions reasonably required (with reasonable advance notice) by the County. Each payment request shall be accompanied by separate billing statements or invoices from each consultant, sub-consultant, contractor or sub-contractor (herein vendors) to which payment has been made or will be made. The County shall not be required to make advance payments or deposits.
- (c) Payment requests shall not be processed until a proper payment request (herein a “**Proper Invoice**”) has been received by the County from the Developer. A Proper Invoice means an invoice which conforms to the payment requirements of the County. A Proper Invoice shall include a statement by the Developer

waiving claims for extra direct and indirect costs or time associated with work preceding the date of the invoice, or a statement in sufficient detail containing all rights reserved for work already performed. All present requirements or future rules pertaining to the execution of a Proper Invoice will be made available to the Developer in a timely manner. The Developer shall make payments to all vendors included in each respective payment request within five (5) business days of receipt of funds from the County. The Developer shall include the provisions of this section in all sub-contracts and require all vendors to include this provision in their contracts with other vendors.

- (d) The time at which payment for service is due from the County shall be calculated from the date on which a Proper Invoice is received by the County. The time at which payment shall be due from the County to the Developer shall be forty-five (45) days from receipt by the County of a Proper Invoice from the Developer. In any case in which an improper invoice is submitted by the Developer, the County shall, within ten (10) days after the improper invoice is received, notify the Developer that the invoice is improper and indicate what corrective action on the part of the Developer is needed to make the invoice proper. Notwithstanding this, the County reserves its right to review an improper invoice at any point in time and notify the Developer of corrective actions that are needed and must be taken.
- (e) Final payment shall not be made to the Developer until the Developer has resolved all pending Davis-Bacon wage rate compliance issues and restitution is made (or placed in escrow for unfound workers) to all workers determined by the County to be underpaid. At a minimum, an amount equal to the cost of all pending Davis-Bacon non-compliance issues shall be retained until such issues are resolved to the County's satisfaction. The Developer shall be assessed up to \$500 daily for all administrative costs it incurs in managing Davis-Bacon non-compliance issues.
- (f) For non-County funds, the Developer shall provide a report, in a form and format acceptable to County, indicating payment requests and approved amounts received by the Developer for all funding sources and percentage of Construction Completion. In addition, the Developer shall provide, on a monthly basis, a construction schedule and construction budget, with anticipated changes to the budget and schedule, along with a change order log, and the Developer will meet with the County at the County's request, at thirty-day intervals, to review and discuss the monthly report. Any proposed changes will be subject to the approval provisions set forth in this Agreement.

7. Property Management Responsibilities.

- (a) Designation of Property Manager. The initial property manager for Development shall be TRG Management Company, LLLP. The Property Manager may or may not be an affiliate of the Developer, (the "**Management Agent**"), and the County, pursuant to the Management Agreement, to be

attached hereto as Exhibit I. The Management Agent shall be responsible for the day-to-day operation of the Development, including, but not limited to, compliance, collections, leasing, payment of invoices and maintenance. Specific duties shall be further detailed in the initial agreement between the Management Agent and the Owner Affiliated Entity, and such agreements are subject to the County's reasonable approval. Notwithstanding the foregoing, the parties acknowledge and agree that the Management Agent's responsibilities, as noted herein, shall commence upon the Construction Completion of the Development.

- (b) Admissions Policies. The parties agree that the occupancy will be carried out with respect to the Development as follows:
- i. Any vacancies to RAD Units will be filled by applicants who are referred from the County's waiting list, subject to screening by the Management Agent for income and other LIHTC compliance matters. The parties agree that a site-based waiting list will be used, in accordance with the County's Section 8 Program Administrative Plan. The parties acknowledge and agree that the County's Section 8 Administrative Plan will be revised, as necessary, to reflect the foregoing and that a referral process will be formulated by the parties to ensure that lease-up occurs in a timely and equitable manner.
 - ii. The parties agree that the occupancy will be carried out with respect to the Development following the Management Agent's tenant screening processes and leasing procedures approved by the County.
 - iii. Developer shall assist the County with all reporting and coordination requirements, including, but not limited to, HUD-PIC coordination and submissions required for the project.
 - iv. The property management agreement shall include provisions for Resident Grievance procedure, approved by the County that includes detailed steps for the aggrieved resident to follow in the event of a violation of management rules, property operating policies, and any State and Federal regulatory program guidance.
 - v. The property management agreement shall include and must stipulate a life of project guarantee from the project development and management entity that at least one of the Full-Time property management site employees is from the community.
- (c) Property Management Fee. The Management Agent shall receive a management fee pursuant to the Management Agreement.

8. Termination.

- (a) Termination for Convenience. The County reserves the right to terminate this Agreement, in whole or in part, with respect to the project not yet reaching a Financial Closing, at any time for the convenience of the County, if the County shall determine in good faith that it is in the County's best interest, or contrary to that interest to proceed with the Development. In the event of a termination for convenience under this Agreement, the County shall deliver to the Developer a Notice of Termination within thirty (30) days specifying the extent to which the performance of the work under this Agreement is terminated, and the date upon which such termination becomes effective. If the performance of the work under this Agreement is terminated in whole or in part, the County shall be liable to the Developer for all costs resulting from such termination, including, but not limited to, repayment of all fees paid upon execution of the respective ground leases in accordance with Section 5(b) hereof, to the extent applicable. In addition, any predevelopment loans advanced to the Developer will be deemed satisfied in connection with the assignment of work product in accordance with subsection (f) below. Within thirty (30) days after receipt of the Notice of Termination, the Developer shall present a proper claim setting out in detail: (i) the total cost of all third-party costs incurred to date of termination, for work products that are included in the approved pre-development budget, including, but not limited to, architectural, engineering, and similar types of costs, and also including any County approved loans from third parties; (ii) the cost (including reasonable profit) of settling and paying claims under subcontracts and material orders for work performed and materials and supplies delivered to the site, or for settling other liabilities of Developer incurred in performance of its obligations hereunder; (iii) the cost of preserving and protecting the work already performed until the County or its assignee takes possession thereof or assumes responsibility; and (iv) FHFC withdrawal penalty, if applicable. Within ninety (90) days after receipt of the claim from the Developer, the County shall either respond to the Developer's claim or make a final payment to the Developer in the event there is no dispute relative to claim.
- (b) Termination for Infeasibility. The County or the Developer may terminate this Agreement for infeasibility, but only to the extent that the County and the Developer first made good faith efforts to pursue an alternative course of action that meets the program objectives for the redevelopment contemplated for this overall project(s). In the event that, prior to a Financial Closing, adverse contingencies occur, including but not limited to, the inability to obtain sources of funds in an amount sufficient to complete the development, and the parties cannot, within one hundred twenty (120) days after either party providing written notice that an adverse contingency has occurred, agree to amend the Development Plan, then this shall be deemed an "**Event of Infeasibility.**" Upon the occurrence of an Event of Infeasibility, this

Agreement may be terminated, in whole or in part, for a project that has not yet reached Financial Closing, if one party so agrees following receipt from the other party of written notice of the party's desire to terminate this Agreement. In such event, the Developer shall be limited to reimbursement for those costs as set forth in (i), (ii), (iii), and (iv) of Section 8(a).

- (c) With respect to the rights of termination upon an Event of Infeasibility, either party's exercise of such rights of termination for infeasibility shall be specific to the Phase or Phases terminated pursuant thereto and shall not be deemed to terminate the Ground Lease, any unaffected Sublease, or this Agreement. Termination for Cause. Either party may terminate this Agreement for cause, at any time, on the giving of notice to the other party of the grounds asserted for such termination and failure of the other Party to cure such grounds within thirty (30) days from receipt of such notice ("**Termination for Cause**"). Notwithstanding anything to the contrary contained herein, suspension from participation in any government programs, which suspensions, for the purposes hereof, are defined to include, but not be limited to, any sanctions imposed by HUD pursuant to 24 C.F.R. Part 24, shall be grounds for termination of this Agreement for cause without opportunity for cure. By execution of this Agreement, Developer hereby certifies to the County that it is not suspended, debarred or otherwise prohibited from participation in any government programs.

In the event of a termination of this Agreement by the County or the Developer which is determined to constitute a breach hereof by the County or the Developer, the party in breach shall be liable to the non-breaching party in accordance with applicable law for all actual damages caused thereby.

- (d) Fraud, Misrepresentation or Material Misstatement. The County may terminate this Agreement if Developer attempts to meet its contractual obligations hereunder with the County through fraud, misrepresentation, or material misstatement.
- (e) Debarment. The foregoing notwithstanding, any individual, corporation or other entity that attempts to meet its contractual obligations with the County through fraud, misrepresentation or material misstatement may be debarred from County contracting for up to five (5) years in accordance with the County debarment procedures. The Developer may be subject to debarment for those reasons set forth in Section 10-38 of the County Code.
- (f) Remedies. In the event that the County exercises its right to terminate this Agreement following an Event of Default, the Developer shall, upon receipt of such notice, unless otherwise directed by the County:
 - i. Stop work on the date specified in the notice (the "**Effective Termination Date**");

- ii. Take such actions as may be necessary for the protection and preservation of the County's materials and property;
 - iii. Cancel orders;
 - iv. Upon payment by the County for such work product and payment of other amounts due in accordance with this Section 8, assign to the County and deliver to any location designated by the County any non-cancelable orders for deliverables that are not capable of use except in the performance of this Agreement and has been specifically developed for the sole purpose of this Agreement and not incorporated in the Services;
 - v. Take no voluntary action (unless otherwise required by legal obligations) which will increase the amounts payable by the County under this Agreement.
- (g) Developer Shall Deliver Work Product in Event of Termination. In the event that this Agreement is terminated under this Section 8, Developer agrees that it shall promptly deliver to County, or cause to be delivered to County, any concrete, transferable, and useable third party work product generated in connection with the Development, and will assign to County all of its right, title, and interest to such work product, without reservation in exchange for County's payment of funds paid by Developer (including funds borrowed from third parties) for such work product, along with amounts due to the Developer hereunder. Developer shall be under no obligation to deliver any work product in its possession unless the County shall have reimbursed it for the cost thereof (and paid to the Developer any other amounts due hereunder) or shall have agreed to offset the cost thereof against any indebtedness owing from the Developer to the County. No payment shall be due, however, if the Developer has committed fraud, misrepresentation, material misstatement, or in the event of termination for an Event of Default pursuant to Section 9, provided, however, that the County has a predevelopment loan in effect with respect to such work product.
- (h) Partial Termination.
- i. The County may, in its discretion, terminate this Agreement (unless caused by the County's failure to timely perform the County's obligations hereunder) with respect to the respective individual Phases set forth below, at no cost to the County, if:
 - 1. As to the first Phase of the Development, the Developer is unable to commence construction for such Phase within twelve (12) months from firm commitment of the remaining gap financing required for such Phase, unless the Developer's inability to secure funding and financing is caused solely by the County's failure to timely perform the

County's obligations hereunder; or

2. As to the remaining Phases of the Development, the Developer is unable to secure financing from FHFC for a subsequent Phase within twelve (12) months after the completion of the prior Phase, unless the Developer's inability to secure funding and financing is caused solely by the County's failure to timely perform the County's obligations hereunder, provided, however, that the County may at its sole option grant reasonable extensions thereof upon a showing by the Developer that it has diligently pursued such Phase in good faith or provided other reasonable justification for such delay.
- ii. Upon partial termination of this Agreement for an applicable Phase, the Developer shall have no further development or possessory rights to the undeveloped portion(s) of such Phase under this Agreement. The Developer and the County shall coordinate and execute appropriate agreements, contracts, or other applicable documents to return the undeveloped portions of such Phase to the County, including, but not limited to, an amendment to the Ground Lease and Sublease to remove that portion of the demised premises that were to be used by Developer for the applicable terminated Phase.
- iii. With respect to the rights of partial termination set forth in subsection (h) above, the County's exercise of such rights of partial termination shall be specific to the Phase or Phases terminated pursuant thereto and shall not be deemed to terminate the Ground Lease, any unaffected Sublease, or this Agreement.

9. Event of Default.

- (a) An Event of Default shall mean a breach of this Agreement by the Developer after expiration of any applicable notice and cure period without such cure. Without limiting the generality of the foregoing, and in addition to those instances referred to herein as a breach, an Event of Default shall include, but not limited to, the following:
 - i. the Developer has made a Material Change to the Development Schedule without the County's approval;
 - ii. the Developer has refused or failed to supply commercially reasonably sufficient skilled staff personnel;
 - iii. the Developer has failed to make prompt payment to subcontractors or suppliers for any Services in violation of applicable law;
 - iv. the Developer has become insolvent (other than as interdicted by the bankruptcy laws), or has assigned the proceeds received for the benefit of the Developer's creditors, or the Developer has taken advantage of any

- insolvency statute or debtor/creditor law or if the Developer's affairs have been put in the hands of a receiver;
- v. the Developer has commenced construction without obtaining the approval of the County with respect to the approvals required under Sections 3 and 4 of this Agreement;
 - vi. the Developer has failed in any material respect with respect to any representation or warranty stated under Section 17 of this Agreement;
 - vii. the Developer has failed to comply with the public records disclosure requirements set forth in Section 119.0701 of the Florida Statutes, and Section 26 of this Agreement;
 - viii. the Developer has failed to comply with any and all UFAS requirements and obligations;
 - ix. the Developer has made a Material Change to the Development Budget without the County's approval;
 - x. the Developer fails to pay any Liquidated Damages due and payable under this Section 9; and/or
- (b) If the County shall terminate this Agreement for default, subject to applicable cure periods set forth herein, the County or its designated representatives may immediately take possession of all applicable equipment, materials, products, documentation, and reports after payment, if applicable.
- (c) Notwithstanding the foregoing, this Agreement shall not be terminated for default if the delay in fulfilling or inability to fulfill Developer's obligations hereunder arises from (i) unforeseeable causes beyond the reasonable control of the Developer; (ii) an Economic Unavoidable Delay; or (iii) failure of any governmental entity, including, but not limited to, HUD, to provide approvals (e.g., zoning, interlocal agreements, RAD applications, leases, operating agreements, etc.) necessary to complete the work so long as the failure is not a result of Developer errors or omissions in an application seeking approval (any such failure or other cause or event being referred to herein as a "**Force Majeure Event**"). Examples of such causes include (a) acts of God or the public enemy, (b) material acts or failure to act, or delays in action, of the County, HUD, or other governmental entity in either their sovereign or contractual capacity, if the Developer can demonstrate that it has taken reasonable steps to provide for circumstances that facilitate a timely approval in accordance with conventional timeframes typical of such government agency, (c) material acts or failure to act of another contractor (other than a contractor or subcontractor to the Developer or the Owner Affiliated Entity) in the performance of a contract with the County, (d) fires, (e) floods, (f) strikes or labor disputes, (g) freight embargoes, (h) unavailability of materials, (i) unusually severe weather, (j) delays of subcontractors or suppliers at any tier arising from unforeseeable causes beyond the control and without fault or negligence of

both the Developer and the subcontractors or suppliers, (k) delay caused by litigation that is not between the County and the Developer, and (l) infectious disease occurring over a wide area and affecting a large number of people that materially and negatively impacts the Redevelopment Plan.

- (d) The Developer agrees to comply fully with its obligations to provide the Community Benefits Program. The parties understand and agree that the damages to the County, the community, and the public resulting from the Developer's failure to provide the Community Benefits Program may not be subject to exact calculation. For this reason, the parties have agreed to require the Developer to pay the County Liquidated Damages, which shall be due and payable at project completion or at the completion of the project if the completion of a component of the Community Benefits Program can be measured at a per-Phase completion level, for any such failure which is impossible to quantify with accuracy. In the event the Developer fails to provide any material portion of any item of the Community Benefits Programs, the Developer shall be liable to the County for Liquidated Damages. The amount of Liquidated Damages for each of the Community Benefits Program shall be as set forth in Section 9(e) of this Agreement.
- (e) If the Developer fails to provide the Community Benefits Program related to Small Business Hiring and Job Training and Job Placement, as more particularly set forth in Exhibit A-2, the Developer shall be liable to the County for Liquidated Damages, which Liquidated Damages shall be evaluated and assessed at the end of the project and shall be due and payable immediately and shall constitute the sole remedy of the County related thereto. The Liquidated Damages relating to those benefits shall be calculated as follows:
- With respect to Developer's commitment to provide a minimum of 25% of the construction subcontracts to certified Section 3, CBE, DBE, S/M/WBE, and Labor Surplus Area firms of new hires from Section 3 eligible residents as local construction and permanent hiring, Developer shall pay Liquidated Damages in the amount of \$5,000 for each percentage point by which Developer fails to meet the 25% commitment.
 - With respect to Developer's commitment to provide a minimum of 20% of the new jobs created for Section 3 or targeted zip code residents. Developer shall pay Liquidated Damages in the amount of \$2,500 monthly for each job by which Developer fails to meet its commitments for the Development.

The Developer agrees to comply fully with its obligations to comply with the local hiring requirements outlined in this Agreement. The parties understand and agree that the damage to the County, the community, and the public resulting from the Developer's failure to comply with the local hiring requirements may not be subject to exact calculation. For this reason, the parties have agreed to require the Developer to pay the County Liquidated Damages, which shall be due and payable

at project completion, for any such failure which is impossible to quantify with accuracy.

- (f) Within ten (10) days after the end of each quarter, Developer shall provide a detailed report to the County, in a format that the County has reviewed and agreed to, setting forth the Developer's progress toward satisfying their obligations to provide the Community Benefits Program, which report shall request the County's acknowledgement that such items have been satisfied. If the Developer is not meeting the commitments set forth above upon the completion, such report shall set forth the Developer's plans for meeting such commitments in subsequent Phases. Within fourteen (14) days after the County's receipt of such report, the County shall (i) execute an acknowledgement of the satisfied items, or (ii) provide a detailed written explanation to Developer setting forth the County's reasons for not executing such acknowledgement. If the County fails to so respond within thirty (30) days, the County shall be deemed to have acknowledged that such items have been satisfied.

10. **Notice of Default – Opportunity to Cure.** Notwithstanding anything in this Agreement to the contrary, if an Event of Default occurs in the determination of the County and the County wishes to declare an Event of Default or otherwise terminate this Agreement for cause to the extent, as provided under this Agreement, the County shall notify the Developer (the “**Default Notice**”), specifying the basis for such Event of Default and the extent to which performance of work under this Agreement is terminated, and advising the Developer that such default must be cured immediately or this Agreement with the County may be terminated. The Default Notice thereof shall specify the nature of the claimed Event of Default, the Phase(s) to which such Event of Default relates, and, if such Event of Default shall be reasonably subject to adequate cure, the Default Notice shall state (i) the actions required to be taken by the Developer to cure the Event of Default, and (ii) the reasonable time (up to sixty (60) days but no less than thirty (30) days (the “**Cure Period**”)) within which Developer shall respond with a showing that all required actions have been taken, provided that the Developer shall have such additional time as is reasonably necessary to cure such Event of Default so long as the Developer has diligently commenced and is proceeding in a reasonable diligent manner toward curing such Event of Default. The Cure Period can be extended at the County's sole discretion. During any cure period so provided, the Developer shall proceed diligently with performance of any work required by this Agreement which is not the subject of the claimed Event of Default. Following expiration of the stated cure period (unless the Developer has diligently commenced and is proceeding in a reasonable diligent manner toward curing such Event of Default, as provided hereinabove), the County shall deliver a second notice stating either that the Event of Default has been adequately cured or that the Agreement is terminated with respect to the Phase(s) to which such Event of Default relates.

11. **Remedies in the Event of Default.**

If an Event of Default occurs and remains uncured pursuant to Section 9 herein, the County may, as its sole remedy, terminate this Agreement with respect to the Phase(s) to which such Event of Default relates in accordance with Section 10 hereof. In addition, the

Developer shall be liable for all direct (but not consequential) damages to the County resulting from such Event of Default. In no event shall the County be entitled to bring any suit or proceeding for specific performance.

12. Lien Waivers.

Developer agrees that it will not permit any mechanic's, materialmen's, or other liens to stand against the property for work or materials furnished to Developer; it being provided, however, that Developer shall have the right to contest the validity thereof. Developer shall not have any right, authority or power to bind the County, the property or any other interest of the County in the property and will pay or cause to be paid all costs and charges for work done by it or caused to be done by it, in or to the property, for any claim for labor or material or for any other charge or expense, lien or security interest incurred in connection with the development, construction or operation of the Development or any change, alteration or addition thereto. IF ANY MECHANIC'S LIEN SHALL BE FILED, DEVELOPER SHALL BOND OVER, PROCURE THE RELEASE OR DISCHARGE THEREOF WITHIN NINETY (90) DAYS EITHER BY PAYMENT OR IN SUCH OTHER MANNER AS MAY BE PRESCRIBED BY LAW. NOTICE IS HEREBY GIVEN THAT THE COUNTY SHALL NOT BE LIABLE FOR ANY LABOR, SERVICES OR MATERIALS FURNISHED OR TO BE FURNISHED TO THE DEVELOPER OR TO ANYONE HOLDING ANY OF THE PROPERTY THROUGH OR UNDER THE DEVELOPER, AND THAT NO MECHANICS' OR OTHER LIENS FOR ANY SUCH LABOR, SERVICES OR MATERIALS SHALL ATTACH TO OR AFFECT THE INTEREST OF THE COUNTY IN AND TO ANY OF THE PROPERTY. THE COUNTY SHALL BE PERMITTED TO POST ANY NOTICES ON THE PROPERTY REGARDING SUCH NON-LIABILITY OF THE COUNTY.

Developer shall promptly pay all persons or entities furnishing labor and material with respect to any work performed by Developer or its contractor on or about the property in connection with the Development, and shall obtain and deliver to Landlord "releases" or waivers of liens from all parties doing work on or about the property, along with an affidavit from Developer stating that all bills have been paid with regard to such work and that there are no outstanding obligations, except in the ordinary course of business, owed with respect to any such work performed on the property in connection with the Development.

13. Indemnification.

- (a) Developer Indemnity. The Developer shall indemnify and hold harmless the County and its officers, employees, agents and instrumentalities from any and all liability, losses, or damages, including reasonable attorney fees and costs of defense, which the County or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Agreement by the Developer or its employees, agents, servants, partners, principals or subcontractors, subject to the following sentence. The Developer shall pay all of the County's direct (but

The Developer expressly understands and agrees that any insurance protection required by the Agreement or otherwise provided by the Developer shall in no way limit the responsibility to indemnify, keep and save harmless and defend the County or its officers, employees, agents and instrumentalities as herein provided. Notwithstanding anything to the contrary herein, such indemnification by the Developer shall not cover claims or losses to the extent caused solely by the negligence, gross negligence or intentional wrongful acts or omissions of the County or its officers, employees, agents or instrumentalities.

- (b) County Responsibility. The County shall indemnify and hold harmless the Developer and its affiliates, subsidiaries, officers, agents, employees, representatives, successors and assigns from any and all liability, losses, or damages, including reasonable attorney fees and costs of defense, which the Developer or its affiliates, subsidiaries, officers, agents, employees, representatives, successors and assigns may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Agreement by the County or officers, employees, agents and instrumentalities. The County shall pay all claims and losses in connection therewith, and shall investigate and defend all claims, suits, or actions of any kind or nature in the name of the Developer, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees which may issue thereon. The County's indemnification obligations in this Section 13(b) shall be subject to the provisions of Section 768.28, Fla. Stat., as may be amended from time to time, whereby the County shall not be liable to pay a personal injury or property damage claim or judgment by any one person which exceeds the sum of Two Hundred Thousand and No/100 Dollars (\$200,000.00), or any claim or judgments or portion thereof, which when totaled with all other occurrence, exceeds the sum of Three Hundred Thousand and No/100 Dollars (\$300,000.00), but only to the extent the limitations set forth in that Statute are applicable. If the Developer does not close within 24 months of MDA and Option to Ground Lease execution, Developer will be required to place 25% of the CGLP in escrow in order to receive a 6-month extension for closing. For each additional six-month extension, the Developer will place an additional 25% of the CGLP in escrow. The amount(s) placed in escrow will be applied against the total CGLP due at closing and will be non-refundable at the end of each six-month extension period.
- (d) Share of Revenues/ Net Cash Flow Participation. The Developer agrees that the County shall receive a share of revenue/net cash flow of 16.5%. This shall apply to revenues from all components of a project, including the non-RAD units. The share of revenues/net cash flow participation shall be received by the County from the Developer the first year of positive cash flow after full payment of any deferred developer fee, and through the termination date of the ground lease agreement, the County will receive annually 16.5% of all net distributable operating receipts characterized as net cash flow.
- (e) County Residual Participation. Upon any sale, refinance, cash-out transaction, or resyndication of the Low Income Housing Tax Credits, involving the Developer's leasehold interests or properties, other than those in which the County is the purchasing entity, the County will receive 16.5% of the

Developer managing member's net proceeds from such transactions after debt, expenses, fees and agreed upon and customary offsets for repairs, approved operating loans to the project and other related costs (the "Net Proceeds").

- (f) Davis-Bacon Compliance Review Fee. The Developer shall pay a \$3,000 per month fee to HCD during the entire construction duration of the development for Davis-Bacon compliance review. The total payment is estimated to be \$72,000, which is calculated as \$3,000 * 24 months under construction. The first payment shall be due 30 days after the construction of the development has begun. Failure to comply with Davis-Bacon wage rate or other federal required classification requirements will affect payments to the Developer (refer to Section 6, Payment Provisions). In addition, the County will assess the Developer up to a \$500.00 daily penalty fee to cover reasonable administrative costs it incurs for managing issues associated with the Developer's, and/or its consultants, contractors or vendors, non-compliance with the applicable regulations. This includes, but is not limited to, compliance with Davis-Bacon wages and HUD Section 3 requirements. This fee will be assessed for all days starting on the date that the County notifies the Developer of non-compliance and will be assessed until the date that the issue is acknowledged in writing as being resolved either by the County or Developer.

Project Manager

Alberto Milo Jr. leads Related Urban Development Group (RUDG), the affordable housing division of the nation's most prolific development company, Related Group. In this role, he is responsible for the overall design, development, construction, financing and budgeting for each project within RUDG's portfolio, whether public, affordable, workforce or mixed-income housing. Under Albert's leadership, RUDG has built and rehabilitated more than 7,500 units throughout Florida with an additional 2,100 units under construction, and over \$2 billion in total development costs.

Most recently, RUDG has begun an ambitious new set of projects which are designed to eliminate many of the drawbacks historically associated with public housing developments. Among these is the \$600 Million River Parc master plan in Miami's Little Havana neighborhood, which is cited as the most ambitious affordable housing development in the county to date, built in partnership with Miami-Dade County. The development will contain over 2,500 units along with a new Riverwalk and commercial opportunities. Similarly, a \$400 Million mixed-income riverfront development is underway in Tampa's historic West River district, developed in collaboration with the Tampa Housing Authority. Albert and his team are also currently working on the redevelopment of Liberty Square, the oldest and largest public housing development in the Southeastern United States. The project, which also follows the mixed-income format, will contain over 1,500 units along with commercial and community opportunities. The project has been lauded as one of the most significant public housing redevelopments in South Florida and the Country, with HUD Secretary, Dr. Ben Carson, calling the project an example to follow around the country.

Prior to his tenure at RUDG, Albert owned and operated real estate development, real estate brokerage and mortgage brokerage companies over the span of 20 years. After developing his first affordable housing development in 1999, he formed The Urban Development Group in 2002, focused on revitalizing communities by creating affordable homeownership for underserved markets. As a committed member of the local community, Albert has served on the Miami-Dade County Industrial Development Authority since 2005 and is a former member of the Greater Miami Chamber of Commerce's Workforce Housing Committee. 3.1. Capitalized Payment. Tenant covenants and agrees to pay to Landlord as rent under this Lease:

- (i) a one-time capitalized lease payment in the amount of \$1,180,000.00 (the "**Capitalized Payment**"), which amount is calculated by multiplying the number of units (i.e., 236) times \$5,000.00, and shall be paid, executed and delivered by Tenant to Landlord on or prior to the Commencement Date of Construction.

Capitalized Payment. If greater or fewer than 236 units are constructed at the Premises, the Capitalized Payment shall be adjusted on a unit-for-unit basis. Payment shall be made payable to the Board of County Commissioners, c/o Housing and Community Development, 701 N.W. 1st Court, 16th Floor, Miami, Florida 33136, or at such other place and to such other person as Landlord may from time to time designate in writing, as set forth herein.

Furthermore, should Tenant fail to vacate the Premises in accordance with the terms of this Lease at the end of the Term, or at the earlier termination of this Lease, the Tenant shall pay to Landlord a charge for each day of occupancy after expiration or termination of the Lease in an amount equal to 150% of Tenant's Rent (applicable during the immediately

preceding Lease Year) prorated on a daily basis. Such charge shall be in addition to any actual damages suffered by Landlord due to Tenant's failure to vacate the Premises, for which Tenant shall be fully liable, it being understood and agreed, however, that Tenant shall under no circumstances be liable to Landlord for any incidental, indirect, punitive or consequential damages (including, but not limited to, loss of revenue or anticipated profits).

3.4. Utilities. Commencing as of the Commencement Date, Tenant shall pay or cause to be paid all charges for water, gas, sewer, electricity, light, heat, other energy sources or power, telephone or other service used, rendered or supplied to Tenant in connection with the Premises.

3.6. Taxes. Tenant understands and agrees that as a result of the Landlord's fee ownership of the Premises, for State law purposes, the Premises may be exempt from any ad valorem taxes. Landlord represents to Tenant that any such exemption should remain in effect notwithstanding that Landlord is entering into this Lease. However, during the Term of this Lease, if, for any reason whatsoever, the Premises become subject to ad valorem taxes or any other real estate taxes, fees, impositions and/or charges become imposed during the Term and any Extensions upon the Premises and the building and/or other improvements constructed on the Premises by Tenant (**Real Estate Taxes**), then, in such event, from and after the Commencement Date (but not before such date), Tenant shall be required to pay such Real Estate Taxes, prior to delinquency without notice or demand and without set-off, abatement, suspension or deduction. 3.7. Contested Obligations. If Tenant shall deem itself aggrieved by any Real Estate Taxes or other charges for which it is responsible hereunder and shall elect to contest the payment thereof, Tenant may make such payment under protest or, if postponement of such payment will not jeopardize Landlord's title to the Land, or subject Landlord to the risk of any criminal liability or civil liability or penalty, Tenant may postpone the same provided that it shall secure such payment and the interest and penalties thereon and the costs of the contest on the determination or the proceedings or suit in which such contest may be had, by causing to be delivered to Landlord cash or other security satisfactory to Landlord, or a bond of indemnity of a good and solvent surety company, in form and amount satisfactory to Landlord. Tenant agrees to save Landlord harmless from all costs and expenses incurred on account of Tenant's participation in such proceedings or as a result of Tenant's failure to pay Real Estate Taxes and other related

charges with respect to the Premises. Landlord, without obligating itself to incur any costs or expenses in connection with such proceedings, shall cooperate with Tenant by providing such information and executing such applications, documents or filings as requested by Tenant, each with respect to such proceedings so far as reasonably necessary; provided, however, that Tenant acknowledges that the foregoing duty to cooperate will not require the Landlord to take any legal position contrary to the position taken by the Miami-Dade County Property Appraiser or Tax Collector in any such proceeding. Tenant shall not discontinue any abatement proceedings begun by it without first giving the Landlord written notice of its intent to do so and reasonable opportunity to be substituted in such proceedings. Landlord shall promptly furnish to Tenant a copy of any notice of any Real Estate Taxes received by Landlord.

3.8. Control and Liabilities. Landlord acknowledges and agrees that Landlord is and shall be, at all times prior to the Commencement Date, in use, control and occupancy of the Premises and all improvements located thereon. Tenant shall have no liability or obligation whatsoever with respect to such acts or omissions. Tenant expressly understands and agrees that any insurance protection required by this Lease or otherwise provided by Tenant shall in no way limit the responsibility to indemnify, keep and save harmless and defend the Landlord or its officers, employees, agents and instrumentalities as herein provide.

4.2. Landlord's Environmental Responsibility and Representations.

(a) Except to the extent that an environmental condition is aggravated or exacerbated by the negligent or willful acts or omissions of Tenant, its agents or contractors, Tenant shall not be responsible under this Lease for any claims, losses, damages, liabilities, fines, penalties, charges, administrative and judicial proceedings and orders, judgments, remedial action requirements, enforcement action of any kind, and all costs and expenses incurred in connection therewith arising out of: (i) the presence of any Hazardous Substances in, on, over, or upon the Premises first affecting the Premises as of or prior to the Commencement Date, whether now known or unknown; or (ii) the failure of Landlord or its agents or contractors prior to the Commencement Date to comply with any Environmental Laws relating to the handling, treatment, presence, removal, storage, decontamination, cleanup, transportation or disposal of Hazardous Substances into, on, under or from the Premises at any time, whether or not such failure to comply was known or knowable, discovered or discoverable prior to the Commencement Date.

(b) Landlord represents and warrants to Tenant that, as of the date hereof:

1. except as may be referenced in the Environmental Assessments, and to the best of Landlord's actual knowledge, neither the Land nor any part thereof has been used for the disposal of refuse or waste, or for the generation, processing, storage, handling, treatment, transportation or disposal of any Hazardous Substances;
2. except as may be referenced in the Environmental Assessments, and to the best of Landlord's actual knowledge, no Hazardous Substances have been installed, used, stored, handled or located on or beneath the Land, which Hazardous Substances, if found on or beneath the Land, or improperly disposed of off of the Land, would subject the owner or occupant of the Premises to damages, penalties, liabilities or an obligation to perform any work, cleanup, removal, repair, construction, alteration, demolition, renovation or installation in or in connection with the Premises (**Environmental Cleanup Work**) in order to comply with any Environmental Laws;
3. except as may be referenced in the Environmental Assessments, and to the best of Landlord's actual knowledge, no notice from any governmental authority or any person has ever been served upon Landlord, its agents or employees, claiming any violation of any Environmental Law or any liability thereunder, or requiring or calling any attention to the need for any Environmental Cleanup Work on or in connection with the Premises, and neither Landlord, its agents or employees has ever been informed of any threatened or proposed serving of any such notice of violation or corrective work order; and

4. except as may be referenced in the Environmental Assessments, and to the best of Landlord's knowledge, no part of the Land is affected by any Hazardous Substances contamination, which for purposes hereof, shall mean: (i) the contamination of any improvements, facilities, soil, subsurface strata, ground water, ambient air, biota or other elements on or of the Land by Hazardous Substances, or (ii) the contamination of the buildings, facilities, soil, subsurface strata, ground water, ambient air, biota or other elements on, or of, any other property as a result of Hazardous Substances emanating from the Land.

4.3. Liens.

(a) Tenant agrees that it will not permit any mechanic's, materialmen's or other liens to stand against the Premises for work or materials furnished to Tenant it being provided, however, that Tenant shall have the right to contest the validity thereof. Tenant shall not have any right, authority or power to bind Landlord, the Premises or any other interest of the Landlord in the Premises and will pay or cause to be paid all costs and charges for work done by it or caused to be done by it, in or to the Premises, for any claim for labor or material or for any other charge or expense, lien or security interest incurred in connection with Tenant's development, construction or operation of the Improvements or any change, alteration or addition thereto made by or on behalf of Tenant. (b) Tenant shall make, or cause to be made, prompt payment of all monies due and legally owing to all persons, firms, and corporations doing any work, furnishing any materials or supplies or renting any equipment to Tenant or any of its contractors or subcontractors in connection with the construction, reconstruction, furnishing, repair, maintenance or operation of the Premises, and in all events will bond or cause to be bonded, with surety companies reasonably satisfactory to Landlord, or pay or cause to be paid in full forthwith, any mechanic's, materialmen's or other lien or encumbrance that arises, due to the actions of Tenant or any person acting on behalf of or under the control of Tenant, against the Premises.

(c) Tenant shall have the right to contest any such lien or encumbrance by appropriate proceedings which shall prevent the collection of or other realization upon such lien or encumbrance so contested, and the sale, forfeiture or loss of the Premises to satisfy the same; provided that such contest shall not subject Landlord to the risk of any criminal liability or civil penalty, and provided further that Tenant shall give reasonable security to insure payment of such lien or encumbrance and to prevent any sale or forfeiture of the Premises by reason of such nonpayment, and Tenant shall indemnify Landlord for any such liability or penalty. Upon the

termination after final appeal of any proceeding relating to any amount contested by Tenant pursuant to this Section 4.3, Tenant shall pay within a prescribed time any amount determined in such proceeding to be due, and in the event Tenant fails to make such payment, Landlord shall have the right after ten (10) business days' notice to Tenant to make any such payment on behalf of Tenant and charge Tenant therefor.

Without limiting the generality of the foregoing sentence, or the duration of the use restrictions applicable during the Term, Tenant covenants, promises and agrees that:

(i) It will (a) enter into the RAD HAP Contract when the same is presented by Landlord; (b) apply to Landlord for renewal of the RAD HAP Contract not later than ninety (90) days prior to the expiration of the RAD HAP Contract or any extension thereof, and (c) accept renewal of the RAD HAP Contract; and failure to do so will be considered a default under this Lease;

(ii) During the Term, Tenant will operate and maintain the RAD Units in accordance with the requirements of the RAD Program for so long as the RAD Use Agreement and RAD HAP Contract so require, except to the extent that any requirement may be specifically waived in writing by Landlord and/or HUD, as appropriate; and

Landlord shall, without expense to Landlord absent consent therefor, cooperate with Tenant and assist Tenant in obtaining all required licenses, permits, authorizations and the like, and shall sign all papers and documents at any time needed in connection therewith, including without limitation, such instruments as may be required for the laying out, maintaining, repairing, replacing and using of such services or utilities. Any and all buildings, fixtures, improvements, trade fixtures and equipment placed in, on, or upon the Premises shall remain the sole and exclusive property of Tenant and its subtenants, notwithstanding their affixation to, annexation to, or incorporation into the Premises, until the termination of this Lease, at which time title to any such buildings, fixtures, Improvements trade fixtures and equipment that belong to Tenant shall vest in Landlord.

(b) Tenant shall take no action to effectuate any material amendments, modifications or any other alterations to the Project proposals and applications, Plans and Specifications, or to increase the total number of Public Housing and/or RAD Units and/or other units, and/or other uses on the Land, unless authorized in accordance with the Governing Documents or otherwise approved by Landlord in writing and in advance.

(a) From and after the Commencement Date, Tenant shall, at its sole cost and expense, maintain the Premises, reasonable wear and tear excepted, and make repairs, restorations, and replacements to the Improvements, including without limitation the landscaping, irrigation, heating, ventilating, air conditioning, mechanical, electrical, elevator, and plumbing systems; structural roof, walls, floors and foundations; and the fixtures and appurtenances as and when needed to preserve them in good working order and condition, and regardless of whether the repairs, restorations, and replacements are ordinary or extraordinary, foreseeable or unforeseeable, capital or non-capital, or the fault or not the fault of Tenant, its agents, employees, invitees, visitors, and contractors. All such repairs, restorations, and replacements will be in quality and class, as elected by Tenant, either equal to or better than the original work or installations and shall be in accordance with all applicable building codes; provided, however, nothing herein contained shall obligate or hold Tenant responsible for any repairs, restorations, or replacements to the Improvements required as a result of an event, act or omission that occurred or existed prior to the Commencement Date.

(b) Tenant may make any alterations, improvements, or additions to the Premises as Tenant may desire, if the alteration, improvement, or addition will not change the Permitted Use of the Premises as a project containing multifamily housing and there is no resulting reduction in housing units required at the Property, or permanent reduction of Project amenities and such alterations, improvements or additions to the Premises comply with applicable law and do not impair the value of the Project. Tenant shall, prior to commencing any such actions, give notice to Landlord and provide Landlord with complete plans and specifications therefor.

5.4. Compliance with Law.

(a) From and after the Commencement Date, Tenant shall, at its expense, perform all its activities on the Premises in compliance, and shall cause all occupants of any portion thereof to comply, with all applicable laws (including, but not limited to, Section 255.05, Florida Statutes, Section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794 and 24 C.F.R. Parts 8 and 9, which prohibit discrimination against persons with disabilities in any program or activity receiving Federal Financial assistance, 24 C.F.R. § 40.4, which establishes the Uniform Federal Accessibility Standards (UFAS) as the standard design, construction, or alteration of residential structures, the Americans with Disabilities Act, and applicable Fair Housing laws and ordinances), ordinances, codes and regulations affecting the Premises or its uses, as the same may be administered by authorized governmental officials.

(b) Without limitation of the foregoing, but expressly subject to the provisions of Section 5.4, Tenant agrees to fulfill the responsibilities set forth below with respect to environmental matters:

1. From and after the Commencement Date, Tenant shall operate the Premises in compliance with all Environmental Laws applicable to Tenant relative to the Premises and shall identify, secure and maintain all required governmental permits and licenses as may be necessary for the Premises. All required governmental permits and licenses issued to Tenant and associated with the Premises shall remain in effect or shall be renewed in a timely manner, and Tenant shall comply therewith and cause all third parties to comply therewith. All Hazardous Substances present, handled, generated or used on the Premises will be managed, transported and disposed of in a lawful manner. Tenant shall exercise due care and not cause or allow on or upon the Premises, or as may affect the Premises, any act which may result in the discharge of any waste or hazardous materials in violation of Environmental Laws, or otherwise damage or cause the depreciation in value to the Premises, or any part thereof due to the release of any waste or hazardous materials on or about the Premises in violation of Environmental Laws. Tenant shall not knowingly permit the Premises or any portion thereof to be a site for the use, generation, treatment, manufacture, storage, disposal or transportation of Hazardous Substances, except in such amounts as are ordinarily used, stored or generated in similar projects, or otherwise knowingly permit the presence of Hazardous Substances in, on or under the Premises in violation of any applicable law.
2. Tenant shall promptly provide Landlord with copies of all forms, notices and other information concerning any releases, spills or other incidents relating to Hazardous Substances or any violations of Environmental Laws at or relating to the Premises upon discovery of such releases, spills or incidents, when received by Tenant from any government agency or other third party, or when and as supplied to any government agency or other third party. Additionally, Tenant hereby agrees to promptly notify Landlord, in writing, should an accident or incident occur in which any waste and/or hazardous materials are released or otherwise discharged on or about the Premises.

3. Tenant will construct and maintain the Premises to be compliant with Section 504 and the Americans With Disabilities Act and their amendments.

5.5. Ownership of Improvements/Surrender of Premises. Notwithstanding anything to the contrary set forth in this Lease, at all times during the Term, Tenant shall be deemed to exclusively own the Improvements and the Personal Property for federal tax purposes, and Tenant alone shall be entitled to all of the tax attributes of ownership thereof, including, without limitation, the right to claim depreciation or cost recovery deductions and the right to claim the low-income housing tax credit described in Section 42 of the Internal Revenue Code, with respect to the Improvements and the Personal Property, and Tenant shall have the right to amortize capital costs and to claim any other federal tax benefits attributable to the Improvements and the Personal Property. Subject to the rights of any Permitted Leasehold Mortgagee, at the expiration or earlier termination of the Term of this Lease or any portion thereof, Tenant shall peaceably leave, quit and surrender the Premises, and the Improvements thereon (or the portion thereof so terminated), subject to the rights of tenants in possession of residential units under leases with Tenant. Upon such expiration or termination, the Premises (or portion thereof so terminated) shall become the sole property of Landlord, at no cost to Landlord, and shall be free of all liens and encumbrances and in the condition set forth in Section 5.3 (consistent with prudent and appropriate property management and maintenance during the Term) and, in the event of a casualty, to the provisions of Article VI. Tenant acknowledges and agrees that upon the expiration or sooner termination of this Lease any and all rights and interests it may have either at law or in equity to the Premises shall immediately cease. In the event that Tenant decides to sell or transfer any or all its rights and interests under this Lease, Tenant and Landlord will establish Right of First Refusal for Landlord to be able to purchase the improvements or acquire the improvements.

5.6. Easements. Landlord agrees, subject to the approval of the Board of County Commissioners, that Landlord shall not unreasonably withhold, condition or delay its consent, and shall join with Tenant from time to time during the Term in the granting of easements affecting the Premises which are for the purpose of providing utility services for the Premises, in accordance with an approved development or redevelopment plan, which easements, shall require the approval of the Board. If any monetary consideration is received by Tenant as a result of the granting of any such easement, such consideration shall be paid to Landlord. As a condition precedent to the exercise by Tenant of any of the powers granted to Tenant in this Section, Tenant shall give notice to Landlord of the action to be taken, shall certify to Landlord, that in Tenant's opinion such action will not adversely affect either the market value of the Premises or the use of the Premises for the Development.

5.7. Transfer; Conveyance; Assignment.

(a) Except as otherwise permitted hereunder, Tenant agrees for itself and its successors and assigns in interest hereunder that it will not, other than by the Leasehold Mortgages (1) assign this Lease or any of its rights under this Lease as to all or any portion of the Premises generally, or (2) make or permit any voluntary or involuntary total or partial sale, lease, assignment, conveyance, mortgage, pledge, encumbrance or other transfer of any or all of the Premises, or the Improvements, or the occupancy and use thereof, other than in accordance with the RAD Requirements and this Lease (including, but not limited to (i) any sale at foreclosure or by the execution of any judgment of any or all of Tenant's rights hereunder, or (ii) any transfer by operation of law), without first obtaining Landlord's express written consent thereto, which shall not be unreasonably withheld, conditioned or delayed.

(b) Tenant shall have the right to sublease any part of the Premises or to partially assign this Lease with respect to any part of the Premises (in either case, referred to herein as a **Sublease**) to an entity that is a Qualified Assignee, subject to the approval and consent of Landlord, which will not be unreasonably withheld, conditioned or delayed. The sublease agreement shall be in the form attached hereto and made part hereof as Exhibit D to this Lease. No Sublease shall relieve Tenant of any obligations under the terms of this Lease unless a release is granted by Landlord with respect to the portion of the Premises so subleased or assigned. Additionally, each Sublease must be for a use compatible with the Permitted Use. Tenant must give written notice to Landlord specifying the name and address of any Sublessee to which all notices required by this Lease shall be sent, and a copy of the Sublease. Tenant shall provide Landlord with copies of all Subleases entered into by Tenant. Landlord agrees to grant non-disturbance agreements for any Sublessee which will provide that in the event of a termination of this Lease due to an Event of Default committed by the Tenant, such Sublessee will not be disturbed and will be allowed to continue peacefully in possession directly under this Lease as the successor tenant, provided that the Sublessee shall be in compliance with the terms and conditions of its Sublease; and the Sublessee shall agree to attorn to Landlord. Landlord further agrees that it will grant such assurances to such Sublessee so long as it remains in compliance with the terms of its Sublease, and provided further that any such Sublease does not extend beyond the expiration of the Term of this Lease.

(c) Upon the request of Tenant, Landlord and Tenant agree to modify this Lease so as to create a direct lease between Landlord and the Sublessee, for the subleased or assigned portion of the Premises. Upon such request, Landlord and Tenant will enter into (i) a bifurcation agreement to be negotiated between Tenant and Landlord at a later date pursuant to which this Lease shall be (x) bifurcated into two (2) leases, (y) terminated with respect to the bifurcated portion of the Premises, and (z) amended to equitable and proportionately adjust Rent and the other economic terms of this Lease to reflect the termination of this Lease with respect to such bifurcated portion of the Premises, and (ii) a new lease in the same form as this Lease with respect to the bifurcated portion of the Premises (with Rent and the other economic terms of this Lease equitably adjusted to reflect the lease of such bifurcated portion of the Premises only). In the event of a bifurcation of this Lease hereunder, this Lease and the bifurcated lease shall be separate and independent leases that are not cross-defaulted, and Tenant shall have no further obligations

with respect to the bifurcated portion of the Premises, anything herein to the contrary notwithstanding.

5.8. Creating Sustainable Buildings.

(a) Tenant shall design the Development to be consistent with a Silver certification rating from the U.S. Green Building Council's Leadership in Energy and Environmental Design ("LEED") as required by County Implementing Order 8-8. Pursuant to Implementing Order 8-8, the requirement for applying the appropriate LEED Silver standard may be modified due to special circumstances of the Development. Such modification shall be for the express purpose of ensuring the use of the most appropriate or relevant rating standard, and shall not, in any way, exempt the requirement to apply green building practices to the maximum extent possible. This substitution process shall be administered by and through the County's Office of Resilience Sustainability Manager.

(b) The LEED Silver certification or designation relative to the Development is outlined by the U.S. Green Building Council. Tenant agrees to regularly provide Landlord with copies of any and all records and/or reports (including but not limited to any approvals, rejections and/or comments) from the neutral and independent third-party reviewing the Development relative to the LEED Silver designation from the U.S. Green Building Council or certification from the NGBS.

(c) Further, the LEED Silver certification or designation or NGBS certification is a description or label designed to establish the level of energy efficiency and sustainability for Buildings and Improvements of the overall Development; and should substantially improve the "normal" or "regular" energy efficiency and indoor air quality for the overall Development. Beyond these environmentally responsible steps, Tenant specifically agrees to consider additional steps or means to improve and/or protect the environment with regard to the Development, and to inform Landlord of any and all such additional methods or ways that Tenant will utilize "green building standards" in the design and construction of the overall Development in an effort to achieve the important goals of creating a healthy place to work as well as an environmentally responsible development in the community. Tenant's decision whether to incorporate or adopt any such additional steps or means shall be made in Tenant's sole and absolute discretion.

(d) Energy-efficient reflective roofs or green roofs are also specifically required per Miami-Dade County Resolution No. R-1103-10.

(e) Electric Vehicle (EV) charging stations are required per Miami-Dade County Resolution No. R-1101-15.

5.9. Sea Level Rise and Heat Resilience.

In accordance with Miami Dade County Board of County Commissioners' Resolution R-451-14, the Developer shall be required to consider sea level rise projections and potential impacts as best estimated at the time of the Projects, using regionally consistent unified sea level rise projections and sea level rise data mapping websites, during all project phases including but not limited to planning, design, and construction, to ensure that the Projects will function properly for fifty (50) years or the design life of the projects, whichever is greater.

The Developer shall provide a comprehensive landscape plan for all open spaces that meets or exceeds the minimum standards described in the Miami-Dade County Landscaping Ordinance Chapters 18A and 18B and aligns with the Landscape Manual, while also complying with any municipal landscape code requirements, in a way that reduces building energy use intensity, aids onsite stormwater management, and expands existing tree canopy to increase community resilience to extreme heat while also enhancing overall appearance. In accordance with CDMP Policy LU-8I, the Developer is encouraged to incorporate additional heat mitigation elements into the project including porous pavements, cool roofs, and high albedo surfaces. The Developer will be required to consult with all appropriate County departments and plans will need to be in accordance with Miami-Dade County Implementing Order IO 8-8 and approved by Miami Dade HCD Department.

5.10. Miami-Dade County Art in Public Places Requirements.

This Development is subject to the Art in Public Places (“APP”) provisions in Section 2.11.15 of the Miami-Dade County Code and Administrative Order 3-11, as managed by the Miami-Dade County Department of Cultural Affairs (“Department of Cultural Affairs”) pursuant to Procedure 358 in the Miami-Dade County Procedures Manual (“Procedures Manual”). The Developer shall transmit 1.5% of the project costs for all development on County land (as outlined in the Procedures Manual) to the Department of Cultural Affairs for the implementation of the APP program. The Developer is required to work collaboratively with the Department of Cultural Affairs on the implementation of the APP program pursuant to the requirements of said program. 5.11. E-Verify Requirements

By entering into this Contract, the Contractor and its Subcontractors are jointly and severally obligated to comply with the provisions of Section 448.095, Florida Statutes, as amended, titled “Employment Eligibility.” The Contractor affirms that (a) it has registered and uses the U.S. Department of Homeland Security’s E-Verify system to verify the work authorization status of all new employees of the Contractor; (b) it has required all Subcontractors to this Contract to register and use the E-Verify system to verify the work authorization status of all new employees of the Subcontractor; (c) it has an affidavit from all Subcontractors to this Contract attesting that the Subcontractor does not employ, contract with, or subcontract with, unauthorized aliens; and (d) it shall maintain copies of any such affidavits for duration of the Contract.

If County has a good faith belief that Contractor has knowingly violated Section 448.09(1), Florida Statutes, then County shall terminate this contract in accordance with Section 448.095(5)(c), Florida Statutes. In the event of such termination the Contractor agrees and acknowledges that it may not be awarded a public contract for at least one (1) year from the date of such termination and that Contractor shall be liable for any additional costs incurred by the County because of such termination.

In addition, if County has a good faith belief that a Subcontractor has knowingly violated any provisions of Sections 448.09(1) or 448.095, Florida Statutes, but Contractor has otherwise complied with its requirements under those statutes, then Contractor agrees that it shall terminate its contract with the Subcontractor upon receipt of notice from the County of such violation by Subcontractor in accordance with Section 448.095(5)(c), Florida Statutes.

Any challenge to termination under this provision must be filed in the Circuit or County Court by the County, Contractor, or Subcontractor no later than twenty (20) calendar days after the date of contract termination. Public and private employers must enroll in the E-Verify System (<http://www.uscis.gov/e-verify>) and retain the I-9 Forms for inspection.

5.12 Contracting with Entities of Foreign Countries of Concern.

By entering into this Agreement, the Tenant affirms that it is not in violation of Section 287.138, Florida Statutes, titled Contracting with Entities of Foreign Countries of Concern Prohibited. The Tenant further affirms that it is not giving a government of a foreign country of concern, as listed in Section 287.138, Florida Statutes, access to an individual's personal identifying information if: a) the Tenant is owned by a government of a foreign country of concern; b) the government of a foreign country of concern has a controlling interest in the Tenant; or c) the Tenant is organized under the laws of or has its principal place of business in a foreign country of concern as is set forth in Section 287.138(2)(a)-(c), Florida Statutes. This affirmation by the Tenant shall be in the form attached to this Agreement as Contracting with Entities of Foreign Countries of Concern Prohibited Affidavit, which is attached hereto as Exhibit E and incorporated herein by reference.

5.13 Human Trafficking.

By entering into, executing, amending, or renewing this Lease, including, without limitation, a grant agreement or economic incentive program payment agreement (all referred to as the "Agreement"), as applicable, the Tenant and any Owner Affiliated Entity are obligated to comply with the provisions of Section 787.06, Florida Statutes, "Human Trafficking," as amended, which is deemed as being incorporated by reference in this Agreement. All definitions and requirements from Section 787.06, apply to this Agreement.

This compliance includes the Tenant and any Owner Affiliated Entity providing an affidavit that it does not use coercion for labor or services. This attestation by the Tenant and the Owner Affiliated Entity shall be in the form attached to this Agreement as Exhibit F, Kidnapping, Custody Offenses, Human Trafficking and Related Offenses Affidavit (the "Affidavit"), and must be executed by the Tenant and any Owner Affiliated Entity and provided to the Landlord when entering, amending, or renewing this Agreement.

This Agreement shall be void if Tenant and any Owner Affiliated Entity submit a false Affidavit pursuant to this Act or the Tenant and any Owner Affiliated Entity violate the Act during the term of this Agreement, even if the Tenant and any Owner Affiliated Entity were not in violation at the time it submitted its Affidavit.

The Tenant's obligations under this Section 5.13 of this Agreement shall survive the termination of this Agreement.

ARTICLE VI

CASUALTY AND TAKING

6.1. Casualty. In the event the Premises should be destroyed or damaged by fire, windstorm, or other casualty to the extent that the Premises is rendered unfit for the intended purpose of Tenant, Tenant may cancel this Lease after thirty (30) days' notice to Landlord, but only after removing any trash and/or debris therefrom, subject to the terms and provisions of any Permitted Leasehold Mortgage. If the Premises is partially damaged due to any other reason than the causes described immediately above, but the Premises is not rendered unusable for Tenant's purposes, subject to the terms and provisions of any Permitted Leasehold Mortgage, the same shall be repaired by Tenant to the extent Tenant receives sufficient proceeds to complete such repairs from its insurance carrier under its insurance policy. Any such repairs will be completed within a reasonable time after receipt of such proceeds. If the damage to the Premises shall be so extensive as to render it unusable for Tenant's purposes but shall nonetheless be capable of being repaired within One Hundred Twenty (120) days, subject to the terms and provisions of any Permitted Leasehold Mortgage, the damage shall be repaired with due diligence by Tenant to the extent Tenant receives sufficient proceeds under its insurance policy to complete such repairs. In the event that a nearby structure(s) or improvement(s) is damaged or destroyed due to Tenant's negligence, Tenant shall be solely liable and responsible to repair and/or compensate the owner for such damage or loss

Notwithstanding anything contained in this Section 6.1, or otherwise in this Lease to the contrary, as long as the Tenant's leasehold interest is encumbered by any Permitted Leasehold Mortgage, this Lease shall not be terminated by Landlord or Tenant without the prior written consent of the Permitted Leasehold Mortgagee in the event that the Premises is partially or totally destroyed, and, in the event of such partial or total destruction, all insurance proceeds from casualty insurance as provided herein shall be paid to and held by the Permitted Leasehold Mortgagee, or an insurance trustee selected by the Permitted Leasehold Mortgagee, to be used for the purpose of restoration or repair of the Premises, subject to the terms of the Permitted Leasehold Mortgage or other loan documents between Tenant and the Permitted Leasehold Mortgagee. Permitted Leasehold Mortgagee shall have the right to participate in adjustment of losses as to casualty insurance proceeds and any settlement discussion relating to casualty or condemnation.

6.2. Taking.

(a) Notice of Taking. Upon receipt by either Landlord or Tenant of any notice of Taking, or the institution of any proceedings for Taking the Premises, or any portion thereof, the party receiving such notice shall promptly give notice thereof to the other, and such other party may also appear in such proceeding and may be represented by an attorney.

(b) Award. Subject to the rights of the Permitted Leasehold Mortgagees, the Landlord and the Tenant agree that, in the event of a Taking that does not result in the termination of this Lease pursuant to Section 6.2(c) or 6.2(d), this Lease shall continue in effect as to the remainder

of the Premises, and the net amounts owed or paid to the Landlord or pursuant to any agreement with any condemning authority which has been made in settlement of any proceeding relating to a Taking, less any costs and expenses incurred by the Landlord in collecting such award or payment (the **Award**) will be disbursed in accordance with Section 6.2(c) or 6.2(d) (as the case may be) to the Landlord and/or Tenant. The Tenant and, to the extent permitted by law, any Permitted Leasehold Mortgagee, shall have the right to participate in negotiations of and to approve any such settlement with a condemning authority (which approval shall not be unreasonably withheld).

(c) Total Taking. In the event of a permanent Taking of the fee simple interest or title of the Premises, or control of the entire leasehold estate hereunder (a **Total Taking**), this Lease shall thereupon terminate as of the effective date of such Total Taking, without liability or further recourse to the parties, provided that each party shall remain liable for any obligations required to be performed prior to the effective date of such termination and for any other obligations under this Lease which are expressly intended to survive termination. The Taking of any portion of the Improvements, fifteen percent (15%) or more of the then existing parking area, the loss of the rights of ingress and egress as then established or the loss of rights to use the easements benefitting the Premises, shall be, at Tenant's election, but not exclusively considered, such a substantial taking as would render the use of the Premises not suitable for Tenant's use. Notwithstanding any provision of the Lease or by operation of law that leasehold improvements may be or shall become the property of Landlord at the termination of the Lease, the loss of the building and other improvements paid for by Tenant, the loss of Tenant's leasehold estate and such additional relief as may be provided by law shall be the basis of Tenant's damages against the condemning authority if a separate claim therefore is allowable under applicable law, or the basis of Tenant's damages to a portion of the total award if only one award is made.

(d) Partial Taking. In the event of a permanent Taking of less than all of the Premises (a **Partial Taking**), if Tenant reasonably determines that the continued development, use or occupancy of the remainder of the Premises by Tenant cannot reasonably be made to be economically viable, and structurally sound, then Tenant may terminate this Lease, and the Tenant's portion of the Award shall be paid to Tenant, provided that any and all obligations of Tenant have been fully and completely complied with by Tenant as of the date of said Partial Taking. If Tenant shall not elect to terminate this Lease, Tenant shall be entitled to a reduction of Rent of such amount as shall be just and equitable. Subject to the rights of the Permitted Leasehold Mortgagees, if there is a Partial Taking and the Tenant does not terminate this Lease, the Tenant shall be entitled to receive and retain an equitable portion of the Award and shall apply such portion of the Award necessary to repair or restore the Premises or the Improvements as nearly as possible to the condition the Premises or the Improvements were in immediately prior to such Partial Taking. Subject to the rights of the Permitted Leasehold Mortgagees, if there is a Partial Taking which affects the use of the Premises after the Term hereof, the Award shall be apportioned between the Tenant and the Landlord based on the ratio of the remaining Term hereof and the remaining expected useful life of the Premises following the Term hereof. Subject to the rights of the Permitted Leasehold Mortgagees, notwithstanding any provision herein to the contrary, the Landlord shall be entitled to receive and retain any portion of the Award apportioned to the land upon which the Improvements are located. Should such award be insufficient to accomplish the restoration, such additional costs shall be paid by Tenant. Notwithstanding any provision of this Lease or by operation of law that leasehold improvements may be or shall become the property of Landlord at the termination of the Lease, the loss of any building and

other Improvements paid for by Tenant and such additional relief as may be provided by law shall be the basis of Tenant's damages against the condemning authority if a separate claim therefore is allowable under applicable law, or the basis of Tenant's damages to a portion of the total award if only one award is made.

(e) Resolution of Disagreements. Should Landlord and Tenant be unable to agree as to the division of any singular award or the amount of any reduction of Rent and other charges payable by Tenant under the Lease, such dispute shall be submitted for resolution to the court exercising jurisdiction of the condemnation proceedings, each party bearing its respective costs for such determination. Landlord shall not agree to any settlement in lieu of condemnation with the condemning authority without Tenant's consent.

(f) No Existing Condemnation. Landlord represents and warrants that as of the Lease Date and Commencement Date it has no actual or constructive knowledge of any proposed condemnation of any part of the Premises. In the event that subsequent to the Lease Date, but prior to the Commencement Date, a total or partial condemnation either permanent or temporary, is proposed by any competent authority, Tenant shall be under no obligation to commence or continue construction of the Improvements and Rent and other charges, if any, payable by Tenant under the Lease shall abate until such time as it can be reasonably ascertained that the Premises shall not be so affected. In the event the Premises is so affected, Tenant shall be entitled to all rights, damages and awards pursuant to the appropriate provisions of this Lease.

6.3. Termination upon Non-Restoration. Following a Partial Taking, if a decision is made pursuant to this Article VI that the remaining portion of the Premises is not to be restored, and Tenant shall have determined that the continued development, use or occupancy of the remainder of the Premises by Tenant cannot be made economically viable or structurally sound, Tenant shall surrender the entire remaining portion of the Premises to Landlord and this Lease shall thereupon be terminated without liability or further recourse to the parties hereto, provided that any Rent, impositions and other amounts payable or obligations hereunder owed by Tenant to Landlord as of the date of the Partial Taking shall be paid in full.

ARTICLE VII

CONDITION OF PREMISES

7.1. Condition; Title. The Premises are demised and let in an "as is" condition as of the Commencement Date. The Premises are demised and let to Tenant subject to: As-Is. Notwithstanding anything to the contrary contained herein, upon Tenant taking possession of the Premises, Tenant shall be deemed to have accepted the Premises in its "as-is" and "where-is" condition, with any and all faults, and with the understanding that the Landlord has not offered any implied or expressed warranty as to the condition of the Premises and/or as to it being fit for any particular purpose, provided, however, that the foregoing shall not in any way limit, affect, modify or otherwise impact any of Landlord's representations, warranties and/or obligations contained in this Lease.

Tenant shall, within thirty (30) days following the Lease Date, obtain a title commitment to insure Tenant's leasehold interest in the Premises. Tenant shall advise Landlord as to any title

matters that Tenant deems objectionable and Landlord shall address same in accordance with Section 7.3, below.

7.2. No Encumbrances. Landlord covenants that Landlord has full right and lawful authority to enter into this Lease in accordance with the terms hereof and to grant the estate demised hereby. Landlord represents and warrants that there are no existing mortgages, deeds of trust, easements, liens, security interests, encumbrances and/or restrictions encumbering Landlord's fee interest in the Land other than the Permitted Encumbrances. Landlord's fee interest shall not hereafter be subordinated to, or made subject to, any mortgage, deed of trust, easement, lien, security interest, encumbrance and/or restriction except for an encumbrance that expressly provides that it is and shall remain subject and subordinate at all times in lien, operation and otherwise to this Lease and to all renewals, modifications, amendments, consolidations and replacements hereof (including new leases entered into pursuant to the terms hereof and extensions). Landlord covenants that it will not encumber or lien the title of the Premises or cause or permit said title to be encumbered or lien in any manner whatsoever, and Tenant may reduce or discharge any such encumbrance or lien by payment or otherwise at any time after giving thirty (30) days' written notice thereof to Landlord. Tenant may recover or recoup all costs and expenses thereof from Landlord if the Landlord fails to discharge any such encumbrance within the said thirty (30) day period. Such recovery or recoupment may, in addition to all other remedies, be made by setting off against the amount of Rent payable by Tenant hereunder. Landlord and Tenant agree to work cooperatively together to create such easements and rights of way as may be necessary or appropriate for the use of the Premises and the development of the Project thereon.

7.3. Landlord's Title and Quiet Enjoyment. Landlord represents and warrants that Landlord is seized in fee simple title to the Premises, free and clear and unencumbered, other than as affected by the Permitted Encumbrances. Landlord covenants that, so long as Tenant pays rent and performs the covenants herein contained on its part to be paid and performed, Tenant will have lawful, quiet and peaceful possession and occupancy of the Premises and all other rights and benefits accruing to Tenant under the Lease throughout the Term, without hindrance or molestation by or on the part of Landlord or anyone claiming through Landlord. So long as Tenant is not in default hereunder beyond any notice and grace period applicable thereto, Tenant's possession of the Premises will not be disturbed by Landlord, its successors and assigns. Landlord further represents and warrants that it has good right, full power and lawful authority to enter into this Lease. Tenant shall have the right to order a title insurance commitment for the Premises. In the event the title insurance commitment shall reflect encumbrances or other conditions not acceptable to Tenant (**Defects**), then Landlord, upon notification of the Defects, shall immediately and diligently proceed to cure same and shall have a reasonable time within which to cure the Defects. If, after the exercise of all reasonable diligence, Landlord is unable to clear the Defects, then Tenant may accept the Defects or Tenant may terminate the Lease and the parties shall be released from further liability hereunder.

Notwithstanding Section 7.3 above, Landlord and its agents, upon reasonable prior notice to Tenant, shall have the right to enter the Premises for purposes of reasonable inspections performed during reasonable business hours in order to assure compliance by Tenant with its obligations under this Lease.

ARTICLE VIII

DEFAULTS AND TERMINATION

8.1. Default.

The occurrence of any of the following events shall constitute an event of default (***Event of Default***) hereunder:

(a) if Tenant fails to pay when due any Rent or other impositions due hereunder pursuant to Article III and any such default shall continue for thirty (30) days after the receipt of written notice thereof by Tenant from Landlord (except where such failure is addressed by another event described in this Section 8.1 as to which lesser notice and grace periods are provided); or

(b) if Tenant fails in any material respect to observe or perform any covenant, condition, agreement or obligation hereunder not addressed by any other event described in this Section 8.1, and shall fail to cure, correct or remedy such failure within thirty (30) days after the receipt of written notice thereof, unless such failure cannot be cured by the payment of money and cannot with due diligence be cured within a period of thirty (30) days, in which case such failure shall not be deemed to continue if Tenant proceeds promptly and with due diligence to cure the failure and diligently completes the curing thereof within a reasonable period of time; provided, however, that for such time as Landlord or its affiliate is the management agent retained by Tenant, Tenant shall not be in default hereunder due to actions or inactions taken by Landlord or its affiliate in its capacity as the management agent which materially impede Tenant's ability to cure such default; or

(c) If any representation or warranty of Tenant set forth in this Lease, in any certificate delivered pursuant hereto, or in any notice, certificate, demand, submittal or request delivered to Landlord by Tenant pursuant to this Lease shall prove to be incorrect in any material and adverse respect as of the time when the same shall have been made and the same shall not have been remedied to the reasonable satisfaction of Landlord within thirty (30) days after notice from Landlord; or

(d) if Tenant shall be adjudicated bankrupt or be declared insolvent under the Federal Bankruptcy Code or any other federal or state law (as now or hereafter in effect) relating to bankruptcy, insolvency, reorganization, winding-up or adjustment of debts (collectively called ***Bankruptcy Laws***), or if Tenant shall (a) apply for or consent to the appointment of, or the taking of possession by, any receiver, custodian, trustee, United States Trustee or Tenant or liquidator (or other similar official) of Tenant or of any substantial portion of Tenant's property; (b) admit in writing its inability to pay its debts generally as they become due; (c) make a general assignment for the benefit of its creditors; (d) file a petition commencing a voluntary case under or seeking to take advantage of a Bankruptcy Law; or (e) fail to controvert in a timely and appropriate manner, or in writing acquiesce to, any petition commencing an involuntary case against Tenant pursuant to any bankruptcy law; or

(e) if an order for relief against Tenant shall be entered in any involuntary case under the Federal Bankruptcy Code or any similar order against Tenant shall be entered pursuant to any other Bankruptcy Law, or if a petition commencing an involuntary case against Tenant or

proposing the reorganization of Tenant under the Federal Bankruptcy Code shall be filed in and approved by any court of competent jurisdiction and not be discharged or denied within ninety (90) days after such filing, or if a proceeding or case shall be commenced in any court of competent jurisdiction seeking (a) the liquidation, reorganization, dissolution, winding-up or adjustment of debts of Tenant, (b) the appointment of a receiver, custodian, trustee, United States Trustee or liquidator (or other similar official of Tenant) of any substantial portion of Tenant's property, or (c) any similar relief as to Tenant pursuant to Bankruptcy Law, and any such proceeding or case shall continue undismissed, or any order, judgment or decree approving or ordering any of the foregoing shall be entered and continued unstayed and in effect for ninety (90) days; or

(f) Following the Commencement Date, Tenant vacates or abandons the Premises or any substantial part thereof for a period of more than thirty (30) consecutive days (or, if applicable, such longer period as may be permitted in accordance with Section 6.1 or 6.2); or

(g) This Lease, the Premises or any part thereof are taken upon execution or by other process of law directed against Tenant, or are taken upon or subjected to any attachment by any creditor of Tenant or claimant against Tenant, and such attachment is not stayed or discharged within ninety (90) days after its levy; or

(h) Tenant makes any sale, conveyance, assignment or transfer in violation of this Lease.

Notwithstanding anything to the contrary in this Lease, an Event of Default shall not be deemed to have occurred and Tenant shall not be deemed in default under this Lease if HUD fails to pay to Landlord the subsidies contemplated herein or if Landlord fails to pay the subsidies to Tenant pursuant to the RAD HAP Contract, or to meet Landlord's other obligations under this Lease. In the event HUD fails to pay to Landlord the subsidies contemplated herein, then Landlord at its sole discretion will (i) re-negotiate the terms of this Lease with the Tenant, which renegotiated terms shall require the approval of both Landlord and Tenant, or (ii) use other method for redevelopment of the Premises, subject to the approval of the Board

8.2. Remedies for Tenant's Default. Upon or after the occurrence of any Event of Default which is not cured within any applicable cure period, and so long as same remains uncured, Landlord may terminate this Lease by providing not less than thirty (30) days' written notice (which notice may be contemporaneous with any notice provided under Section 8.1) to Tenant, setting forth Tenant's uncured, continuing default and Landlord's intent to exercise its rights to terminate, whereupon this Lease shall terminate on the termination date therein set forth unless Tenant's default has been cured before such termination date. Upon such termination, Tenant's interest in the Premises shall automatically revert to Landlord, Tenant shall promptly quit and surrender the Premises to Landlord, without cost to Landlord, and Landlord may, without demand and further notice, reenter and take possession of the Premises, or any part thereof, and repossess the same as Landlord's former estate by summary proceedings, ejectment or otherwise without being deemed guilty of any manner of trespass and without prejudice to any remedies which Landlord might otherwise have for arrearages of Rent or other impositions hereunder or for a prior breach of the provisions of this Lease. The obligations of Tenant under this Lease which arose prior to termination shall survive such termination. In lieu of termination of the Lease, Landlord may at its sole option and in its sole discretion choose to petition a court of competent jurisdiction

for the appointment of a receiver for the purpose of (1) taking any and all remedial measures needed to remediate any conditions that are directly related to Tenant's default and (2) to take other measures to assure any project component or the overall project(s) are operating in a sound management and financial condition meeting the needs and requirements of the households being assisted directly or under the auspices of Landlord. Tenant shall have no responsibility or liability for any remedial measures taken pursuant to this provision by Landlord or any other third party not affiliated with Tenant.

8.3. Termination by Landlord. In addition to the Events of Default described in Section 8.1 above, the occurrence of any of the following shall also give Landlord the right to terminate this Lease by providing not less than thirty (30) days' written notice to Tenant setting forth Landlord's intent to exercise its right to terminate this Lease:

- (a) Institution of proceedings in voluntary bankruptcy by the Tenant.
- (b) Institution of proceedings in involuntary bankruptcy against the Tenant if such proceedings continue for a period of ninety (90) days or more.
- (c) Assignment of this Lease by Tenant for the benefit of creditors.
- (d) A final determination of termination of this Lease in a court of law in favor of the Landlord in litigation instituted by the Tenant against the Landlord, or brought by the Landlord against Tenant.
- (e) Tenant's failure to cure, within thirty (30) days following Tenant's receipt of written notice from Landlord, a condition posing a threat to health or safety of the public or patrons (or such longer period if the default is not capable of being cured in such 30 day period).

8.4. Remedies Following Termination. Upon termination of this Lease, Landlord may:

- 1. retain, at the time of such termination, any Rent or other impositions paid hereunder, without any deduction, offset or recoupment whatsoever; and
- 2. enforce its rights under any bond outstanding at the time of such termination; and
- 3. require Tenant to deliver to Landlord, or otherwise effectively transfer to Landlord any and all governmental approvals and permits, and any and all rights of possession, ownership or control Tenant may have in and to, any and all financing arrangements, plans, specifications, and other technical documents or materials related to the Premises.

8.5. Regulatory Default. Notwithstanding anything herein to the contrary, the terms of this Section shall apply to any default declared as a result of any failure by Tenant to comply with the provisions of Section 5.1. Upon a determination by Landlord that Tenant has materially breached or defaulted on any of the obligations under Section 5.1 (a **Regulatory Default**), Landlord shall notify Tenant of (i) the nature of the Regulatory Default, (ii) the actions required to be taken by Tenant in order to cure the Regulatory Default, and (iii) the time, (a minimum of sixty (60) days or such additional time period as may be reasonable under the circumstances), within which Tenant

shall respond with reasonable evidence to Landlord that all such required actions have been taken.

(a) If Tenant shall have failed to respond or take the appropriate corrective action with respect to a Regulatory Default to the reasonable satisfaction of Landlord within the applicable time period, then Landlord shall have the right to terminate the Lease or seek other legal or equitable remedies as Landlord determines in its sole discretion; provided, however, that if prior to the end of the applicable time period, Tenant seeks a declaratory judgment or other order from a court having jurisdiction that Tenant shall not have incurred a Regulatory Default, Landlord shall not terminate this Lease during the pendency of such action.

(b) In addition to and not in limitation of the foregoing, if Landlord shall determine that a Regulatory Default shall have occurred by reason of a default by Tenant's management agent, and that Tenant shall have failed to respond or take corrective action to the reasonable satisfaction of Landlord within the applicable cure period, then Landlord may require Tenant to take such actions as are necessary in order to terminate the appointment of the management agent pursuant to the terms of its management agreement and to appoint a successor management agent of the Premises. In the event that Tenant fails to timely take such action to terminate the management agent and appoint a successor management agent, then Tenant's failure to act shall constitute a default under this Agreement.

8.6. Performance by Landlord. Except as otherwise expressly set forth herein, if Tenant shall fail to make any payment or perform any act required under this Lease, Landlord may (but need not) after giving not less than thirty (30) days' notice (except in case of emergencies and except where a shorter time period is specified elsewhere in this Lease) to Tenant and without waiving any default or releasing Tenant from any obligations, cure such default for the account of Tenant. Tenant shall promptly pay Landlord the amount of such charges, costs and expenses as Landlord shall have incurred in curing such default.

8.7. Costs and Damages. Tenant shall be liable to, and shall reimburse, Landlord for any and all actual reasonable expenditures incurred and for any and all actual damages suffered by Landlord in connection with any Event of Default, collection of Rent or other impositions owed under this Lease, the remedying of any default under this Lease or any termination of this Lease, unless such termination is caused by the default of Landlord, including all costs, claims, losses, liabilities, damages and expenses (including without limitation, reasonable attorneys' fees and costs) incurred by Landlord as a result thereof.

8.8. Remedies Cumulative. The absence in this Lease of any enumeration of events of default by Landlord or remedies of either party with respect to money damages or specific performance shall not constitute a waiver by either party of its right to assert any claim or remedy available to it under law or in equity.

8.9 Permitted Leasehold Mortgages. Neither the Tenant nor any permitted successor in interest to the Premises or any part thereof shall, without the prior written consent of the Landlord in each instance, engage in any financing or any other transaction creating any mortgage or other encumbrance or lien upon the Premises, whether by express agreement or operation of law, or suffer any encumbrance or lien to be made on or attach to the Premises, except for the Permitted Encumbrances and the leasehold mortgages securing the loans which will be obtained by Tenant

for renovation, redevelopment and/or construction of the Improvements and closed on or about the Commencement Date (the “**Permitted Leasehold Mortgages**”). Landlord hereby consents to the following Permitted Leasehold Mortgages, together with any refinancings or modifications thereof: (i) [Leasehold Mortgage, Assignment of Rents, Security Agreement and Fixture Filing], securing a \$[] loan to Tenant from the Housing Finance Authority of Miami-Dade County, Florida, as assigned to The Bank of New York Mellon Trust Company, N.A., as fiscal agent; (ii) []; and (iii) []. With respect to the Permitted Leasehold Mortgages, the following provisions shall apply:

(a) When giving notice to the Tenant with respect to any default under the provisions of this Lease, the Landlord will also send a copy of such notice to the holder of each Permitted Leasehold Mortgage (each a “**Permitted Leasehold Mortgagee**”), provided that each such Permitted Leasehold Mortgagee shall have delivered to the Landlord in writing a notice naming itself as the holder of a Permitted Leasehold Mortgage and registering the name and post office address to which all notices and other communications to it may be addressed.

(b) Each Permitted Leasehold Mortgagee shall be permitted, but not obligated, to cure any default by the Tenant under this Lease within the same period of time specified for the Tenant to cure such default. The Tenant authorizes each Permitted Leasehold Mortgagee to take any such action at such Permitted Leasehold Mortgagee’s option and does hereby authorize entry upon the Premises for such purpose.

(c) The Landlord agrees to accept payment or performance by any Permitted Leasehold Mortgagee as though the same had been done by the Tenant.

(d) In the case of a default by the Tenant other than in the payment of money, and provided that a Permitted Leasehold Mortgagee has commenced to cure the default and is proceeding with due diligence to cure the default, the Landlord will refrain from terminating this Lease for a reasonable period of time (not to exceed 120 days from the date of the notice of default, unless (i) such cure cannot reasonably be completed within 120 days from the date of the notice of default, and (ii) if the default is curable without possession of the Premises, a Permitted Leasehold Mortgagee continues to diligently pursue such cure to the reasonable satisfaction of the Landlord) within which time the Permitted Leasehold Mortgagee may either (x) obtain possession of the Premises (including possession by receiver); (y) institute foreclosure proceedings and complete such foreclosure; or (z) otherwise acquire the Tenant’s interest under this Lease. The Permitted Leasehold Mortgagee shall not be required to continue such possession or continue such foreclosure proceedings if the default which was the subject of the notice shall have been cured. Notwithstanding the foregoing, the Landlord will refrain from terminating this Lease in the event such Permitted Leasehold Mortgagee is enjoined or stayed in such possession or such foreclosure proceedings, and provided that the Permitted Leasehold Mortgagee has delivered to Landlord copies of any and all orders enjoining or staying such action, Landlord will grant such Permitted Leasehold Mortgagee such additional time as is required for such Permitted Leasehold Mortgagee to complete steps to acquire or sell Tenant’s leasehold estate and interest in this Lease by foreclosure of its Permitted Leasehold Mortgage or by other appropriate means with due diligence; however, nothing in this Section shall be construed to extend this Lease beyond the Term.

(e) Any Permitted Leasehold Mortgagee or other acquirer of Tenant's leasehold estate and interest in this Lease pursuant to foreclosure, an assignment in lieu of foreclosure or other proceedings, any of which are permitted without the Landlord's consent, may, upon acquiring the Tenant's leasehold estate and interest in this Lease, without further consent of the Landlord and without HUD's consent, unless otherwise required by RAD Requirements, sell and assign the leasehold estate and interest in this Lease on such terms and to such persons and organizations as are acceptable to such Permitted Leasehold Mortgagee or acquirer and thereafter be relieved of all obligations under this Lease, provided such assignee has delivered to the Landlord its written agreement to be bound by all of the provisions of this Lease. Permitted Leasehold Mortgagee, or its nominee or designee, shall also have the right to further assign, sublease or sublet all or any part of the leasehold interest hereunder to a third party without the consent or approval of Landlord.

(f) In the event of a termination of this Lease prior to its stated expiration date, the Landlord will enter into a new lease for the Premises with the Permitted Leasehold Mortgagee (or its nominee), for the remainder of the Term, effective as of the date of such termination, at the same Rent payment and subject to the same covenants and agreements, terms, provisions, and limitations herein contained, provided that:

(1) The Landlord receives the Permitted Leasehold Mortgagee's written request for such new lease within 30 days from the date of such termination and notice thereof by the Landlord to the Permitted Leasehold Mortgagee (including an itemization of amounts then due and owing to the Landlord under this Lease), and such written request from the Permitted Leasehold Mortgagee to Landlord is accompanied by payment to the Landlord of all amounts then due and owing to Landlord under this Lease, less the net income collected by the Landlord from the Premises subsequent to the date of termination of this Lease and prior to the execution and delivery of the new lease, any excess of such net income over the aforesaid sums and expenses to be applied in payment of the Rent payment thereafter becoming due under the new lease; provided, however, that the Permitted Leasehold Mortgagee shall receive full credit for all capitalized lease and Rent payments previously delivered by the Tenant to the Landlord;

(2) Within 10 days after the delivery of an accounting therefor by the Landlord, Permitted Leasehold Mortgagee pays any and all costs and expenses reasonably incurred by the Landlord in connection with the execution and delivery of the new lease;

(3) Upon the execution and delivery of the new lease at the time payment is made in (i) and (ii) above, all subleases which thereafter may have been assigned and transferred to the Landlord shall thereupon be assigned and transferred without recourse by the Landlord to the Permitted Leasehold Mortgagee (or its nominee), as the new "Tenant"; and

(4) If a Permitted Leasehold Mortgagee acquires the leasehold estate created hereunder or otherwise acquires possession of the Premises pursuant to available legal remedies, Landlord will look to such holder to perform the obligations of Tenant hereunder only from and after the date of foreclosure or possession and

will not hold such holder responsible for the past actions or inactions of the prior Tenant. Permitted Leasehold Mortgagee's liability shall be limited to the value of such Permitted Leasehold Mortgagee's interest in this Lease and in the leasehold estate created thereby.

Notwithstanding the foregoing and to the extent permitted by Section 42 of the Internal Revenue Tax Code, any deadline to complete construction and/or rehabilitation of the Improvements set forth in this Lease shall be extended for such period of time as may be reasonably required by the Permitted Leasehold Mortgagee or its nominee to complete construction and/or rehabilitation.

ARTICLE IX

SOVEREIGNTY AND POLICE POWERS

9.1. County as Sovereign

It is expressly understood that notwithstanding any provision of this Lease and the Landlord's status thereunder:

1. The Landlord retains all of its sovereign prerogatives and rights as a county under Florida laws and shall in no way be estopped from withholding or refusing to issue any approvals of applications for tax exemption, building, zoning, planning or development under present or future laws and regulations of whatever nature applicable to the planning, design, construction and development of the Premises or the operation thereof, or be liable for the same; and
2. The Landlord shall not by virtue of this Lease be obligated to grant the Tenant any approvals of applications for tax exemption, building, zoning, planning or development under present or future laws and ordinances of whatever nature applicable to the planning, design, construction, development and/or operation of the Premises.

9.2. No Liability for Exercise of Police Power.

Notwithstanding and prevailing over any contrary provision in this Lease, or any Landlord covenant or obligation that may be contained in this Lease, or any implied or perceived duty or obligation including but not limited to the following:

- (i) To cooperate with, or provide good faith, diligent, reasonable or other similar efforts to assist the Tenant, regardless of the purpose required for such cooperation;
- (ii) To execute documents or give approvals, regardless of the purpose required for such execution or approvals;
- (iii) To apply for or assist the Tenant in applying for any county, city or third party permit or needed approval; or

- (iv) To contest, defend against, or assist the Tenant in contesting or defending against any challenge of any nature;

shall not bind the Board of County Commissioners, the Planning and Zoning Department, DERM, the Property Appraiser or any other county, city, federal or state department or authority, committee or agency to grant or leave in effect any tax exemptions, zoning changes, variances, permits, waivers, contract amendments, or any other approvals that may be granted, withheld or revoked in the discretion of the Landlord or any other applicable governmental agencies in the exercise of its police power; and the Landlord shall be released and held harmless, by the Tenant from and against any liability, responsibility, claims, consequential or other damages, or losses to the Tenant or to any third parties resulting from denial, withholding or revocation (in whole or in part) of any zoning or other changes, variances, permits, waivers, amendments, or approvals of any kind or nature whatsoever. Without limiting the foregoing, the parties recognize that the approval of any building permit and/or certificate of occupancy or tax exemption by Landlord in its capacity as a governmental authority will require the Landlord to exercise its quasi-judicial or police powers. Notwithstanding any other provision of this Lease, the Landlord, in its capacity as a governmental authority exercising police powers, shall have no obligation to approve, in whole or in part, any application for any type of tax exemption, permit, license, zoning or any other type of matter requiring government approval or waiver. The Landlord's obligation to use reasonable good faith efforts in the permitting of the use of County-owned property shall not extend to any exercise of quasi-judicial or police powers, and shall be limited solely to the contractual obligations of Landlord in its capacity as the fee owner of the Land and contract party to this Lease or ministerial actions, including the timely acceptance and processing of any requests or inquiries by Tenant as authorized by this Lease. Moreover, in no event shall a failure of the Landlord to adopt any of the Tenant's request or application for any type of permit, license, zoning or any other type of matter requiring government approval or waiver in the exercise of police powers be construed a breach or default of this Lease.

9.3 Support for Entitlements. Notwithstanding anything contained in this Article IX to the contrary, recognizing the public and private benefits afforded by the Project, Landlord agrees, as the fee simple owner of the Land, to cooperate with Tenant in obtaining the Entitlements, provided that Tenant shall be solely responsible for all costs incurred in connection with the Entitlements. Landlord's cooperation shall include, without limitation, (i) joining in and submitting applications and other required documentation for the Entitlements to the applicable governmental authority with jurisdiction over the Premises, (ii) granting and/or joining in any plat, covenants in lieu of unity of title, permit, authorization, approval, temporary or permanent easements, restrictive covenants, easement vacations or modifications, and such other applications or documents, as may be necessary or desirable for Tenant to develop the Premises with the Project and use the Premises for the Permitted Use, (iii) supporting the Entitlements, redevelopment of the Land and development of the Project through periodic written and in person appearances public meetings and hearings, including periodically speaking in support of same, and (iv) obtaining any required approvals from the Board.

ARTICLE X

PUBLIC RECORDS ACT

10.1 As it relates to this Lease and any subsequent agreements and other documents related to the Development, Tenant and any of its subsidiaries, pursuant to Section 119.0701, Florida Statutes, shall:

- (a) Keep and maintain public records that ordinarily and necessarily would be required by Landlord in order to perform the service;
- (b) Upon request from Landlord's custodian of public records identified herein, provide the public with access to public records on the same terms and conditions that Landlord would provide the records and at a cost that does not exceed the cost provided in the Florida Public Records Act, Miami-Dade County Administrative Order No. 4-48, or as otherwise provided by law;
- (c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of this Lease's term and following completion of the work under this Lease if Tenant does not transfer the records to Landlord; and
- (d) Meet all requirements for retaining public records and transfer to Landlord, at no cost to Landlord, all public records created, received, maintained and/or directly related to the performance of this Lease that are in possession of Tenant upon termination of this Lease. Upon termination of this Lease, Tenant shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to Landlord in a format that is compatible with the information technology systems of Landlord.

For purposes of this Article X, the term "public records" shall mean all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received pursuant to law or ordinance or in connection with the transaction of official business of Landlord.

In the event Tenant does not comply with the public records disclosure requirements set forth in Section 119.0701, Florida Statutes, and this Article X, Landlord shall avail itself of the remedies set forth in Section 8.2 of this Lease.

ARTICLE XI

RIGHT OF FIRST OFFER; RIGHT OF FIRST REFUSAL

11.1. Landlord's Intent to Market Premises.

If Landlord, in its sole discretion (but subject to any applicable HUD requirements relating to disposition and State laws relating to the sale or conveyance of County-owned property), decides to sell its interest in the Premises, then, prior to marketing the Premises, Landlord shall give written notice of such intent to Tenant setting forth the terms and conditions on which Landlord desires to sell the Premises (**Sales Notice**). Tenant shall have sixty (60) days thereafter within which to notify Landlord of its intent to purchase the Premises offered for sale upon such terms and conditions as are set forth in the Sales Notice. If such Sales Notice is timely given, the Closing shall be ninety (90) days after the date of the Sales Notice. The status of title to be delivered and the instruments to be executed pursuant thereto shall be as stated in the Sales Notice and the amount of earnest money that Tenant shall be required to deposit with the notification of intent to purchase by matching the offer shall be as stated in the Sales Notice. Failure of Tenant to so notify Landlord in a timely manner shall be deemed an election not to purchase. In the event Tenant does not so timely notify Landlord of its intent to purchase the offered property upon the terms and conditions stated in the Sales Notice, Landlord shall be free to market such property on its own or through a broker and thereafter may sell the property, subject to all of the terms and conditions of the Lease and any applicable requirements of HUD or any other legal requirements; provided that Landlord may not sell the Premises on terms and conditions that are materially different from those contained in any Sales Notice received by Tenant without first offering Tenant the opportunity once again to purchase the Premises in accordance with this Section 11.1 upon such materially different terms and conditions upon which Landlord bases its offer of sale.

11.2. Right of First Refusal.

If Landlord is not marketing the Premises as provided in Section 11.1 above, but receives a written offer in acceptable form from an unrelated third party that Landlord is willing to accept for the purchase of the Premises (a **Sales Offer**), Landlord shall notify Tenant of the terms and conditions of such Sales Offer. Tenant shall then have sixty (60) days within which to notify Landlord of its intent to purchase the Premises by matching said Sales Offer and, in the event of such timely response, the closing of the purchase and sale of the Premises shall be in accordance with the terms of such Sales Offer. In the event that timely notice is not given by Tenant to Landlord, Tenant shall be deemed to have elected not to match said Sales Offer, and Landlord shall be free to sell the Premises to such third party on the terms and conditions set forth in the Sales Offer, subject, however, to all terms and conditions of this Lease and any applicable requirements of HUD or any other legal requirements. If Landlord fails to sell the Premises to

such third party for an aggregate sales price not less than ninety-five percent (95%) of the sales price set forth in the Sales Offer and otherwise in accordance with the terms of the Sales Offer within one hundred and eighty (180) days after Landlord is entitled to sell the Premises to such third party, the right of first refusal created in this Section 11.2 shall be revived and again shall be enforceable.

11.3. Mortgagee Notice. Tenant shall provide notice to every applicable Permitted Leasehold Mortgagee as to its election to acquire the Premises pursuant to Sections 11.1 or 11.2, above. Such notice shall be delivered within five (5) days following Tenant's notice to Landlord evidencing its intent to purchase the Premises.

11.4. Mortgagee Rights. Tenant's rights with respect to any option to purchase the Premises as set forth in this Section 11 shall be assignable to and may be exercised by any Permitted Leasehold Mortgagee which succeeds in interest to the Tenant, without requiring any consent or approval by Landlord.

ARTICLE XII

INDEPENDENT PRIVATE INSPECTOR GENERAL AND MIAMI-DADE COUNTY INSPECTOR GENERAL REVIEWS

12.1. Inspector General.

(a) Independent Private Inspector General Reviews. Pursuant to Miami-Dade County Administrative Order 3-20, the Landlord has the right to retain the services of an Independent Private Sector Inspector General (hereinafter "IPSIG"), whenever the Landlord deems it appropriate to do so. Upon written notice from the Landlord, the Tenant shall make available to the IPSIG retained by the Landlord, all requested records and documentation pertaining to this Lease for inspection and reproduction. The Landlord shall be responsible for the payment of these IPSIG services, and under no circumstance shall the Tenant incur any charges relating to these IPSIG services. The terms of this provision herein, apply to the Tenant, its officers, agents, employees, subcontractors and assignees. Nothing contained in this provision shall impair any independent right of the Landlord to conduct an audit or investigate the operations, activities and performance of the Tenant in connection with this Lease. The terms of this Section shall not impose any liability on the Landlord by the Tenant or any third party.

(b) Miami-Dade County Inspector General Review. According to Section 2-1076 of the Code of Miami-Dade County, as amended by Ordinance No. 99-63, Miami-Dade County has established the Office of the Inspector General ("**Inspector General**") which may, on a random basis, perform audits on all Miami-Dade County agreements, throughout the duration of said agreements, except as otherwise provided below.

Nothing contained above shall in any way limit the powers of the Inspector General to perform audits on all Miami-Dade County agreements including, but not limited to, those agreements specifically exempted above. The Miami-Dade County Inspector General is authorized and empowered to review past, present and proposed Landlord and Tenant contracts,

transactions, accounts, records, agreements and programs. In addition, the Inspector General has the power to subpoena witnesses, administer oaths, require the production of records and monitor existing projects and programs. Monitoring of an existing project or program may include a report concerning whether the project is on time, within budget and in conformance with plans, specifications and applicable law. The Inspector General is empowered to analyze the necessity of and reasonableness of proposed change orders to a contract. The Inspector General is empowered to retain the services of an IPSIG to audit, investigate, monitor, oversee, inspect and review operations, activities, performance and procurement process, including but not limited to project design, specifications, proposal submittals, activities of the Tenant, its officers, agents and employees, lobbyists, Landlord staff and elected officials to ensure compliance with contract specifications and to detect fraud and corruption.

Upon written notice to the Tenant from the Inspector General or IPSIG retained by the Inspector General, the Tenant shall make all requested records and documents available to the Inspector General or IPSIG for inspection and copying. The Inspector General and IPSIG shall have the right to inspect and copy all documents and records in the Tenant's possession, custody or control which, in the Inspector General's or IPSIG's sole judgment, pertain to performance of the contract, including, but not limited to original estimate files, change order estimate files, worksheets, proposals and agreements form and which successful and unsuccessful subcontractors and suppliers, all project-related correspondence, memoranda, instructions, financial documents, construction documents, proposal and contract documents, back-charge documents, all documents and records which involve cash, trade or volume discounts, insurance proceeds, rebates, or dividends received, payroll and personnel records, and supporting documentation for the aforesaid documents and records.

ARTICLE XIII

ADDITIONAL PROVISIONS PERTAINING TO REMEDIES

13.1 **Reinstatement.** Notwithstanding anything to the contrary contained in the Lease, in the event Landlord exercises its remedies pursuant to Article VIII and terminates this Lease following an Event of Default, Tenant may, within 90 days following such termination reinstate this Lease for the balance of the Term by paying to Landlord an amount equal to the actual damages incurred by Landlord as a result of the breach that resulted in such termination and any actual costs or expenses incurred by Landlord as a result of such reinstatement of this Lease, if agreed in the sole and absolute discretion of the Landlord; provided, however, that Landlord shall have no right to terminate this Lease prior to the expiration of all applicable notice and cure periods provided to Investor and Permitted Leasehold Mortgagee under this Lease without the cure of such default.

13.2 **Notice.** Notwithstanding anything to the contrary contained in the Lease, Landlord shall not exercise any of its remedies hereunder without having given notice of the Event of Default or other breach or default to the Investor (following the admission of the Investor) simultaneously with the giving of notice to Tenant as required under the provisions of Article VIII of the Lease. The Investor shall be given all of the same cure rights as a Permitted Leasehold Mortgagee under this Lease. If the Investor elects to cure the Event of Default or other breach or default, Landlord

agrees to accept such performance as though the same had been done or performed by Tenant, in Landlord's reasonable discretion.

13.3 Investor. Notwithstanding anything to the contrary contained in the Lease, following the admission of the Investor, the Investor shall be deemed a third-party beneficiary of the provisions of this Section for the sole and exclusive purpose of entitling the Investor to exercise its rights to notice and cure, as expressly stated herein. The foregoing right of the Investor to be a third-party beneficiary under the Lease shall be the only right of Investor (express or implied) to be a third-party beneficiary hereunder. Such third-party beneficiary status shall terminate in its entirety upon the withdrawal of such Investor as a member of the Tenant, including the acquisition of the building improvements by Landlord or Landlord's designee under a Purchase Option Agreement or Right of First Refusal Agreement.

13.4 New Manager. Notwithstanding anything to the contrary contained in the Lease, Landlord agrees that it will take no action to effect a termination of the Lease by reason of any Event of Default or any other breach or default without first giving to the Investor reasonable time, not to exceed 120 days, to replace Tenant's manager and/or admit an additional manager and cause the new manager to cure the Event of Default or other breach or default; provided, however, that as a condition of such forbearance, Landlord must receive notice from the Investor of the substitution or admission of a new manager of Tenant reasonably acceptable to Landlord within 30 days following Landlord's notice to Tenant and the Investor of the Event of Default or other breach or default, and Tenant, following such substitution or admission of the manager, shall thereupon proceed with due diligence to cure such Event of Default or other breach or default. In no event, however, shall Landlord be required to engage in the forbearance described in this section for a period longer than six (6) months, regardless of the due diligence of the Investor or the new manager.

ARTICLE XIV

LANDLORD'S AUTHORITY

14.1 Designation of Landlord's Representatives. The Miami-Dade County Mayor, or his or her designee, shall have the power, authority and right, on behalf of the Landlord, in its capacity as Landlord hereunder, and without any further resolution or action of the Board of County Commissioners, to:

- (a) Review and approve documents, plans, applications, lease assignments and requests required or allowed by Tenant to be submitted to Landlord pursuant to this Lease;
- (b) Consent or agree to actions, events, and undertakings by Tenant or extensions of time periods for which consent or agreement is required by Landlord, including, but not limited to, extending the date by which the Commencement Date must occur under Section 8.3) or granting extensions of time for the performance of any obligation by Tenant hereunder;
- (c) Execute any and all documents on behalf of Landlord necessary or convenient to the foregoing approvals, consents, and appointments;

3. Term. The term of this Sublease shall be co-terminus with the Master Lease, commencing on the date hereof and ending on the date which is ninety-nine (99) years from the Lease Date. The obligation to pay Rent shall begin on the date on which the Sublessee closes on the construction financing and tax credit syndication for its contemplated development (the "Commencement Date"). In any event, the term of this Sublease shall expire upon the expiration of the term of the Master Lease. Anything to the contrary herein notwithstanding, Sublessor may terminate this Sublease by written notice to Sublessee given at any time after _____, _____, if by such date Sublessee has not received an award of ____% low income housing tax credits from the Florida Housing Finance Corporation.

4. Rent. Sublessee hereby agrees to pay to Sublessor as Rent, under this Sublease, a one-time capitalized lease payment, to be paid upon the Commencement Date, in the amount

of \$ _____ (the "Capitalized Payment"), which amount is calculated by multiplying the number of units (*i.e.*, _____) times \$ _____. To that end, Sublessee shall make all payments of Rent and impositions directly to Landlord. Provided, however, that there shall be no obligation on the part of Sublessee (or any successor of Sublessee) for the payment of any such Rent or other impositions which shall become due and payable with respect to any portion of the Demised Premises transferred subsequent to the termination of Sublessee's possession of any portion of the Demised Premises, or transfer of Sublessee's rights, under the terms of this Sublease and the termination or expiration of this Sublease.

5. Relationship to Master Lease. This agreement is a sublease and is subject to all the provisions in the Master Lease. Neither Sublessor nor Sublessee shall commit or permit to be committed any act or omission that will violate any provisions of the Master Lease with respect to the Demised Premises. Except with regard to rights of sublessees and the rights or obligations of Landlord, as set forth in the Master Lease, if the Master Lease terminates with respect to the Demised Premises, this Sublease shall terminate, and the parties shall be relieved from all liabilities and obligations under this Sublease, except with respect to any obligations which specifically survive the termination or expiration of this Sublease. This Sublease is made expressly subject to the terms, covenants and conditions of the Master Lease, and Sublessee expressly assumes any and all of the obligations of Sublessor under the Master Lease with respect to the Demised Premises, and agrees to be subject to all conditions and restrictions to which Sublessor is subject including, but not limited to, the obligation for the development, use and operation of every part of the Demised Premises. Any act required to be performed by Sublessor pursuant to the terms of the Master Lease in respect of the Demised Premises shall be performed by Sublessee and the performance of such act shall be deemed to be performed by Sublessor and shall be accepted by Landlord as Sublessor's act, provided such act is otherwise performed in accordance with the terms of the Master Lease. Nothing herein contained shall be construed to modify, waive, impair or otherwise affect any of the covenants, agreements, terms, provisions or conditions in the Master Lease (except as herein expressly provided), and all covenants, agreements, terms, provisions and conditions of the Master Lease are hereby mutually declared to be in full force and effect. It is the express intention of the parties of this Sublease that the Master Lease is incorporated into this Sublease and Sublessee, and not Sublessor, shall be responsible for all provisions of the Master Lease in respect of the Demised Premises as if they were fully set forth in this Sublease.

6. Rights of Sublessee. Sublessee (and all succeeding and successor transferees) shall succeed to all rights and obligations of Sublessor under the Master Lease with respect to the Demised Premises, including but not limited to the right to mortgage, encumber and otherwise assign and further sublease the Demised Premises, subject, however, to all duties and obligations of Sublessor as set forth in the Master Lease, and subject to the terms hereof.

7. Further Sublet. Subject to the Master Lease, the Sublessee may further sublet the Demised Premises or any part thereof to residential and retail tenants under unrecorded leases, with rights as tenants only, without the prior written consent of Sublessor.

8. Public Liability Insurance. The Sublessee agrees to maintain the insurance in respect of the Demised Premises in the types and amounts described in the Master Lease and shall name Sublessor as an additional insured under all such policies. Coverages required by this section shall be evidenced by certificates of insurance from insurance companies reasonably acceptable to Sublessor showing the requisite liability limits and shall specify that Sublessee's insurance policies shall not be modified, altered, canceled or allowed to expire or lapse without thirty (30) days prior notice to Sublessor. Sublessor is to be held harmless, from and against any and all liability, losses, and damages suffered or incurred by Sublessor by reasons directly (a) arising out of or (b) caused by Sublessee, in connection with Sublessee's occupancy of the Demised Premises, excepting loss and/or injury caused by the acts, negligence or omissions of the Sublessor, its servants, agents or representatives.

9. Sublessor's Representations and Warranties. Sublessor hereby represents and warrants to Sublessee that, as of the date hereof:

(a) It has full power and authority to enter into this Sublease and perform in accordance with its terms and provisions and that the parties signing this Sublease on behalf of Sublessor have the authority to bind Sublessor and to enter into this transaction and Sublessor has taken all requisite action and steps to legally authorize it to execute, deliver and perform pursuant to this Sublease.

(b) Sublessor will deliver possession of the Demised Premises to Sublessee, and, at all times, keep the Demised Premises free and clear of any and all liens, mortgages, encumbrances, tenancies and occupancies of every nature whatsoever.

(c) Sublessor is the current lessee under the Master Lease.

(d) Sublessor has not made, caused or incurred, or allowed any other to make, cause or incur, any assignment, sale, sublease, disposition or transfer or any right, title, and/or interest in, to, and under the Master Lease of the Demised Premises (other than that which may have been made to Sublessee), or any claim, demand, obligation, liability, action or cause of action in any way pertaining to the Master Lease or the Demised Premises.

(e) There are no existing mortgages, encumbrances or liens on Sublessor's leasehold interest and Sublessor will not hereafter subordinate to or mortgage or encumber its leasehold interest.

10. Sublessee's Representations and Warranties. Sublessee hereby represents and warrants to Sublessor that, as of the date hereof, Sublessee has full power and authority to enter into this Sublease and perform in accordance with its terms and provisions and that the parties signing this Sublease on behalf of Sublessee have the authority to bind Sublessee and to enter into this transaction and Sublessee has taken all requisite action and steps to legally authorize it to execute, deliver and perform pursuant to this Sublease.

11. Events of Default of Sublessee. The occurrence of any of the following shall be an "Event of Default" of Sublessee hereunder:

(a) Default is made in the due and punctual payment of the Rent payable to Sublessor under this Sublease when and as the same shall become due and payable and such default shall continue for a period of ninety (90) days after written notice thereof from Sublessor to Sublessee.

(b) Default is made by Sublessee in keeping, observing or performing any of the terms contained in this Sublease, excepting the obligation to pay the Rent, and such default shall continue for a period of ninety (90) days after written notice thereof from Sublessor to Sublessee setting forth with reasonable specificity the nature of the alleged breach; or in the case of such default or contingency which cannot with due diligence and in good faith be cured within ninety (90) days, Sublessee fails within said ninety (90) day period to proceed promptly and with due diligence and in good faith to pursue curing said default.

(c) Any default in the obligations of Sublessor under the Master Lease relating to the Demised Premises, other than (i) an obligation which can only be performed by Sublessor thereunder or (ii) a default which is caused by Sublessor.

12. Failure to Cure Default by Sublessee. If an Event of Default of Sublessee shall occur, Sublessor, at any time after the periods set forth in Section 11 (a) or (b) and provided Sublessee has failed to cure such Event of Default within such applicable period, or in the case of such default or contingency which cannot with due diligence and in good faith be cured within ninety (90) days, Sublessee fails within said ninety (90) day period to proceed promptly and with due diligence and in good faith to pursue curing said default, shall, have the following rights and remedies, which are cumulative:

(a) In addition to any and all other remedies, in law or in equity, or as set forth in this Sublease, that Sublessor may have against Sublessee, Sublessor shall be entitled to sue Sublessee for all damages, costs and expenses arising from Sublessee's committing an Event of Default hereunder and to recover all such damages, costs and expenses, including reasonable attorneys' fees at both trial and appellate levels.

(b) To restrain, by injunction, the commission of or attempt or threatened commission of an Event of Default of Sublessee and to obtain a decree specifically compelling performance of any such term or provision of this Sublease without notice to Sublessor or the necessity of posting a bond.

13. Events of Default of Sublessor. It shall be an Event of Default of Sublessor, if default shall be made by Sublessor in keeping, observing or performing any of the duties imposed upon Sublessor pursuant to the terms of this Sublease and such default shall continue for a period of ninety (90) days after written notice thereof from Sublessee to Sublessor setting forth with reasonable specificity the nature of the alleged breach; or, in the case of any such default or contingency which cannot, with due diligence and in good faith, be cured within ninety (90) days, Sublessor fails within said ninety (90) day period to proceed promptly after such notice and with due diligence and in good faith to cure said Event of Default.

If an Event of Default of Sublessor shall occur, Sublessee, at any time after the period set forth in this Section 13, shall have the following rights and remedies which are cumulative:

(a) To restrain, by injunction, the commission of or attempt or threatened commission of an Event of Default of Sublessor and to obtain a decree specifically compelling performance

of any such term or provision of this Sublease without notice to Sublessor or the necessity of posting a bond.

(b) In the event that the Sublessor's default is of a nature which makes performance of this Sublease impossible, Sublessee may terminate any and all obligations that Sublessee may have under this Sublease, in which event Sublessee shall be released and relieved from any and all liability under this Sublease and shall surrender possession of the Demised Premises to Sublessor.

14. Power of Attorney-Sublessor. (a) Subject to Sublessor's prior approval of any instrument or document described in this Section, which approval shall not be unreasonably withheld, Sublessor hereby irrevocably constitutes Sublessee its true and lawful attorney in fact in its name, place and stead to make, execute, swear to, acknowledge, deliver and file:

(i) Any instrument which may be required to be filed by the Sublessor under the terms of the Master Lease, or which Sublessee deems advisable to file under the terms of the Master Lease;

(ii) Any documents which may be required or appropriate to amend the terms of the Master Lease, to effect the continuation of the Master Lease, or the termination of the Master Lease; or

(iii) Any document necessary or proper to carry out the intent of the Sublessor's powers and/or duties.

(b) The above power of attorney:

(i) Is a special power of attorney coupled with an interest, is irrevocable and will survive the dissolution of the Sublessor or any other event; and

(ii) May be exercised by the Sublessee on behalf of Sublessor by an actual or facsimile signature of a duly authorized representative of the Sublessee.

(c) Upon the request of Sublessee, the Sublessor shall from time to time execute a separate power of attorney that may be necessary or proper to permit the above-listed powers to be exercised, and any document which the Sublessee would be authorized to execute by virtue of any such powers.

15. Discharge of Liens. Sublessor is not authorized to contract for or on behalf of itself or Sublessee for work or the furnishing of materials to the Demised Premises. Sublessor shall discharge of record by payment, bond or otherwise, within five (5) days subsequent to the date of its receipt of notice thereof from Sublessee, any mechanic's, laborer's or similar lien filed against the Demised Premises for work or materials claimed to have been furnished at the instance of Sublessor. If Sublessor shall fail to cause such lien or claim of lien to be so discharged or bonded within such period, in addition to any other right or remedy it may have, Sublessee may, but shall not be obligated to, discharge the same by paying the amount claimed to be due or by procuring the discharge of such lien or claim by deposit in court or bonding, and in any such event, Sublessee shall be entitled, if Sublessee so elects, to compel the prosecution of any action for the foreclosure of such lien or claim by claimant and to pay the amount of the judgment, if any, in favor of the claimant, with interest, costs and allowances. Sublessee shall be entitled to offset any sum or sums so paid by Sublessee, and all costs and

expenses incurred by Sublessee, including, but not limited to, attorneys' fees in processing such discharge or in defending any such action against any Rent due under this Sublease.

16. Notices. Each notice required or permitted to be given hereunder or pursuant to the Master Lease must comply with the requirements of Article 14.11 of the Master Lease. The addresses for the parties hereto are as follows:

Sublessor: _____, LLC

Sublessee: _____

17. Subleasehold Mortgage.

(a) Without limiting any of the provisions of the Master Lease as to the mortgaging of the Sublessee's subleasehold estate in the Demised Premises, it is agreed that, without Sublessor's prior consent, Sublessee shall have the right from time to time during the Term to mortgage, collaterally assign, or otherwise encumber in favor of one or more lenders the Sublessee's leasehold estate and interest ("Leasehold Interest") under one or more leasehold mortgages ("Leasehold Mortgages"), the Sublessee's personalty located on the Demised Premises, its subleases and issues, rents and profits therefrom, as security for such Leasehold Mortgages.

(b) In the event of any default by Sublessee under the Sublease or any Leasehold Mortgage, Sublessor will allow Permitted Leasehold Mortgagee (as hereinafter defined) to enforce its lien and security interest in Sublessee's personal property located at the Demised Premises including assembling and removing all of Sublessee's personal property located on the Premises. Sublessor hereby waives any landlord's lien it might hold, statutory, constitutional, contractual or otherwise, in any personal property owned or leased by Sublessee and now or hereafter located on the Demised Premises. If so requested by Sublessee, Sublessor shall execute a waiver of any right, title or interest or right to seize any of Sublessee's personal property on the Demised Premises that may be subject to a lien or security interest in favor of Permitted Leasehold Mortgagee or a seller of Sublessee's personal property or creditor holding a security interest in such personal property.

(c) (i) if the Sublessee shall mortgage its Leasehold Interest, and if the holder of such Leasehold Mortgage (each a "Permitted Leasehold Mortgagee") shall provide the Sublessor with notice of such Leasehold Mortgage together with a true copy of such Leasehold Mortgage and the name and address of the mortgagee, the Sublessor and the Sublessee agree that, following receipt of such notice by the Sublessor, the provisions of this Section 17 shall apply with respect to such Leasehold Mortgage.

(ii) Sublessor agrees that no notice given to Sublessee subsequent to the date Sublessee's leasehold interest in the Land is encumbered by a Leasehold Mortgage is valid unless simultaneously given to the Permitted Leasehold Mortgagee at the address provided by it.

(iii) In the event of any assignment of a Leasehold Mortgage or in the event of change of address of a Permitted Leasehold Mortgagee or of an assignee of such Leasehold Mortgage, notice of the new name and address shall be provided to the Sublessor.

(iv) After the Sublessor has received the notice provided for by subsection (c)(1) above, the Sublessee, upon being requested to do so by the Sublessor, shall with reasonable promptness provide the Sublessor with copies of the note or other obligation secured by such Leasehold Mortgage and of any other documents pertinent to the Leasehold Mortgage and of each amendment or other modification or supplement to such instruments.

(d) Until such time as the Leasehold Mortgages are paid in full, the Sublessor shall not consent to any termination, material amendment, modification or supplement to this Sublease unless consented to in writing by the Permitted Leasehold Mortgagees which consent will not be unreasonably delayed, conditioned or withheld.

(e) In the event there is a conflict between the terms of this Sublease and those of a Leasehold Mortgage (including but not limited to the provisions of this Sublease and those of a Leasehold Mortgage pertaining to the disposition of insurance proceeds or condemnation awards), the terms of the Leasehold Mortgage shall govern.

(f) Permitted Leasehold Mortgagee may at its option, at any time before this Sublease has been terminated as provided herein, and before the expiration of the time periods specified in Section 17(g) below, pay any of the Rent or other sums due under this Sublease, or effect any insurance, or pay any taxes or assessments, or make any repairs and improvement, or do any act or thing which may be necessary and proper to be done in the observance of the covenants and conditions of this Sublease or to prevent the termination of this Sublease. Permitted Leasehold Mortgagee also shall be afforded the right, but not the obligation, to perform any other term, covenant, or condition of this Sublease to be performed by Sublessee, as well as to remedy any default by Sublessee hereunder, and Sublessor shall accept such performance by any Permitted Leasehold Mortgagee with the same force and effect as if furnished by Sublessee, provided, however, that Permitted Leasehold Mortgagee shall not thereby or hereby be subrogated to the rights of Sublessor. Additionally, Sublessee may delegate irrevocably to Permitted Leasehold Mortgagee the authority to exercise any or all of Sublessee's rights hereunder, including, but not limited to the right of Permitted Leasehold Mortgagee to participate (in conjunction with or to the exclusion of Sublessee) in any proceeding, arbitration or settlement involving condemnation or eminent domain affecting Sublessee's leasehold interest in the Demised Premises, but no such delegation shall be binding upon Sublessor unless and until either Sublessee or Permitted Leasehold Mortgagee in question shall give to Sublessor a true copy of a written instrument effecting such delegation, in form required for recording. Any provision of this Sublease that gives Permitted Leasehold Mortgagee the privilege of exercising a particular right of Sublessee hereunder on condition that Sublessee shall have failed to exercise such right shall not be deemed to diminish any privilege that Permitted Leasehold Mortgagee may have, by virtue of a delegation of authority from Sublessee, to exercise such right without regard to whether or not Sublessee shall have failed to exercise such right.

(g) Sublessor shall give Permitted Leasehold Mortgagee notice in writing of any defaults by Sublessee under this Sublease, and Permitted Leasehold Mortgagee shall have sixty (60) days after receipt of such written notice from Sublessor to cure such default which is reasonably susceptible of cure. Further, as to any non-monetary default, Permitted Leasehold

Mortgagee shall have one hundred eighty (180) days after receipt of such written notice from Sublessor, and a reasonable time after the expiration of said one hundred eighty (180) days if it shall have commenced foreclosure or other appropriate proceeding in the nature thereof within said one hundred eighty (180) day period and is diligently prosecuting the same, within which to endeavor to cure such default; and notwithstanding any other provision of this Sublease, all rights (if any) of Sublessor to terminate this Sublease upon the default by Sublessee are and shall continue to be at all times while Sublessee is indebted to Permitted Leasehold Mortgagee, subject to and conditioned upon Sublessor's first having given Permitted Leasehold Mortgagee written notice of such default and Permitted Leasehold Mortgagee's failure to cure such default within the time and upon the conditions stated above after receiving such written notice of default. Notwithstanding anything contained herein to the contrary, any right of Sublessor to terminate this Sublease shall be postponed indefinitely if the default which gives rise to such termination right is of such a nature that the same is not susceptible of being cured by Permitted Leasehold Mortgagee and Permitted Leasehold Mortgagee shall institute foreclosure proceedings and diligently prosecute the same to completion, subject to any stay in any proceedings involving the insolvency of Sublessee or other proceeding or injunction (unless, in the meantime, Permitted Leasehold Mortgagee shall acquire Sublessee's estate hereunder, either in its own name or through a nominee, by assignment in lieu of foreclosure).

(h) A Permitted Leasehold Mortgagee may become the holder of the Sublessee's leasehold estate and succeed to the Sublessee's interest in this Sublease by foreclosure of its Leasehold Mortgage or as a result of the assignment of this Sublease in lieu of foreclosure, and any purchaser at a foreclosure proceeding undertaken in regard to a Leasehold Mortgage may become the holder of the Sublessee's leasehold estate and succeed to the Sublessee's interest in this Sublease by such foreclosure proceedings. A Permitted Leasehold Mortgagee may exercise any rights and remedies available to it under its Leasehold Mortgage without consent or approval of Sublessor.

(i) In case of the termination of this Sublease by reason of the happening of any Event of Default or of bankruptcy or insolvency of the Sublessee, Sublessor shall provide written notice of such termination to Permitted Leasehold Mortgagee and shall include in the notice a statement of all sums which would be due under this Sublease at the time of termination and all other defaults of Sublessee existing at such time. Sublessor will enter into a new sublease for the Demised Premises with the Permitted Leasehold Mortgagee, for the remainder of the term, effective as of the date of such termination, at the same Rent and subject to the same covenants and agreements, terms, provisions and limitations herein contained, provided that:

(i) The Sublessor receives the Permitted Leasehold Mortgagee's written request for such new sublease within 60 days from the date that notice of such termination is received by Permitted Mortgagee and all amounts then due and owing to the Sublessor under this Sublease shall be paid coterminous with the entry into the new sublease together with any and all costs and expenses, including reasonable counsel fees, court costs and disbursements made by the Sublessor in connection with any such default and termination as well as in connection with the execution and delivery of the new sublease, less the net income collected by the Sublessor from the Demised Premises subsequent to the date of termination of this Sublease and prior to the execution and delivery of the new lease, any excess of such net income over the aforesaid sums and expenses to be applied in payment of the Rent thereafter becoming due under the new sublease; and

(ii) Upon the execution and delivery of the new sublease at the time payment is made in (1) above, all subleases which thereafter may have been assigned and transferred to the Sublessor shall thereupon be assigned and transferred without recourse by the Sublessor to the Permitted Leasehold Mortgagee, as the new Sublessee.

(j) (i) For the purposes of this Section 17, the making of a Leasehold Mortgage shall not be deemed to constitute an assignment or transfer of this Sublease or of the Leasehold Interest hereby created, nor shall any Permitted Leasehold Mortgagee, as such, be deemed to be an assignee or transferee of this Sublease or of the Leasehold Interest hereby created so as to require such Permitted Leasehold Mortgagee, as such, to assume the performance of any of the terms, covenants or conditions on the part of the Sublessee to be performed hereunder; however, the purchaser at any sale of this Sublease and of the Leasehold Interest hereby created under any instrument of assignment or transfer in lieu of the foreclosure of any Leasehold Mortgage shall be deemed to be an assignee or transferee within the meaning of this Section 17, and shall be deemed to have agreed to perform all of the terms, covenants and conditions on the part of the Sublessee to be performed hereunder from and after the date of such purchase and assignment, but only for so long as such purchaser or assignee is the owner of the Leasehold Interest. If the Permitted Leasehold Mortgagee or its designee shall become holder of the Leasehold Interest and if the improvements on the Demised Premises shall have been or become materially damaged on, before or after the date of such purchase and assignment, the Permitted Leasehold Mortgagee or its designee shall be obligated to repair, replace or reconstruct the improvements only to the extent of the net insurance proceeds received by the Permitted Leasehold Mortgagee or its designee by reason of such damage. However, should such net insurance proceeds be insufficient to repair, replace or reconstruct the Project or other improvements, and should the Permitted Leasehold Mortgagee or its designee choose not to fully reconstruct the improvements, such failure shall constitute an event of default under this Sublease.

(ii) Any Permitted Leasehold Mortgagee or other acquirer of the Leasehold Interest of the Sublessee pursuant to foreclosure, assignment in lieu of foreclosure or other proceedings may, upon acquiring the Sublessee's Leasehold Interest, without further consent of the Sublessor, sell and assign the Leasehold Interest on such terms and to such persons and organizations as are acceptable to such Permitted Leasehold Mortgagee or acquirer and thereafter be relieved of all obligations under this Sublease; provided the Sublessor has approved such assignee, which approval shall not be unreasonably withheld, and such assignee has delivered to the Sublessor its written agreement to be bound by all of the provisions of this Sublease.

(iii) Notwithstanding any other provisions of this Sublease to the contrary, any sale of this Sublease and of the Leasehold Interest hereby created in any proceedings for the foreclosure of any Leasehold Mortgage, or the assignment or transfer of this Sublease and of the Leasehold Interest hereby created in lieu of the foreclosure of any Leasehold Mortgage, shall be deemed to be a permitted sale, transfer or assignment of this Sublease and of the Leasehold Interest hereby created.

(k) The Sublessor shall give each Permitted Leasehold Mortgagee prompt notice of any legal proceedings between the Sublessor and the Sublessee involving obligations under this Sublease. Each Permitted Leasehold Mortgagee shall have the right to intervene in any such proceedings and be made a party to such proceedings, and the parties hereto do hereby consent to such intervention. In the event that any Permitted Leasehold Mortgagee shall

not elect to intervene or become a party to any such proceedings, the Sublessor shall give the Permitted Leasehold Mortgagee notice of, and a copy of any award or decision made in any such proceedings, which shall be binding on the Permitted Leasehold Mortgagee.

(l) Intentionally Omitted.

(m) The Sublessor shall, without charge, at any time and from time to time hereafter, but not more frequently than twice in any one-year period (or more frequently if such request is made in connection with any sale or mortgaging of Sublessee's Leasehold Interest or permitted subletting by the Sublessee), within ten (10) days after written request from the Sublessee or Permitted Leasehold Mortgagee to do so, certify by written instrument duly executed and acknowledged to any Permitted Leasehold Mortgagee or purchaser, or proposed leasehold mortgagee or proposed purchaser, or any other person, firm or corporation specified in such request: (i) as to whether this Sublease has been supplemented or amended and if so, the substance and manner of such supplement or amendment; (ii) as to the validity and force and effect of this Sublease, in accordance with its tenor; (iii) as to the existence of any default hereunder; (iv) as to the existence of any known offsets, counterclaims or defenses hereto on the part of the Sublessee; (v) as to the commencement and expiration dates of the term of this Sublease; and (vi) as to any other matters as may be reasonably so requested. Any such certificate may be relied upon by the Sublessee and any other person, firm or corporation to whom the same may be exhibited or delivered, and the contents of such certificate shall be binding on the Sublessor.

(n) Notices from the Sublessor to the Permitted Leasehold Mortgagee shall be mailed to the address furnished to the Sublessor, and those from the Permitted Leasehold Mortgagees to the Sublessor shall be mailed to the address designated pursuant to the provisions of Section 17(c)(i). Such notices, demands and requests shall be given in the manner described in Section 16 and shall in all respects be governed by the provisions of that section.

(o) In case of the termination of this Sublease by reason of the happening of any Event of Default or of bankruptcy or insolvency of the Sublessee, the Sublessor shall give prompt notice thereof to each Permitted Leasehold Mortgagee who has made the request referred to in Section 17(c).

18. Investor. The following shall apply with respect to the Sublessee's Investor (the "Investor"):

(a) The Sublessor agrees to accept payment or performance by the Investor as though the Sublessee had done the same, and the Investor shall be given all of the same cure rights as a Permitted Leasehold Mortgagee under this Sublease.

(b) The Sublessor agrees to give the Investor, at the address to be provided by the Investor, a written copy of all notices and demands that the Sublessor gives to the Sublessee.

(c) The Sublessor shall not terminate this Sublease if:

(i) At the time of the Event of Default, the Sublessor or Sublessor's member is the Sublessee's general partner or managing member, or an affiliate of the Sublessee's general partner or managing member;

(ii) Within one hundred twenty (120) days after the Investor's receipt of notice, the Investor (A) cures the Event of Default, or (B) if the Event of Default reasonably requires more than one hundred twenty (120) days to cure, commences to cure the Event of Default and diligently prosecutes the same to completion; or

(iii) If the Event of Default cannot be cured by payment or expenditure of money, and the Investor (A) initiates other appropriate proceedings to remove and replace the general partner or managing member as provided in the Sublessee's amended and restated partnership or operating agreement (the "Governing Agreement") within one hundred twenty (120) days after receipt of notice, (B) cures all other Events of Default, (C) complies with all other covenants and conditions of this Sublease capable of compliance, and (D) continues to pay all real property taxes and assessments, and insurance premiums to be paid by the Sublessee under this Sublease, then the Investor shall then have one hundred twenty (120) days following the date on which the Investor or its nominee is able to become the replacement general partner or managing member of the Sublessee, to cure such Event of Default. Notwithstanding anything contained herein to the contrary, if any such Event of Default, by its nature, is such that it cannot practicably be cured within said 120-day period, then the Investor shall have such time as shall be reasonably necessary to cure the Event of Default provided that the Investor commences such cure within said 120-day period and thereafter diligently prosecutes the cure to completion.

(d) The Sublessor agrees to accept performance by the Investor of all cures, conditions and covenants as though performed by the Sublessee, and agrees to permit the Investor access to the Demised Premises to take all such actions as may be necessary or useful to perform the Sublessee's covenants under this Sublease or to cure an Event of Default of the Sublessee.

(e) If the Investor elects any of the above-mentioned options, then upon the Investor's or its nominee's acquisition of the general partner or managing member interest under the Governing Agreement, this Sublease shall continue in full force and effect during the ____-year tax credit compliance period, provided that, if the Investor elects the option provided in Section 18(C)(iii) above, then upon the Investor's acquisition of the general partner or managing member interest under the Governing Agreement, the Investor shall cure all prior Events of Default of the Sublessee under this Sublease that are reasonably capable of being cured by an Investor within the time set forth in Section 18(C)(iii) above. If the Investor commences an action as set forth in Section 18(C)(iii), and thereafter the Sublessee cures such Events of Default (which cure the Sublessor shall be obligated to accept) and the Investor then terminates all proceedings under the option in Section 18(C)(iii) above, then this Sublease shall remain in full force and effect between the Sublessor and the Sublessee during the ____-year tax credit compliance period.

(f) During the ____-year tax credit compliance period the Sublessor and the Sublessee shall not agree between themselves to any material amendment, modification or supplement to this Sublease without the prior written consent of the Investor, which consent will not be unreasonably delayed, conditioned or withheld.

(g) So long as the Investor is prevented by injunction issued by any court or by any statutory stay, or by reason of any action by any court having jurisdiction of any bankruptcy or insolvency proceeding involving the Sublessee, from commencing or prosecuting the replacement of the general partner or managing member pursuant to the terms of the Governing

Agreement or other appropriate proceedings in the nature thereof, the Investor shall not be deemed for that reason to have failed to commence such proceedings or to have failed to diligently prosecute such proceedings, provided that the Investor use reasonable efforts to contest and appeal the issuance or continuance of any such process, stay or injunction.

(h) Notwithstanding anything to the contrary set forth elsewhere in this Sublease, the Sublessor and the Sublessee hereby acknowledge and agree that the Investor shall be deemed a third-party beneficiary of the provisions of this Sublease which specifically grant the Investor rights and/or benefits, including, without limitation, those provisions which entitle the Investor to receive notice and exercise the right to cure. In connection therewith, the Investor may seek any and all remedies available to the Investor in order to enforce such provisions.

19. Miscellaneous. This Sublease shall inure to the benefit of and be binding upon the parties and their respective heirs, executors, legal representatives, successors and permitted assigns. This Sublease is governed by and shall be interpreted in accordance with the laws of the State of Florida. Neither this Sublease nor any provisions hereof or of the Master Lease may be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by the party against whom enforcement of the change, waiver, discharge or termination is sought.

20. Grant of Quiet Enjoyment. Sublessee, upon paying the Rent and Sublease Rent and performing in accordance with the terms, agreements, and provisions of this Sublease, shall peaceably and quietly have, hold and enjoy the Demised Premises during the term of this Sublease without interruption, disturbance, hindrance or molestation by Sublessor or by anyone claiming by, through or under Sublessor.

21. Recording. At Sublessee's behest, a Memorandum of this Sublease shall be recorded among the Public Records of Miami-Dade County, Florida, at the sole cost of Sublessee.

22. Sublessor's Covenants. Sublessor hereby covenants to and agrees with Sublessee that during the Term of this Sublease, Sublessor will not (a) amend, modify, cancel or terminate the Master Lease, or exercise any rights of the Sublessor thereunder in any way which materially diminishes the rights or increases the responsibilities of Sublessee, without the prior written consent of Sublessee, which consent may be withheld by Sublessee in Sublessee's sole and absolute discretion, or (b) take any action or omit to take any action which would cause a default in the Master Lease by Sublessor unless such default is caused by the default of the Sublessee hereunder.

23. Cooperation. Sublessor shall, from time to time, upon request from Sublessee, execute and deliver or cause to be made, executed and delivered to Sublessee, such further assurances and other documents as may be necessary or desirable in order to effectuate and/or complete the purposes and intents of this Sublease.
