The purpose of this item is to authorize the MDC Thrive Future Ready Scholarship Program (“MDC Future Ready” or “Program”) and approve the grant agreement with The District Board of Trustees of Miami Dade College, Florida (“MDC”), in the amount of \$3 million for a three-year grant period.

This funding will support MDC Future Ready, a program that empowers students across Miami-Dade County to achieve their educational goals at zero cost by picking up where other aid and scholarships leave off and ensuring that qualified students have the ability to earn an Associate’s Degree or Career Certificate at Miami Dade College.

As of the inception of the program, 1,215 scholarships have been awarded to enable students to complete their degree, with Miami Dade College estimating an average of \$3,000.00 in direct aid per student.

## Recommendation

It is recommended that the Board:

1. Authorize the deployment of funds to the MDC Thrive Future Ready Scholarship Program.
2. Approve a grant agreement with MDC, in the amount of \$3,000,000.00, for MDC Future Ready, in substantially similar form as Exhibit 1 to the Resolution for a three-year initial grant period, retroactive start of October 1, 2023, and ending September 20, 2026. Authorize the County Mayor or County Mayor’s designee to exercise all provisions contained in the grant agreement, including termination and amendment, provided that such amendments do not alter the purpose of the Program or add additional funds without Board approval.
3. Direct the County Mayor or County Mayor’s designee to provide a written report to the Board on the results of the Program and to place the completed report on an agenda of the full Board without committee review pursuant to rule 5.06(j) of the Board’s Rules of Procedure.

**Scope**

The impact of this Program is countywide.

**Delegation of Authority**

This resolution authorizes the County Mayor or County Mayor's designee to execute the grant agreement in substantially similar form as Exhibit 1 to the Resolution, and to exercise all provisions contained therein, including termination and amendment, provided such amendments do not alter the purpose of the Program or add additional funds without Board approval.

**Fiscal Impact/Funding Source**

Funding for the Agreement with MDC is made up of \$750,000.00 of general fund accrued from Fiscal Year 2023-2024 and \$2,250,000.00 of Fiscal Year Adopted Budget 2024-2025 Miami Rescue Plan Funds-Economic Development Activities, Volume 3, Page 211.

**Track Record/Monitor**

James Kohnstamm, Director of Economic Development in the Department of Regulatory and Economic Resources, will be responsible for verifying compliance with the terms of the Agreement.

Program will begin to provide Summer coverage after completion of the initial Fall and Spring semesters for eligible students. PAYMENT PROCEDURES**

A. **Cost-Based Contracts: Reimbursement and Advances.** The parties agree that this is a **cost-based** Agreement and that the Provider shall be paid through reimbursement payment based on the budget approved under this Contract (see Attachment B) and when **complete and proper documentation** of service delivery and incurred expenses are provided to the County. Proper documentation includes, but is not limited to, itemized vendor invoices showing the service date or order date coinciding with the fiscal period (note, itemized list of items purchased must be related to the approved budget and scope of work), proof of payment to include a copy of the cancelled check, or ACH confirmation and a copy of the related bank statement, client lists to substantiate the quantity of materials/supplies ordered, or event listing, payroll register and summary for staff budgeted, and fully executed subcontract agreements, pre-approved by OMB-GC. If the actual performance levels of the program(s) covered by this agreement are less than the expected performance levels, then the County may adjust payments, recapture the funded award, or seek repayment based on the level of performance. The County reserves the right to disallow any expenditures unrelated to the approved budget and scope of work, which may include purchase of items and materials not contemplated in the budget, staff substitutions that were not pre-approved by the County, expenses exceeding the budget by more than 15 percent, improperly documented expenses (i.e. lacking invoices, bank statements, cancelled checks, payroll documents, etc.) and expenses incurred outside the contract period. The County, at its sole discretion, may request additional supporting documentation for any expenditures that require further validation. Upon proper and complete execution of this Contract (to include proof of insurance), and submission of a request for payment on the Provider's letterhead, the County may provide the Provider with twenty-five percent (25%) of the Contract amount in advance. The Provider's request for this advance payment must be submitted in writing and must specify the reasons and justifications for such advance payment. It need not be accompanied by a detailed expenditure report. The County shall have the sole discretion in choosing whether or not to provide any advance payments and is not obligated to do so under any circumstances. Advance payments in excess of 25% of the Contract amount may be approved by the Mayor, the Deputy Mayor/OMB Director as the Mayor's Designee, or the Deputy Mayor/OMB Director's designee for this purpose.

B. **Monies Owed to the County.** The County reserves the right, in its sole discretion, to reduce payments to the Provider in order to recapture any monies owed to the County. In accordance with County Administrative Order No. 3-29, a Provider that is in arrears to the County is prohibited from obtaining new County contracts or extensions of contracts until such time as the arrearage has been paid in full or the County has agreed in writing to an approved re-payment plan.

Additionally, in accordance with Miami-Dade County Implementing Order 3-9, Accounts Receivable Adjustments, if money is owed by the Provider to the County, whether under this Contract or for any other purpose, the County reserves the right to retain such amount from payment due by County to the Provider under this Contract. Such retained amount shall be applied to the amount owed by the Provider to the County. The Provider shall have no further claim to such retained amount(s) which shall be deemed full accord and satisfaction of the amount due by the County to the Provider for the applicable payment due herein.

C. **No Payment of Subcontractors.** In no event shall County funds be advanced or paid by the County directly to any subcontractor hereunder. Payment to approved subcontractors shall be made by the Provider following requirements and limitations as detailed in Article 22 of this Agreement.

D. **Requests for Payment.** The County agrees to pay all budgeted costs incurred by the Provider that are allowable under the County guidelines. In order to receive payment for allowable costs, the Provider shall submit a Monthly Payment Request (Attachment F) and a Monthly Progress Report (Attachment G) on forms provided by the OMB-GC. The OMB-GC must receive the Monthly Payment Request and the Monthly Progress Report no later than the 21st day of the month following the month in which services were provided. The Monthly Payment Request shall reflect the expenses incurred by the Provider for the month in which services were rendered and documented in the Monthly Progress Report. Upon submission of satisfactory required monthly reports, the OMB-GC shall make payment. If the Provider is not meeting its expected expenditure rates, then a corrective action plan must accompany the Provider's Monthly Payment Request.

The County will not approve payments for in-kind or volunteer services provided by the Provider on behalf of the project. The OMB-GC shall accept originals of invoices, receipts, and other evidence of indebtedness as proof of expenditures. When original documents cannot be produced, the Provider must adequately justify their absence in writing and furnish copies as proof of the expenditures.

E. **Processing the Payment Request.** After the OMB-GC staff reviews and approves the payment request, the OMB will submit a payment request to the County's Finance Department (Attachment F). The County's Finance Department will issue payment via Automated Clearing House (ACH) or mail the check directly to the Provider at the address listed in Article 13 of this Agreement unless otherwise directed by the Provider in writing. The parties agree that the processing of a payment request from date of submission by the Provider shall take a maximum of forty-five (45) days from receipt of a complete and accurate payment request, pursuant to the County's Sherman S. Winn Prompt Payment Ordinance (Ordinance 94-40), Section 2-8.1.4 of the Code of Miami-Dade County, Administrative Order No. 3-19, and the Florida Prompt Payment Act, if supporting documentation/invoices are properly documented as determined by the County in its sole discretion. It is the responsibility of the Provider to maintain sufficient financial resources to meet the expenses incurred during the period between the provision of services and payment by the County.

Failure to submit monthly reimbursement requests with supporting documentation in a manner deemed correct and acceptable by the County, by the 21st day of each month following the month in which the service was delivered, shall be considered a breach of this Agreement and may result in termination of this Agreement.

F. **Final Request for Payment.** A final request for payment from the Provider will be accepted by the OMB-GC up to thirty (30) days after the expiration of this Agreement. If the Provider fails to comply, all rights to payment shall be forfeited.
