**Re: Interlocal Agreement with Miami-Dade County for Inspector General Services**

Dear Chairman Barreiro:

I would like to thank you again for the opportunity to meet with you to discuss the Interlocal Agreement with Miami Dade County for Inspector General services for our school district.

As you may be aware, the school district has for some time now been attempting to perfect its model for an Internal Inspector General's Office. In attempting to reach this goal, the Board decided that a practical solution would be to use the services of an established Inspector General's Office, such as Miami-Dade County's. As a result of numerous deliberations by the Board, an Interlocal Agreement was drafted and negotiated with the County's Inspector General's office, and approved by the County's Attorney's Office.

I'm pleased to inform you that, at its regular meeting on October 17, 2007, the School Board approved the proposed Interlocal Agreement. I'm enclosing a copy of the executed Interlocal Agreement with the request that you present this for the Commissioner's consideration and approval. I know this undertaking will be a success and a benefit to both the School Board and the County, and I thank you and the Commission in advance, for its assistance in this unique cooperative endeavor.

Very truly yours,

**Agustín J. Barrera, Chair**  
School Board of Miami-Dade County

Although the SB OIG does not, whenever possible, intend to duplicate the work of the aforementioned entities, its audits, investigations, inspections and reviews may from time to time address the same or similar issues or activities being reviewed by the aforementioned entities. In such cases, and in every case, SB OIG audits, investigations, inspections and reviews will be conducted separately and independently from the aforementioned activities, and upon conclusion, the SB OIG, where appropriate, shall refer the disposition or finalization of an audit, investigation, inspection or review to the appropriate school board entity for any additional action. The Inspector General, District Superintendents and directors of the aforementioned departments may, through subsequent mutual written agreement(s), agree upon operating procedures to ensure that the aforementioned goals are achieved.

has explicitly notified the Inspector General in writing that the Inspector General's investigation is interfering, or would interfere, with an ongoing criminal investigation.

- c. Where the Inspector General detects corruption or fraud, he shall notify the appropriate law enforcement agency(ies). Subsequent to notifying the appropriate law enforcement agency, the Inspector General may assist the law enforcement agency in conducting the investigation.
- d. OIG personnel will make every reasonable effort to minimize any disruption or interference with work activities being performed in the school system. Except where investigative requirements dictate otherwise, advance notice should be given of a need for the IG or other OIG staff to access areas not routinely accessed by the Board, employees, contractors, or subcontractors of a school; visits to school sites should be coordinated with the principal and School Police; and any access to students (e.g. interviews or requests for statements) must be consistent with the District's procedures for investigations and the rights of parents and guardians. OIG personnel, who in the course of their employment will have direct contact with students or access to school grounds while students are present, must comply with the requirements of the Jensen-Lunsford Act, § 1012.465, Fla. Stat. (2007), and any amendments thereto.

*Section 5. Physical Facilities and Staff of the SB OIG:*

- a. The School Board and District shall provide the SB OIG with appropriately located office space and sufficient physical equipment facilities together with necessary office supplies, equipment, and furnishings to enable the SB OIG to perform its functions.
- b. The Inspector General may make available staff members of the County's OIG to provide administrative, legal, investigative, audit and inspectional services. The provision of these services will be reimbursed by the School Board pursuant to Section 7 of this agreement. County personnel providing services pursuant to this agreement, including the Inspector General, shall remain at all times employees of the County.
- c. The District Superintendent will make available personnel, resources and accommodations to the Inspector General in order to staff the SB OIG. Funding for personnel, resources and accommodations provided by the District shall be included in the annual allocation by the School Board for the SB OIG as provided in Section 7 of this agreement. The identification, duration, and terms of detachment of District personnel pursuant to this section will be made by subsequent mutual written agreement(s) between the Inspector General and the Superintendent, which will be in conformance with the requirements of § 112.24,

Fla. Stat. During the term of this ILA, the School Board hereby delegates to the Superintendent the authority to enter into said personnel detachment agreements. These individuals shall report directly to the Inspector General or his designee during the period of the detachment. District personnel detached to the SB OIG shall remain at all times employees of the School District and such detachment will in no way adversely affect the individual's employment rights and privileges, nor shall an employee's return to his or her previous position be adversely affected after a period of detachment to the SB OIG. At the conclusion of their detachment, placement and assignment of school district employees will be governed under the terms of their respective collective bargaining agreements.

- d. The Inspector General shall, subject to the budgetary allocation by the School Board, have the authority to retain and coordinate the services of Independent Private Sector Inspectors General (IPSIG) or other professional services, as required, when in the Inspector General's discretion he or she concludes that such services are need to perform the duties and functions enumerated in this ILA.
- e. The Inspector General shall have the power to establish personnel and operating procedures as deemed necessary for the efficient and effective administration and performance of this ILA.

Notwithstanding any other provision of this ILA, whenever the Inspector General drafts a report or recommendation which contains findings as to the person or entity being reported on or who is the subject of the recommendation, the Inspector General shall provide the affected person or entity a copy of the report or recommendation and such person shall have 10 working days to submit a written explanation or rebuttal of the findings before the report or recommendation is finalized, and such timely submitted written explanation or rebuttal shall be attached to the finalized report or recommendation. The requirements of this section shall not apply when the Inspector General, in conjunction with the State Attorney, or other prosecuting authority, determines that supplying the affected person or entity with such report will jeopardize a pending criminal investigation.
- b. The Inspector General shall annually prepare and submit to the School Board a written report concerning the work and activities of the SB OIG as it relates to the duties outlined in this ILA including, but not limited to, statistical information regarding the disposition of closed investigations, audits, and other reviews.

**Section 7. Budgetary Allocation by the School Board.** It is agreed by the Parties that the operations and services to be provided by the SB OIG to the School Board shall be adequately funded at no cost to the County.

- a. **Initial Allocation.** The School Board agrees that it will allocate \$75,000 (allotted from a fund that has been budgeted for purposes reasonably related to OIG services) as an initial amount of funds to the SB OIG, and place such funds in an account to be drawn by the SB OIG as needed, until an annual budget is agreed upon by the School Board and the Inspector General. The SB OIG will provide the School Board with an invoice, accounting or other report of any monies drawn from the initial \$75,000 allocation.
- b. **SB OIG Budget.** The Inspector General will, within 90 days after the ILA becomes effective, present to the School Board, through a recommendation from the Superintendent, a proposed annual budget for the SB OIG and a method for its implementation. This proposed budget shall be inclusive of the resources to be provided by the County OIG through its professional staff and any operating expenditures made directly by the County OIG in the furtherance of or pursuant to this ILA. Additionally, the annual budget shall contain funds to accommodate the resources to be provided for the operation of the SB OIG as identified in Section 5(a) and 5(c) herein, and sufficient funds for the general operation of the SB OIG. Once the SB OIG and the School Board are in agreement, the School Board shall adequately fund the costs of the services and operations for not less than the first year of this ILA. Thereafter, annual budgets shall be proposed in accordance with the guidelines set forth in this Section.
- c. **Compensation for County OIG services.** Compensation for direct County OIG services shall be paid by the School Board within 30 days upon presentation of an invoice from the County OIG, which shall be submitted quarterly. Copies of receipts or other appropriate supporting documentation will be presented with the invoice seeking payment. Compensation for professional services rendered by County OIG personnel shall include the individual's direct hourly salary, County payroll fringe and other benefits, and applicable County OIG office overhead.
- d. Should the parties hereto be unable to agree upon a budget in the manner prescribed in this section, this ILA shall be void ab initio, and any unexpended and unencumbered funds included in the initial funding allocation provided by the School Board, shall be returned to the School Board.

**Section 8. Termination of ILA.** This ILA may be terminated for any reason, including convenience, by either party by thirty (30) days' written notice to the other party.

**LINK TO STRATEGIC  
PLAN:                        EFFECTIVE & SUSTAINABLE OPERATIONAL PRACTICES**

Pursuant to Board Policy 0157, *Inspector General*, the School Board initially entered into a three (3) year Interlocal Agreement (ILA) on December 27, 2007, with Miami-Dade County, Florida to procure the services of an Inspector General through the Office of the Inspector General of Miami-Dade County. The ILA was extended five times, each time for three-year terms by Board action on July 14, 2010; July 17, 2013; October 5, 2016; April 17, 2019; and on July 20, 2022. During the term of the ILA, the Miami-Dade County Inspector General's Office has provided knowledgeable, experienced and independent investigatory and audit services to Miami-Dade County Public Schools. If not extended, the ILA will expire on December 18, 2025.

This item requests that the Board consider approving a Sixth Amendment and Restatement ("Sixth Amendment") extending the ILA for an additional three (3) year period ending on December 18, 2028, and clarifying certain existing provisions to conform to the established practices among the parties. A copy of the proposed Sixth Amendment and Restatement is attached. Upon approval of the Sixth Amendment, it will be submitted to the Board of County Commissioners of Miami-Dade County for approval and execution.

Changes from the fifth amended ILA are indicated by underscoring words to be added and striking through words to be deleted.
