6. MAINTENANCE AND REPAIRS

(a) Landlord's Duties. Notwithstanding any other provisions of this Lease, the Landlord shall repair and maintain the structural portions of the Premises, including, but not limited to, the plumbing, and electrical systems (except for electrical and plumbing fixtures) that are installed or furnished by the Landlord throughout the Premises, unless issues to the maintenance and repairs are caused by the negligence, or the intentional or willful act of the Tenant, its agents, employees, licensees, or invitees, in which case the Tenant shall pay the Landlord the cost of such maintenance and/or repairs, less the amount of any insurance proceeds received by the Landlord on account thereof. The Landlord shall be solely responsible for any and all damages and repairs caused by the Landlord, and/or its employees, agents and/or vendors. The Landlord shall maintain and keep in good order, condition, and repair the Premises, including, but not limited to, the roof; foundation; the curtain wall, including any and all glass connections; all exterior doors; exterior locks on exterior doors and windows; ballasts, plumbing, electrical closets; elevator; pest control; landscaping; walkways; pathways; sidewalks; and parking lot area. The Landlord shall comply with any and all building and zoning codes, as applicable. The Landlord shall make any and all repairs within a reasonable period following receipt of notice of the need thereof from the Tenant. If Landlord fails to make all repairs within a seven (7) days of receipt of notice from the Tenant, Tenant shall have the right to make the necessary repairs and deduct the amount from the monthly rent obligation.

1. In the event that mold or mold conditions are present at the Premises and provided mold or mold conditions were not caused by the negligence or willful misconduct involving acts or failure to act by Tenant or its agents or contractors, then Landlord, at its sole cost and expense, shall promptly: (A) hire trained and experienced certified mold remediation contractors to prepare a remediation plan and to remediate the mold or mold conditions at the Premises; (B) send Tenant notice, in writing, with a copy of the remediation plan, at least five (5) days prior to the mold remediation, stating: (i) the date on which the mold remediation shall start; (ii) which portion of the Premises shall be subject to the remediation; (iii) the name, address, and telephone number of the certified mold remediation contractors performing the remediation; (iv) the remediation procedures and standards to be used at the Premises; (v) the clearance criteria to be employed at the conclusion of the remediation; and (vi) the date the remediation will conclude; (C) notify, in accordance with any

applicable federal, state or local health or safety requirements, its employees as well as occupants and visitors of the Premises of the nature, location, and schedule for the planned mold remediation; (D) provide Tenant with a draft of the mold remediation report and give Tenant a reasonable opportunity to review and comment thereon, and when such report is finalized, promptly provide Tenant with a copy of the final remediation report.

2. In order to minimize any disruption to the Tenant's use of the Premises, the Landlord shall notify the Tenant in advance, within at least 24-hour notice of any maintenance and/or repairs to be performed in the Premises, and/or which will affect the Premises. Upon receiving the Landlord's notice of pending repairs and/or maintenance, the Tenant shall reasonably consent to such work, and the Landlord shall proceed to construct, improve, repair and/or complete any work that is necessary to properly maintain the Premises. Any and all repairs to the Premises shall, to the greatest extent possible, be performed during non-business hours, to further minimize the impact upon the Tenant, and its employees. Should any of the Premises be unusable to the Tenant, as a result of the Landlord's repairs, the Tenant shall be entitled to rent abatement for the period of time such repairs are undertaken.

(b) Tenant's Duties. The Tenant, at Tenant's sole cost and expense, shall, except for services furnished or otherwise provided by the Landlord, maintain the Premises, and all trade fixtures contained therein ("within the four walls") in a safe, clean, and neat condition, and otherwise in good order and repair (note, standard electrical and plumbing fixtures are not included). The Tenant shall maintain lavatory, toilet, wash basin, kitchen facilities, HVAC system and any supplemental HVAC system (including all plumbing connected to said system installed by or on behalf of the Tenant). Further, the Tenant shall pay for the cost of any repairs to the Premises made necessary by any negligence or willful misconduct of the Tenant, or any of its agents, vendors, employees, licensees, or invitees. In the event that the Tenant fails to so maintain the Premises in good order, condition, and repair, the Landlord shall give the Tenant thirty (30) days' notice to perform such acts as are reasonably required to properly maintain the Premises. In the event that the Tenant fails to commence such work within the thirty (30) day period, and diligently pursue it to completion, then the Landlord shall have the right, but shall not be required, to do such acts and expend such funds, at the expense of the Tenant, as are reasonably necessary to perform such maintenance and repairs. Landlord shall have no liability to Tenant for any damage, inconvenience or interference with the use of the Premises by Tenant as a result of performing any such work.

(c) Supplemental HVAC System. The Tenant acknowledges and agrees that whenever a supplemental HVAC system is installed in all or part of the Premises, at the direction or for the benefit of the Tenant, the Tenant shall enter into a regularly scheduled preventative maintenance and service contract, at the Tenant's sole cost and expense, which contract shall be either through a third-party agent or vendor of the Tenant, or by employees of an agency or department of the Tenant, which has the appropriate and experienced maintenance and service personnel for servicing such HVAC system and equipment, and shall provide the Landlord with a copy of the same. Any third-party contract shall be subject to the Landlord's prior approval, which approval will not be unreasonably withheld or delayed. Such contract shall include, at minimum, all services recommended by the equipment manufacturer and must be effective within sixty (60) days of installation of such HVAC system. The Landlord shall maintain a copy of the manufacturer's warranty information, if any, and will cooperate with the Tenant to the extent warranty repairs are required.

7. **ALTERATIONS AND IMPROVEMENTS**

(a) The Tenant shall make no alterations, additions, and/or improvements to the Premises, or any portion thereof, without obtaining the prior written consent of the Landlord. The Tenant shall submit any such request to the Landlord at least thirty (30) days prior to the proposed commencement date of such work. Landlord may impose, as a condition to such consent, such requirements as the Landlord may deem necessary in its reasonable judgment, including the manner in which the work is performed, the times during which the work is to be accomplished, approval of all plans and specifications, and the procurement of all building permits and licenses. Further, the Landlord shall be entitled to post notices on and about the Premises with respect to the Landlord's non-liability for mechanics' liens in connections with alterations or improvements made by the Tenant, and Tenant shall not permit such notices to be defaced or removed. Tenant further agrees not to connect any apparatus, machinery, or device to the building systems, including electric wires, water pipes, fire safety, and HVAC system, without the prior written consent of the Landlord.

(b) All alterations, improvements, and/or additions to the Premises shall be deemed a fixture, and thereby a part of the real estate and property of the Landlord, and shall remain upon and be surrendered with the Premises as a part thereof without molestation, disturbance or injury at the end of the Term of this Lease, whether by expiration or otherwise, unless the Landlord, by notice given to the Tenant, shall elect to have the Tenant remove all or any such alterations, additions, and/or improvements (excluding non-movable office walls), and in such event, the Tenant shall promptly after the termination of this Lease, remove, at its sole cost and expense, such alterations, improvements, and/or additions, and restore the Premises to the condition in which the Premises was in prior to the making of the same, reasonable wear and tear excepted. Notwithstanding the foregoing, all moveable partitions, IT communication cabling and wiring, telephones, and other machines and equipment which are installed in the Premises by or for the Tenant, without expense to the Landlord, and can be removed without structural damage to, or defacement of, the Premises, and all furniture, furnishing, equipment and other articles of property owned by the Tenant, and located in or about the Premises (all of which are herein called the "Tenant's Property") shall be and remain the property of the Tenant, and may be removed by the Tenant at any time during the Term of this Lease. However, if any of the Tenant's Property is removed, Tenant shall repair or pay the cost of repairing any damage to the Premises, resulting from such removal. All additions, improvements, and/or alterations which are to be surrendered with the Premises shall be surrendered with the Premises, as a part thereof, without cost to, or compensation by, the Landlord, at the end of the Term of this Lease, or the earlier termination thereof. Tenant may remain in the Premises up to thirty (30) days after the Termination Date, without the payment of Rent, for the sole purpose of removing Tenant's Property. If Tenant fails to remove any of Tenant's Property after vacating the Premises, beyond the aforementioned thirty (30) day period, without Landlord's consent, the Landlord, at Tenant's expense, may remove or store, the Tenant's Property and perform any other required clean-up and/or repairs to the Premises. Tenant, within sixty (60) days after receipt of an invoice from the Landlord, shall reimburse the Landlord for the reasonable cost incurred by the Landlord for the removal, or storing of Tenant's Property, and the clean-up and/or repair of the Premises.

(c) If the Landlord permits persons hired, retained, or requested by the Tenant (other than employees of the Tenant) to perform any alterations, improvements, and/or additions to the Premises, then prior to the commencement of such work, the Tenant shall deliver to the Landlord sufficient proof evidencing the appropriate licenses, and insurance as reasonably required by the Landlord. Any and all such insurance shall

name the Landlord as an additional insured and shall provide that the same may not be canceled or modified without thirty (30) days prior written notice to the Landlord.

8. **RIGHT OF QUIET ENJOYMENT**

(a) If, and so long as, Tenant pays the Rent, and keeps and performs each and every term, covenant, and condition under this Lease, as required by the Tenant to be kept and performed, the Tenant shall quietly enjoy the Premises for the Term hereof, and any extension or renewal thereof, without hindrance or molestation by the Landlord, or anyone claiming by, through, or under the Landlord, subject to terms, covenants, and conditions of this Lease.

(b) Landlord shall pay any and all taxes and assessments so as not to jeopardize Tenant's use and occupancy of the Premises. The Landlord, the foregoing notwithstanding, shall be entitled to contest any tax or assessment which it deems to be improperly levied against the Premises and/or the Land, so long as the Tenant's use of the Premises is not interfered with throughout the Term of this Lease.

9. **ASSIGNMENT AND SUBLETTING**

(a) The Tenant shall not permit any part of the Premises to be used or occupied by any person(s) other than the Tenant, and its permitted assignee, State of Florida, Department of Health in Miami-Dade County. Tenant shall not voluntarily, by operation of law, or otherwise, assign, sublease, transfer, or encumber this Lease, or any interest herein, or part with possession of all or any part of the Premises, without the Landlord's prior written consent, which shall not be unreasonably withheld; provided that the Tenant may, without Landlord's consent, and upon written notice to Landlord of no less than thirty (30) days, assign or sublease the Premises to a different agency or department of the Tenant, and/or the State of Florida, including any department thereof at any time, and from time to time, so long as Tenant is not in default under this Lease. Any assignment or sublease without the Landlord's prior written consent, as required herein, shall be void or voidable, at the Landlord's discretion, and may, at Landlord's election, constitute a default hereunder, notwithstanding Landlord's acceptance of rent payments from any purported assignee or sub-tenant.

(b) Notwithstanding the foregoing, the Landlord agrees to the assignment and assumption of all rights, duties and responsibilities of this Lease to the State of Florida, Department of Health in Miami-Dade County. In the event of such assignment by Tenant to the State of Florida, Department of Health in Miami-Dade County, Tenant shall be released and relieved from all liabilities and obligations to Landlord thereafter occurring under this Lease. A copy of the Assignment and Assumption of Lease Agreement between the Tenant and the State of Florida, Department of Health in Miami-Dade County is attached hereto as "Exhibit B", and is incorporated herein by this reference.

(c) In the event of any assignment or subletting, not otherwise consented to herein, the Tenant shall remain fully liable for the performance of all of the terms and conditions of this Lease, unless the Landlord, in writing, consents to the Tenant being released from any further liability or responsibility under this Lease.

(d) Landlord's consent in one instance, and any other act or acts of Landlord or its agents, shall not be deemed to constitute consent to any subsequent assignment or subletting.

(e) To the extent that the Landlord's consent is necessary, the Tenant shall provide the Landlord with a copy of any proposed assignment or sublease of the Premises, and to the extent then available a copy of any

document pursuant to which any such assignment or sublease may be made, at least twenty (20) business days prior to the proposed effective date of the assignment or sublease. The Landlord shall approve or disapprove of the proposed assignment or sublease within ten (10) business days of receiving the proposed assignment or sublease. The failure of the Landlord to disapprove any proposed assignment or sublease with such ten (10) calendar day period shall be deemed to be an approval by the Landlord of such proposed assignment or sublease.

10. **LIENS AND INSOLVENCY**

Tenant shall keep the Premises, and the Land free from any liens arising out of any work performed, materials furnished, or obligations incurred by the Tenant. In the event that any lien is filed against the Premises and/or the Land or against any of the Landlord's property, as a result of or in connection with any work performed or materials furnished to the Tenant, or on Tenant's behalf, the Tenant shall promptly discharge or satisfy said lien within thirty (30) business days' of receipt of notice of such lien.

11. **EMINENT DOMAIN**

(a) If any part of the Premises and/or the Land (not resulting in a total taking of the Land, thereby causing a termination of this Lease) is taken under the power of eminent domain, or similar authority or power, or sold under imminent threat thereof, to any public or quasi-governmental authority or entity, this Lease shall terminate as to the part of the Premises so taken or sold, effective as of the date taking, or the date that delivery of possession is required, by such public or quasi-governmental authority or entity. The Rent for the remainder of the Term under this Lease shall be reduced in the proportion that the Tenant's total square footage of the Premises is reduced by the taking.

(b) If a total taking of the Premises and/or the Land occurs, or if a partial taking of the Premises or the Land occurs, and it: (i) results in an inability of the Tenant to use the Premises for the Tenant's intended purpose, as determined by the Tenant; or (ii) renders the Premises unviable or useless to the Tenant, this Lease shall terminate, with such termination being made effective thirty (30) days after the Tenant receives notice of such taking, or when the taking occurs, whichever is sooner.

(c) All condemnation awards and similar payments shall be paid and belong to the Landlord, except any amounts otherwise described above in this Lease, in addition to any amounts awarded or paid specifically for Tenant's trade fixtures, loss of business, relocation costs, and other benefits that the Tenant is otherwise entitled to receive under the law (provided Tenant's award does not reduce Landlord's award or attribute any value to the remaining leasehold interest). Nothing contained herein shall prevent or diminish the Tenant's right to deal on its own behalf with the condemning authority.

12. **ACCESS OR ENTRY BY LANDLORD**

(a) Upon three (3) business days prior written notice to Tenant (except in the event of emergency), the Landlord or Landlord's employees, agents, and/or contractors may enter the Premises at reasonable times for the purpose of inspecting, altering, improving, or repairing the Premises and for ascertaining compliance by Tenant with the provisions of this Lease. During the course of any such inspection, the Landlord, and/or its employees, agents, and/or contractors shall be escorted by an employee of the Tenant throughout the Premises.

(b) Landlord may also show the Premises to prospective purchasers, renters (but only within the last four (4) months of the Term of this Lease), or lenders during regular business hours, and upon forty-eight (48) hours prior written notice to Tenant, provided that the Landlord shall not unreasonably interfere with the Tenant's business operations, or with Tenant's use and occupancy of the Premises. During the course of any such showing of the Premises, the Landlord, and/or its prospective purchasers, renters, or lenders shall be escorted by an employee of the Tenant throughout the Premises.

(c) Landlord shall repair, at Landlord's expense, any damage to the Premises resulting from the exercise of the foregoing right of access by Landlord, or any of Landlord's employees, agents and/or contractors.

13. **SIGNAGE**

(a) All signs and symbols placed on the doors or windows or elsewhere about the Premises, which are visible from outside, or upon any other part of the Premises, including building directories, shall be subject to the approval of the Landlord, which approval shall not be unreasonably withheld or delayed. Notwithstanding the foregoing, the Tenant shall be permitted to place its logo, and/or shield, and/or flag on or about the Premises, and/or the Land, at its own sole cost and expense without such being altered, changed, revised, and/or modified by the Landlord.

(b) The Tenant shall be entitled to have its name displayed on any and all existing building directories, if any, and any outdoor monument sign, if any; provided, however, in the event that the Tenant requests any changes to the initial display, the Tenant hereby agrees that any out-of-pocket costs incurred by the Landlord in connection with such changes shall be the responsibility of the Tenant, and shall be reimbursed by the Tenant within thirty (30) calendar days following receipt of an invoice and evidence of actual payment related thereto.

14. **INSURANCE**

(a) **Landlord's Insurance.** The Landlord will, during the Term of this Lease, at its sole cost and expense, carry fire, windstorm, hail, flood (if in a 100-year flood zone), general liability with a minimum coverage of One Million Dollars (\$1,000,000.00) per-occurrence limit, and extended coverage insurance on the Premises to the full replacement value.

(b) **Tenant's Insurance.** The Tenant is self-insured. Further, the Landlord hereby acknowledges that the Tenant's assignee, the State of Florida, Department of Health in Miami-Dade County, is also self-insured.

15. **INDEMNIFICATION**

(a) The Landlord shall indemnify and hold harmless the Tenant and its officers, employees, agents and instrumentalities from and any all liability, losses or damages, including attorneys' fees and costs of defense, which the Tenant or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to, or resulting from the negligence of the Landlord or negligence of its employees, agents, partners, principals or subcontractors. Landlord shall pay all claims and losses in connections therewith and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the Tenant, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorneys' fees which may issue thereon. Landlord expressly understands and agrees that any insurance protection required by this Lease or otherwise provided by Landlord shall in no way limit the responsibility to indemnify, keep and save harmless and defend the Tenant, or its officers, employees, agents, and instrumentalities as herein provided.

(b) The Tenant shall not be liable for any damage or injury which may be sustained by any party or person on the Premises and/or on the Land, other than the damage or injury caused solely by the gross negligence of the Tenant, its officers, guests, invitees, and employees, subject to the limitations of *Florida Statutes*, Section 768.28.

16. **HAZARDOUS MATERIALS**

(a) The Landlord represents and warrants to the Tenant that, to its actual knowledge, no Hazardous Materials, as defined below, have been located on the Premises, or have been released into the environment, or discharged, placed, or disposed of at, on, or under the Premises. The Landlord further represents and warrants that to the best of its actual knowledge, information, and belief, the Premises and/or the Land have never been used as a dump for any Hazardous Materials, as defined below, and that at all prior uses of the Premises and/or the Land have at all times complied with any and all statutes, laws, rules, and/or regulations pertaining to Hazardous Materials.

(b) The term "Hazardous Materials" shall mean any substance, material, waste, gas, or particulate matter which at the time of the execution of this Lease or any time thereafter is regulated by any local governmental authority, the State of Florida, and/or the United States Government, including, but not limited to, any material or substance which is: (i) defined as a "hazardous material", "hazardous substance", "extremely hazardous waste", or "restricted hazardous waste" under any provision of the State of Florida and/or the United States Government; (ii) petroleum; (iii) asbestos; (iv) polychlorinated biphenyl; (v) radioactive material; (vi) designated as a "hazardous substance" pursuant to Section 311 of the Clean Water Act, 33 U.S.C., Section 1251, et seq. (33 U.S.C., Section 1371); (vii) defined as a "hazardous waste" pursuant to Section 1004 of the Resource Conservation and Recovery Act, 42 U.S.C., Section 6901 et seq. (42 U.S.C., Section 6903); (viii) defined as a "hazardous substance" pursuant to Section 101 of the Comprehensive Environmental Response, Compensation and Liability Act 42 U.S.C., Section 9601 et seq. (42 U.S.C. Section 9601).

(c) The Landlord hereby indemnifies the Tenant from and against any matter related to the representation and covenant provided herein regarding Hazardous Materials.

17. DESTRUCTION OF, OR DAMAGE TO, THE PREMISES

If the entire Premises, or any substantial part thereof, or any appurtenance thereto, is so damaged by fire, casualty or structural defects, such damage or defects not being the result of any act of negligence by Tenant, or by any of Tenant's agents, employees, vendors, or invitees, that the same cannot be used for Tenant's purposes, which damage cannot be repaired within sixty (60) days, then Tenant shall have the right at any time within ninety (90) days following damage to the Premises to elect by notice to Landlord to terminate this Lease as of the date of such notice. In the event of minor damage is sustained to any part of the Premises, such damage or defects not being the result of any act of negligence by Tenant, or by any of Tenant's agents, employees, vendors, or invitees, and if such damage does not render the Premises unusable for Tenant's purposes, Landlord shall promptly repair such damage at the cost of the Landlord. In making the repairs called for in this paragraph, Landlord shall not be liable for any delays resulting from *force majeure*. Tenant shall be relieved from paying rent and other charges during any portion of the Term that the Premises is uninhabitable, inoperable, or otherwise unfit for occupancy, or use, in whole or in part, for Tenant's purposes. Rent payments and other charges paid in advance for any such periods shall be credited on the next payment, if any, but if no further payments are to be made, any additional or remaining advance payments shall be refunded to Tenant. The provisions of this paragraph extend not only to the matters aforesaid, but also to any occurrence which is not caused by the direct or indirect action of Tenant or by any of Tenant's agents, employees, vendors, or invitees, and which is beyond Tenant's reasonable control and reasonable efforts, which renders the Premises uninhabitable, inoperable or otherwise unfit for occupancy or use, in whole, or in part, for Tenant's purposes as set forth in Section 4 (a) hereof.

18. TENANT'S DEFAULT AND REMEDIES

(a) It shall be an "Event of Default" if: (i) Tenant fails to pay Rent, or any other charges, when such payment by Tenant is due hereunder, and such failure continues for fourteen (14) business days after receipt of written notice thereof was made to Tenant by the Landlord; (ii) Tenant violates or fails to perform any of the other conditions, covenants, or agreements under this Lease, and such violation or failure continues for thirty (30) calendar days after written notice thereof to Tenant by Landlord, or (iii) if such default cannot be cured within such thirty (30) day period, then if the Tenant commences to cure the default within the thirty (30) day period, but fails to proceed diligently and fully cure the default within ninety (90) days; (iv) Tenant makes a general assignment for the benefit of creditors, or files a petition for bankruptcy, or other reorganization, liquidation, dissolution, or similar relief; (v) a proceeding is filed against the Tenant seeking bankruptcy, reorganization, liquidation, dissolution, or similar relief, which would have a direct impact upon this Lease, and which is not dismissed within one hundred twenty (120) calendar days; and/or (vi) a trustee, receiver, or liquidator is appointed by a court of competent jurisdiction for the Tenant, or a substantial part of its property and/or assets; (vii) Tenant's interest under this Lease is taken upon execution or by other process of law directed against the Tenant; (viii) Tenant mortgages, assigns (except as expressly permitted in this Lease), or otherwise encumbers Tenant's interest under this Lease.

(b) If an Event of Default occurs, the Landlord may: (i) without obligation to do so, and without releasing the Tenant from any obligation under this Lease after the expiration of the cure period, make any payment or take any action the Landlord may deem necessary or desirable to cure such Event of Default, and the reasonable cost thereof shall be reimbursed by the Tenant to the Landlord within thirty (30) calendar days from Tenant's receipt of Landlord's written demand for reimbursement (such demand for reimbursement shall

contain all supporting documentation, including, but not limited to invoices, cancelled checks, releases, photographs, and other evidence establishing that the work was completed and properly paid for by the Landlord); (ii) terminate this Lease by thirty (30) calendar days written notice to Tenant; (iii) with or without terminating this Lease, after legal proceedings, retake possession of the Premises, and remove Tenant's personal property from the Premises, and storage such in a reasonable manner, at Tenant's expense, all without being liable for trespass; (iv) sue for all rents (including Base Rent, Additional Rent) which is due or outstanding (but cannot accelerate any rent) rents due under this Lease; and/or (v) exercise any other legal remedy permitted by law after adjudication by a court of competent jurisdiction, on account of such Event of Default. All remedies of Landlord under this Lease shall be cumulative, and the exercise of any such remedies shall not prevent the concurrent or subsequent exercise of any other remedy.

19. LANDLORD'S DEFAULT AND REMEDIES

(a) Except as otherwise specified in this Lease, if the Landlord defaults in the performance of any term, condition, and/or covenant hereof, and such default continues for thirty (30) days after receipt of notice from the Tenant, or if the default cannot be reasonably cured within thirty (30) days then for a reasonable period of time thereafter up to a maximum of sixty (60) days, then the Tenant may, at its option, but subject to the other terms, condition, and covenants of this Lease cure any of the Landlord's defaults, after written notice to the Landlord, which default is not cured by Landlord within thirty (30) days after receipt of such written notice, or in the event such default cannot be reasonably cured within thirty (30) days, provided Landlord has not commenced to cure such default within such thirty (30) day period, and the Landlord shall immediately (within thirty (30) calendar days) reimburse the Tenant for all reasonable and customary costs and expenses, including, but not limited to labor and materials; alternatively, upon fifteen (15) days' prior notice, the Tenant shall be permitted to deduct the amount of such work from the Rent, provided the Landlord does not object in writing to such deduction and provided the costs of such work which are to be deducted from Rent are reasonable and customary.

(b) Notwithstanding anything else set forth in this Lease, in the event the Landlord defaults on any of the terms, conditions, and/or covenants of this Lease, the Tenant shall be entitled to pursue any and all remedies available to the Tenant at law, or in equity, including, but not limited to the right of Specific Performance.

20. ATTORNEYS' FEES

In the event either party requires the services of an attorney in connection with enforcing any of the terms, covenants, and/or conditions of this Lease, or in the event a lawsuit is brought for the recovery of any Rent due under this Lease, or for any other sum or amount, or for return of the Premises to the Landlord and/or eviction of the Tenant during the Term, or after the expiration thereof, each party shall be responsible for its own attorneys' fees, and for any and all other legal costs and expenses, including, but not limited to, expenses associated with expert witnesses, whether incurred at trial, on appeal, or otherwise.

21. TENANT'S SUBORDINATION TO MORTGAGE

It is specifically acknowledged and agreed that by and between the Landlord and the Tenant that the Landlord may, from time to time, secure a construction loan and/or mortgage on the Premises, and/or the Land

from a bank, savings and loan institution, insurance company, or other recognized lending institution; and that this Lease is and shall be subordinate to the lien of said construction loan and/or mortgage; and the Tenant hereby agrees, if request by Landlord's lender or bank, that it will execute such subordination and non-disturbance agreements, or other documents, as may be reasonably required by such lending institution, provided however, that the loan documents, mortgage, and/or subordination agreement, as the lending institution may direct, shall contain a provision which states, in effect, that the Tenant shall not be disturbed in its possession and occupancy of the Premises during the Term of this Lease so long as Tenant is in compliance with the terms and conditions of this Lease.

22. **CONDITION OF PREMISES AT TERMINATION**

(a) Upon the expiration or earlier termination of this Lease, the Tenant will quit and surrender the Premises in good order and repair, with reasonable wear and tear excepted. The Premises shall be left by the Tenant in broom swept condition. However, the Tenant shall not be obligated to repair any damage, which the Landlord is required to repair at Landlord's sole cost and expense, pursuant to the terms of this Lease. Any and all fixtures, window treatments, keypads, and keys, at the expiration or earlier termination of this Lease, shall revert back to the Landlord.

(b) If the Tenant, after the commencement of this Lease, installed any shelving, lighting, communication cabling, supplemental HVAC systems, portable partitions, and/or any trade fixtures; and/or if the Tenant installed any signs, or other standard identification of the Tenant, then, any item, property, or fixture so installed shall be and remain the property of the Tenant, which the Tenant may remove at the expiration or early termination of this Lease, provided that in such removal the Tenant shall repair any and all damage occasioned to the Premises, in a good and workman-like manner. The Tenant shall not remove any fixtures, equipment, and/or additions which are normally considered, in the real estate industry, to be affixed to realty, such as, but not limited to, electrical conduit and wiring, panel or circuit boxes, terminal boxes, central HVAC, duct work, and plumbing fixtures.

If any provisions of this Lease or the application thereof to any person or situation shall, to any extent, be held invalid or unenforceable, the remainder of this Lease, and the application of such provisions to persons or situations other than those as to which it shall have been held invalid or unenforceable, shall not be affected thereby, and shall continue valid and be enforced to the fullest extent permitted by law.

(b) **Captions**. The article headings and captions of this Lease are for convenience and reference only and in no way define, limit, or describe the scope or intent of this Lease nor in any way affect this Lease.

(c) **Relationship of Parties**. This Lease does not create the relationship of principal and agent, or of mortgagee and mortgagor, or a partnership, or a joint venture, or of any association between Landlord and Tenant, except the sole relationship between Landlord and Tenant being that of landlord and tenant, or lessor and lessee.

(f) **Entire Agreement**. It is expressly understood and agreed that this Lease contains all of the terms, covenants, conditions, and agreements between the parties hereto relating to the subject matter of this Lease, and that no prior agreements, contracts, or understandings, either oral or written, pertaining to the same shall be valid or of any force and/or effect. If this Lease terminates prior to Tenant's receiving full reimbursement, Landlord shall pay the un-reimbursed balance to Tenant on demand.

(h) **Successors and Assigns**. (j) Days. Any mention in this Lease of a period of days for performance, unless otherwise described herein, shall mean calendar days.

(k) Waiver. Any waiver on behalf of any party shall be evidenced in writing. Landlord or Tenant's failure to take advantage of any default hereunder, or breach of any term, covenant, condition, or agreement of this Lease on the part of the Landlord or Tenant to be performed shall not be (or be construed to be) a waiver thereof. Likewise, the parties further agree that any custom or practice that may grow between the parties in the course of administering this Lease cannot be construed to waive or to lessen the right of the Landlord or Tenant to insist upon the complete performance by the Landlord or the Tenant of any term, covenant, condition, or agreement hereof, or to prevent the exercise of any rights given by either of them on account of any such custom or practice. Waiver of a particular default under this Lease, or waiver of any breach of any term, condition, covenant, or agreement of this Lease, or any leniency shown by the Landlord or the Tenant in respect thereto, shall not be construed as, or constitute a waiver of any other or subsequent defaults under this Lease, or a waiver of the right of either party to proceed against the other party for the same or any other subsequent default under, or breach of any other term, covenant, condition, or agreement of this Lease.

(l) Exhibit and Schedules. Each and every Exhibit and/or Schedule referred to in this Lease is incorporated herein by reference. The Exhibits and Schedules, even if not physically attached, shall still be treated as if they were part of the Lease.
