

Memorandum

Date: January 21, 2026

To: Honorable Chairman Anthony Rodriguez
and Members, Board of County Commissioners

Agenda Item No. 4(C)

From: Daniella Levine Cava
Mayor *Daniella Levine Cava*

Subject: Ordinance Amending the Palm Gate Community Development District

Executive Summary

The purpose of this item is to gain authorization from the Board of County Commissioners (Board) to amend a Community Development District (CDD) within the municipal limits of the City of Homestead and the City of Florida City (Cities) in Miami-Dade County (County). CDDs are a local unit of special-purpose government created according to Chapter 190 of the Florida Statutes.

Recommendation

It is recommended that the Board adopt the attached Ordinance amending the boundaries of the Palm Gate Community Development District (District). This District lies within the City of Florida City and will be expanding by approximately 54.45 acres into the City of Homestead, increasing the total acreage of the District from approximately 34.80 acres to 89.25 acres pursuant to the authority granted by the Miami-Dade County Home Rule Charter for the purposes set forth in Chapter 190 of the Florida Statutes, subject to the acceptance of the Declaration of Restrictive Covenants running with the lands within the jurisdiction of the CDD.

Scope

The District is located within Commission District 9, which is represented by Vice Chairman Kionne L. McGhee, and will provide funding for capital improvements, as well as multipurpose maintenance functions, within the District. In accordance with Rule 5.06(k) of the Board's Rules of Procedure, Vice Chairman McGhee has been notified in writing that the department received a petition to amend the District within the boundaries of Commission District 9.

Fiscal Impact/Funding Source

Amending the boundaries of the District will have no fiscal impact on the County's budget. CDD funding is derived from assessments levied against the properties within the CDD, which are secured by a lien against the properties and collected directly by the CDD or through the annual Combined Real Property tax bill pursuant to an interlocal agreement with the County. Adoption of this Ordinance will not affect the District assessments of the individual owners within the original District boundaries, but will extend District assessments to individual owners in the expanded area.

Social Equity Statement

The proposed Ordinance grants a petition for the amendment of the District, pursuant to the procedures and factors set forth in section 190.046, Florida statutes.

If approved, pursuant to Chapter 190, Florida Statutes, the District will have the power to levy taxes and special assessments and charge, collect, and enforce fees and other user charges affecting property owners within the District, regardless of their demographics. The CDD is a timely, efficient, effective, responsive,

and economic way to deliver and finance basic community development services.

Track Record/Monitor

This development has private roads that are to be maintained by Homeowners' Associations (HOAs) or the District. The St. Germain Assemblage Multipurpose Maintenance Special Taxing District (Special Taxing District) has been created and a new special taxing district (collectively "Special Taxing Districts") will be created to maintain the development's infrastructure, such as private roadways, private area storm drainage, and landscaping, should the HOAs or District be dissolved or fail to fulfill their maintenance obligations. The Special Taxing Districts will remain dormant until such time as the County determines to implement the Special Taxing Districts. Oversight of CDDs is the responsibility of the State.

Delegation of Authority

This Ordinance does not delegate any authority to the County Mayor or designee.

Background

Palm Gate CDD ("Petitioner") has filed an application to amend the District in connection with the Palm Gate Communities development. The District was created by the Board on February 6, 2024, pursuant to Ordinance No. 24-4. The District's original boundaries encompass approximately 34.80 acres with approximately \$14.660 million in infrastructure costs servicing approximately 521 villa units. Upon adoption of the attached Ordinance, the District's boundaries will be increased by a net acreage of approximately 54.45 acres and 256 townhome units encompassing a total of approximately 89.25 acres and 777 residential units. The infrastructure costs for the expansion will be approximately \$20.233 million. A detailed summary of CDD elements, as well as the cost and anticipated lack of fiscal impacts to government agencies, are presented in the attached application. In accordance with Chapter 190, Florida Statutes, the Petitioner has paid a filing fee of \$15,000.00 and \$9,000.00 for future advertising costs to the County.

A Declaration of Restrictive Covenants has been submitted consistent with the requirements of Resolution R-413-05 adopted by the Board on April 5, 2005, and as amended by Resolution No. R-883-06, which was adopted on July 18, 2006, to add language regarding the option to pay capital assessments in full at the time of closing. The Declaration of Restrictive Covenants provides for: (1) notice in the public records of the projected taxes and assessments to be levied by the District; (2) individual prior notice to the initial purchaser of a residential lot or unit within the development; and (3) provisions for remedial options to initial purchasers whose contract for sale did not include timely notice of the existence and extent of CDD liens and special assessments

This Board is authorized by the Florida Constitution and the County Home Rule Charter to establish governmental units, such as this CDD, within the County and to prescribe such government's jurisdiction and powers.

STATEMENT OF ESTIMATED REGULATORY COSTS

1.0 Introduction

1.1 Purpose and Scope

This Statement of Estimated Regulatory Costs (“SERC”) supports the petition to expand the boundaries of Palm Gate Community Development District (the “District”). The District is a unit of special-purpose local government established pursuant to Chapter 190, Florida Statutes, and the Miami-Dade County Home Rule Charter by Ordinance No. 24-4 of Miami-Dade County, Florida (the “County”), adopted on February 6, 2024 (the “Ordinance”). The District is currently comprised of approximately 34.8 +/- acres, a residential community, located in City of Florida City, Miami-Dade County, Florida. The District desires to expand the boundaries by adding approximately 54.45 +/- acres. The proposed expansion area is generally located east of SW 172 Avenue, north of SW 344 Street (Palm Drive), west of SW 167 Avenue (Tennessee Road) and south of Guava Avenue, City of Homestead, Miami-Dade County, Florida. The limitations on the scope of this SERC are explicitly set out in Section 190.002(2)(d), Florida Statutes, as follows:

“That the process of establishing such a district pursuant to uniform general law be fair and based only on factors material to managing and financing the service delivery function of the district, so that any matter concerning permitting or planning of the development is not material or relevant.”

1.2 Overview of the Palm Gate Community Development District

The District is designed to provide community infrastructure, services, and facilities along with their operations and maintenance to the Palm Gate Community Development District. Following the expansion, the Palm Gate Community Development District will encompass approximately 89.25 +/- gross acres.

The development plan for the proposed expansion within the District includes the construction of approximately 296 townhome residential units. A Community Development District (“CDD”) is an independent unit of special-purpose local government authorized by Chapter 190, Florida Statutes, to plan, finance, construct, operate and maintain community-wide infrastructure in large, planned community developments. CDDs provide a “solution to the state’s planning, management and financing needs for delivery of capital infrastructure to service projected growth without overburdening other governments and their taxpayers.” Section 190.002(1)(a), Florida Statutes.

A CDD is not a substitute for the local, general-purpose government unit, e.g., the County in

which the CDD lies. A CDD does not have the permitting, zoning or police powers possessed by general-purpose governments. A CDD is an alternative means of financing, constructing, operating, and maintaining community infrastructure for planned developments, such as the District. The scope of this SERC is limited to evaluating the consequences of approving the proposal to expand the boundaries of the District.

1.3 Requirements for Statement of Estimated Regulatory Costs

According to Section 120.541(2), Florida Statutes, a statement of estimated regulatory costs must contain:

(a) An economic analysis showing whether the rule directly or indirectly:

1. Is likely to have an adverse impact on economic growth, private sector job creation or employment, or private sector investment in excess of \$1 million in the aggregate within 5 years after the implementation of the rule;

2. Is likely to have an adverse impact on business competitiveness, including the ability of persons doing business in the state to compete with persons doing business in other states or domestic markets, productivity, or innovation in excess of \$1 million in the aggregate within 5 years after the implementation of the rule; or

3. Is likely to increase regulatory costs, including any transactional costs, in excess of \$1 million in the aggregate within 5 years after the implementation of the rule.

(b) A good faith estimate of the number of individuals and entities likely to be required to comply with the rule, together with a general description of the types of individuals likely to be affected by the rule.

(c) A good faith estimate of the cost to the agency¹, and to any other state and local government entities, of implementing and enforcing the proposed rule, and any anticipated effect on state or local revenues.

(d) A good faith estimate of the transactional costs likely to be incurred by individuals and entities, including local governmental entities, required to comply with the requirements of the rule. As used in this paragraph, “transactional costs” are direct costs that are readily ascertainable based upon standard business practices, and include filing fees, the cost of obtaining a license, the cost of equipment required to be installed or used or procedures required to be employed in complying with the rule, additional operating costs incurred, and the cost of monitoring and reporting, and any other costs necessary to comply with the rule.

(e) An analysis of the impact on small businesses as defined by Section 288.703, Florida Statutes and an analysis of the impact on small counties and small cities as defined in Section 120.52,

¹ For the purposes of this SERC, the term “agency” means the County and the term “rule” means the ordinance(s) which the County will enact in connection with the expansion of the District.

Florida Statutes. (Miami-Dade County is not defined as a small county for purposes of this requirement).

(f) Any additional information that the agency determines may be useful.

(g) In the statement or revised statement, whichever applies, a description of any regulatory alternatives submitted under paragraph (1) (a) [of Section 120.541, Florida Statutes] and a statement adopting the alternative or a statement of the reasons for rejecting the alternative in favor of the proposed rule.

2.0 (a) An economic analysis showing whether the rule directly or indirectly is likely to (1) have an adverse impact on economic growth, private sector job creation or employment, or private sector investment in excess of \$1 million in the aggregate within five years after the implementation of the rule; (2) having an adverse impact on business competitiveness, including the ability of persons doing business in the state to compete with persons doing business in other states or domestic markets, productivity, or innovation in excess of \$1 million in the aggregate within 5 years after the implementation of the rule; or (3) increase regulatory costs, including any transactional costs, in excess of \$1 million in the aggregate within 5 years after the implementation of the rule.

It is unlikely the expansion of the District will meet any of the triggers in Section 120.541(2)(a), Florida Statutes. The basis for this determination is provided in the discussions in Section 3.0 through Section 6.0 below.

3.0 A good faith estimate of the number of individuals and entities likely to be required to comply with the rule, together with a general description of the types of individuals likely to be affected by the rule.

As noted above, the District is a residential community and the expansion is designed for up to 296 residential townhome units. Expansion of the District would put all of these areas under the jurisdiction of the District. Prior to platting, and sale of any units, all of the land owned by the principal developer of the lands within the District and any other landowner will also be under the jurisdiction of the District.

4.0 A good faith estimate of the cost to state and local government entities, of implementing and enforcing the proposed rule, and any anticipated effect on state or local revenues.

4.1 Costs of Governmental Agencies of Implementing and Enforcing Rule

State Government Entities

There will be only modest costs to various State governmental entities to implement and enforce the proposed expansion of the District. The District expanded will encompass under 2,500 acres, therefore the County is the establishing entity under Section 190.005(1) Florida Statutes, and the

Miami-Dade County Home Rule Charter. The modest costs to various State entities to implement and enforce the proposed rule relate strictly to the receipt and processing of various reports that the proposed District is required to file with the State and its various entities. Appendix A lists the reporting requirements. The costs to those State agencies that will receive and process the District's reports are very small, because the District is only one of many governmental units that are required to submit the various reports. Therefore, the marginal cost of processing one additional set of reports is inconsequential.

City of Homestead and Miami-Dade County

The land within the proposed expansion area of the District is within City of Homestead, Miami-Dade County and consists of approximately 54.45 +/- gross acres. This Petition to expand the District boundaries will require the City to review the request by the Petitioner and support the expansion of the District boundaries by Resolution at a City Council meeting. In addition, the County and its staff will analyze the Petition, conduct a public hearing and take final action with respect to the expansion of the District. These activities will absorb some resources.

The costs of these activities are modest for a number of reasons. First, review of the Petition does not include analysis of the project itself. Second, the Petition itself provides much of the information needed for a staff review. Third, local governments already possess the staff needed to conduct the review without the need for new staff. Fourth, there is no capital required to review the Petition. Fifth, potential costs are offset by the required filing fee. Finally, local governments routinely process similar petitions for land uses and zoning charges that are far more complex than is the Petition.

The annual costs to the County because of the expansion of the District are also minimal. The District is an independent unit of local government. The only annual costs the County faces are the minimal costs of receiving and reviewing the various reports, (e.g., the District's proposed budget) that the District is required to provide to the County.

4.2 Impact on State or Local Revenues

Adoption of the proposed rule expanding the District will have no negative impact on State or local revenues. The District is an independent unit of local government. It is designed to provide community facilities and services to serve the development. It has its own sources of revenue. No State or local subsidies are required or expected.

In this regard, it is important to note that any debt obligations incurred by the District as expanded to construct its infrastructure, or for any other reason, are not debts of the State or any unit of local government. In accordance with State law, debts of the District are strictly its own responsibility.

5.0 A good faith estimate of the transactional costs likely to be incurred by individuals and entities required to comply with the requirements of the rule.

Table 1 provides an outline of the various facilities and services the District may provide to the

proposed expansion area. The District will fund, own and operate the stormwater management system and the roadway improvements. The District will also fund the water distribution system, and sanitary sewer system, which the County or City will own, operate and maintain these improvements.

Table 1. Palm Gate Community Development District Proposed Facilities and Services

FACILITY	FUNDED BY	OWNERSHIP	O&M
Water Distribution System	CDD	MDC/CITY	MDC/CITY
Sanitary Sewer System	CDD	MDC/CITY	MDC/CITY
Roadway Improvements	CDD	CDD	CDD
Stormwater Management System	CDD	CDD	CDD

Key: O&M=Operations and Maintenance, CDD=Community Development District; MDC=Miami-Dade County; City of Homestead=City

The petitioner has estimated the design and development costs for providing the capital facilities to the expansion area. The cost estimates are shown in Table 2 below. Total design and development costs for these facilities are estimated to be approximately **\$20,233,000**. The District may issue special assessments or other revenue bonds to fund the development of these facilities. These bonds would be repaid through non-ad valorem assessments levied on all properties in the District that may benefit from the District’s capital improvement program as outlined in Table 2.

Prospective future landowners in the District may be required to pay non-ad valorem assessments levied by the District to secure the debt incurred through bond issuance. In addition to the levy of non-ad valorem assessments for debt service, the District may also impose a non-ad valorem assessment to fund the operations and maintenance of the District and its facilities and services.

Furthermore, the decision made by new property owners to reside in the District is completely voluntary. Thus, ultimately, all owners and users of the affected property choose to accept the non-ad valorem assessments as a tradeoff for the numerous benefits and facilities that the District provides.

A CDD provides property owners with the option of having higher levels of facilities and services financed through self-imposed charges. The District is an alternative means to finance necessary community services. District financing is no more expensive, and often less expensive, than the alternatives of a municipal service taxing unit (MSTU), a neighborhood association, City or County provision, or through developer equity and/or bank loans.

In considering these costs it shall be noted that occupants of the lands to be included within the District will receive three major classes of benefits:

First, those property owners and businesses in the District will receive a higher level of public services and amenities sooner than would otherwise be the case.

Second, a district is a mechanism for assuring that the community services and amenities will be completed concurrently with development of lands within the District. This satisfies the revised growth management legislation, and it assures that growth pays for itself without undue burden on other consumers. Expansion of the District will ensure that these landowners pay for the provision of facilities, services and improvements to these lands.

Third, a district is the sole form of governance which allows District landowners, through landowner voting and ultimately electoral voting for resident-elected boards, to determine the type, quality and expense of the District services they receive, provided they meet the County's overall requirements.

The cost impact on the ultimate landowners in the District is not the total cost for the District to provide infrastructure services and facilities. Instead, it is the incremental costs above what the landowners would have paid to install infrastructure via an alternative financing mechanism. Given the low cost of capital for a CDD, the cost impact to landowners is negligible. This incremental cost of the high-quality infrastructure provided by the District is likely to be fairly low.

Table 2. Cost Estimate for District Facilities

Category	Cost
Water Distribution System	\$ 3,279,000
Sanitary Sewer System	\$ 4,370,000
Roadway Improvements	\$10,248,000
Stormwater Management System	\$ 2,336,000
Total Projected Costs of Improvements	<u>\$20,233,000</u>

6.0 An analysis of the impact on small businesses as defined by Section 288.703, F.S., and an analysis of the impact on small counties and small cities as defined in Section 120.52, Florida Statutes.

There will be no impact on small businesses because of the amendment of the District. If anything, the impact may be positive. This is because the District must competitively bid many of its contracts. This affords small businesses the opportunity to bid on District work.

The development is located in Miami-Dade County. As of the Census date, the 2020 Census, the County has a population in excess of 75,000 people. Therefore, the District and the expansion

area are not located in a county defined as a “small county”, according to Section 120.52, F.S. Additionally, the expansion area is located in the City of Homestead, which has a population in excess of 10,000 people. Therefore, the expansion area is not located in a city defined as a “small city”, according to Section 120.52, Fla. Stat.

7.0 Any additional useful information.

The analysis provided above is based on a straightforward application of economic theory, especially as it relates to tracking the incidence of regulatory costs and benefits. Inputs were received from the engineer for the principal developer and other professionals associated with the principal developer.

8.0 In the statement or revised statement, whichever applies, a description of any regulatory alternatives submitted under paragraph (1) (a) and a statement adopting the alternative or a statement of the reasons for rejecting the alternative in favor of the proposed rule.

There have been no good faith written proposals submitted to the agency as described in Section 120.541(1) (a), Florida Statutes.

DECLARATION OF RESTRICTIVE COVENANTS

WHEREAS, the undersigned Owner holds the fee simple title to the land described in the attached Exhibit A (the “Property”), located in Miami-Dade County, Florida (the “County”); and

WHEREAS, a Petition to create the Palm Gate Community Development District (the “District”) was approved and adopted by the Board of Miami-Dade County Commissioners (the “Board”), pursuant to Ordinance No. 24-4 on February 6, 2024, (the “Ordinance”), and a Petition to expand the boundaries of the District was filed on _____, 2025, and approved pursuant to Ordinance No. _____ on _____, by the Board; and

WHEREAS, a Declaration of Restrictive Covenants was previously recorded on May 1, 2024 at O.R. Book 34116, Page 796, of the Public Records of Miami-Dade County, Florida, relating to certain real property located within the boundaries of the District, in accordance with the requirements of Chapter 190, Florida Statutes, and Section 1.01(A)(21) of the County Home Rule Charter; and

WHEREAS, among those covenants are provisions for the timely, accurate, and enforceable disclosure, to all prospective initial purchasers who have entered or will enter into contracts for improved residential units within the Property (each a “Prospective Initial”

Purchaser”), of the obligation to pay to the District: (1) the pro-rata share for each Dwelling Unit (defined below) of the cost of the acquisition, construction, reconstruction, and equipping of certain public infrastructure which benefit the Property either as a one-time assessment at the time of closing or as an annual assessment based on the debt service on bonds to be issued by the District to finance such capital costs until such bonds are retired (collectively, “Capital Assessments”), and (2) the costs associated with (i) operations of the District including administration (“Operations Assessments”) and (ii) maintenance of public infrastructure by the District (“Infrastructure Maintenance Assessments”); Operations and Infrastructure Maintenance Assessments are hereinafter collectively referred to as (“Administrative Assessments”); and

WHEREAS, other covenants made by Owner include provisions for the long-term maintenance of infrastructure serving the Property including, but not limited to, roadways, drainage, and landscaping; and

WHEREAS, such covenants of Owner are made in order to assure the Board that the representations made by Owner in support of the Petition will be abided by; and

WHEREAS, Owner wishes to provide this new Declaration of Restrictive Covenants (the “Declaration”) with respect to the Property.

NOW, THEREFORE, Owner freely, voluntarily, and without duress, and on behalf of its heirs, successors, and assigns, makes the following Declaration of Restrictive Covenants covering and running with the Property (this “Declaration”):

1. COVENANTS.

1.1 Public Records Notice of Existence of District. This Declaration shall serve as notice in the Public Records of the County that unless the District is terminated in accordance with the requirements of Chapter 190, Florida Statutes, and such termination is reflected in the Public Records of the County, the Property and all lands, parcels, lots, and units

located within the District's amended boundaries are subject to the Capital Assessments and Administrative Assessments levied and imposed by the District, subject only to the exceptions or exemptions from such assessments expressly provided by Florida law.

1.2 CDD and Purchase Contract Notices

1.2.1 Owner shall be required to provide to each Prospective Initial Purchaser of an improved individual residential lot or unit within the Property (individually, a "Dwelling Unit") written notice of the estimated annual Capital Assessments and Administrative Assessments (the "CDD Notice") to be imposed on such individual Dwelling Unit substantially in the form attached hereto as Exhibit B prior to, or contemporaneously with, the execution of a purchase and sale contract ("Purchase Contract") for such Dwelling Unit. For the purposes of this Declaration, the term "Owner" means each seller of Dwelling Units within the Property. Notwithstanding the foregoing, if a Prospective Initial Purchaser executed a Purchase Contract before the effective date (10 days after enactment) of the Ordinance (the "Effective Date of the Ordinance") but was not given a contemporaneous CDD Notice, Owner may still give the CDD Notice to such Prospective Initial Purchaser; provided, however, such CDD notice must be given together with the following written notice and must be sent to such Prospective Initial Purchaser by certified mail, professional overnight delivery or hand delivery, with return receipt, not later than the first business day following the Effective Date of the Ordinance:

THE DWELLING UNIT YOU ARE PURCHASING IS SUBJECT TO A COMMUNITY DEVELOPMENT DISTRICT AND A RELATED DECLARATION OF RESTRICTIVE COVENANTS WHICH REQUIRES THAT CERTAIN NOTICES BE GIVEN TO PURCHASERS BY OWNER. THIS NOTICE AND THE ATTACHED CDD NOTICE ARE BEING GIVEN TO YOU PURSUANT TO SUCH DECLARATION. PLEASE NOTE THAT THE DISTRICT PLANS TO ISSUE OR HAS ISSUED BONDS THAT WILL HAVE PRINCIPAL AND INTEREST PAYMENTS APPLICABLE TO THIS DWELLING UNIT OVER A PERIOD OF UP TO THIRTY (30) YEARS TO FUND CONSTRUCTION OF INFRASTRUCTURE SERVING THE PROPERTY IN THE ESTIMATED AGGREGATE AMOUNT OF \$50,550 FOR A TOWNHOME UNIT. THIS DWELLING UNIT SHALL BE

ASSESSED AN ESTIMATED CAPITAL ASSESSMENT OF \$30,042, IF PAID IN FULL AT CLOSING OR AN ESTIMATED ANNUAL CAPITAL ASSESSMENT OF \$1,685 FOR ITS PROPORTIONATE SHARE OF DEBT SERVICE ON THE BONDS UNTIL SUCH BONDS ARE PAID IN FULL. WHETHER THE CAPITAL ASSESSMENT IS PAID ONE TIME AT CLOSING OR IN ANNUAL INSTALLMENTS IS AT THE OPTION OF THE PURCHASER TO BE EXERCISED AT THE TIME OF CLOSING. THE ATTACHED NOTICE FULLY DESCRIBES YOUR OBLIGATIONS. YOU MAY ELECT TO RESCIND THE PURCHASE CONTRACT FOR A PERIOD OF THIRTY (30) DAYS FOLLOWING RECEIPT OF THIS NOTICE. UPON SUCH ELECTION, OWNER SHALL RETURN ALL MONIES PAID BY YOU AS THE PROSPECTIVE INITIAL PURCHASER REGARDING THE PURCHASE OF THE REAL PROPERTY IDENTIFIED IN THE PURCHASE CONTRACT WITHIN TEN (10) CALENDAR DAYS AFTER RECEIVING YOUR WRITTEN NOTICE THAT YOU HAVE ELECTED TO RESCIND THE PURCHASE CONTRACT, AND ALL OTHER PROVISIONS OF THE DECLARATION OF RESTRICTIVE COVENANTS NOT INCONSISTENT WITH THE REMEDIES SET FORTH HEREIN SHALL GOVERN. NO OTHER REMEDIES ARE AVAILABLE TO PURCHASER WHETHER OR NOT YOU ELECT TO RESCIND EXCEPT IN THE EVENT OF AN OWNER DEFAULT WITH RESPECT TO THE CDD NOTICE AND THEN ONLY IN ACCORDANCE WITH THE DECLARATION.

Owner shall promptly refund any amounts due under the foregoing notice if a Prospective Initial Purchaser properly rescinds a Purchase Contract during the time provided. No other remedies provided in Section 1.4 shall be available to a Prospective Initial Purchaser who terminates a Purchase Contract pursuant to the foregoing notice.

1.2.2. Owner shall also provide substantially the following disclosure (“Purchase Contract Notice”) on the first page of each Purchase Contract executed after the Effective Date of the Ordinance for a Dwelling Unit within the Property, immediately after disclosure of the purchase price for the Dwelling Unit:

THIS DWELLING UNIT IS WITHIN A COMMUNITY DEVELOPMENT DISTRICT (“DISTRICT”). THE DISTRICT PLANS TO ISSUE OR HAS ISSUED BONDS THAT WILL HAVE PRINCIPAL AND INTEREST PAYMENTS APPLICABLE TO THIS DWELLING UNIT OVER A PERIOD OF UP TO THIRTY (30) YEARS TO FUND CONSTRUCTION OF INFRASTRUCTURE SERVING THE PROPERTY IN THE ESTIMATED AGGREGATE AMOUNT OF \$50,550 FOR A TOWNHOME UNIT. THIS DWELLING UNIT SHALL BE ASSESSED AN ESTIMATED CAPITAL ASSESSMENT OF \$30,042, IF PAID IN FULL AT CLOSING OR AN ESTIMATED ANNUAL CAPITAL ASSESSMENT OF \$1,685 FOR ITS PROPORTIONATE SHARE OF DEBT SERVICE ON THE BONDS UNTIL SUCH BONDS ARE PAID IN FULL. WHETHER THE CAPITAL ASSESSMENT IS PAID ONE TIME AT CLOSING OR IN ANNUAL

INSTALLMENTS IS AT THE OPTION OF THE PURCHASER TO BE EXERCISED AT THE TIME OF CLOSING. THESE AMOUNTS ARE DUE OVER THE TERM OF THE BONDS IN ADDITION TO THE PURCHASE PRICE. PROSPECTIVE INITIAL PURCHASER ALSO UNDERSTANDS THAT IF THE ACTUAL ANNUAL CAPITAL ASSESSMENTS ON THE DWELLING UNIT ARE MORE THAN FIVE PERCENT (5%) HIGHER THAN THE ESTIMATED AMOUNT PROVIDED HEREIN, PROSPECTIVE INITIAL PURCHASER SHALL HAVE THE RIGHT TO RESCIND THIS AGREEMENT AT ANY TIME PRIOR TO CLOSING. PROSPECTIVE INITIAL PURCHASER FURTHER ACKNOWLEDGES AND AGREES THAT THE ESTIMATED AMOUNT OF CAPITAL ASSESSMENTS DOES NOT INCLUDE ADMINISTRATIVE ASSESSMENTS WHICH SHALL BE LEVIED BY THE DISTRICT FOR OPERATIONS AND INFRASTRUCTURE MAINTENANCE AND MAY VARY FROM YEAR TO YEAR AND FROM TIME TO TIME. IN THE EVENT OF ANY CONFLICT BETWEEN THE DISCLOSURES IN THIS PROVISION AND THE ATTACHED CDD NOTICE, THE CDD NOTICE SHALL CONTROL.

PURCHASER'S INITIALS: _____

Owner shall cause each Prospective Initial Purchaser to initial the Purchase Contract Notice where indicated.

1.3 Relief to Prospective Initial Purchaser for Owner Default.

1.3.1. Owner shall provide relief, in the manner provided by this Section 1.3 to any Prospective Initial Purchaser who has not yet closed on a Dwelling Unit if any one of the following events shall occur (an "Owner Default"):

1.3.1.1. Owner fails to provide a timely CDD Notice or Purchase Contract Notice as required; and/or

1.3.1.2. Owner provides a timely CDD Notice; however, such CDD Notice underestimates the aggregate or monthly actual Administrative Assessments for the District's first three (3) fiscal years by more than five percent (5%); and/or

1.3.1.3. Owner provides a timely CDD Notice and/or Purchase Contract Notice; however, such CDD Notice and/or Purchase Contract Notice underestimates the

actual Capital Assessment, if paid in full at closing, by more than five percent (5%) and/or monthly actual Annual Capital Assessments by more than five percent (5%).

1.3.2. In the event of any Owner Default that is not cured by a timely Late Notice (as hereinafter defined), a Prospective Initial Purchaser may, in writing (a "Termination Notice"), elect to rescind the Purchase Contract at any time prior to closing. Upon such election, Owner shall return all monies paid by the Prospective Initial Purchaser regarding the purchase of the real property identified in the Purchase Contract within ten (10) calendar days after receiving written notice from the Prospective Initial Purchaser that such Prospective Initial Purchaser has elected to rescind the Purchase Contract. No other remedies provided in Section 1.4 shall be available to a Prospective Initial Purchaser who terminates a Purchase Contract pursuant to this provision.

1.3.3. Prior to the receipt of a Termination Notice from a Prospective Initial Purchaser affected by an Owner Default, Owner shall have an opportunity to cure any Owner Default by providing a written notice (a "Late Notice") to such affected Prospective Initial Purchaser (i) prior to closing and (ii) within the later of ninety (90) days from (x) the date of execution of the Purchase Contract or (y) the Effective Date of the Ordinance (the "Cure Period"). If the Owner Default set forth in Section 1.3.1.3 is due solely to a fluctuation of interest rates on the bonds once the pricing of the bonds is completed, Owner shall have the opportunity to cure such Owner Default by providing a written notice setting forth the new annual Capital Assessments to such affected Prospective Initial Purchaser (the "Extended Late Notice") no later than the earlier of (i) the closing date of the Dwelling Unit or (ii) ninety (90) days from the pricing of the bonds (the "Extended Cure Period"). An Owner Default cannot be cured as to an affected Prospective Initial Purchaser after the expiration of the applicable Cure

Period or applicable Extended Cure Period. If Owner provides (i) a Late Notice to a Prospective Initial Purchaser during the applicable Cure Period or (ii) an Extended Late Notice during the applicable Extended Cure Period, then such Prospective Initial Purchaser may still elect to rescind the Purchase Contract at anytime for a period of thirty (30) days following receipt of Late Notice or Extended Late Notice. Upon such election, Owner shall return all monies paid by the Prospective Initial Purchaser regarding the purchase of the real property identified in the Purchase Contract within ten (10) calendar days after receiving written notice from the Prospective Initial Purchaser that such Prospective Initial Purchaser has elected to rescind the Purchase Contract. No other remedies provided in Section 1.4 shall be available to a Prospective Initial Purchaser who receives an accurate Late Notice or Extended Late Notice during the Cure Period or Extended Cure Period, as applicable, regardless of whether the Prospective Initial Purchaser elects to rescind the Purchase Contract.

1.3.4. Every Late Notice or Extended Late Notice sent by Owner to a Prospective Initial Purchaser must include the following in bold type in a font at least as large as the largest font in such Late Notice or Extended Late Notice (*with correct type of notice indicated*):

THE DWELLING UNIT YOU ARE PURCHASING IS SUBJECT TO A COMMUNITY DEVELOPMENT DISTRICT AND A RELATED DECLARATION OF RESTRICTIVE COVENANTS WHICH REQUIRES THAT CERTAIN NOTICES BE GIVEN TO PURCHASERS BY OWNER. THIS IS A [*LATE NOTICE* or *EXTENDED LATE NOTICE*] UNDER SUCH DECLARATION. IF OWNER PROVIDES YOU WITH THIS [*LATE NOTICE* or *EXTENDED LATE NOTICE*] DURING THE APPLICABLE CURE PERIOD, THEN YOU AS A PROSPECTIVE INITIAL PURCHASER MAY STILL ELECT TO RESCIND THE PURCHASE CONTRACT FOR A PERIOD OF THIRTY (30) DAYS FOLLOWING RECEIPT OF THIS [*LATE NOTICE* or *EXTENDED LATE NOTICE*]. UPON SUCH ELECTION, OWNER SHALL RETURN ALL MONIES PAID BY YOU AS THE PROSPECTIVE INITIAL PURCHASER REGARDING THE PURCHASE OF THE REAL PROPERTY IDENTIFIED IN THE PURCHASE CONTRACT WITHIN TEN (10) CALENDAR DAYS AFTER RECEIVING YOUR WRITTEN NOTICE YOU HAVE ELECTED TO RESCIND THE PURCHASE CONTRACT AND ALL OTHER PROVISIONS OF THE DECLARATION OF

RESTRICTIVE COVENANTS NOT INCONSISTENT WITH THE REMEDIES SET FORTH HEREIN SHALL GOVERN. NO OTHER REMEDIES PROVIDED IN SECTION 1.4 OF THE DECLARATION SHALL BE AVAILABLE TO YOU AS A PROSPECTIVE INITIAL PURCHASER IF YOU RECEIVE THIS [LATE NOTICE or EXTENDED LATE NOTICE] DURING THE APPLICABLE CURE PERIOD, REGARDLESS OF WHETHER YOU AS A PROSPECTIVE INITIAL PURCHASER ELECT TO RESCIND THE PURCHASE CONTRACT.

1.3.5. If the Owner Default involves the failure to provide a Purchase Contract Notice or Owner provided a Purchase Contract Notice in substantially the correct form and location; however, such Purchase Contract Notice underestimated the actual Capital Assessment, if paid in full at closing, by more than five percent (5%) and/or the annual Capital Assessments by more than five percent (5%), then the Late Notice or Extended Late Notice shall also contain the following:

YOUR PURCHASE CONTRACT PROVIDES THAT THE PURCHASE PRICE FOR YOUR DWELLING UNIT IS AS FOLLOWS: [INSERT PURCHASE PRICE INFORMATION]. THIS DWELLING UNIT IS OR WILL BE WITHIN A COMMUNITY DEVELOPMENT DISTRICT ("DISTRICT"). THE DISTRICT PLANS TO ISSUE OR HAS ISSUED BONDS THAT WILL HAVE PRINCIPAL AND INTEREST PAYMENTS APPLICABLE TO THIS DWELLING UNIT OVER A PERIOD OF UP TO THIRTY (30) YEARS TO FUND CONSTRUCTION OF INFRASTRUCTURE SERVING THE PROPERTY IN THE ESTIMATED AGGREGATE AMOUNT OF \$50,550 FOR A TOWNHOME UNIT. THIS DWELLING UNIT SHALL BE ASSESSED AN ESTIMATED CAPITAL ASSESSMENT OF \$30,042 IF PAID IN FULL AT CLOSING OR AN ESTIMATED ANNUAL CAPITAL ASSESSMENT OF \$1,685 FOR ITS PROPORTIONATE SHARE OF DEBT SERVICE ON THE BONDS UNTIL SUCH BONDS ARE PAID IN FULL. WHETHER THE CAPITAL ASSESSMENT IS PAID IN FULL AT CLOSING OR IN ANNUAL INSTALLMENTS IS AT THE OPTION OF THE PURCHASER TO BE EXERCISED AT THE TIME OF CLOSING. THESE AMOUNTS ARE DUE OVER THE TERM OF THE BONDS IN ADDITION TO THE PURCHASE PRICE. PURCHASER ALSO UNDERSTANDS THAT IF THE ACTUAL ANNUAL CAPITAL ASSESSMENTS ON THE DWELLING UNIT ARE MORE THAN FIVE PERCENT (5%) HIGHER THAN THE ESTIMATED AMOUNT PROVIDED HEREIN, PURCHASER SHALL HAVE THE RIGHT TO RESCIND THIS AGREEMENT AT ANY TIME PRIOR TO CLOSING. PURCHASER FURTHER ACKNOWLEDGES AND AGREES THAT THE ESTIMATED AMOUNT OF CAPITAL ASSESSMENTS DOES NOT INCLUDE ADMINISTRATIVE ASSESSMENTS WHICH SHALL BE LEVIED BY THE DISTRICT FOR OPERATIONS AND INFRASTRUCTURE MAINTENANCE AND MAY VARY FROM YEAR TO YEAR AND FROM TIME TO TIME. IN THE EVENT OF ANY CONFLICT BETWEEN THE DISCLOSURES IN THIS PROVISION AND THE ATTACHED CDD NOTICE, THE CDD NOTICE SHALL CONTROL.

1.3.6. If the Owner Default involves the failure to provide a CDD Notice or Owner provided a timely CDD Notice; however, such CDD Notice underestimated (i) the actual aggregate Administrative Assessments for each of the District's first three (3) fiscal years by more than five percent (5%) and/or (ii) the actual Capital Assessment, if paid in full at closing, by more than five percent (5%) and/or (iii) the actual annual Capital Assessment by more than five percent (5%), then the Late Notice or Extended Late Notice must also include a CDD Notice, if the Owner Default involves a failure to provide a CDD Notice or an accurate revised CDD Notice, if the Owner Default involves a timely but inaccurate CDD Notice.

1.4 Relief to a Prospective Initial Purchaser Who Actually Closes on a Dwelling Unit After an Uncorrected Owner Default.

1.4.1. In the event Owner fails to give a Prospective Initial Purchaser a timely CDD Notice, and such failure is not corrected by a timely and accurate Late Notice, then a Prospective Initial Purchaser that closes on the Dwelling Unit ("Actual Initial Purchaser") may demand, in writing, that Owner pay such Actual Initial Purchaser (i) the amount necessary to prepay all Capital Assessments principal and interest on such Capital Assessments principal due through the next applicable bond payment date respecting the Dwelling Unit *plus* (ii) an amount equal to the sum of the share of the actual Administrative Assessments levied by the District on such Dwelling Unit for the District's first three (3) fiscal years immediately following the closing respecting the Dwelling Unit.

1.4.2. In the event that Owner gave to an Actual Initial Purchaser (i) both a timely CDD Notice and Purchase Contract Notice and either underestimated the actual Capital Assessment, if paid in full at closing, by more than five percent (5%) and/or the actual annual Capital Assessments (as set forth in Table 1 of the CDD Notice) by more than five percent (5%)

and such underestimate was not corrected by a timely and accurate Late Notice or Extended Late Notice or (ii) a timely CDD Notice and no Purchase Contract Notice, if applicable, and the CDD Notice underestimated the actual Capital Assessment, if paid in full at closing, by more than five percent (5%) and/or the actual annual Capital Assessments by more than five percent (5%) and such underestimate was not corrected by a timely and accurate Late Notice or Extended Late Notice, then such Actual Initial Purchaser may demand, in writing, that Owner (a) pay such Actual Initial Purchaser, in the event he or she elects to pay the Capital Assessment in full at closing, an amount equal to the difference between the actual Capital Assessment due at closing and the estimated Capital Assessment due at closing disclosed in the CDD Notice to the Actual Initial Purchaser or pay such Actual Initial Purchaser, in the event he or she elects to pay an annual Capital Assessment, an amount equal to the difference between the actual aggregate amount of annual Capital Assessments, calculated over the term of the bonds, levied and imposed by the District on such Dwelling Unit and the aggregate amount of estimated annual Capital Assessments, calculated over the term of the bonds, actually disclosed in the CDD Notice to the Actual Initial Purchaser or, (b) if less, the amount necessary to prepay all Capital Assessments principal and interest on such Capital Assessments principal through the next applicable bond payment date with respect to the Dwelling Unit.

1.4.3. In the event that Owner gave an Actual Initial Purchaser a timely CDD Notice and such CDD Notice underestimated the actual annual Administrative Assessments by more than five percent (5%) and such underestimate was not corrected by a timely and accurate Late Notice, then such Actual Initial Purchaser may demand, in writing, that Owner pay such Actual Initial Purchaser an amount equal to the difference between the actual amount of the Administrative Assessments levied and imposed by the District on such Dwelling

Unit and the amount of estimated Administrative Assessments disclosed to the Actual Initial Purchaser in the CDD Notice calculated for the District's first three (3) fiscal years immediately following the closing based on the initial actual annual Administrative Assessments.

1.4.4. Upon such demand by an Actual Initial Purchaser under this Section 1.4, Owner shall deliver the applicable amount to the Actual Initial Purchaser within ten (10) calendar days after: (1) receipt of written demand, or (2) after the date Capital Assessments and Administrative Assessments first become payable, whichever is later, unless Owner and Actual Initial Purchaser agree to another manner or time of payment. An Actual Initial Purchaser shall provide to Owner written notice of election of remedy in this Section on or before one (1) year after the earlier of (1) the date that Capital Assessments and Administrative Assessments first appear on the Actual Initial Purchaser's Combined Real Property tax bill for the affected Dwelling Unit or (2) if such assessments are directly billed by the District and do not appear on the Actual Initial Purchaser's Combined Real Property tax bill, then the date that such Capital Assessments and Administrative Assessments first appear on any bill sent to the Actual Initial Purchaser by the District for the affected Dwelling Unit. After the expiration of that year, Owner shall not be obligated to provide any relief to such Actual Initial Purchaser under this Declaration.

1.4.5. Nothing in this Section 1.4 shall be construed to relieve any Actual Initial Purchaser of the individual Dwelling Unit of liability for all lawful taxes and assessments including, but not limited to, any tax liability resulting from Owner's payments to such Actual Initial Purchaser under Section 1.4.

1.5. Additional Disclosure through District Sign. Owner shall display at every entrance to a sales office or area, in a conspicuous location readily available for viewing by

Prospective Initial Purchasers of Dwelling Units, a sign with information about the District. The remedy provisions discussed in Section 1.4 shall not apply to this Section. Such sign(s) shall be no smaller than twenty-four inches by thirty-six inches (24” x 36”), and shall contain the following language in substantially similar form in large, boldface type:

PALM GATE COMMUNITY DEVELOPMENT DISTRICT

PURSUANT TO CHAPTER 190, FLORIDA STATUTES, THE PALM GATE COMMUNITY DEVELOPMENT DISTRICT MAY IMPOSE TAXES OR ASSESSMENTS, OR BOTH TAXES AND ASSESSMENTS, ON THIS PROPERTY THROUGH A SPECIAL TAXING DISTRICT. THESE TAXES AND ASSESSMENTS PAY THE CONSTRUCTION, OPERATIONS, AND MAINTENANCE COSTS OF CERTAIN PUBLIC FACILITIES OF THE DISTRICT AND ARE SET ANNUALLY BY THE GOVERNING BOARD IN ADDITION TO COUNTY AND ALL OTHER TAXES AND ASSESSMENTS PROVIDED FOR BY LAW. THE PALM GATE COMMUNITY DEVELOPMENT DISTRICT EXPECTS TO ISSUE BONDS TO FINANCE A PORTION OF THE CONSTRUCTION OF REQUIRED PUBLIC INFRASTRUCTURE IN PALM GATE COMMUNITIES. A PURCHASER OF PROPERTY IN PALM GATE COMMUNITIES WILL BE OBLIGATED TO PAY ANNUAL ASSESSMENTS TO AMORTIZE THE DEBT AND FOR DISTRICT ADMINISTRATION, WHICH AMOUNTS ARE SEPARATE FROM THE PURCHASE PRICE OF THE PROPERTY AND OTHER ASSESSMENTS ON THE PROPERTY, AND WHICH MAY VARY FROM YEAR TO YEAR AND FROM TIME TO TIME. THE TOTAL ANNUAL ASSESSMENTS VARY IN RELATION TO THE INFRASTRUCTURE BENEFIT ALLOCATED TO THE PROPERTY ASSESSED AND ARE EXPECTED TO APPEAR ON A PURCHASER’S PROPERTY TAX BILL EACH YEAR, BUT MAY BE BILLED DIRECTLY BY THE PALM GATE COMMUNITY DEVELOPMENT DISTRICT. A PURCHASER SHALL HAVE THE OPTION TO PAY IN FULL AT ANY TIME THE PRO RATA SHARE, AS ALLOCATED TO THE PURCHASER’S PROPERTY, OF THE TOTAL AMOUNT OF DISTRICT CAPITAL ASSESSMENTS DUE. FOR FURTHER INFORMATION ON THE PALM GATE COMMUNITIES AND A PURCHASER’S BENEFITS AND OBLIGATIONS RELATING THERETO, CONTACT [*INSERT APPROPRIATE CONTACT INFORMATION*].”

1.6. Inspection of District Records by County Representatives. Owner shall allow or provide for the District to allow County representatives to review all pertinent records in order to assess the overall performance of Owner in providing timely and accurate disclosure of estimated Capital Assessments and Administrative Assessments on Dwelling Units within the District. Prompt access shall be provided without prior notice of inspection by the County representatives, but only during normal business hours and without disruption of sales

operations. The purpose of such inspection is only to determine Owner's overall compliance with the aforementioned notice requirements and such inspection shall not authorize the County to seek any relief provided under Section 1.4, either on behalf of itself or on behalf of any Prospective Initial Purchaser or Actual Initial Purchaser.

1.7. Sole Provider of Water, Wastewater, and Reuse Service

Owner acknowledges and agrees that the Miami-Dade County Water and Sewer Department ("WASD"), or its successor agency or department, shall be the exclusive provider of water, wastewater, and reuse service to all lands within the Property. Service shall be provided by WASD in accordance with its general policies and procedures for providing service throughout the County.

1.8. Multi-Purpose Special Taxing District to Maintain Infrastructure

The costs of maintaining the infrastructure constructed with funding provided through the District shall be the responsibility of the District and its successors and assigns. In order to assure that such maintenance is performed, the St. Germain Assemblage Multipurpose Maintenance Special Taxing District ("Special Taxing District") was created by the Board of County Commissioners on February 19, 2025, pursuant to Ordinance No. 25-12 (Ordinance), to maintain the infrastructure serving the original District boundaries, including but not limited to roadway, drainage, walls, and landscaping, as applicable. The Special Taxing District is in dormant status and, in accordance with the Ordinance, will be activated upon failure of the District or association to provide maintenance of certain infrastructure within the original District boundaries. In order to assure that such maintenance is performed within the expansion area, however, before the recording of a final plat on any portion of the Property, Owner shall submit to the Board a complete application, including any necessary approvals from the jurisdiction in

which the District is located, for the creation of a multipurpose maintenance special taxing district to maintain the infrastructure serving the Property including, but not limited to, roadways, drainage, walls, and landscaping, as applicable. Upon approval of the multipurpose special taxing district by the Board, such taxing district may remain dormant until, in the sole and exclusive opinion of the Board, both the District and any homeowners' or similar association shall have failed to maintain the infrastructure serving the Property, as such failure is defined in any easement and/or covenant recorded in the Public Records and governing the infrastructure or similar agreement provided by Owner, or in the absence of such easement, covenant or agreement, as determined by the Board. Upon such determination, the Board shall authorize the activation of the taxing districts and cause the infrastructure to be maintained at the expense of the taxing districts. By this provision, Owner hereby authorizes the Board and its officials, employees, and agents to enter upon the Property of the special taxing district if activated for the purpose of maintaining the infrastructure serving the Property. Owner further agrees to apply, at the time of plat, replat, or waiver of plat, as applicable, to provide for an easement for the benefit of the County and providing that at any and all times during which the infrastructure or any portion thereof is maintained by the County, the public shall have a right of perpetual access and use in those portions of the Property on which the infrastructure is located including, but not limited to, the roadways serving the Property.

2. BENEFITS AND ENFORCEMENT.

2.1. The covenants set forth in Sections 1.2, 1.3 and 1.4 shall run and be in favor of and to the benefit of Prospective Initial Purchasers and Actual Initial Purchasers of individual Dwelling Units within the Property, and their heirs, successors, and assigns, and shall be enforceable exclusively by such persons. After an individual Dwelling Unit has been once conveyed to an Actual Initial Purchaser, no further notice shall be required to be provided by

Owner to any purchaser of a Dwelling Unit if the same has been improved with a residence. If a Dwelling Unit is conveyed as unimproved land, then such Dwelling Unit shall not be deemed to have been conveyed to a Prospective Initial Purchaser or Actual Initial Purchaser, and all of the covenants set forth in Sections 1.2, 1.3 and 1.4 shall apply to the Dwelling Unit and any Owner offering such Dwelling Unit for sale to Prospective Initial Purchasers.

2.2. The covenants set forth in Sections 1.6, 1.7 and 1.8 shall run and be in favor of and to the benefit of the County or any successor municipal government and shall be enforceable exclusively by such governmental entity.

2.3. Enforcement shall be by action against any party or person violating, or attempting to violate, any covenants herein. The prevailing party in any action or suit pertaining to or arising out of this Declaration shall be entitled to recover, in addition to costs and disbursements allowed by law, such sum as the Court may adjudge to be reasonable for attorney and paraprofessional fees and costs and expenses and trial and upon appeal. This enforcement provision shall be in addition to any other remedies available at law or in equity, or both.

3. COVENANT RUNNING WITH THE LAND.

This Declaration on the part of Owner shall constitute a covenant running with the land and shall be recorded, at the expense of Owner in the Public Records of the County, following the acceptance by the Board of an ordinance approving the amendment of the District, and shall remain in full force and effect and be binding upon the undersigned Owner, and its successors and assigns, until such time as the same is modified or released. These restrictions during their lifetime shall be for the benefit of, and litigation upon, all present and future owners of the Property and for the public welfare. Owner, on behalf of itself and its heirs, successors, and assigns, acknowledges that acceptance of this Declaration does not in any way obligate the

County to undertake the construction or maintenance of any infrastructure or any other duty or obligation of the District.

4. TERM.

This Declaration is to run with the land and shall be binding on all parties and all persons claiming under it for a period of thirty (30) years from the date this Declaration is recorded, after which time it shall be extended automatically for successive periods of ten (10) years each, unless an instrument signed by the then owner(s) of the Property has been recorded agreeing to change the covenant in whole, or in part, provided that the Declaration has first been modified or released by the County.

5. MODIFICATION, AMENDMENT, OR RELEASE.

This Declaration may be modified, amended, or released as to the land herein described, or any portion thereof, by a written instrument executed by the then owner(s) of all of the Property, or of such portion as will be affected by the modification, amendment, or release, including joinders of any and all mortgagees, provided that the same is also approved by the Board, after public hearing.

Should this Declaration be modified, amended, or released, the County Mayor or Designee, or the assistant in charge of the office in the County Mayor's or Designee's absence, shall forthwith execute a written instrument effectuating and acknowledging such modification, amendment, or release.

6. ELECTION OF REMEDIES.

All rights, remedies, and privileges granted herein shall be deemed to be cumulative, and the exercise of any one or more shall neither be deemed to constitute an election of remedies, nor shall such exercise preclude the party exercising the same from exercising such other additional rights, remedies, or privileges.

7. SEVERABILITY.

Invalidation of any one of the covenants herein by judgment of Court shall not affect any of the other provisions of this Declaration which shall remain in full force and effect. However, if any material portion of the covenants herein is invalidated and such provision is not timely amended or replaced, or cannot be timely amended or replaced in an enforceable way with materially the same effect as the invalidated provision, the County shall be entitled to revoke any approval predicated upon the invalidated portion. It shall be Owner's obligation to apply for and diligently pursue any such application for amendment or replacement.

8. ACCEPTANCE OF DECLARATION.

Owner acknowledges that acceptance of this Declaration does not obligate the County in any manner with respect to the District, or with respect to any land use application on the Property, nor does it entitle Owner to a favorable recommendation or the approval of any application, zoning or otherwise, and the Board and/or any Community Zoning Appeals Board and other County boards, officials, and employees retain full authority to approve or deny such application.

IN WITNESS WHEREOF, the undersigned has set its hand and seal to this Declaration of Restrictive Covenants this 5th day of February, 2025.

_____ PURCHASER'S INITIALS

1. The District. All of the residential dwelling units (“**Dwelling Units**”) in Palm Gate Communities (the “**Development**”) are also located within the boundaries of the Palm Gate Community Development District (the “**District**”). The District is a local unit of special-purpose government organized and existing under the laws of the State of Florida and the Home Rule Charter of Miami-Dade County, Florida and located in Miami-Dade County (“**County**”). The primary purpose of the District is to finance the cost of the public infrastructure of the Development which may include, without limitation, water and sewer facilities, environmental mitigation, roadways, the surface water management system, utility plants and lines, land acquisition, miscellaneous utilities for the Development, as applicable, and other infrastructure projects and services necessitated by the development of land within the Development (collectively, the “**Public Infrastructure**”).

_____ PURCHASER'S INITIALS

2. The District Board. The Board of Supervisors of the District (the “**District Board**”) is initially elected by the landowner in the District. The District Board is required to advertise its meetings in advance and all District Board meetings are required to be open to the public. The District Board is required to prepare a budget each fiscal year and adopt the same in an open, public meeting. All owners of property within the District are invited to attend District Board meetings and participate in the public process.

_____ PURCHASER'S INITIALS

3. District Finance and Assessments. The current plan is for the District to issue bonds to acquire, construct, reconstruct, and equip all or a portion of the Public Infrastructure identified in Section 1. Currently, it is estimated that the Dwelling Units in the Development will be assessed based on the Capital Assessments and Administrative Assessments listed in Table 1 above and in Sections 3.2 and 3.4 below (if paid in November) to retire the debt of the District, to pay for operations of the District and maintenance of the Public Infrastructure. District assessments will either appear on the County real estate tax bill of each property located within the District and will be paid at the same time as County taxes are paid, or will be directly billed by the District. Capital assessments to repay the principal portion of the bond debt could be levied by the District for a period of up to thirty (30) years.

_____ PURCHASER'S INITIALS

3.1 District Capital Assessments. The District expects to issue bonds (the “**Bonds**”), the principal of and interest on which will be payable from non-ad valorem assessments (“**District Capital Assessments**”) levied by the District on the property within the Development, which property is found to be specially benefited by the Public Infrastructure. Each Dwelling Unit is subject to a District Capital Assessment to repay the Bonds.

_____ PURCHASER'S INITIALS

3.2 Amount. The estimated amount of annual District Capital Assessments including principal and interest levied on each Dwelling Unit is expected to be approximately **\$1,685.00** for a townhome unit (approximately **\$140.42** per month), which sum shall be payable annually for the term of the Bonds (the principal repayment period may not exceed thirty (30) years). The aggregate amount of District Capital Assessments including principal and interest expected to be levied and imposed on each Dwelling Unit over the term of the Bonds is approximately **\$50,550.00** for a townhome unit.

_____ PURCHASER'S INITIALS

3.3 Prepay Option. Each owner of a Dwelling Unit has the option of prepaying the aggregate amount of District Capital Assessments levied on the owner's Dwelling Unit. The prepayment amount at any time will be equal to the remaining outstanding pro rata share of principal and interest due through the next applicable payment date due on the Bonds for each Dwelling Unit. Such prepayment amount will decline each year as the District Capital Assessments are paid.

_____ PURCHASER'S INITIALS

3.4 District Administrative Assessments. In addition to District Capital Assessments, the District will impose an annual non-ad valorem assessment to fund District operations and maintenance of its Public Infrastructure (collectively, "**District Administrative Assessments**"). Each Dwelling Unit shall be subject to District Administrative Assessments. The budget from which District Administrative Assessments are derived is subject to change each year and may vary from year to year and from time to time. During each of the first three (3) fiscal years of the District, it is anticipated that District Administrative Assessments for the Dwelling Unit will be approximately **\$265.00** per year per Dwelling Unit, after which time such assessments may vary from year to year and from time to time.

_____ PURCHASER'S INITIALS

3.5 District Assessments. District Administrative Assessments together with District Capital Assessments shall comprise the ("**District Assessments**"). While the District Assessments are not taxes under Florida law, the District Assessments will constitute a lien coequal with the lien of State, County, Municipal, and School Board taxes, and are expected to appear on the ad valorem tax bill sent each year by the Miami-Dade County Tax Collector. The Homestead Exemption is not applicable to the District Assessments. Because a tax bill cannot be paid in part, failure to pay the District Assessments or any other portion of the tax bill will result in the sale of tax certificates and could ultimately result in the loss of title to the Dwelling Unit of the delinquent taxpayer through the issuance of a tax deed. If billed directly by the District, nonpayment could result in foreclosure on and loss of title to the Dwelling Unit.

RESOLUTION OF SUPPORT FROM CITY

CITY OF HOMESTEAD, FLORIDA

RESOLUTION NO. R2025-08-108

A RESOLUTION OF THE CITY OF HOMESTEAD, FLORIDA, EXPRESSING SUPPORT FOR THE EXPANSION OF THE PALM GATE COMMUNITY DEVELOPMENT DISTRICT (CDD), AGGREGATELY ENCOMPASSING APPROXIMATELY 89.25 ACRES, MORE OR LESS, HAVING EXTERNAL BOUNDARIES AS DEPICTED AND LEGALLY DESCRIBED IN EXHIBIT "A;" APPROVING SUCH ACTION BY MIAMI-DADE COUNTY BOARD OF COUNTY COMMISSIONERS; PROVIDING FOR TRANSMITTAL BY THE CITY CLERK; PROVIDING FOR THE ADOPTION OF REPRESENTATIONS; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Applicant, Millrose Properties Florida, LLC, plans to petition Miami-Dade County to consider the adoption of an ordinance to expand the Palm Gate Community Development District ("CDD") for a total of approximately 89.25 acres, pursuant to Chapter 190, Florida Statutes; Article VIII, Section 6(1) of the Florida Constitution; and the Dade County Home Rule Charter, for the lands described in Exhibit "A," and

WHEREAS, Miami-Dade County has indicated that it will not approve or expand a CDD without the support of the City when such lands of the CDD are located within the City of Homestead, Florida (the "City") boundaries; and

WHEREAS, the City Council finds that the proposed expanded CDD will constitute a timely, efficient, effective, responsive and economic method of delivering community development services in the area, without overburdening the City's taxpayers; and

WHEREAS, the City Council finds that it is in the best interest of the community and its residents to support the expansion of the CDD as a reasonable alternative to the financing, construction, delivery and long-term operation, management, and ongoing maintenance of basic infrastructure servicing the proposed residential development.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF HOMESTEAD, FLORIDA:

Section 1. Recitals Adopted. That each of the above-stated recitals is hereby adopted and confirmed.
