Subject: Fiscal Year 2025-2026 Community Grants Program - Second Quarter
Recommendations for a total of \$173,000.00

Executive Summary

This item seeks approval from the Board of County Commissioners (Board) to award Fiscal Year 2025-2026 Community Grants Program – Second Quarter grant funding recommendations to 26 applicants (supporting events and activities in January, February, and March), totaling \$173,000.00, cumulatively.

Each quarter, recommendations are made by the Community Grants Program Panel (Panel) and the Cultural Affairs Council (Council). The Panel convened on November 5, 2025, and recommended funding all 26 applicants for a total of \$173,000.00. The Council convened on November 19, 2025, and unanimously recommended to fund all 26 applicants. The funds were allocated via the Fiscal Year 2025-2026 Miami-Dade County budget.

The Miami-Dade County Department of Cultural Affairs' (Department) Community Grants Program (Program) supports cultural programs, projects and events, such as fairs, parades and neighborhood festivals on a quarterly basis. The Program funds arts projects with strong community involvement and/or outreach component and is particularly sensitive to the needs of indigenous cultural neighborhood activities and projects encouraging the preservation of heritage, traditions, and culture, as well as social service organizations and cultural groups developing collaborative intervention projects using the arts. The Department's grants programs are promoted to hundreds of organizations and individuals through the Department's e-newsletter, social media platforms, open workshops and on the Department's website. The Department also promotes the programs through partner organizations and collaborations with Commission District offices.

The projects selected for funding represent a diversified range of activities and demographic locations. In their deliberations, the Panel and Council carefully considered and applied the Community Grants guidelines. Each applicant organization was evaluated specifically based on the following competitive review criteria: (1) quality of program; (2) administrative capability; (3) marketing strategy; (4) fundraising efforts and (5) geographic location of event.

Recommendation

It is recommended that the Board approve the funding of 26 grants, totaling \$173,000.00, from the Fiscal Year 2025-2026 Community Grants Program – Second Quarter. Attached is a list describing the projects being recommended for funding.

In addition, it is recommended that Resolution No. R-130-06 (requiring contracts with non-governmental entities be signed by the other parties before being submitted to the Board) be waived in order to expedite the allocation of funding support for these time-sensitive tourism-oriented and community events.

Scope

The impact of this agenda item is countywide.

Delegation of Authority

The County Mayor and/or County Mayor's designee is delegated the authority to execute the grant agreements and exercise all provisions, including cancellation provisions contained therein.

Fiscal Impact/Funding Source

Funding for the Community Grants Program comes from the Department of Cultural Affairs' approved departmental revenues, as adopted in the Fiscal Year 2025-2026 County budget identified in Ordinance 25-98, Attachment A, page 906. Cultural grants funding is supported by a number of revenue sources that combine to provide the resources for these grants and programs including Tourist Development Tax (TDT), TDT Reserve, Carryover, Convention Development Tax (CDT), The Children's Trust and General Fund. Community Grants are disbursed through Department Fund S1031, Department: CU02010000, Account: 5606150000, Grant: No Grant, Project: CU_GTS_CGP, Activity: Grants.

Track Record/Monitor

Each recommended organization has a track record for responding to Departmental grant requirements and contractual conditions. Ashlee K. Thomas, Interim Director of the Department of Cultural Affairs, is responsible for monitoring the grant contracts.

Background

The Community Grants Program is responsive on a quarterly basis to organizations, which develop small and large-scale community-based programs, projects, events and publications. When taken together, all four quarters provide a picture of the entire year of activities and the broad diversity of applicants and projects. The Program encourages: (1) activities and projects that preserve heritage, traditions and culture; and (2) social service organizations and cultural groups developing collaborative intervention projects using the arts. An inclusive program, Community Grants supports approximately 100-125 projects each year from nonprofit organizations serving all thirteen districts. With four deadlines a year, the Program welcomes applications for cultural projects that are reflective of the diverse population of Miami-Dade County.

In addition, the Department's grants programs are promoted to hundreds of organizations and individuals through the Department's e-newsletter, social media platforms, open workshops and on the Department's website. The Department also promotes the programs through partner organizations and collaborations with Commission District offices. Interested applicants are encouraged to attend free in-person and virtual workshops that are held throughout the year that explain the grants process. Applicants are offered one-on-one

consultations (offered in multiple languages), workshops and technical assistance, including a corrections process, prior to the panel review. The Department's grants administrators work closely with applicants to ensure their success and account for the fact that virtually all of the nonprofits that apply are recommended for funding support. In addition, these grants administrators are friendly, knowledgeable and understand that it is essential to make

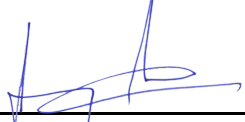

applicants of all sizes and backgrounds feel welcomed and well-served. Applications are fairly and thoroughly evaluated pursuant to the published review criteria in public meetings by volunteers who serve on the program's review panel, and applicants are strongly encouraged to attend the meetings. Panels are chaired by members of the Department's advisory board, the Cultural Affairs Council, and are appointed by the Council with the objective of ensuring that full diversity and broad expertise are represented.

As noted earlier, the Community Grants Panel convened on November 5, 2025, and recommended funding all 26 applicants for a total of \$173,000.00. The Cultural Affairs Council convened on November 19, 2025, wherein the Fiscal Year 2025-2026 Community Grants Program – Second Quarter recommendation to fund 26 applicants for a total of \$173,000.00 was approved unanimously.

The projects selected for funding represent a diversified range of activities and demographic locations. In their deliberations, the Panel and Council carefully considered and applied the Community Grants guidelines. Each applicant organization was evaluated specifically based on the following competitive review criteria: (1) quality of program; (2) administrative capability; (3) marketing strategy; (4) fundraising efforts and (5) geographic location of event.

It is recommended that Resolution No. R-130-06 (requiring contracts with non-governmental entities be signed by the other parties before being submitted to the Board) be waived as it is in the best interest of the County to proceed in this manner in order to expedite grant allocations for time-sensitive tourism-oriented and community events. Simultaneous with this Board item, the Department has submitted the grant agreements to the grantees for their execution and such agreements will be executed by the County following Board approval. This "dual track" approach saves from one to two months of time in providing funding support to projects that have been evaluated through a thorough and already lengthy grants review process. As a safeguard, the Department negotiates the grant agreements by closely adhering to the descriptions of projects that are summarized in the list of grant projects attached to this memorandum to ensure that County grant funds are used strictly for the activities that are listed in this memorandum and represented in the subsequent grant agreements.

Attached is a list describing the projects being recommended for funding.

MIAMI-DADE COUNTY DEPARTMENT OF CULTURAL AFFAIRS
GENERAL TERMS AND CONDITIONS FOR GRANTS (October, 2025) – ARTICLES II, III, IV, V, VI and VII

ARTICLE II

1. **Parties:** The parties to the Grant Award Agreement, which shall be referenced herein as the “Agreement,” are the Grantee listed in Article I.1, and Miami-Dade County, Florida, a political subdivision of the State of Florida (“County”). The Home Rule Charter authorizes Miami-Dade County to provide for the uniform health and welfare of the residents throughout the County and further provides that all functions not otherwise specifically assigned to others under the Charter, shall be performed under the supervision of the County Mayor or their designee. The County Mayor has delegated the responsibility of administering this grant to the Director of the Miami-Dade County Department of Cultural Affairs, who shall be referred to herein as the “Director.”

2. **Amount and Payment of Grant Award:** The total amount of the grant is specified in Article I.2. By making this grant, Miami-Dade County assumes no obligation to provide financial support of any type whatever in excess of the total grant amount. Grantee acknowledges that additional funds may become available to Grantee from the County after the effective date of this Agreement, but the County has no obligation whatsoever to provide Grantee with any funds beyond the amount of the grant set forth in Article 1.2. Cost overruns are the sole responsibility of the Grantee. Grant funds will be supplied to the Grantee once the award is approved and subject to the conditions and limitations as outlined in the Agreement and its accompanying articles and attachments. If additional funds become available, the County will send written notice to the Grantee of the additional amount of funds awarded to Grantee along with a request that Grantee provide an updated budget to replace the Restatement of the Project Budget referenced in 1.4 and section 4 below and an updated project description to update the Project Description referenced in Article 1.3 and section 3 below. The County, through the Director (following consultation with the Cultural Affairs Council) shall have the sole and absolute discretion to approve, disapprove or request revisions to Grantee’s proposed updated budget and project description in accordance with the award approved by the Board of County Commissioners. Upon the approval by the Director of the Grantee’s updated budget and project description, this Agreement shall be amended accordingly to add any additional grant funds awarded by the Board of Commissioners to the total amount of this grant award.

Miami-Dade County’s obligation to pay the award under the Agreement is contingent upon an appropriation by the Miami-Dade County Mayor and the Board of County Commissioners and on the availability of funds. In the event that County funds on which the Agreement is dependent do not materialize or are withdrawn, the Agreement is terminated, and the County has no further liability to the Grantee, beyond that already incurred by the termination date. In the event of a County revenue shortfall, the total grant will be reduced accordingly. Such termination or reduction of the total grant shall not affect the responsibility of the Grantee under the Agreement as to those funds distributed.

3. **Project Description:** The Grantee may use the grant only for the purposes which are specifically described in Article I.3, designated “Project,” as documented in the Grantee’s program application and in accordance with the published guidelines of the grant program through which this grant is being awarded. Any necessary changes in the scope of the project are cited in the attached Restatement of Project Budget. Further, it is expressly understood and agreed that the Grantee’s program(s) supported by these grant funds must be open and accessible to the public, provide public exposure and benefit the public unless otherwise noted under Article V, “Special Conditions,” of the Agreement.

Amendments to this Agreement and/or project revisions believed to be necessary for the purpose of completing the project, but which do not increase the amount of the grant award or substantially alter the original project, its quality, impact, or benefit to the organization, the County or its citizens, must be submitted/requested in writing to the Director sufficiently prior to implementation of revisions for the Director’s execution (in the case of an amendment) or approval (in the case of a revision). Such amendments and/or project revisions shall be in accordance with the Board of County Commissioners’ award of funds to the Grantee. Revisions include, but are not limited to those affecting project scope, venue, artistic selections, program titles, timeframe and participants and transition to virtual programs and/or other program delivery strategies. The Director will make the final determination on revisions within fourteen (14) business days of the date of receipt of the request in the Department of Cultural Affairs’ offices.

4. **Project Budget:** The Grantee agrees to demonstrate fiscal stability and the ability to administer grant funds responsibly and in accordance with standard accounting practices by developing and adhering to a project budget that is based upon reasonable

revenue development and expenditures projected to accomplish the project covered under the Agreement. This budget is referenced in Article 1.4 and is attached to the Agreement as the Restatement of Project Budget, and the Grantee agrees that all expenditures will be subject to the terms of the Agreement and will not significantly deviate from the budget included as a part of the Grantee's program application or funding request information provided to the Miami-Dade County Department of Cultural Affairs. **The Grantee agrees and expressly understands that any grant budget revisions including line-item changes necessary for the purpose of completing the project must be requested in writing to the Director for their consideration prior to the Grant End Date stated in Article 1.6 and that any requested changes may not exceed fifty percent (50%) of the total amount of the grant award.** The Director will approve or disapprove the Grantee's request in writing within fourteen (14) business days of the date of receipt of the request in the Department's offices. Any budget revisions shall be in accordance with the grant award approved by the Board of County Commissioners.

5. Grant End Date: The Grantee shall encumber all grant and matching funds on or before the Grant End Date as outlined in Article 1.6. Any grant funds not encumbered by the Grant End Date or for which a project extension has not been requested, or any encumbered funds not expensed within forty-five (45) days of the Grant End Date shall revert to the Department and the Agreement shall be terminated in accordance with Article II.14. A project extension may be requested in writing from the Director at least thirty (30) business days prior to the Grant End Date. The Director, at their discretion, may grant up to two (2) one (1) year extensions of the Grant End Date so long as such extensions will not significantly alter the project including its quality, impact, or benefit to the organization, the County or its citizens.

6. Report Deadline: To demonstrate that the Grantee has used the grant award for the project as approved (Article 1.3.) and the Itemized Project Budget (Article 1.4.) as attached to the Agreement as the Restatement of Project Budget, and has met and fulfilled all requirements as outlined in the Agreement, original application, and any other substantive materials as may be attached or included as a condition to this grant award, the Grantee must submit to the Director or their designee, a written Final Report documenting that the Grantee is meeting or has fulfilled all project and financial requirements. This report is to be received by the Director or their designee by the date specified in Article 1.7. in the form specific to the program through which this grant is being awarded. **The Grantee agrees and expressly understands that in making Final Report to the Department, any deviation from the grant expense budget attached to the Agreement as the Restatement of Project Budget must be requested in writing to the Director for their consideration prior to the Grant End Date stated in Article 1.6 and that any requested changes may not exceed fifty percent (50%) of the total amount of the grant award.** The Director, at their sole discretion, may require the Grantee to submit interim reports demonstrating progress on the project and accounting for project expenses to date. The Director may also require that a compilation statement or independent financial audit encompassing the entire grant period and accounting for the expenditure of grant funds be prepared by an independent certified public accountant at the expense of the Grantee.

Grantees of the Arts Education Initiatives, Cultural Advancement, Cultural Development, Festivals and Special Events, Hannibal Cox, Jr., Major Cultural Institutions and Youth Arts Miami grants programs shall submit an independent financial audit encompassing the grant period or financial statements encompassing the grant period or portion thereof prepared by an independent certified public accountant or corporate financial officer. If an audit or financial statements are not available, the Grantee shall attach a copy of the organization's last completed Form 990 submitted to the Internal Revenue Service. Grantees of the Developing Arts in Neighborhoods grant program with operating budgets of \$50,000 or more shall attach a copy of the organization's last completed Form 990 submitted to the Internal Revenue Service. The County reserves the right to request original documentation to substantiate grant expenditures.

Grantees of the Community Grants, Developing Arts in Neighborhoods Grant Program with operating budgets of \$50,000 or less, International Cultural Partnerships, Summer Arts & Science Camps for Kids, and Youth Arts Enrichment Grant Programs shall attach to the Final Report copies of original documentation conclusively demonstrating the expenditure of funds for the items indicated in the Restatement of Project Budget as grant award expenses. Documentation shall include, but not be limited to, copies of original bills, invoices, vouchers, receipts, and copies of canceled checks (front and rear) clearly designating payment for expenses associated with the event. Cash, money orders, and/or cashier's checks are not acceptable unless the Grantee demonstrates one of these methods of payment are the only forms of payment accepted by the vendor providing grant-related services and/or commodities. In those cases, the Grantee must provide a copy of a contract, invoice, receipt, or other documentation supporting such cash payment is received', marked "paid" and signed by the vendor. Documentation for credit card transactions must include a copy of the relevant monthly credit card statement highlighting the charge for the expense, and proof of remittance to the credit card issuing company confirming payment made and accepted for the expense incurred. Documentation for electronic peer-to-peer money transfer transactions must include a

copy of the grantee's bank statement highlighting the charge for the expense and copies of service agreements, original bills, invoices, vouchers or receipts supporting the payment. The County reserves the right to request original documentation to substantiate grant expenditures.

If the Grantee fails to submit the required Final Report by the deadline date specified in Article I.7., the County may terminate the Agreement in accordance with Article II.14. Further, the Director or their designee must approve this report before the Grantee is deemed to have met all conditions of the grant award.

7. Program Monitoring and Evaluation: The Director or their designee may monitor and conduct an evaluation of the Grantee's operations and the project for which this grant is provided, which may include visits by County representatives to: observe the project or Grantee's programs, procedures, and operations; discuss the Grantee's programs with the Grantee's personnel; and/or evaluate the public impact of these funded events and activities.

Upon request, the Grantee shall provide the Director with notice of all meetings of its Board of Directors or governing board, general activities, and project-related events. In the event the Director or their designee conclude, as a result of such monitoring and/or evaluation, that the Grantee is not in compliance with the terms of the Agreement, is not fulfilling other program requirements or stipulations for which this Grant has been provided or for other reasons which significantly impact on the Grantee's ability to fulfill the conditions of this grant award, the Director or their designee must provide in writing to the Grantee, within sixty (60) days of the date of said monitoring/evaluation, notice of the inadequacy or deficiencies noted which may significantly impact on the Grantee's ability to complete the project or fulfill the terms of the Agreement within a reasonable time frame. If Grantee refuses or is unable to address the areas of concern within sixty (60) days of receipt of such notice, the Director, at their discretion, may take other actions, which may include the withholding, reduction or rescission of grant funds until such time as the Grantee can demonstrate that such issues have been corrected.

Further, in the event that the Grantee refuses or is unable to address the areas of concern and the grant award has been disbursed in full or in part, then the Director may request the return of the full or partial grant payment. At the Director's sole discretion, a Grantee found to be deficient or in default of a previous grant contract may be declared permanently ineligible to apply to the Department of Cultural Affairs' grants programs. Reinstating the Grantee's eligibility to apply is also at the Director's sole discretion and may only be considered after all deficient areas on prior grants having been addressed to the satisfaction of the Director.

If Grantee is not in compliance with the conditions of any other County agreement, the Director, at their discretion, may take other actions, which may include the withholding, reduction or rescission of grant funds until such time as the Grantee can demonstrate that such issues have been corrected.

8. Bank Accounts: Monies received pursuant to the Agreement shall be kept in accounts in established Florida banks, credit unions or savings and loan associations whose identity shall be disclosed in writing, with the identity and title of individuals whom the Grantee authorizes to withdraw or write checks on grant funds from the banking institution identified on the "Bank Account Disclosure" form submitted by the Grantee. These accounts need not be accounts which are segregated from other accounts maintained by the Grantee. However, it is highly recommended that the Grantee maintain a separate account for these grant funds.

9. Accounting and Financial Review: The Grantee must keep accurate and complete books and records for all receipts and expenditures of this grant award and any matching funds required in conformance with reasonable general accounting standards. These books and records, as well as all documents pertaining to payments received and made in conjunction with this grant, such as vouchers, bills, invoices, receipts and canceled checks, shall be retained in Miami-Dade County in a secure place and in an orderly fashion by the Grantee for at least five (5) years after: the Grant End Date specified in Article I.6.; the expiration of an extended grant period as approved by the Director; the completion of a County requested or mandated audit or compliance review; the conclusion of a legal action involving the grant award, the Grantee and/or project or activities related to the grant award.

The Director or their designee may examine these books, records and documents at the Grantee's offices or other approved site under the direct control and supervision of the Grantee during regular business hours and upon reasonable notice. Furthermore, the Director may, upon reasonable notice and at the County's expense, audit or have audited all financial records of the Grantee, whether purported to be related to this grant.

The grantee must also use the County’s logo in marketing and publicity materials, including but not limited to newsletters, press releases, brochures, fliers, websites, online content, or any other materials for dissemination to the media or general public. The County logo is available at www.miamidadearts.org under Grantee Resources. Grantees are required to credit the County’s support in any communications about the grant-funded project on social media platforms using @MiamiDadeArts and #MiamiDadeArts.

By accepting County funds, the grantee is required to recognize and acknowledge Miami-Dade County’s grant support in a manner commensurate with all contributors and sponsors of its activities at comparable dollar levels.

In addition, grantees receiving funds through the YEP, SAS-C and AKI grant programs must include The Children’s Trust logo and the following statement in all printed and electronic materials related to the grant project, including but not limited to newsletters, press releases, brochures, fliers, websites, online content or any other materials for dissemination to the media or general public:

Note: In cases where funding by The Children’s Trust represents only a percentage of the grantee’s overall funding, the above language can be altered to read “[Grantee Program Name] is funded in part by The Children’s Trust...”

11. Liability and Indemnification: It is expressly understood and intended that the Grantee, as the recipient of grant funds, is and shall remain at all times an independent contractor and is not, under any circumstances, to be considered an officer, employee or agent of Miami-Dade County, its Board of County Commissioners, its Mayor, the Department of Cultural Affairs or the Cultural Affairs Council.

Under no circumstances shall any relationship between the Grantee, or any of its officers, employees, agents, contractors, or subcontractors, be construed to create any form of employment, partnership, agency, joint venture, or any other affiliation with the Department of Cultural Affairs, the Cultural Affairs Council, the Miami-Dade County Mayor, the Miami-Dade County Board of County Commissioners, or its employees.

The Grantee agrees to be responsible for the acts and omissions of its officers, employees, agents, contractors, subcontractors, and assignees, and all work performed, and all expenses incurred in connection with the project.
