Subject: Resolution Declaring the Acquisition of the Designated Property Known as Parcel 6 to be a Public Necessity for the Project Entitled Improvements to SW 117th Avenue from SW 184th Street (Eureka Drive) to US-1

Executive Summary

The purpose of this item is for the Board of County Commissioners (Board) to grant approval for the County Mayor or the County Mayor's designee to acquire certain right-of-way necessary for the SW 117th Avenue Roadway Improvement Project located on SW 117th Avenue between SW 184th Street to US-1. The project consists of reconstructing and widening SW 117th Avenue from a two- to a four-lane divided road. Moreover, the project scope includes several infrastructure improvements such as sidewalks, curbs and gutters, continuous stormwater drainage system, pavement markings and signage, signalization, lighting, and landscaping.

Recommendation

It is recommended that the Board approve the attached resolution declaring the acquisition of Parcel 6 to be a public necessity for the road widening, beautification, and right-of-way improvements to SW 117th Avenue from SW 184th Street to US-1. The resolution authorizes the County Mayor or the County Mayor's designee and the County Attorney to employ appraisers and expert witnesses; to obtain environmental audits; and to take any and all appropriate actions to acquire the subject parcel in fee simple, either by negotiation, donation, right-of-way designation, or by purchase at values established by appraisals, or tax assessed values, whichever is higher of the two. The resolution also authorizes the County Mayor or the County Mayor's designee to make an additional incentive offer for a total amount not to exceed 15 percent over the appraised value, together with reasonable attorney fees and costs, pursuant to Sections 73.091 and 73.092 of the Florida Statutes, or by eminent domain court proceedings, including a declaration of taking as necessary for and on behalf of Miami-Dade County.

Scope

The impact of this project is countywide; however, it is located within District 9, which is represented by Vice Chairman Kionne L. McGhee.

Fiscal Impact/Funding Source

The funding required for the design, construction, Construction Engineering & Inspection (CEI), and right-of-way acquisition of this project is estimated at \$19,997,315 and will be funded through the following funding source:

Program	County Budget	Funding Source(s)
2000000538 ARTERIAL ROADS COUNTYWIDE	FY25-26 Adopted Budget & Multi- Year Capital Plan; Volume 2, Page 135	MOBILITY IMPACT FEE

Upon completion of the project, the annual maintenance and operational costs of the project will be approximately \$30,180, which will be funded by Department of Transportation and Public Works's (DTPW) Operating Fund.

Track Record/Monitor

DTPW is the entity overseeing this item and the person responsible for monitoring the project is Javier M. Bustamante, Assistant Director, Transit Project Management & Support Services.

Delegated Authority

The resolution delegates authority to the County Mayor or the County Mayor's designee and the County Attorney to take any and all appropriate actions to acquire the subject parcel in fee simple and to record the instruments of conveyances accepted herein in the Public Records of Miami-Dade County. The County Mayor's designee is further authorized to issue an incentive offer to purchase Parcel 6 in a total amount not to exceed 15 percent over the appraised value of Parcel 6.

Background

The project consists of roadway improvements to SW 117th Avenue from US-1 to SW 184th Street. These improvements include, but are not limited to, reconstructing and widening from a two to a four-lane divided road, sidewalks, curbs and gutters, continuous stormwater drainage system, pavement markings and signage, signalization, lighting, and landscaping.

The area to be acquired by DTPW for the street improvements is legally described in Exhibit "A" and illustrated in the parcel location map set forth in Exhibit "B," both of which are attached to the resolution. These improvements will improve traffic mobility and improve drainage along SW 117th Avenue from SW 184th Street to US-1.

In order to reduce project time and cost, and to avoid the expense of potential litigation, it is recommended that the County Mayor or the County Mayor's designee be granted authorization to issue an incentive offer added to the initial offer to purchase Parcel 6. The total amount of the initial offer plus the incentive offer shall be no more than 15 percent over the appraised value of Parcel 6.
