Subject: Recommendation to Execute a 99-year Ground Lease and Related Agreements between Miami-Dade County and Perrine Apartments, Ltd., an Affiliate of Atlantic Pacific Communities, LLC, for the Rental Assistance Demonstration Conversion and Redevelopment of the Third Phase of Perrine Gardens and Perrine Village

Executive Summary

The purpose of this item is to gain the approval of the Board of County Commissioners (Board) to execute a 99-year ground lease and related agreements between Miami-Dade County (County) and Perrine Apartments, Ltd., an affiliate of Atlantic Pacific Communities, LLC (APC), for the third phase of the Rental Assistance Demonstration (RAD) conversion and redevelopment of Perrine Gardens and Perrine Village (Project Site). The new development is located in District 9, represented by Vice Chairman Kionne L. McGhee and it is estimated that through the leasing of the project site the County will receive a total estimated amount of \$17,011,920.01.

In line with my Administration's commitment to provide more affordable housing units throughout the County, the redevelopment of the Project Site includes a minimum of 101 multifamily housing units, of which 50 will be RAD/Section 18 units transferred from Perrine Gardens public housing site. Of the 101 units, 5 units will serve households at 30% AMI, 44 units will serve households between 30% and 50% AMI, 51 units will serve households between 60% and 70% AMI, and 1 unit will serve households at 140% AMI, as further detailed in the Income Limits and Rent Limits table attached hereto as Attachment 3 to the memorandum. The Community Benefits, further detailed in Attachment 1 to the memorandum, include a business center/computer lab, multi-purpose community room, fitness center, game room, wi-fi in ground floor common areas, covered terrace, professionally-curated art throughout common areas and public spaces, bicycle racks with repair station, 44-off and 9-on street parking spaces including 5 parking spaces with electric vehicle charge capabilities, gate security booth with license plate recognition cameras, open green spaces, on-site property management and emergency generator. To date, the Housing and Community Development Department (HCD) has held seven community meetings: the first on May 12, 2020, and the second on May 15, 2020 (both held virtually via Zoom due to the COVID-19 pandemic). The third, and fourth meeting were held in person on December 7, 2021, and May 2, 2022, respectively. The fifth, sixth, and seventh meetings were held on August 30, 2023; October 29, 2024; and April 3, 2025, respectively. HCD plans to hold one additional meeting before the financial closing, as well as at least two more meetings with the residents during the project cycle.

On May 7, 2024, the Board adopted Resolution No. R-384-24 authorizing the County Mayor or County Mayor's designee to execute a Master Development Agreement (MDA) with Perrine Holdings, LLC as assignee of APC for the RAD conversion and the redevelopment of Perrine Gardens and Perrine Village. In accordance with Resolution No. R-384-24, the County Mayor or the County Mayor's designee was directed to negotiate a 75-year lease with APC and its affiliates. Notwithstanding the directive and to take advantage of the ad valorem tax exemption under Florida Statute 196.1978(4), which went into effect on July 1, 2024 and requires the land be leased for a minimum of 99 years, HCD negotiated a 99-year ground lease (lease). Under this law, an exemption from ad valorem taxes is available for certain properties that are used as an affordable housing property that provides housing to natural persons or families meeting the extremely-low-income, very-low-income, or low-income limits specified in section 420.0004, Florida

Statutes. Therefore, HCD believes it is in the County's best interest to extend the term of the lease to 99 years and recommends that the Board approve the terms of the lease

Recommendation

It is recommended that the Board:

- 1) In accordance with section 125.35, Florida Statutes, and subject to the United States Department of Housing and Urban development's (HUD) approval, approve and authorize the County Mayor or County Mayor's designee to execute the lease between the County and APC, with a total approximate amount of \$17,011,920.01, inclusive of a lump sum ground lease payment of \$1,010,000.00 and other payments as described below, and to exercise all provisions contained in the lease, as described below in the Delegation of Authority;
- 2) Approve and authorize the County Mayor or County Mayor's designee to execute the Cash Flow and Capital Proceeds Sharing Agreement (Sharing Agreement) with Perrine Apartments GP, LLC, an affiliate of APC, in the total approximate amount of \$14,060,338.51, from the ten percent of all net distributable operating receipts, categorized as net cash flow, throughout the term of the lease, and to exercise all provisions contained therein.
- 3) Approve and authorize the County Mayor or County Mayor's designee to execute the Developer Fee Sharing Agreement with Perrine Development, LLC, an affiliate of APC, in the total approximate amount of \$1,901,581.50, collected through the thirty percent of the developer fee, throughout the term of the lease and to exercise all provisions contained therein; and
- 4) Waive the provisions of section 2-10.4.2 of the Code of Miami-Dade County, Florida requiring two MAI (Member, Appraisal Institute) appraisals for County property if its estimated fair market value is over \$5,000,000.00. As negotiated, the County will be receiving the financial benefits described above and commensurate public benefits, including the creation and implementation of health and wellness programs, employment assistance program, a multi-purpose room space, affordable and elderly housing, and the benefits listed on the Community Benefits Statement. None of these financial and commensurate public benefits would be considered by an appraiser or included in an appraisal. Details related to the project site are more fully described in the Property Appraiser's summary report which is attached hereto (Attachment 2 to the memorandum).

Scope

The scope of this item is countywide in nature; however, the project site is located in District 9, which is represented by Vice Chairman Kionne L. McGhee.

Fiscal Impact/Funding Source

There will be a positive fiscal impact to the County for approving and executing the lease, which will result in revenue sharing and capital improvements to the project as further described below. It is estimated that through the leasing of the project site the County will receive a total estimated amount of \$17,011,920.01, inclusive of a lump sum ground lease payment of \$1,010,000.00; a 10 percent annual net cash flow from the project starting after stabilization period, about one year after issuance of a certificate of occupancy until the end of the lease term, estimated at \$14,060,338.51, and collected through the Sharing Agreement; as established under the MDA, a payment of 30 percent of the developer fees estimated at \$1,901,581.50, collected through the Developer Fee Agreement; monthly Davis-Bacon monitoring fees in the amount of \$2,500.00, estimated at \$40,000.00; and 15 percent of the net proceeds of the sale or refinance of the subject property.

Track Record/Monitor

Nathan Kogon, AICP, Director, Department of Housing and Community Development, is the Project Manager and Ariel Rodilla is the Development Project/Construction Manager responsible for the implementation of the Ground Lease and construction oversight.

Delegated Authority

Upon the approval of this item, the County Mayor or the County Mayor's designee will be authorized to: execute the lease, and to exercise all provisions contained under the lease including, but not limited to: (a) exercising termination and amendment provision so long as such amendments are consistent with the attached resolution; (b) exercising the right of first refusal option on behalf of the County, (c) reviewing, approving and executing (as necessary) documents, plans, applications, easements, lease assignments and requests required or allowed by APC to be submitted to the County as required by the lease; (d) consenting or agreeing to actions, events, and undertakings by APC or extensions of time periods for which consent or agreement is required by the County, or granting extensions of time for the performance of any obligation by APC under the lease; (e) executing any and all documents on behalf of the County necessary or convenient to the foregoing approvals, consents, and appointments; (f) assisting APC with and executing on behalf of the County any applications or other documents, needed to comply with applicable regulatory procedures and to secure financing, entitlements, permits or other approvals to accomplish the construction of any and all improvements in and refurbishments of the property; (g) executing non-exclusive utility easements for the provision of utility services, subject to the following conditions: (i) the conveyance of any easements complies with the Board's Resolution No. R-504-15, which establishes the County policy of minimizing the negative aesthetic impact to the public created by the installation of utility lines and equipment on County-owned property, (ii) the easement(s) is no larger in size or scope than is necessary for the construction, operation and maintenance of such utilities to service the project site located thereon; and (iii) the easement does not allow the grantee of the easement to grant access to the easement to any other entity or individual other than the grantee, and joinders and consents to easement and access agreements, for the purposes of granting any needed non-exclusive vehicular and/or pedestrian ingress and egress access routes and for any parking within and throughout the project; (h) amending the lease (and related recognition and non-disturbance agreements) to correct any typographical or non-material errors, to address revisions or supplements hereto of a non-material nature or to carry out the purposes of this lease; and (i) executing recognition and non-disturbance agreements and issue estoppel statements as provided in the lease. Further, the County Mayor or County Mayor's designee will be authorized to execute the Sharing Agreement and Development Fee Agreement, and to exercise all provisions contained therein.

Background

The project site is part of the County's effort to re-develop, modernize, and financially stabilize most of the County's public housing units through the RAD program, which is a federal program that allows public housing authorities to convert public housing, which has been facing significant federal funding decreases, to a more financially stable Section 8 project-based funding model. Through the RAD conversion process public housing can be modernized through redevelopment projects that are able to leverage additional financing from public and private sources, public housing units are replaced on a one-for-one basis, and current residents are provided with a guaranteed right to return along with other resident protection rights. In March 2019, the County obtained a portfolio award from HUD which allows the County to redevelop 6,426 of its existing public housing units, including the project site, through the RAD conversion process. Subsequently, the County's portfolio award was amended to increase the total number of units converted through RAD to 7,718.

On May 7, 2024, the Board adopted Resolution No. R-384-24, which authorized the County Mayor or County Mayor's designee to execute the MDA with APC. Additionally, this resolution authorized the

MDC004

County Mayor or County Mayor's designee to negotiate a 75-year ground lease with APC. Notwithstanding the directive set forth in Resolution No. R-384-24, HCD negotiated a 99-year lease to take advantage of the ad valorem tax exemption under section 196.1978(4), Florida Statute, which became effective on July 1, 2024. In accordance with the statute, the land is exempt from ad valorem taxation, if it is leased for a minimum of 99 years, for the purpose of, and is predominantly used for, providing housing to natural persons or families meeting the extremely-low-income, very-low-income, low-income, or moderate-income limits. Therefore, HCD believes it is in the County's best interest to extend the term of the lease to 99 years and recommends that the Board approve the terms of the lease and authorize the County Mayor or County Mayor's designee to execute same.

The project consists of the third phase of the RAD conversion and redevelopment of the project site. The project site included in this phase is a portion of Perrine Gardens, a public housing site, located on 10080 W Evergreen Street. The project will include a minimum of 101 multifamily housing units, of which 50 will be RAD/Section 18 units transferred from Perrine Gardens public housing site.

Additionally, this item seeks the Board's approval to authorize the County Mayor or County Mayor's designee to execute the Sharing Agreement between the County and APC Perrine Apartments GP, LLC, an affiliate of APC. Also, this item recommends that the Board authorize the County Mayor or County Mayor's designee to execute the Developer Fee Agreement between the County and Perrine Development, LLC, an affiliate of APC. The Sharing Agreement allows the County to collect ten percent of all net distributable operating receipts, categorized as net cash flow, the same way the Developer Fee Agreement allows the County to collect the thirty percent Developer Fee participation, both throughout the term of the lease.

Expediting the approval process aligns with the HCD's need to provide assurances to HUD that the County is making significant progress on the RAD program. As required by the RAD program, HCD continues to explain the program to residents, listen to their concerns, and answer any questions. HCD is mandated by HUD to hold a series of at least four meetings with the community throughout the project's execution. Additionally, HCD must comply with the Board's Rules of Procedures related to the community engagement process. To date, HCD has held seven community meetings: the first on May 12, 2020, and the second on May 15, 2020. Both meetings were held virtually via Zoom due to the COVID-19 pandemic. The third, and fourth meeting were held in person on December 7, 2021, and May 2, 2022, respectively. The fifth, sixth, and seventh meetings were held on August 30, 2023; October 29, 2024; and April 3, 2025, respectively. HCD plans to hold one additional meeting before the financial closing, as well as at least two more meetings with the residents during the project cycle. Additionally, HCD requires APC to establish a grievance and care procedure to address any concerns from residents and the community throughout the redevelopment process of the project site.

Memorandum

Date: March 11, 2026

To: Honorable Chairman Anthony Rodriguez
Board of County Commissioners

From: Nathan Kogon, AICP, Director *NK*
Housing and Community Development

Subject: Request to Process Late Departmental Agenda Item

I am requesting that the following item be placed on the March 17, 2026, Board of County Commissioners (Board) meeting agenda. The item is necessary for the developer to meet their financial closing schedule and commence construction. The financial closing for the development is tentatively scheduled for March 26, 2026, with Board approval of the ground lease required in order for the multiple lenders and investors to sign off on the transaction. A delay to the closing would create cascading delays to the deal due to interest rate lock expirations, bond pricing adjustments, contractor pricing changes and other aspects of the project which would then need to be renegotiated and result in changes in the project's financing. The project will consist of 101 residential units and is part of the County's Rental Assistance Demonstration (RAD) program for the redevelopment of public housing sites. Additionally, due to Miami-Dade County's ongoing housing affordability crisis affecting residents throughout the County, timely approval of this item will further the County's commitment to expanding the supply of affordable housing and reducing the cost burden faced by many households. Advancing this item will directly support the continued development and preservation of affordable housing units and assist in addressing the pressing housing needs of the community. For this project, it is estimated that the County will receive a total estimated amount of \$17,011,920.01 for the length of the 99-year lease with the County.

ARTICLE III

3.1.1. Tenant and Landlord mutually acknowledge and represent that such amount was negotiated at arms' length between unaffiliated parties.

3.1.2. If greater or fewer than 101 units are constructed at the Premises, the one-time capitalized payment shall be adjusted on a unit-for-unit basis. Payment shall be made payable to the Board of County Commissioners, c/o Housing and Community Development Department, 701 N.W. 1st Court, 16th Floor, Miami, Florida 33136, or at such other place and to such other person as Landlord may from time to time designate in writing, as set forth herein..

Furthermore, should Tenant fail to vacate the Premises in accordance with the terms of this Lease at the end of the Term, or at the earlier termination of this Lease, the Tenant shall pay to Landlord a charge for each day of occupancy after expiration or termination of the Lease in an amount equal to 150% of Tenant's Rent prorated on a daily basis. Such charge shall be in addition to any actual damages suffered by Landlord by Tenant's failure to vacate the Premises, for which Tenant shall be fully liable, it being understood and agreed, however, that Tenant shall under no circumstances be liable to Landlord for any incidental, indirect, punitive or consequential damages (including, but not limited to, loss of revenue or anticipated profits).

3.5. Taxes. Tenant understands and agrees that as a result of the Landlord's fee ownership of the Premises, for State law purposes, the Premises may become exempt from any ad valorem taxes. Landlord represents to Tenant that any such exemption should remain in effect notwithstanding that Landlord is entering into this Lease. However, during the Term of this Lease, should, for any reason whatsoever, the Premises become exempt and then again become subject to ad valorem taxes or any other real estate taxes, fees, impositions and/or charges imposed during the Term and any Extensions upon the Premises and the building and/or other improvements constructed on the Premises by Tenant ("**Real Estate Taxes**"), Tenant shall be required to pay all Real Estate Taxes, prior to delinquency without notice or demand and without set-off, abatement, suspension or deduction. 3.6. Contested Obligations. If Tenant shall deem itself aggrieved by any Real Estate Taxes or other charges for which it is responsible hereunder and shall elect to contest the payment thereof, Tenant may make such payment under protest or, if postponement of such payment will not jeopardize Landlord's title to the Land, or subject Landlord to the risk of any criminal liability or civil liability or penalty, Tenant may postpone the same provided that it shall secure such payment and the interest and penalties thereon and the costs of the contest on the determination or the

proceedings or suit in which such contest may be had, by causing to be delivered to Landlord cash or other security satisfactory to Landlord, or a bond of indemnity of a good and solvent surety company, in form and amount satisfactory to Landlord. Either party paying any Real Estate Taxes or other charges shall be entitled to recover, receive and retain for its own benefit all abatement and refunds of such Real Estate Taxes or other charges, unless it has previously been reimbursed by the other party, in which case an equitable distribution will be made. Tenant agrees to save Landlord harmless from all costs and expenses incurred on account of Tenant's participation in such proceedings or as a result of Tenant's failure to pay Real Estate Taxes and other related charges with respect to the Project. Landlord, without obligating itself to incur any costs or expenses in connection with such proceedings, shall cooperate with Tenant by providing such information and executing such applications, documents or filings as requested by Tenant, each with respect to such proceedings so far as reasonably necessary; provided, however, that Tenant acknowledges that the foregoing duty to cooperate will not require the Landlord to take any legal position contrary to the position taken by the Miami-Dade County Property Appraiser or Tax Collector in any such proceeding. Tenant shall not discontinue any abatement proceedings begun by it without first giving the Landlord written notice of its intent to do so and reasonable opportunity to be substituted in such proceedings. Landlord shall promptly furnish to Tenant a copy of any notice of any Real Estate Taxes received by Landlord.

4.1. Indemnity for Tenant's Acts. Landlord shall continue to operate the Premises until the Commencement Date as provided in Section 5.1(b), below. From and after the Commencement Date, Tenant shall indemnify and hold harmless the Landlord and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including reasonable attorneys' fees and costs of defense, which the Landlord or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Lease by the Tenant or its employees, agents, servants, members, principals or subcontractors. Tenant shall pay all claims and actual losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the Landlord, where applicable, including appellate proceedings, and shall pay all actual costs, judgments, and reasonable attorneys' fees which may issue thereon, provided, however, nothing herein contained shall obligate or hold Tenant responsible for (a) any costs, expenses, claims or demands made by any party associated with the Project relating to acts or omissions occurring prior to the Commencement Date (including, but not limited to, any acts or omissions relating to the operation, maintenance, repair, security, supervision or management of the Project or any disputes with tenants), or (b) any claims stemming from Landlord's and/or its officers', employees' or agents' acts or omissions; it being agreed to by the Landlord and Tenant that Tenant shall have no liability or obligation whatsoever with respect to such acts or omissions occurring prior to the Commencement Date or for any costs, expenses, claims or demands made by any party associated with the Project prior to the Lease Date, except to the extent such costs, expenses, claims or demands arise from the acts or omissions of the Tenant, its agents, contractors, employees, members, or invitees. Tenant expressly understands and agrees that any insurance protection required by this Lease or otherwise provided by Tenant

shall in no way limit the responsibility to indemnify, keep and save harmless and defend the Landlord or its officers, employees, agents and instrumentalities as herein provided.

4.2. Landlord's Environmental Responsibility and Representations.

(a) Except to the extent that an environmental condition is aggravated or exacerbated by the negligent or willful acts or omissions of Tenant, its agents or contractors, Tenant shall not be responsible under this Lease for any claims, losses, damages, liabilities, fines, penalties, charges, administrative and judicial proceedings and orders, judgments, remedial action requirements, enforcement action of any kind, and all costs and expenses incurred in connection therewith arising out of: (i) the presence of any Hazardous Substances in, on, over, or upon the Premises first affecting the Premises as of or prior to the Commencement Date, whether now known or unknown; or (ii) the failure of Landlord or its agents or contractors prior to the Commencement Date to comply with any Environmental Laws relating to the handling, treatment, presence, removal, storage, decontamination, cleanup, transportation or disposal of Hazardous Substances into, on, under or from the Premises at any time, whether or not such failure to comply was known or knowable, discovered or discoverable prior to the Commencement Date.

(b) Landlord represents and warrants to Tenant that, as of the date hereof:

1. except as may be referenced in the Environmental Assessments, and to the best of Landlord's actual knowledge, neither the Land nor any part thereof has been used for the disposal of refuse or waste, or for the generation, processing, storage, handling, treatment, transportation or disposal of any Hazardous Substances;
2. except as may be referenced in the Environmental Assessments, and to the best of Landlord's actual knowledge, no Hazardous Substances have been installed, used, stored, handled or located on or beneath the Land, which Hazardous Substances, if found on or beneath the Land, or improperly disposed of off of the Land, would subject the owner or occupant of the Premises to damages, penalties, liabilities or an obligation to perform any work, cleanup, removal, repair, construction, alteration, demolition, renovation or installation in or in connection with the Premises (*Environmental Cleanup Work*) in order to comply with any Environmental Laws;
3. except as may be referenced in the Environmental Assessments, and to the best of Landlord's actual knowledge, no notice from any governmental authority or any person has ever been served upon Landlord, its agents or employees, claiming any violation of any Environmental Law or any liability thereunder, or requiring or calling any attention to the need for any Environmental Cleanup Work on or in connection with the Premises, and neither Landlord, its agents or employees has ever been informed of any threatened or proposed serving of any such notice of violation or corrective work order; and
4. except as may be referenced in the Environmental Assessments, and to the best of Landlord's knowledge, no part of the Premises is affected by any Hazardous Substances contamination, which for purposes hereof, shall mean: (i) the contamination of any improvements, facilities, soil, subsurface strata, ground

water, ambient air, biota or other elements on or off the Land by Hazardous Substances, or (ii) the contamination of the buildings, facilities, soil, subsurface strata, ground water, ambient air, biota or other elements on, or off, any other property as a result of Hazardous Substances emanating from the Land.

4.3. Liens.

(a) Tenant agrees that it will not permit any mechanic's, materialmen's or other liens to stand against the Premises for work or materials furnished to Tenant it being provided, however, that Tenant shall have the right to contest the validity thereof. Tenant shall not have any right, authority or power to bind Landlord, the Premises or any other interest of the Landlord in the Premises and will pay or cause to be paid all costs and charges for work done by it or caused to be done by it, in or to the Premises, for any claim for labor or material or for any other charge or expense, lien or security interest incurred in connection with the development, construction or operation of the Improvements or any change, alteration or addition thereto. IN THE EVENT THAT ANY MECHANIC'S LIEN SHALL BE FILED, TENANT SHALL EITHER (A) PROCURE THE RELEASE OR DISCHARGE THEREOF WITHIN NINETY (90) DAYS EITHER BY PAYMENT OR IN SUCH OTHER MANNER AS MAY BE PRESCRIBED BY LAW OR (B) TRANSFER SUCH LIEN TO BOND WITHIN NINETY (90) DAYS FOLLOWING THE FILING THEREOF. NOTICE IS HEREBY GIVEN THAT LANDLORD SHALL NOT BE LIABLE FOR ANY LABOR, SERVICES OR MATERIALS FURNISHED OR TO BE FURNISHED TO THE TENANT OR TO ANYONE HOLDING ANY OF THE PREMISES THROUGH OR UNDER THE TENANT, AND THAT NO MECHANICS' OR OTHER LIENS FOR ANY SUCH LABOR, SERVICES OR MATERIALS SHALL ATTACH TO OR AFFECT THE INTEREST OF THE LANDLORD IN AND TO ANY OF THE PREMISES. THE LANDLORD SHALL BE PERMITTED TO POST ANY NOTICES ON THE PREMISES REGARDING SUCH NON-LIABILITY OF THE LANDLORD.

(b) Tenant shall make, or cause to be made, prompt payment of all monies due and legally owing to all persons, firms, and corporations doing any work, furnishing any materials or supplies or renting any equipment to Tenant or any of its contractors or subcontractors in connection with the construction, reconstruction, furnishing, repair, maintenance or operation of the Premises, and in all events will bond or cause to be bonded, with surety companies reasonably satisfactory to Landlord, or pay or cause to be paid in full forthwith, any mechanic's, materialmen's or other lien or encumbrance that arises, whether due to the actions of Tenant or any person acting on behalf of or under the control of Tenant, against the Premises.

(c) Tenant shall have the right to contest any such lien or encumbrance by appropriate proceedings which shall prevent the collection of or other realization upon such lien or encumbrance so contested, and the sale, forfeiture or loss of the Premises to satisfy the same; provided that such contest shall not subject Landlord to the risk of any criminal liability or civil penalty, and provided further that Tenant shall give reasonable security to insure payment of such lien or encumbrance and to prevent any sale or forfeiture of the Premises by reason of such nonpayment, and Tenant hereby indemnifies Landlord for any such liability or penalty. Upon the termination after final appeal of any proceeding relating to any amount contested by Tenant pursuant to this Section 4.3, Tenant shall immediately pay any amount determined in such proceeding to be due, and in the event Tenant fails to make such payment, Landlord shall have the right after five (5) business days' notice to Tenant to make any such payment on behalf of Tenant and charge Tenant therefor.

(d) Nothing contained in this Lease shall be construed as constituting the consent or request of Landlord, expressed or implied, to or for the performance of any labor or services or the furnishing of any materials for construction, alteration, addition, repair or demolition of or to the Premises or of any part thereof.

4.4. Insurance Requirements.

(a) Beginning on the Commencement Date and continuing until the expiration or earlier termination of the Term, Tenant shall at all times obtain and maintain, or cause to be maintained, insurance for Tenant and the Premises as described in Exhibit B or as otherwise approved in writing by Landlord.

ARTICLE V

USE OF PREMISES; COVENANTS RUNNING WITH THE LAND

5.1. Use; Covenants.

(a) Tenant and Landlord agree that Tenant shall construct or rehabilitate multifamily residential housing for low-income, family, elderly, disabled, special needs or other population and uses acceptable to the County on the Land after HUD's approval of Landlord's disposition application and/or all applicable RAD or mixed-finance agreements and documents and in furtherance of a public purpose as defined in Section 196.012(6) of Florida Statutes.

(b) Tenant covenants, promises and agrees that during the Term of this Lease it shall not devote the Premises or any part thereof to uses other than those consistent with this Lease and the requirements of all applicable documents to be executed between Landlord and Tenant (collectively, the "Landlord/Tenant Documents"). Without limiting the generality of the foregoing sentence, or the duration of the use restrictions applicable during the Term, Tenant covenants, promises and agrees that:

(i) all of the units in the Premises will be set aside for occupancy by residents earning less than 120% of the median annual adjusted gross income for Miami-Dade County, further subject to any additional eligibility restrictions under the LIHTC Extended Use Agreement for the term thereof, and

(ii) 50 of the units in the Premises will be set aside as RAD/PBV units.

(iii) It will (a) enter into the RAD HAP Contract when the same is presented by Landlord; (b) apply to Landlord for renewal of the RAD HAP Contract not later than ninety (90) days prior to the expiration of the RAD HAP Contract or any extension thereof, and (c) accept renewal of the RAD HAP Contract; and failure to do so will be considered a default under this Lease;

(iv) During the Term, Tenant will operate and maintain the RAD Units substantially in accordance with the requirements of the RAD Program for so long as the RAD Use Agreement and RAD HAP Contract so require, except to the extent that any requirement may be specifically waived in writing by Landlord and/or HUD, as appropriate; and

(v) Other than improvements existing as of the Commencement Date, neither the Improvements, nor any part thereof, may be demolished other than (1) in accordance with the RAD Requirements and with prior written approval of Landlord or (2) as part of a restoration from a casualty. Tenant is required to maintain insurance sufficient to cover full replacement of the Improvements and any shortfall shall be the sole obligation of the Tenant to fund.

Notwithstanding the foregoing, prior to the Commencement Date, the Tenant agrees that Landlord shall have a continued right of entry onto the Premises for the purposes of the Landlord's continued operation of the Improvements and maintenance of the Premises during the period prior to the Commencement Date. Landlord shall, during this period, continue to operate the Improvements in the manner in which Landlord has operated them prior to the Lease Date and shall be responsible for all aspects of maintaining, leasing, operating, insuring and administering the Premises. If, prior to the Commencement Date, the Premises is destroyed or damaged, or becomes subject to a taking by virtue of eminent domain, to any extent whatsoever, Tenant may, in its sole discretion, terminate this Lease by written notice to the Landlord, whereupon neither party hereto shall have any further rights or obligations hereunder.

(c) The provisions of the RAD Requirements and this Section 5.1 are intended to create a covenant running with the land and, subject to the terms and benefits of the RAD Requirements, to encumber and benefit the Premises and to bind for the Term Landlord and Tenant and each of their successors and assigns and all subsequent owners of the Premises, including, without limitation, any entity which succeeds to Tenant's interest in the Premises by foreclosure of any Permitted Leasehold Mortgage or instrument in lieu of foreclosure.

(d) In the event of a conflict between the RAD Requirements and this Lease, the RAD Requirements shall govern.

5.2. Residential Improvements.

(a) Tenant shall construct the Improvements on the Land in substantial conformance with the Plans and Specifications. Tenant shall cause the Improvements to be substantially completed and placed in service in accordance with the Governing Documents. Tenant shall construct the Improvements and make such other repairs, renovations and betterments to the Improvements as it may desire (provided that such renovations and betterments do not reduce the number of units or bedroom count at the Premises) all at its sole cost and expense, in accordance with (i) the Governing Documents and (ii) any mortgage encumbering the Tenant's leasehold estate and associated loan documents, in a good and workmanlike manner, with new materials and equipment whose quality is at least equal to that of the initial Improvements, and in conformity with all applicable federal, state, and local laws, ordinances and regulations. Tenant shall apply for, prosecute, with reasonable diligence, procure or cause to be procured, all necessary approvals, permits, licenses or other authorizations required by applicable governmental authorities having jurisdiction over the Improvements for the construction and/or rehabilitation, development, zoning, use and occupation of the Improvements, including, without limitation, the laying out, installation, maintenance and replacing of the heating, ventilating, air conditioning, mechanical, electrical, elevator, and plumbing systems, fixtures, wires, pipes, conduits, equipment and appliances and water, gas, electric, telephone, drain and other utilities that are customary in developments of this type for

use in supplying any such service to and upon the Premises. Landlord shall, without expense to Landlord absent consent therefor, cooperate with Tenant and assist Tenant in obtaining all required licenses, permits, authorizations and the like, and shall sign all papers and documents at any time needed in connection therewith, including without limitation, such instruments as may be required for the laying out, maintaining, repairing, replacing and using of such services or utilities. Any and all buildings, fixtures, improvements, trade fixtures and equipment placed in, on, or upon the Premises shall remain the sole and exclusive property of Tenant and its subtenants, notwithstanding their affixation to, annexation to, or incorporation into the Premises, until the termination of this Lease, at which time title to any such buildings, fixtures, Improvements trade fixtures and equipment that belong to Tenant shall vest in Landlord.

(b) Tenant shall take no action to effectuate any material amendments, modifications or any other alterations to the Development Proposals and applications, Plans and Specifications, or to increase the total number of RAD Units and/or other units, and/or other uses on the Land, unless authorized in accordance with the Landlord/Tenant Documents or otherwise approved by Landlord in writing and in advance.

(c) Landlord agrees that, to the extent permitted by law, Tenant shall have the exclusive right, during the Term of this Lease, to place, erect, maintain and operate, or cause, allow and control the placement, erection, maintenance and operation of any signs or advertisements in accordance with subparagraph (i) below, in or on the Project. In connection with the foregoing, Tenant shall have the right to license the use of the Project to third parties for the placement of such signs. Tenant shall be responsible for obtaining any and all permits and licenses which may be required from time to time by any governmental authority for such signs and advertisements, and Landlord agrees to execute any consents reasonably necessary or required by any governmental authority as part of Tenant's application for such permits or licenses.

(d) The following types of signs and advertising shall be allowed in the area described in subparagraph (a) above:

1. Signs or advertisements identifying the Improvements to the Project and in particular residential or other uses therein, and any "branding" graphics developed by Tenant in connection with the Project, as well as signs indicating security features or rules and regulations as may pertain to any Improvements;
2. Signs or advertisements offering all or any portion of the Project for rent; and
3. Signs or advertisements advertising or identifying any product, company, or service operating in the Project or otherwise related thereto, including without limitation, signage requested or desired by a Lender or any person providing financing, or any developer, contractor, subcontractor, supplier or joint venturer participating in the Project.

(e) Tenant shall have the right to remove any signs which, from time to time, may have become damaged, obsolete, unfit for use or which are no longer useful, necessary or profitable in the conduct of Tenant's business, or in the occupancy and enjoyment of the Property by Tenant.

(f) As used in this Lease, “signs” shall be deemed to include any display of characters, letters, illustrations, logos or any ornamentation designed or used as an advertisement or to indicate direction, irrespective of whether the same be temporary or permanent, electrical, illuminated, or otherwise.

5.3. Tenant’s Obligations.

(a) Tenant shall, at its sole cost and expense, maintain the Premises, reasonable wear and tear excepted, and make repairs, restorations, and replacements to the Improvements, including without limitation the landscaping, irrigation, heating, ventilating, air conditioning, mechanical, electrical, elevator, and plumbing systems; structural roof, walls, floors and foundations; and the fixtures and appurtenances as and when needed to preserve them in good working order and condition, and regardless of whether the repairs, restorations, and replacements are ordinary or extraordinary, foreseeable or unforeseeable, capital or non-capital, or the fault or not the fault of Tenant, its agents, employees, invitees, visitors, and contractors (provided, however, that Landlord shall reimburse and indemnify Tenant for the cost of any repairs, restorations, or replacements required due to the acts or omissions of Landlord or its agents or employees and any costs or liabilities arising therefrom). All such repairs, restorations, and replacements will be in quality and class, as elected by Tenant, either equal to or better than the original work or installations and shall be in accordance with all applicable building codes; provided, however, nothing herein contained shall obligate or hold Tenant responsible for any repairs, restorations, or replacements to the Improvements required as a result of an event, act or omission that occurred or existed prior to the Commencement Date.

(b) Tenant may make any alterations, improvements, or additions to the Premises as Tenant may desire, if the alteration, improvement, or addition will not change the use of the Property as multifamily housing and there is no resulting reduction in housing units required at the Property, or permanent reduction of Project amenities and such alterations, improvements or additions to the Premises comply with applicable law and do not impair the value of the Project. Tenant shall, prior to commencing any such actions, give notice to Landlord and provide Landlord with complete plans and specifications therefor.

(c) Tenant will cause the Improvements to be substantially completed no later than twenty-four (24) months from the Commencement Date, which date will be reasonably extended for casualty or other *Force Majeure* events beyond the reasonable control of Tenant, or any later date permitted pursuant to the terms of a Permitted Leasehold Mortgage or otherwise by the secured party under any Permitted Leasehold Mortgage..

5.4. Compliance with Law.

(a) Tenant shall, at its expense, perform all its activities on the Premises in compliance, and shall cause all occupants of any portion thereof to comply, with all applicable laws (including but not limited to section 255.05, Florida Statutes), ordinances, codes and regulations affecting the Premises or its uses, as the same may be administered by authorized governmental officials.

(b) Without limitation of the foregoing, but expressly subject to the provisions of Section 5.4, Tenant agrees to fulfill the responsibilities set forth below with respect to environmental matters:

1. Tenant shall operate the Premises in compliance with all Environmental Laws applicable to Tenant relative to the Premises and shall identify, secure and maintain all required governmental permits and licenses as may be necessary for the Premises. All required governmental permits and licenses issued to Tenant and associated with the Premises shall remain in effect or shall be renewed in a timely manner, and Tenant shall comply therewith and cause all third parties to comply therewith. All Hazardous Substances present, handled, generated or used on the Premises will be managed, transported and disposed of in a lawful manner. Tenant shall not knowingly permit the Premises or any portion thereof to be a site for the use, generation, treatment, manufacture, storage, disposal or transportation of Hazardous Substances, except in such amounts as are ordinarily used, stored or generated in similar projects, or otherwise knowingly permit the presence of Hazardous Substances in, on or under the Premises in violation of any applicable law.
2. Tenant shall promptly provide Landlord with copies of all forms, notices and other information concerning any releases, spills or other incidents relating to Hazardous Substances or any violations of Environmental Laws at or relating to the Premises upon discovery of such releases, spills or incidents, when received by Tenant from any government agency or other third party, or when and as supplied to any government agency or other third party.

5.5. Ownership of Improvements/Surrender of Premises.

At all times during the Term, Tenant shall be deemed to exclusively own the Improvements and the Personal Property for federal and state tax purposes, and Tenant alone shall be entitled to all of the tax attributes of ownership thereof, including, without limitation, the right to retain any and all rental income and appreciation gain, the right to claim depreciation or cost recovery deductions and the right to claim the low-income housing tax credit described in Section 42 of the Code, with respect to the Improvements and the Personal Property, and Tenant shall have the right to amortize capital costs and to claim any other federal and/or state tax benefits attributable to the Improvements and the Personal Property. At the expiration or earlier termination of the Term of this Lease or any portion thereof, Tenant shall peaceably leave, quit and surrender the Premises, and the Improvements thereon (or the portion thereof so terminated), subject to the rights of tenants in possession of residential units under leases with Tenant, provided that such tenants are not in default thereunder and attorn to Landlord as their lessor. Upon such expiration or termination, the Premises (or portion thereof so terminated) shall become the sole property of Landlord at no cost to Landlord and shall be free of all liens and encumbrances and in the condition set forth in Section 5.3 (consistent with prudent and appropriate property management and maintenance during the Term) and, in the event of a casualty, to the provisions of Article VI. Tenant acknowledges and agrees that upon the expiration or sooner termination of this Lease any and all rights and interests it may have either at law or in equity to the Premises shall immediately cease. Notwithstanding the foregoing, if as of the Commencement Date Tenant and Landlord have entered into a Right of First Refusal, Right of First Offer, and/or Purchase Option for Landlord to be able to purchase the improvements or acquire the improvements, then the terms of any such agreements shall control.

5.6. Easements.

Landlord agrees that Landlord shall not unreasonably withhold, condition or delay its consent, and shall join with Tenant from time to time during the Term in the granting of easements affecting the Premises which are for the purpose of providing utility services for the Premises. If any monetary consideration is received by Tenant as a result of the granting of any such easement, such consideration shall be paid to Landlord. As a condition precedent to the exercise by Tenant of any of the powers granted to Tenant in this Section, Tenant shall give notice to Landlord of the action to be taken, and shall certify to Landlord, that in Tenant's opinion such action will not adversely affect either the market value of the Premises or the use of the Premises for the Development.

5.7. Transfer; Conveyance; Assignment.

(a) Except as otherwise permitted hereunder, Tenant agrees for itself and its successors and assigns in interest hereunder that it will not (1) assign this Lease or any of its rights under this Lease as to all or any portion of the Premises generally, or (2) make or permit any voluntary or involuntary total or partial sale, lease, assignment, conveyance, mortgage (provided, however, that any refinancing of any Permitted Leasehold Mortgage is permitted, pursuant to Section 8.9), pledge, encumbrance or other transfer of any or all of the Premises, or the Improvements, or the occupancy and use thereof, other than in accordance with the Applicable Public Housing and/or RAD Requirements and this Lease (including, but not limited to (i) any sale at foreclosure or by the execution of any judgment of any or all of Tenant's rights hereunder, or (ii) any transfer by operation of law), without first obtaining Landlord's express written consent thereto, which shall not be unreasonably withheld. For avoidance of doubt, Landlord's consent shall not be required for transfers of partnership interests in Tenant.

(b) If applicable, Tenant shall have the right to enter a sublease of any part of the premises (a "Sublease") to an entity that is affiliated with Tenant, subject to the approval and consent of Landlord, which will not be unreasonably withheld. Additionally, no Sublease shall relieve Tenant of any obligations under the terms of this Lease unless a release is granted by Landlord. Additionally, each Sublease must be for a use compatible with the standards and requirements set forth in this Section 5 or for low-income or special needs affordable housing. Tenant must give written notice to Landlord specifying the name and address of any Sublessee to which all notices required by this Lease shall be sent, and a copy of the Sublease. Tenant shall provide Landlord with copies of all Subleases entered into. Landlord agrees to grant Non-Disturbance Agreements for any Sublessee which will provide that in the event of a termination of this Lease which applies to the portion of the Premises covered by such Sublease, due to an Event of Default committed by the Tenant, such Sublessee will not be disturbed and will be allowed to continue peacefully in possession directly under this Lease as the successor tenant, provided that the Sublessee shall be in compliance with the terms and conditions of its Sublease; and the Sublessee shall agree to attorn to Landlord. Landlord further agrees that it will grant such assurances to such Sublessee so long as it remains in compliance with the terms of its Sublease, and provided further that any such Sublease does not extend beyond the expiration of the Term of this Lease.

(c) In the event Tenant's Sublessee is successful in obtaining LIHTC for that portion of the Premises which is subject to the Sublease, but Tenant is not successful in obtaining LIHTC for the portion of the property not subleased and remaining subject to this Lease, Landlord and Tenant agree to modify this Lease so as to make it a direct lease between Landlord and the Sublessee, for the subleased Premises.

5.8. Creating Sustainable Buildings.

(1) (a) The proposed improvements are subject to the County’s Sustainable Buildings Program provisions in Chapter 9 of the Code of Miami-Dade County, Sections 9-71 through 9-75 together with Miami-Dade County Implementing Order IO 8-8, as managed by Miami-Dade County Office of Resilience within the Regulatory and Economic Resources Department. The Tenant shall design the Development to be consistent with a Silver certification rating from the U.S. Green Building Council’s Leadership in Energy and Environmental Design (“LEED”) or National Green Building Standards (*NGBS*), as required by County Implementing Order 8-8. Pursuant to Implementing Order 8-8, the requirement for applying the appropriate LEED Silver standard may be modified due to special circumstances of the Development. Such modification shall be for the express purpose of ensuring the use of the most appropriate or relevant rating standard, and shall not, in any way, exempt the requirement to apply green building practices to the maximum extent possible. This substitution process shall be administered by and through the County’s Office of Resilience Sustainability Manager.

(b) The LEED Silver certification or designation relative to the Development is outlined by the U.S. Green Building Council. Tenant agrees to regularly provide Landlord with copies of any and all records and/or reports (including but not limited to any approvals, rejections and/or comments) from the neutral and independent third-party reviewing the Development relative to the LEED Silver designation from the U.S. Green Building Council or certification from the *NGBS*.

(c) Further, the LEED Silver certification or designation or *NGBS* certification is a description or label designed to establish the level of energy efficiency and sustainability for Buildings and Improvements of the overall Development; and should substantially improve the “normal” or “regular” energy efficiency and indoor air quality for the overall Development. Beyond these environmentally responsible steps, Tenant specifically agrees to consider additional steps or means to improve and/or protect the environment with regard to the Development, and to inform Landlord of any and all such additional methods or ways that Tenant will utilize “green building standards” in the design and construction of the overall Development in an effort to achieve the important goals of creating a healthy place to work as well as an environmentally responsible development in the community. Tenant’s decision whether to incorporate or adopt any such additional steps or means shall be made in Tenant’s sole and absolute discretion. Other specific requirements include:

(d) Energy-efficient reflective roofs or green roofs are also specifically required per Miami-Dade County Resolution No. R-1103-10; and

(e) Electric Vehicle (EV) charging stations are required per Miami-Dade County Resolution No. R-1101-15.

5.9. Sea Level Rise and Heat Resilience.

In accordance with Miami Dade Board of County Commissioners (BCC) Resolution R-451-14, the Tenant shall be required to consider sea level rise projections and potential impacts as best estimated at the time of the Projects, using regionally consistent unified sea level rise projections and sea level rise data mapping websites, during all project phases

including but not limited to planning, design, and construction, to ensure that the Projects will function properly for fifty (50) years or the design life of the projects, whichever is greater.

The Tenant shall provide a comprehensive landscape plan for all open spaces that meets or exceeds the minimum standards described in the Miami-Dade County Landscaping Ordinance Chapters 18A and 18B and aligns with the Landscape Manual, while also complying with any municipal landscape code requirements, in a way that reduces building energy use intensity, aids onsite stormwater management, and expands existing tree canopy to increase community resilience to extreme heat while also enhancing overall appearance. In accordance with CDMP Policy LU-8I, the Tenant is encouraged to incorporate additional heat mitigation elements into the project including porous pavements, cool roofs, and high albedo surfaces. The Tenant will be required to consult with all appropriate County departments and plans will need to be in accordance with Miami-Dade County Implementing Order IO 8-8 and approved by Miami Dade HCD Department.

5.10. E-Verify Requirements.

The Tenant shall comply with the requirements of E-Verify as more fully described in Exhibit D attached hereto and incorporated herein by reference.

5.11. Safety Standards and Regulations.

The Tenant shall be required to comply with the Occupational Safety and Health Administration (OSHA) requirements. Precautions shall always be exercised for the protection of persons and property. The equipment being offered by the Tenant shall be the most recent model available. Any optional components which are required in accordance with the specifications of the project shall be considered standard equipment for the purposes of this lease. Demonstrator models will not be accepted. Omission of any essential detail from the specifications of the project does not relieve the Tenant from furnishing a complete unit. The equipment shall conform to all applicable Federal (including OSHA), State, and local safety requirements. All components (whether primary or ancillary) of the delivered equipment shall be in accordance with current Society of Automotive Engineering (SAE) standards and recommended practices, as applicable. The engineering, materials, and workmanship associated with the Tenant's performance hereunder shall exhibit a high-level of quality and appearance consistent with or exceeding industry standards.

The Tenant, Contractor and Sub-Contractors performing services under this lease shall conform to all relevant OSHA requirements, Federal, State and County regulations, and County department's safety procedures during the course of such effort. Any fines levied by the abovementioned authorities for failure to comply with these requirements shall be borne solely by the responsible Tenant. Furthermore, the Federal "Right to Know" Regulation implemented by OSHA requires employers to inform their employees of any toxic substances which they may be exposed to in the workplace, and to provide training in safe handling practices and emergency procedures. It also requires notification to local

fire departments of the location and characteristics of all toxic substances regularly present in the workplace. Accordingly, the Tenant performing under this lease shall provide two complete sets of Material Safety Data Sheets to each County Department utilizing the awarded products. This information should be provided at the time when the initial delivery is made, on a department-by-department basis. For additional information on the Federal Right to Know Regulation, contact OSHA at <https://www.osha.gov/>.

5.12. Contracting with Entities of Foreign Countries of Concern.

By entering into this Lease, Tenant affirms that it is not in violation of Section 287.138, Florida Statutes, titled Contracting with Entities of Foreign Countries of Concern Prohibited. Tenant further affirm that it is not giving a government of a Foreign Country of Concern, as listed in Section 287.138, Florida Statutes, access to an individual's personal identifying information if: a) Tenant is owned by a government of a Foreign Country of Concern; b) the government of a Foreign Country of Concern has a controlling interest in Tenant; or c) Tenant is organized under the laws of or has its principal place of business in a Foreign Country of Concern as is set forth in Section 287.138(2)(a)-(c), Florida Statutes. This affirmation by the Tenant shall be in the form attached to this Lease as Contracting with Entities of Foreign Countries of Concern Prohibited Affidavit, which is attached hereto as Exhibit E and incorporated herein by reference.

5.13. Human Trafficking.

By entering into, amending, or renewing this Lease, including, without limitation, a grant agreement or economic incentive program payment agreement (all referred to as the "Lease"), as applicable, the Tenant is obligated to comply with the provisions of Section 787.06, Florida Statutes ("F.S."), "Human Trafficking," as amended, which is deemed as being incorporated by reference in this Lease. All definitions and requirements from Section 787.06, F.S., apply to this Lease.

This compliance includes the Tenant providing an affidavit that it does not use coercion for labor or services. This attestation by the Tenant shall be in the form attached to this Lease as Exhibit H, Kidnapping, Custody Offenses, Human Trafficking and Related Offenses Affidavit (the "Affidavit"), and must be executed by the Tenant and provided to the County when entering, amending, or renewing this Lease.

This Lease shall be void if the Tenant submits a false Affidavit pursuant to Section 787.06 F.S., as amended, or Tenant violates Section 787.06 F.S., as amended, during the term of this Lease, even if the Tenant was not in violation at the time it submitted its Affidavit.

ARTICLE VI

CASUALTY AND TAKING

6.1. Casualty.

Casualty Damage. In the event the Premises should be destroyed or damaged by fire, windstorm, or other casualty to the extent that the Premises is rendered unfit for the intended purpose of Tenant, Tenant may cancel this Lease after thirty (30) days' notice to Landlord, but only after removing any trash and/or debris therefrom, subject to the terms and provisions of any Permitted Leasehold Mortgage, and with the Consent of the Investor (if the Investor (or any successor or assign thereof) is then a partner in Tenant). If the Premises is partially damaged due to any other reason than the causes described immediately above, but the Premises is not rendered unusable for Tenant's purposes subject to the terms and provisions of any Permitted Leasehold Mortgage, or Tenant elects not to terminate the Lease in accordance with the preceding sentence, the same shall be repaired by Tenant to the extent Tenant receives sufficient proceeds to complete such repairs from its insurance carrier under its insurance policy; provided, however, that Tenant's obligation to rebuild is strictly limited to the amount of available insurance proceeds (plus the amount of any deductibles). Any such repairs will be completed within a reasonable time after receipt of such proceeds. If the damage to the Premises shall be so extensive as to render it unusable for Tenant's purposes but shall nonetheless be capable of being repaired within One Hundred Twenty (120) days, subject to the terms and provisions of any Permitted Leasehold Mortgage the damage shall be repaired with due diligence by Tenant to the extent Tenant receives sufficient proceeds under its insurance policy to complete such repairs. In the event that a nearby structure(s) or improvement(s) is damaged or destroyed due to Tenant's sole negligence, Tenant shall be solely liable and responsible to repair and/or compensate the owner for such damage or loss.

Notwithstanding anything contained in this Section 6.1, or otherwise in this Lease to the contrary, as long as the Tenant's leasehold interest is encumbered by any Permitted Leasehold Mortgage, this Lease shall not be terminated by Landlord or Tenant in the event that the Premises is partially or totally destroyed, and, in the event of such partial or total destruction, all insurance proceeds from casualty insurance as provided herein shall be paid to and held by the Permitted Leasehold Mortgagee holding the most senior priority lien interest in the Premises (the "Senior Permitted Leasehold Mortgagee"), or an insurance trustee selected by the Senior Permitted Leasehold Mortgagee to be used for the purpose of restoration or repair of the Premises, subject to the terms of the Permitted Leasehold Mortgage granted to the Senior Permitted Leasehold Mortgagee (the "Senior Permitted Leasehold Mortgage") and other loan documents between Tenant and the Senior Permitted Leasehold Mortgagee (the "Senior Mortgagee Loan Documents"). For the avoidance of doubt, the Senior Permitted Leasehold Mortgagee as of the Lease Date is Wells Fargo Bank, National Association. The Senior Permitted Leasehold Mortgagee shall have the right to participate in adjustment of losses as to casualty insurance proceeds and any settlement discussion relating to casualty or condemnation. Tenant will not be entitled to any hazard insurance proceeds unless and until the indebtedness secured by the Senior Permitted Leasehold Mortgagee has been repaid. Any obligation of the Tenant to restore the Premises following a casualty under this lease is limited to the amount of insurance proceeds made available to the Tenant. For so long as the indebtedness secured by the Senior Permitted Leasehold Mortgagee remains outstanding, only the Senior Permitted Leasehold Mortgagee and the Tenant will have any rights regarding the restoration of the Premises following a casualty. Landlord shall not have any approval or consent rights regarding the administration and disbursement of hazard insurance proceeds.

6.2. Taking.

(a) Notice of Taking. Upon receipt by either Landlord or Tenant of any notice of Taking, or the institution of any proceedings for Taking the Premises, or any portion thereof, the party receiving such notice shall promptly give notice thereof to the other and to the Investor (if the Investor (or any successor or assign thereof) is then a partner in Tenant), and such other party may also appear in such proceeding and may be represented by an attorney.

(b) Award. Subject to the terms of the Permitted Leasehold Mortgages (as defined in Section 8.9), the Landlord and the Tenant agree that, in the event of a Taking that does not result in the termination of this Lease pursuant to Section 6.2(d) or 6.2(e), this Lease shall continue in effect as to the remainder of the Premises, and the net amounts owed or paid to the Landlord or pursuant to any agreement with any condemning authority which has been made in settlement of any proceeding relating to a Taking, less any costs and expenses incurred by the Landlord in collecting such award or payment (the "**Award**") will be disbursed in accordance with Section 6.2(d) or 6.2(e) (as the case may be) to the Landlord and/or Tenant. The Tenant and, to the extent permitted by law, the Senior Permitted Leasehold Mortgagee, shall have the right to participate in negotiations of and to approve any such settlement with a condemning authority. The Award shall be paid to and held by the Senior Permitted Leasehold Mortgagee, or an insurance trustee selected by the Senior Permitted Leasehold Mortgagee to be used for the purpose of restoration or repair of the Premises, subject to the Senior Permitted Leasehold Mortgage and the Senior Mortgagee Loan Documents.

(c) [Intentionally omitted]

(d) Total Taking. In the event of a permanent Taking of the fee simple interest or title of the Premises, or control of the entire leasehold estate hereunder (a "**Total Taking**"), this Lease shall thereupon terminate as of the effective date of such Total Taking, without liability or further recourse to the parties, provided that each party shall remain liable for any obligations required to be performed prior to the effective date of such termination and for any other obligations under this Lease which are expressly intended to survive termination. The Taking of any portion of the Improvements, fifteen percent (15%) or more of the then existing parking area, the loss of the rights of ingress and egress as then established or the loss of rights to use any easement benefitting the Premises, shall be, at Tenant's election, but not exclusively considered, such a substantial taking as would render the use of the Premises not suitable for Tenant's use. Notwithstanding any provision of the Lease or by operation of law that leasehold improvements may be or shall become the property of Landlord at the termination of the Lease, the loss of the Improvements, the loss of Tenant's leasehold estate in the Land (subject to the terms of this Lease) and such additional relief as may be provided by law shall be the basis of Tenant's damages against the condemning authority if a separate claim therefore is allowable under applicable law, or the basis of Tenant's damages to a portion of the total award if only one award is made.

(e) Partial Taking. In the event of a permanent Taking of less than all of the Premises (a "**Partial Taking**"), if Tenant reasonably determines that the continued development, use or occupancy of the remainder of the Premises by Tenant cannot reasonably be made to be economically viable or structurally sound, then Tenant may terminate this Lease with the prior written consent of the Investor (if the Investor (or any successor or assign thereof) is then a partner in Tenant) and the Senior Permitted Leasehold Mortgagee, and the Tenant's portion of the Award shall be paid to Tenant, provided that any and all obligations of Tenant have been fully and completely complied with by Tenant as of the date of

said Partial Taking. If Tenant shall not elect to terminate this Lease, Tenant shall be entitled to a reduction of rent of such amount as shall be just and equitable and Tenant shall be permitted to rebuild or restore the Premises. Subject to the terms of the Permitted Leasehold Mortgages, if there is a Partial Taking and the Tenant does not terminate this Lease, the Tenant shall be entitled to receive and retain an equitable portion of the Award and shall apply such portion of the Award necessary to repair or restore the Premises or the Improvements as nearly as possible to the condition the Premises or the Improvements were in immediately prior to such Partial Taking. Subject to the terms of the Permitted Leasehold Mortgages, if there is a Partial Taking of the Premises, the portion of the Award paid to the Tenant shall be no less than the total value of the Award, less the value of the Land that was taken pursuant to the condemnation (valued as unimproved land, encumbered by the Lease). Notwithstanding any provision of the Lease or by operation of law that leasehold improvements may be or shall become the property of Landlord at the termination of the Lease, the loss of the building and other improvements paid for by Tenant, the loss of Tenant's leasehold estate in the portion of the Land that was taken, and such additional relief as may be provided by law shall be the basis of Tenant's damages against the condemning authority if a separate claim therefore is allowable under applicable law, or the basis of Tenant's damages to a portion of the total award if only one award is made. For so long as the indebtedness secured by the Senior Permitted Leasehold Mortgage remains outstanding, only the Senior Permitted Leasehold Mortgagee and the Tenant will have any rights regarding the portion of the Award which the Tenant is entitled to. Landlord shall not have any approval or consent rights regarding the administration and disbursement of the Award.

(f) Resolution of Disagreements. Should Landlord and Tenant be unable to agree as to the division of any singular award or the amount of any reduction of rents and other charges payable by Tenant under the Lease, such dispute shall be submitted for resolution to the court exercising jurisdiction of the condemnation proceedings, each party bearing its respective costs for such determination. Landlord shall not agree to any settlement in lieu of condemnation with the condemning authority without Tenant's consent.

(g) No Existing Condemnation. Landlord represents and warrants that as of the Lease Date it has no actual or constructive knowledge of any proposed condemnation of any part of the Premises. In the event that subsequent to the Lease Date, but prior to the Commencement Date, a total or partial condemnation either permanent or temporary, is proposed by any competent authority, Tenant shall be under no obligation to commence or continue construction of the building and other improvements and rent and other charges, if any, payable by Tenant under the Lease shall abate until such time as it can be reasonably ascertained that the Premises shall not be so affected. In the event the Premises is so affected, Tenant shall be entitled to all rights, damages and awards pursuant to the appropriate provisions of this Lease.

6.3. Termination upon Non-Restoration. Following a Partial Taking, if a decision is made pursuant to this Article VI that the remaining portion of the Premises is not to be restored, and Tenant shall have determined that the continued development, use or occupancy of the remainder of the Premises by Tenant cannot be made economically viable or structurally sound, Tenant shall surrender the entire remaining portion of the Premises to Landlord and this Lease shall thereupon be terminated without liability or further recourse to the parties hereto, provided that any Rent, impositions and other amounts payable or obligations hereunder owed by Tenant to Landlord as of the date of the Partial Taking shall be paid in full. Notwithstanding the above, in no event shall either Landlord or Tenant exercise any right to terminate this Lease without the prior written

consent of the Investor (if the Investor (or any successor or assign thereof) is then a partner in Tenant) and all Permitted Leasehold Mortgagees.

ARTICLE VII

CONDITION OF PREMISES

7.1. Condition; Title. The Premises are demised and let in an “as is” condition as of the Commencement Date. The Premises are demised and let to Tenant subject to: As-Is. Notwithstanding anything to the contrary contained herein, upon Tenant taking possession of the Premises, Tenant shall be deemed to have accepted the Premises in its “as-is” and “where-is” condition, with any and all faults, and with the understanding that the Landlord has not offered any implied or expressed warranty as to the condition of the Premises and/or as to it being fit for any particular purpose, provided, however, that the foregoing shall not in any way limit, affect, modify or otherwise impact any of Landlord’s representations, warranties and/or obligations contained in this Lease.

7.2. Tenant shall, within thirty (30) days following the Lease Date, have the right to obtain a title commitment to insure Tenant’s leasehold interest in the Premises. Tenant shall advise Landlord as to any title matters that Tenant deems objectionable and Landlord shall address same in accordance with Section 7.3, below.

7.3. No Encumbrances. Landlord covenants that Landlord has full right and lawful authority to enter into this Lease in accordance with the terms hereof and to grant the estate demised hereby. Landlord represents and warrants that there are no existing mortgages, deeds of trust, easements, liens, security interests, encumbrances and/or restrictions encumbering Landlord’s fee interest in the Land other than the Permitted Encumbrances. Landlord’s fee interest shall not hereafter be subordinated to, or made subject to, any mortgage, deed of trust, easement, lien, security interest, encumbrance and/or restriction except for an encumbrance that expressly provides that it is and shall remain subject and subordinate at all times in lien, operation and otherwise to this Lease and to all renewals, modifications, amendments, consolidations and replacements hereof (including new leases entered into pursuant to the terms hereof and extensions). Notwithstanding the foregoing, if Tenant acquires the fee interest to the Land during the Term from the Landlord or Landlord’s successor in title, the fee interest shall be subject to the Permitted Leasehold Mortgagees. Under no circumstances, shall Landlord encumber the Land by mortgage or deed of trust without obtaining the prior written consent of Tenant, the Investor, and any Permitted Leasehold Mortgagee. Landlord covenants that it will not encumber or lien the title of the Premises or cause or permit said title to be encumbered or liened in any manner whatsoever, and Tenant may reduce or discharge any such encumbrance or lien by payment or otherwise at any time after giving thirty (30) days’ written notice thereof to Landlord. Tenant may recover or recoup all costs and expenses thereof from Landlord if the Landlord fails to discharge any such encumbrance within the said thirty (30) day period. Such recovery or recoupment may, in addition to all other remedies, be made by setting off against the amount of Rent payable by Tenant hereunder. Landlord and Tenant agree to work cooperatively together to create such easements and rights of way as may be necessary or appropriate for the Premises.

7.4. Landlord's Title and Quiet Enjoyment. Landlord represents and warrants that Landlord is seized in fee simple title to the Premises, free and clear and unencumbered, other than as affected by the Permitted Encumbrances. Landlord covenants that, so long as Tenant pays rent and performs the covenants herein contained on its part to be paid and performed, Tenant will have lawful, quiet and peaceful possession and occupancy of the Premises and all other rights and benefits accruing to Tenant under the Lease throughout the Term, without hindrance or molestation by or on the part of Landlord or anyone claiming through Landlord. Landlord further represents and warrants that it has good right, full power and lawful authority to enter into this Lease. Tenant shall have the right to order a title insurance commitment on the Premises. In the event the title insurance commitment shall reflect encumbrances or other conditions not acceptable to Tenant ("Defects"), then, Landlord, upon notification of the Defects, shall immediately and diligently proceed to cure same and shall have a reasonable time within which to cure the Defects. If, after the exercise of all reasonable diligence, Landlord is unable to clear the Defects, then Tenant may accept the Defects or Tenant may terminate the Lease and the parties shall be released from further liability, so long as Tenant is not in default hereunder beyond any grace period applicable thereto, Tenant's possession of the Premises will not be disturbed by Landlord, its successors and assigns.

Notwithstanding Section 7.3 above, Landlord and its agents, upon reasonable prior notice to Tenant, shall have the right to enter the Premises for purposes of reasonable inspections performed during reasonable business hours in order to assure compliance by Tenant with its obligations under this Lease.

ARTICLE VIII

DEFAULTS AND TERMINATION

8.1. Default.

The occurrence of any of the following events shall constitute an event of default (*Event of Default*) hereunder:

(a) if Tenant fails to pay when due any Rent or other impositions due hereunder pursuant to Article III (except where such failure is addressed by another event described in this Section 8.1 as to which lesser notice and grace periods are provided), and any such default shall continue for thirty (30) days after the receipt of written notice thereof by Tenant from Landlord; or

(b) if Tenant fails in any material respect to observe or perform any covenant, condition, agreement or obligation hereunder not addressed by any other event described in this Section 8.1, and shall fail to cure, correct or remedy such failure within thirty (30) days after the receipt of written notice thereof, unless such failure cannot be cured by the payment of money and cannot with due diligence be cured within a period of thirty (30) days, in which case such failure shall not be deemed to continue if Tenant proceeds promptly and with due diligence to cure the failure and diligently completes the curing thereof within a reasonable period of time; provided, however, that for such time as Landlord or its affiliate is the management agent retained by Tenant, Tenant shall not be in default hereunder due to actions or inactions taken by Landlord or its affiliate in its capacity as the management agent; or

(c) If any representation or warranty of Tenant set forth in this Lease, in any certificate delivered pursuant hereto, or in any notice, certificate, demand, submittal or request delivered to Landlord by Tenant pursuant to this Lease shall prove to be incorrect in any material and adverse respect as of the time when the same shall have been made and the same shall not have been remedied to the reasonable satisfaction of Landlord within thirty (30) days after notice from Landlord; or

(d) if Tenant shall be adjudicated bankrupt or be declared insolvent under the Federal Bankruptcy Code or any other federal or state law (as now or hereafter in effect) relating to bankruptcy, insolvency, reorganization, winding-up or adjustment of debts (collectively called **Bankruptcy Laws**), or if Tenant shall (a) apply for or consent to the appointment of, or the taking of possession by, any receiver, custodian, trustee, United States Trustee or Tenant or liquidator (or other similar official) of Tenant or of any substantial portion of Tenant's property; (b) admit in writing its inability to pay its debts generally as they become due; (c) make a general assignment for the benefit of its creditors; (d) file a petition commencing a voluntary case under or seeking to take advantage of a Bankruptcy Law; or (e) fail to controvert in a timely and appropriate manner, or in writing acquiesce to, any petition commencing an involuntary case against Tenant pursuant to any bankruptcy law; or

(e) if an order for relief against Tenant shall be entered in any involuntary case under the Federal Bankruptcy Code or any similar order against Tenant shall be entered pursuant to any other Bankruptcy Law, or if a petition commencing an involuntary case against Tenant or proposing the reorganization of Tenant under the Federal Bankruptcy Code shall be filed in and approved by any court of competent jurisdiction and not be discharged or denied within ninety (90) days after such filing, or if a proceeding or case shall be commenced in any court of competent jurisdiction seeking (a) the liquidation, reorganization, dissolution, winding-up or adjustment of debts of Tenant, (b) the appointment of a receiver, custodian, trustee, United States Trustee or liquidator (or other similar official of Tenant) of any substantial portion of Tenant's property, or (c) any similar relief as to Tenant pursuant to Bankruptcy Law, and any such proceeding or case shall continue undismissed, or any order, judgment or decree approving or ordering any of the foregoing shall be entered and continued unstayed and in effect for ninety (90) days; or

(f) Tenant vacates or abandons the Premises or any substantial part thereof for a period of more than thirty (30) consecutive days (or, if applicable, such longer period as may be permitted in accordance with Section 6.1 or 6.2); or

(g) This Lease, the Premises or any part thereof are taken upon execution or by other process of law directed against Tenant, or are taken upon or subjected to any attachment by any creditor of Tenant or claimant against Tenant (in each case, excluding any Taking), and such attachment is not stayed or discharged within ninety (90) days after its levy; or

(h) Tenant makes any sale, conveyance, assignment or transfer in violation of this Lease.

8.2. Remedies for Tenant's Default.

Upon or after the occurrence of any Event of Default which is not cured within any applicable cure period, and so long as same remains uncured, Landlord may terminate this Lease by providing not

less than thirty (30) days' written notice (which notice may be contemporaneous with any notice provided under Section 8.1) to Tenant (with a copy simultaneously sent to the Investor), setting forth Tenant's uncured, continuing default and Landlord's intent to exercise its rights to terminate, whereupon this Lease shall terminate on the termination date therein set forth unless Tenant's default has been cured before such termination date (or, as applicable, Tenant has commenced the cure and diligently prosecutes the cure to completion). Upon such termination, Tenant's interest in the Premises shall automatically revert to Landlord, Tenant shall promptly quit and surrender the Premises to Landlord, without cost to Landlord, and Landlord may, without demand and further notice, reenter and take possession of the Premises, or any part thereof, and repossess the same as Landlord's former estate by summary proceedings, ejectment or otherwise without being deemed guilty of any manner of trespass and without prejudice to any remedies which Landlord might otherwise have for arrearages of Rent or other impositions hereunder or for a prior breach of the provisions of this Lease. The obligations of Tenant under this Lease which arose prior to termination shall survive such termination.

8.3. Termination. Termination by Landlord: The occurrence of any of the following shall give Landlord the right to terminate this Lease upon the terms and conditions set forth below:

- (a) Tenant fails to (i) obtain HUD approval of all applicable evidentiary documents and a disposition by HUD to occur by the Commencement Date, (ii) cause the Commencement Date to occur within eleven (11) months following the Lease Date, and (iii) meet the timeframes/milestones as described in Exhibit C as such timeframes/milestones may be extended by the Landlord.
- (b) Institution of proceedings in voluntary bankruptcy by the Tenant.
- (c) Institution of proceedings in involuntary bankruptcy against the Tenant if such proceedings continue for a period of Ninety (90) days or more.
- (d) Assignment of Lease by Tenant for the benefit of creditors.
- (e) A final determination of termination of this Lease in a court of law in favor of the Landlord in litigation instituted by the Tenant against the Landlord, or brought by the Landlord against Tenant.
- (f) Tenant's failure to cure, within thirty (30) days following Tenant's receipt of written notice from Landlord with respect to Tenant's failure to cure a condition posing a threat to health or safety of the public or patrons (or such longer period if the default is not capable of being cured in such 30 day period), any Event of Default hereunder. The Investor shall have the right, but not the obligation, to cure any Event of Default (including any Regulatory Default) on behalf of Tenant. Any cure performed or tended by the Investor shall be accepted to the same extent as if performed or tendered by Tenant; provided, however, that the Investor's cure periods shall be tolled in the event of a bankruptcy or other legal proceeding that prevents the Investor from acting (including commencing to remove and replace the general partner of Tenant).

8.4. Remedies Following Termination. Upon termination of this Lease, Landlord may:

1. retain, at the time of such termination, any Rent or other impositions paid hereunder, without any deduction, offset or recoupment whatsoever; and
2. enforce its rights under any bond outstanding at the time of such termination; and
3. require Tenant to deliver to Landlord, or otherwise effectively transfer to Landlord any and all governmental approvals and permits, and any and all rights of possession, ownership or control Tenant may have in and to, any and all financing arrangements, plans, specifications, and other technical documents or materials related to the Premises.

8.5. Regulatory Default.

Notwithstanding anything herein to the contrary, the following shall apply to any default declared as a result of any failure by Tenant to comply with the provisions of Section 8.1:

Upon a determination by Landlord that Tenant has materially breached or defaulted on any of the obligations under Section 8.1 (a **Regulatory Default**), Landlord shall notify Tenant (and, if the Investor (or any successor or assign thereof) is then a partner in Tenant), with a copy simultaneously sent to the Investor) of (i) the nature of the Regulatory Default, (ii) the actions required to be taken by Tenant in order to cure the Regulatory Default, and (iii) the time, (a minimum of sixty (60) days or such additional time period as may be reasonable under the circumstances), within which Tenant shall respond with reasonable evidence to Landlord that all such required actions have been taken.

- (a) If Tenant shall have failed to respond or take the appropriate corrective action with respect to a Regulatory Default to the reasonable satisfaction of Landlord within the applicable time period, then Landlord shall have the right to terminate the Lease or seek other legal or equitable remedies as Landlord determines in its sole discretion; provided, however, that if prior to the end of the applicable time period, Tenant seeks a declaratory judgment or other order from a court having jurisdiction that Tenant shall not have incurred a Regulatory Default, Landlord shall not terminate this Lease during the pendency of such action.
- (b) In addition to and not in limitation of the foregoing, if Landlord shall determine that a Regulatory Default shall have occurred by reason of a default by Tenant's management agent, and that Tenant shall have failed to respond or take corrective action to the reasonable satisfaction of Landlord within the applicable cure period, then Landlord may require Tenant to take such actions as are necessary in order to terminate the appointment of the management agent pursuant to the terms of its management agreement and to appoint a successor management agent of the Premises.

8.6. Performance by Landlord.

If Tenant shall fail to make any payment or perform any act required under this Lease, Landlord may (but need not) after giving not less than thirty (30) (except in case of emergencies and except where a shorter time period is specified elsewhere in this Lease) days' notice to Tenant (and, if the Investor (or any successor or assign thereof) is then a partner in Tenant, with a copy simultaneously sent to the Investor) and without waiving any default or releasing Tenant from any obligations, cure such default for the account of Tenant. Tenant shall promptly pay Landlord the amount of such charges, costs and expenses as Landlord shall have incurred in curing such default.

8.7. Costs and Damages.

Tenant shall be liable to, and shall reimburse, Landlord for any and all actual reasonable expenditures incurred and for any and all actual damages suffered by Landlord in connection with any Event of Default, collection of Rent or other impositions owed under this Lease, the remedying of any default under this Lease or any termination of this Lease, unless such default or termination is caused by the default of Landlord, including all costs, claims, losses, liabilities, damages and expenses (including without limitation, reasonable attorneys' fees and costs) incurred by Landlord as a result thereof.

8.8. Remedies Cumulative.

The absence in this Lease of any enumeration of events of default by Landlord or remedies of either party with respect to money damages or specific performance shall not constitute a waiver by either party of its right to assert any claim or remedy available to it under law or in equity.

8.9 Permitted Leasehold Mortgages.

Neither the Tenant nor any permitted successor in interest to the Premises or any part thereof shall, without the prior written consent of the Landlord in each instance, engage in any financing or any other transaction creating any mortgage or other encumbrance or lien upon the Premises, whether by express agreement or operation of law, or suffer any encumbrance or lien to be made on or attach to the Premises, except for the Permitted Encumbrances and the leasehold mortgages securing the loans which will be obtained by Tenant for renovation of the Improvements and closed on or about the Commencement Date as shown on Tenant's leasehold owner's title insurance policy and the leasehold mortgages securing the loans for any subsequent permanent financing and any amendment or refinancing thereof (the "**Permitted Leasehold Mortgages**"). With respect to the Permitted Leasehold Mortgages, the following provisions shall apply:

- (a) When giving notice to the Tenant with respect to any default under the provisions of this Lease, the Landlord will also send a copy of such notice to the holder of each Permitted Leasehold Mortgage (each a "**Permitted Leasehold Mortgage**"), provided that each such Permitted Leasehold Mortgagee shall have delivered to the Landlord in writing a notice naming itself as the holder of a Permitted Leasehold Mortgage and registering the name and post office address to which all notices and other communications to it may be addressed. Attached as Exhibit C are the names and notice addresses of each initial Permitted Leasehold Mortgagee, which shall constitute the required notice to Landlord hereunder.

- (b) Each Permitted Leasehold Mortgagee shall be permitted, but not obligated, to cure any default by the Tenant under this Lease within the same period of time specified for the Tenant to cure such default. The Tenant authorizes each Permitted Leasehold Mortgagee to take any such action at such Permitted Leasehold Mortgagee's option and does hereby authorize entry upon the Premises for such purpose.
- (c) The Landlord agrees to accept payment or performance by any Permitted Leasehold Mortgagee, including expressly the cure of any default, as though the same had been done by the Tenant. . There shall be added to any cure period allowed by the terms of this Lease to Tenant for curing any default, an additional ten (10) days in the case of default in payment of money and an additional thirty (30) days in the case of all other defaults, for such Permitted Leasehold Mortgagee to cure the same beyond the time allowed to Tenant.
- (d) In the case of a default by the Tenant under this Lease other than in the payment of money, and provided that a Permitted Leasehold Mortgagee has commenced to cure the default and is proceeding with due diligence to cure the default, the Landlord shall be barred from terminating this Lease for a reasonable period of time (not to exceed 120 days from the date of the notice of default, unless (i) such cure cannot reasonably be completed within 120 days from the date of the notice of default, and (ii) a Permitted Leasehold Mortgagee continues to diligently pursue such cure to the reasonable satisfaction of the Landlord) within which time the Permitted Leasehold Mortgagee may either (i) obtain possession of the Premises (including possession by receiver); (ii) institute foreclosure proceedings and complete such foreclosure; or (iii) otherwise acquire the Tenant's interest under this Lease. Without limitation, the Permitted Leasehold Mortgagee's cure period shall be tolled during the pendency of any foreclosure proceedings commenced during the 120 day cure period and diligently pursued. The Permitted Leasehold Mortgagee shall not be required to continue such possession or continue such foreclosure proceedings if the default which was the subject of the notice shall have been cured. Notwithstanding the foregoing, the Landlord will be barred from terminating this Lease in the event such Permitted Leasehold Mortgagee is enjoined or stayed in such possession or such foreclosure proceedings, including by reason of bankruptcy or other legal proceedings, and provided that the Permitted Leasehold Mortgagee has delivered to Landlord copies of any and all orders enjoining or staying such action, in which event such Permitted Leasehold Mortgagee shall have such additional time as is required for such Permitted Leasehold Mortgagee to complete steps to acquire or sell Tenant's leasehold estate and interest in this Lease by foreclosure of its Permitted Leasehold Mortgage or by other appropriate means with due diligence; however, nothing in this Section shall be construed to extend this Lease beyond the Term. Notwithstanding anything in this Section to the contrary, Landlord shall have no right to terminate this Lease without the prior written consent of the Senior Permitted Leasehold Mortgagee.. Notwithstanding anything to the contrary contained herein, Senior Permitted Leasehold Mortgagee shall not have any personal liability for the payment and performance of the obligations of

Tenant under this Lease except in the event of a transfer through foreclosure or deed-in-lieu of foreclosure by which the Senior Permitted Leasehold Mortgagee (or its assignee) acquires the Development and all of Tenant's rights, and interests under this Lease from the Tenant, in which case the Senior Permitted Leasehold Mortgagee's (or said assignee's) liability for obligations under this Lease shall be limited to its interest in the Development and further limited to only those obligations first accruing after the date the Senior Permitted Leasehold Mortgagee (or its assignee) takes title to the Development and assumes this Lease through such foreclosure (or deed-in-lieu), and Senior Permitted Leasehold Mortgagee (or its assignee) shall not be liable for forward-looking lease obligations upon said transfer of interest. Notwithstanding the foregoing, Senior Permitted Leasehold Mortgagee (or its assignee) shall take title to the Development and assumes this Lease through such foreclosure (or deed-in-lieu) and shall comply with the RAD requirements.

- (e) Landlord hereby consents to the exercise by a Permitted Leasehold Mortgagee of any of its rights under the Permitted Leasehold Mortgage, including the right of foreclosure. Any Permitted Leasehold Mortgagee or other acquirer of Tenant's leasehold estate and interest in this Lease pursuant to foreclosure, an assignment in lieu of foreclosure or other proceedings, any of which are permitted without the Landlord's consent, may, upon acquiring the Tenant's leasehold estate and interest in this Lease, without further consent of the Landlord and without HUD's consent, unless otherwise required by RAD Requirements (if and as applicable), sell and assign the leasehold estate and interest in this Lease on such terms and to such persons and organizations as are acceptable to such Permitted Leasehold Mortgagee or acquirer and thereafter be relieved of all obligations under this Lease, provided such assignee has delivered to the Landlord its written agreement to be bound by all of the provisions of this Lease. Permitted Leasehold Mortgagee, or its nominee or designee, shall also have the right to further assign, sublease or sublet all or any part of the leasehold interest hereunder to a third party without the consent or approval of Landlord.
- (f) In the event of a termination of this Lease prior to its stated expiration date, the Landlord will enter into a new lease for the Premises with the Permitted Leasehold Mortgagee (or its nominee), for the remainder of the Term, effective as of the date of such termination, at the same Rent payment and subject to the same covenants and agreements, terms, provisions, and limitations herein contained, provided that:
 - (1) The Landlord receives the Permitted Leasehold Mortgagee's written request for such new lease within 30 days from the date of such termination and notice thereof by the Landlord to the Permitted Leasehold Mortgagee (including an itemization of amounts then due and owing to the Landlord under this Lease), and such written request is accompanied by payment to the Landlord of all amounts then due and owing to Landlord under this Lease and, within 10 days after the delivery of an accounting therefor by the Landlord, pays any and all costs and expenses incurred by the Landlord in connection with the execution and delivery of the new lease, less the net income collected by the Landlord

from the Premises subsequent to the date of termination of this Lease and prior to the execution and delivery of the new lease, any excess of such net income over the aforesaid sums and expenses to be applied in payment of the Rent payment thereafter becoming due under the new lease, provided, however, that the Permitted Leasehold Mortgagee shall receive full credit for all capitalized lease and Rent payments previously delivered by the Tenant to the Landlord; and

- (2) Upon the execution and delivery of the new lease at the time payment is made in (1) above, all subleases which thereafter may have been assigned and transferred to the Landlord shall thereupon be assigned and transferred without recourse by the Landlord to the Permitted Leasehold Mortgagee (or its nominee), as the new Tenant.
 - (3) If a Permitted Leasehold Mortgagee acquires the leasehold estate created hereunder or otherwise acquires possession of the Premises pursuant to available legal remedies, Landlord will look to such holder to perform the obligations of Tenant hereunder only from and after the date of foreclosure or possession and will not hold such holder responsible for the past actions or inactions of the prior Tenant. Permitted Leasehold Mortgagee's liability shall be limited to the value of such Permitted Leasehold Mortgagee's interest in this Lease and in the leasehold estate created thereby. Following any assignment of this Lease or any replacement Lease, Permitted Leasehold Mortgagees and their successors and assigns shall be released from liability to Landlord. A Permitted Leasehold Mortgagee and its successor and assigns shall be liable for their acts or omissions as Tenant under the Lease only during the period in which Permitted Leasehold Mortgagee, successor or assign is actually a Tenant under the Lease (due to foreclosure or transfer in lieu of foreclosure of Permitted Leasehold Mortgagee's lien).
- (g) Notwithstanding the foregoing and to the extent permitted by Section 42 of the Internal Revenue Code, the deadline to complete construction of the Improvements set forth in Article V shall be extended for such period of time as may be reasonably required by the Permitted Leasehold Mortgagee or its nominee to (i) acquire or sell Tenant's leasehold estate and interest in this Lease by foreclosure or transfer in lieu of foreclosure of its Permitted Leasehold Mortgage or by other appropriate means and (ii) complete construction. Notwithstanding anything to the contrary set forth in this Lease, Landlord consent shall not be required in connection with (i) any modification of any Permitted Leasehold Mortgage, or (ii) any additional financing secured by (or any refinancing of) the Permitted Leasehold Mortgages placed on Tenant's interest in the Development, provided such modification or refinancing does not increase the outstanding amount of the Permitted Leasehold Mortgage. In the event such modification or refinancing increases the outstanding amount of the Permitted Leasehold Mortgage, Landlord's consent shall be required.

8.10. Events of Default of Landlord. The provisions of Section 8.11 of this Lease shall apply if any of the following events of default of Landlord shall happen: if default shall be made by Landlord in failing to keep, observe, or perform any of the duties imposed upon Landlord pursuant to the terms of this Lease and such default shall continue for a period of thirty (30) days after written notice thereof from Tenant to Landlord setting forth with reasonable specificity the nature of the alleged breach; or, in the case of any such default or contingency which cannot, with due diligence and in good faith, be cured within thirty (30) days, Landlord fails within said thirty (30) day period to proceed promptly after such notice and with due diligence and in good faith to cure said event of default.

8.11. Failure to Cure Default by Landlord. If an event of default of Landlord shall occur, Tenant, at any time after the period set forth in Section 8.10, shall have the following rights and remedies which are cumulative:

a. In addition to any and all other remedies, in law or in equity, that Tenant may have against Landlord, Tenant shall be entitled to sue Landlord for all damages, costs and expenses arising from Landlord's committing an event of default hereunder and to recover all such damages, costs and expenses, including reasonable attorneys' fees at both trial and appellate levels.

b. To restrain, by injunction, the commission of or attempt or threatened commission of an event of default of Landlord and to obtain a decree specifically compelling performance of any such term or provision of the Lease.

c. Subject to the prior written consent of Tenant's Investor and each Permitted Leasehold Mortgagee, to terminate this Lease, in which event Tenant shall be released and relieved from any and all liability under this Lease and shall surrender possession of the Project to Landlord.

8.12. No Waiver by Tenant. Failure by Tenant to insist upon the strict performance of any of the terms of this Lease or to exercise any right or remedy upon a breach thereof, shall not constitute a waiver of any such breach or of any of the terms of this Lease. None of the terms of this Lease to be kept, observed or performed by Landlord, and no breach thereof, shall be waived, altered or modified except by written instrument executed by Tenant. No waiver of any default of Landlord hereunder shall be implied from any omission by Tenant to take any action on account of such default if such default persists or is repeated, and no express waiver shall affect any default other than the default specified in the express waiver and then only for the time and to the extent therein stated. One or more waivers by Tenant shall not be construed as a waiver of a subsequent breach of the same covenant, term or condition.

ARTICLE IX

SOVEREIGNTY AND POLICE POWERS

9.1. County as Sovereign

It is expressly understood that notwithstanding any provision of this Lease and the Landlord's status thereunder:

1. The Landlord retains all of its sovereign prerogatives and rights as a county under Florida laws and shall in no way be estopped from withholding or refusing to issue any approvals of applications for tax exemption, building, zoning, planning or development under present or future laws and regulations of whatever nature applicable to the planning, design, construction and development of the Premises or the operation thereof, or be liable for the same; and
2. The Landlord shall not by virtue of this Lease be obligated to grant the Tenant any approvals of applications for tax exemption, building, zoning, planning or development under present or future laws and ordinances of whatever nature applicable to the planning, design, construction, development and/or operation of the Premises.

9.2. No Liability for Exercise of Police Power.

Notwithstanding and prevailing over any contrary provision in this Lease, or any Landlord covenant or obligation that may be contained in this Lease, or any implied or perceived duty or obligation including but not limited to the following:

- (i) To cooperate with, or provide good faith, diligent, reasonable or other similar efforts to assist the Tenant, regardless of the purpose required for such cooperation;
- (ii) To execute documents or give approvals, regardless of the purpose required for such execution or approvals;
- (iii) To apply for or assist the Tenant in applying for any county, city or third party permit or needed approval; or
- (iv) To contest, defend against, or assist the Tenant in contesting or defending against any challenge of any nature;

shall not bind the Board of County Commissioners, the Planning and Zoning Department, DERM, the Property Appraiser or any other county, city, federal or state department or authority, committee or agency to grant or leave in effect any tax exemptions, zoning changes, variances, permits, waivers, contract amendments, or any other approvals that may be granted, withheld or revoked in the discretion of the Landlord or any other applicable governmental agencies in the exercise of its police power; and the Landlord shall be released and held harmless, by the Tenant from and against any liability, responsibility, claims, consequential or other damages, or losses to the Tenant or to any third parties resulting from denial, withholding or revocation (in whole or in part) of any zoning or other changes, variances, permits, waivers, amendments, or approvals of any kind or nature whatsoever. Without limiting the foregoing, the parties recognize that the approval of any building permit and/or certificate of occupancy or tax exemption will require the Landlord to exercise its quasi-judicial or police powers. Notwithstanding any other provision of

this Lease, the Landlord, in its capacity as a governmental authority exercising police powers, shall have no obligation to approve, in whole or in part, any application for any type of tax exemption, permit, license, zoning or any other type of matter requiring government approval or waiver. The Landlord's obligation to use reasonable good faith efforts in the permitting of the use of County-owned property shall not extend to any exercise of quasi-judicial or police powers, and shall be limited solely to the contractual obligations of Landlord in its capacity as the fee owner of the Land and contract party to this Lease and to ministerial actions, including the timely acceptance and processing of any requests or inquiries by Tenant as authorized by this Lease. Moreover, in no event shall a failure of the Landlord to adopt any of the Tenant's request or application for any type of permit, license, zoning or any other type of matter requiring government approval or waiver in the exercise of police powers be construed a breach or default of this Lease.

ARTICLE XI

RIGHT OF FIRST OFFER; RIGHT OF FIRST REFUSAL

11.1. Landlord's Intent to Market Land.

If Landlord, in its sole discretion (but subject to any applicable HUD requirements relating to disposition and State laws relating to the sale or conveyance of County-owned property), decides to sell its interest in the Land, then, prior to marketing the Land, Landlord shall give written notice of such intent to Tenant setting forth the terms and conditions on which Landlord desires to sell the Land (*Sales Notice*). Tenant shall have sixty (60) days thereafter within which to notify Landlord of its intent to purchase the Land offered for sale upon such terms and conditions as are set forth in the Sales Notice, Sales Notice is timely given, the closing shall be ninety (90) days after the date of the Sales Notice. The status of title to be delivered and the instruments to be executed pursuant thereto shall be as stated in the Sales Notice and the amount of earnest money that Tenant shall be required to deposit with the notification of intent to purchase by matching the offer shall be as stated in the Sales Notice. Failure of Tenant to so notify Landlord in a timely manner shall be deemed an election not to purchase. In the event Tenant does not so timely notify Landlord of its intent to purchase the offered property upon the terms and conditions stated in the Sales Notice, Landlord shall be free to market such property on its own or through a broker and thereafter may sell the property, subject to all of the terms and conditions of the Lease and any applicable requirements of HUD or any other legal requirements; provided that Landlord may not sell the Land on terms and conditions that are materially different from those contained in any Sales Notice received by Tenant without first offering Tenant the opportunity once again to purchase the Land in accordance with this Section 11.1 upon such materially different terms and conditions upon which Landlord bases its offer of sale.

11.2. Tenant's Right of First Refusal.

If Landlord is not marketing the Land as provided in Section 11.1 above, but receives a written offer in acceptable form from an unrelated third party that Landlord is willing to accept for the purchase of the Land (a **Sales Offer**), Landlord shall notify Tenant of the terms and conditions of such Sales Offer. Tenant shall then have sixty (60) days within which to notify Landlord of its intent to purchase the Land by matching said Sales Offer, and, in the event of such timely response, the closing of the purchase and sale of the Land shall be in accordance with the terms of such Sales Offer. In the event that timely notice is not given by Tenant to Landlord, Tenant shall be deemed to have elected not to match said Sales Offer, and Landlord shall be free to sell the Land to such third party on the terms and conditions set forth in the Sales Offer, subject, however, to all terms and conditions of this Lease and any applicable requirements of HUD or any other legal requirements. If Landlord fails to sell the Land to such third party for an aggregate sales price not less than ninety-five percent (95%) of the sales price set forth in the Sales Offer and otherwise in accordance with the terms of the Sales Offer within one hundred and eighty (180) days after Landlord is entitled to sell the Land to such third party, the right of first refusal created in this Section 11.2 shall be revived and again shall be enforceable.

11.3 Mortgagee Notice. Tenant shall provide notice to every applicable Permitted Leasehold Mortgagee as to its election to acquire the Land pursuant to Sections 11.1 or 11.2, above. Such notice shall be delivered within five (5) days following Tenant's notice to Landlord evidencing its intent to purchase the Land.

11.4 Mortgagee Rights. Tenant's rights with respect to any option to purchase the Land as set forth in this Section 11 shall be assignable to and may be exercised by any Permitted Leasehold Mortgagee which succeeds in interest to the Tenant, without requiring any consent or approval by Landlord.

The Landlord shall be responsible for the payment of these IPSIG services, and under no circumstance shall the Tenant incur any charges relating to these IPSIG services. The terms of this provision herein, apply to the Tenant, its officers, agents, employees, subcontractors and assignees. Nothing contained in this

provision shall impair any independent right of the Landlord to conduct an audit or investigate the operations, activities and performance of the Tenant in connection with this Lease. The terms of this Section shall not impose any liability on the Landlord by the Tenant or any third party.

(b) Miami-Dade County Inspector General Review

According to Section 2-1076 of the Code of Miami-Dade County, as amended by Ordinance No. 99-63, Miami-Dade County has established the Office of the Inspector General which may, on a random basis, perform audits on all Miami-Dade County agreements, throughout the duration of said agreements, except as otherwise provided below.

Nothing contained above shall in any way limit the powers of the Inspector General to perform audits on all Miami-Dade County agreements including, but not limited to, those agreements specifically exempted above. The Miami-Dade County Inspector General is authorized and empowered to review past, present and proposed Landlord and Tenant contracts, transactions, accounts, records, agreements and programs. In addition, the Inspector General has the power to subpoena witnesses, administer oaths, require the production of records and monitor existing projects and programs. The Inspector General is empowered to analyze the necessity of and reasonableness of proposed change orders to a contract. The Inspector General is empowered to retain the services of independent private sector inspectors general (IPSIG) to audit, investigate, monitor, oversee, inspect and review operations, activities, performance and procurement process, including but not limited to project design, specifications, proposal submittals, activities of the Tenant, its officers, agents and employees, lobbyists, Landlord staff and elected officials to ensure compliance with contract specifications and to detect fraud and corruption.

Upon written notice to the Tenant from the Inspector General or IPSIG retained by the Inspector General, the Tenant shall make all requested records and documents available to the Inspector General or IPSIG for inspection and copying. The Inspector General and IPSIG shall have the right to inspect and copy all documents and records in the Tenant's possession, custody or control which, in the Inspector General's or IPSIG's sole judgment, pertain to performance of the contract, including, but not limited to original estimate files, change order estimate files, worksheets, proposals and agreements form and which successful and unsuccessful subcontractors and suppliers, all project-related correspondence, memoranda, instructions, financial documents, construction documents, proposal and contract documents, back-charge documents, all documents and records which involve cash, trade or volume discounts, insurance proceeds, rebates, or dividends received, payroll and personnel records, and supporting documentation for the aforesaid documents and records.

ARTICLE XIII

**ADDITIONAL PROVISIONS PERTAINING TO
REMEDIES**

13.1 Reinstatement. Notwithstanding anything to the contrary contained in the Lease, in the event Landlord exercises its remedies pursuant to Article VIII and terminates this Lease, Tenant may, within 90 days following such termination reinstate this Lease for the balance of the Term by paying to Landlord an amount equal to the actual damages incurred by Landlord as a result of the breach that resulted in such termination and any actual costs or expenses incurred by Landlord as a result of such reinstatement of this Lease.

13.2 Notice. Notwithstanding anything to the contrary contained in the Lease, Landlord shall not exercise any of its remedies hereunder without having given notice of the Event of Default or other breach or default to the Investor (following the admission of the Investor) simultaneously with the giving of notice to Tenant as required under the provisions of Article VIII of the Lease. The Investor shall have the same cure period after the giving of a notice as provided to Tenant, plus an additional period of 60 days. If the Investor elects to cure the Event of Default or other breach or default, Landlord agrees to accept such performance as though the same had been done or performed by Tenant.

13.3 Investor. Notwithstanding anything to the contrary contained in the Lease, following the admission of the Investor, the Investor shall be deemed a third-party beneficiary of the provisions of this Lease for the sole and exclusive purpose of entitling the Investor to exercise its rights to notice and cure, as expressly stated herein. The foregoing right of the Investor to be a third-party beneficiary under the Lease shall be the only right of Investor (express or implied) to be a third-party beneficiary hereunder.

13.4 New Manager/General Partner. Notwithstanding anything to the contrary contained in the Lease, Landlord agrees that it will take no action to effect a termination of the Lease by reason of any Event of Default or any other breach or default without first giving to the Investor reasonable time, not to exceed 60 days, to replace Tenant's manager or general partner and/or admit an additional manager or general partner and cause the new manager or general partner to cure the Event of Default or other breach or default; provided, however, that as a condition of such forbearance, Landlord must receive notice from the Investor of the substitution or admission of a new manager or general partner of Tenant within 30 days following Landlord's notice to Tenant and the Investor of the Event of Default or other breach or default, and Tenant, following such substitution or admission of the manager or general partner, shall thereupon proceed with due diligence to cure such Event of Default or other breach or default. In no event, however, shall Landlord be required to engage in the forbearance described in this section for a period longer than six (6) months, regardless of the due diligence of the Investor or the new manager or general partner. Additionally, the following shall be permitted without Landlord's consent and shall not constitute an involuntary assignment, transfer, sale, or Event of Default or result in any fee: (i) the transfer of any limited partner interest in Tenant pursuant to the terms of the Partnership Agreement; (ii) the removal and replacement of the general partner of the Tenant in accordance with the terms of the Partnership Agreement; and/or (iii) an amendment of the Partnership Agreement memorializing the transfer of removal in the foregoing subsection (i) or (ii).

MISCELLANEOUS

17.1. Construction.

Landlord and Tenant agree that all the provisions hereof are to be construed as covenants and agreements as though the words importing such covenants and agreements were used in each separate section thereof.

17.2. Performance Under Protest.

In the event of a dispute or difference between Landlord and Tenant as to any obligation which either may assert the other is obligated to perform or do, then the party against whom such obligation is asserted shall have the right and privilege to carry out and perform the obligation so asserted against it without being considered a volunteer or deemed to have admitted the correctness of the claim, and shall have the right to bring an appropriate action at law, equity or otherwise against the other for the recovery of any sums expended in the performance thereof and in any such action, the successful party shall be entitled to recover in addition to all other recoveries such reasonable attorneys’ fees as may be awarded by a court of law.

17.3. Compliance with Governing Requirements.

Notwithstanding anything to the contrary herein, Landlord and Tenant hereby agree to comply with any and all applicable HUD notice and consent requirements set forth in the Governing Documents by providing notice to HUD as required in the Governing Documents.

17.4. No Waiver.

Failure of either party to complain of any act or omission on the part of the other party, no matter how long the same may continue, shall not be deemed to be a waiver by said party of any of its rights hereunder. No waiver by either party at any time, express or implied, of any breach of any other provision of this Lease shall be deemed a waiver of a breach of any other provision of this Lease or a consent to any subsequent breach of the same or any other provision. If any action by either party shall require the consent or approval of the other party, the other party's consent to or approval of such action on any one occasion shall not be deemed a consent to or approval of said action on any subsequent occasion. Any and all rights and remedies which either party may have under this Lease or by operation of law, either at law or in equity, upon any breach, shall be distinct, separate and cumulative and shall not be deemed inconsistent with each other; and no one of them whether exercised by said party or not, shall be deemed to be in exclusion of any other; and two or more or all of such rights and remedies may be exercised at the same time.

17.5. Headings.

The headings used for the various articles and sections of this Lease are used only as a matter of convenience for reference, and are not to be construed as part of this Lease or to be used in determining the intent of the parties of this Lease.

17.6. Partial Invalidity.

If any terms, covenant, provision or condition of this Lease or the application thereof to any person or circumstances shall be declared invalid or unenforceable by the final ruling of a court of competent jurisdiction having final review, the remaining terms, covenants, provisions and conditions of this Lease and their application to persons or circumstances shall not be affected thereby and shall continue to be enforced and recognized as valid agreements of the parties, and in the place of such invalid or unenforceable provision there shall be substituted a like, but valid and enforceable, provision which comports to the findings of the aforesaid court and most nearly accomplishes the original intention of the parties.

17.7. Decision Standards.

In any approval, consent or other determination by any party required under any provision of this Lease, the party shall act reasonably, in good faith and in a timely manner, unless a different standard is explicitly stated.

17.8. Bind and Inure.

successors and assigns. No holder of a mortgage of the leasehold interest hereunder shall be deemed to be the holder of said leasehold estate until such holder shall have acquired indefeasible title to said leasehold estate.

17.9. Estoppel Certificate.

Each party agrees from time to time, upon no less than fifteen (15) days' prior notice from the other or from the Investor or any Permitted Leasehold Mortgagee, to execute, acknowledge and deliver to the other, as the case may be, a statement certifying that (i) this Lease is unmodified and in full force and effect (or, if there have been any modifications, that the same is in full force and effect as modified and stating the modifications), (ii) the dates to which the Rent has been paid, and that no additional rent or other payments are due under this Lease (or if additional rent or other payments are due, the nature and amount of the same), and (iii) whether there exists any uncured default by the other party, or any defense, offset, or counterclaim against the other party, and, if so, the nature of such default, defense, offset or counterclaim.

17.10. Recordation.

Simultaneously with the delivery of the Lease the parties have delivered a memorandum, notice or short-form of this Lease or this Lease which Tenant shall record in the appropriate office of the Public Records of Miami-Dade County.
