**Subject:** Resolution Accepting Three Conveyances of Property Interests for Public  
Purposes to Miami-Dade County, Florida

---

## **Executive Summary**

The purpose of this item is for the Board of County Commissioners (Board) to accept the subject property conveyances. Once these conveyances are accepted by the Board, the instruments will be recorded in the Public Records of Miami-Dade County. The grantors' names, property locations, and reasons for conveyance to the County are listed below. Annual maintenance costs associated with the subject conveyances are estimated to be \$200.

## **Recommendation**

The Department of Transportation and Public Works (DTPW) needs the property interests from these entities for road purposes and recommends that the Board accept the conveyances. The proposed conveyances are attached hereto as Exhibit 1 and are further described below.

## **Scope**

The properties being conveyed are located within District 9, which is represented by Vice Chairman Kionne L. McGhee.

## **Fiscal Impact/Funding Source**

The total fiscal impact of accepting these conveyances is estimated to be \$200 annually for maintenance costs associated with the subject rights-of-way being included in the DTPW inventory. These costs will be funded through DTPW's General Fund allocation.

## **Track Record/Monitor**

DTPW is the entity overseeing this project and the person responsible for monitoring these acquisitions is Maria D. Molina, P.E., Chief, Right-of-Way Division.

## **Delegated Authority**

The resolution delegates authority for the County Mayor or County Mayor's designee to execute the acceptances of the instruments of conveyance. Furthermore, the County Mayor or County Mayor's designee shall record the instruments of conveyance accepted therein in the Public Records of Miami-Dade County.

## **Background**
