Subject: Fiscal Impact and Social Equity Statements for Ordinance Relating to Miami-Dade County Board Vacancies

IEIC
Supplement to
Agenda Item No. 1(G)1

The proposed ordinance amending Section 2-11.38 of the Code of Miami-Dade County will require the Clerk of the Board to notify County Commissioners of vacancies on County boards.

In addition, we have been in communication with the sponsoring Commissioner to include an amendment to expand the item to also provide notice to the Office of the Mayor of any vacancy subject to the Mayor's appointment.

Fiscal Impact Statement

It is not anticipated that this ordinance will have a fiscal impact to the County. The responsibilities outlined in this ordinance fall within the existing administrative duties of the Clerk of the Board and can be carried out using current staff and resources. As such, no additional funding, personnel, or operational expenditures are required to implement the provisions of this ordinance.

Social Equity Statement

The proposed ordinance could provide a social equity benefit to the residents of Miami-Dade County by increasing transparency around available board positions and supporting more timely appointments of community members to County boards.
