Date: April 27, 2026

To: Honorable Chairman Anthony Rodriguez
and Members, Board of County Commissioners

Agenda Item No. 2(B)(9)
July 21, 2026

From: Daniella Levine Cava *Daniella Levine Cava*

Subject: Annual Report on Non-Ad Valorem Assessments

This report, pursuant to Miami-Dade County Code, Section 2-1796, is submitted to the Board prior to May 1 of each year, and includes a list of all County non-ad valorem assessment rates approved in the prior year, a description of the services funded by those non-ad valorem assessments, proposed non-ad valorem assessment rates planned or being proposed for the upcoming fiscal year, and a proposed schedule for setting such non-ad valorem assessment rates.

Attachment A includes the entirety of the above information, which is largely comprised of Special Taxing Districts that provide street lighting services, multipurpose maintenance services, and security guard services in communities and neighborhoods throughout Miami-Dade County. The public hearing schedule for the Board to consider these Special Taxing Districts is May 5 and June 2, 2026, for First Reading and Public Hearing, respectively.

Additionally, as directed by the Board on July 16, 2024, via Ordinance No. 24-77, I submitted to the Board for consideration an Ordinance proposing the Department of Solid Waste annual CPI increase for the Household Residential Waste Collection Fee. I am anticipating the proposal will be on the May 5, 2026, Board meeting for First Reading, and, if approved, on the June 16, 2026, Board meeting for Public Hearing and final adoption. As such, Attachment A also provides the requested information for this non-ad valorem assessment.

If you have any questions, please contact Ray Baker, Director, Office of Management and Budget, at 305-375-5143.
