Agenda Item No. 5(G)

From: Daniella Levine Cava *Daniella Levine Cava*
Mayor

Subject: Resolution Authorizing the Issuance of Miami-Dade County General Obligation Bonds (Building Better Communities) in an Amount Not to Exceed \$350,000,000 as part of a Drawdown Bond Program

Executive Summary

The accompanying Resolution (Series 2026 Resolution) authorizes the issuance of an amount not to exceed \$350,000,000 of Miami-Dade County, Florida Building General Obligation Bonds (Building Better Communities) (Bonds), with no more than \$200,000,000 outstanding at any one time, as drawdown bonds under a drawdown program (BBC Drawdown Program). The proceeds of the Bonds will be used to fund a portion of projects previously approved in the November 2, 2004, elections, as shown in Appendix A to the Series 2026 Resolution, as well as projects subsequently added to the Building Better Communities program through action of the Board of County Commissioners (Board) (collectively, BBC Projects).

Since 2012, pursuant to Resolution Nos. R-1071-12, R-348-16, and R-627-21, the County has utilized drawdown programs that allow the County to borrow funds in smaller, more flexible amounts as needed, and at favorable short-term interest rates to finance BBC Projects. This approach enables the County to provide financing as needed without a full upfront bond issuance, to reduce carrying costs, preserve financial flexibility, and optimize the use of taxpayer resources.

As of May 1, 2026, the County has issued \$2.372 billion of the \$2.925 billion voter-approved authorization of Building Better Communities Bonds.

Recommendation

It is recommended that the Board adopt the Series 2026 Resolution, which authorizes:

- Issuance of the Bonds in one or more series to fund a portion of the cost of the BBC Projects;
- The selection of Wells Fargo Municipal Capital Strategies, LLC (Wells Fargo) as purchaser of the drawdown bonds, pursuant to a request for proposals;
- Funding the cost of issuance with proceeds of the Bonds; and
- Waiver of Resolution No. R-130-06, which requires that any contracts of the County with third parties be executed and finalized prior to their placement on an agenda for Board consideration.

Delegation of Authority

The Series 2026 Resolution delegates and authorizes the Mayor or Mayor's designee to: (i) sell the Bonds by negotiated sale through direct placement to Wells Fargo, selected through a competitive solicitation; (ii) determine dates, maturities, redemption provisions, series amounts and certain other details relating to such Bonds; (iii) select and appoint a registrar, paying agent, and remarketing agent after a competitive process; (iv) take all actions necessary to issue the Bonds; and (v) take all actions necessary to convert the Bonds to fixed rate bonds in the future pursuant to the resolution.

Scope

The proposed Bonds will finance projects that have a countywide impact.

Fiscal Impact/Funding Source

Each series of Bonds will be issued through a direct placement with Wells Fargo. Once issued, the County can draw upon the Bonds in varying amounts (minimum draw of \$10,000,000) as necessary to pay for the costs of the BBC Projects.

The principal of and interest on the Bonds are payable from unlimited ad valorem taxes on all real and tangible property within the County, excluding certain property exempted by law. The full faith, credit and taxing power of the County are irrevocably pledged to the prompt payment of both principal of and interest on the Bonds as the same become due and payable.

The interest cost while the Bonds are in the drawdown mode is based on a short-term index, plus an applicable spread. In addition, the County pays a fee for unutilized amounts of the drawdown facility. While the Bonds are in drawdown mode the County may elect at any time to convert outstanding Bonds to fixed rate bonds with a long-term maturity up to thirty years from the date of issuance of the Bonds. When the Bonds are converted to fixed rate bonds, the maturity and interest rate shall be determined based on market conditions at the time of conversion through a competitive sale set forth in section 13 of the Series 2026 Resolution.

The County also has the option to convert all or a portion of the Bonds then in the drawdown mode to an alternate variable rate mode. If the County elects to switch to an alternate variable rate mode, a supplemental resolution will be brought back to the Board that outlines the terms and parameters of the conversion.

Track Record/Monitoring

The programming and recommended use of bond proceeds, as well as the issuance of bonds, payment of annual debt service, continuing disclosure, and future conversions to fixed rate bonds is managed by the Office of Management and Budget, Ray Baker, Director, and Arlesa Wood, Bond Acquisition Administration.

Background

The projects shown in Appendix A to the Series 2026 Resolution include projects approved by the citizens at the special election on November 2, 2004, or that were subsequently added to the Building Better Communities program through a Board approved process. As a result of the special election, the Board enacted Ordinance No. 05-47 on March 1, 2005, and, Resolution No. R-576-05 (Master Resolution) on May 17, 2005 authorizing the issuance of general obligation bonds in an aggregate principal amount not to exceed \$2,925,750,000 from time to time in one or more series for the purpose of paying all or a part of the cost of the community projects described in Appendix A to each of the eight authorizing resolutions that described the questions put to the voters.

Pursuant to Ordinance No. 05-47 and Resolution No. R-576-05, the Board has authorized twelve series of General Obligation Bonds, as described in the Series 2026 Resolution, in an aggregate principal amount of \$2,372,285,000 of which \$1,663,960,000 remains outstanding as of May 1, 2026.

On March 18, 2026, PFM Financial Advisors LLC, the County's General Segment Municipal Advisor, released a competitive solicitation document to the financial and banking industry consistent with the County's objectives to obtain flexible low-cost financing for the BBC Projects on the most favorable terms. Six financial institutions responded to the Request for Proposal to be the purchasers of the Bonds under this program. Wells Fargo provided the most favorable proposal based on the evaluation of the County's General Segment Municipal Advisor and County staff. The proposed applicable spread based on the

County's current credit ratings is 0.35 percent, or 35 basis points, and the fee for unutilized amounts is 0.20 percent, or 20 basis points. The solicitation is included as Attachment 1. A summary of the responses is included as Attachment 2. Resolution R-130-06 provides that any County contract with a third party be finalized and executed prior to its placement on an agenda of the Board. The sale of the Bonds, which will set their final terms, will not occur until after the effective date of the Series 2026 Resolution. Therefore, we are requesting a waiver of Resolution No. R-130-06.

**REQUEST FOR PROPOSALS
2026 Drawdown Bond Program**

Introduction

PFM Municipal Advisors LLC ("PFM"), serving in our capacity as Municipal Advisor to Miami-Dade County, (the County), is seeking proposals on behalf of the County from qualified and interested firms to provide a Flexible Drawdown Bond (or similar) Program for its General Obligation, Building Better Communities Program. The County additionally reserves the right to select either one or multiple providers based on the overall strength of their proposals. **Responses are due by April 7, 2026.**

Intent of the County's Program

The County intends to implement a financing structure that provides an appropriate match to the cash flow needs of the Building Better Communities capital plan. As such, the County is seeking a program that will provide access to capital on a frequent (monthly) basis and in a short-term mode, eligible for periodic conversion to long-term mode as the drawn amount reaches a certain size. Please note however that pursuant to the authorizing voter referendum and subsequent Ordinances, the County cannot issue Notes or Commercial Paper. As a result the County is seeking to structure the following type of agreement with interested parties. Any program for which the County can achieve these points will be reviewed.

- 1) The County will authorize \$350 million of 30 year, tax-exempt, multi-modal General Obligation (Building Better Communities) Bonds in one or more series (the "Flexible Drawdown Bonds" or "Drawdown Bonds") to be issued over a 4 year period (the "Drawdown Bonds Term") and held by the selected proposer (the "Proposer") until converted to fixed rate.
- 2) The County will authorize a series of multi-modal Drawdown Bonds and will periodically draw (the "Draws") the proceeds of the Drawdown Bonds in order to meet the expected needs of the Building Better Communities General Obligation Bond Program.
- 3) The amount of Drawdown Bonds in the Drawdown Mode shall not exceed \$200 million.
- 4) The rate paid on the Draws of the Drawdown Bonds will be **SIFMA plus a spread** (the "Drawdown Mode") and will be paid to the Proposer. The Proposer may also charge an "unutilized fee" for the \$200 million maximum Drawdown Mode rate exposure less any Draws.
- 5) Drawdown Bonds can be converted at any time to fixed rate bonds through a public offering to free capacity for additional Drawdown Bonds. Total draws cannot exceed the authorized amount of Drawdown Bonds of \$350 million.
- 6) At the end of the Drawdown Bonds Term the County intends to convert all Drawdown Bonds outstanding in the Drawdown Mode to fixed rate through a public offering.

Authorization and Security for General Obligation Bonds

The Ordinance (Ordinance 05-47, the "Ordinance") and Master Resolution (Resolution R-576-05, the "Master Resolution") authorized the issuance of General Obligation Bonds. The Flexible Drawdown Bonds (the "Bonds") will be authorized by subsequent resolution(s), and are general obligations of the County, payable from unlimited ad valorem taxes on all real and tangible personal property within the County, excluding exemptions as provided by applicable law. The full faith, credit and taxing power of the County are irrevocably pledged to the prompt payment of the principal of, and interest on, the Bonds as the same become due.

County's General Obligation Bond Ratings

The County's General Obligation Bonds (approximately \$2.32 billion outstanding) have underlying ratings of Aa2 (stable) and AA (Stable) by Moody's and S&P, respectively.

Flexible Drawdown Provider Selection and Evaluation Criteria

After receiving the written responses in the format required in this RFP, Miami-Dade County may select one or more firms to provide the Flexible Drawdown Program based upon the Proposer's:

1. Proposed fees and interest costs (spread to index);
2. Experience with similar engagements;
3. Any proposed changes to the existing terms and covenants from the County's prior drawdown program, and;
4. Any requirement to serve as senior manager on the subsequent mode conversions for each issuance.

Note: It is the County's strong desire to continue to issue long-term General Obligation Bonds on a competitive basis, including mode conversions of the Flexible Drawdown Program. As such, the County's preference is to not be required to convert future Flexible Drawdown Bonds on a negotiated basis, and/or with a specific senior managing underwriter, and this will be considered in the evaluation of proposals.

The County anticipates that it will meet the Municipal Component requirements contained in Section 12 of each of the Authorizing Resolutions as of the date all Bonds authorized under the Ordinance and the Master Resolution for the Building Better Communities Projects have been issued.

In accordance with Section 2-10.6 of the County Code, Section 218.385, Florida Statutes, as amended, and based upon the advice of the Municipal Advisor, and the recommendation of the County Mayor, the negotiated sale of the Drawdown Bonds to Wells Fargo, as provided in the Bondholder's Agreement, is in the best interest of the County since the Drawdown Bond Program results in lower costs and less risk than the Commercial Paper Program.

The Board has determined that it is in the best interest of the County to accept the Wells Fargo proposal in response to the RFP and to sell the Drawdown Bonds to Wells Fargo upon the terms and conditions described in the County Mayor's Memorandum and in accordance with the provisions of this Series 2026 Resolution.

The Board approves, and authorizes and directs the County Mayor to execute and deliver a Bondholder's Agreement with Wells Fargo, in substantially the form attached as Exhibit A to this Series 2026 Resolution (the "Bondholder's Agreement"). The execution in final form of the Bondholder's Agreement for and on behalf of the County by the County Mayor shall be conclusive evidence of the Board's approval of such agreement. The County Mayor is further authorized and directed to execute and deliver any fee letter that may be required to reflect and memorialize the fees and expenses payable by the County to Wells Fargo under the Bondholder's Agreement as such fees and expenses may be agreed to between the County and Wells Fargo prior to or at the time of execution and delivery of the Bondholder's Agreement. The execution of such fee letter

for and on behalf of the County by the County Mayor shall be conclusive evidence of the Board's approval of any such fee letter.

The authority granted to officers of the County in this Series 2026 Resolution is necessary for the proper and efficient implementation of the financing program contemplated by this Series 2026 Resolution, and such authorization is in the best interests of the County.

Authorization and Purpose of the GO Bonds; General Terms.

Subject and pursuant to the provisions of this Series 2026 Resolution, the GO Bonds shall be designated "Miami-Dade County, Florida, General Obligation Bonds (Building Better Communities Program), Series [as set forth in the applicable Omnibus Certificate]," or such other appropriate designation or designations as shall be determined by the County Mayor after consultation with the County Attorney and Bond Counsel. The GO Bonds are authorized to be issued in one or more Series with appropriate designations in an aggregate principal amount not to exceed Three Hundred Fifty Million Dollars (\$350,000,000.00), for the purposes of: (i) financing all or a portion of the cost of the Community Projects, (ii) paying capitalized interest, if any, on the GO Bonds, and (iii) paying the costs of issuance with respect to the GO Bonds.

Other Terms of GO Bonds. GO Bonds (i) shall be issued in one or more Series, with such Series designations, and in such principal amounts, (ii) shall be dated as of such date or dates and remarketed at such time or times, and (iii) shall mature on such date, in such year or years, but not later than thirty (30) years from the date of issuance of the GO Bonds, subject to change pursuant to section 16(a) of this Series 2026 Resolution, all as shall be determined by the County Mayor, after consultation with the Municipal Advisor, and set forth in an Omnibus Certificate. The execution and delivery of an Omnibus Certificate shall be conclusive evidence of the Board's approval of the final terms and provisions of GO Bonds upon the issuance of each Series of GO

Bonds. Except as otherwise provided in this Series 2026 Resolution, the Drawdown Bonds shall bear interest at the Drawdown Rate computed using the SIFMA Index.

Bond Registrar; Paying Agent; Calculation Agent.

The Board authorizes and directs the County Mayor to select a Registrar, Paying Agent and Calculation Agent to act in such capacities for the GO Bonds.

Registered Bonds; Book-Entry-Only System; Transfers.

Each Series of Drawdown Bonds shall be issued in physical, certificated definitive form in Authorized Denominations. For so long as the GO Bonds are in Drawdown Mode, the GO Bonds may only be transferred in Authorized Denominations to (x) an affiliate of a Holder of the Drawdown Bonds, (y) a trust or custodial arrangement established by a Holder of the Drawdown Bonds or one of its affiliates, the owners of the beneficial interests in which are limited to "qualified institutional buyers," as defined in Rule 144A promulgated under the Securities Act of 1933, as amended, or (z) a qualified institutional buyer or an "accredited investor," as defined in Rule 501 of Regulation D under the Securities Act of 1933, as amended, that has executed and delivered to the Registrar, the Paying Agent and the County an Investor Letter in the form of Exhibit B.

Upon Conversion of Drawdown Bonds to Fixed Rate Bonds or (with the Board's adoption of a supplemental resolution) Alternate Floating Rate Bonds, such Bonds shall be issued as fully registered bonds in Authorized Denominations, through a book-entry-only system to be maintained by The Depository Trust Company, which book-entry-only system the County elects to establish in accordance with the provisions of Section 4.04 of the Master Resolution.

Execution and Delivery of GO Bonds.

The GO Bonds upon initial issuance and upon Conversion shall be executed as provided in the Master Resolution. The County Mayor is authorized and directed to deliver each Series of Drawdown Bonds to, or for the account of, Wells Fargo upon receipt of payment of the purchase price for such Series of Drawdown Bonds. The County Mayor is further authorized and directed to deliver each Series of Fixed Rate Bonds and (with the Board's adoption of a supplemental resolution) Alternate Floating Rate Bonds upon Conversion to, or for the account of, the Remarketing Agent selected in accordance with section 13 hereof for the Fixed Rate Bonds and the party set forth in the applicable Omnibus Certificate delivered in connection with the Conversion for the Alternate Floating Rate Bonds.

Application of Proceeds.

Proceeds received upon the issuance of each Series of GO Bonds shall be applied as follows:

An amount equal to the costs of issuance of the GO Bonds shall be deposited in the Cost of Issuance Account in the Community Project Fund and used to pay the costs of issuance of the GO Bonds.

The balance of such proceeds shall be deposited in the respective accounts and subaccounts to be created in the Community Project Fund by the County Mayor in accordance with Sections 4.05 and 6.03 of the Master Resolution.

Notwithstanding the provisions of section 8(a) above, the County Mayor, in consultation with the Municipal Advisor and the County Attorney, is authorized to supplement and amend the application of proceeds of the GO Bonds provided in section 8(a) above, as set forth in the Omnibus Certificate, in a manner consistent with the objectives of this Series 2026

Resolution and not inconsistent with the Ordinance, the Authorizing Resolutions and the Master Resolution.

Terms of Drawdown Bonds.

Issuance; Principal Outstanding. The GO Bonds shall initially be issued as Drawdown Bonds, substantially in the form attached to this Series 2026 Resolution as Appendix I. The Drawdown Bonds may be issued in one or more Series in Authorized Denominations; provided, however, that the principal amount due on the Drawdown Bonds of a particular Series shall be only such amount as has been drawn down by the County and not yet redeemed or converted as reflected by the Schedule of Drawings, Redemptions and Remarketings attached to each of the Drawdown Bonds as Schedule A. The maximum principal amount of GO Bonds that may be issued is \$350,000,000.00, with no more than \$200,000,000.00 in principal amount Outstanding in the Drawdown Mode at any one time. Interest shall accrue only on such principal amount of a Series of Drawdown Bonds as has been actually drawn by the County and not yet converted or redeemed, as reflected on the Schedule of Drawings, Redemptions and Remarketings and maintained by the Paying Agent.

Interest Rate. As provided in section 4(b) hereof, the Drawdown Bonds will accrue interest during each Interest Accrual Period at an interest rate equal to the sum of the SIFMA Index and the Applicable Spread (rounded up to the nearest one hundredth of one percent) (the "Drawdown Rate"); provided that for the initial Interest Accrual Period for a series of Drawdown Bonds, the Interest Rate Determination Date shall be the Business Day which is the issuance date for such Series. Interest on the Drawdown Bonds shall be payable on each Interest Payment Date. Upon the occurrence of any Bondholder's Agreement Event of Default, the Drawdown Bonds shall immediately and automatically bear interest at the Default Rate. During the Amortization Period,

the Drawdown Bonds shall bear interest at the Amortization Period Interest Rate. On and after the Taxable Date, as defined in the Bondholder's Agreement, the Drawdown Bonds shall bear interest at the Taxable Rate, as defined in the Bondholder's Agreement. All calculations of interest on the Drawdown Bonds shall be made by the Calculation Agent and will be computed on the basis of the actual number of days elapsed in an actual 365/366 day year. In no event may any Drawdown Bond bear interest in excess of the Maximum Rate.

Increased Costs; Unutilized Fee. While the Purchaser is the Holder or Beneficial Owner of the Drawdown Bonds or is committed to purchase Drawdown Bonds under the Bondholder's Agreement, the County agrees to pay all applicable fees and costs described in the Bondholder's Agreement in accordance with the terms thereof.

Drawings. i) The amount of the initial Drawing under the initial Series of Drawdown Bonds shall be set forth in the form of Omnibus Certificate delivered at least three (3) Business Days prior to the Closing Date, as defined in the Bondholder's Agreement, and shall be in an aggregate amount not less than \$10,000,000.00. The initial Drawing under any additional Series of Drawdown Bonds shall be in the amount set forth in the Omnibus Certificate provided in connection with the issuance of such Series and shall be in an aggregate amount not less than \$10,000,000.00. Each Drawing after the initial Drawing of any Series shall be in an aggregate amount not less than \$1,000,000.00. So long as there is not continuing an uncured Bondholder's Agreement Event of Default, the County may make additional Drawings under a Drawdown Bond on any day on and prior to the Commitment End Date upon satisfaction of all conditions for Drawings set forth in the Bondholder's Agreement and delivery of written notice to the Paying Agent and the Purchaser not less than five Business Days prior to the date of such Drawing

substantially in the form attached to the Bondholder's Agreement as Exhibit A. The amount of all Drawings shall be subject to the limits set forth in section 9(a) of this Series 2026 Resolution.

(ii) Each Drawing with respect to each Series of Drawdown Bonds shall be effective on the date of such Drawing, upon the Paying Agent's receipt of immediately available funds from Wells Fargo in the amount of such Drawing; provided, however, that:

no additional Drawing shall be made for an amount that, together with the aggregate cumulative principal amount of all prior Drawings, (whether or not currently Outstanding) exceeds \$350,000,000.00;

no additional Drawing shall be made for an amount that would cause the aggregate principal amount of Drawdown Bonds Outstanding to exceed \$200,000,000.00; and

no additional Drawing shall be made unless and until the County Mayor shall have consulted with Bond Counsel and ascertained that such additional Drawing shall not cause interest on any of the GO Bonds to become includible in the gross income of the Beneficial Owners thereof for federal income tax purposes.

(iii) The purchase price of the Drawdown Bonds will be one hundred percent (100 percent) of the principal amount of the Drawdown Bonds being purchased with such Drawing.

Additional Series of Drawdown Bonds.

One or more additional Series of Drawdown Bonds may be issued under this Series 2026 Resolution, from time to time, at the discretion of the County upon compliance with the conditions set forth in Section 10.01 of the Master Resolution for the issuance of Additional Bonds and the further conditions provided below. Drawings made

with respect to such additional Series of Drawdown Bonds will be made in the manner provided in section 9(d) of this Series 2026 Resolution.

Before any additional Series of GO Bonds shall be issued under the provisions of this section 9(e), the County shall deliver to the Paying Agent and Wells Fargo:

a request and authorization to the Paying Agent on behalf of the County and signed by an Authorized Officer of the County to authenticate and deliver the additional Series of GO Bonds;

confirmation that the purchase price for the initial Drawing under the additional Series of GO Bonds has been received by the Paying Agent; and

an approving opinion of Bond Counsel to the effect that the issuance of the additional Series of GO Bonds has been duly and validly authorized, that the additional Series of GO Bonds constitutes a valid and binding obligation, enforceable against the County in accordance with the terms of such Series (subject to any applicable bankruptcy, reorganization, insolvency, moratorium or similar law affecting the enforcement of creditors' rights generally), that interest on the additional Series of GO Bonds (including any additional Drawings), is not includible in the gross income of the Beneficial Owners of the GO Bonds for federal income tax purposes, and that issuance of the additional Series of GO Bonds will not adversely affect the tax-exempt status of any other GO Bond then Outstanding.

The County shall provide seven Business Days' notice to the Paying Agent of the issuance of any additional Series of GO Bonds. The Paying Agent shall provide

notice to Wells Fargo in the same manner that notice is given for additional Drawings under section 9(d).

Optional Redemption of Drawdown Bonds. Drawdown Bonds are subject to optional redemption in whole or in part at the direction of the County on any Business Day, with twenty (20) days prior written notice to the Holders, the Owner Representative, the Remarketing Agent, if any, and the Tender Agent, if any, at the Redemption Price. Optional redemptions shall be in minimum aggregate principal amounts of \$1,000,000.00 and at no time may the aggregate principal amount of all Outstanding Drawdown Bonds be less than \$10,000,000.00 unless all Outstanding Drawdown Bonds are repaid in full.

Mandatory Sinking Fund Redemption During an Amortization Period. Drawdown Bonds shall be subject to Amortization Installments during the Amortization Period. During the Amortization Period, the Outstanding Drawdown Bonds shall be subject to mandatory redemption through the operation of a sinking fund, commencing on the Amortization Commencement Date and on each succeeding Amortization Payment Date. The amount of the Amortization Installment due on the Amortization Commencement Date shall equal one-sixth ($1/6^{\text{th}}$) of the aggregate principal amount of Drawdown Bonds outstanding at the beginning of the Amortization Period. The amount of the Amortization Installment due on each Amortization Payment Date after the Amortization Commencement Date shall equal one-sixth ($1/6^{\text{th}}$) of the aggregate principal amount of Drawdown Bonds outstanding at the beginning of the Amortization Period. The balance of any Drawdown Bonds outstanding on the Amortization End Date shall be due and payable on the Amortization End Date. During the Amortization Period, the Drawdown Bonds shall be redeemed at a price equal to the Redemption Price. During the Amortization Period, interest on Outstanding

Drawdown Bonds shall accrue at the Amortization Period Interest Rate payable monthly in arrears on each Interest Payment Date.

Conversion.

Upon written direction of the County, (i) all or a portion of the Drawdown Bonds may be converted to one or more Series of Fixed Rate Bonds or Alternate Floating Rate Bonds or (ii) all or a portion of the Alternate Floating Rate Bonds may be converted to one or more Series of Fixed Rate Bonds, in each case on any Business Day. In order to designate any Drawdown Bonds or Alternate Floating Rate Bonds for Conversion, at least ten (10) Business Days prior to the proposed date of such Conversion, the County shall provide written notice substantially in the form of Appendix IV (a "Mode Conversion Notice") to the Registrar, the Remarketing Agent, the Tender Agent, the Purchaser and the Owner Representative. If less than all of the Drawdown Bonds or Alternate Floating Rate Bonds then Outstanding are to be converted, the Drawdown Bonds or Alternate Floating Rate Bonds, as applicable, which are to be converted shall be selected by the County, subject to the provisions of this Series 2026 Resolution regarding Authorized Denominations of GO Bonds. Drawdown Bonds and Alternate Floating Rate Bonds being converted to a Fixed Rate shall be sold as provided in section 12. Drawdown Bonds being converted to the Alternate Floating Rate Mode shall be sold on the Conversion Date to the purchasers identified in the Omnibus Certificate delivered in connection with such Conversion and upon purchase by such purchaser(s) such GO Bonds shall thereafter bear the Alternate Floating Rate determined as provided in section 17(a) of this Series 2026 Resolution.

In the event that (i) the requirements of this section 10 have not been met on or prior to the proposed date of pricing for a scheduled Conversion Date in respect of any Drawdown Bonds or (ii) on or prior to the fifth (5th) Business Day preceding the date proposed as the pricing

date for a scheduled Conversion Date, the County notifies the Remarketing Agent, if any, and the Registrar that it does not want all Drawdown Bonds which were proposed to be converted to Fixed Rate Bonds or Alternate Floating Rate Bonds, as applicable, on such Conversion Date to be converted to Fixed Rate Bonds or Alternate Floating Rate Bonds, as applicable, (x) in the case of clause (i) above, all Drawdown Bonds scheduled for Conversion shall remain Drawdown Bonds and shall not be converted and (y) in the case of clause (ii) above, the portion of the Drawdown Bonds in the County's notice to not be converted shall remain Drawdown Bonds and shall not be converted. The Registrar shall give prompt notice to the Notice Parties of any event described in the first sentence of this paragraph 10(b). In no event shall the failure of Drawdown Bonds to be converted in accordance with the Mode Conversion Notice for any reason be deemed to be an Event of Default. In the event that Alternate Floating Rate Bonds are designated for Conversion by the County pursuant to section 10(a) of this Series 2026 Resolution and a separate supplemental resolution authorizing such Conversion to a Fixed Rate but are not successfully sold bearing the Fixed Rate pursuant to section 12 of this Series 2026 Resolution, such GO Bonds shall be delivered and bear interest at such rate as provided in section 17(b) of this Series 2026 Resolution.

Mandatory Tender and Purchase Provisions.

Mandatory Tender on Conversion Date. GO Bonds designated for Conversion in accordance with section 10 of this Series 2026 Resolution are subject to mandatory tender on the Conversion Date in accordance with section 10(a).

Special Mandatory Tender on Special Mandatory Tender Date. All Drawdown Bonds are subject to mandatory tender on the Special Mandatory Tender Date except for those Drawdown Bonds which, prior to the Special Mandatory Tender Date, are subject to an Amortization Period (which Drawdown Bonds shall continue to be subject to mandatory sinking

fund redemption as provided in section 9(g) rather than mandatory tender). The Paying Agent shall give notice to the Purchaser and the County at least thirty (30) days prior to the Special Mandatory Tender Date of the amount of Drawdown Bonds subject to Special Mandatory Tender and otherwise in the manner provided in section 11(d) of this Series 2026 Resolution.

Agreement to Tender GO Bonds. Any Holder of Drawdown Bonds and Alternate Floating Rate Bonds, by its purchase of such GO Bonds, agrees to tender its Drawdown Bonds and Alternate Floating Rate Bonds, as applicable, to the Tender Agent for purchase on dates on which such GO Bonds are subject to mandatory tender in accordance with this section 11 and, upon such tender, to surrender such GO Bonds properly endorsed for transfer in blank. In the event that the Tender Agent holds sufficient funds in the Bond Purchase Fund to pay the Purchase Price of any GO Bonds which are subject to mandatory tender for purchase and such GO Bonds are not delivered to the Tender Agent at the time, in the manner and at the place required by this section 11, the Undelivered Bonds shall be deemed to have been tendered and purchased by the Tender Agent, and interest accruing on such Undelivered Bonds on and after the applicable Purchase Date shall no longer be payable to the prior Holders thereof. In such event the Tender Agent shall hold the funds representing the Purchase Price for the Undelivered Bonds in a segregated subaccount in the Bond Purchase Fund in trust for the Holders of the Undelivered Bonds. Such prior Holders of the Undelivered Bonds shall have recourse solely to the funds so held by the Tender Agent for the purchase of the Undelivered Bonds and all liability of the County, the Tender Agent and the Paying Agent to the prior Holder thereof for the payment of such Undelivered Bond shall forthwith cease, terminate and be completely discharged, and the Registrar shall not recognize any further transfer of such Undelivered Bonds by such prior Holders. The Registrar or Tender Agent, as the case may be, shall register the transfer of such Undelivered Bonds to the purchaser thereof and

shall issue a new Fixed Rate Bond(s) or Alternate Floating Rate Bond(s), as applicable, and deliver the same pursuant to Section 4.02 of the Master Resolution, notwithstanding such non-delivery.

Notice of Mandatory Tender for Purchase. Notice of any mandatory tender of GO Bonds in substantially the form of Appendix V (a "Mandatory Tender Notice") shall be provided by the Registrar or caused to be provided by the Registrar by mailing a copy of the notice of mandatory tender by first class mail at least thirty (30) days prior to the Purchase Date to the Holders of the GO Bonds subject to mandatory tender. The Registrar shall give a copy of any Mandatory Tender Notice given by it to the County, the Tender Agent, the Remarketing Agent, the Purchaser, the Owner Representative and the Rating Agencies at the same time such Notice is given to Holders of such GO Bonds. Any notice mailed as provided in this section 11 shall be conclusively presumed to have been duly given, whether or not the Holder of an affected GO Bond receives the notice, and the failure of such Holder to receive any such notice shall not affect the validity of the action described in such notice.

Tendered GO Bonds to be Held in Trust. The Tender Agent shall hold all GO Bonds (or portions thereof in Authorized Denominations) delivered to it for purchase pursuant to this section 11 in trust for the benefit of the respective Holders thereof until moneys representing the Purchase Price or redemption price of such GO Bonds (or portions thereof in Authorized Denominations), as the case may be, shall have been delivered to or for the account of or to the order of the Holders thereof or, in the case of Drawdown Bonds, the Drawdown Bonds become subject to an Amortization Period as described in section 11(f) of this Series 2026 Resolution or in the case of Alternate Floating Rate Bonds, shall be subject to section 17(b) of this Series 2026 Resolution.

Insufficient Remarketing Proceeds. If on the Special Mandatory Tender Date there are insufficient funds on deposit in the Bond Purchase Fund and available to pay the Purchase Price of all Drawdown Bonds then subject to mandatory tender, the Tender Agent shall apply the funds in the Bond Purchase Fund to pay the Purchase Price of as many Drawdown Bonds then subject to mandatory tender as possible. Those Drawdown Bonds subject to mandatory tender on the Special Mandatory Tender Date for which there are not funds to pay the Purchase Price shall remain Drawdown Bonds, shall be returned to the tendering (or deemed tendering) bondholder and shall thereafter be subject to the Amortization Period.

Remarketing.

GO Bonds being converted to the Fixed Rate shall be publicly sold by competitive bids in the manner provided in, and in accordance with the requirements of, section 13 of this Series 2026 Resolution and Section 218.385, Florida Statutes and the GO Bonds converted to Alternate Floating Rate Bonds shall be issued or remarketed as set forth in the supplemental resolution relating to the Alternate Floating Rate Mode. Establishment of each Fixed Rate shall be subject to the parameters set forth in section 16(a) hereof and the establishment of each Alternate Floating Rate shall be established in the supplemental resolution related to the Alternate Floating Rate Mode.

IN NO EVENT SHALL THE COUNTY BE REQUIRED TO PROVIDE FUNDS FOR THE PAYMENT OF THE PURCHASE PRICE OF DRAWDOWN BONDS SUBJECT TO TENDER FOR PURCHASE.

The Remarketing Agent shall deliver or cause to be delivered the Fixed Rate Bonds remarketed in accordance with the provisions of the Notice of Sale and upon receipt of the proceeds of the sale of the Fixed Rate Bonds, the Tender Agent shall deposit the proceeds of the sale of such

Fixed Rate Bonds in the Bond Purchase Fund by 12:00 P.M., New York City time (or such later time as the Paying Agent and the Tender Agent shall permit, but in no event later than such time as shall be necessary to enable the Paying Agent to comply with the procedures of DTC), on such Purchase Date.

There is hereby created and established with the Tender Agent a trust fund to be designated "Miami-Dade County, Florida General Obligation Bonds (Building Better Communities Program), Series [as set forth in the applicable Omnibus Certificate] Bond Purchase Fund".

Amounts on deposit in each Bond Purchase Fund shall not be commingled with the amounts held in any other fund or account under this Series 2026 Resolution. All amounts received by any Tender Agent from the applicable Remarketing Agent representing the purchase price of GO Bonds remarketed by the Remarketing Agent shall be deposited in the Bond Purchase Fund and shall be used only for payments of the Purchase Price of the GO Bonds subject to mandatory tender for purchase.

All moneys deposited in any Bond Purchase Fund shall be held in trust by the Paying Agent or the Tender Agent and applied only to pay the Purchase Price of GO Bonds subject to mandatory tender for purchase (except as otherwise provided in section 12(g) of this Series 2026 Resolution).

Amounts on deposit in any Bond Purchase Fund shall either be held uninvested by the Tender Agent or be invested at the written direction of the County only in direct obligations of or obligations unconditionally guaranteed by the United States of America, having a maturity of the lesser of thirty (30) days or when needed. Subject to the requirements of any applicable law to the contrary, any amounts on deposit in any Bond Purchase Fund which remain unclaimed for five

years after the date such moneys were so deposited shall at the written request of the County be paid by the Tender Agent to the County as its absolute property and free from trust, and the Tender Agent shall thereupon be released and discharged with respect thereto and the Holders of GO Bonds subject to purchase shall look only to the County for the payment of the Purchase Price of such GO Bonds.

Notwithstanding anything in this Series 2026 Resolution to the contrary, neither the Paying Agent nor the Tender Agent shall have any right to, or lien whatsoever upon, any of the amounts on deposit in any Bond Purchase Fund for any payment of fees, expenses or other compensation due and owing by the County to the Paying Agent or any Tender Agent, respectively, for any services rendered under this Series 2026 Resolution.

Competitive Sale of Fixed Rate Bonds.

The County Mayor is authorized and directed to provide for the public sale of the Fixed Rate Bonds at the time deemed most advantageous at an aggregate purchase price of not less than one hundred percent (100 percent) of the aggregate principal amount of the Fixed Rate Bonds to be issued and to award the Fixed Rate Bonds to the responsive bidder or bidders offering to purchase the Fixed Rate Bonds at the lowest annual interest cost computed on a true interest cost basis ("TIC"), all as provided in the Notice of Sale; provided, however, that in the event that all bids received result in a TIC in excess of six percent (6.0 percent) or otherwise do not comply with the parameters set forth in section 16(a) of this Series 2026 Resolution, the County Mayor shall reject all bids.

The form of Official Notice of Sale attached as Exhibit C-1 to this Series 2026 Resolution (the "Notice of Sale") is approved, with such variations, omissions and insertions as approved by the County Mayor after consultation with the Municipal Advisor, the County

Attorney and Bond Counsel and which are not inconsistent with the provisions of this Series 2026 Resolution. If all bids are rejected, the Fixed Rate Bonds may subsequently again be offered to public sale by competitive bid in accordance with the provisions of this Series 2026 Resolution.

The public sale by competitive bids of the Fixed Rate Bonds shall be conducted through an internet bidding process (the "Internet Bidding Process") selected and approved by the County Mayor; provided, however, that the County Mayor may determine, after consultation with the Municipal Advisor, County Attorney and Bond Counsel, not to utilize the Internet Bidding Process, in which case such public sale of the Fixed Rate Bonds shall be conducted through the physical delivery (which may be by facsimile) of bids utilizing an official bid form customarily used by the County, as shall be approved by the County Attorney and Bond Counsel.

The County Mayor is further authorized to cause publication, once in *The Miami Herald*, a daily newspaper of general circulation and published in Miami-Dade County, Florida, and/or once in *The Bond Buyer*, a financial journal published in New York, New York, and devoted primarily to municipal bonds, not less than ten (10) days prior to the date of sale, of the Summary Notice of Sale ("Summary Notice of Sale") with respect to the Fixed Rate Bonds, substantially in the form attached as Exhibit C-2 to this Series 2026 Resolution, with such variations, omissions and insertions as approved by the County Mayor after consultation with the Municipal Advisor, the County Attorney and Bond Counsel and which are not inconsistent with this Series 2026 Resolution.

Concurrently with their submission of bids, each bidder shall be required to provide to the County a "truth-in-bonding" statement in accordance with Section 218.385, Florida Statutes, and such other certificates and affidavits as are required by Florida law, as set forth in the Official Notice of Sale. Prior to the issuance of the Fixed Rate Bonds, the successful bidder shall be

required to provide to the County a disclosure statement containing the information required by Section 218.38(1)(b)2, Florida Statutes. The execution and delivery of the Omnibus Certificate shall be conclusive evidence of the award of the Fixed Rate Bonds to the successful bidder (the "Remarketing Agent").

Preliminary Remarketing Circular and Final Remarketing Circular.

In connection with the remarketing and Conversion of GO Bonds to the Fixed Rate Mode, the Board:

approves the delivery and distribution of a Preliminary Remarketing Circular with respect to the GO Bonds being converted to the Fixed Rate Mode, substantially in the form attached as Exhibit D to this Series 2026 Resolution, with such changes, deletions, insertions and omissions as may be deemed necessary and approved by the County Mayor, upon consultation with the Municipal Advisor, the County Attorney, Bond Counsel, and disclosure counsel, and the County Mayor is authorized to deliver the Remarketing Circular on behalf of the County;

approves the delivery and distribution of a final Remarketing Circular with respect to the GO Bonds being converted to the Fixed Rate Mode (the "Remarketing Circular"), in the form of the Preliminary Remarketing Circular, subject to such changes, insertions and deletions as may be deemed necessary and approved by the County Mayor, upon consultation with the Municipal Advisor, Bond Counsel, disclosure counsel, and the County Attorney, and the County Mayor is authorized to deliver the Remarketing Circular on behalf of the County; and

authorizes the delivery and use of the Remarketing Circular by the Remarketing Agent in connection with the remarketing of the GO Bonds being converted to the Fixed Rate Mode.

Tender Agent.

The Paying Agent shall act as the Tender Agent for the GO Bonds, unless the County shall subsequently appoint a successor Tender Agent.

Regardless of any other provisions of this Series 2026 Resolution, the Paying Agent and the Tender Agent shall at all times be the same entity.

Terms of Fixed Rate Bonds.

Upon payment of the Purchase Price for a GO Bond tendered for purchase and converted to a Fixed Rate, each such GO Bond shall be a Fixed Rate Bond and bear a Fixed Rate determined as provided in section 12(a); provided, however, that in no event shall the Fixed Rate exceed the Maximum Rate. Each GO Bond so converted shall bear interest at a Fixed Rate from and after its Conversion Date.

GO Bonds (i) shall be remarketed in one or more Series, with such Series designations, and in such principal amounts, (ii) shall be dated as of such date or dates and remarketed at such time or times, (iii) shall consist of serial Bonds and/or term Bonds, (iv) shall mature on such date, in such year or years, but not later than thirty (30) years from the date of issuance of the GO Bonds being remarketed, (v) shall have a TIC applicable to Fixed Rate Bonds remarketed at one time, not to exceed six percent (6.0 percent) per annum, (vi) shall have such repayment schedule, (vii) shall be sold to the Remarketing Agent at a purchase price not less than one hundred percent (100 percent) of the Fixed Rate Bonds then subject to remarketing, (viii) may be subject to original issue discount and original issue premium, so long as the net proceeds exceed the aggregate principal amount of the GO Bonds to be remarketed, and (ix) may be subject to redemption prior to maturity; all as set forth in this section 16 and as may further be determined by the County Mayor, after consultation with the Municipal Advisor, and set forth in the related Omnibus

Certificate. The execution and delivery of an Omnibus Certificate shall be conclusive evidence of the Board's approval of the final terms and provisions of Fixed Rate Bonds.

Fixed Rate Bonds shall be substantially in the form of Appendix II to this Series 2026 Resolution and may contain such changes, modifications, additions or deletions as the County Mayor deems necessary or appropriate to reflect such Conversion to a Fixed Rate Mode.

Interest on Fixed Rate Bonds shall be paid in arrears on each Interest Payment Date computed upon the basis of a 360-day year comprised of twelve 30-day months.

Fixed Rate Bonds may be subject to redemption in whole or in part prior to maturity upon such terms and conditions as are set forth in the related Omnibus Certificate. The County shall furnish to each Rating Agency the notice provided in Section 5.02 of the Master Resolution, but the failure to provide such notice shall not affect the validity of any such redemption.

Terms of Alternate Floating Rate Bonds.

Alternate Floating Rate. During an Alternate Floating Rate Period, each Series of Alternate Floating Rate Bonds subject to such period shall bear interest at the applicable Alternate Floating Rate calculated on the basis of a 360-day year comprised of twelve 30-day months. The Calculation Agent shall determine the Alternate Floating Rate for each Series of Alternate Floating Rate Bonds on each related Alternate Floating Rate Reset Date during such Alternate Floating Rate Period, and such rate shall become effective on such Alternate Floating Rate Reset Date. If the Alternate Floating Rate for a Series of Alternate Floating Rate Bonds is not determined by the Calculation Agent on the Alternate Floating Rate Reset Date, such Series of Alternate Floating Rate Bonds shall continue to bear interest at the Alternate Floating Rate in effect on the immediately preceding Alternate Floating Rate Reset Date until the Calculation Agent next determines the Alternate Floating Rate for such maturity as required hereunder.

Failed Remarketing during Alternate Floating Rate Period. In the event that during the Alternate Floating Rate Period, GO Bonds subject to such period are designated for Conversion to a Fixed Rate pursuant to section 10(a) of this Series 2026 Resolution but are not successfully sold pursuant to section 12 of this Series 2026 Resolution, such Series of GO Bonds shall be returned to the Owners thereof and such Series of GO Bonds shall thereafter bear interest at a rate equal to the Failed Remarketing Rate until such Series of GO Bonds are remarketed or otherwise repaid in full.

Optional and Mandatory Redemption of GO Bonds during an Alternate Floating Rate Period. During any Alternate Floating Rate Period, the GO Bonds subject to any such interest rate period may be optionally and shall be mandatorily redeemed at such times and at such prices as are provided in the related Omnibus Certificate.

Tax Exemption.

In accordance with the provisions of Section 9.03 of the Master Resolution, the County covenants to comply with the requirements of the Internal Revenue Code of 1986, as amended, relating to the exclusion of interest on the GO Bonds from gross income for federal income tax purposes.

Credit Facilities.

If the County Mayor determines, after consultation with the Municipal Advisor, that there is an economic benefit to the County to secure and pay for one or more Credit Facilities with respect to the Fixed Rate Bonds, the County Mayor is authorized to secure one or more Credit Facilities with respect to the Fixed Rate Bonds. The County Mayor is authorized to provide for the payment of any premiums on or fees for such Credit Facilities and, after consultation with the County Attorney and Bond Counsel, to enter into, execute and deliver such Credit Agreements as

may be necessary to secure such Credit Facilities, with the County Mayor's execution of any such Credit Agreements to be conclusive evidence of the Board's approval of such agreements.

Any Credit Agreements with any Providers of Credit Facilities shall supplement and be in addition to the provisions of the Ordinance.

Continuing Disclosure.

The County agrees, in accordance with the provisions of, and to the degree necessary to comply with, the continuing disclosure requirements of Rule 15c2-12 of the Securities and Exchange Commission (the "Rule"), to provide or cause to be provided for the benefit of the Beneficial Owners to the Municipal Securities Rulemaking Board (the "MSRB") in an electronic format prescribed by the MSRB and such other municipal securities information repository as may be required by law or applicable regulation, from time to time (each such information repository, a "MSIR"), the following annual financial information (the "Annual Information"), commencing with the first Fiscal Year ending after the Conversion of the initial Series of GO Bonds to the Fixed Rate:

Information relating to assessed values, ad valorem tax collections and exemptions from ad valorem taxes within the County in a form which is generally consistent with the presentation of such information in the Remarketing Circular for such GO Bonds;

The County's Annual Comprehensive Financial Report utilizing generally accepted accounting principles applicable to local governments.

The information in paragraphs (i) and (ii) above is expected to be available on or before June 1 of each year for the preceding Fiscal Year, commencing on June 1 of the calendar year next succeeding the calendar year in which the related Conversion takes place, and will be made

available, in addition to each MSIR, to each Beneficial Owner who requests such information in writing. The County's Annual Comprehensive Financial Report referred to in paragraph (ii) above is expected to be available separately from the information in paragraph (i) above and will be provided by the County as soon as practical after acceptance of the County's audited financial statements from the auditors by the County. The County's Annual Comprehensive Financial Report is generally available within eight (8) months from the end of the Fiscal Year if such Report is not available within eight (8) months from the end of the Fiscal Year, unaudited information will be provided in accordance with the time frame set forth above and the County's Annual Comprehensive Financial Report will be provided as soon as practicable after such time as such Report becomes available.

The County agrees to provide or cause to be provided, in a timely manner not in excess of ten (10) business days after the occurrence of the event, to each MSIR in the appropriate format required by law or applicable regulation, notice of occurrence of any of the following events with respect to the GO Bonds:

- (1) principal and interest payment delinquencies;
- (2) non-payment related defaults, if material;
- (3) unscheduled draws on debt service reserves reflecting financial difficulties;
- (4) unscheduled draws on credit enhancements reflecting financial difficulties;
- (5) substitution of credit or liquidity providers, or their failure to perform;
- (6) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with

respect to the tax status of the GO Bonds, or other material events affecting the tax status of the GO Bonds;

- (7) modifications to rights of holders of the GO Bonds, if material;
- (8) bond calls, if material, and tender offers;
- (9) defeasances;
- (10) release, substitution or sale of any property securing repayment of the GO Bonds, if material (the GO Bonds are secured solely by ad valorem taxes levied on property within the County);
- (11) rating changes;
- (12) bankruptcy, insolvency, receivership or similar event of the County (which is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the County in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the County, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the County);
- (13) the consummation of a merger, consolidation, or acquisition involving the County or the sale of all or substantially all of the assets of the County, other

than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;

(14) appointment of a successor or additional trustee or the change of name of the trustee, if material; and

(15) incurrence of a Financial Obligation of the obligated person, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the obligated person, any of which affect security holders, if material; and

(16) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the obligated person, any of which reflect financial difficulties.

For purposes of clauses (15) and (16) above, "financial obligation" shall have the meaning set forth in the Rule.

The County agrees to provide or cause to be provided, in a timely manner, to each MSIR, in the appropriate format required by law or applicable regulation, notice of its failure to provide the Annual Information with respect to itself on or prior to the June 1 following the end of the preceding Fiscal Year.

The obligations of the County under this section 20 shall remain in effect only so long as the GO Bonds are Outstanding. The County reserves the right to terminate its obligations to provide the Annual Information and notices of material events, as set forth in subsection (b) above, if and when the County no longer remains an "obligated person" with respect to the GO Bonds within the meaning of the Rule.

The County agrees that its undertaking pursuant to the Rule set forth in this section 20 is intended to be for the benefit of the Beneficial Owners and shall be enforceable by the Beneficial Owners if the County fails to cure a breach within a reasonable time after receipt of written notice from a Beneficial Owner that a breach exists; provided, however, that any Beneficial Owner's right to enforce the provisions of this undertaking shall be on behalf of all Beneficial Owners and shall be limited to a right to obtain specific performance of the County's obligations under this section 20 in a federal or state court located within the County and any failure by the County to comply with the provisions of this undertaking shall not be a default with respect to the GO Bonds.

Notwithstanding the foregoing, each MSIR to which information shall be provided shall include each MSIR approved by the Securities and Exchange Commission (the "SEC") prior to the issuance of the GO Bonds. In the event that the SEC approves any additional MSIRs after the date of issuance of the GO Bonds, the County shall, if the County is notified of such additional MSIRs, provide such information to the additional MSIRs. Failure to provide information to any new MSIR whose status as an MSIR is unknown to the County shall not constitute a breach of this covenant.

The requirements of subsection (a) above do not necessitate the preparation of any separate annual report addressing only the GO Bonds. The requirements of subsection (a) may be met by the filing of an annual information statement or the County's Annual Comprehensive Financial Report, provided such report includes all of the required Annual Information and is available by June 1 of each year for the preceding Fiscal Year. Additionally, the County may incorporate any information in any prior filing with each MSIR or included in any Official Statement of the County, provided such Official Statement is filed with the MSRB.

The County reserves the right to modify from time to time the specific types of information provided or the format of the presentation of such information, to the extent necessary or appropriate in the judgment of the County; provided that the County agrees that any such modification will be done in a manner consistent with the Rule.

Except to cure any ambiguity, inconsistency or formal defect or omission in the provisions of this section 20, the County covenants as to secondary disclosure (the "Covenants") may only be amended if:

the amendment is made in connection with a change in circumstances that arises from a change in legal requirements, a change in law or a change in the identity, nature or status of the County or type of business conducted; the Covenants, as amended, would have complied with the requirements of the Rule at the time of the issuance of such GO Bonds, after taking into account any amendments or change in circumstances; and the amendment does not materially impair the interests of the Beneficial Owners, as determined by disclosure counsel or other independent counsel knowledgeable in the area of federal securities laws and regulations; or

all or any part of the Rule, as interpreted by the staff of the SEC at the date of the adoption of this Series 2026 Resolution, ceases to be in effect for any reason, and the County elects that the Covenants shall be deemed amended accordingly.

Any assertion of beneficial ownership must be filed with the County along with full documentary support, as part of the written request described above.

The Board further authorizes and directs the County Mayor to cause all other agreements to be made or action to be taken as required in connection with meeting the County's obligations as to the Covenants. The County Mayor shall further be authorized to make such additions,

deletions and modifications to the Covenants as she shall deem necessary or desirable in consultation with the County Attorney, Bond Counsel and disclosure counsel. The delivery of the Remarketing Circular containing any such additions, deletions and modifications for and on behalf of the County shall be conclusive evidence of the Board's approval of any such additions, deletions and modifications.

Further Action.

The County Mayor, the County Attorney, the Clerk of the Board and other appropriate employees and officials of the County are authorized and directed, collectively or individually, to take all such further action and to execute any and all documents, certificates and other agreements or undertakings necessary or desirable in connection with the issuance of the GO Bonds, the sale of the GO Bonds, the consummation of all transactions in connection with the issuance and sale of the GO Bonds, the Conversion of the Interest Rate Mode of the GO Bonds, and the consummation of all transactions in connection with the remarketing of the GO Bonds subject to Conversion, all as contemplated in this Series 2026 Resolution.

Dealings in GO Bonds.

The Paying Agent, the Registrar, the Tender Agent, a Credit Facility Provider, the Remarketing Agent, and the County, each in its individual capacity, may in good faith and to the extent otherwise permitted by law, buy, sell, own, hold and deal in any of the GO Bonds, and may join in any action which any Holder of the GO Bonds may be entitled to take with like effect as if it did not act in any capacity hereunder. The Paying Agent, the Registrar, a Credit Facility Provider, the Tender Agent or the Remarketing Agent, each in its individual capacity, either as principal or agent, may also engage in or be interested in any financial or other transaction with the County, and may act as depository, trustee, or agent for any committee or body of Holders of any GO

Bonds secured hereby or other obligations of the County as freely as if it did not act in any capacity hereunder or under the Credit Facility.

Notices.

The County agrees to furnish written notice to each Rating Agency and the Credit Facility Provider, if any, of the following: (i) any change in the Paying Agent or the Tender Agent, (ii) the defeasance of any GO Bonds, and (iii) a change in the Interest Rate Mode on the GO Bonds. Such notices shall be furnished to each such Rating Agency at the addresses below, or such other address as may be specified by such Rating Agency in writing to the County.

Several Capacities.

Anything provided in this Series 2026 Resolution to the contrary notwithstanding, the same entity may serve hereunder as the Paying Agent, the Tender Agent and a Remarketing Agent, and in any combination of such capacities to the extent permitted by law. Any such entity may in good

faith buy, sell, own, hold and deal in any of the GO Bonds and may join in any action which any Owners may be entitled to take with like effect as if such entity were not appointed to act in such capacity, under this Series 2026 Resolution.

Limitation on Rights of Credit Facility Provider.

Anything provided herein or in this Series 2026 Resolution to the contrary notwithstanding, no Credit Facility Provider shall be entitled to any benefits of this Series 2026 Resolution or any rights specifically granted to it thereunder to consent to, approve or participate in any actions proposed to be taken by the County, a Holder of Fixed Rate Bonds, or any of them pursuant to this Series 2026 Resolution if:

the Credit Facility Provider shall be in default in the due and punctual performance of its payment obligations under the Credit Facility or if the Credit Facility issued by such Credit Facility Provider for whatever reason is not then enforceable and in full force and effect; or

the Credit Facility Provider shall apply for or consent to the appointment of a receiver, custodian, trustee or liquidator of the Credit Facility Provider or of all or a substantial part of its assets, or shall admit in writing its inability, or be generally unable, to pay its debts as such debts become due, or shall make a general assignment for the benefit of its creditors, or commence a voluntary case under the Federal Bankruptcy Code (as now or hereafter in effect) or shall file a petition seeking to take advantage of any other law relating to bankruptcy, insolvency, reorganization, winding up or composition or adjustment of debts, or shall fail to contest in a timely and appropriate manner, or acquiesce in writing to, any other petition filed against the Credit Facility Provider in any involuntary case under said Federal Bankruptcy Code, or shall take any other action for the purpose of effecting the foregoing; or

any proceeding or case shall be commenced without the application or consent of the Credit Facility Provider, in any court of competent jurisdiction seeking the liquidation, reorganization, dissolution, winding up or composition or readjustment of debts of the Credit Facility Provider or the appointment of a trustee, receiver, custodian, liquidator, sequestrator (or other similar official) or the like, of the Credit Facility Provider or of all or a substantial part of its assets, or similar relief with respect to the Credit Facility Provider under any law relating to bankruptcy, insolvency, reorganization, winding up or composition or adjustment of debts, or for relief, rehabilitation, conservation, liquidation or dissolution under the New York Insurance Law or any successor or similar applicable provision of New York law or the law of any other state and such proceeding or case shall continue undismissed and an order, judgment or decree approving or ordering any of the foregoing shall be entered and continue unstayed in effect for a period of sixty (60) consecutive days from the commencement of such proceedings or case, or any order for relief against the Credit Facility Provider shall be entered in an involuntary case under said Federal Bankruptcy Code; or

the Credit Facility Provider shall no longer insure or secure any of the Fixed Rate Bonds.

CUSIP Numbers.

Any "CUSIP" identification numbers imprinted on the GO Bonds shall not constitute a part of the contract evidenced by the GO Bonds and any error or omission with respect thereto shall not constitute cause for refusal of any purchaser to accept delivery of and pay for the GO Bonds. In addition, failure on the part of the County, the Paying Agent or the Registrar to use such CUSIP numbers in any notice to Owners of the GO Bonds shall not constitute an event of default or any similar violation of the County's contract with such Owners.

Powers of Amendment.

In addition to any other amendments permitted by this Series 2026 Resolution and as may be provided in an Omnibus Certificate, this Series 2026 Resolution may be amended or modified at any time or from time to time without the consent of, or notice to, the Holders of the GO Bonds, but with the prior written consent of the Credit Facility Provider, if any, if its rights or obligations or the rights of the Beneficial Owners of the Fixed Rate Bonds are adversely affected, and the prior written consent of the Owner Representative for a Series of the Drawdown Bonds, if any, if its rights or obligations or the rights of the Beneficial Owners of the Drawdown Bonds of such Series to which the Owner Representative relates are adversely affected, for one or more of the following purposes:

To make any change to this Series 2026 Resolution affecting only the Fixed Rate Bonds when all GO Bonds have been tendered pursuant to the terms of this Series 2026 Resolution but have not yet been remarketed following such tender;

Effective upon any Conversion Date, to make any amendment affecting only the GO Bonds being converted, including (without limitation), the Conversion of Drawdown Bonds to Alternate Floating Rate Bonds;

To modify this Series 2026 Resolution or the GO Bonds if at least thirty (30) days' notice of such modification is provided to the Holders of the GO Bonds and the GO Bonds are subject to mandatory tender at any time during such notice period.

Notwithstanding any provision to the contrary herein, but subject to the provisions of section 25 hereof, any provision of this Series 2026 Resolution expressly recognizing or granting rights in or to a Credit Facility Provider, if any, may not be amended in any manner which affects the rights

of the Credit Facility Provider hereunder without the prior written consent of the Credit Facility Provider.

Severability; Resolution Controlling.

If any one or more of the covenants, agreements or provisions of this Series 2026 Resolution shall be held contrary to any express provisions of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed separate from the remaining covenants, agreements or provisions of this Series 2026 Resolution or of the GO Bonds. All or any part of resolutions or proceedings in conflict with the provisions of this Series 2026 Resolution are to the extent of such conflict repealed or amended to the extent of such inconsistency.

Governing Law; Venue.

The GO Bonds are to be issued and this Series 2026 Resolution is adopted and such other instruments (other than the Blanket Issuer Letter of Representations) necessary for the issuance of the GO Bonds shall be executed and delivered with the intent that the laws of the State shall govern their construction. Venue shall be Miami-Dade County, Florida.

No Recourse Against County's Officers.

No covenant, agreement or obligation contained in this Series 2026 Resolution shall be deemed to be a covenant, agreement or obligation of any present or future official, officer, employee or agent of the County in the individual capacity of such person, and no official, officer or employee of the County executing the GO Bonds shall be liable personally on the GO Bonds or be subject to any personal liability or accountability by reason of the issuance of the GO Bonds. No official, officer, employee, agent or advisor of the County shall incur any personal liability

with respect to any other action taken by such person pursuant to this Series 2026 Resolution, provided the official, officer, employee, agent or advisor acts in good faith, but this section 30 shall not relieve any official, officer, employee, agent (other than the County) or advisor of the County from the performance of any official duty provided by law or this Series 2026 Resolution.

Action Required on Non-Business Day. Notwithstanding anything to the contrary contained in this Series 2026 Resolution, in the event that any payment, action or notice required by this Series 2026 Resolution is required or scheduled for a day which is not a Business Day, except as otherwise provided in this Series 2026 Resolution, such payment, action or notice shall take place on the next succeeding Business Day with the same effect as if made on the required or scheduled date, and no Event of Default shall exist solely because of the failure to make such payment, take such action or give such notice on such required or scheduled date. With regard to Drawdown Bonds, the amounts payable on any such succeeding Business Day shall be calculated as provided in Section 3.2(c) of the Bondholder's Agreement.

Further Acts. The County Mayor, the Finance Director, the County Attorney, the Clerk and other officers, employees and agents of the County are authorized and directed to do all acts and things and to execute and deliver any and all documents and certificates which they deem necessary or advisable in order to consummate the issuance of the GO Bonds and otherwise to carry out, give effect to and comply with the terms and intent of this Series 2026 Resolution, the GO Bonds and the documents described in this Series 2026 Resolution. In the event that the County Mayor, the Finance Director, the Clerk or the County Attorney is unable to execute and deliver the documents contemplated in this Series 2026 Resolution, such documents shall be executed and delivered by the respective designee of such officer or official or any other duly authorized officer or official of the County.

Headings Not Part of Resolution. Any heading preceding the text of the several sections of this Series 2026 Resolution, and any table of contents or marginal notes appended to copies of this Series 2026 Resolution, shall be solely for convenience of reference and shall not constitute a part of this Series 2026 Resolution, nor shall they affect its meaning, construction or effect.

Electronic Signatures. Except as otherwise provided in the Master Resolution, any contract, instrument (except instruments of transfer of any GO Bonds), certificate (except the certificate of authentication on any GO Bonds) or other document required to be executed and delivered in connection with the issuance of the GO Bonds authorized in this Series 2026 Resolution may be signed using an "electronic signature" (as such term is defined in Section 668.50, Florida Statutes, as amended) in the manner authorized by Section 668.50, Florida Statutes, as amended, and acceptable to the County, and may be delivered via electronic or other similar transmission method, including, without limitation, .pdf file, .jpeg file or any other electronic or image file acceptable to the County. Any contract, instrument, certificate or other document executed and delivered as described in this section 34 shall be valid, effective and legally binding as if the electronic signatures thereon were manually executed and shall be deemed to have been duly and validly delivered for all purposes of said contract, instrument, certificate or document. The execution and delivery of any contract, instrument, certificate or other document as described in this section 34 shall constitute conclusive evidence of (i) the parties' intention to be bound by the signatures of the electronically transmitted or signed signatures and the delivery of the same shall be as effective as delivery of a manually executed counterpart of any such contract, instrument, certificate or other document in connection with the GO Bonds authorized hereby and (ii) the parties' waiver of any defenses to the validity and enforceability of the terms of any such contract, instrument, certificate or other document based on the form of the signature, and such electronically transmitted or signed

signatures shall be conclusive proof, admissible in judicial proceedings, of the parties' execution of any such contract, instrument, certificate or document.

Waiver. The provisions of Resolution No. R-130-06, as amended from time to time, requiring that any contracts of the County with third parties be executed and finalized prior to their placement on an agenda of the Board are hereby waived at the request of the County Mayor for the reasons set forth in the County Mayor's Memorandum.
