Agenda Item No. 8(N)(7)

To: Honorable Chairman Anthony Rodriguez
and Members, Board of County Commissioners

From: Daniella Levine Cava *Daniella Levine Cava*
Mayor

Subject: Resolution Retroactively Approving and Authorizing the Execution of a License Agreement between Miami-Dade County and Kelco Dadeland Associates, Ltd.

Executive Summary

The purpose of this item is to gain retroactive approval and authorization of the Miami-Dade Board of County Commissioners (Board) to waive formal bid procedures to execute a License Agreement between the County and Kelco Dadeland Associates, Ltd. (Kelco). The Agreement, effective retroactively to February 7, 2026, will allow Kelco to continue to use County-owned property located in proximity to the Dadeland North Metrorail Station right-of-way, specifically at the northeast corner of S.W. 70th Avenue and US-1, for the purpose of maintaining an illuminated directional sign and pay rent to the County. This Agreement replaces the previous license agreement that expired on February 6, 2026. Due to delays in the process related to the required surveying and appraisals, this item is being provided for retroactive consideration.

Under the Agreement, Kelco agrees to pay \$6,000 annually in rent to the County for the first year of the agreement with the rent increasing by three percent each year that the agreement remains in effect. The Agreement has an initial term of five years with four, five-year renewal terms for a total potential term of 25 years. If the agreement remains in effect for the full 25 years, the total rent to be paid to the County is estimated to be \$218,755.

This item requires the Board to waive formal bid procedures pursuant to Section 2-8.1(3) of the Miami-Dade County Code and Section 5.03(D) of the Home Rule Charter. In 1998, Ordinance No. 98-14 allowed directional signs within the Dadeland Subzone, including one for the Hampton Inn on property owned by Kelco. In 1999, the Downtown Kendall Urban Center District (the "DKUCD") was adopted, replacing the earlier ordinance and removing provisions that would allow such sign variances. When Kelco sought to install a directional sign in 2001, it was unable to obtain a building permit due to the superseding DKUCD regulations. In 2004, the Board granted Kelco vested rights under the original 1998 ordinance, allowing the directional sign to be erected within the rapid transit zone. A waiver of competitive bid procedures is in the best interest of the County because Kelco is the only entity legally authorized to place a sign in accordance with the zoning variance. Moreover, Kelco already installed the sign pursuant to the previous agreement and desires to retain the right to maintain the sign at that location.

Recommendation

It is recommended that the Board: (1) waive formal bid procedures; (2) approve the License Agreement; and (3) authorize the County Mayor or the County Mayor's designee to execute

Honorable Chairman Anthony Rodriguez
and Members, Board of County Commissioners

Page No. 2

the agreement on behalf of the County and exercise all provisions of the agreement, including termination provisions.

Scope

The right-of-way area where the sign is located is in Commission District 7, represented by Commissioner Raquel A. Regalado.

Delegation of Authority

The County Mayor or the County Mayor's designee shall have the authority to execute the License Agreement on behalf of the County and to exercise the provisions contained therein, including termination provisions.

Fiscal Impact/Funding Source

The License Agreement requires Kelco to pay \$6,000 annually in rent to the County for the first year of the agreement with the rent increasing by three percent each year that the agreement remains in effect. The agreement has an initial term of five years, retroactive to February 7, 2026, with four, five-year renewal terms for a total potential term of twenty-five years. If the agreement remains in effect for the full twenty-five years, the total rent to be paid to the County is estimated to be \$218,755.

Track Record/Monitor

Department of Transportation and Public Works Assistant Director for Transit Project Management and Support Services, Javier Bustamante, will be responsible for monitoring the License Agreement.

Background

In February 2006, the County entered into a license agreement with Kelco which allowed Kelco to install and maintain an illuminated sign, which provides directions to its nearby Hampton Inn Hotel, in the Metrorail right-of-way on the northwest corner of U.S. 1 and SW 70th Avenue. That agreement expired on February 6, 2026, and Kelco desires to retain the right to maintain the sign at that location. Consequently, the County and Kelco have negotiated a new License Agreement. The new agreement will be retroactively effective to February 7, 2026, and has an initial term of five years with four, five-year renewal terms. However, the agreement also provides for the County to terminate the agreement, without cause, with 180 days' notice if the area where the sign is located is needed for any other purpose.

In order to receive a permit from the County to install the sign under the previous agreement, Kelco was required to obtain a zoning variance. Consequently, Kelco remains the only entity authorized to install and maintain a sign in this area, thereby precluding a competitive procurement process and necessitating a waiver of formal bid procedures for the County to enter into this new License Agreement with Kelco.

Licensee shall submit to Licensor two (2) sets

of Construction Plans for the improvement to be made in the License Area. After approval by Licensor of the Construction Plans, Licensee shall have the right to make minor changes therein which do not substantially or materially alter the Construction Plans as approved. In the event of disapproval, Licensee shall, within sixty (60) business days after the date Licensee receives such disapproval make those changes to the Construction Plans reasonably necessary to meet Licensor's stated grounds for disapproval and shall resubmit such altered plans to Licensor. Any resubmission shall be subject to review and approval by Licensor in accordance with the procedures hereinabove provided for original submission, until the same shall receive final approval by Licensor. Licensor and Licensee shall in good faith attempt to resolve any disputes regarding the Construction Plans. 10. Licensor's Right as Sovereign.

It is expressly understood that notwithstanding any provision of this Agreement and Miami-Dade County's status as Licensor hereunder: (a) Miami-Dade County retains all of its sovereign prerogatives and rights as a county under Florida laws and shall not be estopped from withholding or refusing to issue any approvals of and applications for buildings, zoning, planning, or development under present or future laws and regulations of whatever nature applicable to the design, construction and development of the improvement provided for in this Agreement and (b) Miami-Dade County is not obligated to grant any applications for building, zoning, planning, or development under present or future laws and regulations of whatever nature applicable to the design, construction, and development of the improvement provided for in this Agreement. 11. Conformity of Plans.

The Construction Plans and all work by Licensee with respect to the License Area and to Licensee's construction of improvements thereon (if any) shall be in conformity with this Agreement, applicable building codes, and all other applicable Federal, State, County, and local laws and regulations.

12. Licensee's Obligations.

Licensor's approval of any of the Construction Plans shall not relieve Licensee of its obligations under law to file such plans with any department of Miami-Dade County or any other governmental authority having jurisdiction over the issuance of building or other permits and to take such steps as are necessary to obtain the issuance of such permits.

Licensee acknowledges that any approval given by Licensor shall not constitute an opinion or agreement by Licensor that the plans are structurally sufficient or in compliance with any Laws, Ordinances, or Codes or other applicable regulations, and no such approval shall impose any

liability upon Licensor. Licensee shall provide to Licensor an "as built" set of Construction Plans for any improvements constructed on the License Area by Licensee.

13. Costs of Sign.

Licensor shall not be responsible for any costs or expenses associated with improvements to the License Area.

It is expressly understood that Licensee is solely responsible for the personal safety of its employees, invitees, or any other persons entering the License Area in connection with this Agreement, as well as all equipment and/or personal property installed or brought into the License Area. Licensor shall not in any way assume responsibility for the personal safety of such persons, equipment, or personal property in case of loss, theft, damage, or any other type of casualty which may occur. Licensee shall provide security, if any, at its sole cost and expense to ensure the personal safety of its employees, agents, invitees, and others, as well as to protect any personal property. The provision of such security, if any, shall be coordinated by and subject to the approval of the Licensor. This paragraph is intended solely for the benefit of Licensor and shall not grant any benefit of right to any third party.

16. Indemnification.

Licensee shall indemnify and hold harmless Miami-Dade County and its officers, employees, agents and instrumentalities from any and all liability, losses, or damages, including attorneys' fees and costs of defense which Miami-Dade County or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the issuance of this Agreement and/or the use of the License Area to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of the Licensee or its employees, agents, servants, partners, principals, contractors or subcontractors, or any third party.

Licensee shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits, or actions of any kind or nature in the name of Miami-Dade County, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorneys' fees which may issue thereon. Licensee expressly understands and agrees that any insurance protection required by this Agreement or otherwise provided by Licensee shall in no way limit the responsibility to indemnify, keep and save harmless and defend Miami-Dade County or its officers, employees, agents and instrumentalities as herein provided.

If an Event of Default on the part of the Licensee shall occur, Licensor, at any time after the periods set forth in Section 23, shall give written notice to Licensee and to any other parties entitled to such notice, specifying such Event(s) of Default and stating that this Agreement and the term hereby demised shall expire and terminate on the date specified in such notice, which shall be at least fifteen (15) days after giving of such notice, and upon the date specified in such notice, this Agreement and the term hereby demised and all rights of Licensee under this Agreement shall expire and terminate.

If the Event of Default on the part of a party (the "Defaulting Party") shall occur, the party not in default (the "Non-Defaulting Party") at any time after periods for exercise of rights as set forth herein shall have the following rights and remedies which are cumulative:

- (a) In addition to any and all other remedies, in law or in equity, that the Non-Defaulting Party may have against the Defaulting Party, the Non-Defaulting Party shall be entitled to sue the Defaulting Party for all damages, costs and expenses arising from Non-Defaulting Party's committing an Event of Default hereunder and recover all such damages, costs and expenses, including reasonable attorney's fees at both trial and appellate levels.

- (a) Shall be made by the Miami-Dade County Mayor or his/her designee on behalf of the Licensor.
- (b) Shall not be unreasonably or arbitrarily withheld, conditioned or delayed unless specifically provided to the contrary, and shall not require a fee from Licensee,

- (d) Shall apply only to the specific act or transaction so approved or consented to and shall not relieve Licensee of the obligation of obtaining Licensor's prior written consent or approval to any future similar act or transaction.
- (e) Licensor may reject or object to all written requests for consent or approval from Licensee within thirty (30) days of such request. Any such rejection or objection shall specify the actions or changes Licensee may take or make so that Licensor will consent to or approve of Licensee's request.

26. Termination.
