Agenda Item No. 8(G)(7)

Subject: Setting of Proposed FY 2026-27 Library District Operating Millage Rate

Executive Summary

This item seeks approval of the Library District Operating millage rate of 0.2812 mills. This flat rate is recommended in the FY 2026-27 Proposed Budget. The administration has developed a proposed budget that prioritizes sustaining our current level of services for the Library District, completing required capital projects mandated by 40-year certification and other requirements to be completed within the five-year forecast. Continued support of our award-winning, nationally recognized Miami-Dade Public Library System delivers measurable results, demonstrated by the seventy-seven (77) National Association of Counties (NaCO) Achievement Awards earned this year.

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the Library District operating millage rate of 0.2812 mills, as proposed in the FY 2026-27 Proposed Budget, for use in preparing the "Notice of Proposed Property Taxes" to be mailed to all property owners in August.

Scope

State law requires that all property owners be advised of proposed property taxes along with notification of public budget hearings. The Property Appraiser will mail required notices to all property owners in August using proposed tax rates adopted by all taxing authorities in Miami-Dade County.

Delegated Authority

This item contains no delegations of authority to the County Mayor or Mayor's designee.

Fiscal Impact/Funding Source

The millage rate recommended will generate \$128.59 million in ad valorem revenue for the Library District.

Track Record/Monitor
