

Memorandum

Date: October 6, 2026

To: Honorable Chairman Anthony Rodriguez
and Members, Board of County Commissioners

From: Daniella Levine Cava *Daniella Levine Cava*
Mayor

Agenda Item No. 3(B)(3)

Subject: Resolution Ratifying the Award of Construction Contract No. S-15241 for the Installation of a New Sewer Force Main along Golden Beach Drive and Collins Avenue with R&G Engineering, Inc.

Executive Summary

This item seeks ratification by the Board of County Commissioners (the Board) of the action of the County Mayor or County Mayor's designee approving the competitive award of Construction Contract No. S-15241 (the Contract) for the *Installation of a New Sewer Force Main along Golden Beach Drive and Collins Avenue* (the Project) with R&G Engineering, Inc. (the Contractor). The Contract is for a total amount of \$3,998,893.62 and a total Contract term of 330 calendar days. **The Contractor was the lowest responsive and responsible bidder and submitted a bid that was approximately 20% below the Engineer of Record's Opinion of Probable Construction Cost.**

The Project is for the furnishing and installation of approximately 5,800 linear feet (LF) of 10-inch and 6-inch force main from Miami-Dade Water and Sewer Department's (WASD's) Pump Station No. 0493 to Manhole No. 0137. The new force main will replace existing infrastructure that is severely corroded, has reached the end of its useful life, and has experienced previous failures. Replacing this deteriorated infrastructure will improve system reliability and reduce the risk of future service disruptions and emergency repairs.

This Project is part of WASD's \$9.03 billion Multi-Year Capital Improvement Program, which reflects the Department's ongoing investment in its wastewater system through the replacement of high-risk, aging pipelines and infrastructure. These improvements will help ensure continued and reliable service, provide increased capacity to support economic growth in the area, and reduce the risk of future system failures.

Recommendation

It is recommended that the Board ratify the action of the County Mayor or County Mayor's designee, as authorized under Section 2-8.2.12 of the County Code (WASD's Acceleration Ordinance). Details about the Contract are shown on Exhibit A, attached hereto.

Scope

The Contract will be performed in the Town of Golden Beach along Golden Beach Drive and Collins Avenue, located in Commission District 4, which is represented by Commissioner Micky Steinberg.

Delegation of Authority

The Contract was awarded pursuant to WASD's Acceleration Ordinance, which delegates authority to the County Mayor or County Mayor's designee to award certain projects, and, among other things, negotiate and settle claims and execute change orders that do not exceed ten percent (10%) of the base contract amount subject to ratification by the Board.

Fiscal Impact/Funding Source

The fiscal impact to the County will be \$3,998,893.62 and will be funded from WASD Revenue Bonds Sold, Future WASD Revenue Bonds, and Wastewater Renewal and Replacement Fund. There is no impact to the General Fund. The Project is in WASD's Fiscal Year 2026-2027 Proposed Budget and Multi-Year Capital Plan, under North District Force Main Network – Infrastructure Improvements, Capital Program #9652101, Volume #3, Page #127.

Track Record/Monitoring

WASD's Deputy Director of Planning, Regulatory Compliance and Capital Infrastructure, Marisela Aranguiz-Cueto, P.E., will oversee implementation of this Contract.

Due Diligence/Safety Information

Due diligence was conducted by WASD in accordance with the County's Procurement Guidelines to determine responsibility, including verifying corporate status; performance; safety record, including Occupational Safety and Health Administration (OSHA) records; and compliance data. The lists that were reviewed include: convicted vendors, debarred vendors, delinquent contractors, suspended vendors, and federal excluded parties. There were no adverse findings related to the Contractor's responsibility. This information is being provided pursuant to Resolution No. R-187-12 and Resolution No. R-1181-18.

Background

On September 3, 2014, the Board approved Ordinance No. 14-77 authorizing the County Mayor or County Mayor's designee to award contracts for funded capital projects and related goods and services, and to accelerate the approval of WASD's (1) Consent Decree projects and (2) projects identified in WASD's Multi-Year Capital Plan's Capital Improvement Program without the need for prior Board approval but subject to ratification by the Board.

The Project is for the replacement of the existing ductile iron force main along Golden Beach Drive and Collins Avenue, which is severely corroded, has reached the end of its useful service life, and has experienced past failures. These improvements will help ensure continued and reliable service, provide increased capacity to support economic growth in the area, and reduce the risk of future system failures. The Project will install approximately 5,800 LF of 10-inch and 6-inch force main from Pump Station No. 0493 to Manhole No. 0137.

The Contract is for a total amount of \$3,998,893.62, with a total Contract period of 330 calendar days, which consists of 270-calendar days to Substantial Completion, 300-calendar days to Final Completion, and 30-days of Contingency Time Allowance. The Award was filed on May 6, 2026, and the Contract was fully executed and attested by the Clerk of the Board on July 1, 2026.

Exhibit A contains the details of the competitively bid award for which ratification is being requested, including the information bulleted below:

EXHIBIT B

Memorandum

Date:

To: Jay J. Fink, PE, Director
Water and Sewer Department

From: Frances G. Morris, Chief Financial Officer
Water and Sewer Department

Subject: Award Recommendation for Construction Contract for Installation of a New Sewer Force Main along Golden Beach Drive and Collins Avenue, Contract No. S-15241, to R&G Engineering, Inc.

Executive Summary

This memorandum seeks approval to award Construction Contract No. S-15241, Installation of a New Sewer Force Main along Golden Beach Drive and Collins Avenue (the Contract), to the lowest responsive and responsible bidder, R&G Engineering, Inc. (R&G). This project is for furnishing and installing approximately 5,800 linear feet (LF) of new sewer force main from Pump Station No. 0493 to Manhole No. 0137 (the Project).

Recommendation

It is recommended that Contract No. S-15241 be awarded to R&G for a total compensation amount of \$3,998,893.62, with a total Contract period of 330 consecutive calendar days, which consists of 270 calendar days to Substantial Completion, 300 calendar days to Final Completion, and a 30-day Contingency Time Allowance.

Scope

This Contract will be performed along Golden Beach Drive and Collins Avenue, Town of Golden Beach, Florida in District 4, which is represented by Commissioner Micky Steinberg.

Delegated Authority

This Project is a Water and Sewer Department (WASD) Capital Improvement Contract being processed under Section 2-8.2.12 of the Miami-Dade County Code, WASD's Consent Decree and Capital Improvement Programs Acceleration Ordinance (WASD's Acceleration Ordinance). Pursuant to Sections 2-8.2.12 (4)(d) and (e) of the Code, the County Mayor or County Mayor's designee has the authority to, among other things, amend and/or extend the Contract to complete any unfinished work, waive liquidated damages, negotiate and settle claims, and execute change orders that do not exceed ten percent (10%) of the base Contract amount, subject to ratification by the Board of County Commissioners (the Board). Consistent with the Acceleration Ordinance and pursuant to Ordinance 14-77, on June 11, 2021, the County Mayor delegated authority for procurement actions to the WASD Director.

Fiscal Impact/Funding Source

The fiscal impact to the County is \$3,998,893.62, which WASD has determined is a fair and reasonable amount for the Project's defined scope of work.

The Project is in the Fiscal Year 2025 – 26 Adopted Budget and Multi-Year Capital Plan.

- Funding will be provided from Capital Program 9652101, North District Forcemain Network – Infrastructure Improvements, Volume 3, page 107.

MDC005

RECEIVED BY CLERK
Circuit & County Courts
Miami-Dade County, Florida
FILED FOR RECORD
4:06:41 PM, 5/6/2026
CLERK OF THE BOARD

- The funding sources are: WASD Revenue Bonds Sold, Future WASD Revenue Bonds, and Wastewater Renewal and Replacement Fund.
- The funding sources do not include Building Better Communities – General Obligation Bond (BBC-GOB) funding and do not impact the General Fund.
- The life expectancy of the work is 50 years.
- Annual Operations Cost Impact / Funding: \$35,000 per year. The funding source for the operating impact is WASD Operating Revenues.
- Annual Maintenance Cost Impact / Funding: \$35,000 per year. The funding source for the maintenance impact is WASD Operating Revenues.
- The Project includes the Inspector General (IG) Fee and does not include Art in Public Places.

Vendor Selection & Track Record

On March 17, 2026, WASD received and opened ten (10) bids in response to the January 22, 2026 advertisement for an open competitive solicitation for the Contract.

Company Name	Base Bid	Total Bid*
R&G Engineering, Inc.	\$3,398,673.73	\$3,998,893.62
Maestre Construction Inc	\$3,776,911.85	\$4,426,310.40
Pabon Engineering, Inc.	\$3,998,554.88	\$4,676,767.02
Lanzo Construction Co., Florida	\$4,166,095.41	\$4,866,087.81
Lee Construction Group, Inc.	\$4,209,420.64	\$4,915,045.32
CMG Pipelines, Inc.	\$4,511,323.07	\$5,256,195.07
JVA Engineering Contractor	\$4,798,449.63	\$5,580,648.07
Ferreira Construction Co. Inc.	\$5,221,470.53	\$5,980,050.53
Ric Man International, Inc.	\$5,856,553.94	\$6,776,305.95
David Mancini & Sons, Inc.	\$7,486,465.68	\$8,618,106.22

*The Total Bid includes contingency & dedicated allowances.

The following due diligence was performed to determine that R&G was the lowest responsive and responsible bidder:

- There were no contract measures assigned to the Contract. The Project Worksheet is attached to this memorandum as Exhibit A.
- 300 Engineering Group, LLC, the Engineer of Record (EOR), evaluated all technical aspects of R&G's qualifications and concluded that the Project's technical requirements have been met. The EOR considers R&G to be qualified and recommends that WASD proceed with award of the Contract to R&G. The EOR letter is attached to this memorandum as Exhibit B.
- Pursuant to Resolution No. R-187-12, WASD performed a review of R&G's information in the Business Management Workforce System (BMWS). WASD discovered no adverse information.
- Pursuant to Resolution No. R-1181-18, WASD considered the safety records of R&G, including; the information provided by R&G and the information verified by WASD through its research. There were no adverse findings that affect R&G's responsibility.

- According to the contractor history downloaded from the BMWS on April 20, 2026, over the past three (3) years, the County has awarded R&G seven (7) contracts with a total value of \$28,284,302 from the County.
- R&G has sixty-nine (69) evaluations in the Strategic Procurement Department's Capital Improvements Information System (CIIS), with an average score of 3.1 out of a possible maximum score of 4.0.

Considering the input of the EOR, WASD has concluded that the apparent lowest bidder, R&G, is both responsive and responsible. The total bid of \$3,998,893.62 is 20.69% below the EOR's estimate of \$5,042,133.98; the bidder has a 3.1 rating in CIIS; and there are no protests, thereby qualifying for an award under the Acceleration Ordinance, subject to ratification by the Board. Therefore, it is recommended that Contract No. S-15241 be awarded to R&G for a total compensation amount of \$3,998,893.62, with a total Contract period of 330 consecutive calendar days. The proposed Contract, signed by R&G, is attached to this memorandum as Exhibit C.

WASD Contract Monitor

WASD Deputy Director, Planning, Regulatory Compliance, and Capital Infrastructure, Marisela Aranguiz-Cueto, P.E., will oversee the implementation of the Contract.

Background

The Project will replace the existing ductile iron sewer force main, which is severely corroded, has reached the end of its useful service life, and has experienced past failures.

This Project is part of the WASD's Multi-Year Capital Improvement Program, reflecting the Department's ongoing investment in its wastewater system through the systematic replacement of high-risk, aging pipelines and infrastructure. These improvements will help ensure continued and reliable service, provide increased capacity to support economic growth in the area, and protect the environment by reducing the risk of future system failures.

Subject: WASD/E15-WASD-03A/Task #2/Installation of 10-inch and 6-inch PVC Force Main in Golden Beach Drive and in Collins Avenue from PS No. 0493 to MH 0137, PCTS No. 15241, ER No. S050051/Recommendation for Award

Miami-Dade Water and Sewer Department, Contracting Office

The Miami-Dade County Water and Sewer Department (MDWASD) has recently bid the Installation of 10-inch and 6-inch PVC Force Main in Golden Beach Drive and in Collins Avenue from PS No. 0493 to MH 0137, Contract S-15241. The bid opening for this project, took place on March 17th, 2026 and WASD provided 300 Engineering Group, LLC (300 Engineering) the bid tally including three (3) participating firms. These firms, from lowest to highest bid amount, are listed below

1. R and G Engineering Inc.
2. Maestre Construction Inc.
3. Pabon Engineering Inc.

The apparent low bidder is R&G Engineering, Inc. (R&G). R&G's bid is acceptable within the acceptable range in comparison to the Engineering of Record (EOR) Opinion of Probable Cost. Please refer to the table below A comparison of the apparent low bid (\$3,998,893.62) with the Engineer's Opinion of Probable Cost (\$5,042,133.98) indicates that the apparent low bid is 20.69% lower than the Engineer's Estimate. The second lowest bid (\$4,426,310.40) is 12.22% lower than the Engineer's Estimate, and the third lowest bid (\$4,676,767.02) is 7.25% lower than the Engineer's Estimate.

	Base Bid	Total Bid
EOR	4,320,733.98	\$ 5,042,133.98
R&G	3,398,673.73	\$ 3,998,893.62
% (Difference)	21.34%	20.69%

The difference between the Engineer's Estimate and the bids received can be attributed to contractor-specific means and methods, efficiencies, and current market competition. Contractors may achieve more competitive pricing through established supplier relationships, optimized construction sequencing, and familiarity with similar utility work within Miami-Dade County. Additionally, recent bid results for similar projects indicate a competitive bidding environment, where contractors are submitting more aggressive pricing to secure work. This competitive market condition can result in bid prices that are lower than the Engineer's Estimate.

It is also noted that the Engineer's Estimate was developed using conservative assumptions to account for potential construction challenges, including maintenance of traffic, limited staging within the Town of Golden Beach, utility conflicts, groundwater conditions, and coordination within the public right-of-way. These assumptions are intended to ensure adequate project budgeting but may result in higher estimated costs when compared to contractor bids. Some notable line items which represent a large portion of the variance in total cost are contributed to furnishing traffic control, performing bypass operations, and pavement restoration items with a large variance in pricing for the municipality specific geogrid within the Town of

Golden Beach. The variance in these costs is apparent in the lowest bidder's proposal, where the Engineer's estimate is closer to the average across all bidders. Based on the above, the difference between the Engineer's Estimate and the bids received is considered reasonable and reflective of current market conditions. From a cost standpoint, 300 Engineering has no objection to the County/MDWASD proceeding with award to the lowest bidder, pending confirmation that all bid requirements and minimum qualifications have been satisfied.

Upon review of the bid package submitted, 300 Engineering has found that R&G Engineering, Inc. satisfies the minimum required experience and are properly qualified. As per the Contractor's submitted experience and qualifications, 300 Engineering is of the opinion that the minimum project requirements have been met. The Contractor provided a total of twenty-two (22) completed projects and five (5) ongoing projects as part of its submitted experience. Based on our review, at least three (3) of the completed projects demonstrate similar public right-of-way utility construction experience involving water main and/or sanitary sewer/force main installation of similar nature to this project. These include the City of Florida City Projects 12 & 16; FM and 18 & 4 Replacement, RPQ-T1845 Installation of 12-inch D.I.P. Water Main and 8-inch D.I.P. Sanitary Sewer, and RPQ-T2674 NW 27th Avenue Wastewater Collection System Expansion D2-A-2. The remaining submitted projects further demonstrate additional experience in related utility, pump station, and pavement restoration work. Initial Bid Documents did not identify the key personnel/supervisory staff assigned to this project, as required by the bid documents. On April 24th, 2026 R&G Engineering provided WASD the missing key personnel information and was deemed satisfactory.

300 Engineering evaluated all technical aspects of R&G's qualifications and concluded that this project's technical requirements have been met. Therefore, 300 Engineering considers R&G to be qualified and recommends that WASD proceed with award of the Contract to R&G.

Sincerely

CONTRACT

THIS CONTRACT, made and entered into on the ____ day of _____, 20__, by and between Miami-Dade County, Florida, acting by and through the Office of the Mayor, party of the first part (hereinafter sometimes called the "County"), and **R&G Engineering, Inc.**, party of the second part (hereinafter sometimes called "Contractor");

W I T N E S S E T H

That the parties hereto, for and in consideration of the covenants and agreements hereinafter set forth, mutually agree as follows, to wit:

1. That the Contractor shall furnish all labor, materials and equipment and perform all work in the manner and form provided by the Contract Documents covering the Project of the County known and identified as

**“Installation of a New Sewer Force Main along Golden Beach Drive and
Collins Avenue, Contract No. S-15241”**

for the aggregate amount reflected by the Proposal, said aggregate amount being of **Three Million Nine Hundred Ninety Eight Thousand Eight Hundred Ninety Three Dollars and Sixty Two Cents (U.S. Dollars) \$3,998,893.62.**

2. That the Contractor shall begin the work to be performed under this Contract on a day to be specified in a written order issued by the Engineer and shall fully complete all work hereunder within the time or times stated in the Proposal.

3. That the County shall pay to the Contractor for the faithful performance of this Contract, in lawful money of the United States, and subject to additions and deductions as provided in the Contract Documents, the total amount of the Proposal as set forth above at the times and in a manner stated in the General Contract Conditions of the Contract Documents.

4. It is further mutually agreed that if at any time after the execution of this Contract, Surety Performance and Payment Bond, the County shall deem the surety upon such bonds to be unsatisfactory, or if for any reason such bond shall become inadequate to cover the performance of the work, the Contractor shall at its own expense, within five (5) days after the receipt of notice from the County to do so, furnish an additional bond or bonds in such form and amount and with such surety or sureties as shall be satisfactory to the County. In such event, no further payment to the Contractor shall be deemed to be due under this Contract until such new or additional security shall have been furnished in a manner and form satisfactory to the County.

5. The "Contract Documents" are hereby defined as the Advertisement for Bids, Questionnaire, Instruction to Bidders, Proposal, Certified Resolution for Proposal and Bid Form, Bid Bond, all forms submitted pre and post award, including, without limitation, Miami-Dade County Vendor Affidavits Form, Sworn Statement – Public Entity Crimes, Clearinghouse Affidavit, Job Order Request form, and the Small Business Enterprise Programs Participation Provisions and Forms (if applicable), this Contract, Certified Resolution for Contract and Performance and Payment Bond, Performance and Payment Bond, Standard Construction General Contract Conditions, revised August 1, 2023, the Technical Specifications, Plans and Drawings designated in the specifications, all Technical Appendices, all Addenda, Water & Sewer Department Special

CONTRACT

Provisions, Change Orders to the Contract, Notice to Proceed, Referenced Codes and Standards, Warranties and Guarantees, all related correspondence, field notes, logs, and other documents.

The Standard Construction General Contract Conditions of said Contract Documents are incorporated herein by reference and made a part hereof as though fully set forth herein. The Contract Documents are complementary, so that a recital in one is tantamount to a recital in all, and the Contractor specifically acknowledges that it has read and understands all of said Contract Documents.

6. The various indemnities of the Contractor contained in the Contract Documents indemnifying the County from liability for damages to persons or property caused by acts, omissions, or defaults in the performance of the Contract Documents shall have a monetary limitation of the larger of the following: \$1,000,000.00, or the entire amount of the Contract.

7. The County retains the right to audit any and all information regarding this Contract as described in the Standard Construction General Contract Conditions, Article 12 G (Miscellaneous Provisions – Audit Rights)

8. Notwithstanding and prevailing over any other provision of the Contract Documents to the contrary, the County Mayor or his designee, may exercise the provisions of Section 2-8.2.12 (4)(d) and (e) of the Code of Miami-Dade County. Any change orders or amendments shall not exceed 10 percent of the base contract price in cumulative percentage amount; provided however, that the foregoing limitation shall not apply to any change order or amendment related to emergency actions impacting remediation, public safety, health requirements or recovery from natural disaster and the foregoing change orders and amendments shall require ratification by the Board; provided further that the County Mayor or his designee may reduce in any amount the scope and compensation payable under this Contract and grant compensable and non-compensable time extensions thereunder. Pursuant to Section 2-8.2.12 (5), the Mayor or the Mayor's designee's award and execution of this Contract is subject to ratification by the Board of County Commissioners. If the Mayor or the Mayor's designee's action is not ratified, and such legislative action becomes final, this Contract shall be deemed terminated without further notice. In such event, the Contractor shall not be entitled to recovery of any lost profits or other consequential or indirect damages. However, the Contractor is eligible for payment for any work done prior to failure of the ratification, in accordance with General Contract Conditions Article on Termination for Convenience.

9. "Contract Execution Date" means the date of the last signature on this contract.
