IEIC
Agenda Item No. 3(C)

To: Honorable Chairman Anthony Rodriguez
and Members, Board of County Commissioners

From: Daniella Levine Cava *Daniella Levine Cava*
Mayor

Subject: Recommendation to Reject All Bids for Project No. W230030-C, West Dade Government Center Interior Renovation Floors 1 through 4

EXECUTIVE SUMMARY

This item seeks approval from the Board of County Commissioners (Board) to reject all bids received in response to a competitive solicitation issued on August 7, 2025, on behalf of the People and Internal Operations Department (PIOD) for construction services for Project No. W230030-C, West Dade Government Center Interior Renovation Floors 1 through 4.

At the time of advertisement, the construction documents were not fully complete and were subsequently revised through multiple addenda as the project design advanced. Since the bid opening, the design has progressed to 100% construction documents, providing a complete and coordinated definition of the project scope, technical requirements, and construction constraints.

The County has determined that awarding a contract based on bids submitted against evolving design documents may not yield the most favorable pricing or ensure competition on a fully defined scope of work. Accordingly, rejecting all bids and re-soliciting the project using the finalized construction documents is in the County's best interest. This approach will promote fair competition, improve pricing accuracy and transparency, reduce construction risk, and enhance cost certainty during project execution.

RECOMMENDATION

It is recommended that the Board approve the rejection of all bids received for Project No. W230030-C, West Dade Government Center Interior Renovation Floors 1 through 4 and allow the County to re-advertise the solicitation based on 100 percent construction documents.

BACKGROUND

On October 1, 2025, PIOD received and opened three bids. A copy of the Bid Tally is attached as Exhibit A. JRM Construction Management Florida, LLC (JRM) was the lowest responsive, responsible bidder submitting a bid totaling \$62,324,701 with a total maximum contract amount of \$71,966,332.25, which includes a 10 percent contingency allowance and a dedicated allowance with two accounts.

The original Request to Advertise (RTA) noted the County's budget was established at \$46,202,051.96 for the "Phase A" Scope of interior renovations. As such, JRM's bid is approximately 35% above this figure. However, this disparity does not account for the additional work incorporated by the County in Addenda 1 through 4, which added the following critical base building scope components:

- Skylight and window replacement
- Electrical upgrades for both normal and emergency distribution systems
- Refurbishment of the cooling towers
- Replacement of five building-wide air handling units (AHU's)
- Replacement of four chillers

- Replacement of the building Fire Alarm System
- Replacement of the Base Building System (BMS)
- Replacement of the Fire Pump
- Replacement of four Data Center Computer Room Air Conditioning (CRAC) Units
- Replacement of two Data Center Power Distribution Units (PDU's)

The value associated with these additional scope items were not incorporated into the County's reported Estimate of Probable Cost provided to bidders. JRM's bid includes the costs for these additional scope elements. Accordingly, the bid should not be characterized as being "35% over the Base Estimate." Instead, it should be evaluated against the total anticipated project value, consisting of (1) the original Phase A budget of \$46.2 million and (2) the budget for the base building critical systems, which recent estimates place at approximately \$48 million. This results in a combined estimated project value of approximately \$94.2 million, compared to JRM's bid of \$62.3 million. Acting under my authority as Mayor, and for these reasons, I rescinded the original recommendation for award issued to JRM.

SCOPE

Although West Dade Government Center is located within District 10, which is represented by Chairman Anthony Rodriguez, the impact of this agenda item is countywide as this facility is a regional asset.

FISCAL IMPACT/FUNDING SOURCE

There is no fiscal impact to the County associated with the rejection of bids.

DELEGATION OF AUTHORITY

There are no delegated authorities associated with the rejection of bids.

Memorandum

Date: October 6, 2026

To: Honorable Chairman Anthony Rodriguez
Board of County Commissioners

From: Raimundo Delgado, Director
People and Internal Operations Department

Subject: Request to Process Late Departmental Agenda Item

I am requesting that the following item be placed on Board of County Commissioner's October 2026 Committee Agenda Cycle:

RESOLUTION APPROVING THE REJECTION OF ALL BIDS
RECEIVED FOR PROJECT NO. W230030-C, WEST DADE
GOVERNMENT CENTER INTERIOR RENOVATION FLOORS 1
THROUGH 4, AND THE RE-ADVERTISING OF THE
SOLICITATION

Although this item has not met the noticed deadline and has been provided to the Agenda Coordination Office late, immediate Board consideration is critical to allow the County to advance to the next stages in the procurement process and promptly re-advertise the solicitation for the interior renovation of floors 1 through 4 of the West Dade Government Center. Approval of the recommendation to reject all bids would expedite issuance of the new solicitation and advance renovation of this countywide asset.

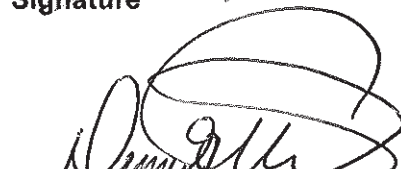

Therefore, please process the item notwithstanding that the 3-day rule may apply. I am aware that this item is subject to approval for placement on the agenda by the Chair of the Committee and the BCC Chairperson, and review by the County Attorney's Office.
