Memorandum

Date:	October 9, 2026
	Agenda Item No. 2(B)(4) November 17, 2026
To:	Honorable Chairman Anthony Rodriguez and Members, Board of County Commissioners
From:	Daniella Levine Cava Mayor
Subject:	FY 2025-26 Third Quarter Federal and State Funding Report – Directive No. 240752

The FY 2025-26 Third Quarter Federal and State Funding Report is submitted in response to Resolution No. R-333-24, adopted by the Board of County Commissioners (Board) on April 16, 2024, and sponsored by Commissioner Danielle Cohen Higgins. The resolution requested a quarterly report detailing (i) the total amount of state and federal funding secured by Miami-Dade County (County) through grants and other allocations since 2020, and (ii) all state and federal grants for which the County has submitted an application and its status.

Executive Summary

Between the period of January 1, 2020, and June 30, 2026, the County has been awarded approximately $6.4 billion in federal funding and $740.8 million in state funding.

The attached report includes federal and state grants along with other allocations awarded and applied for during the third quarter of FY 2025-26. During this quarter, the County was awarded $2.2 million in federal awards and $8.5 million in state awards. As of June 30, 2026, the County has approximately $449.5 million in pending federal applications and approximately $531.9 million in pending state applications.

Background

The attached report is organized alphabetically by the granting organization and identifies any applicable pass-through agencies. Additional details include: (i) award or requested amount, (ii) amount of matching funds (cash or value of in-kind services and source if applicable), (iii) County department responsible for the award or request, (iv) project title and brief description, and (v) start date of award (if applicable). The report is based on available data entered by County departments into the Grants Information Management System (GIMS), a database of grant and other federal and state funding information developed by the Communications, Information and Technology Department (CITD) and managed by the Office of Management and Budget (OMB).

This report will be placed on the next available Board agenda pursuant to Rule 5.06(j). Should you require additional information, please contact Daniel T. Wall, Assistant Director, Office of Management and Budget at 305-375-5143.
