Memorandum

MIAMI-DADE COUNTY

Date: November 17, 2026

Agenda Item No. 3(B)(1)

To: Honorable Chairman Anthony Rodriguez
and Members, Board of County Commissioners

From: Daniella Levine Cava
Mayor

Subject: Resolution Ratifying the Award of Two (2) Non-Exclusive Professional Services Agreements for Engineering Design and Related Services with Kimley-Horn and Associates, Inc. and CHA Consulting, Inc. — Project No. E25WS04

Executive Summary

This item seeks ratification by the Board of County Commissioners (the Board) of the action of the County Mayor or County Mayor's designee approving two (2) Non-Exclusive Professional Services Agreements competitively solicited under Project No. E25WS04 for *Engineering Design and Related Services for the Design of Water and Wastewater Pipelines for the Water and Sewer Department's Water and Wastewater Systems as Part of the Development Required Infrastructure Policy Projects.* The awarded agreements (the Agreements) are between Miami-Dade County (the County) and the following firms:

- Kimley-Horn and Associates, Inc. (Agreement No. 25KHAI006)
- CHA Consulting, Inc. (Agreement No. 25CHA002)

The Agreements are each for an amount not to exceed $2,200,000.00, inclusive of a ten percent (10%) contingency allowance, for a contract term of five (5) years, and one (1) two (2) year option-to-renew. The scope of work for the Agreements include engineering services for utility design, including planning and permitting assistance, and engineering services during construction for pipeline infrastructure upgrades throughout WASD's service areas.

Approved by the Board via Resolution No. R-821-24, the Development Required Infrastructure Policy (DRIP) was adopted to address the need for water and sewer infrastructure upgrades in rapidly developing areas where infrastructure capacity is insufficient to support ongoing growth, while streamlining the processes to support new developments and reduce the burden on individual developers. The Agreements provide the design capacity needed for the Miami-Dade Water and Sewer Department (WASD) to advance DRIP-related water and wastewater pipeline projects efficiently and without delays associated with procuring separate design contracts for each assignment.

Recommendation

It is recommended that the Board ratify the action of the County Mayor or County Mayor's designee, as authorized under Section 2-8.2.12 of the Code of Miami-Dade County (WASD's Acceleration Ordinance), which was recently re-codified as Section 3-10 of the Code, for the funded project identified above and on Exhibit A attached hereto.

Scope

The Agreements will provide services throughout the County; therefore, the impact of this item is countywide in nature.

Delegation of Authority

The Agreement was awarded pursuant to Section 2-8.2.12 of the Code (WASD's Acceleration Ordinance), which was recently re-codified as Section 3-10 of the Code and delegates authority to the County Mayor or County Mayor's designee to award certain projects, and, among other things, negotiate and settle claims,

and execute change orders that do not exceed ten percent (10%) of the base contract amount, all subject to ratification by the Board.

Fiscal Impact/Funding Source

The fiscal impact for each agreement is up to $2,200,000, which is inclusive of a ten percent (10%) contingency allowance, for a total fiscal impact to the County of $4,400,000 for both Agreements. The Agreements will be funded out of the Wastewater Renewal and Replacement Fund and the Water Renewal and Replacement Fund. There will be no impact to the General Fund. The Project is in WASD's Fiscal Year 2026-2027 Proposed Budget, under Wastewater – Pipes and Infrastructure Projects, Program #968750, Volume #3, Page #134 and Water – Pipes and Infrastructure Projects, Program #967190, Volume #3, Page #137.

Track Record/Monitoring

WASD's Deputy Director of Planning, Regulatory Compliance and Capital Infrastructure, Marisela Aranguiz-Cueto, P.E., will oversee the implementation of the Agreements.

Due Diligence/Safety Information

WASD and the Strategic Procurement Department (SPD) conducted due diligence in accordance with SPD's Procurement Guidelines to determine Consultants' responsibility. The review included corporate status, performance, and compliance information, as well as the convicted-vendor, debarred-vendor, delinquent-contractor, suspended-vendor, and federally excluded-parties lists. No adverse findings were identified regarding either Consultant's responsibility. This information is provided pursuant to Resolution No. R-187-12.

Background

On September 3, 2014, the Board approved Ordinance No. 14-77 (WASD's Acceleration Ordinance), authorizing the County Mayor or County Mayor's designee to award contracts for funded capital projects and related goods and services to accelerate delivery of: (1) Consent Decree projects and (2) projects identified in WASD Multi-Year Capital Plan's Capital Improvements Program, without prior Board approval but subject to ratification by the Board. On October 20, 2026, the Board approved Ordinance No. 26-88, relocating WASD's Acceleration Ordinance to Section 3-10 of the Code.

The solicitation was issued on July 25, 2025, as a Notice to Professional Consultant under full and open competition. Fifteen (15) proposals were received by the September 29, 2025 submittal deadline. On October 20, 2025, thirteen (13) of the fifteen (15) proposals were determined to comply with the applicable Small Business Enterprise–Architecture and Engineering (SBE-A/E) contract measures. Following the competitive selection process and responsibility review, Kimley-Horn and Associates, Inc. and CHA Consulting, Inc. were recommended for award and filed with the Clerk on August 3, 2026.

The Agreements will provide engineering services for utility design, including planning and permitting assistance, and engineering services during construction for water and sanitary sewer pipeline infrastructure upgrades. The projects will be for the upgrade of existing water distribution and sewage collection pipelines throughout WASD's service areas. The scope of services consists of complete design services, which includes but is not limited to site investigations, surveying, maintenance of traffic plans, hydraulic analysis, coordination with other utilities, coordination with other municipalities, developers and the public, preparation of design reports, preparation of drawings and contract specifications, assistance during the permitting and procurement phases, and engineering services during construction.

Memorandum

MIAMI-DADE COUNTY

Date: August 3, 2026

To: Jay J. Fink, P.E., Director
Water and Sewer Department

From: Frances G. Morris
Chief Financial Officer
Water and Sewer Department

Subject: Contract Award Recommendation for a Non-Exclusive Professional Services Agreement for Project No. E25WS04 to Kimley-Horn and Associates, Inc. for Engineering Design and Related Services for the Design of Water and Wastewater Pipelines for the Water and Sewer Department's Water and Wastewater Systems as Part of Development Required Infrastructure Policy (DRIP) Projects - Agreement No. 25KHAI006

SUMMARY

The Miami-Dade Water and Sewer Department (WASD) is responsible for providing reliable water and wastewater services to more than 2.8 million residents, visitors, and businesses throughout Miami Dade County (the County) and for maintaining compliance with applicable state and federal environmental regulations. To support these obligations and advance implementation of WASD's Capital Improvement Program (CIP), engineering design and related services are required for the design of water and wastewater pipelines for WASD's water and wastewater systems as part of the Development Required Infrastructure Policy (DRIP) projects.

Project No. E25WS04 was competitively solicited in accordance with Section 287.055, Florida Statutes, Sections 2-8.1, 2-10.4 and 2-8.2.12 of the County Code, and Implementing Orders (IO) 3-34 and 3-39. Following evaluation of qualifications, and successful negotiations, Kimley-Horn and Associates, Inc. was ranked among the highest-qualified firms and selected as one (1) of two (2) firms recommended for award of a Non-Exclusive Professional Services Agreement for Engineering Design and Related Services for the Design of Water and Wastewater Pipelines for WASD's Water and Wastewater Systems as part of the DRIP Projects, Agreement No. 25KHAI006 (the Agreement). The use of multiple non-exclusive agreements is necessary to ensure timely delivery of concurrent CIP projects, maintain operational continuity, provide specialized technical expertise across multiple services areas, and promote equitable distribution of professional services work among qualified firms. Negotiations were concluded on February 24, 2026, and the total compensation under this Agreement shall not exceed $2,200,000, inclusive of a ten percent (10%) contingency allowance. The Agreement provides for a five (5) year term, with one (1), two (2) year option-to-renew, and will be funded through various funding sources.

The scope includes engineering services for utility design, including planning and permitting assistance, and engineering services during construction for water and sanitary sewer pipeline infrastructure upgrades. The projects will be for the upgrade of existing water distribution and sewage collection pipelines throughout WASD's service areas. The scope of services consists of complete design services, which includes, but is not limited to site investigations, surveying, maintenance of traffic plans, hydraulic analysis, coordination with other utilities, coordination with other municipalities, developers and the public, preparation of design reports, preparation of drawings and contract specifications, assistance during the permitting and procurement phases, and engineering services during construction.

RECOMMENDATION

It is recommended that the County Mayor or County Mayor's designee approve the Agreement with Kimley-Horn and Associates, Inc. to provide engineering design and related services for the design of water and wastewater pipelines for WASD's water and wastewater systems as part of the DR compensation amount under the Agreement will not exceed $2,200,000, which ar

percent (10%) contingency allowance, and the Agreement has a five (5) year term, with one (1), two (2) year option-to-renew.

DELEGATED AUTHORITY
The Agreement is being awarded pursuant to Section 2-8.2.12 of the County Code (WASD's Acceleration Ordinance), which delegates authority to the County Mayor or County Mayor's designee to award certain contracts, and, among other things, negotiate and settle claims and execute change orders that do not exceed ten percent (10%) of the base contract amount, subject to ratification by the Board.

SCOPE
The scope of services will require engineering services for utility design, including planning and permitting assistance, and engineering services during construction for water and sanitary sewer pipeline infrastructure upgrades. The projects will be for the upgrade of existing water distribution and sewage collection pipelines throughout the WASD's service areas.

The scope of services consists of complete design services, which includes, but is not limited to site investigations, surveying, maintenance of traffic plans, hydraulic analysis, coordination with other utilities, coordination with other municipalities, developers and the public, preparation of design reports, preparation of drawings and contract specifications, assistance during the permitting and procurement phases, and engineering services during construction. Engineering services during construction are anticipated to include, but is not limited to periodic site inspections, attendance at meetings, review of shop drawings, responding to requests for information, reviewing claims and potential change orders, reviewing contract schedules and schedule of values, and reviewing as-built drawings. Project coordination services are anticipated to include, but are not limited to, establishing a plan to implement projects, establishing and tracking project schedules, project budgets and deadlines, preparing status reports, and attending meetings as requested.

PRIMARY COMMISSION DISTRICT/PROJECT LOCATION
Kimley-Horn and Associates, Inc. will be utilized throughout the County.

All firms were evaluated in accordance with Section 2-10.4 of the County Code, IO 3-34, and IO 3-39.

PROCUREMENT HISTORY
On July 25, 2025, a Notice to Professional Consultants (NTPC) was issued under full and open competition. Fifteen (15) proposals were received by the submittal deadline of September 29, 2025.
(See Attachment D: List of Respondents)

On October 7, 2025, the Strategic Procurement Department (SPD) sent a letter to Apex One Home Inspections Corp (Apex) and to SRS Engineering, Inc. (SRS) indicating that their teams did not meet the prequalification/technical certification requirements pursuant to the NTPC and were found non-compliant. Consequently, the proposals from Apex and SRS were not evaluated by the Competitive Selection Committee (CSC). *(See Attachment E: Letters to Apex and SRS)*

The SPD completed its review of the SBE contract measures on October 20, 2025, and confirmed that all thirteen (13) proposals were in compliance with the submittal requirements.
(See Attachment F: SPD Compliance Review)

Pursuant to County Resolution No. R-321-23, which amended IO 3-34, and became effective on May 14, 2023, the SPD submitted a request to the Office of the Inspector General (OIG) on October 7, 2025 regarding any Proposer and their proposed subconsultants for the CSC's consideration while scoring in

accordance with the applicable criteria identified in the solicitation. No reports were located by the OIG. In addition, no reports were located by the Commission on Ethics and Public Trust.

At the First Tier "Evaluation of Qualifications" meeting held on January 8, 2026, the CSC reviewed and ranked the thirteen (13) proposals in accordance with evaluation criteria outlined in the solicitation. *(See Attachment G: First Tier Tabulation Report)*

The CSC recommended the two (2) highest ranking proposers to the County Mayor or the County Mayor's designee for approval to negotiate an agreement.

1. Kimley-Horn and Associates, Inc.
2. CHA Consulting, Inc.

The Negotiation team was approved by the County Mayor's designee on February 2, 2026. *(See Attachment H: Report of CSC)*

On February 24, 2026, the negotiation team held the first negotiation meeting with Kimley-Horn and Associates, Inc. and concluded negotiations on the same day.

VENDOR(S) RECOMMENDED FOR AWARD

The table below depicts a summary of the recommended prime consultant.

Vendor Name	Principal Address	Local Address	Number of Employee Residents* 1) County 2) Percentage (%)	Principal
Kimley-Horn and Associates, Inc.	421 Fayetteville Street, Suite 600, Raleigh, NC 27601	2 Alhambra Plaza, Suite 500, Coral Gables, FL 33134	9,900 1) 139 2) 1.40%	Ignacio Lizama, P.E.

*Pursuant to R-1011-15, the percentage of employee residents is the percentage of the vendor's employees who reside in the County as compared to the vendor's total workforce.

DUE DILIGENCE

Pursuant to R-187-12, the SPD conducted due diligence in accordance with its Procurement Guidelines to determine vendor responsibility including verifying corporate status and that no performance or compliance issues exist. The lists referenced included the Capital Improvements Information System (CIIS), the SPD's Division of Small Business Development's database, Sunbiz, Tax Collector's Office, convicted vendors, debarred vendors, delinquent contractors, suspended vendors, and federal excluded parties list. Also examined as part of this due diligence: Florida Division of Business and Professional Regulation. There were no adverse findings relating to vendor responsibility.

As of June 3, 2026, a review of the County's CIIS showed that Kimley-Horn and Associates, Inc. has 52 evaluations with an average evaluation score of 3.7 out of a possible maximum score of 4.0. *(See Attachment I: Contractor Evaluation Report)*

A review of CIIS, managed by SPD, showed that Kimley-Horn and Associates, Inc. has been awarded one (1) contract with the County within the last three (3) years from the proposal submittal date, with a total contract value of $6,000,000. *(See Attachment J: Firm Work History Report)*

RE: SPD Project No. E25WS04: Engineering Design and Related Services for the Design of Water and Wastewater Pipelines for the WASD'S Water and Wastewater Systems as Part of DRIP Projects

Dear Mr. Sanchez:

Miami-Dade County is in receipt of your submittal in response to the above-referenced solicitation. Please be advised that your firm, Apex One Home Inspections Corp (FEIN 47-1589617), is not pre-qualified and technically certified to provide services under categories 6.01 Water and Sanitary Sewer Systems - Water Distribution and Sanitary Sewage Collection and Transmission, 9.01 Soils, Foundations and Materials Testing - Drilling, Subsurface Investigations and Seismographic Services, 10.05 Environmental Engineering - Contamination Assessment and Monitoring, 15.01 - Surveying and Mapping – Land Surveying, and 16.00 - General Civil Engineering, as required by the Notice to Professional Consultants (NTPC).

Pursuant to Section 1.4, A/E Technical Certification Requirements, of the NTPC, "To satisfy the technical certification requirements for the requested services, valid technical certification in all of the above-specified area(s) of work must be held by a firm responding as a sole respondent, or a team of firms.", and Section 1.7, Pre-Qualification Requirements, of the NTPC, "In accordance with Chapter 2, Section 2-10.4, of the County Code, and I.O. 3-39 of Miami-Dade County, all firms and/or individual consultants properly licensed to provide architectural / engineering ("A/E"), landscape architectural, land surveying and mapping services, must be Pre-Qualified and Technically Certified. For more information, please visit the following link: Pre-Qualification Certification Process and refer to I.O. 3-39…Proposers (prime and/or sub-consultants) failure to be technically certified at the time of proposal submittal, as applicable, shall cause the proposal to be deemed non-compliant."

As a result, your firm is non-compliant with the requirements of the NTPC and is hereby eliminated from further consideration for this solicitation.

Should you have any questions and/or concerns, you may contact me via email at ana.dasilva@miamidade.gov, with a copy to the Clerk of the Board at clerk.board@miamidade.gov. Please be advised that this project remains under the Cone of Silence.

RE: SPD Project No. E25WS04: Engineering Design and Related Services for the Design of Water and Wastewater Pipelines for the WASD'S Water and Wastewater Systems as Part of DRIP Projects

Dear Mr. Serralta:

Miami-Dade County is in receipt of your proposal in response to the above-referenced solicitation. Please be advised that your Sub-Consultant, WSP USA Inc. (FEIN 11-1531569) assigned to provide services under technical certification category 9.01 Soils, Foundations and Materials Testing - Drilling, Subsurface Investigations and Seismographic Services, is not technically certified to provide services under that category. Consequently, your firm and no member of your team are pre-qualified and technically certified in category 9.01, as required by the Notice to Professional Consultants (NTPC).

Pursuant to Section 1.4, A/E Technical Certification Requirements, of the NTPC, "To satisfy the technical certification requirements for the requested services, valid technical certification in all of the above-specified area(s) of work must be held by a firm responding as a sole respondent, or a team of firms." Pursuant to Section 1.7, Pre-Qualification and Technical Certification Requirements, of the NTPC, "Proposers (prime and/or sub-consultants) failure to be technically certified at the time of proposal submittal, as applicable, shall cause the proposal to be deemed non-compliant".

As a result, your team is non-compliant with the requirements of the NTPC and is hereby eliminated from further consideration for this solicitation.

Miami-Dade County thanks you for your interest in providing professional services and encourages you to submit for future projects.

Should you have any questions and/or concerns, you may contact me via email at ana.dasilva@miamidade.gov, with a copy to the Clerk of the Board at clerk.board@miamidade.gov. Please be advised that this project remains under the Cone of Silence.

FROM: Laurie Johnson, Section Chief
Project Review and Analysis Unit
Strategic Procurement Department

SUBJECT: Compliance Review
Project No. E25WS04
Engineering Design and Related Services for the Design of Water and Wastewater Pipelines as part of development required infrastructure policy projects

---

The Project Review and Analysis Unit has completed its review of the subject project for compliance with the Small Business Enterprise Program for Architectural and Engineering Services (SBE-A&E). The contract measure established for this project is a 15.00% SBE-A&E sub-consultant goal.

The Strategic Procurement Department (SPD) submitted proposals that included the Certificate of Assurances for the firms listed below acknowledging the 15.00% SBE-A&E sub-consultant goal. The referenced firms also submitted the Utilization Plans (UPs) identifying the SBE sub-consultants to fulfill the 15.00% SBE-A&E sub-consultant goal via the Business Management Workforce System (BMWS). Please find the results of the Project Review and Analysis Unit's compliance review below:

Selection Committee Coordinator

Subject: Report of Competitive Selection Committee
Water and Sewer Department (WASD)
Project Title: Engineering Design and Related Services for the Design of Water and Wastewater Pipelines for WASD's Water and Wastewater Systems as part of DRIP Projects
SPD Project No. E25WS04

The Competitive Selection Committee (CSC) has completed the evaluation of the proposals submitted in response to the referenced Strategic Procurement Department (SPD) solicitation and consistent with the guidelines published in the Notice to Professional Consultants (NTPC).

Scope of Services Summary: WASD will require engineering services for utility design, including planning and permitting assistance, and engineering services during construction for water and sanitary sewer pipeline infrastructure upgrades. The projects will be for the upgrade of existing water distribution and sewage collection pipelines throughout WASD's service areas. The scope of services consists of complete design services, which includes but is not limited to site investigations, surveying, maintenance of traffic plans, hydraulic analysis, coordination with other utilities, coordination with other municipalities, developers and the public, preparation of design reports, preparation of drawings and contract specifications, assistance during the permitting and procurement phases, and engineering services during construction.

Preferred Experience and Qualifications: The Prime Consultant should demonstrate engineering experience in the design, permitting and design services during construction of water and sanitary sewer systems. The Prime Consultant should demonstrate their successful experience with design, permitting and engineering services during construction of various types of pipe materials including polyvinyl chloride, high density polyethylene, concrete pressure pipe, and ductile iron. The Prime Consultant should demonstrate completion of at least two (2) successfully designed, constructed and operating upgraded water and gravity sewer pipeline projects in which the Prime Consultant has served as the designer. The two projects should be projects designed for WASD as either Capital Improvement Projects or donation projects. The Sub-consultants should demonstrate completion of one (1) project that is relevant to this Scope of Work specific to their proposed responsibilities.

Contract Terms: The County intends to retain two (2) qualified consultant/team of firms for two (2) Non-Exclusive Professional Services Agreements (PSA), with an effective term of five (5) years with one (1) Option to Renew (OTR) for an additional two (2) years.

Small Business Enterprise Goal: On June 6, 2025, a 15.00% Small Business Enterprise – Architectural and Engineering goal was established for this project.

Advertisement Date: July 25, 2025

Number of Proposal(s) Received: Fifteen (15) proposals were received by the submittal deadline of September 29, 2025.

Name of Proposer(s): Please refer to the attached List of Respondents.

Strategic Procurement Department Compliance Reviews: The proposals submitted by APEX One Home Inspections Corp and SRS Engineering Inc., did not meet the prequalification/technical certification (PQC/TC) requirements pursuant to the NTPC and were deemed non-compliant. Consequently, their proposals were not evaluated by the CSC. Proposals that were PQC/TC compliant were also reviewed for Small Business Enterprise compliance starting on October 7, 2025. All proposals reviewed were deemed compliant as noted in the attached Compliance Review Memorandum dated October 20, 2025.

Office of the Commission Auditor (OCA) Background Checks: SPD submitted CSC members' completed Neutrality Affidavits and resumes to OCA on October 27, 2025. A response was received on November 3, 2025. OCA submitted the results of the background checks to the Commission on Ethics and Public Trust (COE) for further review of findings. A response was received from COE regarding findings on December 11, 2025.

Office of the Inspector General (OIG) / Office of the Commission on Ethics and Public Trust (COE) Reports, Findings and/or Enforcement Documentation for Proposer and Subcontractor(s):
SPD submitted a request to OIG on October 7, 2025. A response was received on October 8, 2025 advising that no reports were located.

SPD submitted a request to COE on October 7, 2025. A response was received on October 16, 2025. The information was disseminated to the CSC on December 11, 2025.

Selection Process: Pursuant to Implementing Order (I.O.) 3-39, based on the dollar value of this solicitation for work to be assigned through individual work orders, the Architectural and Engineering professional services solicitation process does not require Second Tier evaluation and selection is based on First Tier results.

First Tier Results: The First Tier meeting was held on January 8, 2026. The CSC was tasked with evaluating the experience and qualifications of the Proposers, and scoring and ranking the proposals in accordance with the evaluation criteria outlined in the solicitation. The CSC scored all responsive proposals. During the evaluation process, all ties were broken using the standard tie-breaking procedure, as described in Section 3.3, Proposal Evaluation, of the Notice to Professional Consultants. Please refer to the attached First Tier Tabulation Sheet.

Special Circumstances: The CSC's submittal of Neutrality Affidavits and Resumes for one member resulted in a delay of 10 business days.

Administrative Leave Eligibility: The following County employees served as scoring members of the CSC and timely completed all committee-related duties, including submittal of the Neutrality Affidavit within three business days from Selection Committee Coordinator's notification dated October 7, 2025; initial scoring within 30 days of Selection Committee Coordinator's completion of

required reviews; and are hereby entitled to one (1) day of paid administrative leave pursuant to Implementing Order (I.O.) No. 3-34:

Employee's Name	Employee's Department
James Ferguson	WASD
Rena Chen	WASD
Liza Herrera	Department of Transportation and Public Works
Sergio Mejia	Miami Dade Aviation Department

One CSC member did not qualify for administrative leave, as the Neutrality Affidavit was submitted after the timeframe.

Request for Selection of Negotiation Team: Pursuant to Section 2-10.4 (6) of the Code of Miami-Dade County and I.O. 3-39, the Strategic Procurement Department hereby requests the County Mayor or County Mayors' designee approve the following Negotiation Team:

Ana M. DaSilva, A&E Consultant Selection Coordinator, SPD, will be the Negotiation Team Coordinator.

Negotiation Team:
James Ferguson, Assistant Director, Planning & Regulatory Compliance, WASD
Rena Chen, Senior Professional Engineer, WASD

Technical and operational assistance and feedback will be requested from appropriate staff as needed during the negotiation process.

Request for Authorization to Enter Negotiations: Pursuant to Section 2-10.4 (6) of the Code of Miami-Dade County, it is hereby requested that the County Mayor or County Mayor's designee approve the selection of the following firms for the purpose of negotiating two (2) non-exclusive PSAs for this solicitation, in accordance with the CSC's recommendation:

Pursuant to the Cone of Silence legislation included in the Conflict of Interest and Code of Ethics Ordinance, and Section 2-11.1 of the County Code, the County Mayor or County Mayor's designee will report to the Board of County Commissioners any of the following instances:

- When negotiations do not commence, or other affirmative action is not taken, within 30 days of the CSC's recommendation.
- When the County Mayor's or County Mayor's designee's recommendation to award or reject is not made within 90 days from the date of the CSC's recommendation.

If approved, the Negotiation Team will proceed with contract negotiations in accordance with Section 2-10.4(6) of the Code of Miami-Dade County, and submit the signed contracts to be presented to the Board of County Commissioners for final approval, no later than 60 days from the date of this memorandum.

If satisfactory agreements cannot be reached within the 60 day period, a report is required to be prepared explaining all issues resulting from the negotiations. If negotiations are proceeding within a reasonable timeframe, then negotiations will continue and the report will be submitted upon completion. The final contracts and report should be sent to the Strategic Procurement Department, Architectural and Engineering Unit.

Subject: Contract Award Recommendation for a Non-Exclusive Professional Services Agreement for Project No. E25WS04 to CHA Consulting, Inc. for Engineering Design and Related Services for the Design of Water and Wastewater Pipelines for the Water and Sewer Department's Water and Wastewater Systems as Part of Development Required Infrastructure Policy (DRIP) Projects - Agreement No. 25CHAC002

SUMMARY

The Miami-Dade Water and Sewer Department (WASD) is responsible for providing reliable water and wastewater services to more than 2.8 million residents, visitors, and businesses throughout Miami-Dade County (the County) and for maintaining compliance with applicable state and federal environmental regulations. To support these obligations and advance implementation of WASD's Capital Improvement Program (CIP), engineering design and related services are required for the design of water and wastewater pipelines for WASD's water and wastewater systems as part of the Development Required Infrastructure Policy (DRIP) projects.

Project No. E25WS04 was competitively solicited in accordance with Section 287.055, Florida Statutes, Sections 2-8.1, 2-10.4 and 2-8.2.12 of the Miami-Dade County Code, and Implementing Orders (IO) 3-34 and 3-39. Following evaluation of qualifications, and successful negotiations, CHA Consulting, Inc. was ranked among the highest-qualified firms and selected as one (1) of two (2) firms recommended for award of a Non-Exclusive Professional Services Agreement for Engineering Design and Related Services for the Design of Water and Wastewater Pipelines for WASD's Water and Wastewater Systems as part of the DRIP Projects, Agreement No. 25CHAC002 (the Agreement). The use of multiple non-exclusive agreements allows WASD to efficiently advance concurrent CIP projects while promoting equitable distribution of professional services work among qualified firms. Negotiations were concluded on February 24, 2026, and the total compensation under this Agreement shall not exceed $2,200,000, inclusive of a ten percent (10%) contingency allowance. The Agreement provides for a five (5) year term, with one (1), two (2) year option-to-renew, and will be funded through various funding sources.

The scope includes engineering services for utility design, including planning and permitting assistance, and engineering services during construction for water and sanitary sewer pipeline infrastructure upgrades. The projects will be for the upgrade of existing water distribution and sewage collection pipelines throughout WASD's service areas. The scope of services consists of complete design services, which includes, but is not limited to, site investigations, surveying, maintenance of traffic plans, hydraulic analysis, coordination with other utilities, coordination with other municipalities, developers and the public, preparation of design reports, preparation of drawings and contract specifications, assistance during the permitting and procurement phases, and engineering services during construction.

RECOMMENDATION

It is recommended that the County Mayor or County Mayor's designee approve the Agreement with CHA Consulting, Inc. to provide engineering design and related services for the design of water and wastewater pipelines for WASD's water and wastewater systems as part of the DRIP projects. Th
amount under the Agreement will not exceed $2,200,000, which amount includes

contingency allowance, and the Agreement has a five (5) year term, with one (1), two (2) year option-to-renew.

DELEGATED AUTHORITY
The Agreement is being awarded pursuant to Section 2-8.2.12 of the County Code (WASD's Acceleration Ordinance), which delegates authority to the County Mayor or County Mayor's designee to award certain contracts, and, among other things, negotiate and settle claims and execute change orders that do not exceed ten percent (10%) of the base contract amount, subject to ratification by the Board.

SCOPE
The scope of services will require engineering services for utility design, including planning and permitting assistance, and engineering services during construction for water and sanitary sewer pipeline infrastructure upgrades. The projects will be for the upgrade of existing water distribution and sewage collection pipelines throughout the WASD's service areas.

The scope of services consists of complete design services, which includes, but is not limited to site investigations, surveying, maintenance of traffic plans, hydraulic analysis, coordination with other utilities, coordination with other municipalities, developers and the public, preparation of design reports, preparation of drawings and contract specifications, assistance during the permitting and procurement phases, and engineering services during construction. Engineering services during construction are anticipated to include, but is not limited to, periodic site inspections, attendance at meetings, review of shop drawings, responding to requests for information, reviewing claims and potential change orders, reviewing contract schedules and schedule of values, and reviewing as-built drawings. Project coordination services are anticipated to include, but are not limited to, establishing a plan to implement projects, establishing and tracking project schedules, project budgets and deadlines, preparing status reports, and attending meetings as requested.

PRIMARY COMMISSION DISTRICT/PROJECT LOCATION
CHA Consulting, Inc. will be utilized throughout the County.

All firms were evaluated in accordance with Section 2-10.4 of the County Code, IO 3-34, and IO 3-39.

PROCUREMENT HISTORY
On July 25, 2025, a Notice to Professional Consultants (NTPC) was issued under full and open competition. Fifteen (15) proposals were received by the submittal deadline of September 29, 2025.
(See Attachment D: List of Respondents)

On October 7, 2025, the Strategic Procurement Department (SPD) sent a letter to Apex One Home Inspections Corp (Apex) and to SRS Engineering, Inc. (SRS) indicating that their teams did not meet the prequalification/technical certification requirements pursuant to the NTPC and were found non-complaint. Consequently, the proposals from Apex and SRS were not evaluated by the Competitive Selection Committee (CSC). *(See Attachment E: Letters to Apex and SRS)*

The SPD completed its review of the SBE contract measures on October 20, 2025, and confirmed that all thirteen (13) proposals were in compliance with the submittal requirements.
(See Attachment F: SPD Compliance Review)

Pursuant to County Resolution No. R-321-23, which amended IO 3-34, and became effective on May 14, 2023, the SPD submitted a request to the Office of the Inspector General (OIG) on October 7, 2025 regarding any Proposer and their proposed subconsultants for the CSC's consideration while scoring in accordance with the applicable criteria identified in the solicitation. No reports were located by the OIG. In addition, no reports were located by the Commission on Ethics and Public Trust.

At the First Tier "Evaluation of Qualifications" meeting held on January 8, 2026, the CSC reviewed and ranked the thirteen (13) proposals in accordance with evaluation criteria outlined in the solicitation. *(See Attachment G: First Tier Tabulation Report)*

The CSC recommended the two (2) highest ranking proposers to the County Mayor or the County Mayor's designee for approval to negotiate an agreement.

1. Kimley-Horn and Associates, Inc.
2. CHA Consulting, Inc.

The Negotiation team was approved by the County Mayor's designee on February 2, 2026. *(See Attachment H: Report of CSC)*

On February 24, 2026, the negotiation team held the first negotiation meeting with CHA Consulting, Inc. and concluded negotiations on the same day.

VENDOR(S) RECOMMENDED FOR AWARD

The table below depicts a summary of the recommended prime consultant.

Vendor Name	Principal Address	Local Address	Number of Employee Residents* 1) County 2) Percentage (%)	Principal

*Pursuant to R-1011-15, the percentage of employee residents is the percentage of the vendor's employees who reside in the County as compared to the vendor's total workforce.

DUE DILIGENCE

Pursuant to R-187-12, the SPD conducted due diligence in accordance with its Procurement Guidelines to determine vendor responsibility including verifying corporate status and that no performance or compliance issues exist. The lists referenced included: the Capital Improvements Information System (CIIS), the SPD's Division of Small Business Development's database, Sunbiz, Tax Collector's Office, convicted vendors, debarred vendors, delinquent contractors, suspended vendors, and federal excluded parties list. Also examined as part of this due diligence: Florida Division of Business and Professional Regulation. There were no adverse findings relating to vendor responsibility.

As of June 3, 2026, a review of the County's CIIS showed that CHA Consulting, Inc. has five (5) evaluations with an average evaluation score of 4.0 out of a possible maximum score of 4.0. *(See Attachment I: Contractor Evaluation Report)*

A review of CIIS, managed by SPD, showed that CHA Consulting, Inc. has been awarded three (3) contracts with the County within the last three (3) years from the proposal submittal date, with a total contract value of $7,500,000. *(See Attachment J: Firm Work History Report)*

RE: SPD Project No. E25WS04: Engineering Design and Related Services for the Design of Water and Wastewater Pipelines for the WASD'S Water and Wastewater Systems as Part of DRIP Projects

Dear Mr. Sanchez:

Miami-Dade County is in receipt of your submittal in response to the above-referenced solicitation. Please be advised that your firm, Apex One Home Inspections Corp (FEIN 47-1589617), is not pre-qualified and technically certified to provide services under categories 6.01 Water and Sanitary Sewer Systems - Water Distribution and Sanitary Sewage Collection and Transmission, 9.01 Soils, Foundations and Materials Testing - Drilling, Subsurface Investigations and Seismographic Services, 10.05 Environmental Engineering - Contamination Assessment and Monitoring, 15.01 - Surveying and Mapping – Land Surveying, and 16.00 - General Civil Engineering, as required by the Notice to Professional Consultants (NTPC).

Pursuant to Section 1.4, A/E Technical Certification Requirements, of the NTPC, "To satisfy the technical certification requirements for the requested services, valid technical certification in all of the above-specified area(s) of work must be held by a firm responding as a sole respondent, or a team of firms.", and Section 1.7, Pre-Qualification Requirements, of the NTPC, "In accordance with Chapter 2, Section 2-10.4, of the County Code, and I.O. 3-39 of Miami-Dade County, all firms and/or individual consultants properly licensed to provide architectural / engineering ("A/E"), landscape architectural, land surveying and mapping services, must be Pre-Qualified and Technically Certified. For more information, please visit the following link: Pre-Qualification Certification Process and refer to I.O. 3-39…Proposers (prime and/or sub-consultants) failure to be technically certified at the time of proposal submittal, as applicable, shall cause the proposal to be deemed non-compliant."

As a result, your firm is non-compliant with the requirements of the NTPC and is hereby eliminated from further consideration for this solicitation.

Should you have any questions and/or concerns, you may contact me via email at ana.dasilva@miamidade.gov, with a copy to the Clerk of the Board at clerk.board@miamidade.gov. Please be advised that this project remains under the Cone of Silence.

RE: SPD Project No. E25WS04: Engineering Design and Related Services for the Design of Water and Wastewater Pipelines for the WASD'S Water and Wastewater Systems as Part of DRIP Projects

Dear Mr. Serralta:

Miami-Dade County is in receipt of your proposal in response to the above-referenced solicitation. Please be advised that your Sub-Consultant, WSP USA Inc. (FEIN 11-1531569) assigned to provide services under technical certification category 9.01 Soils, Foundations and Materials Testing - Drilling, Subsurface Investigations and Seismographic Services, is not technically certified to provide services under that category. Consequently, your firm and no member of your team are pre-qualified and technically certified in category 9.01, as required by the Notice to Professional Consultants (NTPC).

Pursuant to Section 1.4, A/E Technical Certification Requirements, of the NTPC, "To satisfy the technical certification requirements for the requested services, valid technical certification in all of the above-specified area(s) of work must be held by a firm responding as a sole respondent, or a team of firms." Pursuant to Section 1.7, Pre-Qualification and Technical Certification Requirements, of the NTPC, "Proposers (prime and/or sub-consultants) failure to be technically certified at the time of proposal submittal, as applicable, shall cause the proposal to be deemed non-compliant".

As a result, your team is non-compliant with the requirements of the NTPC and is hereby eliminated from further consideration for this solicitation.

Miami-Dade County thanks you for your interest in providing professional services and encourages you to submit for future projects.

Should you have any questions and/or concerns, you may contact me via email at ana.dasilva@miamidade.gov, with a copy to the Clerk of the Board at clerk.board@miamidade.gov. Please be advised that this project remains under the Cone of Silence.

FROM: Laurie Johnson, Section Chief
Project Review and Analysis Unit
Strategic Procurement Department

SUBJECT: Compliance Review
Project No. E25WS04
Engineering Design and Related Services for the Design of Water and Wastewater Pipelines as part of development required infrastructure policy projects

---

The Project Review and Analysis Unit has completed its review of the subject project for compliance with the Small Business Enterprise Program for Architectural and Engineering Services (SBE-A&E). The contract measure established for this project is a 15.00% SBE-A&E sub-consultant goal.

The Strategic Procurement Department (SPD) submitted proposals that included the Certificate of Assurances for the firms listed below acknowledging the 15.00% SBE-A&E sub-consultant goal. The referenced firms also submitted the Utilization Plans (UPs) identifying the SBE sub-consultants to fulfill the 15.00% SBE-A&E sub-consultant goal via the Business Management Workforce System (BMWS). Please find the results of the Project Review and Analysis Unit's compliance review below:

Subject: Report of Competitive Selection Committee
Water and Sewer Department (WASD)
Project Title: Engineering Design and Related Services for the Design of Water and Wastewater Pipelines for WASD's Water and Wastewater Systems as part of DRIP Projects
SPD Project No. E25WS04

The Competitive Selection Committee (CSC) has completed the evaluation of the proposals submitted in response to the referenced Strategic Procurement Department (SPD) solicitation and consistent with the guidelines published in the Notice to Professional Consultants (NTPC).

Scope of Services Summary: WASD will require engineering services for utility design, including planning and permitting assistance, and engineering services during construction for water and sanitary sewer pipeline infrastructure upgrades. The projects will be for the upgrade of existing water distribution and sewage collection pipelines throughout WASD's service areas. The scope of services consists of complete design services, which includes but is not limited to site investigations, surveying, maintenance of traffic plans, hydraulic analysis, coordination with other utilities, coordination with other municipalities, developers and the public, preparation of design reports, preparation of drawings and contract specifications, assistance during the permitting and procurement phases, and engineering services during construction.

Preferred Experience and Qualifications: The Prime Consultant should demonstrate engineering experience in the design, permitting and design services during construction of water and sanitary sewer systems. The Prime Consultant should demonstrate their successful experience with design, permitting and engineering services during construction of various types of pipe materials including polyvinyl chloride, high density polyethylene, concrete pressure pipe, and ductile iron. The Prime Consultant should demonstrate completion of at least two (2) successfully designed, constructed and operating upgraded water and gravity sewer pipeline projects in which the Prime Consultant has served as the designer. The two projects should be projects designed for WASD as either Capital Improvement Projects or donation projects. The Sub-consultants should demonstrate completion of one (1) project that is relevant to this Scope of Work specific to their proposed responsibilities.

Contract Terms: The County intends to retain two (2) qualified consultant/team of firms for two (2) Non-Exclusive Professional Services Agreements (PSA), with an effective term of five (5) years with one (1) Option to Renew (OTR) for an additional two (2) years.

Small Business Enterprise Goal: On June 6, 2025, a 15.00% Small Business Enterprise – Architectural and Engineering goal was established for this project.

Number of Proposal(s) Received: Fifteen (15) proposals were received by the submittal deadline of September 29, 2025.

Name of Proposer(s): Please refer to the attached List of Respondents.

Strategic Procurement Department Compliance Reviews: The proposals submitted by APEX One Home Inspections Corp and SRS Engineering Inc., did not meet the prequalification/technical certification (PQC/TC) requirements pursuant to the NTPC and were deemed non-compliant. Consequently, their proposals were not evaluated by the CSC. Proposals that were PQC/TC compliant were also reviewed for Small Business Enterprise compliance starting on October 7, 2025. All proposals reviewed were deemed compliant as noted in the attached Compliance Review Memorandum dated October 20, 2025.

Office of the Commission Auditor (OCA) Background Checks: SPD submitted CSC members' completed Neutrality Affidavits and resumes to OCA on October 27, 2025. A response was received on November 3, 2025. OCA submitted the results of the background checks to the Commission on Ethics and Public Trust (COE) for further review of findings. Selection Process: Pursuant to Implementing Order (I.O.) 3-39, based on the dollar value of this solicitation for work to be assigned through individual work orders, the Architectural and Engineering professional services solicitation process does not require Second Tier evaluation and selection is based on First Tier results.

First Tier Results: The First Tier meeting was held on January 8, 2026. The CSC was tasked with evaluating the experience and qualifications of the Proposers, and scoring and ranking the proposals in accordance with the evaluation criteria outlined in the solicitation. The CSC scored all responsive proposals. During the evaluation process, all ties were broken using the standard tie-breaking procedure, as described in Section 3.3, Proposal Evaluation, of the Notice to Professional Consultants. Please refer to the attached First Tier Tabulation Sheet.

Special Circumstances: The CSC's submittal of Neutrality Affidavits and Resumes for one member resulted in a delay of 10 business days.

Administrative Leave Eligibility: The following County employees served as scoring members of the CSC and timely completed all committee-related duties, including submittal of the Neutrality Affidavit within three business days from Selection Committee Coordinator's notification dated October 7, 2025; initial scoring within 30 days of Selection Committee Coordinator's completion of

required reviews; and are hereby entitled to one (1) day of paid administrative leave pursuant to Implementing Order (I.O.) No. 3-34:

Employee's Name	Employee's Department
James Ferguson	WASD
Rena Chen	WASD
Liza Herrera	Department of Transportation and Public Works
Sergio Mejia	Miami Dade Aviation Department

One CSC member did not qualify for administrative leave, as the Neutrality Affidavit was submitted after the timeframe.

Request for Selection of Negotiation Team: Pursuant to Section 2-10.4 (6) of the Code of Miami-Dade County and I.O. 3-39, the Strategic Procurement Department hereby requests the County Mayor or County Mayors' designee approve the following Negotiation Team:

Ana M. DaSilva, A&E Consultant Selection Coordinator, SPD, will be the Negotiation Team Coordinator.

Negotiation Team:
James Ferguson, Assistant Director, Planning & Regulatory Compliance, WASD
Rena Chen, Senior Professional Engineer, WASD

Technical and operational assistance and feedback will be requested from appropriate staff as needed during the negotiation process.

Request for Authorization to Enter Negotiations: Pursuant to Section 2-10.4 (6) of the Code of Miami-Dade County, it is hereby requested that the County Mayor or County Mayor's designee approve the selection of the following firms for the purpose of negotiating two (2) non-exclusive PSAs for this solicitation, in accordance with the CSC's recommendation:

Pursuant to the Cone of Silence legislation included in the Conflict of Interest and Code of Ethics Ordinance, and Section 2-11.1 of the County Code, the County Mayor or County Mayor's designee will report to the Board of County Commissioners any of the following instances:

- When negotiations do not commence, or other affirmative action is not taken, within 30 days of the CSC's recommendation.
- When the County Mayor's or County Mayor's designee's recommendation to award or reject is not made within 90 days from the date of the CSC's recommendation.

If approved, the Negotiation Team will proceed with contract negotiations in accordance with Section 2-10.4(6) of the Code of Miami-Dade County, and submit the signed contracts to be presented to the Board of County Commissioners for final approval, no later than 60 days from the date of this memorandum.

If satisfactory agreements cannot be reached within the 60 day period, a report is required to be prepared explaining all issues resulting from the negotiations. If negotiations are proceeding within a reasonable timeframe, then negotiations will continue and the report will be submitted upon completion. The final contracts and report should be sent to the Strategic Procurement Department, Architectural and Engineering Unit.
